And the property as the direct heir,
And the property as the direct heir,
tried one year ago, when the jury disagreed; and, to secure a certain and intelligent verdict upon the second trial, a telligent verdict upon the second trial, a "strack jury" was ordered, consisting of "strack jury" was ordered, consisting of a panel of ferty-eight prominent citizens, selected by the Court, from which the opposing counsel alternately struck a name until twelve remained. Before this jury, which has probably never before been equalled in sectal and commercial weight in this country, ex-Attorney General Chattled and Hon. Charles O'Comor contested, the latter having been for two-score years connected with the Jumel bettis in the spiritually-minded.

A St. Louis woman claims \$5,000 damages from an undertaker for burying her husband too soon. The husband refuses to testify.

The advocates of weight suffrage are beginning to find favor with the wise ment of the East. The Marine House of Representatives has decided by a vete of 64 to 59 to submit the matter to a vote of the people. There is no place that can better afford to try the experiment than Maine.

New York, too, has a haunted house.

New York, too, has a haunted house.

New York, too, has a haunted house.

We though it strange that every country village could have its ghost and the great sim-burdened Gotham be allowed to sleep forever the sleep of innocence. There is a haunted house in that city, or, what is just a sgood, there is a story of a haunted house in which there are all manner of mysterious sounds:

The soft-headed youth of New London, Conn., who sted the widow to refund the expenses of a protracted courtship, has to pay costs amounting to \$400, and serves him right, too. He should know better than to make or meddle with widows. He is not "smart' enough for the content of the expenses of a protracted courtship, has to pay costs amounting to \$400, and serves him right, too. He should know better than to make or meddle with widows. He is not "smart' enough for a state of the property at stake, the fat fees of six figures in size, and the struck jury," ombite to render this trial a celebrated cause.

The management than the struck is trial a celebrated cause.

All public buildings and many private houses in the discontented quarters of the city are occupied by troops. The army is firm in support of the Government. The city is tranquil to-night. Advices from Spain received by leading bankers here represent the prospect as gloomy, and say that families are leaving

the capital and principal cities. Pampalona is expected to fall into the power of the Carlists, and troops are hastening to reinforce the garrison. Lisbon, Feb. 25. AMADEUS IN LISBON. The King of Portugal and Amadeus

esterday visited the iron-clad Minatour, the flagship of the British squadron lunci ed it Admiral Ho & y. BUCHAREST, Feb. 25. DIPOLMATIC. The Chambers, under a demand from the Government for immediate action

have passed a bill authorizing the establishment of political agents at Rome and Washington. NEW YORK, Feb. 25.
