Statement of Session.

The Sacrament of the Lord's Supper has only been observed twice during the year, owing to the church improvement and want of convenient place of worship.

The Session note with pleasure the good attendance on Sabbath at both the morning and evening services.

We are much pleased to note the good attendance and the interest taken in the Sabbath School and Bible Class by the Officers and Teachers, but we fear the average attendance of children will be less than formerly on account of not having a convenient place to meet and also the prevalence of diphtheria in the village.

The number removed from our midst by death is very large. They have been taken from old, middle-aged and young. Some of those called away, we, as a congregation, greatly miss.

Let us live day by day in humble and loving trust in Christ and loyal obedience to Him, and then for us death will be infinite gain.

Sabbath School.

The Teachers and Officers again tender to the parents and friends their hearty thanks for the assistance rendered in the School and hope that all who have taken any interest in the glorious work will endeavor to do more in the coming year; ever looking to Jesus as our example who went about doing good, and may all so engaged in Sabbath School work be filled with the Holy Spirit that their labors may not be in vain.

The Superintendent would take this opportunity to thank the Teachers and Officers for their kindness to him in the assistance rendered in the past year and would ask a continuance of the same throughout the coming year, and may our endeavor be to make it one of more earnest prayer for the School and for the outpouring of the Holy Spirit upon the children under our care and also to remember in our prayers the pupil committed to us at Point Aux Tremble's School.

On behalf of the Teachers and Officers,

Sincerely Yours,

NATHANIEL STEEN,
Superintendent.

Young People's Mission Band.

In submitting the report of our Young People's Missionary Band for the past year, we have reason for gratitude for any degree of success which has attended our efforts in the cause of Missions. During the year we have had a number of excellent addresses on the subject of Missions and we regret exceedingly that more of our congregation did not attend them for they were a source of great instruction and profit to those who were present. Our success for the past year has not been as marked as usual. In the amount of the contributions for Missions we are considerably short of the two previous years. There are many reasons for the shrinking in the amount contributed. We have not had the subject properly placed before the congregation from the pulpit owing to our being without a settled pastor. To become properly interested in the Mission work of our church we must become thoroughly acquainted with the needs of brothers and sisters who sit in heathen darkness. When we have a better knowledge of their condition we will more readily extend to them the helping hand. Again our congregation have been called upon from many sources to contribute toward the church improvement and during this year have contributed very liberally toward the many schemes of the church.

We trust that during the coming year we shall be able to show better results and we ask the hearty co-operation and support of the congregation.

Respectfully Yours,

WM. MADILL, *President.*

Barbertown Mission Sabbath School

This School has been fairly successful during the year. The average attendance good considering the population of the district we have to draw from. The scholars have been very attentive and seem to take a warm

interest in the welfare and advancement of the school. This has been a source of great encouragement to the officers who came to the work without experience, animated only by our earnest desire to teach the scholars, that only in love of Christ, only in following his precepts and profiting by His example can true happiness, true manhood or womanhood be attained. If we have in part succeeded in the past (as we hope and trust we have). We thank God for it, and humbly pray for his continued guidance so that this school may go forward continue and complete the good work begun.
