Miss Harper has recently left for a year's study in the National Training School, Toronto. She has been a valued teacher in the Erie street Sunday School and has been an active worker in the Y.P.L.

At the meeting on Monday a resolution was passed thanking her for her work and assuring her of the good wishes of the members of the League. Miss Thompson addressed the League giving a full account of the organized convention of the Young People's Societies of the London Conference of the United Church.

LIBERAL CANDIDATE WITHDRAWS

A. E. Shaughnessy Declines Liberal Nomination and Executive Abandons the Field

Arnold E. Shaughnessy, the young Petrolia barrister and Reeve, who last week received the nomination of the Liberal convention in Alvinston, on Friday last announced that he had definitely decided not to enter the campaign now proceeding for the Federal election, thus the fight in East Lambton reverts to the Conservative and Progressive candidates, J. E. Armstrong and Burt W. Fansher.

This announcement throws an entirely different light on the local situation and will mean that the contest will be much keener than the three-man contest.

LIBERALS HOLDING ANOTHER CONVENTION IN ALVINSTON TODAY

The executive of the East Lambton Liberal Association has called for a convention of delegates in Alvinston on Friday afternoon at 2.30 o'clock.

Since the withdrawal of A. E. Shaughnessy numerous representations have been made by prominent members throughout the riding to retain a Liberal candidate.

John R. Stirrett, a young barrister of London, and a son of Robert Stirrett, of Sarnia, formerly of Petrolia, has been urged to accept the nomination and enter the field.

Supporters of the party in the southern part of the constituency feel that success awaits a Liberal candidate, and although Durward G. Sturgis, of Dresden, has expressed himself as unable at present to assume the responsibility of bearing the Liberal banner in the approaching fight, it is confidently expected that at a second convention today, a new man will be brought out who will be capable and willing to fight a strenuous battle for the Liberal cause in East Lambton.

Meanwhile, nomination day remains a short two weeks away, Thursday, October 22nd and election day will be one week later.

## BROOKE

Upon their return from an extended wedding tour through the eastern states, returning by way of Detroit, Mr. and Mrs. T. J. Higgins were surprised when about one hundred friends and neighbors gathered at the latter's home on Tuesday evening and honored them with a reception, the bride receiving many useful gifts. The evening was spent in singing and music till the wee small hours when they departed wishing the bride and groom every success in their new home.

There will be a celebration of Holy Communion next Sunday, Oct. 11th at 3 p.m., in Christ church, Sutorville.

## WARWICK

Mr. John Tanton made a flying trip to St. Marys last Sunday.

Mrs. Ed. King, Sandwyl, is visiting her mother, Mrs. M. J. Westgate, 4th line.

Mr. Wm. Tanton and son, John, motored to Caro, Mich., and attended the funeral of the former's brother-in-law, Ephraim Yager.

Mrs. E. Mouton, of Windsor, spent last week with her cousin, Mrs. Robt. Campbell, second line.

Mr. John Tanton has returned home after nursing her mother, Mrs. A. Zimmerman of Bosanquet, who has been laid up with the flu.

Miss M. Irene Westgate, nurse in training, Grace Hospital, Windsor, has returned after spending her vacation with her parents, Mr. and Mrs. Wm. Westgate, 4th line.

Miss Ella Richardson, of Nanton, Alberta, left on Tuesday for her home in the west after spending a few days with her brother, Mr. Orval Richardson.

When a steer bumped into Leslie Kenzie, fifth side road, Warwick township, last Wednesday morning it started a fire which for a time threatened to destroy the large barns on the Kenzie farm. Neighbors with fire extinguishers, aided by the wet condition of the straw stack, finally extinguished the blaze before more than small damage had been done. Mr. Kenzie was putting cattle into the barn and as he was passing near the straw stack with a lighted lantern the steer came, rushing around the stack. It struck Mr. Kenzie, broke the lantern and scattered burning oil over the straw. Mr. Kenzie and members of his family fought heroically until neighbors came to their assistance with fire extinguishers and the flames were finally extinguished. Recent rains had left the straw wet and this was of material assistance.

At practically the same spot where the Wilson fatality occurred three years ago, on the Bosanquet and Warwick townline between Forest and Arkona, Charles Minielly of Forest, driving a sedan, on Saturday went into the deep ditch, the car turning turtle. The sedan top and the fact that he was passing near the barns. Neighbors came quickly, the threshing crew nearby and the silo fillers on the next farm all rushed to help. The milk wagon with its load of whey happened along just then, and the whey was used to put the fire out. Successfully the men fought for hours to save the barns.

ARMSTRONG MEETING AT THE VILLAGE

The first political meeting in Warwick, in the present campaign was held in the town hall, Warwick Village on Friday evening, in the interests of Joseph E. Armstrong, Conservative candidate in East Lambton. The gathering which was marked by enthusiasm was presided over by S. Chambers. Messrs. Mathison and Armstrong were the speakers. Mr. Mathison emphasized the necessity for a new captain at the helm of the ship of state and pointed out that there were two alternatives before Canada at the present time. In the choice, he said, there lay safety and ruin in a national aspect. In commencing his address Mr. Armstrong observed that he was no stranger in Warwick and stated that his record was before the electors. In convincing manner he arrayed a number of facts touching upon farm markets and industrial life in Lambton County, all tending to prove that the tariff policies of the present Government were highly detrimental to business and markets. He stated he had no quarrel with the U.F.O. or Liberal party, but he desired to point out that the policy of the present Government was a ruinous course for Lambton and consequently anywhere else in Ontario.

BORN

In Bosanquet, on Friday, Oct. 2nd, 1925, to Mr. and Mrs. John S. Zimmerman (nee Florence Roberts) a son—Lyle Robert.

In Watford, on Wednesday, Sept. 23, 1925, to Mr. and Mrs. A. D. Elliot, a son—Alexander Deas.

In Warwick, to Mr. and Mrs. Orval Richardson, (nee Violet Dupe), a daughter—Hattie Leone.

DIED

In Sarnia Hospital, on Monday, Oct. 5th, 1925, William Sutton, of Brooke, aged 73 years, 7 months, 5 days. Interment in St. James' church cemetery on Wednesday.

Alvinston United church will install a new steam heating plant, to replace the old hot air furnace. It was proposed to build an addition to the church, but this has been laid over for another year.

OBITUARY

WILLIAM SUTTON

William Sutton, a life-long resident of this district died in Sarnia hospital on Monday, October 5th, following an illness of several months arising from cancer of the liver. He had been confined to hospital for the past six weeks.

Mr. Sutton, in his 74th year and was a product of the 12th line of Brooke, a miscellaneous homestead now occupied by his son, Albert. He was a very good farmer, a member of Brooke Robert, of Kingscourt, and his sister, Mrs. Mains of Watford.

The funeral service was held in St. James' church, Brooke, on Wednesday afternoon, conducted by the rector, Rev. J. H. Hosford, and interment took place in the church cemetery.

The pallbearers were Messrs. Bert Sutton, Gordon Sutton, Robert Sutton, Borden Sutton, Gordon Mains, J. Jephews and Thomas Higgins.

Among those from a distance who attended the funeral were—Mr. and Mrs. Robert Sutton, Allan Higgins, Mrs. Langford, all of Detroit; Mr. and Mrs. Gilbert Mains, of Elora; Mr. and Mrs. Dickens, Mr. and Mrs. Albert Carroll, Lucan; Gordon Mains Marysville; Mrs. Chalmers, George Kingston, Mr. and Mrs. Wm. Morris, Mr. and Mrs. Bryan Cascaden, all of Sarnia, and Miss Ethel Davis, of Wyoming.

PEOPLE IN TOWN MUST BE REGISTERED

For the coming Dominion election on Thursday, Oct. 29th, entirely new voters' lists have to be made. For this purpose Registrars are appointed to prepare them, subject to revision by the county judge or his appointee. The returning officer appoints his own clerk and in addition to this, appoints a registrar for each polling sub-division in the rural municipalities and in villages and in towns having a population of 5000 or less. These registrars compile the voters' list for the election making use, as a basis, of existing provincial voters' lists or municipal lists containing the names of persons entitled who are not qualified to vote at provincial

elections. From these lists the registrar strikes off names persons who are not qualified and adds the names of persons who are qualified in Federal elections. There is an appeal from this except that an elector who is qualified may apply for election day in the division in which he resides and make oath to that effect. He will then be allowed to vote providing he is vouchered by an elector in the polling division.

In towns and cities of over 5000 population, a different Sunday list is adopted for the preparation of voters' lists. No persons are allowed to be added to these lists in these towns and cities unless their names are on the provincial voters' list or municipal lists. Registrars are appointed to compile these lists and to advise the county judge of the names of persons entitled who are not qualified to vote at provincial

in existing lists have to appear personally before such registrar, who frequently adds the additional names of any list which he is entitled to make use of, but he cannot strike names, as appeals from his list to add to and strike off, are made before the district or county judge.

13-Month Calendar to be Used in 1928

EASTER DATE PERMANENTLY FIXED FOR SECOND SUNDAY IN APRIL

New Month of "Sol" Squeezes in Between June and July

Vancouver, Oct. 4th.—First steps toward the reform of the calendar to divide the present year of twelve months into thirteen months have been taken by the League of Nations committee on calendar reform in fixing the date of Easter permanently for the second Sunday in April, beginning with 1928. Moses B. Cotsworth, of London, England, secretary of the International League, Saturday

announced receipts of news from the committee that the unanimous consent of all the great Christian church authorities had been secured to make this change.

"It is the first essential step accomplished toward winning the more important benefits of calendar reform," said Mr. Cotsworth. "The proposed 13-month year will be a gain to all humanity," he said.

The plan is to make the last day in each year an international "year day" and divide the 52 weeks into 13 months. A new month "Sol" is proposed, to be made from the last two weeks of June and the first two weeks of July. Each month would consist of four complete weeks, like February, 1925, and all times for earning and spending would be equal or exact multiples of each other.

THE FARMER'S HOME MARKET

Low Tariff Policy belittles. Are they right? What are the Facts?

PROBABLY no part of the business of farm produce is so misunderstood and less appreciated than the value of the home market to the average Canadian farmer of to-day.

First and foremost, given a Government that is sympathetic with you, the home market is one that you can absolutely control, at all times, at least against the foreign farmer who invades it. On the other hand, the foreign market is one that you may be legislated out of at any moment by the will of a foreign government that has decided that it wants to give its own farmers an advantage over you!

Next, the market that is best worth cultivating is the home market that absorbs the largest part of your product. The fellow who year after year buys more than half your produce is worth more to you than the fellow who only buys a few dollars' worth. That's fundamental! There's no getting away from it!

From the figures below we prove absolutely that the home market absorbs at the very least 63 1/2% of the produce—not of the Ontario farmer—but of the average Canadian farmer, including the wheat farmer of the West. If we were to leave the

wheat farmer out of it, it could be proved that over what the Ontario farmer produces is consumed by this market.

Because some people have an exaggerated idea of the importance of the export market for farm produce is that they have looked at it solely from the standpoint of wheat! It is true that wheat in one form or another about 75 per cent of our entire crop. But the wheat crop, important and all as it is, represents only about one-fourth of our total annual agricultural production, and it is only when we take into account what becomes of the other three-fourths that we can arrive at a true estimate of the value of the home market to the average Canadian farmer!

Here is our calculation. Check up our figures from the Canada Year Book, the official statistical publication issued by the Government. Subject our deductions to the most searching investigation and you will find that if we have erred at all, we have under-estimated, rather than over-estimated the importance of the farmer's home market.

TOTAL EXPORTS, FISCAL YEAR 1924, OF	
<b>Agricultural and Vegetable Products.</b> including fresh dried and preserved fruits, grains, flour and milled products, bakery products and prepared foods, vegetable oils, tobacco, fresh and prepared vegetables, maple syrup, maple sugar and miscellaneous, but excluding rubber, sugar (other than maple), molasses and confectionery as products not of Canadian agricultural origin; also including alcoholic beverages whose export value is out of all relation to the value of the agricultural products used in their production.	<b>\$394,407,246</b>
<b>Animals and Animal Products.</b> including live animals, hides and skins, leather, fresh meats, cured and canned meats, milk and its products, oils, fats, greases, eggs, honey and miscellaneous, but excluding fish oils, seal and whale oils, and furs other than black and silver fox skins, as products not of agricultural origin.	<b>91,939,305</b>
<b>Fibres, Textiles and Textile Products.</b> including all wool and woolsens, also flax, jute and hemp products, but excluding binder twine, manufacturers of cotton and silk, manufacturers of mixed textiles, and certain kinds of wearing apparel, as products not of Canadian agricultural origin.	<b>2,747,573</b>
<b>Grand total exports, all kinds of farm produce</b>	<b>\$489,094,124</b>

Now the gross agricultural revenue of Canada for crop year 1923 is given as \$1,342,132,000. Deducting the grand total exports, as above of \$489,094,124, leaves a balance of \$853,037,876 to represent what must have been consumed by the home market. In other words, the export market took only 36 1/2% of our farm production. The balance, 63 1/2%, was consumed in Canada!

TWO THIRDS OF WHAT THE CANADIAN FARMER RAISES, HE SELLS IN CANADA

Export Prices that Fail to Govern Home Prices.

In attempts to belittle the home market, the argument has been used over and over again that the prices obtainable in the export market always govern the prices obtainable in the domestic market.

Statements of that kind constitute one of the meanest forms of dishonesty. It is probably true that, in the absence of an effective wheat pool, the Liverpool price pretty nearly fixes the domestic price of wheat. But the Liverpool price of hay, or of potatoes, is almost negligible in its effect upon the local prices obtainable for those commodities in Canada. And the reason for the difference is that wheat, besides being a commodity that can be stored indefinitely, has been provided with terminal facilities that enable it to be handled at a minimum of expense, and is carried at the lowest of all freight rates, whereas transportation costs on hay and potatoes substantially protect the producer against surpluses only a hundred miles away!

Hay and Potatoes for Instance.

In 1923, for instance, farmers in Norfolk County received an average of only 81 1/3 cents a bushel for their potatoes, while farmers in Welland County, less

than fifty miles away, received \$1.00 for theirs. In that same year farmers in Perth County received an average of only \$9.28 a ton for their hay, while farmers in the adjoining County of Middlesex received \$11.05 for theirs.

Discount these illustrations as much as you like on the ground that differences of quality had something to do with the differences in price, yet do they not serve to shake your faith in the man who would have you believe that Liverpool prices always govern domestic prices? Did Thunder Bay farmers, for instance, get \$19.64 for their hay in 1923 because it was of such superior quality, or did they get it because of the high cost of bringing \$8.98 hay from Huron County, or \$10.11 hay from Lambton County? If Liverpool prices governed hay in the way and for the same reasons that they do wheat, Ontario farmers would have to pay shippers a premium to take their hay away!

What's Sauce for the Goose is Sauce for the Gander.

Belittlers of the home market assert that a tariff on farm products is of no benefit to our farmers. Is the United States tariff on farm products of no benefit to United States farmers? Is it no detriment to Canadian farmers? If a foreign tariff is a detriment to Canadian farmers, why should

not a Canadian tariff be a detriment to foreign farmers and consequently a benefit to our own?

What a New Industry, in your Market Town, Means to You!

It increases the prosperity of the town, gives work to the unemployed, adds to the population, gets the empty houses rented and starts the building of new ones. The town immediately has more money to spend on the butter and eggs, the vegetables, fruit, milk and grain your farm produces.

The foreign market is admittedly an important market, but after all what does it consist of? Isn't it made up entirely of town and city dwellers—wage-earners—who cannot obtain from their own farmers as much food as they require so they must buy from you? Is the city dweller an asset to the Canadian farmer only when he happens to dwell in a foreign city? If we persuaded him, by the offer of a better job than he now has, to come and live in Canada, would he not be a bigger asset to our farmer than he is at present?

Those who scoff at the home market would encourage those dwellers in a foreign city to stay where they are, thus leaving our farmers in the position where they must take a chance on shipping their products long distances, and then selling them in competition with other producers from all over the world! Isn't the plan of those who would build up the home market a vastly better one?

A higher tariff will give more workers good jobs in this country. Canadian workmen with good jobs are the best customers the Canadian farmer will ever have.

### IS YOUR CHILD THIN AND WEAK?

Cod Liver Extract in Sugar Coated Tablets Puts On Flesh and Builds Them Up.

In just a few days—quicker than you ever dreamt of—these wonderful health building, flesh creating tablets called McCoy's Cod Liver Extract Tablets will start to help any thin, underweight little one.

After sickness and where rickets are suspected they are especially valuable.

Most people know that from the livers of the lowly codfish, vitamins of the first class are extracted—the kind that help all feeble, underweight men, women and children.

Try these wonderful tablets for 30 days and if your frail, puny child doesn't greatly benefit—get your money back.

A very sickly child, age 9, gained 12 pounds in 7 months. Ask any druggist for McCoy's Cod Liver Extract Tablets—as easy to take as candy and 60 tablets, 60 cents.

### Quickly Drives Out All Rheumatic Poison

The first day you take Rheuma, the doctor's remedy that is selling so rapidly, you'll realize that when Rheuma goes in uric acid goes out.

It matters not whether you are tortured with pain, crippled with swollen joints or distressed with occasional twinges, Rheuma is guaranteed to send your rheumatic trouble or money back.

Rheuma is just as effective in cases of lumbago, sciatica, arthritis and chronic neuralgia.

Rheumatism is a dangerous disease. It often affects the heart and causes death. If you have it in the slightest degree get a bottle of Rheuma from J. W. McLaren or any good druggist today and drive it from your system at once.

### A Little Booklet Mothers Should Have

It Tells What a Mother Ought to Know for Baby's Sake

Above all things every mother wishes that her child, or children, whatever their age, may be bright, healthy, good-natured, rosy boys and girls; clear eyed, clear skinned babies; good sleepers, bright wakers. Every mother's wish for her little folks is that they may be well.

It is natural for little folks to be well. No wise mother thinks that her child at any age is in a natural state unless it is well and happy. No mother can expect, though, that her child will escape all the ills to which babyhood and childhood are subject, but she can do much to make baby's battles for health easily won.

A valuable little booklet entitled "Care of the Baby in Health and Sickness" has been prepared and as it is something every mother should have, a copy will be sent free to any mother on request who will mention this paper by The Dr. Williams' Medicine Co., Brockville, Ont.

**Women's Handicaps**

Headaches and Backaches Often Make Life Miserable

A woman's health handicaps her almost always. She has pains and disabilities which do not afflict men. Nature does not give her a fair chance. Her blood is more often thin and poor than a man's, and she often neglects the first beginnings of ill health. Many women who seemed destined to a life of frequent suffering have been freed entirely from their suffering through the wonderful blood-making quality of Dr. Williams' Pink Pills. Many women toils all day with a pain in her back and side, a burning headache, and a sense of having no spine left.

What a pity women will not listen to their friends whom Dr. Williams' Pink Pills have saved from their misery. Whenever a woman suffers they will help her—in youth, middle-age, and afterlife. Mrs. John Mitchell, of Middleville, Ont., gives her experience for the benefit of other women sufferers. She says:—"Some years ago I was so badly run down I could hardly walk around the house. I tried to do a few chores but was able to do very little. My boys and husband had to do the rest. If I started up stairs I had to go very slow or I would fall, and I was just played out when I got to the top of the stairs. My head ached terribly, and my heavy eyelids would close. In this deplorable condition I began taking Dr. Williams' Pink Pills. When I had finished six boxes I felt much better. Then I got a further supply, and by the time I had taken these I could walk anywhere without being exhausted, the headaches had disappeared and I am now perfectly well. Any woman who is run down should not hesitate to begin Dr. Williams' Pink Pills at once, as I am sure from my own experience they will build her up."

You can get these Pills from any medicine dealer or by mail at 50 cts. a box from The Dr. Williams' Medicine Co., Brockville, Ont.

**The Election Campaign**

A playwright and a famous Canadian general were nominated as candidates for forthcoming parliamentary contests at a recent meeting in Hamilton. Charles W. Bell, K.C., who will be the Conservative standard bearer for West Hamilton has several plays to his credit and at least one Broadway success. General S. C. Mewburn's successes were staged in the theater of war, and he will be the Conservative candidate in East Hamilton. There are still a big number of nominations to be made as, up to the first of October there were only 112 Liberal candidates in the field, 162 Conservative and 45 Progressives, out of the 245 constituencies. There remains almost two weeks in which nominations may yet be made. Hon. Vincent Massey who was recently appointed to the cabinet has resigned his position as president of the Massey Harris company and other directorships in big Canadian concerns. One of the biggest meetings of the campaign is to be held in Massey hall on October 26, with Premier Ferguson, Hon. Arthur Meighen, and Hon. R. J. Manion, as speakers. Hon. Manion is one of the brightest of the younger statesmen and one of the Premier's right hand men. Premier King has been visiting several Pacific coast towns and has received a warm welcome from his B. C. supporters. In Vancouver he predicted great things for Canada as a result of the Australian trade treaty.

**Locarno Parley**

For the fifth time since the end of the war, the representatives of Germany are sitting around the conference table with the allied nations at the little Swiss town of Locarno. This time for the purpose of discussing a security pact within the terms of the Versailles Treaty, seeking to provide a state of peace for poor old Europe. The Nationalists of Germany, it is reported, are willing to go to the length of assassinating Foreign Minister Stresemann rather than allow him to consummate such a pact and other influences are at work to prevent the European nations reaching a satisfactory agreement upon the prevention of war. The sinister Russian minister, Tchitcherin, has been in Berlin for some time and is endeavoring to effect a treaty with the allied nations which would prevent the allied nations reaching their goal and at the same time making some tempting offers to Germany to keep her out of the Locarno conference. His last conference with the German delegates lasted for an hour before the departure of their train for Switzerland.

**To Change Calendar**

In 1928 and thereafter Easter will be a fixed date, the second Sunday in April, according to news from Moses B. Cotworth of Vancouver, director of the International Fixed Calendar League. He has been notified of this effect by the League of Nations which proposes to reform the Calendar, making it into a year of thirteen months. If this proposal goes into effect there will be a new month called "Sol" composed of the last two weeks of June and the first two weeks of July. Each month will consist of four complete weeks. The odd day of each year will be made an "international year day."

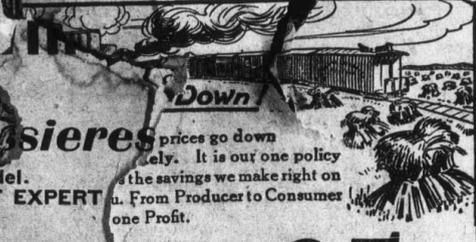

**Labor Deals Blow to "Reds"**

The Communist group in Great Britain has been dealt a severe blow by the action of the conference of the Labor Party at Liverpool. The "Reds" made a strenuous effort to secure a revision of last year's decision to exclude "red" delegates from the privileges of the conference, but a vote which overwhelmed them more than ten to one the exclusion was maintained. Former Premier Ramsay MacDonald stuck out valiantly against them in his speeches to the delegates and was supported by several of his former cabinet ministers. The exclusion of official Communist delegates however, have failed to prevent some violently disloyal speeches. One of the amusing incidents of the conference followed an attack upon the British Empire by a few particularly red-tinted youthful members who demanded the abolition of capital and the smashing of the British Empire among other things. James Sexton, M.P., sarcastically pointed out that these young men who demanded the overthrow of the Empire, the abolition of capitalism, self-determination, revolution, birth control, etc., had contributed to all these movements the magnificent sum of thirty shillings. English papers treat the much heralded British revolution in a careless humor which makes it exceedingly difficult to gauge the seriousness of the movement. Certainly the negotiations of the Labor Party have had a reassuring effect upon the British public and Ramsay MacDonald has regained a good part of the prestige which he had lost since the rout of the party at the last elections. Moreover, the Labor party, in the face of the fact that they must array themselves against the siege of "Red"

### MRS. B. H. HART SICK FOR YEARS

Wants Women to Know How She Was Made Well by Lydia E. Pinkham's Vegetable Compound

Cornwall, Ontario.—"I am now giving your medicine a fair trial and it surely is doing me good and I am going to keep on taking it. I used to feel so tired in the morning that I didn't want to get up, but that feeling is leaving me now. I also sleep better and feel more like working. For seven or eight years I have had headaches, tired feelings, pains in my back and across my body. I read letters in the newspapers saying what good Lydia E. Pinkham's Vegetable Compound had done others. My husband says I quit too soon, but I am not going to stop taking the Vegetable Compound and Lydia E. Pinkham's Blood Medicine until I am better and haven't an ache or a pain, isn't that the right way? I have great faith in your medicines. They must be good when those who take them speak so highly of them. I am recommending them to my friends and I will gladly answer letters from women asking about them."—Mrs. Bury H. Hart, Box 1081, Cornwall, Ontario.

Mrs. Hart wants to help other women and is willing to answer letters from sick women asking about the Vegetable Compound.

**Freshen Up!**  
Nicest Laxative,  
"Cascarets" 10c

Don't stay headachy, bilious, constipated, sick! Take one or two "Cascarets" any time to mildly stimulate your liver and start your bowels. Then you will feel fine, your head becomes clear, stomach sweet, tongue pink and skin rosy.

Nothing else cleans, sweetens and refreshes the entire system like pleasant, harmless candy-like "Cascarets". They never gripe, overact, or sicken. Directions for men, women, children on each box—drugstores.

**Healthy Hair**  
Gleamy, Thick, Wavy  
—Full of Life

The constant curling and waving demand—met by modern style in hair dress, slowly burns the color, lustre and very life from the hair, leaving it dry, faded and brittle, streaked with gray; then the hair roots shrink and the hair falls out fast.

Try this for one week! While combing and brushing your hair, moisten your hair brush with a little "Danderine" and brush it through your hair—the effect is startling! Your hair immediately takes on new life and that healthy, youthful lustre becomes incomparably soft, wavy, and appears twice as thick and abundant. "Danderine" costs only 35 cents a bottle at any drug store.

### THE ORIGIN OF BASEBALL

Ball playing in various forms popular among the Chinese and Indians for centuries. However, the proven fact that baseball, as we know it, is of American origin.

In 1907, at the suggestion of Spalding, a committee was appointed to investigate the origin of the game. This committee was composed of G. Mills, Arthur P. Gorman, J. Bulkeley, N. E. Young, Al. J. George, Wright and Jas. E. ...

After thorough investigation, the committee reported that baseball had its origin in the States.

The first scheme for a game devised by Abner Doubleday at Cooperstown, N.Y., in 1845. Here is the history received by Doubleday from West Point, a list of a few Cooperstown, more or less.

1839—Baseball first introduced into the United States by Abner Doubleday, Cooperstown, N.Y. Dimension of the diamond was never been changed.

1845—First baseball club organized. The Knickerbocker Baseball Club of New York. First rules compiled. Catcher played back. First bounce catch was out. A club to be declared the winner had to score 21 runs without regard to the number of hands (innings), but each side must play an equal number of hands (innings). The ball used in 1845 weighed three ounces. Pitching distance, forty-five feet. Pitcher's box twelve feet square. Batter could call for high or low ball.

1846—First match game of record played at Hoboken, N.J., June 11. Knickerbockers vs. New York; score 23 to 1, in four "hands" or innings.

1857—Game was divided into win-ning and losing halves.

1857—Called strikes introduced.

1864—the "out on first" several rule abolished.

1869—First curve ball legally delivered by Bobby Matthews.

1875—First glove worn by Charles White.

1876—National League formed.

1890—Eight called balls entitled batter to first base.

1884—Six called balls entitled batter to first base.

1887—Called strikes, four; called balls, five. Batter allowed first base on being hit by pitched ball.

1890—Called balls, four. Called strikes three. Old Polo Grounds closed July 8, New York 7, Pittsburg 5.

1892—Pitching distance increased to 60 ft. 6 in., and pitcher obliged to place foot on slab.

1900—American League organized.

1901—Foul strike rule. Catcher compelled to stay behind bat.

1905—World series began.

1909—Cork centre ball.

1918—Abolition of spitball and other "dope" pitching.

### DETROIT FIRM AIMS AT CHANGE IN COINS

A Detroit concern has made representation to the finance department at Ottawa to retire the small five cent Canadian coin, and the large one-cent piece in order that Canadian coinage may be uniform with American money. This is for the convenience of money machines, slot machines, etc., and the company is anxious to start a factory in Canada for the manufacture of coin counting machines, being deterred only by odd Canadian money.

It has been found that the department has no jurisdiction over the redeeming of coinage of any kind. Simplification of the situation lies with the banks of Canada, though the department of finance cooperates to the extent of replacing worn or mutilated Canadian coins by others of fresh mintage and modern design. The Detroit company has been notified that the small Canadian nickel and large Canadian copper will only disappear when they are worn and unfit for further circulation.

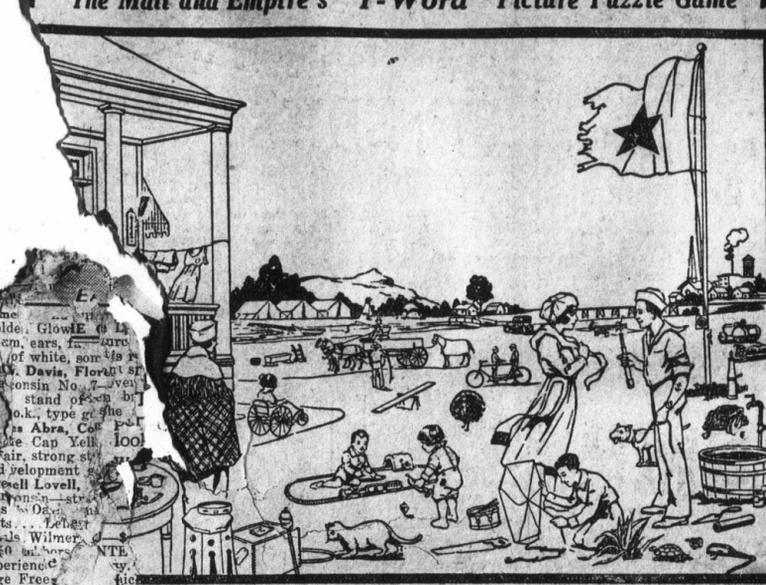

There are \$1,911,000 worth of Canadian one-cent pieces in circulation at present of which \$150,000 only are in the shape of the new small piece. Only one issue of the nickel five cent piece was struck off in 1921 and there are in circulation today only \$250,000 worth of these coins. There are, however, \$5,000,000 worth of five cent silver pieces—the small ones—out of a total of \$26,250,000 of Canadian silver. These also will only cease to exist though wear and tear of many years to come. Canada has already taken \$133,000 worth of worn or mutilated coin out of circulation. At this rate, it is possible to estimate it will be another 50 or 60 years before the small Canadian five-cent pieces give way entirely to the new coin.

### OBSERVE THESE EASY RULES

1. Any man, woman or child who lives in Canada and is not a resident of Toronto, and who is not in the employ of The Mail and Empire, may submit an answer.
  2. Prize winners in former Picture Puzzles conducted by The Mail and Empire winning \$500.00 or more are not eligible to participate in this Puzzle.
  3. All answers must be mailed by October 17th, 1925, and addressed to C. A. Montgomery, Puzzle Manager, Mail and Empire.
  4. All lists of names should be written on one side of the paper only, and numbered consecutively 1, 2, 3, etc. Write your full name and address in the upper right hand corner. If you desire to write anything else, use a separate sheet.
  5. Only such words as appear in Webster's Dictionary will be counted. Do not use hyphenated, compound or obsolete words. Where the plural is used, the singular cannot be counted, and vice versa.
  6. Words of the same spelling can be used only once, even though used to designate different objects or articles. An object or article can be named only once.
  7. The answer having the largest and nearest correct list of names of visible objects in the picture that begin with the letter "T" will be awarded First Prize, etc. Neatness, style or handwriting have no bearing upon deciding the winners.
  8. Any number of people may co-operate in answering the Puzzle, but only one prize will be awarded to any one household; nor will prizes be awarded to more than one of any group where two or more have been working together.
  9. In the event of a tie for any prize offered, the full amount of such prize will be awarded to each tied participant.
  10. Subscriptions (both new and renewal) payable in advance of \$5.00 per year by mail or \$5.00 per year delivered by carrier boy in Hamilton, will be accepted.
  11. All answers will receive the same consideration regardless of whether or not a subscription to The Mail and Empire is sent in.
  12. Three prominent Toronto citizens having no connection with The Mail and Empire will be selected to act as judges to decide the winners, and participants, by sending in their answers, agree to accept the decision of the judges as final and conclusive.
- The judges will meet on October 27th, and announcement of the Prize Winners and correct list of words, will be published in The Mail and Empire as quickly thereafter as it is possible, at any rate not later than three weeks.

**SUBSCRIPTION RATES--- PAYABLE IN ADVANCE**

The Mail and Empire anywhere in Canada by mail \$5.00 per year. Delivered by carrier boy in Hamilton, \$6.00 per year.

**LARGE COPY OF PUZZLE PICTURE SENT FREE ON REQUEST**

**THE PRIZE LIST**

In the event of a tie for any prize offered the full amount of such prize will be paid to each tied participant.

## You Can Win \$1,000

The "T" Word Picture Puzzle Game is a campaign to increase the popularity of The Mail and Empire. It costs nothing to take part and you do not have to send in a single subscription to win a prize. If your list of "T" Words is awarded First Prize by the judges you will win \$100; but if you would like to get more than \$10, we are making the following special offer whereby you can win bigger cash prizes by sending ONE or TWO yearly subscriptions to The Mail and Empire.

**HERE'S HOW:** If your answer to the "T" Word Picture Puzzle wins First Prize and you have sent in ONE yearly subscription to The Mail and Empire at \$5.00 by mail or \$6.00 delivered by carrier boy in Hamilton, you will receive \$500.00, instead of \$50; second prize \$250.00; third prize \$250.00, and so forth. (See second column of figures in prize list.)

Or, if your answer wins First Prize and you have sent in TWO yearly subscriptions to The Mail and Empire at \$5.00 by mail or \$6.00 delivered by carrier boy in Hamilton, you will receive \$1,000.00 in place of \$500; second prize \$500; third prize \$250, and so forth. (See third column of figures in prize list.)

Isn't that a liberal offer? But look! We will give extra amounts on all prizes in the same manner. If your answer is qualified by TWO yearly subscriptions and you win fourth prize, you will receive \$250, and so on down the prize list.

Your own subscription will count, or subscriptions to start at some future date. Just write on the order when you want the paper started, and it will start promptly on that date.

This offer applies to RURAL ROUTE patrons as well as subscribers living in cities and towns. If you are already receiving The Mail and Empire, your subscription will be extended from its present expiration.

### East Lambton Teachers' Institute

East Lambton Teachers' Institute was held at Petrolia, in the Iroquois Theatre, on Thursday and Friday, October 1st and 2nd.

Opening exercises on Thursday morning were conducted by Rev. A. M. Stewart of Petrolia. Robt. J. Henderson gave a report of the Ontario Educational Association held at Toronto during Easter vacation.

It was moved and carried that the fee of \$5.00 be sent to the secretary of O.E.A.

Walter Kelly read the Financial Report for 1924.

Mrs. F. C. Fisher led in community singing. Mr. Fisher rendered splendid violin solos accompanied by Miss Murray pianist. Vocal solos were given by Mrs. E. McLean.

The afternoon session was opened by Rev. Wm. Rathby of Petrolia, President of the Association. Miss Florence E. Edwards, gave an excellent address on the subject "What are we here for?" She dealt very ably with many points bearing on the teaching profession. Miss Francis Barret gave vocal solos.

Dr. G. O. McMillan of Hamilton Normal School addressed the convention on "Power Development in Canada," illustrated with slides. Inspector J. J. Edwards spoke on Entrance Arithmetic. He dealt particularly with the Entrance paper in Arithmetic of 1923.

Thursday evening a splendid banquet was given in Christ church Sunday school room, followed by a splendid program and an address by Dr. McMillan on Bird Migration.

Excellent music was provided during the evening by Miss Murray, Mr. Fisher and Mrs. McLean. Mrs. Fisher was again present and led in community singing. Recitations were ably given by Mrs. Fisher and Rev. R. C. Pitts, vocal solos by Mr. Kirke Evans and Mr. Ed. Fletcher. Also pleasing scout songs by four boy scouts of Petrolia who happened in during the evening. Mr. J. J. Edwards presided during the evening.

Friday morning session was opened by Rev. J. J. Monds.

The Secretary, Walter Kelly, read the report of the nominating committee.

Dr. McMillan again addressed the teachers on the subject "Measuring the Results of Teaching". The teachers then departed in a body for Pt. Huron where they were met at the boat by Port Huron teachers who conveyed them to the different schools of the city, where they were privileged to see the work as it is being carried on in the American schools.

The newly elected officers of the Institute are as follows:

Hon. pres.—J. J. Edwards, B.A. President—Allan Doolittle. Vice President—Mrs. Trott. Sec.—Treas.—Walter Kelly.

Counselors—Mr. Miller, Miss Florence E. Edwards, Miss Ruth Churchill.

Auditors—Miss May Reid, Miss Janet Leach.
