TORIES AND FARMERS

Why is there a farmers' party in Canada today? Is it because a class seeks control, or because the farmers have themselves been oppressed by class legislation in the interests of those who control the big industrial enterprises? Would there have been a farmers' party today if reciprocity in 1911 had triumphed and given them a market, and if an unscientific tariff had not laid unnecessary burdens upon them? It is very clear that the high protection party fears their influence in legislation, and so we find them attacked with great vigor by such protectionist journals as the Montreal Gazette, which says: "A new element has grown up, a class element of short-sighted selfishness, un-Canadian in sentiment, willing to sell even the independence of the Dominion for a mess of pottage. There is a menace to stable government in the prairie provinces where the agrarians are in the saddle. It has been the fashion to regard the farmers as essentially conservative, the best bulwark of the constitution, because of their stake in the soil, and it is not descendants of the men who composed the forest who are now putting forth radical and revolutionary schemes. Leaders and followers of the farmers' party in the west are largely foreign birth, many of them unfamiliar with Canadian history and the science of government, reckless in advocacy of doctrines often put to practical test and found fatal in their application. The people of Quebec want none of these men nor their illusive theories, but they may be deceived into bringing about a situation full of peril by electing men who put party above principle, and who would risk the credit and industries of the country for the sake of office." The Gazette further charges that the political programme of the United Farmers "frankly declares for the substitution of foreign for domestic goods, and insanity seeks to promote the welfare of one class by destroying the welfare of others," and that its proclaimed purpose is to destroy the principle in the tariff, to nationalize the railways, and to set up a banking system based on fiat money," and the Gazette further declares that "there has never been a time in the history of Canada when so grave a crisis confronted its people as now." Why all this denunciation of the farmers? Are they responsible for the condition in which Canada finds herself today? The truth is that the Conservatives desire to withdraw the people's attention from existing conditions and their minds with apprehension regarding the future if Mr. Meighen and his friends should not be returned to power. With regard to the policy of the United Farmers, let their leader, Hon. T. A. C. Crerar, speak. Replying to Dr. Michael Clark this week, he said: "I am sure that the United Farmers of Alberta are not out for class legislation, nor do they want class domination. The slender implication in your letter that I have submitted to the idea of class domination is entirely unwarranted. As stated, that idea is in no sense a part of our programme. I don't believe in class legislation, nor do I believe in class domination. In the past we have had too much of both in Canada. Both are repugnant to any liberty-loving person, and I think you know me well enough to know my views on this matter. The business of government is a matter that concerns all the people and can only be successfully carried on when all those, irrespective of their race, creed or occupation associate themselves together to achieve a common end." Surely this is not dangerous doctrine. There is, however, another canvas which is artfully put forth by the Conservatives. It is that many of the western farmers are Americans, and that one of their leaders is an American, and that they are working in the interests of the United States. This is a new way of waving the flag. Who believes that any man, American or otherwise, having a home and a large stake in this country, desires anything else but its progress and prosperity? And if he does not see eye to eye with the high protectionists of the east, why brand him as a traitor? Whether the farmers are right or wrong in their platform, they are entitled to a recognition of their sincerity and their desire to promote the welfare of the country.

TWO VIEWS CONTRASTED.

Mr. Walter McElyea is going about preaching the theory of high protection before Canadian Clubs and other organizations, under the guise of patriotism. He is very anxious to shut out American goods and still more so goods from Germany. Those who heard him in St. John should read what Sir Charles W. Macara, Bart., one of the world's leading cotton mill men, says on the question of trade with Germany. He says: "In England we have a number of misguided people who wish to raise a tariff wall against German goods. In France there is a well meaning but quite mistaken body of opinion in favor of strangling German trade in every way, and especially in keeping from their

former antagonists all means of manufacturing goods. Now, both England and France want indemnities from Germany. How are they to get them if these irreconcilables have their way? It is plain that Germany cannot pay her debts in cash; she can only reduce her liabilities by means of her manufactures, and yet we say that she shall not have the means of making anything, and, if she does get the means, that we will not take her goods when they are made. Could anything be more stupid? I say, and say emphatically, that we must for our own sakes as much as hers, get Germany to work again at full pressure, and not only Germany, but every other one of our countries as well. Only in this way can we get what is due to us, and only in this way will those exchanges be righted which are causing us so much anxiety at the present moment." It is easy to win cheap applause from an unthinking audience by passionate appeals to prejudice, but those who consider the case as it is presented by the eminent Englishman cannot fail to agree with his remark that it is a stupid performance.

OUR OWN NAVY.

The civic dinner at which Captain Adams and officers of the Canadian navy were the guests last evening was a fitting expression of the feelings of the citizens, marked as it was by addresses which expressed high appreciation of the navy and a desire that their provinces by the sea may soon be contributing their share to its personnel. For the new navy Capt. Adams made an admirable plea, and it was both pleasing and appropriate that Lieut. Beard, a Canadian, should pay a fine tribute to what the navy owed to the men like Capt. Adams from the Imperial Navy, who in the formative stage had come to its assistance. As a result of the visits of the Canadian squadron and ships of the North Atlantic squadron of the British navy, we shall doubtless witness a new and livelier general interest in the Navy League, and perhaps the organization of a naval brigade. These brigades flourish in Ontario and there is a good one in Manitoba and another in British Columbia. They give splendid training to boys and fit them for the life of the sea. They ought to flourish in the provinces by the sea. The men of the Canadian navy in their first visit to this port have won golden opinions and their return will always be an event of keen and pleasurable interest.

THE LEADER AT SHERBROOKE

Speaking in Sherbrooke last night, Hon. Mackenzie King once more pointed out that the Liberal tariff policy is revision for the benefit of producers and consumers. One striking paragraph in his speech follows: "The appeal to the people of Canada should be to the home and its needs. If we are returned to power our first efforts will be to reduce the cost of government and thus reduce the cost of living to the people of all classes. The present government has cultivated the habit of extravagance and cannot get back to economy. We need an entirely new group of men in charge of affairs at Ottawa. This country needs an audit to show what we owe and what we own. The men to whose interest it is to hide the details of their maladministration are not going to let in the light. An entire new group of men is needed to let in the light on Canadian affairs. The present ship of state is full of useless cargo and its hull is crusted with barnacles. It has been too long at the dock and a great change is needed."

Hon. Mr. Wigmore announces that he is to plunge at once into the campaign to support the Meighen government, which had no further use for him. Could self-sabotage farther go? The Montreal Gazette, the chief government organ in Montreal, has this parting fling at Mr. Wigmore: "Hon. J. B. M. Baxter replaces Hon. Rupert Wigmore as Minister of Customs, a change which should be for the better from an administrative as well as from a political point of view."

The Montreal Gazette devotes more than a column to what it does not think about the new Meighen cabinet, and in five lines hints at what it really does think. Here are the five lines: "The reorganization may not have gone so far in certain directions as some had been led to expect, while in other respects the result may be regarded as otherwise than perfect." Already the government press is talking of "clean sweeps." This window-dressing is a time-honored business with our friends the enemy before an election, and a source of sad reflection afterwards.

Those who are opposed to prohibition are beginning to take an active interest in the plebiscite. The temperance forces should not lose sight of this fact. Things are shaping up for an early plunge into a very vigorous political campaign in St. John and the province at large.

MOTHER.

(From an Old Fifth Reader.)
Often into folly straying,
O, my mother! how I've grieved her!
Of I've heard her for me praying,
Till the gushing tears relieved her;
And she gently rose and stilled,
Whispering, "God will keep my child."
She was youthful then, and sprightly,
Fondly on my father leaning,
Sweet she spoke, her eyes shone brightly,
And her words were full of meaning;
Now, an autumn leaf decayed,
I, perhaps, have made it fade.
But, whatever ills betide thee,
Mother, in them all I share;
And beside thee kneel in prayer.
In thy sickness watch beside thee
Best of mothers! on my breast
Lean thy head, and sink to rest.

LIGHTER VEIN.

Burden of Proof.
A lady's leather handbag left in my car while parked on Park avenue two weeks ago. Owner can have same by calling at my office, proving the property and paying for the ad. If she will explain to my wife that I had nothing to do with its being there, I will pay for the ad.—Advt in Idaho Falls Register.
It was visiting day at the jail and the uplifters were on deck.
"My good man," said one kindly lady, "I hope that her rubber attendance at church and her generous donations, one Sunday, when special collections were being taken up, she remarked in a loud voice, whilst the church warden who passed the plate, 'I'm coming tonight,' so put in nothing. In the evening she took pains to sit on the opposite side of the church from the warden, and placing nothing in the proffered bag, said to the warden on that side, 'I was here this morning!'"
"Well, my man," asked the magistrate, "what have you got to say for yourself?"
"Don't be 'ard on a poor man, your honor. The wife and kids is starvin' and wouldn't 'ave stole that leg of mutton. Hadn't 'ad nothin' to eat for three days, they 'adn't!"
"But the policeman tells me that you keep three dogs. A man who can do that can't be starvin'," returned the magistrate.
"Oh, well, gov'nor," replied the prisoner, "if you expect as we're goin' to eat dogs, I ain't no more to say. What's the sentence? Yer might as well put me out of my misery!"

PROMISES CUT IN COST OF LIVING

Liberal Leader Declares for Economy and Reduction of Tax Rate.
In a speech at Sherbrooke, Quebec, last night Hon. W. L. Mackenzie King declared that a Liberal policy of program was the only safe course for Canada today. Canada, he said, faced two great dangers today. One was the reckless extravagance of the present government and the other lay in those who sought a change only for change sake and would experiment for the sake of trying out their ideas. Other speakers at the meeting were J. H. Lennay, F. N. McCrea, G. Bovin, Senator Mitchell and Hon. W. St. Laurent, minister of the government, and Hon. B. S. Beland. Canada, said the opposition leader, had passed with other countries through a most trying period. In a rented house, he said, the cost of living was so high that it was almost impossible to pay for it. The interest on Canada's debt today was \$140,000,000 more than was spent for the national expenses during that period. The high cost of government had a very great effect on the cost of living, if taxes direct and indirect were high then the cost of living was high. The present ship of state is full of useless cargo and its hull is crusted with barnacles. It has been too long at the dock and a great change is needed.

SAILORS ENTERTAIN.

The "Rising Sons," the concert party of H. M. C. S. Aurora gave a performance at the Imperial last evening in aid of the St. John Protestant Orphanages. The programme consisted of sparkling vaudeville and a minstrel show. Paymaster-Lieutenant-Commander J. G. Edgar was director of the programme. He made a general interlucator in the minstrel show, which was the first half of the programme. The finale of this part of the show, which made a big hit, was a song "Canada's Naval Squadron." The first part evoked even more laughter than the first. The "Fallen Stars" will give a performance in the Seaman's Mission this evening.
Those taking part in last night's performance were—Pay'r Lieut. Cdr. J. G. Edgar, D. S. C.; Engine Room Art. H. Arnold, Able Seaman Hart, Leading Vict. Asst. Ford, Engine Room Art. Arnold, Sick Berth Attendant McAllister, Signalman Taylor, Leading Seaman Jones, Chief Stoker Clarke, Engine Room Art. Pearson, Chief Stoker Pounder, Chief Meehan, Crocker, Petty Officer Rees and Stoker Blackie, Pay Sub-Lieut. Cossette, Stoker Powell.

EVERY ACT A FEATURE AT OPERA HOUSE

Male Quartette Makes Big Hit on Week-end Bill — Four Other Acts Are Equally as Good.
Too much cannot be said of the splendid vaudeville acts which opened at the Opera House yesterday. Every offering is of a very high standard, and each of the five acts presented were compelled to answer several encores. The Monarch Comedy Four proved to be one of the big hits of the show. They are without a doubt one of the rulers in the kingdom of fun and song. The programme selected is of a popular variety and interspersed with comedy. Another bright spot in the show is Count Perazzo and Miss Trix Oliver. Seldom if ever in this city have eye and ear been both charmed as well as at their performance. Their songs and bits of popular numbers were rendered excellently and secured rounds of applause. Nelson Waring is one of the big names in the musical world. He is one of the best known and best liked pianist before the public. Mr. Waring's playing was appreciated by everyone and he was obliged to answer several encores. Colinsky and Gyrene present a blackface comedy skit entitled "The South Today," which was the cause of much glee and mirth to the audience. Le Carro Brothers present a comedy tumbler and acrobatic offering entitled "The Three Bakers," which is deserving of special mention and proved popular with the patrons. Included on the programme is another chapter of the popular serial drama, "The Purple Riders," and a special two-reel comedy, "Buses and Bangers," featuring Jimmy Aubrey. The programme we believe to be one of the best seen at this theatre, and will no doubt draw capacity houses today and Monday.

CITIZENS AND VOTERS

Save New Brunswick from This Fate

The Montreal Standard says that "Montreal is the Canadian Metropolis of the Booze Business. That it is seething with crime. That crime in Montreal is open; wide open.
Every iniquitous practice conceivable is being carried on by the dwellers of crookdom, cocaine peddlers, hold-up men, thieves, confidence men. All these and more play their trade with no apparent fear of apprehension.
Crime in Montreal is not secret. The traffic in vice and drugs is an open letter to those who would read and so confident has the Montreal criminal become that now even a cursory attempt at concealment is considered unnecessary.
Drugs are as easy to buy in Montreal as a loaf of bread and a score or more of boot-leggers are ready to slake the thirst of the rum-hounds."
Contrast this with what the St. John Standard says about conditions in St. John during exhibition week.
"The traffic police about the gates announced that over two hundred cars had been parked under their supervision during the evening. The police and liquor inspectors within the grounds reported the large crowd a most orderly and law abiding one. The inspectors state that they have not even seen a sign of liquor within the gates of the big show this year. The prevailing sobriety established somewhat of a record and a most commendable one at that."
The Prohibition Act in New Brunswick in operation helps make the difference. On October 10 a vote will be taken to decide as to whether the importation of Liquors may be forbidden.
We submit below a copy of the ballot to be used.
Mark your ballot opposite "YES" and so help to make New Brunswick a better place to live in and save us from the fate of Montreal.

At a continued hearing yesterday afternoon in the case of Edward O'Brien and James Spellman, charged in connection with the death of Albert Norris two witnesses were examined. John Leonard Steeves told of passing through an alley way off Erin street on the night Norris met his death and of hearing moaning. He had lighted a match and had seen a man lying on the ground who he later identified as Norris. He told of seeing the man's hat, a few cents and two pieces of board lying on the ground near him. He identified the hat and boards produced in court as the ones he had seen. His evidence was corroborated by Judson Totten who had been with him on that night.

Corbett was reported to be progressing satisfactorily. A representative of a New Brunswick limestone quarry had appeared before the school board to ask that New Brunswick stone be used for the facing of the new building. The difference in cost between the New Brunswick stone and the imported stone was less than \$2,000. The board has decided to use imported stone.

Big Bridge Is Raised

A Remarkable Feat When Railroad Structure Across River at Pittsburg is Lifted to Higher Position.

In connection with the completion of the new C. P. R. bridge at the falls should be raised. It is interesting to note what was done with the Pennsylvania Railroad bridge over the Allegheny river at Pittsburg. It was ordered raised because it obstructed navigation. The work was done by the Seaboard Construction Company and was an amazing feat.

The main or river portion of this bridge is a double deck structure with four lines of trusses, provision being made in each of the two decks for three lines of railway tracks. The main bridge

QUEEN SQUARE HAS GOOD ONE

"Children of Night," a Russell Success; a Story of Wall Street Life.

"Children of Night," a Max Brand story produced in screen version by William Fox with William Russell as star, had its first showing here yesterday at the Queen Square Theatre, and achieved an unequivocal success. Mr. Russell demonstrated recently in "The Cheater Reformed" that his success does not depend upon stories of western life and the ranch; and this he again demonstrated, with convincing force, in his performance yesterday.

Exposure of his identity brings with it his condemnation to death by the society, as one who knows too much for the gang's safety. The efforts to destroy him, and his defiance of these efforts—in which he is aided by the girl he loves, who is affiliated with the gang—develop several of the fiercest and most thrilling fights in which Russell has been seen. The story, of course, ends with victory for the hero and the union of the lovers; but meanwhile some of the most stirring scenes ever screened here are enacted.

The story is Max Brand at his best. This afternoon and tonight will be just performances of this great picture.

The funeral of Miss Florence Marion McGoldrick, announced for this afternoon, has been postponed until Sunday afternoon at 2:30 from the residence of her brother-in-law, F. T. Mullin, 88 Paddock street.

HIGH SPEED BY WILCOX

Indianapolis, Sept. 24—Howard Wilcox of Indianapolis won a fifty-mile exhibition race staged at the Indianapolis Motor Speedway for the entertainment of delegates to the third annual convention of the American Society for Steel Treating. Wilcox's time was 30:30:68, an average speed of 97.3 miles an hour. Rain delayed the start of the

race, and the distance was cut from 100 miles to 50 miles. Five other starters finished in the following order: Jimmy Murphy, Jules Ellingboe, Joe Thomas, Eddie Hearne and Charles Vaa Renta. The car driven by Bente, a New York driver, plunged over a wall during the race. Hill was slightly injured. Wilcox drove the car with which he won the 500-mile race on the Speedway here in 1919.

consists of the following spans—Four river spans, each 161 feet long, weight

4,250 tons; one channel span, 398 feet long, weight 3,410 tons; total length 982 feet; total weight, 7,660 tons. The five spans of the main bridge, having a total weight of 7,660 tons, were lifted practically simultaneously in three inch lifts to a distance of from 10 to 13 1-2 feet above their original position. This work was performed under very dense railway traffic without any interference with train operations. In addition to the main bridge there were viaduct approaches aggregating 1,900 feet in length, and an interesting viaduct, 1,225 feet long, both of which were lifted to correspond with the lifting of main bridge.

It is Expensive
The new C. P. R. bridge at the Revere falls adds expense to some of the schooners that can pass under it as well as preventing the great majority from passing at all. On August 24 a schooner from Stetson, Cutler & Co's mill came through the falls. Her masts were 77 feet to the water line; she was fully loaded and followed the usual course west of the centre line of the highway bridge. Two tugboats were used, although one is usually sufficient, but the scarring men were afraid to risk it on account of the arch of the new bridge pushing out over the river. Some idea of what this arch, 130 feet over the river, means, can be got when we realize that the pier from which it starts is in the river, so much so that one of the late A. W. Adams' tugboats was badly damaged on some of the timber protection when building was going on. The C. P. R. paid the damage, the matter being handled by the Marine and Fisheries Department.—(Advt.)

At a meeting of the creditors of John Soucy, held in the offices of the Canada Permanent Trust Company in Prince William street yesterday afternoon, three inspectors were appointed to act with the trustees in disposing of the property in satisfaction of the creditors' claims. The inspectors are: William Kirk, J. E. Michaud and A. J. Dionne, all of Edmundston (N. B.). R. F. Wright, manager of the Canada Permanent Trust Company, acted as chairman.

SCORES 716 IN HAND OF BRIDGE

New York, Sept. 24—Enthusiasts of bridge whist were envious on learning of a game at the New York Bridge Whist Club in which one player held all the diamonds and scored 716 points. Experts said it was the first incident of its kind on record; that the greatest number of cards of one suit previously known to have been held in one hand was 10. Henry D. Dottenheim was the fortunate player. He bid seven diamonds and was doubled by his opponents after they had bid six hearts. He redoubled and scored as follows: 196 below the line on game, 100 for a grand slam, 100 for keeping his contract redoubled, 70 for five honors on one hand and 250 for winning the rubber.

YOUR CUP OF TEA

Your cup of Tea means much to you. It is more than an item in the daily fare. It is the one thing that "rounds off"—or spoils—an enjoyable repast.

Tea is fortunately so cheap in this country that there are few who cannot afford Choice Tea. The cost per pound is only slightly higher than ordinary Tea, while the increased pleasure you get from every cup you make is worth many times the difference. It is true also, that a FLAVOR-FULL Tea like KING COLE Orange Pekoe will actually spend further—that is, make more cups to the pound. KING COLE Orange Pekoe is prepared particularly for lovers of Choice Tea.

"GUTTA PERCHA" TIRES

"Good and Faithful Servants." The tires that deserve praise for faithful service are the "GUTTA PERCHA" Tires. All year round, we are receiving eulogies for the exceptional service our tires are giving. Over-the-country trips, with long distance records and speed records, have been made on "Gutta Percha" Tires, adding proof upon proof of their extra sturdiness and more than satisfactory performance under all conditions.

We are proud to be makers of "Gutta Percha" Tires, because they reflect credit upon our factory and they also reflect favorably upon the good judgment of motorists who buy them.

CORD and FABRIC TIRES

"Gutta Percha" Cord Tires are able to stand up against any competitor for that proof of merit—ENDURANCE. When we gave the "Gutta Percha" Cord Tires to the world, we were satisfied no maker could surpass them.

PRICES

Some tires that are constructed for cheap trade may cost enough to make, and yet not be worth much to use. A standard tire, made of the choicest materials, by skilled workmen, will last so long, go so far and give such eminently satisfactory service that the established price seems most reasonable. Don't try to save money in the price of tires, save money by using good ones.

Liberals Are Getting Down To Business

A meeting of the Liberal executive was held last evening in the Foresters' Hall, Coburg street, with J. Fred Belyea, chairman of the executive, presiding. Committees representative of the entire party were appointed to arrange for the primaries and the convention. It was announced after the meeting that enthusiastic speeches were delivered at last evening's gathering and that the party would present a united front and bend every energy towards the carrying on of a successful fight in the forthcoming campaign. The date of the primaries will be publicly announced at a later date.

LABOR MEETING.

It was announced last evening after a special meeting of the local Trades and Labor Council that it was decided that a labor party would be formed to enter a ticket in the coming federal election. George R. Melvin, secretary of the council said that it was intended to try to amalgamate the farmer and labor ticket in St. John and Albert, and that another meeting would be held in a short time to appoint committees to make arrangements for the coming campaign. It was also decided last night that a mass meeting of labor would be held here in the near future. No decision regarding candidates was reached at last night's gathering. Another matter last night was a decision to hold a labor parade on Monday night, of both organized and unorganized labor.

LOCH LOMOND FAIR.

Head Off High Prices on Lumber

A careful survey of the Lumber market has convinced us that prices have struck bottom, and an advance is certain in the near future. There is already a stiffening, certain sizes are off the market; others have been marked up in the United States, notably 2 by 8. This is especially true of rough lumber, as of doors and trim. BUY NOW and head off high prices as for you are concerned.

For quotation, Phone Main 3000.

list, which was handled by Mayor Schofield, and all were featured by excellent short speeches on the part of the proposers and those who replied to them. The first toast was to the King, proposed by the mayor; the next was to the navy, tendered by his honor the lieutenant-governor and responded to by Captain H. H. Adams and Lieut. Commander Beard. Hon. Dr. J. B. M. Baxter, minister of customs, proposed the next toast, that to the province of New Brunswick, and Hon. Dr. Roberts, minister of health, replied. The final toast was given by Mayor Schofield to the memory of those who died at the front. The assembly broke up with the singing of Auld Lang Syne and three cheers for the navy, given with right goodwill. The officers returned the compliment with three cheers for the people of St. John.

Auld Lang Syne was then sung and the gathering broke up. Among the invited guests were the following: Commissioner John B. Jones, Commissioner John Thornton, Commissioner J. H. Frink, Commissioner T. H. Bullock, Hon. H. A. McKeown, Judge J. R.

Armstrong, Sheriff A. A. Wilson, C. B. Lockhart, R. E. Armstrong, Captain A. J. Mulvey, H. C. Schofield, C. B. Allan, Colonel Alex. McMillan, J. H. Stevenson, Hon. R. J. Ritchie, J. C. Chesley,

present were, as follows: Lieutenants Jones, Agnew, Bosanquet, Warson, Murray, Donald, Dr. Laroche, Wood, Creary, Bannatyne and Hibbard, the latter a nephew of Rev. W. R. Hubbard.

The other officers of the squadron present were, as follows: Lieutenants Jones, Agnew, Bosanquet, Warson, Murray, Donald, Dr. Laroche, Wood, Creary, Bannatyne and Hibbard, the latter a nephew of Rev. W. R. Hubbard.

**SAYS HE SAW
BRIDE THOUGHT
TO BE DROWNED**

Boston, Sept. 24.—William McLaughlin of Charlestown told the police that he had seen Mrs. Nora Johnson Kettle, Radcliffe graduate and bride of a few days, who disappeared while on her

honeymoon. It had been discovered that she was drowned by the overturning of a boat on Lake Mashapaug, near Union, Conn.
McLaughlin stated that he saw a woman who fitted the description of the missing woman near the corner of Causeway and North Washington streets at 11:30 o'clock at night. She seemed ill, McLaughlin said, and was being supported by two men.
Another clue which came to light today also tends to bear out the kidnapping theory. This is the report that an automobile containing two men was seen traveling toward the Kettle honeymoon camp on Tuesday morning during the time that the bridegroom was absent in

**A Welcome from Without
A Cheeriness from Within**

What a wonderful difference good lighting makes in genuine home comfort, promoting cheerfulness and ease.
The well-lighted porch or verandah is, too, a compliment to your guests, furnishing an attractive setting for your house and registering a friendly message of welcome.
Good home lighting is dependent upon good quality lamps. The best plans for lighting and the most expensive fixtures are futile if you equip with cheap lamps that blacken and burn out quickly.
It pays to exercise care in the selection of lamps. It pays to equip your fixtures with high quality LACO NITRO Lamps. They embody the very latest improvements of modern science—producing a clear full light of high intensity most nearly approaching sunlight. If you use them in your fixtures or in shaded lamps—you will derive not only improved, artistic effects in your home furnishings—but increased home comforts and pleasures.

Laco Nitro Lamps are made in Canada. Factory and Head Office—Montreal. They are sold by best Electrical and Hardware Dealers throughout the Dominion.

a neighboring town purchasing supplies. People in Mashapaug say that the car apparently was a hired one, that it returned over the same road about three-quarters of an hour later, and that it then contained only one man.
The information supplied by McLaughlin has been telephoned to the police of surrounding towns and cities. It has been the general belief that the woman became mentally deranged and wandered into the woods.
It was announced from the mayor's office yesterday afternoon that the proposed rowing race between West Side fishermen and a crew from the warships now in port has been called off owing to the inability of the sailors to secure leave.
D. B. WELDON IS TO GO TO MONTREAL IN FEW DAYS
D. B. Weldon, of the Johnson and Ward Stock Exchange, Moncton, is to leave soon for Montreal where he will assume charge of the Investment department of the firm. Mr. Weldon will be succeeded in Moncton by G. E. Harley, formerly with Halifax and Montreal branches of Johnson and Ward, and for the last year manager of the Johnson and Ward St. John office. Mr. Weldon will leave for Montreal about Oct. 1.

What the Arms Parley Means to the World

Something worse than failure may be the alternative to success when the representatives of five nations meet in Washington on November 11th to discuss the limitation of arms. For if the twenty men who will speak for the United States, Great Britain, Japan, France, and Italy fail to reach an agreement, some editorial observers aver, they will leave the world in a far more desperate position than if the conference had never been held. The failure of this portentous experiment could "sow throughout the earth the dragon's teeth of distrust," declares the San Francisco Argonaut, which is convinced that this "will not be a case where it was better to have tried and failed than never to have tried at all." Lord Northcliffe declared the other day at Honolulu that "if the conference on disarmament should fail, the consequences will be utterly disastrous to the whole world."

There is much in THE LITERARY DIGEST this week (September 24th) that will throw a flood of light upon the coming arms conference at Washington. The leading news-feature takes up the question of what would be the outcome if some understanding is not reached, and its effect upon civilization. "British Hope in the Washington Conference" is another article that outlines, in the words of great British newspapers, what the British nation hopes to achieve at Washington, while still another article explains the reason why the churches of America have fixed upon November 11th as a day of prayer for a limitation of arms.

Other striking news-features in this number of THE DIGEST are:—

RING.
New Bantamweight Champion.
(Canadian Press Despatch.)
New York, Sept. 23.—Johnny Buff, of Jersey City, United States flyweight champion, won the world's bantamweight title tonight when he received the judges' decision over Pete Herman, of New Orleans, at the end of their fifteen round bout. Buff weighed 113 1/2 pounds and Herman 117 3/4 pounds. Buff brought the crowd to its feet time and again by his lightning-like work and aggressiveness. He had the better of ten rounds, four were Herman's and one was even.

The first preliminary bout was stopped in the first round after Johnny Murray had been floored thrice for a count of nine by "Red Cap" Wilson, Batling Ready, 125, of New York, and Terry McHugh, 121 1/2 pounds, received the judges' decision in his eight-round fight with Irish Johnny Curtin, 122 pounds.

FOOTBALL.
U. N. B. Writes for Games.
U. N. B. wants football games with St. John teams. In a letter to W. E. Stirling, physical director of the Y. M. C. I. C. E. White, manager of the U. N. B. team, suggests that the first game be played in Fredericton during the week ending October 8. Mr. White intimates that the college fifteen would like to play both the teams on the east and west sides when they come to St. John.

ORPHANAGE FAIR
DAILY NEWSLETTER

St. John, N. B., Sept. 24, 1921.

To the Protestants of N. B.:
Greetings.—The close of yesterday's letter forecasted an announcement today re Season Tickets.

There are a lot of people who may not feel able to contribute any very large amount towards this work even though they may feel deeply interested. In order to give all such an opportunity to assist we have secured a brand new 1922 model Chevrolet automobile from the Nova Sales Company, Limited. Dr. A. D. Smith has also presented the committee with a sleigh. These two valuable articles are to be given away free to the holders of the lucky season tickets. These tickets will be good for admission to the fair to those able to attend and worth taking a chance on to those who cannot. They will sell at \$1 each, or in books of six for \$5. This is an inexpensive way of assisting a worthy cause. Send money to the secretary at once for one or more books and resell once to your friends. The date of fair is October 17 to 27.

Address Jas. E. Arthurs, Sec., P. O. Box 12, City.

DURHAM-DUPLEX

Shaves Without "Rasp" or "Pull"

Each Durham-Duplex blade is individually hardened, oil-tempered, hollow ground and honed to a fine cutting edge, which is possible only with the finest Swedish steel. Then it receives 500 strokes on the stropping machine, because, before it is packed, each blade must be sharp enough to cut a hair six times in the hands of a tester. The result of such infinite care shows itself in the unusual number of cool, clean shaves you get from each Durham-Duplex blade—without the least "rasp" or "pull."

Standard set, consisting of razor, safety guard and three double-edged blades in a handsome ivory case, \$1 complete. Other sets \$2 up. On sale at all drug, hardware, jewelry, sporting goods and department stores. Get one today.

LOCAL NEWS
 NINETEEN DEATHS.
 There were nineteen deaths in the city for the week, from the following causes: Inanition and cholera infantum, two each; senility, embolism, convulsions, malformation, premature birth, gastritis, acute peritonitis, passive congestion, chronic nephritis, carcinoma of liver, malignant disease of stomach, malignant disease of rectum, chronic rheumatism, perniciosa anemia, and pulmonary tuberculosis, one each.

IN THE MARKET.
 A very heavy market was reported today and business was brisk. Prices varied little from those of last Saturday. Chickens, which were very plentiful, were quoted at from 45 to 50 cents a pound; fowl, 40 to 45 cts.; lamb, 20 to 30 cts.; veal, 20 to 30 cts.; pork, 25 to 35 cts.; beef, 15 to 30 cts.; new potatoes, 45 cts. a peck; butter, 45 to 50 cts. pound, and eggs 55 cts. dozen. There was little variance in the prices of vegetables. The market today was bedecked with a gay array of flowers which proved ready sellers.

NORTH END W. C. T. U.
 The North End branch of the W. C. T. U. at a recent meeting planned to assist in the referendum campaign. They voted \$100 for the "Protemperance Alliance. The president, Mrs. Scott, referred to the death of Miss Florence Edwards, one of the members, who had been librarian in the Portland library for years. At a meeting of the directors of Union Hall, Mrs. Mary Kirkpatrick was made librarian. The delegates to a provincial convention in Fredericton on Sept. 28, 29, 30, are Mrs. Scott, Mrs. Flewelling and Mrs. Eagles.

The union has also decided to furnish a room in the new wing of the Provincial Memorial Home, Wright street, in memory of Mrs. Margaret Baisley.

ON SAD MISSION.
 Arthur R. Fleming, of Fitchburg, Mass., who married a daughter of Mr. and Mrs. P. D. Starkey, Main street, at their home today on his return to the United States after a sad visit to the province. He was called here by the death of his mother, Mrs. Margaret Fleming, who died at the home of her daughter, Mrs. E. W. Hills, in Fredericton, last Tuesday.

Four sons and four daughters. Her body was taken to Chatham for burial and Mr. Fleming has just now come from that town and will leave on the S. S. Governor Dingley tonight on his return to Fitchburg.

PORT EQUIPMENT.
 The Board of Trade, through its harbor committee, has again pressed upon the attention of the government the need for increased grain conveyor extension for this winter on piers 7 and 14. It has also forwarded a recommendation with respect to providing live stock accommodation for the coming winter at shed D, attached to pier 15. If these suggestions are carried out, the port will be in a much better position to handle traffic of this kind this year. It is expected that there will be some large shipments of live stock through this port this winter if accommodations such as are referred to are provided. All the indications point to a record season in the matter of grain shipments. A hope is also expressed that there will be an additional demand for Canadian lumber from overseas.

FIRST WEDDING IN THIS CHURCH
 Ceremony This Morning in St. Bartholomew's, Glen Falls.
 The first wedding to take place in St. Bartholomew's church, Glen Falls, took place this morning when Rev. R. Taylor McKim united in marriage Miss Mildred Irene, eldest daughter of Mr. and Mrs. G. A. Buckle of Glen Falls, to Sydney Charles Roberts of Dartmouth. The church was prettily decorated for the occasion and the ceremony was witnessed by many friends of the contracting parties. The bride was given away by her father and wore an attractive traveling suit of navy blue, with hat to match, and carried a bouquet of American tea roses. After a wedding breakfast, served at the home of the bride's parents, Mr. and Mrs. Roberts left for a honeymoon trip to Nova Scotia. On their return they will reside at 72 Broad street.

LAST OF HALF HOLIDAYS ON SATURDAYS
 Today will be the last general Saturday half holiday of the season. The Saturday half day has been kept by business men and merchants generally during June, July, August and September and has proven even more enjoyable than in former years. With exceptionally fine weather this year and many outdoor attractions offered, the half day has been very popular. The programme of baseball on Saturdays this year proved a big drawing card. People seem to have taken more agreeably to the Friday evening idea of shopping.

FINE CONCERT AT LITTLE RIVER
 So many people gathered last evening to attend a concert scheduled to take place in the Little River Community Club that it was necessary to adjourn to the George Avenue church to obtain seating accommodation. More than 250 were in attendance and enjoyed a well-varied and interesting programme. The following were included amongst the numbers: Piano selection, Miss Edith Magee; solos, Miss Hilda Williams; reading, Mrs. Barnard; Scotch songs, Jock Simpson; solo, Miss Edith Magee; comic sketches, Messrs. Wallace and McAuley; songs, Mrs. Simpson; comic selection, Mr. and Mrs. Wallace; solo, Mrs. Barnard; duet, Mr. and Mrs. Simpson; duet, Mr. Maine and son; comic song, Jock Simpson; God Save the King.
 Frank Godman presided, and he was assisted in the arrangements for the event by Mrs. John McHugh, Mrs. Kenneth Fairweather, Mr. and Mrs. H. C. Harrington and Mr. and Mrs. Reed. The proceeds will go toward the Community Club fund.

Surprise to Coming Bride.
 Amherst News—Miss Dorothy Tennant was the guest of honor at a bridge given by the Misses Beatrice and Hazel Nicol on Wednesday of this week. A pleasing feature of the occasion was the surprise given to Miss Tennant when she was presented with a veritable shower of handkerchiefs, which were cascaded from ribbons attached to a large bouquet of gladioli, and each bearing good wishes for the bride-to-be in unusual poetical form.

TOURIST VISITORS HAVE BEEN MANY
 Best Year Since 1914 is Summary of C. B. Allan.
 That the last four months have seen the largest tourist travel into New Brunswick from points in the United States since 1914 was the information given out at the office of the New Brunswick Tourist and Resources Association this morning. C. B. Allan, local secretary, said that travel was exceptionally heavy this summer by automobile and at St. Stephen last month it was reported that twenty-five cars a day were arriving there from the U. S. for points through the province.
 Entries in New Brunswick with attractive facilities have had a brisk business remarked Mr. Allan. While local hoteliers report an ordinary summer's business still the number of tourists seen in the city in automobiles has been the largest in years. Spots throughout the province which in former years were made passing-through centres. The marked improvement in the roads have made longer trips by day possible with less stopovers. Altogether the tourist season just closing has been a very successful one and many inquiries about our scenic beauties and natural resources have been made during the summer.

THE NORRIS CASE CONTINUED TODAY
 Witnesses Who Were Before Coroner's Jury Heard—Police Court Proceedings.
 The case of Edward O'Brien and James Thomas Spellman held in connection with the death of Albert Norris was resumed this morning in the police court.
 James Roy Shannon, 163 Erin street, told of being with Leonard Steeves on the night of September 8. This testimony was intended to corroborate the evidence given by Steeves yesterday afternoon. He identified boards produced in court, as well as a hat, as articles he had seen near Norris on that night.
 Bernard Bowes, 121 Erin street, told of being in a store at 119 Erin street on the night of September 8. His evidence was much the same as that given at the coroner's inquest.
 Mr. Kelley asked some questions about a money transaction involving a purchase of oranges by Spellman. He said Spellman was quite drunk and O'Brien not so very drunk.
 There were several other witnesses to be examined.
 George McDonald and Leo Lewis were charged with lying and lurking on C. N. R. property. Both pleaded guilty and were remanded.
 One man charged with drunkenness was remanded.
 Thomas Nash pleaded not guilty to assaulting his wife Elizabeth. Mrs. Nash testified that she had been assaulted twice this week by her husband at home. He had assaulted her last night as well. They had been married for twenty-five years.
 The accused denied striking his wife. He said he wanted to swear out a warrant for his wife. He was remanded.
 John Maynes was reported for throwing bottles in the street in Haymarket square, endangering property. He pleaded not guilty. Policeman Lindsay gave evidence. He was fined \$8.

N. B. MAN WAS YUKON PIONEER
 Funeral of This Buchanan; Brother Lives in West St. John.
 William A. Buchanan, 47 Market Place, St. John, N. B., has received the following clipping from a Yukon paper referring to the death and burial of his brother:
 "The funeral of Thomas H. Buchanan, pioneer Yukoner, was held yesterday afternoon from Lowe's chapel, and was attended by many friends. Dawson lodge of the Yukon Order of Pioneers, of whom the deceased long had been a member, attended in a body. Rev. John Hawley, president of the lodge, was present in double capacity. In addition to being there as a member and officer of the lodge, he also conducted the funeral service, and made most appropriate remarks on the lessons of life as gathered from the experiences of those who pioneer in the remote parts of the world.
 "The remains were followed to the grave by the Pioneers, marching in double column and wearing full regalia. The beautiful pioneer ritual was recited at the graveside, in addition to the usual service by the minister. The cards of the Pioneers present were gathered in a gold pan and placed on the casket and interred with the remains. Many beautiful floral pieces were sent, including a handsome wreath from the Pioneers. The pall-bearers were all members of the Pioneers, and were: Daniel Coates, John Craig, William Powell, William Ferguson, David W. McLeod and Peter Lenz.
 "Thomas Buchanan had been a resident of Dawson and vicinity since the rush days of the Klondike, in '97 and '98."
 Mr. Buchanan was born in Waterford, Kings county, N. B., forty-six years ago, and is survived by three sisters and four brothers. The sisters are: Mrs. Samuel Doherty, Erb Settlement, Kings county, N. B.; Mrs. Harry Laker, St. John, West End, and Mrs. Percy Walsh, Lincoln, Maine. The brothers are: William A. Buchanan, St. John, West End; Herbert S. Buchanan, Aphonami, and Malcolm and Theodore, Great Works, Maine.

BOYS IN LEAD.
 There were twenty-seven births for the week. The boys have a slight lead over the girls, there being fifteen boys and twelve girls. There were ten marriages performed during the week.
