This is to certify that in the autumn of 1867 I contracted a severe cold and cough, and was seized with pains in the chest and back. MRS, LESTER—Dear Madam, I have been troubled for the last fifteen years with Biliousness, and have tried many of the different kinds of medicines recommended for the cure of the above complaint, but received no material benefit until I commenced using your DINNER PILLS. (now about eight months since.) I continued their use according to directions for about three months, and must say that I have enjoyed better health since taking the Pills than I have for the last fifteen years, and would recommend them, with all confidence, to any person similarly troubled.

I am, Madam, I am, Madam, Yours, very thankfully, HENRY HANEY.
