

TWO HOME GAMES THIS WEEKEND

STADACONA. WATCH OUT!—An action shot of a few of the Tigers who will be meeting the Stadacona team this Saturday. The team has been practising for some time. Some have been in training for nearly a month. Altogether, they will be formidable opposition for Stad on Saturday and Shearwater on Monday.—Photo by Crosby.

Delta Gamma To Hold Meeting Thursday; Will Elect Representatives, Committees

Frosh Show More Guts Than Brains; Won't Obey Orders

BY A WISE FROSH

Some people have more guts than brains!

After being warned about the non-cooperation at Saturday's sing song many Frosh have failed to heed the handwriting on the wall.

Placards are day by day becoming a rarer sight on the local campus, and upperclass commands to shine shoes or supply matches have been halted with such informal replies as, "drop dead" and "go suck a lemon".

Certain foolhardy Frosh have even been seen chewing gum and partaking of the weed.

If current events are a preview of things to come this observer feels that bi-colored beanies will be few and far between come Christmas.

We feel the only way to nip this thing before the Frosh start an Un-Initiation Week is for the Sophs to show their authority Friday night and penalize the guilty ones to the full extent of the law.

Don Warner to Be At Dance Tonight

Don Warner and his orchestra are the big attraction at the Freshie-Soph dance tonight. This will be his first appearance in the Gym with an orchestra in four years.

The Freshie-Soph dance is the first big dance of the year on the campus. It marks the end of initiation week (but not necessarily the end of initiation, frosh).

All the wayward frosh are put on trial at the dance. An impartial jury are selected from the crowd and there are usually two judges equally impartial.

What fate awaits those who are convicted remains to be seen. But it is safe to say that they will wish they had their days over to reconsider their waywardness and go straight.

Incidentally, eggs are a dime a dozen for the evening, but don't bring a basket.

Canterbury Club—The Canterbury Club will hold its first meeting of the year in the Cathedral Barracks, on Sunday, Oct. 7, at 8.15 p.m. All Anglican students and any others who wish to attend will be very welcome.

Delta Gamma is planning to hold its first meeting of the year next Thursday at 12.00 o'clock, according to the president of the society, Nancy Briggs.

Elections will take place for Sophomores, Junior, and Freshette representatives, the City Social Manager and the Social Committee, the Debating and Dramatics Manager, and the Decorations Manager and Committee. It is hoped that there will be a large turn-out of both old and new students.

Delta Gamma is the organization which is in charge of all girls' activities on the campus, and every girl who is registered at Dal automatically becomes a member. Delta Gamma's main project for this term will be the Open House which will be held at Shirreff Hall in November.

Beanies Removed for Tea at Shirreff Hall

The Freshettes, minus beanies and placards for a few hours, were entertained at tea at Shirreff Hall on Tuesday afternoon.

In the receiving line were Mrs. Kerr, Miss Mowat, Marge Rodd, the president of the Shirreff Hall House Committee, and Mary Lou Sutherland.

Mrs. Hemion, Mrs. Scammell, and Miss Rowley, who is the new girls' physical directress on the campus, poured tea, while Sally Roper, Joan Johnstone, Jane Clow, Mary Trynor and Betty Morse served.

There was quite a good number of girls from both the Hall and the city present.

Sodales—There will be a meeting of Sodales in the Munro Room of the Forrest Building at 7.30 Tuesday. This year's executive will be elected at the meeting.

Square Dances and Virginia Reels at Barn Dance Enjoyed By Frosh; Tea, Stag and Open House Form Other Events

After the Sabbath layoff, initiation activities picked up again Monday with the commencement of classes.

The big do Monday was the Barn Dance in the gym. After many enjoyable rounds of square dances and Virginia reels, time out was called for cokes and then a variety show was staged by the Frosh. Included on the card was parading of Doug Waller's arm by trickster John Sinclair. On the

To Address Students At Convocation

To mark the opening of the academic year, the President will address all members of the University in the Gymnasium, Studley, at 12.15 p.m. on Thursday, October 11.

Members of the Board of Governors and of Faculty will meet at 12 noon in Room 12, Men's Residence, to take their places in the academic procession. Faculty members are expected to wear academic dress.

Students enrolled in the University for the first time will meet in the Common Room, Men's Residence and join the academic procession to the Gymnasium, where seats will be reserved for them. Other students will proceed directly to the Gymnasium.

Members of Faculty are asked to remind their classes and to request a full attendance.

New Council Member Elected At Meeting

Margaret "Foo" Grant, fourth year Arts student, was elected Freshman representative on the Students' Council at the meeting of that body last Tuesday evening.

The position was vacated when Sherman Zwicker, former president of the Council, who was elected to that position, failed to return to the University. It was filled according to the Council Constitution which requires that a former member of the Council be appointed to such a vacancy.

Foo was a member of the Council last year when she was elected Junior Girl.

Law Ball to be Held Friday, October 26

The Law Ball will be held this year on October 26. This was decided at a special meeting of the Law Society yesterday morning.

Several dates were announced as possible by the Secretary-Treasurer of the Society, Roger Cyr. After considerable discussion, it was decided to hold the annual function in the Nova Scotia Hotel on this date.

A committee was elected to be in charge of the affair. They are Don Goode, (Third Year), Kevin Griffin, (Second Year), and Sheila Parsons, (First Year).

Ex-Gazette Editor, Charles MacIntosh, was elected as Gazette correspondent for the Society for the year.

Student Council Briefs

The Students' Council has notified that tenders for the position of Chairman of the Publicity Organization will be accepted up to 6 o'clock, Oct. 12. Applications may be left at the Council Office in the gym.

Thanksgiving—By direction of the Senate, classes will not meet on Monday, October 8, a statutory holiday.

Dalhousie To Meet Stadacona Saturday, Shearwater Monday

Dalhousie Tigers celebrate the Thanksgiving weekend this year with two home games. The new field which first came into use last fall will be the scene of a game against Stadacona on Saturday and against Shearwater on Monday. Blatant predictions have not been forthcoming from either the coach or the team but both have expressed confidence as to their showing in the games.

FLASH!

Pending a further decision, all students will be admitted to the home games for 25c on presentation of their Council cards.

The Studley field was only used for Dalhousie home games twice last year. Both were played on the Thanksgiving week-end then, too. This year with the introduction of a fifth team into the league, it became necessary to use the Dal field more often.

As a result there will be six home games played on the field this year. In addition to that, there will be two outside games played on the field, one between Stadacona and Shearwater, the other between Shearwater and Wanderers.

The gate receipts committee will handle the gate. It is expected that members of the Freshmen class will be assigned to police the stone fence to make sure that no one tries to get in by underhand means.

Both games last year were well attended and there was no gate crashing. It is expected that there will be a large turnout for all the games this year.

There will be a pep rally tomorrow morning.

To Pay Tribute To Lieut. Joe Levison

Dalhousie students will pay a tribute to an ex-Dalhousian on Saturday. He is Lieutenant Joe Levison, who lost his life in Korea last June, when a land mine exploded under the jeep in which he was driving.

Before the start of the football game, those attending will rise and observe one minute's silence for Joe who had played with the Tigers for several years.

Joe was always a keen Dalhousian. He played with the football team for three years. An active member of the International Students' Service, he was local chairman of that group on the Campus. He was also active with the Dalhousie Gazette as well as with the C.O.T.C., and he was an ex-manager of the hockey squad.

Joe attended Queen Elizabeth High and St. Mary's before coming to Dal. At the end of his last full year at Dal he was awarded a Gold D.

Last year he left Dal to join Canada's special force. He was with the Public Relations office when in Korea.

Last June he and another officer from the Office were driving along in a jeep when a land mine exploded. Both were killed; their British driver escaped with severe injuries.

His death was sorrowful news to all those who knew him. And the one minute's silence at the football game and again at the first Student Forum will be observed respectfully by all students.

Frosh Enlisted For Policing Duties at Game

Decision to enlist the aid of the freshmen in policing the Dalhousie field at home games in the Canadian Football league was reached by the Students' Council Tuesday. Choosing of 20 students for the duty was left to Graham Muttart, newly elected chairman of the Gate's Receipt Committee.

Due to the difficulty of keeping unpaid spectators from the ends of the gridiron and the south wall which was found in last year's games with a nominal policing force, it was thought this number would be needed at each game. To avoid asking the same freshmen more than necessary it was decided to rotate through their number.

Identification of the group by armbands or other means was left to Graham Muttart, elected chairman of the Gates Receipt Committee by the Students' Council, Tuesday, when Bill Haley resigned from that position due to pressure of studies. The committee now consists of Graham Muttart, Bill Haley and Dave Bryson.

NEWS BRIEFS

D.A.A.C. Meeting—There will be a meeting of the D.A.A.C. in the Physical Director's Office at 1.30 next Tuesday.

Soccer Manager—The D.A.A.C. is calling for applications for the position of soccer manager. Applications should be addressed in writing to D.A.A.C. President, Arpy Robertson immediately, if not sooner.

they marched on Shirreff Hall, where after a period of serenading they were invited inside and joined the girls (in a sing song).

The mid-week activities included an Open House at Shirreff Hall to the music of trombone-guitarist Gordie McCarthy and his quintet. The room was hot, the floor was crowded but everyone enjoyed themselves.

COURAGE IN VAIN

The Biblical story of David and Goliath has a strange analogy these days, with the football season once more upon us. According to the story David succeeded in slaying Goliath. In this our analogy falls down, or may, as has been proven in past year, for the Lion of Israel is the tiger eleven of Dal; the Goliath, the Halifax Canadian Football League.

Without underestimating the courage and tenacity of our team and hoping not to be branded as defeatist, let us look analytically at the situation. This weekend the grid-iron season opens for Dal. The opposition we will be facing has several games behind them; we have none; they have had weeks of practice, we, a meagre two; they have a source of material for a team far greater than our own. Therefore, the giant is heavily favoured to win.

Is it fair that a team so consistently at a disadvantage should be in a senior league while such conditions exist? Is it fair to expose them to the unjust criticism they will face if they lose? The obvious answer is to erase the conditions or place the team in a league of equal competition.

If imports smack of scholarships another solution lies in more earnest support by the Faculty to facilitate creation of a strong team from within. The passivity of certain parts of the campus has been notorious for several years.

Whatever the final answer the adage of fighting fire with fire holds. A greater concentration should be made on our football aspirations if only for the reason of fairness to the team and the preservation of Dalhousie's name.

D.G.D.S. Announces Plans For Forthcoming Year

With Initiation Week fading to its close and campus activities beginning to take on a more permanent air and to "get underway" according to the year's scheduled pattern, the Dalhousie Glee and Dramatic Society, under the presidency of Hugh Vincent, has issued its list of proposed undertakings for the coming year.

In early November Dalhousie's contribution to the Inter-University Drama Festival, "God Caesar" by Marjorie Price, will be presented, and toward the middle of the same month we will be given an opportunity to view Walter Hackett's brilliant three-act comedy "Captain Applejack". Rehearsals for both plays will begin almost immediately. First on the after-Christmas line-up is the Goldsmith comedy "She Stops to Conquer", which, because of its unusually large cast, will provide ample opportunity for all desiring to participate in Glee Club dramatic activities. Toward late winter the Gilbert and Sullivan satirical musical comedy "Tolanthe" will be presented, and in March, as the final 1951-52 offering,—the famed Connolly Shield competitions in which the various campus organizations yearly participate. (Awards are offered, too, for individual performances.)

All three plays will be under the direction of H. Leslie Pigot, who has most successfully produced so very many top-notch performances for Dalhousie audiences to date.

Canada's leading authority concerning the compositions of Gilbert and Sullivan, Prof. Harold Hamer, F.R.C.O., will direct the

musical comedy "Tolanthe". During the past twenty years, Professor Hamer has directed productions of almost every opera in the repertory. Chorus and solo work will begin immediately. Students who are able to play musical instruments are requested to observe notice boards and Gazette

notice lists for news of first rehearsals.

The Glee Club has been fortunate this term in securing the services of Mr. Roy Smith for direction of the Dalhousie band. Mr. Smith, because of his very wide and varied musical ability and musical experience, will prove indeed an invaluable asset to the society.

Students desiring further information are requested to speak with members of the executive at the Glee and Dramatic Society headquarters situated just off stage in the gym.

Romanticist, Awake!

Nothing to see but the lonely moon
Walking in sadness above the Bay—
But the strangled cry of forsaken loons
Broken and lost on November days.
Nothing to see and nothing to say,
Nothing to feel but the moaning wind
At night as it calls to the trees.
Like the darkness that falls on the eyes of the Blind,
The sorrow of restless seas
Descends on me.
Nothing to love but the face of the dead,
Nowhere escape from pain,
Unanswered vows, and laughless dreads
The unforgotten lips in flame
Will never, never live again.
Let this be known, let this be stressed,
There is no song beyond the grave
No heart to other heart will press,
No tear will fall, no voice will pray
For yesterday.

"Put Something In The Pot Boy"

Exchange Scholarships Feature Of NFCUS Activities

The National Federation of Canadian University Students in its September conference once again has established exchange scholarship opportunities for Canadian University students.

The scholarship allows for a qualified student to transfer from his University to another college for one year, providing that he returns to his original college for his senior year. His course must be approved by the Faculty concerned in both his college of origin and the college of choice. The tuition and fees, payable by the student, will be those existing at that University he is registered in at the time, regardless of tuition variations between the separate colleges.

It is the intention of the plan to facilitate the students' opportunities of studying under specialists in their chosen field and to broaden their knowledge of Canada's Universities and the nation as a whole.

The mechanism is initiated by the local office of each University member supplying the Ottawa central committee with their respective calendars. Ottawa then redistributes the calendars so that each local committee has on file a calendar of the entire fifteen University members. Applicants should apply through their local committee utilizing these calen-

dars and the scholarship forms available there. The applicant should be in his sophomore year. The application is to be signed by the Registrar of his University, the Dean of his faculty and the President of the Student Council. It is then remitted to the University he wishes to attend for the corresponding signatures where same is lodged with the local NFCUS committee there.

Dr. D. H. Barnbrook Joins Med Faculty

Dr. D. H. Barnbrook and his Austrian wife came to Halifax in mid-August, when he was appointed to the Medical School as Associate Professor of Anatomy. The Barnbrook's first reaction to Halifax was surprise at the non-industrial appearance. "It had a very definite university atmosphere."

Dr. Barnbrook was born at West Bromwich in the English mid-lands, and completed his grammar and high school training there. He then went to Birmingham to take his M.B.Ch.B. and on to London for his M.R.C.S., L.R.C.P. and F.R.C.S. Before coming to Dalhousie he practiced surgery for seven years in England.

NFCUS Conference Raises Issues of National Interest

The annual conference of the National Federation of Canadian University Students was held at London, Ont., this fall. Eric Kinsman and Ron Robertson attended on behalf of Dalhousie.

Jean de Margerie of Laval was elected President for the coming year, the rest of the executive being Geoff Turner, U. B. C., Catherine Swift, McMaster, Don Lawrence, Bishops and Bill Haute, Acadia.

The perennial question of relations with the Communist dominated International Union of Students arose. Denis Lazure of Montreal attended the conference at Warsaw as an unofficial observer for N.F.C.U.S. and reported that the I.U.S. wished to have a re-approachment with the West. The conference was highly sceptical of the whole affair, but agreed that a delegate be sent to a conference next year for one last attempt. U.S.N.S.A. is going to attend this conference as well as other Western Unions of Students and if this fails a Western International Union will be formed. Dalhousie moved that the delegate be sent only if it would not cost N.F.C.U.S. anything. This was accepted.

N.F.C.U.S. made one great stride forward with the appointment of a permanent General-Secretary, Yves Pylon, to be stationed at Ottawa. At the National Office, which will co-ordinate the Federations activities, a travel agency is to be set up which will help university students obtain cheap transportation to Europe. The British Union of Students, which was represented at the conference, offered to co-operate.

The question of summer seminar was re-examined. After two years of failure trying to organize one, it was decided to prepare a very careful and well-planned brief on the seminar project and study all the problems thoroughly during this coming year. Then it will be possible to start working immediately on the finances for a seminar at the end of the second year. Trying to do too much in too little time seems to have been the fault in the past.

A report was made on the inter-regional scholarship plan and it was found to be working satisfactorily in most cases. The western universities are making considerable use of it, but the Maritime ones do not seem to be taking full advantage of it. However, a Toronto student is planning to come to Dalhousie on it and a Dalhousie student has gone to McGill under it this year.

The conference was pleased to note that most of the briefs pre-

resented to the Massey Commission by the Dalhousie committee on behalf of NFCUS was adopted into the final report of the commission.

The investigation into text-book prices across Canada is to be carried on in order that local committees will be able to find out if prices on their campi are unreasonably high. One of the federation's offspring, the Canadian University Debating Association, was found to be suffering from growing pains. After a prolonged discussion, a new financial setup was agreed upon. Dalhousie was given a mandate to revise the CUDA constitution.

The report was also made on the possibility of Canadian-American exchange scholarships. United States National Students' Association was represented at the conference and reported that a scheme was not feasible at the moment. However, the New York region of USNSA, which was represented as the conference as well, and the Ontario region of NFCUS are going to experiment with a type of exchange in order to see if some scheme can be worked out for the whole of Canada.

An investigation is going to be made into the possibility of obtaining federal government income tax exemption for tuition fees of students. An examination is to be made of the possibility

Roy Smith Heads Dal Brass Band

The Dalhousie Brass Band under the baton of its new director, Roy K. Smith, has been getting in some practice during the past week in preparation for the two Canadian football games coming up this week-end, and by all reports they should be in good form for the occasions.

The new conductor, Director of Recreation for the city, brings many years of valuable training to the post. For 27 years he has played as a bandsman and for the past five years has acted as leader of the Halifax Civic Youth Band. He was also associated for several years with the Acadia Brass Band during which time he gained a first hand knowledge of the problems of a college band.

Many former members have returned this year, but positions for freshmen who can play an instrument are open and it is hoped that a number will turn out. Notices of practices will be posted on the bulletin boards or in the Gazette. Further information may be obtained from Walter Atwood.

of obtaining reductions on royalties on all stage productions presented by university students.

The full report of the conference will soon be available to the students. Outside of the conference the student council presidents from across Canada held meetings to compare systems and exchange views on student government.

Opportunities Exist for You in the

R.C.A.F. University Training Schemes

There are the following schemes to choose from:

1. Subsidization Scheme: Technical, non-technical and aircraft.
2. Winter and Summer Training Schemes: Technical, non-technical and aircraft.

Qualifications:

Students applying for Flight Cadet rank must fulfill the following requirements:

1. Be in the 1st or 2nd year of a 4-year course or in the 1st, 2nd or 3rd year of a 5-year course.
2. Produce evidence of satisfactory academic standing.

3. Be a Canadian citizen or a British subject resident in Canada.

Candidates for Air Crew:

Must have reached their 18th birthday but not reached their 22nd.

Candidates for Non-flying Branches:

Must have reached their 18th birthday but not their 35th, on the date of application.

Marital Status:

Must be single unless having had previous service.

For Further Information

-THE TIME IS NOW!

COACH OUTLINES ATHLETIC PLANS

Down Sports Alley with Sally

Girls, your new physical instructor is Miss Florence Rowley, who last year taught at Netherwood School for Girls. To Miss Rowley we extend a warm welcome; to the girls—let's make it a bang-up year!

Freshettes you are required by the University to spend two hours in the gym weekly. A gym schedule is posted on the bulletin board inside the gymnasium. (Watch that bulletin board if you don't want to miss anything!) Your gym time may be spent doing any sport you please. Before the end of the week Miss Rowley would like to have met all freshettes.

Sophomores and Juniors, did you know that you are required this year to spend at least an hour

Spirited Dal Team Starts Saturday

weekly in the gym. Full particulars concerning this new regulation are posted in the gymnasium.

There is a sports programme for the girls under the supervision of the physical instructor which is controlled and financed by the D.G.A.C. Every girl who belongs to the Students' Council automatically belongs to the D.G.A.C. (Dalhousie Girls' Athletic Club). If you wish to take part in any of the activities sponsored by D.G.A.C. you are urged to do so, —just go and you will be included. Among the sports which have a part in the programme are: swimming, tennis, ground hockey, ice hockey, badminton, basketball, (in the preceding sports there are Varsity teams), archery, ping-pong, and skating. D.G.A.C. has the gym two nights a week, Tuesday from 7.30 to 10.00 p.m., and Thursday, from 7.30 to 9.00 p.m., during which time as many of these sports as possible are enjoyed.

The first team performing for Dalhousie is the Dal Canadian football team, which takes the field against Stadacona this Saturday on the Dal field. We'll be seeing you there!

Coach Gabe Vitalone kept a straight face, but his eyes twinkled. "We can't have a team any worse than last year," he said, as he eyed his tired sweat-stained charges as they trooped to their luke-warm showers, helmets hanging in their grassy and bloody hands. "I think we'll do all right." The small filing card in his hand was looked at, turned over and fingered thoughtfully as he spoke. "We got the men," he said, indicating the names on the card. "I'm hoping . . ." and then suddenly realizing he might be too optimistic and say too much, he strolled off to join a few stragglers tossing the ball about.

The feeling of quiet confidence, though not too evident in the coach's remarks was much more noticeable in the lockers and showers. Time and again players expressed their thoughts by smiling happily and whistling gay tunes. "Man! It looks good, eh!", and adding with a sly, knowing wink, "It's guts football, I guess." Hard football it has been since the 17th of September, when the first practice was called for and since then there has been an increase each day in the daily turn-outs, and a new face shows itself wreathed in one of the helmets of former Tiger teams. The big schedule and the proposed away games, especially the big one with U.N.B. may have helped stimulate the interest in Canadian football. English rugby players and soccer players have sheepishly dropped the implements of their former sports and taken wholeheartedly to the Canadian game.

The scrimmages held have been hard, rough and often blood-producing as the players round themselves into shape for the big game against the blue and white of Stadacona at Studley this Satur-

D.A.A.C. Plans Extensive Athletic Programme

Last spring in a disagreement over basic ruling policy Dalhousie removed themselves from the Maritime Intercollegiate Athletic Union. Consequently, this year Dal will handle its own athletic programme under the direction of the D.A.A.C. Every student who is a member of the Students' Council is eligible for varsity competition. This means an increase of four to five hundred students as potential participants in athletics who otherwise would be declared ineligible under M.I.A.U. ruling.

Conditioning has been fierce as the players have realized the importance of top physical condition for these two week-end games—Stad, Saturday and Shearwater, Monday.

Under the league rules only 24 players will be dressed and as the team takes the field Saturday in their new gold and black uniforms there will be a few new fellows in the ranks playing their first varsity game. The starting lineup will pivot on the old veteran Pete Mingo at centre with Guy MacLean assisting in this position and a heavy line composed of almost all last years varsity. Bud Gregory, Don Goode, Bill MacCreedy, and Spence Stewart will hold the guard slots, with the tackle spots going to varsity linemen Bob Ingles, Husty MacLean and two newcomers Tom Kennedy and Al Jakeman. Three ends, freshman Chuck Johnson, Marcel Plourde and Jim MacEwan will receive the servings of versatile Andy McKay and starry Mike McCulloch, who will operate the team from the drivers seat at quarter back. The half backs, all varsity players of last year will include Dave Bryson, Don Harrison, Scott Henderson and Ed Kinley, with the flying wing position aptly controlled by Reg Cluny and John Nichols. The fullback slot will be run by Fraser Mooney, a refugee from English Rugby and Dave Jannigan, both capable performers.

Co-operation and team work will bring success to this team. Let the students themselves show co-operation by backing the team at its first and every game. Let us have that 'guts' spirit.

COTC Meeting—All those who are interested in joining the Canadian Officers' Training Corps are invited to attend a meeting in Room 3, Arts Building, at 7.30 p.m., Oct. 17. Due to the large enrolment last year it is expected that the first year intake this year will be limited.

Ambitious athletic plans have been formulated by 'Arpy' Robertson, President of the D.A.A.C and Physical Director Gabe Vitalone. "Just as many, if not more games and more students participating," emphatically declared Coach Vitalone, as he outlined the athletic schemes. Only basketball and hockey will in the least be affected and these losses have been compensated by heavy schedules including also those teams in the M.I.A.U. organization, Dalhousie will again sponsor their Maritime Invitation Tennis Tournament for all teams interested, with October 13 as tentative date. The boxing team which was really hurt in previous years by M.I.A.U. ruling has begun practice and final preparations are being made for a Maritime Amateur Boxing Meet to be held here in late November.

Dalhousie has taken a bold step forward to outline an athletic programme with the student and his participation in mind. Only the students themselves with spirited action can support Dal's withdrawal from the M.I.A.U., and make the decision of the D.A.A.C. a decisive step for brighter and more victorious athletic years.

Welcome . . .

BIRKS are glad to welcome new students and those returning to Dalhousie.
