A Committee of the University Senate has been charged with the compilation of this Record. It has proven to be a task of extreme difficulty and in publishing it at this time the Committee is quite aware that there must be numerous errors and omissions in it. The purpose in publishing it is twofold: to show how nobly the sons of Queen's have responded to the Country's call and to enlist the assistance of all our graduates and students in making the Record as complete and accurate as possible. At the close of the War it will be again published as a permanent record of the University's service. *ANY INFORMATION AS TO RECENT ENLISTMENTS, TRANSFERS, AND CASUALTIES, OR REGARDING ERRORS OR OMISSIONS IN THIS RECORD WILL BE VERY GRATEFULLY RECEIVED.*

H. T. WALLACE,
Secretary of Senate's Committee.
