1888-89

REPORT  
OF THE  
BOARD OF DIRECTORS.

OF THE  
Montreal Amateur Athletic Association,

*For presentation to the Annual Meeting to be held  
Monday, May 20th, 1889.*

---

GENTLEMEN,

Another year of unremitting exertion has been added to the record of the past, and our different schemes have been pushed forward with rapidity and despatch.

Our Grounds are something to be proud of, and any one looking at them to-day, with their general completeness of appearance, will find it hard to realize that this time last year we had not begun to work at them.

Since then they have been graded and levelled, and sown with grass-seed, fences erected and painted, a grand stand built, capable of seating about 5,000 people, a cinder track laid, probably the finest in America, being one-third of a mile around, eighteen feet wide for 220 yards, and twelve the balance; and latterly a handsome Club House, with large hall upstairs, and dressing rooms, boxes, shower baths, etc., downstairs. The want of these grounds was felt very severely last season, and pretty well accounts for the debit balance of \$3,855.65.

In July last the initiation fee of \$10 proposed, and carried at the Semi-Annual Meeting came into force, making the first year's membership in the Association cost \$20, with the option of paying the subscription half-yearly. This course of action met with the unanimous approval of the members, not a dissenting voice being heard. Around the Club House proper, no great changes have taken place: The entrance has been painted and the steps renewed, and new spouts placed on the south side, which puts our central home in good repair.

In September last the long-looked forward to Bazaar, or M. A. A. A. Fair took place in the Victoria Rink. Probably no event connected with the Association was ever so successful. It was opened by Sir D. A. Smith, and for the space of one week the Rink was crowded with our friends. To the ladies who took part, and really made the Fair the success it was, the most hearty thanks of the Association are due, and it is more than encouraging to us to find such ready and willing support accorded by the fair ones. The receipts were very satisfactory, and we certainly broke another record, and placed the standard of emulation on a high pedestal.

The Gymnasium has kept up to its standard of excellence, and the early part of the season saw more gymnasts and aspirants to the rank than ever working in the gymnasium. The thanks of this Association are due to Dr. Cameron, who delivered a very interesting address at the opening entertainment of the season, and one which was highly appreciated by the audience. The closing exhibition was well worth seeing, some novel, and to us, new pieces of work being introduced.

The Field Sports Department felt the absence of accommodation the worst of any, as neither Spring or Fall Games were held.

We were represented at the Canadian Championship Games, held on our grounds on September 29th, when Mr.

Moffatt was successful, securing the half mile championship in 2 min. 3 2-5 sec.

We were again represented at the N. A. A. A. of America Championship Games, held in New York on the 13th October, when Mr. J. W. Moffatt won the half mile in 2 min. 2 1-5 sec.

The Lacrosse Club had a rather quiet season, principally owing to the limited ground accommodation. But the good days for this branch of our tree are coming, and the principal factor in their quietness having been removed, great things may be expected from them in the near future.

The Snow Shoe Club had one of their most successful seasons; tramping and the attendance thereat being very satisfactory. The record of the Club regarding Carnival work was kept up to the average, though the interest in the great winter fete was not as great as usual.

The Toboggan Club had a fine season, notwithstanding the lateness of the arrival of snow. Arrangements were made with the Montreal Club, by which we used their plant and slide. An artificial slide was also erected alongside of the natural. The slide was opened on the Tuesday of Carnival Week by the Governor-General, and was well patronized by our members all season.

The Bicycle Club had a fairly good season, the Tuesday night rides to the Athletic Club House being more popular than ever, but the continuity of wet weather interfered somewhat with their movements.

The Football Club were similarly situated to the Lacrosse Club, the lack of suitable grounds militating somewhat against their movements; we, however, won the Quebec Championship again, and played a draw with Ottawa College for the Championship of Canada; but the Fall of this year will see this game to the front if enthusiasm among the playing members may be taken as an indication.

Our Cinderella Club failed to materialize this year, the Committee being of opinion that one season's rest would not hurt, and the intention was to have the next one in the new Athletic Club House on the Grounds, but this will probably be left until the Fall. But the Dramatic Club have revived their old time successes, and their performances both from an artistic and financial point of view are something to be proud of. The Entertainment Committee also arranged with the Rev. G. H. Wells, D.D., to give a lecture in the Gymnasium, on "Montreal to the Yellowstone." Mr. W. Prowse illustrated the lecture with a series of views, and the hearty thanks of the Association were tendered to these gentlemen for their willing and effective co-operation.

The Hockey Club finish the season as Champions, though they lost that much coveted honor to the Crystals in the earlier part of the Winter. This only seems to have had the effect of making the team work harder, and the result is that the Cup still looks at home in our Trophy Case.

## REPORT OF BILLIARD ROOM COMMITTEE.

---

MONTREAL, 1st May, 1889.

*To the President and Directors of the M.A.A.A.*

GENTLEMEN,

Again I have much pleasure in presenting a report of the Billiard Room Committee for the past year, and it affords me much satisfaction to be able to report the affairs of this department to be in a flourishing condition.

The interest manifested by the members is as great as in former years, and the tables are being used as freely as ever.

There was not a great expenditure incurred, as the thorough overhauling received last year was sufficient for the wants of the current year.

For the incoming Chairman, I would recommend the purchase of a couple of setts of balls and some additional cues, also to have the cushions on two or three tables recovered.

I would again urge the necessity of laying down a new floor. as the present one is in a shocking condition.

It has been urged by some of the members that the three 10 x 5 tables be cut down to 9 x 4½, which are just now a popular size, but this I do not recommend, as the tide of popular feeling may at any time revert to the standard size, and we will then be in a position to cater to the changed idea without incurring any expense.

Respectfully submitted,

MAJOR FREEMAN,  
*Chairman.*

## READING AND CLUB-ROOMS' REPORT.

---

MONTREAL, 8th April, 1889.

*To the President and Directors of the M.A.A.A.*

GENTLEMEN,

I have much pleasure in presenting the report of the Reading and Club-Rooms for the past year. The Reading Room continues to prove one of the chief attractions for our members, being supplied with all Canadian, British and American periodicals and papers.

There have been several complaints lately about the time it takes to deliver the British papers, but this will now be avoided by the Association having secured a box for papers only, at the News Company's Office.

I am glad to say there have been no complaints during the year, of papers being removed from the Reading-Room. New covers have been made for several of the Illustrated Papers, which were very much needed.

Mr. Stevenson kindly sold the papers by Auction at the end of the year, and the prices at which the papers were sold were very satisfactory.

The Directors will be very glad to receive from members, at any time, suggestions as to any new paper they think should be placed in the Reading-Room.

The whole respectfully submitted.

GEO. L. CAINS,

*Chairman.*

## REPORT OF THE GROUND COMMITTEE.

SEASON 1888-89.

MONTREAL, May 3rd, 1889.

*To the President and Directors of the M.A.A.A.*

GENTLEMEN,

It gives me much pleasure in presenting the report of the Ground Committee, particularly as this is the first report of our New Grounds.

The grading of the grounds was commenced early in May, and the Contractors did not get finished till well into July, much to the disappointment of your committee, as we hoped to have had the seed in, early in June.

Just as soon as the grading was finished we started to lay out the cinder path. The track is three laps to a mile, leaving the playing part of the field 600 feet long by 430 feet wide, allowing accommodation for three games being played at one time.

The seeding of the ground, although delayed very much, by the tardiness of the Contractor, proved a great success, the grass with the help of the continuous rains of last August, grew very rapidly. We now have an excellent turf, which, with proper care will be one of the best in the city.

The fence enclosing the grounds is all of  $1\frac{1}{4}$  in. Pine, planed and grooved and covered with three coats of paint, both inside and out.

The grand stands were put up more with a view of making a comfortable seat than holding a large crowd, and your committee feel that they have filled a long looked for boon, a very comfortable stand, covered in, with iron posts supporting the roof, and no obstacles in the way to obstruct the view. The filling of the stands from the back is another new feature which will enable the committee to handle a crowd much easier than on the old grounds.

The Club House which has been put up on the strip of land between St. Catherine Street and the grounds, is 100 feet long by 38 feet wide. The first flat contains the dressing rooms, committee rooms, reception room, shower baths (4) and lavatory. Ticket offices are also on the first flat facing St. Catherine Street, enabling spectators to enter the grounds by either side of the Club House. The second flat has been fitted up as a Music Hall with a large stage, also a hard wood floor, and your committee feel sure that this will be a source of revenue to the Association.

Our Caretaker's quarters are above the Hall with windows looking out south, east and west, thus giving him an entire view of all our property.

Your committee cannot close without congratulating the Association on the purchase of the new grounds, the business way in which all the details were carried out and being the owners of the best equipped athletic grounds on this side of the Atlantic.

Your committee beg to commend Geo. Crawford, the caretaker, for his interest and painstaking work in connection with the grounds.

The whole respectfully submitted.

# REPORT OF THE BOWLING DEPARTMENT.

SEASON 1888-89.

MONTREAL, May 3rd, 1889.

*To the Directors of the M.A.A.A.*

GENTLEMEN,

It is again my pleasure to submit the report of the Bowling Committee for 1888-89.

We only held one competition in each series during the season.

The friendly matches with the Victoria Rifles Armory were kept up, the honors being equally divided.

The Ten-Pin competition was won by—

	Score.	H'cap.	Total.
Mr. F. L. Barlow, - - -	508	10	518 pins.
Mr. J. R. Gordon, - - -	470	40	510 "

The Cocked Hat was won by—

	Score.	H'cap.	Total.
Mr. J. W. Tatley. - - -	86	3	89 pins.
Mr. F. L. Barlow, - - -	..	..	88 "

As will be seen by the balance at the credit of this department (\$42.55) the alleys have been fairly well patronized.

Your committee would suggest that the alleys be gone

over again and made perfectly level, to enable our members to keep up their practice for outside competitions.

The whole respectfully submitted.

## SHOOTING DEPARTMENT, 1888-89.

*To the President and Directors of the M.A.A.A*

GENTLEMEN :

This department has not been a progressive one since the formation of the Victoria Rifles' Armory, as the majority of the shooting members of the Association are also members of that institution, and when shooting indoors, would rather use the Morris Tube improvement provided at the Armory than the apparatus provided at the Gymnasium.

On inquiry, I find that this improvement on indoor shooting has given great satisfaction, and to make this department self-sustaining and satisfactory, it would be necessary to introduce the same ; but I cannot recommend it, as it is rather an expensive apparatus and also on account of our non-military members not taking any interest in the Shooting Department.

I would recommend that the Shooting Gallery be removed, as in its present state it will never prove satisfactory, and the space it occupies could be utilized for another alley by the Bowling Department, which they greatly need.

Respectfully submitted,

ALEX. STEWART,

*Chairman.*

## GYMNASTIC DEPARTMENT.

---

*To the President and Directors of the M.A.A.A.*

GENTLEMEN,

In submitting the annual report of the Gymnastic Department for the season of 1888-1889, I do so with great pleasure and satisfaction; the attendance at the classes and the interest taken in the work by the members has been very encouraging. The Association may be congratulated on another very successful year in this important department.

Before the regular opening of the season, several important changes were made in the method of conducting the Gymnasium; and the following members appointed "Class Leaders" by your Chairman.

K. D. Young,  
W. J. Marchbank,  
F. W. Gross,  
Louis Terroux,  
A. G. Gardner,  
E. H. Brown,  
J. W. Tatley,

F. A. Rodden,  
H. W. Reynolds,  
Chas. Little,  
W. McDougall,  
H. J. S. Nichol,  
Geo. Moffatt,  
John Doig,

The above members rendered valuable assistance in instructing the classes, and I have no doubt will appreciate the official badge issued to them.

I desire to place on record my appreciation of the hearty interest Mr. Doig has taken in the Gymnasium, and our success

during the past season, is, in a great measure, due to the efficient and painstaking manner in which the duties of Instructor have been discharged by him.

During the season, in addition to minor repairs and alterations, the following apparatus has been added to our equipment:—The Curved Ladder Plank and Ladders for the Pyramid Team. In the early part of the year the room above the corner of the stage was placed at the disposal of your Chairman, to be fitted up as a dressing room, and this, with the three already in use, provides sufficient accommodation.

On the 4th October, the opening Complimentary Exhibition was given by the members, and although handicapped by want of practice, the performance was very creditable. An interesting part of the programme was the instructive address delivered by Dr. J. C. Cameron, to whom a hearty vote of thanks was tendered.

The regular work of the classes commenced on the 6th October, and although our Toboggan Slide was again in operation, and a Carnival held during the winter, the attendance for the season has been very satisfactory, as the following statistics prove:—

Total number of names on roll book,	.. .. .	135

M. A. A. A.

2nd } Prize Medal, open to members only who have attended  
3rd } twenty class nights.

4th. Prize Medal, restricted to members who have attended  
twenty class nights, and who have never  
won a prize for Gymnastics.

1st Prize Green Medal } For members of the class of 1888-89  
2nd “ “ } who have never attended Gymnasium  
previously.

If a “Green” prize winner obtains a sufficient number of points to entitle him to a prize in the higher class, he has the option of taking either medal.

#### RULES.

1. *Unless three-fourths* of a possible score is obtained the “Championship” Medal will be withdrawn and the winner awarded *2nd Prize*. Former winners in Gymnastics are debarred from winning the 4th Prize. Only members who have not, prior to October 1st, 1888, taken part in Gymnastic classes, are entitled to compete for the “*Green Medals*” and in the event of a “Green” competitor securing a place among the other prize-winners, shall be entitled to only one medal, as he may choose.

2. Only those members attending at least *twenty* regular classes during the season, shall be entitled to compete for medals, except in the case of the "Championship," to which no restrictions are attached, beyond those arising out of *Rule 3. Entries free*, and will close one week before date of competition.

3. All Competitors will be required to perform, in rotation, such exercises as may be selected by the judges, at their discretion, from a list furnished by the Instructor of those in use on the following apparatus :—Parallel Bars, Horizontal Bar, Rings, Inclined and Bridge Ladders, Curved Ladder Plank, Flying Trapeze and German Horse, also Jumping, Vaulting, Peg-Pole, Climbing Rope, and the regular class exercises with Dumb-Bells, Indian Clubs and Bar-Bells.

In addition, competitors will be allowed *five minutes each* for a series of *advanced exercises* of their own choosing, on each of the following apparatus, viz : Parallel Bars, Rings, and Horizontal Bar.

4. Three Judges, to be named by the Chairman, will have entire control of the Competition, subject to these rules, and their decision shall be final.

The Competition took place March 30th, and April 2nd, 4th and 6th.

The Judges were Messrs. Fred. W. Barlow, A. G. Gardner and Chas. Gwilt, to whom our hearty thanks are due for the very efficient manner in which they performed their arduous duties. The prizes were awarded as follows :—

1st Prize and Championship.	}	Fred. W. Gross.	} equal.
2nd Prize Medal.		F. A. Rodden.	
3rd " "		H. J. S. Nichol.	
1st Prize "Green"		Geo. Jacoby.

The competition was very well contested, and for the first time in its history the Association has two Gymnastic Champions, Messrs. Gross and Rodden having tied for that coveted title. Recognizing the difficulty of arranging any additional competition, or series of exercises that would be equally fair to both contestants; duplicate medals were awarded by the Board of Directors.

Thursday evening, April 18th, our Gymnasium Hall was completely filled, on the occasion of the closing entertainment. An excellent programme was presented, the audience were enthusiastic, and greatly encouraged the performers by their hearty appreciation and applause. Special features were the Tumbling, Double Trapeze and Ladder Pyramids, the latter a reorganization of the well known team from the late Mr. Barnjum's Gymnasium. The Competition medals were presented to the successful winners by Messrs. S. M. Baylis, Jas. A. Taylor, F. M. Larmonth, W. J. Cleghorn, and W. A. Doig.

The thanks of the Association are due to Mr. Wm. Liddell for assistance rendered during the season, and especially in connection with the M. A. A. A. Ladder Pyramid Team.

The Fencing Club seems to have died of neglect—a matter to be sincerely regretted: This result may in a great measure be attributed to the fact that a number of the Club members who have heretofore taken an active interest in this branch of the department, were, from various causes unable to continue the work. In the early part of the season a competent instructor was secured, but unfortunately resigned almost immediately after, owing to his departure from the city, and no further action was taken by the members. The fine exercising room at their disposal, together with the previous record of the Club should have aroused sufficient interest to ensure its continuance. I can heartily endorse the hope expressed by my predecessor, "that the club will again be revived at an early date."

The Boxing classes under the tuition of Professor J. Latter

were continued during the past season, and were fairly well attended, but suffered from somewhat similar difficulties as those affecting the Fencing Club. I would recommend that additional facilities for practice among the members of these classes be provided for the coming season.

I cannot close this report without referring to the heavy loss Gymnastics and Athletics generally have sustained in the death of Mr. Fred. S. Barnjum. He might almost be called the father of Gymnastics in this city, certainly its oldest and most consistent advocate, and the estimation in which gymnastic exercise is at present held, is mainly due to his persistent and intelligent efforts for nearly a quarter of a century. His death will be sincerely mourned by none more than the large numbers of older members of this Association who have benefited by his training and friendship, and who owe much of their health and happiness to his earnest and untiring devotion to the cause of physical education, with which his name will always be associated.

The whole respectfully submitted.

## REPORT OF THE SPORTS COMMITTEE.

1888.

*To the Board of Directors of the M.A.A.A.*

GENTLEMEN,

Owing to having no track of our own and the difficulty of making satisfactory arrangements for other grounds, it was decided to hold no races last season, and consequently your Out door Sports Committee have very little to report.

Mr. J. W. Moffat was sent to Detroit to represent the Association at the first Annual Games of the Amateur Athletic Union, held in that city on the 19th September. Unfortunately his entry had not been made in time, and he was not allowed to compete.

On the 29th of September, the Amateur Athletic Association of Canada held their Annual Race Meeting on our new grounds, Mr. Moffat winning the half mile in 2 min. 3 1-5 sec. Mr. F. H. Johnston, the only other representative we had, being unplaced in the two mile race.

On the 6th of October, at the games of the St. Lawrence A. A. A. of this city, Mr. A. S. Lamb won the mile and two mile races, and Mr. F. H. Johnston won the quarter and half mile events.

On October 19th, Mr. A. S. Lamb won the half mile race at McGill College sports.

Mr. J. W. Moffat won the half mile Championship of America, at the games of the National A. A. A. of A., held in New York City, on the 13th October, time 2 min. 2 1-5 sec., and on the 17th October, at Yonkers, N.Y., won a half mile handicap from scratch in 2.07, and at the games of Columbia College, held on the 26th October, he again won the half mile event in 2 min. 2-5 of a second.

The exceptionally wet weather of last fall interfered very much with our usual Hare and Hounds runs, and but three meetings were held.

With the completion of our track, which has received the unqualified praise of every runner who has seen it, and the comfortable quarters provided by our new club house, your committee look for a decided increase in the number of competitors at our Spring Games, and with a view to encouraging young runners, have arranged for a series of weekly handicap events, your committee would also recommend that at least a portion of the programme at the Annual Fall Meeting be composed of handicap races.

The whole respectfully submitted.

## REPORT OF THE ENTERTAINMENT COMMITTEE.

---

*To the Directors of the M.A.A.A.*

GENTLEMEN,

I herewith hand you a report of the Entertainment Committee for past season ending 30th April, 1889.

The following gentlemen formed your committee:—F. C. A. McIndoe, Chairman; H. Brophy, Hon.-Secretary; Robert Lloyd, Treasurer; W. A. Coates and F. M. Larmonth.

Early in the winter the Dramatic Club was re-organized under most favorable auspices, and a lot of good officers elected as follows:—J. D. Miller, President; S. M. Baylis, Vice-President; D. J. Watson, Hon.-Secretary; S. Brodie, Treasurer; Will Bruce, Stage Manager. Committee—J. B. H. Rickaby, E. Sheppard, L. J. Smith, H. K. Wright and J. L. Gurd; with twenty-two acting and forty-five associate members.

They have given two most successful entertainments, the first, 10th and 11th January, "Old Soldiers," and the second "The Poor Nobleman," 24th, 25th and 26th April, (the last date for the benefit of the Western Hospital,) and after paying for a lot of new properties have a very satisfactory balance to the good.

The thanks of the Association are due to the following ladies:—Mrs. J. B. H. Rickaby, Miss Phemie Allan and Miss M. Prowse, who have assisted in these performances, and the Dramatic Club are to be congratulated on the excellence of their acting.

A very enjoyable evening was spent on 8th March in our

hall, when the Rev. Dr. Wells gave us his celebrated lecture, "Montreal to the Yellowstone," assisted by Mr. W. Prowse with views, and these gentlemen have the thanks of the Association.

Owing to the Carnival, other attractions, and the difficulty in filling the list of the last Cinderella "At Home," it was decided not to hold one during the winter, but, if possible, to open the club house at the new grounds with an "at Home."

The Glee Club has done good service both in connection with the Association and Snow Shoe Club.

The whole respectfully submitted.

ANNUAL REPORT  
— OF THE —  
**Montreal Lacrosse Club**  
FOR SEASON 1888.

---

MONTREAL, April 3rd, 1889.

GENTLEMEN :

We regret that the Managing Committee's Report for the past season is not more encouraging.

The past two years' record has been anything but a satisfactory or successful one, mainly owing to the fact that we were without suitable grounds for practice, &c.

This drawback, we are happy to state, is now removed, and hope that the opening of the new M. A. A. A. Grounds with Club House thereon [which will have every accommodation for players and athletes in general] will effect a boom in the interest of our National Game, which of late has fallen somewhat in the estimation of many lovers of purely amateur sport.

At the Annual Convention of the N. A. L. A., held in Cornwall on 13th April last, Mr. A. W. Stevenson (of this Club) was elected President, and deserves great credit for his services in that capacity.

At our last Annual Meeting, the members present were almost unanimous that we should retire from the Championship Series for the Season; the Committee, acting upon their suggestion withdrew, and do not regret having done so, as out of the four Clubs playing in the series, three (the Brockville,

Cornwall, and Ottawa) were brought to task for not complying with the laws and rules of the N.A.L.A., leaving the Shamrocks champions for 1889, as you are already aware.

A Committee from our Club were appointed to meet a like one from the Shamrock Club and endeavour to make arrangements for the use of their grounds, but were unsuccessful in effecting a settlement, and we again made use of the Exhibition Grounds, which had been secured for two years through the kindness of Mr. S. C. Stevenson.

We played our first match on the 24th May (vs. Cornwalls) on Exhibition Grounds, and were defeated by them three goals to one, our players being Messrs. A. L. Shanks, W. J. Cleghorn, J. Louson, E. Sheppard, H. Drysdale, A. G. Gardner, A. Hodgson, W. D. Aird, T. L. Paton, W. Hodgson, W. Geraghty, *Captain*, Geo. Aird.

As we could only muster eleven players, the opposing team dropped one of theirs to equalize. The match was fairly well contested, the last game occupying over fifty minutes.

A match was arranged to take place on the 16th June with the Shamrocks for the benefit of the "Fresh Air Fund," but owing to some misunderstanding between Messrs. Graham & Co. (the organizers) and the Shamrock Club, it was postponed indefinitely.

On the 23rd June, at Exhibition Grounds, we received the Cambridge Team from Boston, and played a friendly match with them by the American time system (two half hours) defeating their team four games to one, the following representing our Club:—P. Gorman, W. J. Cleghorn, J. Louson, A. L. Shanks, J. Paterson, A. Urquhart, S. G. Waldron, A. A. Hodgson, W. C. Hodgson, H. Drysdale, W. Geraghty, *Captain*, F. C. A. McIndoe.

The day was a very disagreeable one, and there not being a large attendance, the gross gate receipts (amounting to \$51) were handed them to help defray their expenses.

There being no other matches arranged, nothing of importance took place until September, when a "Fair" under the auspices of the M. A. A. A. was held in Victoria Rink; this club having a section, at which were for sale, fancy goods and useful articles, the whole realizing a considerable sum toward the object, viz: funds for the new grounds. We would take this opportunity to thank very kindly the members and their lady friends, who contributed in many ways to make the "Fair" the success it was.

Arrangements being completed for a return match with the Cambridge Club of Boston, a team from here played vs. them on the Union Baseball Grounds, Boston, 6th October, and defeated their team six goals to none. The following composing our team: A. G. Higginson, A. L. Shanks, N. Walsh, E. H. Brown, W. G. Ross, J. G. Ross, H. Cassils, F. H. Gardner, G. S. Low, A. A. Hodgson, W. C. Hodgson, W. Geraghty. *Captain*, Robt. Lloyd.

There was a very small attendance to witness the match, as it rained all day; the trip notwithstanding the weather was thoroughly enjoyed by the team, who were well treated during their short stay, by the Cambridge and Harvard Clubs.

Reference has been made to the new grounds, and as in all probability larger numbers will turn out to play, we would suggest to your incoming committee that they take action at once in forming a second team, or "Young Montreal Club," abundant material for which we have among our members, and it is hoped that good results will follow.

The Annual Convention of the N. A. L. A. will be held here on the 12th inst., and our committee deem it advisable that Senior Clubs, members of the Association, should so arrange that Junior Clubs shall have nothing to say in matters affecting them, as last year important changes proposed, pertaining solely to Senior Clubs were voted down by the Junior representatives.

In July last, we had the pleasure to receive from His Excellency, Lord Stanley of Preston, Governor-General of Canada, his acceptance of Honorary membership in this club.

During the season our team received invitations to visit and play in the following places :—Ottawa, Sherbrooke, Chicago, but were unable to accept any of them.

Messrs. Summerhayes & Walford have finished the composition picture, showing pavilion and part of old grounds, copies of which may now be had from them.

The Committee last season held thirteen meetings, attended by members as follows :—

F. C. A. McIndoe,	12
T. L. Paton,	6
W. J. Cleghorn,	12
R. Lloyd,	9
W. Geraghty,	13
W. D. Aird,	13

Past Presidents :

W. H. Whyte,	5
A. W. Stevenson,	4
W. L. Maltby,	1

By the Treasurer's statement shortly to be presented, a debit balance of \$106.80 is shown. This, of course, is the result of being without suitable grounds.

Submitted for your approval.

ANNUAL REPORT  
OF THE  
**Montreal Snow Shoe Club,**  
SEASON 1888-89.

---

GENTLEMEN,

In presenting the 47th Annual Report, I regret that it is not as favorable as we could wish, on account of the poor tramping weather we experienced, but taking everything into consideration, the Club can congratulate itself on what was done, notwithstanding the unfavorable winter.

Your Committee again decided to make the Athletic Club House at Cote des Neiges the Club's rendezvous on Wednesday evenings. Arrangements were made on the same terms as last season. We have to thank the Manager of the Club House, Mr. Harry Young, for kindness shown the Club both in his official capacity and as pianist whenever his services were necessary.

We started our Wednesday evening tramps on Dec. 5th, but were obliged to go by the road, as sufficient snow for snowshoeing did not fall until Dec. 19th, when we had our first tramp on shoes.

The Club's Annual Reception to the Ladies was held on Monday evening, 14th Jan., about 400 members and friends being present. Everything passed off pleasantly, and the ladies pronounced it one of the most enjoyable evenings they had ever spent with the "Old Tuque Bleue."

The Annual Green Steeplechase was run on Wednesday evening, 16th January, with eleven entries, the winners being as follows, viz :—

- |                                       |            |
|---------------------------------------|------------|

| 3. Jno. Turner.....Gold Pin.....      | “ 22.37    |
| 4. W. J. Baillie.....Silver Pin.....  | “ 24.02    |

Your Committee decided that the Open Steeplechase this season should be a handicap race, so as to encourage the younger runners, and the idea worked well. This race was run on Wednesday evening, 23rd Jan., with fourteen entries, the winners being as follows, viz :—

- |  |          |            |
|--|----------|------------|
| 1. W. J. Baillie....Gold Medal, handicap | 3.40.... | Time 29.30 |

| 4. Jno. Turner....Silver Pin, “          | 4.30.... | “ 30.19    |

The Club received an invitation from the ladies of Lachute to give a Snow-Shoe Concert there in aid of the Presbyterian and Episcopal Churches of that village. The invitation was accepted, and on Saturday afternoon, Jan. 26th, 54 members started for Lachute per C. P. R., arriving there at 6.30. The Concert was held in the Town Hall before a large and enthusiastic audience. The programme was an excellent one and our Treasurer, Mr. Lloyd, is to be congratulated on the success which attended his efforts in looking after same. The proceeds of the Concert amounted to about \$150. Most of the boys remained over until Monday and were billeted among the residents, who entertained them all in a very hospitable manner.

We have to thank the Committee of ladies who looked after the members during their visit and hope our Club will be able to assist them again at some future time.

The Annual Veterans' Reunion was held on Wednesday evening Jan. 30th. at the Athletic Club House. A great many

of our old members tramped out and renewed their experience on the Shoe. This tramp was our largest muster of the season on shoes, over 130 tramping out and on arrival at the rendezvous, we found about 300 more in the hall to welcome us.

The Carnival was held the following week and on Wednesday evening the attack on the Ice Palace brought out our members in strong force to hold up the record of the "Tuque Bleue," 510 members numbered off, and our Committee beg to thank the boys for their hearty response to the call of "all up." After the attack was ended a snowshoe concert was given in the Gymnasium which netted about \$130, and was placed to the credit of the Club funds.

Our Annual Races were held on Saturday afternoon of Carnival week, Feb. 9th. and were all well contested. The attendance was large and His Excellency the Governor General honored the Club with his presence at the Grounds accompanied by Lady Stanley and the Hon. Edward Stanley and his bride, who seemed to enjoy the several contests immensely.

The winners of the various events were as follows; viz:—

TWO MILE, "CLUB CUP."

It will be seen by the above that our members won three first and two second out of five open events

Our Annual Dinner was held at the Windsor the same evening 120 members sitting down to an excellent menu. Our President was in the chair and we had as guests His Excellency the Governor-General, (not in his official capacity, but as our latest Honorary Member) The Hon. Edward Stanley, Dr. Hingston, His Honor Judge Davidson, R. D. McGibbon, J. J. Curran, Q. C., M. P.; W. L. Maltby, Angus Grant, W. Stanley and W. H. Whyte, also the President of the various Snow Shoe Clubs. The Vice-chairs were ably filled by Messrs. F. C. A. McIndoe, Geo. Boulter and A. W. Stevenson. The dinner was one of the most enjoyable the Club has ever had, and everything passed off satisfactorily. The prizes won at our Annual Races were presented during the evening. The Governor General presenting Mr. G. R. Baillie with the Club Cup. Before ending the dinner our President presented a splendid pair of snow shoes to Lord Stanley, which was an agreeable surprise.

The Argyle S.S. Club held an open steeplechase to Lachine on Saturday afternoon, 30th February. Our Club's two representatives won first and second prizes, viz., Fred Johnston, first, diamond pin; G. R. Baillie, second, gold medal.

The Club did not have their usual tramp to St. Johns owing to the unfavourable weather, but on Saturday, 30th February, five enthusiastic trampers, Messrs. Bentley, Morgan, Grace, G. Glen and D. Glen, started at nine o'clock and reached St Johns at 4.30, having found the tramping anything but pleasant, as the day was very mild.

We had only three cross country tramps on Saturday afternoons, once to the Athletic Club House, over the two mountains, once to St. Laurent and once to Lachine. We had ten Wednesday evening tramps, which were fairly well attended. Our tramping average muster for the season being as follows, viz., Wednesday, 10 tramps, average 42.7. Saturday, 3 tramps, average 18.3.

At the M.A.A.A. Fair held last September in the Victoria

Rink in aid of the "New Ground Fund," the Snow Shoe Club is to be congratulated, as the Snow Shoe section made the largest returns to the Treasurer. The net receipts from our section being \$1199.42. The thanks of the Club are due to past President Stevenson and ex-Secretary Binmore for this splendid showing, also to the ladies and gentlemen who so ably assisted them.

Your Committee beg to thank the following members for medals presented during the season, viz., Messrs. F. E. Nelson, W. L. Maltby, J. K. Whyte, F. C. A. McIndoe and Thos. L. Paton.

The Club membership now stands as follows:—

Life Association, (also Life S. S. Club)	..	47
" Snow Shoe,	.. .. .	50
Paying, ..	.. .. .	954
Snow Shoe only	. .. .	24
Total,	.. .. .	<u>1075</u>

It was found necessary to draw from the funds of the Association the sum of \$234.59 for expenses of the Club during the past season.

The coming season being the fiftieth anniversary of the Club's existence, it has been decided (in order to commemorate same) to have another Snow Shoe picture (by Notman), and as Lord Stanley, our present Governor General, has promised to be represented in it, your Committee hope that every member will consider it a duty to assist and make this picture the best, the Club has ever had,

Your Committee held sixteen meetings during the winter, which have been attended as follows, viz :

Angus Grant, Hon.-President	6
Thos. L. Paton, as President	15
F. C. A. McIndoe, Vice President	9

Geo. Boulter, 2nd Vice	5
R. Binmore,	16

REPORT OF THE COMMITTEE

— OF THE —

**MONTREAL BICYCLE CLUB.**

SEASON 1888.

REPORT OF THE COMMITTEE  
OF THE  
**MONTREAL BICYCLE CLUB,**  
SEASON 1888.

---

Your Committee is proud of the privilege of submitting the report for the tenth anniversary year, to this the eleventh annual meeting of the Montreal Bicycle Club.

We are now the second oldest Bicycle Club in America,—the Boston—of Boston being the oldest, the Bangor, Maine, now defunct, being second, and the Montreal third, closely followed by the San Francisco Club, eleven days later.

The season opened with a ride to Lachine on Saturday, April 28th, being attended by 23 members, and closed, owing to the continued wet weather on September 11th.

A great deal of interest has been taken in racing, both on the road and track, and a large number of interesting races have taken place. The principal event, as in the last season, has been the road race series for the Club Cup, presented by Messrs. F. G. and J. T. Gnaedinger, and prizes by several of the members.

The Club has now in its possession three racing machines for the use of members, two of them purchased by private subscriptions of the members, and the third a donation from Mr.

W. G. Ross. During the past three years we have been looking forward to and expecting a really first-class racing track, but that of the Shamrock Club proving a failure, at least for bicycling, it is not until now that we can claim to have one of the finest, and that all our own.

The Club mileage for the season was 656 miles, and the total attendance 549.

67 members turned out with the Club during the season, and an average of  $10\frac{1}{2}$  at each of the 52 rides held.

The largest muster was	34
“ smallest “ “	2
“ longest ride “	36 miles
“ shortest “ “	1

The following members led in the individual mileage made with the Club on advertised Club rides.

Capt. E. W. Barlow	370

The usual Tuesday night ride to the Athletic Club House was continued as during the past two seasons.

Your committee has held 14 meetings, attended as follows :

Prest. F. G. Gnaedinger,	11
Vice-Prest. Joyce,	12
2nd Vice-Prest. J. T. Barlow,	8
A. T. Lane,	11
E. W. Barlow,	11

L. J. Smith,	13
E. P. Baird,	10
Ex-Prest. Millar,	6
G. Kingan,	2
R Lloyd,	6

and your Secretary 13.

Mr. G. Kingan attended as Acting Captain during the absence of Captain Barlow.

The first event of note was the trip to Ottawa on May 23rd and 24th, and proved most enjoyable in every particular.

The members of the Ottawa Club doing all in their power to make us feel at home.

The weather was lovely, and our members brought home nearly all the principal prizes, Mr. J. H. Robertson winning the one and five mile open, and Mr. F. D. Scott the consolation race. Mr. Robertson was disqualified in the one mile, but through no fault of his own, and won easily by seventy-five yards, defeating Messrs. H. P. Davis and M. F. Johnston of Toronto and others.

The Ottawa Club entertained the visiting wheelmen to supper, Mr. P. D. Ross presiding.

The first road race of the series of three held during the season, came off on Saturday, June 2nd, over a ten mile course, from the foot of McKay Hill to the 12 mile stone at Valois. The race was started in a slight rain, but the roads were in very fair condition.

The following table shows the position at the finish, with the handicap and net riding time :

Name.	Handicap.	Net Riding time.	No. of Points won.
1. W. H. C. Mussen,	10 min.	48 min. 20 sec.	7
2. J. H. Robertson,	1 "	39 " 17 "	7
3. A. T. Lane,	7 "	45 " 43 "	5
4. H. McKenzie,	6 "	44 " 44 "	5

10. L. J. Smith,	8 "	53 " 05 "	0
11. F. W. Gross,	8 "	54 " 45 "	0

Messrs. J. H. Robertson, E. P. Baird, H. McKenzie and F. D. Scott, add one point for coming within the time limit.

The sixth Annual Canadian Wheelman's Association Meet was held this year at Belleville, 24 of our members attending, thus securing for the Club a handsome Ice Pitcher as a prize for second largest attendance. This meet proved one of the most enjoyable of the yearly gatherings.

The first event was a hill climbing contest, Master Bertie Lane of Montreal, going up second.

Mr. J. H. Robertson was first in the half mile dash, and the two mile roadster, and second in the mile Championship.

Mr. F. D. Scott won the half-mile ride and run.

Mr. E. P. Baird was leading in the ten mile open race, but stopped one lap to soon, owing to a misunderstanding.

The second road race of the series, distance about 10 miles, around the Two Mountains, from the Club House and return, was held on Saturday, July 7th. The roads were in bad condition and the wind was blowing a gale.

The time was very good indeed, considering the condition of the roads, the number of hills and the heavy wind.

The following table will show the order of finish, the handicap, and actual riding time.

Order.	Name.	Handicap.	Actual Riding Time,		No. of Points.

On Tuesday, September 11th, the Committee entertained

the Members and Veterans to a special Veterans night at the Athletic Club House, for which invitations were issued to all past members, and many of the old members turned out.

A chinese lantern parade was fixed for Thursday, September 27th, on the occasion of the Bazaar, in aid of the new grounds, but was indefinitely postponed on account of the continued wet weather.

Mention should be made of the Grand Fair held in the Victoria Skating Rink, in aid of the new grounds at Cote St. Antoine.

The Bicycle Club with the aid of their lady friends took charge of one of the tables, and cleared a substantial sum in aid of the fund.

The thanks of the club are due to the following ladies who had charge of our table.

# ANNUAL REPORT

## Tuque Bleue Toboggan Club,

SEASON 1888-89.

—o—

GENTLEMEN,

I beg to present the Sixth Annual Report of the Tuque Bleue Toboggan Club.

The past year cannot be regarded as a very favorable one, on account of the shortness of the season, and the scarcity of snow during the early part of the year.

It was the intention of your Committee to erect a slide on the new M.A.A.A. Grounds, but learning that the Montreal Toboggan Club did not intend organizing this year, negotiations were opened with their Committee and an offer of \$100.00 for the use of their hill and plant being accepted, we at once took steps to build additional chutes and make the necessary arrangements to accommodate our large membership.

One of our greatest difficulties was to light the hill, coal oil lamps not being of sufficient power to illuminate properly, arrangements were made with Messrs. Craig & Son to erect six incandescent lights (being all they could then supply) which were an improvement, though not sufficient to make the hill as brilliant as we would desire.

His Excellency the Governor-General, Lord Stanley, was elected an honorary member of the Club and a handsome badge and pin were forwarded to him at Ottawa.

Carnival week opened very favorably. The hill was in capital condition, and every arrangement had been made to entertain all guests who might come to enjoy the pleasure of tobogganing ; but on Tuesday (the day of our official opening) a fearful snow-storm set in, and notwithstanding that we had a staff of over 20 men engaged in trying to keep the slide open, they only succeeded in keeping one chute in fair running order, and although the storm raged furiously for several hours, we had the satisfaction of being the only Club whose slide had not to be closed.

His Excellency the Governor-General kindly consented to officially open the slide and honored us by appearing in full Club uniform. He was presented by your Committee with a very handsome toboggan as a souvenir of the occasion and a wish expressed that we might be honored with his presence on some future occasion when the natural slide was in good order.

The Annual Races were held on the afternoons of Friday and Saturday, Feb. 8th and 9th. The entries were large and the competition keen, resulting in the following securing 1st prizes :

SINGLES—Mr. J. Smith.

LADY AND GENT—Mrs. Brush and Mr. Fred. Cushing.

FOUR ON TOBOGGAN—Mr. W. Kerr.

The Club had charge of the Toboggan Section of the M.A.A. Fair, which was held in the Victoria Skating Rink in September last, and the handsome sum of \$566.05 was realized towards defraying the cost of the new grounds.

The Committees were as follows :

Major Freeman, *Chairman.*

J. L. Wiseman,	J. A. Taylor,
W. G. Robertson,	Jas. Baird,
Chas. Stewart,	W. Samuel.

LADIES COMMITTEE.

Mrs. J. L. Wiseman, *President.*

Miss Horne,	Miss Ella Horne,
“ Leta Horne,	“ Davidson,
“ Caverhill,	“ Popham,
“ Atwater,	“ Lovell,
“ McCallum,	“ Saunderson.

The Club is greatly indebted to these ladies for the interest taken by them in making our section so successful, and our thanks are especially due to our lady President, Mrs. Wiseman, for her kindness in accepting the arduous position, for the very able way she conducted the arrangements, and for the very pleasing manner with which she presided over our tables.

The thanks of the Club are due to Edward Holton, Esq., M.P., for his kindness in allowing the use of his property for our slides, also the Turnpike trust for the privilege of erecting the bridge over Sherbrooke Street.

After the season closed, your Committee offered the Montreal Toboggan Club a further sum of \$150 to purchase outright their plant and all privileges they possessed, which offer they accepted, and that Club has ceased to exist: we therefore recommend our Club assume the name “Montreal” and thereby complete the list of affiliated Clubs that compose the M. A. A. A.

Your Committee held 21 meetings during the season, which were attended as follows :

ANNUAL REPORT

OF THE

Montreal Foot-Ball Club,

SEASON 1888.

ANNUAL REPORT  
— OF THE —  
Montreal Foot-Ball Club.

---

GENTLEMEN,

It is with great pleasure that I place before you the Annual Report of the work done by the Club during the year 1888.

The past year has been successfully gone through without a defeat by both the 1st and 2nd fifteens.

Owing to want of grounds to practice on, no matches were played in the spring, with the exception of one practice game, namely : the Banks *versus* the rest of the Club, which ended in a win for the latter.

We played Queen's College, Kingston, for the first time in the annals of the Club, and it is to be trusted that this will become an annual fixture.

By an accident we were deprived of the services of our full back, Mr. W. C. Hodgson, in the second match of the season, and his loss was severely felt in our other matches.

Our Second Team played fewer matches than usual owing to the great want of grounds. Three were played by them, all of which were won, and thus securing for the second time in succession the Intermediate Championship.

The Third Team were not so successful, only winning the first match played, against Third McGill College, but were defeated by the Third Britannias in the second round of the Junior Championship.

These matches were held early in the season before our Third Team was properly organized, and it is hoped that next year they will have more success, as they have plenty of good material.

Foot-ball in Montreal seems to be gaining in popularity, and we are very glad to see a new Club taking such a high position as the Victorias, (which is composed largely of members of this Association) have done, in the Intermediate Championship.

There is still a good deal that can be done to make the game more interesting to spectators, and there is a feeling in the Club, that this lying on the ball in a scrimmage, should be put a stop to.

The M.A.A.A. Fair was held in September, and contrary to general expectation the Foot-Ball Club's table (thanks to the ladies who presided at it) was one of the most successful at the Fair.

We have to record the loss of our Vice-President, Robert Stirling, whose sad death by drowning is sorrowfully remembered by all. Although he had retired from the Foot-Ball field, yet he still took, as an office-bearer in the Club, an active interest in the game, of which he had been such a brilliant exponent.

The matches played during the past year were as follows,

October 13th vs. Ottawa City played on our new grounds, which owing to the rain were in a very bad condition; after a very pleasant match, resulted in our favor by a score of 25-0.

We were in this as in all other provincial matches without the services of our ex-Captain, R. Campbell.

October 20th vs. McGill, 1st championship match on the McGill grounds, resulting in our favor by 27-0. The ground was in splendid condition, and the speed of our backs, gained us an easy victory.

October 30th vs. Britannias, final for the Championship resulted in a win for us by 14-5. The new Grounds were in a frightful condition owing to the rain, but in spite of the ground the match was very open and splendidly contested. We did not play our full team owing to the absence of both R. Campbell and W. Hodgson.

November 5th vs. Queen's College, played on the Exhibition grounds, a draw, Queen's 2, Montreal 1.

November 15th vs. Ottawa College, for the Championship of Canada. This match which had been looked forward to with interest by the Club, was played on the Metropolitan grounds, Ottawa, and resulted in a draw. The match was one long scrimmage, all the work being done by our forwards, our backs hardly touching the ball during the whole match. Early in the game F. Mathewson got hurt, and his place was well filled by W. Clouston.

Our 2nd fifteen matches were as follows :—

October 20th vs. Lennoxville, won by 4-1. A protest was lodged by Lennoxville, but not sustained by the Quebec Union.

November 3rd vs. Victoria, won by 4-1. The final for the Intermediate Championship, a hard and evenly contested game.

November 15th vs. Ottawa City, won by 6-0.

#### THE THIRD FIFTEEN.

October 6th vs. McGill 3rd, won by 5-0.

“ 13th vs. Britannia 3rd, lost by 11-1.

The Club has played five 1st fifteen matches, winning three, and the other two being draws, scoring 67 points against their opponents 7.

The 2nd played three and won them all, scoring 14 points against their opponents three.

The 3rd fifteen played two, winning one and losing one.

The following are those who played for the 1st fifteen during the season. *Backs*, J. D. Campbell (Capt.), W. C. Hodgson, A. Hodgson, A. S. Browne, A. E. Abbott, H. Cleghorn, W. Cleghorn, J. Louson, A. G. Fry, A. D. Fry, Geo. Baird, A. McTier ; *Forwards*, R. Campbell, R. Barton, F. W. Taylor, Ed. W. Black, A. Drummond, F. Mathewson, M. Drummond, J. N. Fulton, W. Clouston.

In conclusion I would like to say that the Club is in a flourishing condition, although we had fewer new members last year, we have had no resignations, so that our number is about the same. With our splendid new grounds, (which have been well drained since the fall), and the team as well captained as last year, and the same amount of energy shewn, we should find ourselves where we were two years ago, namely Champions of the Dominion of Canada.

Respectfully submitted.

EDWARD BLACK,

*Hon.-Sec. M.F.B.C.*

Since writing this report I have heard with regret that our ex Captain, Mr. Robert Campbell has been ordered by the Bank to Brockville. As the oldest and best forward in the Club, his loss will be severely felt ; and I am certain of this that he carries with him in his new position, the very best wishes of the members of the Montreal Foot-Ball Club.

ANNUAL REPORT  
OF THE  
M. A. A. A. Dramatic Club,  
SEASON 1888-89.

---

GENTLEMEN,

Although the M. A. A. A. Dramatic is the oldest connected Club in the Association, having been in existence and given performances previous to the incorporation of the Association in 1881; the past season was its first as a regularly organized Club, and it is consequently my pleasant duty to present its first annual report.

In past years the business management of our entertainments was assumed by the members of the cast, but this, in addition to the time required for study and rehearsal was found a heavy responsibility, and at a meeting held November 12th, Mr. F. C. A. McIndoe, Chairman of Entertainments, presiding, we were formally organized and officers elected for the season.

The increase in membership has been very satisfactory, notwithstanding our late start, the list now containing 67 names, 23 acting and 44 associate members, and I have no doubt next season will find it largely increased.

On the evenings of the 10th and 11th January, we gave two very successful performances in the Gymnasium Hall. On both occasions the hall was fairly well filled, and the artistic

success most emphatic; the cast and members of the Club being heartily congratulated by the daily press and a large number of the audience, on the excellence of the performances.

The play presented was

*Stage Manager,* - - MR. WILL. BRUCE:

The second performances were held on the evenings of the 24th and 25th April, and although the play selected was a much more ambitious and difficult effort, it was quite as successful as its predecessor, and the members of the cast can be complimented on the excellent manner in which they performed their respective parts. On this occasion the Club presented

MISS MAUD DAVISON.

---

*Stage Manager,* - - - MR. WILL BRUCH.

The above performance was repeated on the evening of April 26th, in aid of the Western Hospital, and the sum of \$167.00 realized. The event was managed and all expenses paid by the Club, the Hospital Committee undertaking the sale of tickets.

The Club are deeply indebted to Mrs. J. B. H. Rickaby, Miss Phemie Allan, Miss Prowse and Miss Davison, for their valuable services and assistance, and our hearty thanks are tendered for their earnest efforts on our behalf.

An invitation was received from the Valois Boating Club, requesting a repetition of "The Poor Nobleman," in their Club House at Valois, Saturday, July 13th. The Club have consented, and the event will no doubt pass off very successfully.

It is to be regretted that in connection with the performances given by the Club, the members of the Association generally do not support them with the enthusiasm their excellence deserves. Unbiased and competent critics have pronounced them in respect of the acting, stage setting and management, and attention to the comfort of the audience, quite the equal of some much-praised professional companies, and better than many who have appeared on our public stage.

The Committee and acting members, who devote much time and study to the preparation of the plays and putting them on the stage, feel that in doing so they have done their share in providing entertainment for the members and their friends without the additional burden of disposing of tickets to secure an audience and good financial results. They are still willing and desire to continue their disinterested labors to provide good dramatic entertainments, but feel justified in calling upon the members generally to relieve them of the responsibility for the financial success of these performances. To this end, a scheme is being discussed, and when fully developed will be laid before the members of the Club and Association, whereby they will be requested to become subscribers towards the expenses of two

first-class plays to be given each season , for which subscription they will receive as many tickets as the amount will warrant, having in view the seating capacity of the hall. The limit of membership, subscription and number of tickets to be given therefor, number of performances of each play, etc., will be fully discussed by the Committee and the completed scheme laid before you in due time ; the aim of the Club being to extend its subscription membership so largely as to ensure all risk of expenses being fully met and full and appreciative audiences of its own members and their friends secured ; the general public and non-subscribers being admitted when seating accommodation for subscribers is provided for.

It is almost a certainty that the continuance of these interesting performances depends upon some such plan being adopted and supported. It is hoped that when the Committee lay their plan before the members, they will show their appreciation of the efforts the Dramatic Club are making for their entertainment, by giving it their hearty support.

Respectfully submitted on behalf of the Committee.

ANNUAL REPORT  
OF THE  
MONTREAL HOCKEY CLUB,  
SEASON 1888-89.

---

GENTLEMEN,

I now have the pleasure of presenting to you a very favorable report for the season 1888-89.

We commenced practice early in December, the practices being well attended—at times having too many on the ice for a hard practice.

We were again successful in winning the championship, and now hold the cup for the second time. Should we hold another season, it becomes the property of the Club.

We played our first match with the Victoria Club on the 16th December, the occasion being the opening of the Victoria Skating Rink. The Directors of the Victoria Skating Rink offered seven gold medals for competition, and our boys were successful after a very exciting match. Our Team was as follows:—J. M. Findlay, A. E. McNaughton, G. S. Low, A. A. Hodgson, Allan Cameron, Capt., J. A. Stewart and T. L. Paton.

The first game for the championship was played in the Crystal Rink with the Crystal Club, when we suffered a defeat of three to one.—J. A. Finlayson, A. A. Hodgson, A. E. Mc-

Naughton, F. W. Barlow, Allan Cameron, J. A. Stewart, and T. L. Paton represented the Club.

In carnival week we played for the prize offered by the Carnival Committee and suffered a defeat from the Victoria Club—two to one. Our Team was J. A. Findlay, A. E. McNaughton, A. A. Hodgson, F. W. Barlow, J. A. Stewart, Fred. Larmonth and T. L. Paton. The game was played before His Excellency Lord Stanley, who expressed himself as very much taken with the game. Both Teams were presented to him immediately after the match.

On the 1st March we won back the championship from the Crystal Club after a very hard game, our boys winning four straight goals. We were here represented by our old Team: J. A. Findlay, G. S. Low, A. A. Hodgson, A. E. McNaughton, J. A. Stewart, Allan Cameron and T. L. Paton.

On the 7th March we met the Quebec Hockey Club, when we were again successful, our team play being particularly good in this match. Our Team was the same as last.

The Chicbuctoo Hockey Club, of Dartmouth, N.S., visited us on 25th February. We played them under their own rules and again under ours, defeating them at both. We entertained them at the Athletic Club House, and spent a very jolly evening together. They left the city well pleased with their trip.

We again played a championship game with the Victoria Club in March, and won after a hard and very exciting game—6 to 1,—our team being the same as last.

We regret that the Crystal Rink has been taken down and we will have to look out for another rink next season.

The Hockey Association decided this year to offer prizes to the Club winning the most games during the season, which our team was successful in winning.

I think a vote of thanks is due to our Team for the very hard season's work and for the successful way in which they upheld the honor of the Club.

The whole respectfully submitted.

ANNUAL REPORT  
OF THE  
MONTREAL BASE-BALL CLUB.  
FOR SEASON 1888.

---

GENTLEMEN,

In presenting to you the third annual report of the Montreal Base-Ball Club, I regret that the season of 1888 was not an eventful one, in the history of the Club, principally owing to the inability of your Committee to secure suitable grounds to practice on.

We have to thank Mr. J. R. Cowans for kindly allowing the Club the use of a field, situate on the corner of Guy and Dorchester Streets. It was rather a hilly spot to play ball in, but a number of the members had several enjoyable evenings there, batting and throwing the ball. For reasons above referred to we were unable to place a representative team on the field, but during the season of 1889, with the new Association Grounds to practice on, we should be able to place a strong nine in the field, that will be a credit to the Association.

The M.A.A.A. Fair held in the Victoria Rink last September in aid of the new grounds, brought together most of our active members. Although our numbers were not large, yet with the splendid assistance of Mrs. Brush and lady friends, a very creditable balance was handed over to the Bazaar Treasurer, viz :—\$425.00. The Club is under very great obligations to Mrs. Brush and all the lady friends who assisted her at this

Fair, as it was mainly to their exertions that the base ball section proved such a success.

Our expenses last year were not large, neither was our income, yet your Treasurer Mr. W. E. Findlay is able to report a small balance to the credit of the Club.

Your Committee held eight meetings, which were attended as follows :—

REPORT OF THE EXECUTIVE COMMITTEE

**M. A. A. A. Fair,**

1888.

REPORT  
OF THE  
EXECUTIVE COMMITTEE  
✻ M. A. A. A. FAIR. ✻

---

*To the President and Directors of the M.A.A.A.*

GENTLEMEN,

The M. A. A. A. Fair held in aid of our New Grounds, may be safely called one of the most interesting events in the history of the Association. During its progress from September 25th to 29th, the Victoria Rink was fairly transformed, and was an inspiring sight, presenting a scene of busy activity that will not soon be forgotten by those who attended. It is doubtful if any enterprise of a similar nature ever achieved such a marked success, in proportion to the outlay, as that which characterized this most successful undertaking.

A résumé of the inception and organization may prove of service in affording hints for a similar event. At a meeting of the Canvassing Committee held May 3rd, it was decided to hold a Fair in aid of the new grounds, and the President and Hon.-Secretary of the Executive were elected, with full power to proceed with the organization. The first step was the enlisting of the many tried lady friends of the Association, and the choosing of a Chairman and Lady President for each club or branch of the Association, with power to select as many assistants as they deemed necessary. The Chairman of the various clubs or sections, ten in number, with nine representatives from the Canvassing Committee forming the Executive, their first meeting was held May 30th, and from that on, the scheme developed.

Before the summer holidays everything was well under way, and at most of the summer resorts groups of "Fair Workers" could be seen. As an example of the magnitude the Fair ultimately assumed, it may be stated that the members of committees actually engaged in the various sections during the afternoons and evenings numbered three hundred,—two hundred ladies and one hundred gentlemen.

The original idea of publishing a literary souvenir of the Fair, containing articles exclusively the work of our own members was carried out. The work was edited by Messrs. S. M. Baylis and Will. H. Whyte, published under their supervision, and named "Athletic Leaves." Apart from the interesting matter contained in the pages, the book itself was very creditable, being printed on heavy toned paper, illustrated in artotype, with a special and handsomely designed cover. "Leaves" were contributed by Dr. W. Geo. Beers, Messrs. Geo. Iles, Hugh W. Becket, "Luke Sharp," Carl Fuller, S. M. Baylis and Will. H. Whyte, poems by Messrs. W. D. Lighthall, Arthur Weir, O'Hara Baynes and "Luke Sharp." The work was unique in its way, and it is safe to say will be kept as an interesting souvenir.

A considerable addition to the funds resulted from the two concerts given under the auspices of the Entertainment Committee. The first an evening concert in the Gymnasium Hall, June 28th, and the second "The cruise of H. M. S. "Tuque Bleue," a nautical concert in the Victoria Armory Hall, Sept. 20th and 21st; they were both rich musical treats, ably managed and conducted by Mr. W. A. Coates, chairman Entertainment Committee.

On September 21st, in reply to a request from the Executive, a letter was received stating that their Excellencies the Governor-General and the Lady Stanley of Preston, would gladly allow the M. A. A. Fair to be announced as being held under their patronage. An honor that was much appreciated.

The Fair was formally opened by Sir Donald A. Smith, on the afternoon of Tuesday, September 25th, congratulatory addresses were also delivered by the Rev. Jas. Barclay and the Rev. Canon Ellegood. A large number of invitations were issued, and a great many responded, amongst whom were Messrs. Duncan McIntyre, R. B. Angus, Jonathan Hodgson, Ald. Rich. White, and Ald. D. Wilson, who evinced great interest in the objects of the Fair. Many ex-officers and old members were also present, and took an active interest.

The following summary from the Treasurer's Statement will show the financial returns. The amounts are all NET receipts :

\* In connection with these three items, additional amounts were realized, but absorbed and accounted for in the receipts of the various sections.

To the various business houses here and elsewhere, to whom we are indebted for many handsome and valuable contributions, our heartiest thanks are due. These donations, together with the many thousands showered upon us by the friends of the Association, were gratefully accepted as the evidence of hearty good will and sympathy with the aims and work of our Association.

And the ladies!—upon whom the success of the whole enterprise depended, we would heartily thank for their many services, and gratefully acknowledge the value of their efforts; from June until the close of the Fair, ever on the alert and watchful of its interests, our great success was undoubtedly due to their effective influence.

To the Lady Presidents and members of their Committees we would specially acknowledge our deep indebtedness and tender our heartfelt thanks for the hearty and willing manner in which they worked so faithfully and steadfastly to achieve success in their respective sections.

Special souvenirs were issued by the Executive to the lady members of the various Committees, and I have no doubt they will be appreciated and treasured by their recipients.

The Minute Book, Treasurer's Statement, Accounts and all documents connected with the Fair have been filed with the Secretary-Treasurer of the Association for future reference if required.

Respectfully submitted on behalf of the Executive Committee.

# NINTH ANNUAL REPORT

— OF THE —

## Montreal Junior Lacrosse Club.

**SEASON 1888.**

---

MONTREAL, April 9th, 1889.

GENTLEMEN :

In presenting to you the report for the last year, I regret that it is not a more favorable one, owing, no doubt, to the unfavorable grounds on which we had to practice, and to the lack of interest taken in the affairs of the Club, by some of the Officers and Members.

At the Annual Convention of the National Amateur Lacrosse Association, held at Cornwall on the 13th of April, 1888, it was decided that the Championship of Western Quebec, be played for under the series system, and at a special meeting of our Club, on the 1st May, it was decided to withdraw from the Junior ranks, and enter the Intermediate grade.

Our opening match took place in Sherbrooke on the 2nd of June, vs. the Sherbrooke Lacrosse Club, for the Intermediate Championship, in which we were defeated by three straight games. The following gentlemen composed our team, Messrs. A. Hardman, A. Cameron, A. Paterson, J. Paterson, J. Michaud, J. Virtue, L. Beard, W. Sprigings, T. Carlind, J. G. Cornell, J. McDougall and W. Sheridan, *Captain* J. A. Findlay.

Our next match which was a practice one, took place on

the Shamrock grounds, on the 16th June, vs. the Junior Shamrock, and resulted in our being defeated by three games to one. Our team was as follows: Messrs. A. Hardman, A. Paterson, H. Hart, J. Michaud, J. Paterson, L. Beard, J. Baird, W. Sprigings, A. Cameron, T. Carlind, J. G. Cornell, J. McDougall, *Captain* J. A. Findlay.

On the 23rd June, we met the St. Lawrence Club in a friendly contest on their grounds, which we won by three games to one, after a stubbornly contested match. Our team was as follows: — Messrs. A. Hardman, A. Cameron, A. Paterson, J. Michaud, J. Virtue, J. McDougall, L. Beard, W. Sprigings, W. Sheridan, T. Carlind, J. G. Cornell and J. Carlind, *Captain* J. A. Findlay.

On Dominion Day we journeyed to Sherbrooke to play the Club which bears that name, an exhibition game, in which our team were again successful, winning by three straight games. Our team was composed as follows: Messrs. W. Locke, A. Cameron, A. Paterson, F. W. Mathewson, J. Grant, J. G. Cornell, A. McNaughton, T. Carlind, J. Paterson, W. Sprigings, L. Beard, *Captain* J. A. Findlay.

In response to our challenge for the Intermediate Championship, the Capital Lacrosse Club of Ottawa, then Champions, (under protest), named Wednesday the 11th July, to play in Ottawa for the said Championship. Owing to the unfavorable day named, and the lack of support on the part of the members, together with our financial difficulties, it was deemed prudent to let the match go by default, which afterwards proved to be the best course we could have pursued, as the Sherbrooke Club had already entered a protest against the Capital Club which was decided in their favor by the Council of the N.A.L.A., ordering these Clubs to play a match in Montreal, which resulted in the Sherbrooke's winning.

Owing to the lateness of the season, and the various disadvantages which we had to contend with, made it impossible

for us to make any further attempt to play for the Championship.

During the year your Committee held eleven meetings, which were attended as follows:—

W J, Cleghorn, President,	attended	6
J. A. Findlay, 1st Vice-President,	“	9
D. Michaud, 2nd Vice-President,	“	6
H. A. Cleghorn, Hon.-Secretary,	“	9
Wm. Sheridan, Treasurer,	“	8

J. Paterson,	“	9
C. King,	“	5
W. Findlay,	“	8
L. Beard,	“	7
W. Sprigings,	“	7
J. Virtue,	“	4

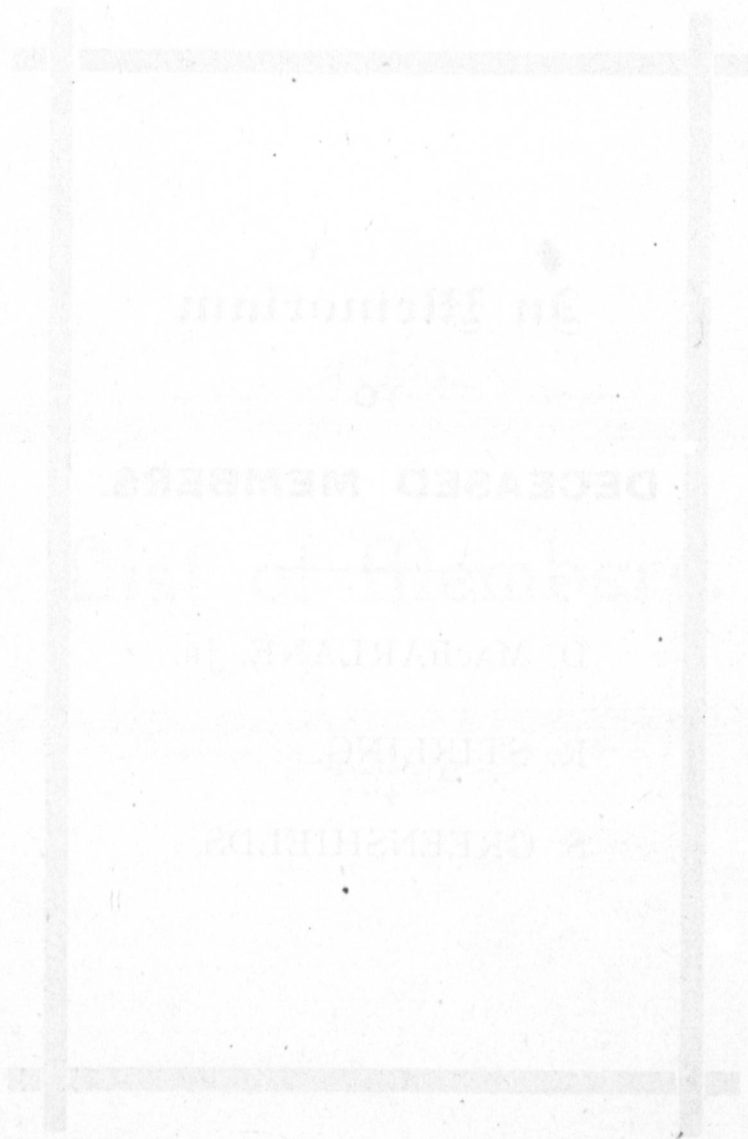

As you are all, no doubt aware, the M.A.A.A., held a Fair in aid of the New Ground Funds, in the first week of September, in which I am pleased to say, our Club took a very prominent part, and we have every reason to feel gratified at the success which attended our efforts in connection with the same.

The whole respectfully submitted for your approval.
