Sewers, Etc.

City of Guelph, Ontario.

Tenders will be received by Richard Mitchell, City Clerk, up till 4 o'clock p. m. on WEDNESDAY, APRIL 15th, 1903 for the construction of Sewage Disposal Works and for the construction of about 16,000 feet of pipe sewers, also for the supply of the sewer pipe that will be used during the year. Plans, profiles, &c., may be seen at the City Engineer's office or at the office of Willis Chipman, Consulting Engineer, Toronto. The lowest or any tender not necessarily accepted.

JAMES HUTCHERON,
City Engineer.

Bridge Notice.

Sealed tenders, marked "Tender for Superstructure of Oromocto Bridge," will be received at the Department of Public Works, Fredericton, until

Monday, 18th day of May, 1903, at noon,

for building the Steel Superstructure of Oromocto "Highway Bridge," Parish of Lincoln, Sunbury Co., N. B., according to Plans and Specifications to be seen at the Public Works Department, Fredericton, N. B. The structure consists of one through fixed truss span of 97 ft. 4 1/2 in. from face to face of masonry walls, and one through swing draw span of 215 ft. 6 in. from face to face of masonry walls.

Each tender must be accompanied by a certified Bank Cheque or Cash, for an amount equal to five per cent. of the tender, based on the limit weight of metal and the rate per lb., which will be forfeited if the party tendering declines to enter into contract when called upon. Should the tender be not accepted the deposit will be returned. Two good sureties must be named in each tender. Not obliged to accept lowest or any tender.

C. H. LABILLOIS,
Chief Commissioner.

Department Public Works,
Fredericton, March 30th., 1903.

DEBENTURES FOR SALE.

Sealed offers marked "Tender for Debentures," will be received by the undersigned up to APRIL 15th, 1903, for the purchase of \$10,000 Debentures of the Town of Seaforth, bearing interest at the rate of 4 per cent. per annum, payable yearly. Debentures payable at the end of 20 years. The highest or any tender not necessarily accepted,
WM. ELLIOTT,
Town Clerk.

Macadam Roadways

Sealed tenders will be received by the undersigned up to 7 p. m. THURSDAY, APRIL 16th, 1903, for the construction of some 2 1/2 miles of Broken Stone Roadway in the City of Stratford, according to plans and specifications on file in the office of Angus Smith, City Engineer. Forms of tender may be had on application to
ANGUS SMITH,
City Engineer.

BRICK PAVEMENT

Sealed tenders addressed to John Morrison, City Clerk, Woodstock, Ont., will be received up to 4 p. m. of FRIDAY, THE 1ST DAY OF MAY, for the construction of about 11,000 square feet of Vitriified brick Pavement on a Macadam foundation, according to plans and specifications on file in the office of the undersigned. Further particulars and form of tender furnished on application. The City does not bind itself to accept the lowest or any tender.
F. J. URE,
City Engineer.

Notice to Contractors.

Separate and bulk tenders addressed to the undersigned, will be received up till 6 o'clock p. m., WEDNESDAY, APRIL 15th, for the several trades required in the erection of a Twelve Class Room School in the City of St. Thomas, Ont. Plans and specifications may be seen, and all information and form of tender obtained, at the office of N. R. Darrach, Architect, St. Thomas, Ont.

A marked check in favor of E. McCrone, Treasurer, St. Thomas Board of Education, for 2 1/2 per cent. of amount of tender to accompany each tender. The lowest or any tender not necessarily accepted by Board of Education.

N. R. DARRACH, Architect,
St. Thomas, Ont.
St. Thomas Ont., April 1st, 1903.

CONTRACTS OPEN.

ENERGY, B. C.—E. T. Smith will erect a new residence.

VICTORIA, B. C.—The Victoria Gun Club have decided to proceed at once with erection of proposed club house.

STELLARTON, N. S.—At a public meeting recently it was decided to take steps to construct a sewerage system.

NEW WESTMINSTER, B. C.—R. McNair is about to erect a large shingle mill at Westminster Junction.

ST. CUNEGONDE, QUE.—The Town Council are considering the building of a new town hall and fire station.

OWEN SOUND, ONT.—Foster & Clark, architects, are taking tenders up to 15th inst. for residence on Bay street.

WALKERVILLE, ONT.—The City Council will likely take up the question of permanent pavements at an early date.

DURHAM, ONT.—William Broomhall has submitted to council a proposition to build a cream-separator factory here.

CREEMORE, ONT.—S. & J. Hisey have decided to install a system of waterworks from a spring 2,400 feet distant.

EDMONTON, N. W. T.—The Dominion Government will be petitioned

to build a post office, court house and jail here.

DESERONTO, ONT.—W. J. Malley, Secretary Public School Board, will receive tenders up to April 30th for erection of school building.

CARLETON PLACE, ONT.—Willis Chipman, C.E., of Toronto, has been instructed to prepare plans for waterworks system for this town.

NASSAGAWEYA, ONT.—Rev. A. Blair will receive tenders up to May 15th for painting, decorating and glazing of St. David's church.

NIAGARA FALLS SOUTH, ONT.—It is said that a syndicate of real estate men contemplate building 25 houses in this village.

BRANTFORD, ONT.—The Board of Trade will petition the Dominion Government to improve the post office accommodation for this city.

PETERBORO, ONT.—Tenders are being taken on alterations and additions to Ontario Bank. Bond & Smith, Toronto, are the architects.

SUSSEX, N. B.—The fire wardens have defeated a proposal to ask the Legislature for power to borrow \$20,000 for waterworks purposes.

ST. MARYS, ONT.—J. A. Humphris, architect, will receive tenders up to 11th inst. for erection of school house in Union S.S. No. 15th.

ORANGEVILLE, ONT.—Extensive improvements will be made to the rectory of St. Mark's church, of which Rev. Canon Henderson is pastor.

PORT ELGIN, ONT.—Robert McDowall has been commissioned by Saugeen Township Council to prepare plans for new Sturton bridge.

HALIFAX, N. S.—Frederic Nicholls, of Toronto, was recently in the city in connection with a site for the Canadian Bank of Commerce building.

NELSON, B. C.—The Canadian Pacific Railway Company have had plans prepared for repair shops to be built here, main building 100x75 feet.

NORTH BAY, ONT.—It is reported that the Presbyterian congregation will build a larger church than originally intended and that new tenders will be invited.

SACKVILLE, N. B.—Tenders will be received by B. C. Borden, principal, up to 11th inst., for erection of brick and stone addition to Mount Allison Ladies' College.

PEMBROKE, ONT.—The County Council have empowered a committee to procure plans for a steel or iron bridge to be built over the Indian river on the Eganville road.

GLACE BAY, N. S.—Senator McDonald will erect several business blocks on Union street and during the summer one Catholic and one Presbyterian church will be built.

CHATHAM, ONT.—Raleigh Township Council have instructed W. G. McGeorge to prepare plans for an iron bridge over Government Drain No. 1, on the 6th concession road.

AMHERST, N. S.—Edward Louthier intends erecting a three-storey building.—The Amherst Boot & Shoe Company have purchased additional property, probably for building purposes.

SAULT STE MARIE, ONT.—By-laws were carried by the ratepayers to raise \$35,000 for street improvements, \$16,000 for town hall and fire hall and \$30,000 for new High School.

ST. THOMAS DE MONTMAGNY, QUE.—The municipality has decided to install a waterworks and drainage system, plans for which will be prepared by Jos. Mihnault, municipal engineer.

DUNDAS, ONT.—Tenders are invited by the Dominion Government up to Saturday, 11th inst., for veneering and flooring the drill hall. Plans at office of W. A. Edwards, architect, Hamilton.

ENNISKILLEN, ONT.—George Pearce will receive tenders up to 11th inst. for construction of the Corey drain.—J. W. McDougall wants tenders by 10th inst. for repair of the McLister drain.

FREDERICTON, N. B.—Tenders are wanted at the Department of Public Works by April 20th for rebuilding Shepody River bridge, masonry substructure with covered Howe truss superstructure.

BEAUHARNOIS, QUE.—The town council have decided to grant a bonus of \$10,000 to Kilgour Bros. to assist in reconstruction of factory.—The Star Iron Works purpose building a new foundry here.

MATTAWA, ONT.—By-laws will be submitted to the ratepayers on 13th inst. to assist J. M. Deacon to erect a factory, B. J. Gilligan to erect a saw-mill and T. J. Harwood to build a shingle mill.

GODERICH, ONT.—J. A. Fowler, architect, has prepared plans for school house on Nelson street, and additions and repairs to Central school on North street. Tenders will be received up to 18th inst.

PERTH, ONT.—Ground has been broken for addition to T. A. Code's mill, to be three storeys, of Bathurst freestone.—John Howie will erect one or more dwelling houses on corner of Craig and Beckwith streets.

DUNNVILLE, ONT.—Tenders are invited up to noon of 9th inst. for erection of building for the Canadian Bank of Commerce. Plans at the bank here and at office of J. S. Hamilton & Company, Brantford.

ORILLIA, ONT.—T. H. Sheppard and R. J. Sanderson are interested in the company which has been formed and has acquired a site for the manufacture of patent door knobs. It is proposed to build a foundry 65x48 feet and a machine shop 56x32 feet.

VANCOUVER, B. C.—Brown & Howey purpose building a feed and produce warehouse.—The Capital Brewing Company, of Olympia, Washington, have secured an option on a site on which it is proposed to build a large bottling works.—H. G. Moore contemplates erecting a brick and stone block, three storeys, on Cordova street.

BATHURST, N. B.—Rosenberg & Holdengraber are preparing to build a large store.—Joseph Roy intends building a residence.—It is understood that Dr. McNichol has decided to build a fine residence.—James Howell intends building this spring, and it is said that O. F. Stacy and John Payne have building operations in view.

KINGSTON, ONT.—The Board of Works have presented to the Council a report recommending the paving of eight blocks in the business section of the city, at estimated cost of \$28,000.—The New York Central Railway Company is said to be negotiating for a site on corner of King and Brock streets on which to build a modern hotel.

TORONTO JUNCTION, ONT.—R. Train has purchased property corner Royce avenue and Dundas street on which he intends building.—It is reported that the tenders received for erection of new post office are in excess of the appropriation.—James Hall intends erecting twenty houses on Keele street.—Mr. Tyndall has plans out for a residence on Cooper avenue.—Arthur W. Willis will build on Edmund street.

BEAUMARIS, ONT.—Extensions and improvements costing from \$12,000

to \$15,000 are to be made to Prowse's Hotel. The plans have been prepared and tenders are being invited by Chas. J. Gibson, architect, Toronto. Mr. Gibson has commissions to build several costly summer residences near this place for American summer residents.

FORT WILLIAM, ONT.—On March 30th a number of business men decided to form a company, with a capital of \$100,000, to build a large number of residences.—Mr. King, of Port Arthur, is taking figures on the building of a large block on corner of Victoria and May streets, concrete and fire-proof construction.—M. B. Aylesworth, architect, of Toronto, has completed plans for the new town hall.

LONDON, ONT.—The congregation of the Askin street Methodist church are considering the building of a Sunday school, at cost of \$10,000.—The trustees of the First Presbyterian church have invited tenders for erection of Sunday school building.—The Fire and Light Committee will petition the City Council to build a new fire hall for the north end.—F. W. Farncomb desires tenders by 13th inst. for construction of two cement abutments over creek on third concession, Lobo Township.

HAMILTON, ONT.—It is improbable that the work of rebuilding Knox church will be commenced this year.—Building permits have been granted as follows: L. C. McDonald, brick dwelling, corner Bold and King streets, cost \$2,600 (Stuart McPhee, architect); A. C. Havill, two stores, corner Barton street and Fullerton avenue, cost \$3,500; H. W. Zealand, two brick dwellings, corner Herkimer and Markland streets, cost \$5,000; C. W. Bradfield, dwelling, corner George and Caroline streets, cost \$1,600.—The County Council has decided to purchase two road graders.

OTTAWA, ONT.—Bulk tenders will likely be invited this week for erection of public library building.—The Canada Atlantic Railway Company are asking for power to build from Depot Harbor to Sault Ste Marie.—Tenders are invited by the Department of Railways and Canals up to April 30th for the supply of 155,000 feet of British Columbia fir dimension timber.—An announcement respecting the proposed extension of the Langevin block of the Parliament Buildings is expected this week.—The Public School Board have decided to purchase a site on Rideau street for the new Robinson Primary building.

PORT ARTHUR, ONT.—Plans have been prepared for new store for G. L. Matthews & Co., corner of Cumberland and Park streets, brick on stone foundation.—Louis Walsh will erect a brick business block, for which plans are now being prepared.—It is reported that plans have been prepared for 100 dwellings to be built in this town.—Willis Chipman, C.E., of Toronto, has completed his report on waterworks system for this town.—I. L. Mathews intends building a three-storey brick block 40 x 117 feet, plans for which are being prepared by M. B. Aylesworth, architect, of Toronto.

WINNIPEG, MAN.—F. R. Evans, architect, has invited tenders for erection of brick and stone warehouse for Foley, Lock & Larson.—Work will be commenced about May 1st on the new Union Bank block to be built on corner of Main street and William avenue.—J. H. G. Russell, architect, has taken tenders on two additional storeys on McClary Manufacturing Company's warehouse.—W. B. Lait, architect, desires tenders by 11th inst. for erection of brick and stone Lutheran church, corner Nena and Bannatyne streets.—Strang & Co. intend building a warehouse on Fort street,

120x35 feet.—Greenshields & Son, dry goods importers of Montreal, have purchased property on King street and intend building a six or seven-story block at an early date. The Notre Dame avenue frontage will not be built upon at present.

MONTREAL, QUE.—A building is to be erected on Hutchinson street, between Prince Arthur and Pine avenue, to be used as an apartment house.—C. Messier, Mayor of DeLorimier, has purchased property bounded by Rachel street, Iberville street, DeLorimier avenue and running within 100 feet of Mount Royal. It will be used for industrial purposes.—The congregation of the Church of the Messiah on Beaver Hall Hill are considering the erection of a new edifice further westward.—L. O. David, city clerk, will receive tenders up to noon of 9th inst. for supply of refined artificial asphalt and carbonate of lime required by the Road Committee.—The Canadian Pacific Railway Company has purchased an extensive tract of property running east from the Place Vigar Depot, which is required for station extensions and other terminal facilities.—Cox & Amos, architects, report that the foundation of the building on the corner of St. James and McGill streets is sufficiently strong to admit of four additional storeys. The property has been secured by the Eastern Townships Bank.—The building for the Alexander Hospital will be erected on Mount Royal Avenue, between Esplanade and St. Urbain streets.—Building permits have been granted as follows: Alfred Fauteux, two three-storey houses, Souvenir ave., cost \$12,000 (Jos. Sawyer, architect, Alfred Fauteux, contractor); L. A. Lacombe, M. D., three-storey house, corner Rachel and Sydenham streets, cost \$5,975 (Huot & Payette, architects, Reeves Bros., contractors); Wm. Yuile, four-storey house, 472 Guy street, cost \$30,000 (MacVicar & Heriot, architects); F. R. Beaulieu, four three-storey houses, De Montigny street, cost \$7,000; J. J. Reilly & Sons, two-storey office building, St. John st., cost \$11,200; E. Lesperance, two three-storey houses, Laval avenue, cost \$7,900 (A. Bernard, architect, Rochon & Fournier, contractor); E. M. Renouf, seven-storey office building, corner University and St. Catherine streets, cost \$54,000 (Hutchison & Wood, architects, P. Lyall & Sons, contractors); Ed. Maxwell, alterations to four-storey house and store, 6 Beaver Hall sq., cost \$4,000

(E. Maxwell, architect, L. Hughes, contractor.)

TORONTO, ONT.—The Raven Lake Portland Cement Company are asking for tenders up to 18th inst. for constructing an electrical transmission line between Raven Lake and Elliott's Falls, Victoria County.—Plans of public school to be built at Deseronto may be seen at the office of the Rutley Warming & Ventilating Company, 60 1/2 Adelaide street east, this city.—Plans are being prepared for the new Trinity Medical College building to be built on Gerrard street east.—No definite announcement has as yet been made as to whether the annex to the armouries in this city will be built this year.—Mr. R. G. McLean has recently purchased 80 feet of land on the north side of Crescent Road,

immediately east of Mr. Bailie's new residence.—J. Albert Thompson, 447 Spadina avenue, is this week taking tenders on completion of building, corner of College and Dovercourt Road.—The Queen Street Methodist Church is to be renovated and the gallery altered. Stackpole Patent Improved Street Sweeping Machine is the Standard of Perfection

Because no sweeper so effectually does the work for which it is designed as "The Studebaker."
It Sweeps Clean. No sweeper is constructed with the same degree of care and mechanical pre-
cision. It Wears Well. "The Studebaker" has the smallest number of working parts, and has
less gearing than any other sweeper made. It is free from all unnecessary complications. With
reasonable care it does not get out of order. Send for complete descriptive catalogue.

asphalt pavement on Lowther avenue from St. George street to Spadina Road, cost \$6,091, and Chicora avenue from Avenue Road to Bedford Road, cost \$5,755.—Bond & Smith, architects, are taking tenders up to the 9th inst. for alterations and additions to Ontario Bank building at Peterboro.—Building permits have been granted as follows: Walter Stubbings, two-storey brick dwelling, 138 Grace street, cost \$1800; Richard Dunkley, two-storey
