Enjoy Life.—Nature gives us grandeur of mountains, glens and oceans, and thousand of means for enjoyment. We can desire no better when in perfect health; but how ofter do the majority of people feel like giving up this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flowe will make them as free from disease as when born. Dyspepsia and Liver Complaint is the direct cause of seventy-five per cent of such maladies as Billiousness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses or August Flower will prove its wonderful effect. Sample bottles 10 cents. Try it. Davis & Dibble, Agents for Fredericton.
