**THE WEEK.**

Since changing the B. O. P. into a weekly our subscription list is growing at a surprising rate.

At last Toronto has a local club. Mr. Widdicombe says St. Catharines will follow suit; ditto Winnipeg.

Our subscription price will shortly be raised to 25c. Subscribe to-day, only 10c a year. The B. O. P. is a mile ahead of the first part of the procession.

Cast your optics on Whatley's ads and get your think tank going. His offers are hard to beat.

Mr. Chas. Bailey now holds down the D. P. A. Presidential chair.

Philatelic scribes are invited to enrol their names as charter members of the Canadian Philatelic Press Club. Write to F. I. Weaver, Berlin, Ont., Secy Pro tem. Ad. Snake: 1 inch 3 times for 35c.

**Toronto Topics.**

The much talked of and long looked for local stamp Club in Toronto has, I am happy to say, materialized. On Monday Sept. 28th invitations were sent out by your correspondent to meet the following Tuesday evening at J. H. Lowe's office, Adelaide St. At 8.15 p. m. a fair sized crowd had assembled and the meeting was called to order by Mr. Chas. Bailey. Mr. Lowe was appointed Secy pro tem. After a lengthy discussion on the ways and means of increasing our membership and organizing a successful club, a committee of three was appointed to secure permanent rooms. After a pleasant stamp chat and a good story on the Hamilton Stamp Club the meeting adjourned until Oct. 3rd.

The demand for used Canada Maple leaves, as they are familiarly called, exceeds the supply. A local dealer informs me that the 5c and 10c values are bringing face value, and other values have doubled in price during the past week.

The Royal portrait gallery as represented by the new issue of Newfoundland, is greatly admired by collectors. They present a fine appearance on the original cover. O. G.

### WANTED: A Canadian Album.

How often have we here in Canada, felt and spoken of our lack of a suitable album for our fiscal stamps, still we are without it. We have half a dozen different catalogues, why not an album? There is no doubt that the person who publishes such an album will make a good thing out of it, if he goes about it in the right way.

But we would be satisfied if space for these interesting stamps was included in the International Album. I see no reason why they should not. The U. S. Revenues are included so it would be no more than right for Canadian Revenues to be included too. Canadian collectors stand royally by Scott's publications and this should be recognized. Every one knows that Canadian stamps have a miserable representation in the International album, years come and go and still there is no improvement and now the time is ripe for an album all our own to include Postage and Revenue stamps of British North America. If no one person will undertake the work why not a syndicate?

K. Nuck.

Irwin I. X. L. stamp hinges are the best made. 1000 for 8c, 5000 for 25c postpaid. Packet No. 20— 100 all different U. S., B. N. A. postage stamps, no envelopes, \$1.00. FREE, a set of maple leaf issue 4 to 10c to every one buying the 5th packet.

I guarantee an even mixture of each. Return any that are not satisfactory and I will make them good.

Warning—You will have to pay about double this price in a few months, so don't delay but order at once.
