"TWIN BROTHERS"

DRY HOP YEAST.

The only Yeast that has stood the test of TWENTY YEARS' experience in all parts of the world.

TRY IT ONCE AND YOU WILL USE NO OTHER,

AND TAKE CARE THAT YOU HAVE IT FRESH.

T. L. BUCKLEE, Manager,

39 Front Street East, Toronto.

Good Wholesome Bread can be produced by using the famous

"GOLD YEAST."

This YEAST derives its name from the GOLD MEDAL awarded it at the WORLD'S FAIR in VIENNA, in 1872, against fifteen other competitors from all parts of the globe. Also the FIRST MEDAL and Favourable Mention at the CENTENNIAL EXHIBITION in 1876. It is the ONLY YEAST that ever received a GOLD MEDAL.

Its qualities are unapproachable, making bread from 1 to 3 hours quicker than any other brand known. It is warranted for one year, or money refunded. All we ask is—GIVE IT A TRIAL. Free samples will be given to every housekeeper in the Dominion. ASK YOUR GROCER FOR IT. Take no other but GOLD YEAST.

INTRODUCTION.

In presenting to the public the TORONTO DIRECTORY for 1879, the Publishers beg to express their confidence that it will be found in all respects the most complete and reliable of any issued for this City.

Competent Canvassers have been engaged, and to induce the greatest care in taking the necessary information, the Publishers offered for competition, three handsome bonuses, to be awarded to those whose work should prove to be the most correct.

Notwithstanding that every effort has thus been made to ensure accuracy, the Public must bear in mind the many difficulties which attend a work of this description. The almost numberless changes in private residences, as well as alterations in the style of business firms, which have taken place *during* the canvass, have necessitated a careful revision of the original information collected, and the publishers think that all these changes have been noted in the present issue.

The villages surrounding Toronto have been carefully taken, and are placed in alphabetical order after the City.

The Miscellaneous information has been compiled with great care, and all Government and other changes have been given, making this part of the Directory of especial interest just at the present time.

As regards the Business Classified, the Publishers have long thought that sufficient difference has not been made between their supporters and the general public. Thus it will be found this department embraces only the names of subscribers.

It is the intention of the Publishers to issue later in the season a complete Business Directory of the City, at a low price, which they hope will meet with the approval of their Patrons.

In conclusion, the Publishers beg to thank those who have aided in supplying information, and they wish their friends a prosperous and happy New Year.

Toronto, January 1st, 1879.

MIGHT & TAYLOR.

THE MONTREAL TELEGRAPH COMPANY.

This popular Company, which has its wires laid along the line of railways and connections, was incorporated in the year 1847, with a capital of $60,000, and began its operations with 12 or 15 offices between Montreal and Quebec. Its history has been an uninterrupted success from the start, its lines having been extended to the remotest sections of the country wherever they can be maintained, and offices opened in nearly every village and hamlet throughout the country. Its capital stock has been increased to $2,000,000; its miles of lines to 22,000; and its number of offices to over 1,500. Extensions are constantly going forward into newer and remoter sections of the country as routes are opened up, and new offices are almost daily being opened.

This Company is apparently unaffected in its prosperity by rival schemes, having outlived several in the course of its history. No country in the world is probably better served in the matter of telegraphic communication than Canada. The great abilities and enterprising spirit of Sir Hugh Allan, the President of the Company, have been as serviceable in developing the organization we are now describing as in founding the magnificent system of Oceanic communication with which his name is so familiarly identified. An enterprising, but at the same time shrewd and far-seeing policy has, in fact, characterized the Company's operations from the very outset. In this respect, and in all questions demanding liberal and comprehensive action, this Company has been greatly assisted by possessing in Mr. H. P. Dwight, the Superintendent of the Western District, a gentleman who has had regard not so much for an immediate return for the work undertaken as the certain, steady expansion of business in a corresponding ratio with the increase of trade or population. Mr. Dwight's management extends over the most important section of the Company's territory.

Fine Printing.

Fine Printing.

We take this opportunity of presenting our card and circular to the public.

Our Office is now replete *with the* newest *and* choicest lines of type, *ornaments and printers' material, to which are constantly being added, as they appear,* all unique *and* desirable faces.

We may say — without fear of contradiction — that, in quality, *our work* cannot be surpassed *by that of any other house in the city, and we are fast gaining a wide reputation for its* superiority and excellence.

Giving each and every order our personal supervision, *customers, however exacting, can rely on having their wants supplied.*

While executing fine printing, *customers will find our rates to compare favorably with prices charged for an ordinary and inferior class of work.*

Samples and estimates furnished on application.

Soliciting your esteemed favors, we remain,

Respectfully yours,

BINGHAM & TAYLOR.

MRS. A. J. STEVENS.

B. C. Parsonage, London, Ont., March 17th, 1878.

EAR SIR,—Since you left London I have been moving about among many of those who purchased the "Mag- con" appliances during your visit, and I have not heard of one case in which dissatisfaction has been ex- ssed, but in several instances sufferers relieved thereby have expressed themselves very strongly in favour of excellent remedy. The cases coming under my observation embrace various maladies, such as weak lungs, ordered liver, rheumatic affections, spinal and throat diseases, etc., some of which have become chronic, and rently incurable, and the relief has in most of these been altogether beyond expectation. I feel glad that you e introduced to the sufferers of this Province so excellent a remedy, covering as it does so wide a range of ases to which our peculiar climate renders us liable.

THE "MAGNETICON."

The Celebrated English Magnetic Appliances for the Cure of Disease.

MANUFACTURED ONLY BY

MESSRS. WETTON & CO.,

Of London and Cheltenham, England; Edinburgh and Glasgow, Scotland; Dublin, Ireland; and TORONTO, CANADA.

These appliances are at once a direct assistance and safeguard, as they not only possess strong curative properties, but are also a most valuable preventive; by their invigorating and vitalizing influence constantly averting much of the liability to disease or suffering, and daily adding to the strength and vigour of the constitution. Thus the various appliances may be used with immediate and permanent benefit by the strongest man, or the most delicate invalid or child. They are arranged in a most convenient manner, being simply worn over the under garment thus causing no unpleasantness whatever, and not intrefering with any business or occupation, and may be laid aside at any time when not required. They do not require any preparation, are never damp or uncomfortable, and being constructed on the latest scientific principles, combine many points of excellence which are not possessed by ANY OTHER electric appliances—a fact which is at once demonstrated by comparison. They comprise the following among many other appliances:—

LUNG INVIGORATORS. For all diseases or weakness of the Lungs or Chest, including Asthma, Bronchitis, Incipient Consumption, Hemorrhage, Pleurisy, Pneumonia, &c., &c. Price $4, $5, $6, $7.50, $8.50 and $10.

CHEST PROTECTORS. For same purpose as Lung Invigorator, but for lighter cases. Prices $1.50, $2, $3, and $4.

THROAT PROTECTORS. For all affections of the Throat or Vocal Organs, acting both as curative and preventive. Prices $1.50, $2, $2.50 and $3.

LADIES' AND GENTS' BELTS. For any general weakness of the Constitution, Indigestion, and all other difficulties of the Stomach, Liver, Kidneys, &c.; Lumbago, or Weak Back, Ague, Paralysis, Internal Weakness of any kind, in the case of either Ladies or Gentlemen; Constipation, General or Nervous Debility, &c., &c. Prices $4, $5, $6, $7.50 and $8.50.

The Ladies' Support and Accouchment Belt is of incalculable benefit, averting much of the Physical and Nervous Prostration and consequent suffering and danger incident to certain conditions of woman's life; while the ordinary Ladies' Belt is no less useful in many cases for young ladies. The utility of these Belts is more particularly referred to, when desired, by private correspondence or consultation.

SPINE BANDS. For Spinal Weakness or Injury, Neuralgia, and all Nervous Affections, Sleeplessness, Paralysis, Headache, &c., &c. Prices $1.50, $2, $3, $4 and $5.

KNEE CAPS AND ANKLETS. For Rheumatism and for any Weakness of the Joints either from Injury or from Constitutional causes. In pairs or singly. Prices, each, $1.50, $2, $2.50 and $3.

WRISTLETS. For Rheumatism, Cramps, Numbness, or Nervous Sensations or Coldness in the Hands or Wrists. Prices, each, 75c., $1, $1.25 and $1.50.

SOLES. For Cold Feet, Chilblains, Rheumatism, &c. Prices, 75c., $1, $1.25, $1.50 and $2 per pair.

OTHER APPLIANCES. For any part of the body where there is Weakness, Defective Circulation, or any Functional or Nervous derangement, or want of vigorous, healthy action.

The prices of all our Appliances are arranged in proportion to their magnetic power—the higher prices being stronger power. In some exceptional cases it is necessary to have special power. This will be determined by consultation.

HEIR AND DEVISEE COURT.—Commissioners, the Judges of the Superior Courts, and such other persons as may be appointed by commission under the Great Seal. Their duties are to determine claims to lands in Upper Canada, for which no patent has issued from the Crown in favour of the proper claimant's, whether as heirs, devisees or assignees. Sittings at Toronto first Monday in January and July in each year. Clerk of Commissioners, W. B. Heward.

COURTS FOR THE TRIAL OF CONTROVERTED ELECTIONS.—The nature of these Courts is sufficiently indicated in their title. The Judges of the Court of Appeal and of the Supreme Courts of Law and Equity meet annually in Michaelmas Term, and severally select, by a majority of votes, a Judge of their respective Courts to be placed on the rota for the trial of election petitions. In the case of death or illness of the Judge so chosen, the Court of which he is a member meet and elect another Judge. At trials referring to the Dominion Parliament, two Judges preside, and appeals lie to the Supreme Court at Ottawa. At those relating to the Legislature of Ontario, a single Judge presides, and the appeal is to the Court of Appeal of that Province.

COUNTY COURTS.—Presided over by a resident Judge in each county, assisted in some counties by a Deputy or Junior Judge. Their jurisdiction extends to all personal actions where the debt or damages claimed do not exceed $200; and to all suits relating to debt or covenant or contract, where the amount is ascertained by the acts of the parties or signature of the defendant, to $400; and to all bail bonds and recognizances of bail given in the County Court, to any amount; but not in cases involving the title to lands, validity of wills, or actions for libel, slander, crim. con., or seduction. An appeal lies to the Court of Appeal of Ontario.

COUNTY COURT SITTINGS AND COURTS OF GENERAL SESSIONS.—The County Judge in each county holds a sitting of his Court and a Court of General Sessions in his county semi-annually on the second Tuesday in June and December, except in the County of York, in which county said Court is held four times, commencing on the second Tuesday in May and September, and first Tuesday in March and December, the latter Courts for the trial of cases of felony and misdemeanor, but treason and capital felonies are exempted from their jurisdiction. The Judge may also, in his discretion, hold additional sittings at such times as may be deemed expedient to expedite business, but only for the trial of issues of fact without a jury.

COUNTY JUDGE'S CRIMINAL COURT.—Persons committed to jail for trial, on charge of being guilty of any offence for which they may be tried at a Court of General Sessions, *may with their own consent*, and subject to the

provisions of the Act in that behalf, be forthwith tried by the Judge of the County Court and General Sessions without a jury, and, if convicted, be sentenced by the said Judge; and the Judge sitting on any such trial for all the purposes thereof, is constituted a Court of Record, and the record in any such case shall be filed among the records of the Court of General Sessions last mentioned.

COURTS OF REVISION.—The County Judges hold annually Courts of final revision of the Assessment Rolls of each Municipality, being in the light of Courts of Appeal from the first Court of Revision held by the Municipality; and also Courts for the Revision of the Voters' Lists, being equivalent to the Courts held by Revising Barristers in England.

INSOLVENT DEBTORS' COURTS.—These Courts, which have reference to traders only, are regulated by the Act known as "the Insolvent Act of 1875," and amending Acts, which consolidated and assimilated the practice in Bankruptcy and Insolvency in the several Provinces of the Dominion. The County Judges in the several counties preside, and official assignees are nominated by the Governor in Council, and are officers of the Court, having jurisdiction in the county or district for which they are appointed. An appeal lies to the Court of Appeal of Ontario.

SURROGATE COURTS.—The jurisdiction of these Courts relates to all testamentary matters and causes, and to the granting or revoking of probate of wills, and letters of administration of the effects of deceased persons having estate or effects in Ontario, and all matters arising out of or connected with the grant or revocation of probate or administration. The County Judges are also Judges of the Surrogate Courts. Chief Surrogate Clerk at Osgoode Hall, Toronto—Sir J. L. Robinson, Bart.; Surrogate Clerk, Court House, Toronto, Hon. Wm. Cayley.

DIVISION COURTS for the summary disposal of cases by the presiding Judge, being the County Judge or his Deputy, or any Barrister appointed to hold the same, but a jury of five persons may be demanded in certain cases. Their jurisdiction extends to actions of debt or contract amounting to $100; injuries or torts to personal chattels amounting to $40; and personal actions to that amount, if not excepted from their jurisdiction; but not to actions for gamblin debts, liquors drank in a tavern; or notes of hand given therefor, ejectment, title to land, &c, or any toll, custom or franchise, will or settlement, malicious prosecution, libel, slander, crim. con., seduction or breach of promise, or actions against a J.P., for anything done by him in the execution of his office, if he objects to it. Each judicial district is divided into Court divisions, and Courts are held once in two months in each division or oftener, at the discretion of the Judge. The divisions are established by the Courts of General Sessions, and in certain cases by the Judges.
