## AUTOMOBILE CLUB IS ORGANIZED ON GASPE COAST

### Contractors Begin Work On Campbellton's New \$100,000 School Building

#### NEW CLUB PLANS EXTENSIVE CAMPAIGN FOR GOOD ROADS IN THE GASPE PENINSULA

New Association With Office at Chandler Already Has 100 Members—To Put Forth Energetic Effort For Road Improvements, Erection Of Proper Signs Etc.—Will Issue Map And Other Information To Attract Tourists To The Coast.

An aggressive step toward the development of tourist traffic to the scenic Gaspe Peninsula was taken recently when a new organization, known as the Gaspe Coast Automobile Club was formed at Chandler. The new association which has for its purpose the satisfactory improvement of the Gaspe Coast roads and the promotion of tourist traffic to the peninsula, now has a membership of over one hundred. Mr. Arthur Nadeau of Chandler is the President of the newly formed club while Mr. Cyprian Langlois of the same town is Secretary-Treasurer.

**An Aggressive Program**  
A communication from the Secretary-Treasurer of the new association sets forth the agenda which will be undertaken by the club—and it is indeed an aggressive program. The first object of the club will be to have the Gaspe Coast roads put in proper condition so that tourists may be attracted to this scenic section of the country. The work of the club will also embrace that of having suitable road signs erected along the highways such as markers for various municipalities, dangerous curves, crossings, school zones, bye-roads, etc. The program of the new club's work also includes issuing a map of the Gaspe territory, other needed information and tourist advertising.

**Improvements Needed.**  
As is pointed out in the announcement of the club, there is urgent need of gravel roads in many municipalities. Where the roads have been taken over by the municipal boards splendid results have already been attained—notably through Bonaventure, St. Siméon and Carleton Place. The Gaspe Coast Automobile Club will immediately after rain, it is not a pleasant prospect. Here again the need of proper graveling is evident. Around Douglastown there is a portion of road which was never put in proper shape and is very bad. In many other sections the roads are in need of proper drainage as well as a liberal coat of gravel to give them the necessary firmness.

**The Lemieux Road.**  
The new Lemieux road from L'Anse au Beau-fils to Corner of the Beach (around the Perce Mountains) is all graded and in dry weather is quite passable. But during or immediately after rain, it is not a pleasant prospect. Here again the need of proper graveling is evident. Around Douglastown there is a portion of road which was never put in proper shape and is very bad. In many other sections the roads are in need of proper drainage as well as a liberal coat of gravel to give them the necessary firmness.

**Request Help.**  
The new club requests all friends of the Gaspe Coast to become members and lead their help in this work. The officials will be pleased to forward circulars to anyone interested. It is also understood that this new association will become affiliated with other tourist and automobile clubs throughout the province. This will no doubt, lend strength to the movement.

**Will Start Campaign.**  
The Gaspe Coast Auto Club proposes to start a campaign in connection with this project. The cost of joining the club is \$3.00 per year and this money will be spent in organization, advertising, getting out a map of the Gaspe Coast and providing other needed information.

**A Good Move**  
This is obviously a good move on the part of a few enterprising persons who have visualized something of the possible benefits of a large tourist traffic to the Gaspe territory. In tackling the problem of roads they have made a wise start for good roads are essential to the development of tourist-business. It is to be hoped that every citizen of the Coast who professes to be an exponent of progress will lend hearty support (both moral and financial) to this new association and the work it has undertaken. With its unexcelled charms as a delightful vacationland for summer visitors the Gaspe Peninsula should attain widespread popularity if the proposed work is carried out.

In this issue will be found an advertisement with prospectus and application blank. All leading public men are respectfully asked to join the club and take action in their own community to accomplish the aims of the club.

#### LOCAL ARTISTS SING AT MONCTON

Concert Party From Campbellton Broadcast Fine Program From C. N. R. Radio Studio.

(Moncton Times)  
One of the most enjoyable concerts broadcasted from the C. N. R. studio here for some time was that given on last Friday night by the party of artists from Campbellton. The party was under the direction of Mrs. J. D. McNutt, a former Moncton lady, and their selections were varied and well chosen and afforded much pleasure to the multitude of listeners in advance. Numerous telegrams and telephone messages from far and near congratulating the performers on their splendid renditions and asking for many encores were received at the studio Friday evening.

The program as actually rendered Friday evening did not adhere strictly to the program published in advance, and in many respects was perhaps even more enjoyable than promised by the latter.

Miss Gertrude Cormier, daughter of Mr. Henry Cormier a former Monctonian, gave several piano selections and proved herself a charming performer. Her numbers were "Theme Variations," "Hungarian Dance," "Mandolinata" and "Chanson Russe."

Miss Mary Dickie sang delightfully "Caro Mio," "Invy," "Swedish Folk Song," "Flow Gently, Sweet Afton" and "My Shadow," while Mrs. W. S. Godfrey, soprano, also delighted with "The Rose" and "The River and the Sea." Two very charming soprano selections also were "By the Waters of Minnetonka" and "From the Land of the Sky Blue Water," sung by Mrs. John Sowerby.

Mrs. J. D. McNutt, who has greatly pleased Moncton audiences and congregations in former years when she was a resident here, sang two very fine contralto numbers, "I Love the Moon" and "His Lullaby." Not the least enjoyable number of the program were the several duets. Mrs. McNutt and Mrs. Sowerby rendered the selection "In the Sweet Long Ago," and Mrs. Sowerby and Miss Dickie gave the number "The Rose and the Nightingale," while Mrs. Godfrey and Mrs. McNutt also pleased with the "Barcarolle." A very pleasing number was the duet "Love Divine" by Steiner, sung by Mr. W. S. Godfrey and Mrs. Godfrey.

To round out the studio program two violin solos "Scene de Ballet (De Beriot) and "Serenade" were rendered by Jude Linsky.

Mrs. L. Malcolm, of Moncton, was the efficient accompanist of the evening.

During the intervals of the regular program the Linnaea orchestra played several classical popular numbers, the personnel consisting of Floyd Rattray, piano, Alonzo Loudon, bongo; Fred O'Leary, saxophone; Ernie Bradley, drums; and Jude Linsky, violin.

Following the studio portion of the program there was a fine program of popular dance numbers played by the CNRA orchestra. During this part several vocal numbers were given by Mrs. McNutt while Mr. Geo. Stiven, leader of the orchestra, also rendered a vocal solo with violin obligato by Martin Doucet.

Supervising the installation of Radio The installation of the radio apparatus in the C. N. R. observation cars on the expresses running north and southbound has been supervised by Mr. E. C. Findlay, of the C. N. R. radio department, Ottawa. Mr. Findlay, who has been in the city for some time, was the announcer last evening at the C. N. R. radio station during the program broadcasted. He was assisted by Mr. Chas. Dodge.

#### Big Sport Event Here Next Week

What promises to be one of the most brilliant sport events staged in Campbellton for some time is scheduled for Monday evening when Ralph McNaughton a former local boy, who is now the feather-weight champion boxer of Canada, will meet a leading Halifax boxer here in a ten round bout. The event will be staged in the Skating Rink here. Besides the McNaughton bout, the feature event of the evening, there will be another ten round bout between two imported Montreal boxers and also several preliminary bouts by local boxers. This interesting affair will be held under the auspices of the Campbellton Police Department.

This is something decidedly new for local sport fans and as the rink can accommodate a large crowd a record attendance is expected. McNaughton, who is now in town, is a former Campbellton boy who has distinguished himself in "the squared circle" and by dint of clean living and hard training has risen to his present enviable position in the realm of sport.

#### WINNERS OF LIEUT. GOVERNOR'S MEDALS

Chatham Girl Leads Province in High School Entrance Exams.—Local Girl A Winner.

The following is the list of the winners of the Lieutenant-Governor's medals for the highest standing in the high school entrance examinations in the counties throughout the province:

Albert—Arnold Peck, Hillsboro; Carleton—Irene Baxter, Hartland; Charlotte—Melvin Small, North Head; Gloucester—Kathleen Douglas, Densmore, Bathurst; Kent—Elizabeth Jean MacDonald, Rexton.

Kings—Elizabeth Murray, Sussex; Matavaska—Una Albert, Edmundston; Northumberland—May L. Archibald, Chatham; Queens—Walter Palmer Pelyea, Gazetown.

Restigouche—Avis MacNeill, Saint John—Donald Jones, Saint John; Sunbury—Margaret Smith, Fredericton Junction; Victoria—Helen Ridgwell, Plaster Rock; Westmorland—Mary Kinnear, Moncton; York—Louise M. V. Dobbelssteyn, Fredericton.

Three country leaders in the province were May L. Archibald of Chatham, Donald Jones of St. John, and Louise Dobbelssteyn of Fredericton.

**NORTH SHORE REPORT**  
A recent visitor to the North Shore Globe reporter that a rumor was current that Hon. P. J. Veniot may retire from provincial politics and be a candidate for the Federal House at the general elections.—St. John Globe.

evening at the C. N. R. radio station during the program broadcasted. He was assisted by Mr. Chas. Dodge.

#### COMING RECITAL A CLASSICAL TREAT

Arthur LeBlanc, The Talented Violinist And Other Artists Here Next Week

Campbellton music lovers will be accorded a real classical treat on Wednesday evening, September 2nd, when Mr. Arthur J. LeBlanc the talented violinist will give a recital in the Opera House. In this he will be assisted by Madame Saint-Coeur, Lyric Dramatic Soprano and Arthur Garg, formerly of the Royal Conservatory of Music, Brussels, Belgium, accompanist, two artists of exceptional talent.

Mr. LeBlanc is well known here and has given excellent musical entertainments before Campbellton audiences on previous occasions. Mr. LeBlanc is a Moncton boy. When twelve years old his wonderful playing attracted the attention of friends, who seeing in him a coming artist, decided to encourage him in perfecting his attainments; and it was through their efforts he went to Laval University where he studied under the renowned Professor Gilbert for four years. He was early recognized as a coming master of the violin and at the end of two years tuition was awarded the Laureate Gold Medal in a competition in which many artists from all over Canada took part.

After completing the classical course at Laval, Mr. LeBlanc proceeded to take up further studies at Boston Conservatory of Music, a year and a half ago, having been awarded a scholarship there. Since going to this noted Conservatory he has acquired a wonderful polish in his musical talents under Professor Richard Burgin, Concert Master of the Boston Symphony Orchestra and Mr. Karl violin instructor, both of these tutors being close friends of the world's eminent masters, Elman and Ysaye.

During the time he has been in Boston Mr. LeBlanc has given concerts at various places in the New England States, where the musical critics all agree that the phenomenal progress he has made so far, point to the great future that lays before him and go so far as to state that within a few years he will be recognized as one of the great masters.

It is to put the young artist in a position to further perfect his studies that he is giving a series of concerts in the Maritime Provinces and as a part of this series he will give a concert which will prove a most pleasing one of choice classical music that will suit all tastes. It is a recital that merits a wide patronage by all citizens.

**RENAULT BUILDING IS COMPLETED**

New Store On Water Street Is Up-To-Date Brick Structure—Open Next Week.

With the completion of the new store of M. J. Renault on Water Street this week another fine structure has been added to Campbellton's steadily growing list of modern business buildings. Mr. Renault announces that he will occupy his new building within the next few days and will be open for business early next week.

**A Fine Building**  
The new Renault building which is a two story structure of solid brick is a building situated on the lot immediately east of the Renault Bros. building erected a few years ago. The new store is 37x64 ft. and is being fitted up in the most modern way. Among other possible features it will have the distinction of being the first "shellless" store in Campbellton, a new idea in interior construction which promises to lend itself particularly well to display. The large front windows, 11½ x 6 feet in height will also facilitate attractive display of merchandise.

The interior of the building is finished in fine wood with wood-work of clear white spruce, painted in

#### HARQUAIL CO. GETS CONTRACT FOR NEW COMPOSITE HIGH SCHOOL AT \$100,000 FIGURE.

Excavation Work Already Begun—New Building To Be Thoroughly Modern 3-Storey Brick Structure—Fourteen Class Rooms And Assembly Hall—Fine Site On Arran Street With Frontage of 300 Feet.

The contract for the building of Campbellton's proposed Composite High was recently awarded to J. & D. A. Harquail and this firm has already started work. The Harquail tender was \$100,000. There were eight tenders in all.

A 3-Storey Building.  
The new High School will be a three-storey brick structure thoroughly modern in every way. There will be fourteen class-rooms and accommodation for students of both academic and vocational courses. The new school will also have a spacious Assembly Hall.

A Good Site.  
The site secured for Campbellton's new school is considered a good one, situated south of the present Grammar School on Arran Street. The school grounds are 466 feet in width and have a frontage on Arran Street of 300 feet. Construction of the new school building will be rushed along as speedily as possible.

**BEER CASE NOW BEFORE COURT**  
C. N. R. Prosecuting Shipper In Montreal On Evidence Secured By Detective Harry Culligan.

Harry Culligan, C. N. R. Special Agent, left last night for Montreal where a case, which he recently investigated, will come before the court tomorrow. The case developed when two cars of beer, shipped from St. Anaclet, Que. to Brooklyn, were seized from all over Canada took part.

It is a recital that merits a wide patronage by all citizens.

**HIGHWAY BRIDGE COLLAPSES TUES.**  
Auto Driver Had Narrow Escape As Bridge Fell While He Was Approaching It.

A wooden highway bridge over the Eel River, on the highway from Eel River, via Hugh Archibald's, Stannville collapsed Tuesday evening just as Abraham Dugas driving his car was approaching the structure. Mr. Dugas by the use of his emergency brakes stopped his car on the very brink. Mr. Hugh Archibald had passed over this bridge about two hours previous with a load of hay. This bridge, which was a forty foot wooden span, was built seven years ago.

The highway has been fenced and all traffic has to go around by another road.

**NEW TELEPHONE BUILDING STARTED**  
J. & D. A. Harquail Co. Ltd. the Contractors—New Equipment To Be Installed.

Work was begun last week on the new office building of the New Brunswick Telephone Co. here by the contractors J. & D. A. Harquail. The contract price of the new building is not definitely known but it is believed to be somewhere in the vicinity of \$25,000 dollars.

The new building which will be a brick structure of one storey with raised basement will be 36 x 47 and will be thoroughly modern in every way. The company will discard the present telephone system and install common battery equipment which will be a great improvement on that now in use.

The new building will be ready for occupancy early next summer. It is understood that the building and complete new equipment will cost somewhere between fifty and sixty thousand dollars. The site of the new telephone building is a convenient one located as it is on the corner of Roseberry and Andrew Streets.

The interior of the building is finished in fine wood with wood-work of clear white spruce, painted in

otherwise could they purchase the 3,500 lbs. (nearly two tons) of honey used every month by Moirs?

The best clarified honey from Canada with the cream of that produce in Nova Scotia, is used in Moirs products.

**MUNICIPAL ELECTIONS**  
The regular elections for county councilors, held every second year, will take place next Tuesday, Sept. 1st.  
So far as the Graphic has been able to learn the following have been nominated:  
Collingwood—A. S. Arsenault, Jackson Miller, Joseph Levesque and Wm. Jamieson.  
Dulouche—Phillip LeBlanc, John McKinnon, Hugh Archibald and James St-Onge.  
Addington—P. S. Martin, Clifford C. Ayles, Nathan McDavid and J. Arthur Roy.  
Eldon—Murdock Birt, James Thomson, Thomas M. Erith, Charles P. Thompson.  
Balmoral—Edward Savoy and Fidele LeBlanc, by acclamation.  
Durham—Archibald Murchie, Paul Doyle by acclamation.  
Grimmer—J. L. Levesque, Joseph Belanger, by acclamation.  
St. Quentin—Auguste Viollette and Thériault, by acclamation.  
Names selected thus were former councilors.

Order from your grocer his best tea and he'll usually send "Red Rose."

## RED ROSE TEA "is good tea"

The same good tea for 30 years. Try it!

### Croup at Night No Longer Feared by Canadian Mothers

Direct Treatment with Vaporizing Salve Immediately Reaches Congested Air Passages.

Many Canadian mothers, who in the past have worried over croup and children's colds, are delighted with the "external" remedy for croup, Vicks Vapo-Rub. You just rub Vicks over throat and chest for croup, children's colds, bronchitis or deep chest colds. When so applied the body heat releases the ingredients as vapors which are inhaled directly into the affected air passages, loosening the phlegm and reducing the inflammation.

At the same time Vicks is absorbed and stimulates the skin like a liniment or plaster and thus aids the vapors inhaled to break up the congestion. Croup is usually relieved in 15 minutes.

There is no danger in using Vicks. Nothing to upset the delicate stomachs of small children. You just "rub it on."

**VICKS VAPORUB**

### Here and There

The popularity of the Nova Scotia apple is rapidly growing in Europe. 1,103,980 barrels and 8,693 boxes were shipped in 1924-25 to ports in England, Scotland and Germany. Shipments also went to Newfoundland, West Indies, Central Canada and the United States.

Production of sugar beets in Canada during 1923 amounted to 159,200 tons, valued at \$1,922,668, and grown on 17,941 acres, according to the Bureau of Statistics. 6,000 acres have been planted to beets this year in Southern Alberta, due to the establishment of a sugar beet factory.

Milton Sills, the well-known movie actor, with a company of 32 screen artists, passed through Montreal recently to take scenes in "The Come Back" in which he is featured. The party went to Beauchemin, in Northern Quebec. Travelling by another train was a mother skunk and five kitten skunks which will also figure in the picture.

The 286 passengers on the Canadian Pacific S.S. Empress of France completed their 30,000-mile tour of the world on Saturday, May 23, when the vessel docked at New York. At their last stop at Havana, President Machado of Cuba invited the passengers to attend his official inauguration and to witness the unveiling of a statue to the preceding President.

Another aristocratic rancher recently passed through Montreal on a return visit to the ancestral estates in Transylvania, Hungary. This was Baron Josef Casavsky who, with his brother Andre, took over a 1,600-acre ranch last March near Cochrane, Alberta, on the Bow River. Incidentally the Baron was a passenger on the Trans-Canada on its first return trip of the season from Vancouver.

The Indian Day Celebration at Banff, it is announced, will take place as usual this year on the third Thursday and Friday in July. Preparations are already under way for this event, which enjoys an enviable reputation as an Indian show. The Stoney Indians arrive in large numbers from their reservation to take part in the ceremonies, which are the 23rd annual celebration of the function.

During the sixteenth century the custom prevailed all over England of celebrating a flower dance early in May. This was undoubtedly a relic of the Roman Floralia, or Floralia Games, which began at the end of April and lasted for seven days.

### ASTHMA HEAD AND BRONCHIAL COLDS

No Smoke—No Sprays—No Cough

Just Swallow a RAZ-MAH Capsule

Restores normal breathing. Quickly stops all coughing, gasping and wheezing in bronchial tubes. Gives long nights of peaceful sleep. Contains no injurious or habit-forming drugs. \$1.00 per box at drug stores. Send in for generous trial. Templeton, Toronto.

### Here and There

Since the first of April up to the present time approximately seven million pounds of various fish have been landed at North Sydney, N.S., by local fishermen. The catch made so far this season is far in excess of any previous year's catch in the history of this port.

All tourist and motorist records are being broken at Banff this year. There are three times as many campers as in any other year and 2,400 more bathers than in 1924. The Canadian Pacific hotel here and at Lake Louise reports bookings as being unusually heavy.

More Alberta provincial savings certificates were sold in the first six months of this year than in any full year previously, even including the big record year of 1920. Since the beginning of the current year up to the end of June, the total sales amounted to \$1,011,600. There is now close to \$7,000,000 outstanding in savings certificates.

Radio receiving licenses held in Canada at the end of last month numbered 56,063, according to a statement issued by the Federal Government. Ontario leads all provinces with a total of 26,507. Quebec occupied second place with 7,882 licenses, followed by Saskatchewan with 6,551; Manitoba, 4,443; British Columbia, 3,392; Alberta, 3,004; Nova Scotia, 1,435; New Brunswick, 736; Prince Edward Island, 87; Yukon, 22; and Northwest Territories, 5.

A consignment of 21 fox hounds from the famous Mendip Hunt Pack, in Somerset, England, was brought to Canada early in August by the Dominion Express Company for the Toronto Hunt Club. The English papers published photographs of these splendid animals and expressed gratification that good British hounds were being used on the hunting fields of Ontario. This is the third such consignment brought out by the Dominion Express within recent weeks.

The delegates to the Empire Press Conference at Australia who came from Britain and passed through Canada recently spent several days in the Canadian Pacific Rockies and enjoyed themselves trail-riding and hiking among the beauty spots that surround Banff and Lake Louise. Lord Burnham and several other distinguished British journalists established new walking records in covering the distance between Wapiti and Emerald Lake in two hours, while it took the trail riders on ponies two hours and a quarter to cover the same ground.

## CONCIL PASSES CURFEW BY-LAW

### LETTER POSTAGE

#### TO NEWFOUNDLAND

Postmasters are informed that the rate of postage on letters to Newfoundland has been fixed at 8 cents for the first ounce and 2 cents for each subsequent ounce or fraction thereof effective from the 1st, Sept. 1925. The old rate was 4c for 1st ounce and 3 cents for each additional ounce.

#### NEW CARLISLE

A meeting of the New Carlisle Conservative Association was held on Tuesday evening the 19th August, 1925, for the purpose of electing delegates for the forthcoming Convention to choose a Candidate for the Coming Federal Election. The meeting was an enthusiastic one, and a vote of confidence in the Honorable Arthur Meighen, as leader of the Conservative party, was unanimously adopted.

#### NO CHILDREN UNDER FOURTEEN

#### Years To Be Allowed On Streets After Nine O'clock.

At the council meeting held on Friday night the long-discussed Curfew By-Law was passed. From now on children under the age of fourteen will not be allowed the freedom of the streets after nine o'clock at night, unless accompanied by an adult.

#### Edward G. Taylor, one of the best known game fishermen on the continent is authority for the statement that New Brunswick is losing none of its lure as a fisherman's paradise.

Just back from a trip to the Cans River, N.B., Mr. Taylor said salmon were steadily increasing in numbers and size in the province. He added that he had caught on this trip a salmon 42 inches long and weighing 24 lbs. In the autumn such a fish would likely weigh up to fifty pounds.

#### The following story is told of Sir William Van Horne, first president of the Canadian Pacific Railway and a Major Rogers, who was in charge of the supplies for men working along the track. Van Horne said:

"Look here, Major, I hear you men won't stay with you, they say you starve them." "Taint so, Van." "Well, I'm told you feed 'em on soup made out of water flavored with old ham canvas covers." "Taint so, Van, I didn't never have no hams." From "Canada's Great Highway," by J. H. E. Secretan.

#### The Western railways of the United States comprising 67 roads serving Chicago and the West, have petitioned the Inter-State Commerce Commission for permission to advance rates. They state that for the years 1921 to 1924 inclusive, the average rate of return on capital was 3.55 per cent, which they claim is so small as to render it impossible for them to secure working capital for expansion and improvement of service by the sale of stock or issue of bonds at reasonable terms. They ask for rates that would give them a net return of 5 1/2 per cent, which is generally admitted is what railways should have.

## Native of Gaspe County Discusses Development Of Coast's Resources

**Speaks Of Deposits Of Oil And Ore  
And Brief Interests Of Those Who  
Should Have Interested Government  
In Investigation—Blames Public Men  
For Not Putting Forth More Effort  
—Mentions Railways And Roads.**

Last week the Graphic published an article dealing with the matter of the development of the resources of the Gaspé Peninsula and pointing out that before any progress could be expected there must be more aggressive effort on the part of the citizens of the coast and particularly the public men of that territory. Now comes the opinion of an old business man of Gaspé County expressed by him to the writer here a few days ago during a visit in Campbellton.

**The Right Attitude**  
"You have adopted the right attitude," he declared. "Your viewpoint in connection with this subject is entirely reasonable. There must be more effort—more organized effort if anything is to be done. I am afraid we have been waiting for tourists and other visitors to become impressed with the industrial possibilities of our country and come back here and spend their money in improving. That is not a sensible hope. We cannot expect outsiders—strangers—to have enough faith in the resources and the future of our country when we haven't enough faith ourselves to go ahead and make the preparation necessary to attract capital. We have been simply waiting and hoping that somebody would come and do what we should do ourselves."

**Blames Men of Influence**  
"I am inclined to think that some of our influential men are partly to blame for our lack of progress in this respect. At different times efforts have been made at investigating a few of our possible resources and those who should have carried these projects to a satisfactory conclusion, seem to have had little interest in the matter and light off before their work was carried to the stage where worth while results could be expected. It was manifestly the duty of these men, in my opinion to impress our government and secure the necessary assistance but this they somehow failed to do."

**Oil and Ore**  
"It is known that there are deposits of uncertain extent, of both oil and ore in this territory," continued our informant, "but before we can expect capital for development there must be a certain amount of investigation work and the government should be induced to help here as it has done in other places. I don't know exactly where the hit is but there is one thing certain. Until these things are tackled in an aggressive manner and with proper co-operation, we need not expect to enjoy the benefits that the development of these resources would bring to us all."

**The Railway.**  
Our informant reiterated our belief that the Gaspé Coast railways are not in any way to blame for this retarded progress in industrial development. "This is merely an excuse," he declared. "The railways have become the target for all our ill-luck and in reality they represent one of the most progressive business enterprises we have on the coast. The railways are improving and that is more than we can say for ourselves as far as action is concerned. One thing we do need badly and that is better highways."

## BATHURST TENNIS PLAYERS WINNERS

**Defeated Campbellton Players  
in Tournament on  
Saturday.**

With a score of 9 to 3, the Bathurst Tennis Club won over Campbellton players in the tournament, there on Saturday afternoon and evening. The weather was decidedly cool but considerable interest was shown in every event.

The following is a list of the events, first in each case:  
Men's Singles—Roland Champoux vs. Dr. John S. Bates, Bathurst, 6-2; 6-4. Paul Champoux vs. A. E. McLean, Campbellton, 6-3; 0-6; 6-3.  
Ladies' Singles—Mrs. A. B. Humphries vs. Mrs. R. E. McMillan, Bathurst, 6-4; 6-5. Mrs. J. A. Wilkinson vs. Irma Doucet, Bathurst, 6-1; 3-6; 6-2.  
Men's Doubles—John and Roland Champoux vs. Dr. J. S. Bates and A. E. McLean, Bathurst, 6-4; 6-5. Paul and Guy Champoux vs. S. B. Bond and E. P. MacKay, Bathurst, 6-5; 6-4. G. F. Miles and A. B. Jardine vs. C. Gannon and A. McLean, Bathurst, 6-2; 6-1. A. B. Humphries and G. A. Mowat vs. R. E. McMillan and L. G. McKee-Man, Bathurst, 6-1; 6-0.  
Ladies' Doubles—Mrs. A. B. Humphries and Mrs. Dunsford vs. Mrs. N. Rennie and Miss M. Williamson, Campbellton, 6-3; 6-5.  
Mixed Doubles—Miss McBeath and A. B. Jardine vs. Miss Gladys Howard and L. G. McKee-Man, Bathurst, 6-0; 6-4. Miss Mary Bond and G. A. Mowat vs. Miss Mary Bond and L. B. Fewer, Bathurst, 6-2; 6-4.  
Boys' Singles—Guy Champoux vs. Doran Doucet, Bathurst, 6-4; 6-5.  
The Bathurst ladies with Miss Eleanor McKay as convenor, served tea in Gatin's Hall. Mrs. Smith and Mrs. A. E. McLean poured while the service was ably directed by Mesdames S. B. Bond and J. E. Wood, assisted by Misses Evelyn MacKay, Gertrude Rice, Ursula White, Martie Fenwick, Ursula Whelan, E. Ellis, M. Morse, Alma White, E. Melanson, H. Melanson, Mary Bond and Helen Palmer. A dance was held in Gatin's Hall in the evening.

**ENGLISH "CABBIES"**  
**RISK AUTO TRIP**  
Fifty retired drivers of horse cabs, some over eighty years old, gathered recently at Soho square for a special motor coach trip arranged for them—for some, it was their first ride in a motor vehicle. While waiting for the coach they exchanged reminiscences of by-gone days when taxicabs were unknown.  
"I wish we were taking our outing in a four-in-hand," said one octogenarian to another, "but I suppose it will be all right if the driver drives slowly."  
"Were you ever in a taxicab?" asked another octogenarian of a third.  
"Yes, once a taxi driver saw me walking on the street and gave me a lift," was the reply.  
"Oh, I have driven in a taxi," said another old fellow, proudly.  
"My son has one and often takes his mother and me out for a ride."  
"I remember I once drove King Edward VII, in my handsome cab," muttered a gray and bearded ancient.  
"That's nothing," retorted another, "remember I did, too."  
"But you don't remember you almost ran over Gladstone once?" was the comeback.  
And so it went until a big motor coach dashed up and the old relics of horse-cab days were away in their gasoline outings.  
The most interesting people on earth are those who listen while you talk.

## CAUGHT IN PROPELLER OF HUSBAND'S LAUNCH

Windsor, Ontario, August 24.—Caught in the propeller of her husband's gasoline launch, when she dived into Lake St. Clair, one mile off the Belle River, Mrs. Thelma Halman, 34 years old, was almost cut in two last evening. Mrs. Halman, proprietor and general Halman who was the wife of George Halman manager of the Fisher Body Corporation, Detroit, was drawn toward the boat as soon as she entered the water. Her husband and two other friends on the launch failed to see her plight and her cries for help were drowned by the noise of the engine. The body was recovered almost immediately.

## FISHERMAN RIDES ON DOLPHIN.

The Sydney Post is responsible for the following:  
The best fish story of the year came to the pen of a Post reporter yesterday, in connection with the capture of a school of dolphins, by fishermen at Glace Bay Monday morning. These were the "squad hounds," referred to in a despatch from North Sydney. Believe it or not, said the teller of the tale by way of preface to his narration. The post passes it along with the same observation.

The dolphins were chasing the shoals in squid which have been running inshore along the coast and had stuck in close to the shore. A number of fishing boats set out to round them up and effect their capture by driving the fish on the beach. Several times the fishermen had the big fish headed for the beach and each time they wheeled when approaching the shallow water and darted out to sea again. Finally one of the fishermen disgusted with the fruitless attempts to drive the fish ashore decided that the only way to land them was to personally conduct them to the beach.

Running his dory alongside the largest of the school, and grabbing a piece of iron pipe to use in lieu of a whip, he poised lightly on the gun-whale and then with a grace that even Tom Mix could not improve on, vaulted lightly to the back of the lead dolphin and with a wild whoop headed his picaresque ride in the general direction of the land and in the language of the race track "threw the leather into it," (only leather was the piece of pipe which he piloted vigorously to the dolphin's tail bones. The Post informant states that he never saw a wilder ride even in a western movie thriller and as far as he is concerned the exploits of the "riders of the plains" have paled into insignificance. The fishermen "bus-karoo" stayed with his charger till it hit the shore when he piled off and dismounted. It took 11 dolphins in the school, and six followed the leader with its rider, and these were captured.

It is understood that as a result of the buccaroon fishermen's exploit the fishermen in the vicinity of Lingham Bay are putting forth in their boats, attired in hiding breeches, and spruce and it is predicted that "punching" dolphins opens up a new line of adventurous employment for Cape Breton sea fars. Too long have these hairy trousered guys from the west usurped the limelight as the king-pin riders of the western continent. But it took a Cape Bretoner to emulate the deed of the mighty Neptune himself.

## FRIENDLY TOWNS

Small cities and towns that do not have a "Welcome" sign on every main road leading into the place are regarded as "slow" and out of date.  
And as a rule, the signs emphasize friendliness regardless of whether the community has it.

Once upon a time, it is related, there was a man who believed in signs, and taking the one at the edge of a strange town literally, he drove in and prepared to be real friendly. He sat on the curb for an hour and not one person even looked friendly, much less asked him any questions about what luck he was having among strangers.

This is a mistake common to us all. We boast of our friendliness and advertise the fact to the world, but we never exercise our shaking arm on strangers, and never discommode ourselves in order to give them pleasant remembrances of their visit.

The touring season is at hand. Hundreds of motorists are going to be passing through. Some of them will stop here if they get the right kind of a reception; more of them will be our guests if we show ourselves hospitable. If we are going to be friendly, let's knock up our own human chain. Stranger comes within.

## REPORT OF FOOD INSPECTOR SHOWS NEED FOR THIS PHASE OF HEALTH WORK HERE

**Premises of Many Milk Dealers Found Very Unsatisfactory On First Inspection—All Now Cleaned Up And Health Regulations Being Carried Out—Milk In Some Cases Good But None Up To Standard—Activities In Inspection Of Food.**

Something of the importance of the work of Food and Milk Inspection here will be seen from the report of Dr. J. P. Donnelly, local Food and Milk Inspector, submitted to the Town Council at the meeting of that Board on Friday evening last. Were the report published word for word it would quickly be realized that this work was not begun any too soon. In the following list of twenty-seven milk vendors the condition of their premises was reported "Good" in only six cases. The word "Fair" was used seven times while "Poor" appears nine times in the report. Four of these milk dealers premises were as "Bad" and one as "Very Bad" All of these have since been cleaned up and the Board of Health Regulation put into effect. It is in this work that the value of milk inspection is most evident. From later tests the milk being sold in Campbellton is on the whole much nearer to standard and it is easy to imagine what consequences might have resulted if these improvements had not been brought about.

As the Inspectors report and other investigation shows the work is now progressing favorably and it will not be long until even more gratifying results will be presented themselves. **Benefits that will affect not only milk dealers themselves but every consumer of milk.**

**Inspectors Report.**  
The Food Inspectors' Report for the month of July follows:

Campbellton, N. B.  
July 31st—1925  
I herewith present to you the report covering the work done for the month ending July 31st. The following farms were visited and inspected:

Name and No. of Cows	Name and No. of Cows
A. Adams 7	P. LeBlanc 4
B. Adams 6	J. Lemieux 1
C. Adams 5	R. Mair 8
Mrs. Blair 4	W. H. Miller 22
H. Barclay 8	J. McBeath 6
P. Chedore 6	L. McKenzie 1
W. Connors 6	I. Pelletier 6
Tom Collins 1	L. Pritchard 5
Henry Duncan 3	W. Wafer 3
C. Gray 3	Mrs. Sargent 4
C. Hamilton 6	Mrs. P. Smith 9
R. Hicks 11	Wm. Smith 9
P. Jacob 11	W. Yonston 4
Mrs. Gernard 4	

Twenty-eight (28) samples of milk were taken and tests made for dirt and acidity.

Some of these were very poor and some good but not one was up to standard.

Saturday July 18th, the following meats were condemned, being unfit for human consumption.

At a local meat shop, 2 Hogs at Freight Shed, 1 case chickens, (19 lbs.) 1 case fresh meat (61 lbs.), 1 quarter Beef (150 lbs. 2 cases Sausages (60 lbs.)

Two Vendors of meat were stopped and told to clean up before they would be allowed to continue, which they have done.

Every Monday and Thursday the work of Food and Milk Inspection here will be seen from the report of Dr. J. P. Donnelly, local Food and Milk Inspector, submitted to the Town Council at the meeting of that Board on Friday evening last. Were the report published word for word it would quickly be realized that this work was not begun any too soon. In the following list of twenty-seven milk vendors the condition of their premises was reported "Good" in only six cases. The word "Fair" was used seven times while "Poor" appears nine times in the report. Four of these milk dealers premises were as "Bad" and one as "Very Bad" All of these have since been cleaned up and the Board of Health Regulation put into effect. It is in this work that the value of milk inspection is most evident. From later tests the milk being sold in Campbellton is on the whole much nearer to standard and it is easy to imagine what consequences might have resulted if these improvements had not been brought about.

All the butcher shops have been inspected. All the Stores were visited, a copy of the Food Rules given and all the perishable goods were ordered to be kept inside.

Respectfully Submitted  
(Signed) J. P. DONNELLY, M.D., Food Inspector.

## BURNED TO DEATH WHEN PLANE CRASHES

White Sulphur Springs, W. V. A., August 24.—(Special) Francis Hill and Private L. C. Noffs of Balling Field, Washington, were burned to death at White Sulphur Springs yesterday when the airplane in which they were returning to Washington fell, taking fire as it crashed to the ground.

## BEING ROUNDED UP

Chicago, Aug. 25.—Federal Secret Service operatives here, co-operating with others in Detroit, and elsewhere, have started a roundup of counterfeiters who are believed to have flooded the Middle West with bogus \$20 gold coin certificates of a face value probably reaching \$500,000.

Four men, it was announced, are in custody in Detroit, while Chicago operatives have arrested one in Rockford, Illinois, and another in Kresna, Wis.

## NEW MEDAL FOR PARENTS OF WAR DEAD

Paris, Aug. 24.—Every French mother and father of war dead has been asked to wear a new commemorative medal bestowed by the Patriotic Union of Fathers and Mothers of those who died for France. The medal is of silver and bronze, 8 bearing the head of a soldier, with a black band of mourning and two 5 stripes of red, for blood, and on the 3 head a cross of thorns and laurel 4 to symbolize martyrdom and glory.

The farmers need rain. Dry spells make fishing worms hard to find.

Best of all Fly Killers, 10c per Packet at all Druggists, Grocers and General Stores

CAMPBELLTON, N. B. AUG. 27, 1925.

### A WORTHY OBJECTIVE

The formation of the Gaspé Automobile Club, particulars of which will be found in another column of this issue, is a timely and aggressive step and has for its object a purpose which should appeal strongly to every citizen of the Coast who professes to be at all interested in progress.

The chief aim of this new association is to inaugurate a campaign for effective road improvement in order that tourists in large numbers may be attracted to this scenic part of the province of Quebec. Their work will also embrace that of having suitable road signs placed all along the main route, including proper signs for dangerous curves, school zones, crossings, bye-roads, etc. In addition to this work the new club proposes to issue a road map of the Gaspé territory and also to circulate suitable advertising literature, calculated to inform all prospective visitors of the many charms of the Gaspé Coast as a delightful summer vacationland.

This, as can readily be seen, is a fine large programme, a worthy undertaking on behalf of a worthy cause. The Gaspé territory is rich in charm for the lover of nature. For years it has been the vacationtime rendezvous of a large number of health and pleasure seekers despite the fact that, until recent years, it has been little advertised. Now, however, with the increase of motor tourists, good roads are a requisite for any country if it would benefit from this business. People who are out for a health tour or in search of rest or recreation will not bump and thump over a third rate highway to spend a few short days by the sea-side, neither will they force their cars through miles of mud to view charming scenery or listen to what singing birds or murmuring brooks. If they regard as their privilege, the roads of the Gaspé Coast are not officers of the law may find it difficult improved it may not be long until the

attractions of this delightful summering place are labeled "inaccessible" by people who would be regular visitors and ardent boosters if a good highway were provided them so that they could visit us without endless discomfort.

Lastly the cause of the new association is eminently deserving of hearty support. Did the attractions of the Gaspé Coast not merit this organized effort it would be different. They do. Nowhere on the whole continent of North America can there be found a district so rich in pictorial grandeur of such a varied nature and in few parts of the country are the facilities for salt-water bathing, boating fishing and other out-door recreations more numerous. With good roads and proper advertising the Gaspé Peninsula should have a future in tourist business and it is for this reason that all public spirited men, merchants and private citizens should lend hearty support to the newly formed club and the cause it is pledged to promote.

### THE CURFEW BY-LAW

In passing the Curfew By-Law in Campbellton the Town Council has enacted a much-needed protective measure. Abundant evidence is at hand to show that many parents and guardians are much too lax in the matter of how children under their care are permitted to spend their evenings and this new regulation should prove effective in encouraging wiser habits among the young in this regard.

There is seldom any reason, except in cases of sickness or other emergency, for children under fourteen years of age to be out after nine o'clock at night, and on the other hand there are several very excellent reasons why these youngsters should not idly parade the streets after that hour. In broad daylight mischief in its various forms is not nearly so enticing as after the fall of dusk and, when engaged in an illicit nature are indulged in under cover of darkness, it is, in most cases, the children or their parents who suffer the consequences. The new law is therefore, first and last, a protective measure.

There is no doubt that many children will find fault with it and regard the by-law as a bit of legislation calculated to restrict their right of freedom. But if parents uphold the law as they should their children will, in time, recognize and learn to appreciate the principle of the new measure. Teachers will doubtless be in favor of the curfew law. Its observance will eventually mean more time for study and, as a result, better prepared lessons in school.

There will, of course, be some argument over age and since, unfortunately, some children are like older people and find it hard to sleep to the truth when it interferes with what they regard as their privileges, the officers of the law may find it difficult to enforce the measure in some cases.

## THE CHURCH ARMY CRUSADERS

To Be Here Saturday and Sunday—Their Complete Programme.

The Church Army Crusaders are coming this week. They arrive on the scout at 11:45 a. m. on Saturday. You will see men and you will know them, dressed in khaki, and carrying the Union Jack.

The Crusaders are for the most part young. The veteran of the crowd is Captain Hanson, (although he calls himself a young man) has had some thirty-five years experience in Church Army Work. Truly "legion" are the stories which Captain Hanson, has to tell. His keen wit is the joy of the Lancashire crowd, while his pathetic stories cause that unexplainable lump to rise in the throat.

Make it your business not only as a Christian, but as a Citizen to know more of the lives of your fellowmen, take an active interest in your fellow-welfare, and share in the joy which comes from forgetting self, and seeking blessings for others. The experience of this man is entirely unique. Likewise also is your opportunity of hearing him. Find out where he is to tell them, and be sure to be there.

During their visit here, the Crusaders will be entertained for meals by the following ladies: Mrs. Kilgour Shives, Mrs. Wm. Cook, Mrs. E. Dunham, Mrs. A. B. Humphrys, Mrs. J. Gilker, Mrs. A. F. Bisson, Mrs. B. Underhill.

The programme, as announced by the Rector of Christ Church, is as follows:

**Saturday**  
12 noon, Welcome Service in Christ Church.  
7:30 p. m. Open Air meeting in Riverside Park, conducted by the Crusaders.

**Sunday**  
8 a. m., Holy Communion in Christ Church.  
11 a. m., Morning Services in Christ Church, at which Crusaders will sing and one of their number will preach.  
4 p. m., Service for men in Christ Church. Speaker, Captain Hanson.  
7 p. m., Evening Service in Christ Church. Preacher, Captain Casey.  
8:15 p. m., Open air meeting outside the Church.

On Sunday afternoon, some of the Crusaders will visit Flatlands at 3 p. m.

The Crusaders may only pass this way once. Don't miss your opportunity. The Crusaders will leave on Monday at noon for Edmundston.

### PERSONALS

Miss Bertha Rousseau of Chandler is visiting her sister Mrs. Eugene Perchotte.

Miss Millie Cummings of Moncton is visiting her sister, Mrs. Horner Matthews.

Miss Cordelia Connell has returned from a visit to Moncton.

Miss Thelma Jennings arrived home Saturday from New Richmond where she was visiting friends.

Mr. and Mrs. C. A. Alexander returned yesterday from a most enjoyable trip to Western Canada and the United States. Mr. and Mrs. J. E. Miller, who accompanied them are remaining two weeks longer.

Miss Ethel Love of P. E. Shephard and Co. is in Toronto on a buying trip.

Miss Vera and Marguerite MacLeod, nurses-in-training at the Montreal General Hospital have returned to resume their duties after spending their vacation at the home of their parents Mr. and Mrs. Jas. MacLeod.

Miss Greta Hayes was in town en route to her home in Nash Creek on her return from Boston after completing a six weeks Summer Course.

Miss Ida M. MacLeod of Hartland, Maine has returned after spending her vacation at the home of her parents, Mr. and Mrs. James MacLeod.

### "PEG O MY HEART"

Now is the time to start saving your pennies to buy your tickets for the big Benefit Performance "Peg O My Heart" for the Soldiers' Memorial Hospital. Watch the Graphic for the exact date sometime during the second week of September.

Posters will be out for "Peg O My Heart" next week. Watch for date.

The more beautiful the moon the more autos you see parked by the roadside out of gas.

### AUCTION SALE

The old Court House, Town Hall, Recording office and all wooden buildings on The Court House square Dalhousie will be sold at Public Auction on Tuesday, Sept. 28th, at 2 p. m. unless satisfactory offers are received for them before that date.

Buildings will have to be moved off present site by purchaser.  
W. S. MONTGOMERY, Chairman Public Lands and Building Committee, Municipality of Restigouche.  
Aug. 27-28ths.

### ELECTION CARD

To the Ratepayers of the Parish of Adirondack.

At the solicitation of a large number of ratepayers we have consented to be candidates at the election for Municipal Councilors.

We ask for your assistance and if elected we pledge ourselves to work in the best interests of the county.

Yours very truly  
J. ARTHUR ROY,  
NATHAN B. McDAVID.

### ELECTION CARD

To the electors of the Parish of Adirondack.

Ladies and Gentlemen.—At the request of a large number of Ratepayers we have decided to accept nomination as candidates in the coming municipal election. We would therefore ask your hearty support.

If elected we will do our utmost to carry on the affairs of the parish in an efficient manner. Many canvasses are being used. We favor a Municipal Home for the County. Vote the ticket on Tuesday, Sept. 28th.

Thanking you in advance for your support, we remain  
Yours truly,  
PETER S. MARTIN,  
CLIFFORD C. AYLES.

Judge—"You say you were never in this court before?"  
Defendant—"No, suh. Dis am mah first an' onliest time."

Judge—"I've certainly seen your name somewhere."

Defendant—"Yas, suh; you sho' has 'I-se you' bootlegguh."

This store closes every evening except Saturday.

## Local Items

Newsy Notes of Happenings Gathered

**SCHOOLS OPENING**  
The town schools will open for the fall term Tuesday next, Sept. 1st.

**PAYING WAR LOANS**  
Canada paid, Wednesday, a loan \$5,000,000 due in London on that day. Three further loans are due: Sept. 1, a loan for \$90,000,000 will fall due New York, while an additional loan is payable at Ottawa and New York for \$5,000,000 Nov. 15 next. The sum of \$45,000,000 of the first loan floated by Sir Thomas White due Dec. 1.

**WHY NOT CAMPBELLTON?**  
The Sackville school board has engaged a special trustee officer in effort to have all the children school age enrolled at the commencement of the school term. The school trustees found that the work of a trustee officer last year was effective. Many of the boys who were forced attend school succeeded in grading.

**UNITED CHURCH CONFERENCE**  
The first Maritime Conference of the United Church of Canada called to meet at Sackville, N. B. Tuesday, Sept. 1st, at 7:45 p. m. Members attending will purchase tickets, first class one way ticket securing Standard Certificates, which will entitle the holder to a return ticket for two-fifths of the regular first class fare.

**MONCTON WINS**  
The Moncton A. A. Team visited Campbellton last week. Both games played on the local ground on Saturday afternoon. The first match which ended with a score of 12-3 promised well for the local team but the third inning when an overthrow to first base turned the tables. The second game was much more closely contested and although visitors chalked up 8 runs to Campbellton's 4, the spectators were treated to some real good ball. The attendance crowd was about its usual size.

**LABOR DAY RACES**  
Moncton racing fans are astounded by a good racing card for Labor Day, Sept. 7, when several classes will run off at the Moncton Speedway. Effort is being made by the local motors to have big free-for-all 100 meters and 1 mile circuit here and the result of their effort will be known in a few days. holiday programme will be under the auspices of the Moncton Trades and Labor Council. A morning programme is also being arranged.

**COMMERCIAL COURSES**  
With the re-opening of the school on Tuesday September 1, in addition to offering the regular 3-year Commercial Course which has been established Vocational Committee are offering through the Commercial Department one-year courses.

The main subjects of the one-year course will be Bookkeeping, shorthand, Typewriting and Commercial Law. Persons who have graduated from High School or who have graduated out of Grade 10 may register for course.

A definite course of instruction for the three-year course has been planned by a Committee of Commercial Teachers of the province.

The Vocational Committee trusts the people of the town will take advantage of this opportunity, hope to see a good registration both courses.

The work of the night school will be re-organized again this fall to commence about the first of October.

For information regarding any of these courses call D. McLean, Phone 29, or J. R. Vallis, Phone 112. J. R. VALLIS, Dir.

### SCHOOLS OPENING

The town schools will open for the fall term Tuesday next, Sept. 1st.

### PAYING WAR LOANS

Canada paid, Wednesday, a loan of \$5,000,000 due in London on that date. Three further loans are due: Sept. 15, a loan for \$90,000,000 will fall due in New York, while an additional loan is payable at Ottawa and New York for \$8,000,000 Nov. 15 next. The sum of \$42,000,000 of the first war loan floated by Sir Thomas White is due Dec. 1.

### WHY NOT CAMPBELLTON?

The Sackville school board has engaged a special trustee officer in an effort to have all the children of school age enrolled at the commencement of the school term. The school trustees found that the work of the trustee officer last year was effective. Many of the boys who were forced to attend school succeeded in grading.

### UNITED CHURCH CONFERENCE

The first Maritime Conference of the United Church of Canada is called to meet at Sackville, N. B. on Tuesday, Sept. 1st, at 7:45 p. m. Members attending will purchase tickets, first class one way tickets, securing Standard Certificates, which will entitle the holder to a return ticket for two-fifths of the regular first class fare.

### MONCTON WINS

The Moncton A-A Team which visited Campbellton last week won both games played on the local diamond on Saturday afternoon. The first match which ended with a score of 12-3 promised well for the locals up to the third inning when an overthrow to first base turned the tables. The second game was much more closely contested and although the visitors chalked up 8 runs to Campbelltons 4, the spectators were treated to some real good ball. The attendance crowd was about its usual size.

### LABOR DAY RACES

Moncton racing fans are assured of a good racing card for Labor Day, Sept. 7, when several classes will be run off at the Moncton Speedway. An effort is being made by the local promoters to have big free-for-all New Brunswick and Maine circuit horses here and the result of their efforts will be known in a few days. The holiday programme will be held under the auspices of the Moncton Trades and Labor Council. A morning programme is also being arranged.

### COMMERCIAL COURSES

With the re-opening of the schools on Tuesday September 1, in addition to offering the regular 3-year Commercial Course which has been established the Vocational Committee are offering through the Commercial Department a one-year course. The main subjects of the one-year course will be Bookkeeping, Short-hand, Typewriting and Commercial Law. Persons who have graduated from High School or who have graded out of Grade 10 may register for this course.

A definite course of instruction for the three-year course has been planned by a Committee of the Commercial Teachers of the province. The Vocational Committee trust that the people of the town will take advantage of this opportunity, and hope to see a good registration for both courses.

The work of the night school classes will be re-organized again this year to commence about the first of October.

## OBITUARY

The Late John Brown  
The many friends of the late John Brown of McLeod's Siding will regret to learn of his death which occurred on Friday of last week following a short illness from lockjaw which developed from injuries received on August 11th, when his horse attempted to run away and incidentally bruised his arm. The hurt at that time did not appear serious and it is understood that the deceased consequently delayed treatment until it was too late.

The deceased gentleman who was 43 years of age was the caretaker at the Restigouche Country Club golf links and was highly respected by all who knew him. A native of Parrboro, N. S., he came to the north shore of New Brunswick some fourteen years ago and has since then been a resident of McLeod's Siding. The late Mr. Brown is survived by a wife and one child. The funeral services which were held on Sunday afternoon at 4 o'clock were largely attended. Rev. Father Melanson officiated.

## THE SALVATION ARMY

Harvest Festival Effort.  
We find that to-day the Salvation Army is of growing interest throughout the world and even in the Maritime Provinces one can see this same interest being exercised. Around this time of the year the Salvation Army makes an appeal known as the Harvest Festival Effort and this effort affords an opportunity to all of expressing in a practical way their appreciation of the goodness of God during the year.

Three things the Army is seeking to accomplish:  
To relieve the temporal needs of those in suffering, in sorrow and in want.

To spread the knowledge of Jesus Christ throughout the world.  
To organize a force of Godly men and women to fight against vice for the honor of God and the happiness of this life and the next.

Three things the proceeds of this effort will help:  
Assisting the Local Corps.

Training of officers for Army work. Maintaining the Army's Evangelistic Operations.

This is the Local and Home Service fund known as the Harvest Festival effort. Kindly help when the collector calls. —Aug. 27-2wk.

## BUSINESS LOCALS

# DID YOU EVER STOP TO THINK MAN AND WIFE WERE EXECUTED?

—By E. R. Waite—

(Secretary, Shawnee, Okla., Board of Commerce.)

THAT some towns are awake, some asleep and some dead. THAT if you want to know the condition of a town that you may chance to be in, don't ask the real-estate men, because they will want to sell you something before you know whether or not the town is worth staying in. Don't ask the merchants, because there are many kinds of merchant—you might strike a dead one.

THAT the easiest way to find out about the town is to get copies of its newspapers and look at the advertising columns, they will tell you everything you want to know.

THAT when you see that the merchants, the real estate men, the manufacturers, the small business-men, the banks, the hotel, the professional men and other professions are not well-represented in the advertising columns, you need go no further for that town is not healthy—it is only an electric-lighted graveyard. It is deficient in everything that goes to make a prosperous town.

THAT on the other hand if the papers are full of advertising it indicates that the town is progressive and a worthwhile town.

WHAT YOU WANT IS A LIVE TOWN TO PROSPER IN—NOT A DEAD ONE TO DIE IN.

HADN'T TRIED COAL.

A villager had been confiding to a clergyman some of the shortcomings of his husband.

"Certainly," agreed the clergyman, "the man seems to be rather unkindly. But you must remember you took him for better or for worse."

"Well, it has always been for worse, so far as I can see," replied the woman, dabbing at her eyes with a handkerchief.

"Have you ever tried heating coals of fire on his head?" inquired the clergyman.

"No, I haven't," she answered, grateful for the new suggestion. "So far I've only tried hot water."

FLATLANDS

The Misses Vera and Marguerite MacLeod nurses-in-training at the Montreal General Hospital are spending their vacation at their home here.

Mr. and Mrs. Leroy Gilmore spent Sunday here the guests of Mrs. Gilmore's parents Mr. and Mrs. Jas. MacLeod.

Mr. Mansfield Boudreau accompanied by the Misses Florence and Hilda Firth, motored to Bathurst on Sunday.

Mrs. D. Mac Donald spent Tuesday in town.

The many friends of Miss Kathleen Murray are glad to know that she has recovered from her recent illness.

The City of Chatham, Ontario, has the council manager form of city government, and the city-manager's report for the last year makes a very satisfactory showing, including a surplus on the year's transactions. The manager functions directly under the supervision of the mayor and council, and the report shows that during the year every effort has been directed to the task of reducing taxation as well as keeping the expenditure within the income.

A serious shortage of people with nothing to say is reported.

**MURINE EYES**

Wholesome Cleansing Refreshing

**Wangell is Prospectors' Base**

(Upper) A bird's-eye view of Wangell, which was the base for the gold rush in '98, and from which prospectors this past year are setting out on further exploration. (Lower) Another view of Wangell, on the south-west coast of Alaska. (Inset) A Canadian Pacific Coastal steamer which is on the Pacific coast route.

The town of Wangell, superbly situated off the coast of South-Eastern Alaska, is the centre of unusual interest this season, as the base from which prospectors are going in large numbers up the Stikine River into the Cassiar and Dease Lake Districts of Northern British Columbia. While the Gold Rush seems not so universal as was at first predicted—during the Winter months a stampede only comparable to the rush of '98 into the Yukon was very generally foretold—it is in all likelihood a more healthy influx of practical mining men from whose exploration these richly mineralized districts much good may be expected.

It was the Gold Rush of '98 that made Wangell the town that it is to-day, though it is one of the oldest settlements in Alaska. Its foundation dates back to 1830 when Baron Wrangell was Governor of Alaska, and a trading post was established there. This was later leased to the Hudson's Bay Co. It was thought that Wangell via the Stikine River would be the most direct route into the Yukon, but the building of the White Pass and Yukon R.R. destroyed such hopes.

The industries of Wangell are fishing and lumbering. Six canneries look to Wangell as the source of their supplies, and the saw-mill furnishes a large part of the salmon boxes used in S.E. Alaska.

The journey up the Stikine River to the old Hudson's Bay town of Glenora, and to Telegraph Creek is one fraught with beauty. Awe inspiring mountains of great height, swiftly flowing waters, mammoth glaciers, and deeply rugged canyons being encountered in making the ascent of the river, in a small gas

boat.

About nine miles from the town of Wangell and at the mouth of the Stikine River, is Farm Island where the Wrangell Indians lived perhaps five hundred years ago, and on this island is the aviation field where the New York to Nome aeroplanes made the first landing in Alaska. This exploit was as dangerous as the first trips across the Atlantic for their flight bore them over deep canyons, dense forests, rugged mountain peaks and glaciers, in a country uninhabited by white or Indian.

Twenty miles up the river, having passed the famous Popoff Glacier and Shakes' Mineral Springs—a source of sulphurating from a mountain, and of such great heat as easily to boil an egg—the boundary between the United States and Canada is reached, and the first branch of the Stikine River leads off to the right. This is the Iskut and it waters a region famous for its scenery, big game, and mineral prospects. The whole gateway occupies four days.

The way into the Cassiar and Dease Lake countries is made by pack train from Telegraph Creek and for the benefit of prospectors going in during this season copies of the Report of Dr. O. M. Dawson can be obtained by applying to the Director of the Geological Survey, Ottawa, or 510 Pacific Building, Vancouver, B.C. Although this report was written nearly forty years ago, it contains much valuable information regarding the country, and the placers worked in the early days, thereby bearing out the high standard of the reports made by this remarkably accurate and able geologist, Dr. O. M. Dawson.

**REAL CASE OF RED TAPE**

Federal Judge Garvin, of Brooklyn N. Y., decided to move some chairs from his court room and give the trial lawyers more elbow room. He asked a Federal Attorney to request the chief deputy marshal to move the chairs. The chief deputy marshal politely declined. The chairs, he said, could not be moved unless orders were given by the building's custodian, the postmaster of New York. The postmaster could issue such an order only on receipt of a certificate from the senior Federal Attorney of the district, stating that the chairs remain.

Nobody wants to shake hands with a crab.

It may be more blessed to give than to receive, but it isn't more fun to pay than to collect.

**YOUR OPPORTUNITY  
To Better Yourself.**

There is a good living for you right where you live. No capital required. No experience necessary. We teach you how to become a National Representative, selling our splendid line of top-toe clothing for men and women, from factory to consumer through local representatives. The National "Store at your door" selling outfit is a complete clothing store in a neat, small, simple case. Experience salesmen see unlimited possibilities in our proposition. Full time soon ready, bigger and better than ever. Assume yourself an exclusive territory by writing immediately naming the district you want. Rural communities and city territories equally profitable. "It is a sign of distinction to be a National Representative." Apply Sales Manager National Mail Order House Limited, Dept. Box 7017, Montreal.

**50c Per Hour**

For limited number of men, while learning to operate and repair autos and tractors, battery work, oxy-acetylene welding, tire vulcanizing, taxi and truck driving. Special rates now on. If you want big pay, and a successful future, apply, at once, to Hemphill's Employment Service, 168 King Street West, Toronto.

**CLOTHING PROPOSITION**

The advertiser is open to negotiate with practical men for the sale of SPECIAL ORDER CLOTHES (made-to-measure) in their respective localities. This is an exceptional opportunity to men of good character, and standing in the community, with knowledge of Male Attire, who will devote their talent and energy to the proposition. The firm furnishes its customers with a large selection of fabrics and styles at best values in Canada, and therefore requires reciprocal co-operation. Full particulars necessary to insure reply. Write—in first instance—to—

**COULD NOT  
SLEEP NIGHTS**

Pains and Headaches Relieved by Taking Lydia E. Pinkham's Vegetable Compound

Dublin, Ontario.—"I was weak and irregular, with pains and headaches, and could not sleep nights. I learned about Lydia E. Pinkham's Vegetable Compound by reading the letters in the newspapers and tried it because I wanted to get better. I have got good results from it as I feel a lot stronger and am not troubled with such bad headaches as I used to be and am more regular. I am gaining in weight all the time and I tell my friends what kind of medicine I am taking. You may use my letter as a help to others."—Mrs. JAMES RACCO, Box 12, Dublin, Ontario.

**Halifax Nurse Recommends**  
Halifax, N. S.—"I am a maternity nurse and have recommended Lydia E. Pinkham's Vegetable Compound to many women who were childless, also to women who need a good tonic. I am English and my husband is American, and he told me of Lydia E. Pinkham while in England. I would appreciate a copy or two of your little books on women's ailments. I have one which I keep to lend. I will willingly answer letters from any woman asking about the Vegetable Compound."—Mrs. S. M. COLEMAN, 24 Uniacke Street, Halifax, Nova Scotia.

**PUBLIC NOTICE**

BE IT ENACTED by the Town Council of the Town of Campbellton as follows:

1. No child under the age of fourteen years shall be allowed upon any public street, park or any other public place within the Town of Campbellton after the hour of nine o'clock in the evening of any day unless accompanied by an adult person in charge of such child.

2. Every parent, guardian or person with whom any child under the age of fourteen years may reside, who shall allow or permit any such child to be upon any public street, park or other public place within the Town of Campbellton on any day after the hour mentioned in the preceding section and unaccompanied by an adult person, shall be guilty of an offence against this by-law and liable on conviction thereof to a penalty not exceeding Two Dollars (\$2.00) for each and every such offence to be recovered with costs in any court of competent jurisdiction.

**Default Taxes**

TOWN OF CAMPBELLTON

Notice is hereby given that any one in arrears in taxes must make arrangement for payment either with the Town Treasurer or with the Collector or executions will be issued against them thirty days after the first publication of this Notice.

J. L. ANNETT, Collector

Dated August 10th, 1925.

**CAMPBELLTON AND VICINITY  
WELL REPRESENTED IN FLOOD  
OF TOURIST LITERATURE**

Two Folders Issued By The Graphic Have Proven Valuable And Have Won Many Press Comments—Great Quantities of Literature Distributed—A Record Year In Tourist Traffic.

It should be gratifying to the people of Campbellton and the North Shore to know that in the great quantities of tourist advertising literature distributed to summer visitors from all parts of the continent this season, our town and district has been well represented. The Graphic has now issued two attractive advertising booklets and these have already been widely circulated by hotels and garages, by private individuals and also through our own efforts.

One of these, "The Gaspe Vacationland", was issued last year and is still being distributed. The second, a booklet dealing with the attractions of Northern New Brunswick and containing a Road Map of the province and a detailed sketch of roads was issued this year. Both of these booklets, although perhaps never noticed by many local people, have won press comments from various daily papers and this in turn has also added to their advertising value. Mr. C. B. Allan, secretary of the New Brunswick Tourist Association has also found these valuable in the associations work of supplying the tourist with information. The Telegraph-Journal comments briefly as follows.

**Many Pamphlets.**

C. B. Allan, secretary of the New Brunswick Tourist Association, yesterday was showing some of the many new pamphlets that have been issued. The Tourist Association has itself issued printed sheets with a list of the things to be seen in and about Saint John and a list of short automobile trips from Saint John. The Gaspe and Northern New Brunswick towns have co-operated in the publication of a booklet entitled "The Gaspe Vacationland" and much of the same part of the province is described in a booklet which is called "Road Map of Northern New Brunswick." This road map booklet does itself justice in its title since besides giving detailed description of the roads and hotel accommodation of the north of the province, gives a great deal of useful information for those interested in the country's history and scenery and for those who come to hunt or fish.

In fact, the demand for tourist literature dealing with New Brunswick and its many attractions has been so great this year that supplies of the New Brunswick Tourist Association's own publications have been exhausted and the association is now using largely the publications of various societies, municipalities, transportation companies, hotels and Dominion and provincial publicity departments.

Fortunately, there is no lack of literature in spite of the big demand and the Tourist Association is finding that a great many enterprising people issued a number of handy reference guides for the provinces and different sections of the province. This great increase of privately issued publications is believed to be one of the sure indications that the people are awake to the possibilities of the tourist business.

This work of advertising our country is bound to bring splendid results. The effect is already apparent. This season is far ahead of any other in tourist traffic and all visitors are highly pleased with our climate, our scenery, our good roads and the varied facilities for healthful out-door recreation in New Brunswick. Next year will, in all probability see a still greater influx of summer visitors.

**FOUGHT DUEL WITH RAZORS**

One Man Killed and Second Dying After Fight in a Bathroom.

New York, Aug. 25.—Locked in a bathroom two men, room-mates, fought a duel with razors early today in a rooming house. One of them was killed and the other probably was fatally slashed about the throat.

Wm. Walters, the dead man, was almost decapitated. Edwin Castellones, the other man, was almost as seriously slashed. Tenants said the fight between the two men started in their room. Walters then went into a bathroom on the floor below where he locked himself in. Castellones then jumped from the room to an extension roof, from which he climbed into the bath room. There they fought their razor duel. Police, called by the tenants, broke down the bathroom door and found the two men lying on the floor. Walters was dead. Castellones was seriously injured.

**TO JACQUET RIVER**

Mrs. Charles D. Eaton of Newport and party who have been camping at the Hart's Island pool for the past week, leave tomorrow by auto for Jacquet River, Restigouche County, where they will remain a few days. They have engaged Mr. Raymond Currie of this city to accompany them on the trip.—Fredericton Mail.

**Matapedia**

Mr. Orval Irving left Tuesday evening on the harvest train for the western provinces.

Friends of Mrs. Dan Lawlor are glad to see she is able to be out again. Miss Ellen Delaney has returned home after visiting friends in New Castle, N. B.

Mr. and Mrs. Alex Irving accompanied by their sons Morton and Raymond motored to New Richmond on Sunday.

Mrs. Frank Irving has returned from Dawson where she spent the summer months.

The Catholic bazaar held on Monday, Tuesday and Wednesday, proved to be a success in spite of the rainy weather.

Miss Zeta Farrell has returned home after spending a few weeks with friends in New Carlisle.

Miss Helen Caldwell of New Carlisle is the guest of Miss Label Pratt. Messrs. Irvine and Willie Pratt left Tuesday evening for Winnipeg. Miss Elizabeth Delaney has returned home after spending a week with her aunt Mrs. B. LeBlanc, New Carlisle, P. Q.

Mr. and Mrs. Harry Gallon, New Carlisle were the guests of Mrs. James Delaney on Monday.

Miss Mollie Murray of Campbellton, N. B. was the guest of Miss Opal Irving.

The minister raised his eyes from his sermon notes in time to see his young son pelt the congregation with horse chestnuts. The son, seeing the disapproving paternal eye was upon him, cried out: "You tend to your preaching, Pop. I'll keep 'em awake."

**How to make  
DUTCH  
PICKLE**

1 quart green cucumbers, 1 small cabbage, 1 quart onions, 3 red peppers, 1 quart green tomatoes, 1 large cauliflower, 1/2 cup salt.  
Chop all fine and pour on enough hot water to cover. Let stand half an hour and drain, then make a dressing of the following—  
8 tablespoons Colman's D.S.F. Mustard, 3 cups sugar, 1 tea-spoonful turmeric, 1 cup flour.  
Mix with a little vinegar until smooth, add mixture to 2 quarts vinegar stirring constantly over fire, until thickened, then pour over vegetables.
