PREFACE.

In presenting to our patrons our second Directory of the City of Belleville we hope it will meet with their approval. A thorough canvas of the city has been made, and every effort used to obtain the name of every person who should be represented in a City Directory.

Mistakes will occur, but we are confident that no more thorough canvas of the city has ever been made.

We have aimed to make our work a fit representative of the public spirit and importance of the City of Belleville, and an accurate and complete guide to all public places, business locations and private residences of the inhabitants of the city.

THE CLASSIFIED BUSINESS DIRECTORY is a complete mirror of the business interests of the city, and represents it to the outside world only as a business Directory can.

THE MISCELLANEOUS DIRECTORY furnishes a large amount of information useful to strangers.

The Street Guide will be found of much value.

Thanking our patrons for the liberal patronage bestowed on our work, we remain,

Yours respectfully

THE PUBLISHERS.
