The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagram illustrates the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE
PROGRAMME

The primary idea of this Programme is, of course, to enlighten the audience as to the personnel of the artists taking part in the performances, incidentally to serve as a guide to the plot of the piece, and generally to give such information as will tend to the enjoyment of the auditor.

Reading matter of a miscellaneous nature, is, however, liberally supplied, that may be perused with interest and advantage. Quips and Quirks give zest to the solid matter, as sauces do to meats, but there is a fund of information in the advertisements that may be seriously considered with profit.

The publishers are prepared to attend to all business in the way of general and special advertising.

Respectfully,

BELTON & ROOTE,
Advertising Agents.

MONTEBELLO Champagne was never so well known the world over nor so popular with the *elite* of all civilized countries as it is to day. This wine is produced in the heart of the champagne district of France, on what was formerly the estate of the Duke of Montebello. The industry was begun by the duke and his two brothers sixty years ago, and the heirs are now the active partners in the famous firm of Alfred de Montebello & Co. The grapes (usually of the black varieties) are pressed immediately after being gathered, and the juice on the first fermentation turns white. After being racked it is mixed with the juice of other growths and the brewing is effected. Then in the spring of the year the wine is decanted and bottles being placed cork downwards to allow of the dregs being easily withdrawn. After this is done, a liquid made by dissolving sugar candy in champagne wine is added, the bottles are recorked and dispatched to their destination. Such is, in short, the method of the manufacture of this great wine. That the result is a wine of unparalleled excellence connoisseurs the world over will testify. The triumphs of the Montebello brand are many, a notable one being that achieved at the Agricultural Hall, London, Eng., where out of twenty of the leading champagnes it was placed first. During the recent festivities given in France in honor of the visit of the Russian Fleet, Montebello Champagne was used at the following fetes:—Dinner of six hundred guests at the City Hall Toulon; grand dinner given by President Carnot to Admiral Avalane at the Palais de L'Elysee; grand dinner at the Ministry of Foreign Affairs; grand dinner at the Hotel de Ville, Paris; grand ball at the same place, and at the grand dinner given by the City of Lyons. Montebello champagne is supplied to President Carnot, the Court of Russia, the Court of Spain, the Khedive of Egypt, the Duke d'Aoste of the Court of Italy, His Highness the Prince of Galles, and the nobility and gentry the world over, and is to-day sold by all the leading Clubs, Hotels and Restaurants in the Dominion.

Offices: 127 Broad Street, New York, N. Y.; 99 St. Francois Xavier Street, Montreal.

 Man, indeed, would have a fit and die from

 Thou art fair as the lily, and beauteous as

 For, coming down to beauty, you're in it, "I'll

 Oh, woman, lovely woman, thy charms are
 ever great,
 Thou dost keep the men all guessing some-
 times at a lively rate,
 How often hast thou caught them with thy
 smile so fair to see,
 Oh, woman, lovely woman, come, wilt "smile
 with me?"
 Oh, woman, lovely woman, chief attraction—
 nay, save one,
 And that one is our office, where the finest
 Printing's done.
 Our printing is par excellence in quality, and
 the price,
 When you see the work we do you'll say "It

 Oh, woman, lovely woman, thy influence with
 man
 Has always held full sway e'er since the world
 began.
 Exert it in a profitable way o'er fathers, lovers
 and brothers,
 And tell them when they printing want—
 forget that "there are others."
 Then woman, lovely woman, thou hast not
 lived in vain,
 Pleasant day to-morrow, if indeed it does not rain
 We'll sing your praises truly, your charms both
