AUDIT OF PUBLIC ACCOUNTS.

THE BOARD OF AUDIT WILL SIT ON THE FOLLOWING DAYS :

Wednesday, January 10th. Thursday, July 12th.
 Wednesday, April 11th. Thursday, October 11th.
 Wednesday, January 9th, 1884

All accounts must be in the hands of the Clerk of the Peace not later than the first week of the quarter. Any account received after that time will be laid over till the next audit

Suggestions to Magistrates and Constables.

Inasmuch as constables' accounts are often thrown out by the Board of Audit, owing to defects in the certificates of the Magistrates who vouch for the services performed, it is important that the following suggestions be carefully observed :

1. All unnecessary portions of the printed certificate should be struck out before it is signed, so that it will appear whether

- (a) The prisoner was committed for trial, or
- (b) Committed for a period certain, or
- (c) Discharged, and
- (d) Whether he was admitted to bail.

Magistrates would greatly assist constables in obtaining payment of their accounts, if they would see that the following requirements are observed when the accounts are submitted to them to be certified :

1. The name of the prisoner set out.
2. The offence with which he was charged.
3. The mileage to and from any particular place, giving the town, village, lot and concess-ion of township, &c
4. The affidavit to be made by the constable carefully filled up, and the date given in the jurat.
5. The day, month and year must be given for each particular item of the account
6. Claims against the County not to be included with those against the Government.
7. As blank forms are now printed on quarter sheets, it is suggested that (in criminal matters at least), every case should have a separate sheet.
8. Claims in respect of *inquests* must not be included with any other claim.

Magistrates, in making their quarterly returns to Clerk of the Peace, will oblige by informing him at same time of any Justices or Constables who have died or left the place since his last return.
