18. No alteration in the Constitution shall be made except by a resolution duly passed at the Annual Business Meeting, or some adjournment thereof, and no such resolution shall be proposed unless a notice in writing of the terms of such resolution, signed by two members as proposer and seconder thereof, shall have been given to the Secretary one month at least, previous to the Annual Business Meeting at which the same is to be proposed ; and it shall be the duty of the Secretary to immediately notify all members of the Association of such proposed amendments, and also to post them on the bulletin board at the opening of the Annual Matches.

## THE TWENTY-EIGHTH ANNUAL REPORT

OF THE

## PROVINCE OF QUEBEC RIFLE ASSOCIATION,

1896.

---

Your Council in reporting the proceedings of the past year, can congratulate the members on a slight improvement over the year 1895.

### SUGGESTIONS FROM LAST YEAR.

To begin with the suggestions from last year, we regret to report that owing to the change of the Government, and the short time the present Minister of Militia has been in office, the question of the assumption by the Department, of the telephone lines belonging to the Association on the Cote St. Luc Ranges has not been arranged: in fact, the prospect of the issue in the near future to the whole Militia of the Lee-Metford or Lee-Enfield rifle, raises the question whether the present ranges will be retained by the Department or not. Certainly, in their present state they are quite unfit for use, and the estimated cost of repairing them is so large that it would possibly be more economical to remove to larger and more convenient ranges at once. In this case, the telephone lines would be of no use. We would urge, however, that the matter be not lost sight of by the new Council.

The suggested grant from the City Corporation also remains in abeyance, owing to the advice of a prominent official, who stated "no funds were available." This also might be looked after, as we see a new loan has been authorized.

The M. A. R. A. reported that they had derived no revenue from the use of the telephone, so had nothing to pay over.

FINANCES.

As will be seen from the financial statement, the collections from outside sources have not been as large as in past years.

The Quebec Government, as reported last year, voted us a grant of \$200.00. We have again applied for it, and requested the Honorable Treasurer to increase it. The Assembly is now in session, and it would probably be a good idea if some motion could be passed at this annual meeting urging the increasing of the grant to the old figure of \$500.00, and have the motion telegraphed to the Honorable Treasurer direct from the meeting.

The Hon. A. W. Morris is again looking after the interests of the Association, having gone to Quebec this week to see the Honorable Provincial Treasurer, and will urge the increasing of the grant.

Both the affiliated and individual memberships have increased this year, though the latter still lacks the support it should receive from the officers generally, in the different regiments throughout the Province. In fact, we may say that outside the City of Montreal, little or no financial aid is received.

The assets of the Association consist of the stock of articles stored on the ranges, list of which is attached, with valuation.

PRIZE MEETING.

The Annual Matches took place on Wednesday, the 12th August, and two following days, and were very successful. The weather was all that could be desired, and the scoring very high. The prize list was about \$2,000, exclusive of cups, trophies, badges, etc.

The entries were as follows:—

Regular Matches...	700	In 1895.....	679	Increase...	21
Teams .....	45	" .....	44	Decrease ..	1
Extra Series .....	911	" .....	790	Increase...	121

There were 14 possibles in the 500 yards Extra Series, and it has been suggested that the size of the bull's eye should be reduced, also that the Extra Series shooting should be going on all the time, dividing

up the targets, and shooting the regular matches on fewer targets ; also to put no money in the Extra Series prize list, making the prizes all kind prizes. This, however, is a matter for the new Council to consider.

Owing to some dissatisfaction which existed regarding the English 1896 M. H. ammunition, which had been imported by the Department for the Dominion and Provincial Associations, application was made to the Department for an issue of 1894 D. C. M. H., which was duly granted. It was wrapped in the sizes required for the different matches, and issued to the competitors at the firing point. It turned out most satisfactory.

The matches were advertised as usual in the Military Gazette, and copies were mailed to the likely competitors, same as last year.

The officials for carrying out the matches were :—

Executive Officer—Lt.-Col. Mattice.

Statistical Officer—Major Walsh.

Range Officers—Lt.-Col. Hodgins, G.G.F.G., O.

“ Lt. Brown, P.L.D.G., O.

“ Capt. Winter, R.O.

“ Lt. Armstrong, Royal Scots.

Camp Quarter-Master—Lt. Forbes, Royal Scots.

To all of whom the thanks of the Association are due, for the satisfactory manner in which their duties were performed.

#### DONATIONS.

The thanks of the Association are due to His Excellency the Governor-General for his donation of a Silver and Bronze Medal, also, to His Honor the Lieutenant-Governor for his gift of a Bronze Medal.

Thanks are also due to the following banks, commercial associations and merchants, for donations in both cash and kind, viz. :—Bank of Montreal, Bank British North America, Merchants Bank, Bank of

Commerce, City and District Savings Bank, Molson's Bank, Sir Donald A. Smith, Hon. G. Drummond, R. Hamilton, Esq., H. Montagu Allan, Esq., Lyman, Sons & Co., R. B. Angus, Esq., W. Dow & Co., and a number of others whose names are in the lists of donors.

## D. C. R. A.

We were well represented at the Dominion Rifle Association Matches in Ottawa, and will have five representatives from the Province on the Bisley Team of 1897.

We also took second place in the contest for the London Merchants' Cup, winning \$80.00, which was divided equally amongst the team.

Quebec 2nd place (681) \$80.

A new departure was made this year, by having a furnished marquee on the Ranges during the matches, in which the chairman of the Executive Committee, Lt.-Colonel Massey, assisted by Majors Ibbotson and Blaiklock, received the numerous visitors who called to pay their respects to the representatives of the P. Q. R. A. Amongst the many visitors were: Sir Charles Tupper, Bart., Hon. Dr. Borden, Minister of Militia, Major-General Gascoigne, the members of the Head-quarter staff, officers of the Berkshire Regiment, Royal Engineers, etc.

The idea is a good one, and will, we think, be of great service to the association.

## SUGGESTIONS FOR THE NEW COUNCIL.

Owing to the knocking about received by the cases which contain the cups and trophies of the Association going to and fro, after the Annual Matches, we would suggest that good strong rough boxes should be ordered, with the initials of the Association painted thereon, and into which the cases should be put when being sent away.

A list of the property accompanies this report, also minutes of meetings.

The whole respectfully submitted.

W. M. BLAIKLOCK, MAJOR,

*Secretary.*

 COUNCIL.

A meeting of the Council was held immediately at the close of the meeting of members, in Council tent, Cote St. Luc Ranges, on Thursday, the 13th August.

Present :—Lt.-Col. Fraser (in the chair), Lt.-Col. Hood, Majors Ibbotson and Blaiklock, Capt. Collins and Lieut. Desbarats.

On motion, the meeting adjourned until the fourth Wednesday in December.

## EXECUTIVE.

A meeting of the Executive Committee was held in the Council tent at Cote St. Luc Ranges, at noon, on Friday, the 14th August.

Present:—Lt.-Col. Hood (in the chair), Major Ibbotson, Lieut. Desbarats, and the Secretary.

The question of an error in the claim card of the 13th Battalion Team in the Association Match was brought up. Sergt.-Major Huggins, commanding the team, having entered Sergt. T. Mitchell's score at 600 yards as 39 points, instead of 41, making a team total of 342 instead of 344, throwing the team out of the prize list. This point having been provided for under Rule 16, Section "C," the Committee expressed their regret that they could do nothing in the matter, especially as the prize list had been already posted for over twenty-four hours.

A meeting of the Executive Committee was held on the Cote St. Luc Rifle Ranges, Friday, the 14th August.

Present:—Lt.-Col. Hood (in the chair), Major Ibbotson, Lieut. Desbarats and the Secretary.

Claim of Corporal Agins, R.C.A., for return of entrance fees in Carslake Match, was granted, he having had to retire through sickness.

Statistical Officer reported that in the Extra Series Matches, there were 14 possibles at 500 yards, and requested a ruling as to how these ties should be decided. After discussion, it was decided that, as the prizes in the match consisted of both money and kind prizes, and were also subject to choice, in accordance with the competitors' standing, it was decided that the nine money prizes should be divided into nine equal prizes; that all winners having possibles should shoot off for places, and choose prizes according to the final result, shooting off to be 3 rounds at 500 yards, and if still a tie, by single shots until decided.

A hearty vote of thanks was given Major J. P. Cook, M.L.A., for services rendered in obtaining the early payment of the

Dominion Government grant, also, to the Hon. Minister of Militia, for his prompt compliance with the requests of the Association.

The question of a grant from the City Corporation was discussed, and it was understood that the Committee who had the matter in charge had been advised by the City Treasurer to delay their application.

Notice was taken of the fact mentioned by the Statistical Officer that 14 possibles had been made in the Extra Series at 500 yards, and it was suggested that a complete re-organization of the Extra Series Match should be made. It was suggested that, for 1897, the regular matches should be fired at 15 targets, and that 5 targets on either flank should be reserved for Extra Series shooting. The prizes to consist of kind prizes only, no money to be added.

It was suggested that the bull's-eye should be reduced in size on the Extra Series target.

---

Meeting of Executive Committee was held in the Secretary's office, 20th August.

Present :—Lt.-Cols. Massey and Fraser, Major Ibbotson and Lieut. Desbarats.

A complaint was made to the Committee that the first-class targets on the left of the main butt, when in use, interfered with the shooting on the main butt. It was suggested that the Militia authorities should be asked to put up a screen, which would hide the first-class targets from the view of the competitors firing from the left end of the main butt.

A complaint made with reference to the food supplied the men was taken up, and it was suggested that a member of the Executive Committee be detailed to inspect the food supplied to the competitors by the caterer at the canteen every day during the meeting.

The question of the rules governing the deciding of ties was brought up, also, the position assumed by competitors standing shooting at 200 yards, and the Secretary was asked to look up the rules of the N. R. A., and amend those of the P. Q. R. A. to conform therewith.

The Secretary was also requested to write to the Militia Department *re* proper accommodation for the range keeper, also competitors.

It was suggested that the Match Committee should put in a special Extra Series Match, to be called the "Massey," in which the prize given by Lieut.-Col. Massey would be the first prize, and a good list of other prizes be given, to be fired off on the morning of the last day of the next Annual Prize Meeting.

It was resolved to ask the Provincial Government to make their grant \$300 for next year.

Secretary of the M. A. R. A. reported by letter that there was no surplus of revenue arising from challenges over the telephone during the season, the expenses in connection with the telephone using up all the revenue.

Lieut.-Col. Fraser reported that the returns of the Military Match, which had been referred to him to examine, were quite accurate.

The Secretary was authorized to get Colonel Lyman to collect all outstanding contributions.

It was resolved that the Association should continue printing its annual reports, and that Lieut.-Col. D. T. Fraser, Lieut. Desbarrats and the Secretary be a Committee to attend to the printing.

---

A meeting of the Executive Committee was held Friday, the 11th December, in the Secretary's office, at 4 p.m.

Lieut.-Col. Fraser reported that the Treasurer was ill and confined to the house, and that, as Chairman of the Finance Committee, he had drawn up a memo. of the finances, which were as follows:—

Cash on hand in bank . . . . .	\$146 09
Subscriptions reported by the Treasurer yet to collect, considered good . . . . .	100 00
	<hr/>
	\$246 09

He had no memo. of the indebtedness, as he had been unable to get the accounts, but he was under the impression that nearly all the accounts had been paid.

It was resolved that, owing to the illness of the Treasurer, the Chairman of the Finance Committee, Lieut.-Col. D. T. Fraser, should request Lieut.-Col. Lyman to continue the collections, so that as much of the money as possible could be gathered in before the meeting of Council.

The following accounts were passed:—

Ross Bros., steel wire cord for targets . . . . .	\$ 4 65
J. H. Jones & Co., one 8-day clock, to replace clock which went out of order during the matches . . . . .	4 75
Expenses of P. Q. R. A. Marquee in Ottawa, furniture, decorating flags, flowers, hire of marquee, attendant's time and subsistence . . . . .	52 71

Major Rogers, 43rd Batt., was granted return of entrance fees for the following matches, he having to leave for Ottawa:—

Active Militia . . . . .	\$1 70

	<hr/>
	\$3 40

The Secretary reported that he had written the Hon. Treasurer *re* the annual grant, but had, so far, received no reply. The Hon. A. W. Morris had taken the matter up with the Treasurer while in Quebec.

It was resolved, that the Chairman, Lieut.-Col. Massey, should telegraph to the Provincial Treasurer, calling his attention to the grant for 1897, and asking if it was in the estimates already sent down.

#### MEETING OF COUNCIL.

Adjourned Annual Meeting of Council was held in the Brigade Office, on Wednesday, the 23rd December, at 12.30 p.m.

Present:—Lt.-Cols. Brosseau, Massey, Starke and Fraser, Majors MacKay and the Secretary.

In the absence of the Chairman of Council (Lieut.-Col. Houghton), who was absent on official business, Lieut.-Col. Massey was requested to take the chair.

The Secretary's report was read, received and adopted, and showed that the Association was in a somewhat better position than the previous year. The prize meeting had passed off very creditably.

In the absence of the Treasurer, through ill health, the Chairman of the Finance Committee read statement of finances, showing a balance in the bank of about \$160, and debts due to the extent of about \$121 37. He further reported that, owing to the Treasurer's ill health, the collecting of subscriptions and donations had not been attended to, and there remained still about \$100, which it was thought could be collected. He further reported that the accounts were not completed, so that no final financial statement or audit could take place at present. He called attention to the small number of individual members, to the smallness of the Quebec grant, and to the tardiness in getting in the collections. He suggested that more care should be exercised in taking receipts for cups and trophies, and that particular attention should be paid to the condition in which

they were received from the last holders. He also suggested that no medals or cups should be placed in the prize list, which were not on hand when the programme was drawn up.

Statement as presented by the Chairman of the Finance Committee was received and approved, and the Chairman was requested and authorized to obtain from the Treasurer all books and papers necessary to complete the financial statement.

*Resolved*—That all accounts be paid forthwith. That Lieut.-Col. Lyman be requested to complete the collections for the year.

*Resolved*—That the sum of \$50.00 be voted to Mr. R. Allan, caretaker of the Ranges, for his services to the Association during the year.

The usual grant of \$200 was voted to the Secretary.

Lieut. Col. Massey reported that he had seen the Provincial-Treasurer, and he had promised to put \$250 into the estimates this year, and, if possible, would increase it.

Meeting adjourned.

Firing shall commence each day as ordered.

All firing shall be conducted under officers or persons appointed for the duty by the Executive Committee, and all competitors shall be under their authority.

### NOTICE TO COMPETITORS.

1. Competitors must make themselves acquainted with the regulations, as also with the conditions of the Match for which they have entered, as in neither case will the plea of ignorance be entertained.

2. The Range Officers will decide disputes on the ground. Appeal from their decisions may be made in writing to the Executive Committee, whose decision will be final and without recourse. Their decision to be given in writing to the Secretary.

3. When at the firing point they must comply with all orders given by the Range Officer, or Officer in charge.

### 1.—GENERAL REGULATIONS.

I.—No active Militiaman shall shoot as a member of more than one corps.

II.—No non-commissioned officer or private, employed by the P.Q.R.A. for duty at the firing points or in the butts, shall shoot either for a prize or for practice during the meeting.

III.—In all competitions restricted to Active Militiamen or in which they shoot as such, the uniform of their corps shall be worn, and in accordance with the R. and O. of M., viz.:

1. Tunic, patrol or regulation fatigue jacket with waist belt. Elbow caps not allowed.

2. Trousers.

3. Regimental head-dress, or a cap cover, with or without a cap under it.

*Cap Covers or puggerces may be worn over the regimental full or undress cap, and great coats or waterproofs over uniform.*

All officers of the same corps must appear in the same order, as must also non-commissioned officers and privates, but where a duly authorized undress for officers exists, they may appear in it, although the non-commissioned officers and privates may be in full dress. Cross-belts need not be worn.

4. In competitions not restricted to the Active Militia, competitors must appear either in complete uniform or wholly in plain clothes. Any objection on the score of a competitor's dress must be raised *before* he takes up his position to shoot, or while he is shooting.

IV.—Competitors must submit their rifles and ammunition for inspection when required.

V.—Fixed artificial rests will not be allowed, except in the Skirmishing match.

VI.—Competitors may use a waterproof sheet, mat or great coat, not folded up, but laid flat on the ground; but no cork beds or elbow rests will be allowed, except those furnished by the Association.

VII.—No wiping out between shots will be permitted.

VIII.—No competitor shall load until he has taken his position at the firing point and the Register Keeper has given the word "All clear."

IX.—One sighting shot must be fired at each range in the aggregate Matches. Register Keeper will supply ammunition for it. Cost is included in entry fee.

X.—No sighting shots will be allowed in the Extra Series Matches.

XI.—No fouling shots allowed on the Range.

XII.—Slings may be used in all matches, but they must be of the Government length and pattern, white, brown or black, and attached to the rifles, as in Government arms. The greatest length of a Government sling is 54½ inches, not including the tongue or the buckle.

#### IN INDIVIDUAL COMPETITION.

XIII.—(a) A competitor may use a binocular or telescope, *not mounted on any kind of a stand*, provided his doing so causes no delay in the shooting.

(b) After a competitor has taken his place at the firing point, no person, except the Register Keeper or an officer on duty will be permitted to speak to him.

(c) No coaching of any kind will be permitted in any match.

Any violation of this rule, or any part of it, must be at once reported by the Register Keeper to the officer in charge, who will caution the offender, and on any repetition of the offence shall report the same to the Range Officer, to be dealt with by the Executive Committee, as laid down under the head of "penalties," and the person or persons offending may be removed from the firing points.

- (f) Who shall alter or make any erasure on his firing ticket; or

## DISALLOWANCE OF SCORE.

## XVI.—Any competitor—

- (a) Who shall fail to comply with the conditions laid down for any particular prize; or
- (b) Who shall infringe on any of the instructions and regulations for the conduct of the Meeting while shooting for any particular prize; or

(c) Who when competing for an aggregate prize, shall omit to enter, or shall enter incorrectly, his previous score or scores on the register or ticket provided for that purpose; or

(d) Who shall shoot dressed partly in uniform and partly in plain clothes—See Reg. III, Sec. 4—

Shall, on the occurrence being proved to the satisfaction of the Executive Committee, have his score for that particular prize disallowed.

**FINES.**

XVII.—Any competitor— who shall accidentally fire at the wrong target, shall be fined one dollar, to be paid forthwith to the Range Officer.

In cases where a competitor is excluded from “further competition,” or where his score is disallowed for any particular prize, *the circumstances only* under which the penalty was incurred shall be posted on the notice board, as a warning to others, without the name of the individual implicated.

In case of “disqualification,” the names of the offenders, as well as the particulars of the case, shall be posted on the notice board.

**MILIGATION OF PENALTIES.**

XVIII.—The Executive Committee shall have power to mitigate or remit any of the above penalties.

**3.—PRIZE WINNERS.**

XIX.—Unless otherwise specified, no one will be allowed to take more than *one* prize in any competition.

XX.—Winners of prizes, on signing the certified receipts will receive the amount or amounts due to them from the Treasurer of the P. Q. R. A.

## 5.—MARKING.

1. The marking will be as follows :—

a. Bull's Eye.....	5	.....	White Disc.
b. Inner.....	4	.....	Red Disc.
c. Magpie.....	3	.....	Black & White Disc.
d. Outer.....	2	.....	Black Disc.
e. Ricochet.....	R	.....	Black Bar.

f. *Misses* will not be signalled ; but if a target has been lowered under the impression that it has been hit, and if no hit is found on it, after raising it, the Marker will wave a red flag, which will signify a miss.

2. When *two shots* strike the target simultaneously, that which has the highest value will alone be signalled with the signal disc, and the competitor whose proper turn it was to fire at the target will be credited with that shot, provided he has fired. Both shots will, however, be shown by spotting discs.

3. On a target being lowered, the position of a hit, if any, and its value, will be shown by spotting disc, when the target is again raised.

4. The signalling shall not be questioned, but if a shot is not signalled, and the officer in charge of the firing points be satisfied that a reasonable doubt exists as to whether the shot may not have struck the target, he may ask the officer at the butt to examine the target. *The result of the examination as signalled shall be final.* Any competitor challenging a shot shall deposit the sum of twenty-five cents with the officer in charge at the firing points, which shall be forfeited in case no hit is found on the target.

5. If, on a target being raised, the spotting disc appears manifestly to disagree with the signal disc, the Register Keeper shall stop the firing at the target, and report the circumstance to the Range Officer, who shall decide the shot after enquiry of the Officer in charge at the butt; but no deposit shall be required, nor shall there be any appeal from the decision given.

6. All claims for shots signalled must be made before another shot is fired at the target in question.

7. If, at the moment at which a competitor fires, his target should be lowered in such a manner as to falsify the result of his shot, the Range Officer is empowered to cancel the result of such shot, and to permit the competitor to fire another shot in its place.

8. All alterations of the register must be initialed by the Range Officer making them, but no alteration except in case of a clerical error, shall be made without his having first signalled to the butt.

9. No person will be permitted to go and examine a target during the Meeting except the Range Officer, or such person or persons as he may duly authorize to do so in his behalf.

*Military Match Targets.*

(6 feet by 3 feet 6 inches high ; 3 Divisions.)

1. Lower belt, 11 inches high ; score value 5 points.
2. Middle belt, 20 inches high ; score value 3 points.
3. Upper belt, 11 inches high ; score value 2 points.

*In Skirmishing.*

When the number of hits counted on the target exceeds the number of shots allowed in the competition, three marks shall be deducted for every such hit in excess of the number of shots, unless it be proved that such hits on the target in excess of the number of shots allowed could only have been made by competitors in the squad firing more than their usual number of rounds, in which case the squad will be disqualified.

**6.—RIFLES.**

The rifles shall be Martini-Henry rifles, either the Government issue or of *bona-fide* Government pattern, and bearing the Government Viewer's mark.

1. Weight of Martini-Henry, without bayonet not to exceed 9 lbs.
2. No pad or shoe for the heel plate of the butt will be allowed. Minimum pull or trigger, 6 lbs.
3. Sights to be strictly in accordance with those of the Government issue. Filed sights will not be allowed.
  - (a) All sights may be temporarily blackened or whitened, but no application of a permanent nature will be allowed. No shading of sights will be permitted.
  - (b) The back sight may be tilted forward or backward, or supported at an angle by any extemporized means.
  - (c) The sliding bar may be reversed, and used on either side of the uprights. *Three* permanent lines for the Martini-Henry will be allowed, and *temporary* marks or lines of any kind, removable at pleasure, may be used.

**7.—AMMUNITION.**

Competitors must use the ammunition provided by the Association, the cost of which is included in the entrance fee.

**8.—POSITION.**

Unless otherwise specified, the shooting at all ranges shall be from the firing points, and may be any position with the head to the target

## 9.—ORDER OF SHOOTING.

1. When a competitor has joined a squad he shall not leave it until he has retired or completed his firing, without leave from the Range Officer; any competitor losing his turn, or being absent without leave, or who does not hand his scoring ticket to the Range Officer at the firing point to which he is squadded at the time detailed on his ticket, will be disqualified for the match, and lose his entrance fee. Time will be regulated by the Association clock in the Secretary's office.

2. In all competitions competitors shall, when possible, be formed up by threes, and fire shot and shot *alternately*.

3. Where but *one* competitor is present, he shall fire his shots without undue delay, but the officer in charge of the firing point, or *some person named by him*, must witness the shooting and countersign the Register. Failing such verification, the score will be invalidated.

4. No competitor shall change his rifle at any range, during a competition, unless his first rifle should become unserviceable through an accident, which must be verified through the officer in charge.

5. In the case of unreasonable delay in firing on the part of any competitor, or of such delay as the Range Officer may consider likely to prolong the firing beyond the time allowed, the Range Officer shall have the right to caution and time the competitor by a sand glass, purporting to run one minute, more or less and, if, after such caution, the competitor does not fire before the sand has run out, the Range Officer shall declare the score forfeited and call upon the next competitor to proceed with his firing.

6. The competitor must, after delivering *each shot*, pay attention to the score called out by the Register Keeper, and himself see that such score is correctly entered on the blackboard, so that any objection to the score recorded may be investigated before the next shot is fired, and before leaving the firing point ascertain that the total has been correctly entered by the Register Keeper.

N.B.—The right of objection in the above case only extends to the registration of scores by the Register Keeper, and not to Marker's signals.

## 10.—TIES.

Ties shall be decided as follows :

A.—*An Individual competition for a series of prizes—*

1. If at more than *one* distance, by the *range totals in inverse order*.

2. By the fewest *outers*.

3. By the fewest *maggies*.

4. By the fewest *inners*.

5. By the *value of each shot in inverse order*.

6. FOR MONEY PRIZES, by *Division*.

7. FOR PRIZES IN KIND, by *shooting off* as in Clause B.

8. In the case of a PRIZE OF PRIZES, PART IN KIND AND PART IN MONEY, *by shooting off for the prize or prizes in Kind and Dividing the Money.*

N.B.—In all competitions the *order* of the winners shall be decided by the foregoing rules, if possible, but in the case of absolute ties the names shall be arranged alphabetically and bracketed.

B.—*Individual Competition for a single prize—*

1. By the aggregate scores in *three* rounds at the longest distance.
2. By firing single shots until decided.

Absentees shall forfeit their claim to shoot.

C.—*In Team Competition—*

1. If at more than one distance, *by the aggregate range totals in inverse order.*
2. By the fewest *outers.*
3. By the fewest *maggies.*
4. By the fewest *inners.*
5. By the highest scores in each team *shooting off*, as in Clause B.

D.—*Aggregate—*

Ties for the first place by the aggregate score in five rounds at longest distance.

For other places—

By the aggregate total of each range in inverse order, viz.:—

- 1.—By the *total score* at 600 *yards.*
2. By the *total score* at 500 *yards.*

E.—*In military skirmishing and Volley firing by the largest number of hits.*

F.—In cases not met by the foregoing—

1. By *any special rules attached to the conditions.*
2. By *the fiat of the Executive.*

In all cases when a possible is made, three extra shots must be at once fired, under direction of the Range Officer, who will supply the ammunition, and should there be still a numerical tie, to fire shot by shot until decided.

“Competitors must make themselves acquainted with the time at which ties are to be shot off.”

## 11.—ENTRIES.

1. Entries, accompanied by the fees for the first seven matches, must be made on or before noon, on 10th August, addressed to the Secretary, P.O. Box 889, Montreal. After that date, 20 per cent. extra will be charged. Mr. T. C. Elliott, Assistant Secretary, will receive entries from city corps at his office in the Brigade Office, Montreal.

2. Every competitor shall enter and shoot under his own name, and not oftener than once for any prize, unless specially allowed by the terms of competition.

3.—To meet the case where the difficulty may be experienced in selecting the actual competitors in sufficient time to make the required entries by the 9th August, Officers commanding corps, and Secretaries of Local Associations, will be permitted to send in their application for

*(state number of competitors),*

accompanying such application with the amount of the entrance fees, and to postpone the rendering of the actual names of those for whom they make the entries, until the selection of the competitors is definitely made. In such cases the Register Tickets shall not be issued before the final return is handed to the Secretary, but in no case will the entries be made unless the money is forwarded. Any payment made for entries in excess of the number of competitors nominated will be returned in full, as provided for under paragraph 12 (a), Return Entrance Fee.

4. Entrance Fees must be paid at the time when entries are made.

The Registered Tickets will be issued on application at the Secretary's Office, on the Range.

*The Executive Committee reserve to themselves the power of refusing any entry, either for Volunteer or All Comers' Prizes, or of cancelling, at any moment, an entry that may have been previously accepted.*

#### 12.—RETURN OF ENTRANCE FEES.

1. Entrance fee in full will be returned to those—

(a) Who are prevented from being present at the meeting; or,

(b) Who attended the meeting, but who are incapacitated from illness or accident; or

(c) Whose entries the Executive Committee may have cancelled.

2. Claims based on other considerations than the above will, if allowed, be subject to a penalty of half forfeit.

#### 13.—SQUADDING.

1. In the case of competitors classified as ordinary entries, details of the day and firing points at which each competitor will be required to attend to fulfil his engagements will be found on his Register card.

2. In the case of post entries, competitors must await the squadding of ordinary competitors before being assigned to any target.

3. Competitors will note that in accordance with resolutions passed at competitors' meeting of 1891, Squadding will be by individuals; if possible, no two members of the same corps will shoot together.

## 14.—ALTERATION OF SQUADDING.

Any alteration which the Executive Officer may find it necessary to make will be duly notified on the notice board, and such notice shall be sufficient authority for the change. In the absence of such notice, tickets will be available only for the firing point for which they were originally issued, and any erasure or alteration will cancel the ticket, unless verified by the initials of the Executive Officer.

## 15.—REGISTER TICKETS.

1.—Should a competitor lose his ticket, or omit to take it to the firing point, or fail to attend at the hour detailed, or give a wrong ticket, and so by *his own neglect*, miss the opportunity of competing for the prize for which his ticket was issued, he shall forfeit his claim on the Association, and no duplicate ticket shall be issued to him, except under special circumstances.

2. Any erasure or substitution of one name for another shall invalidate the ticket.

*The Executive Committee reserve the right to alter, amend or rescind, any of the foregoing regulations as circumstances may require.*

By order,

W. M. BLAIKLOCK, Major,  
Secretary P. Q. R. A.

Post Office Box No. 889.

MONTREAL.

N.B.—In accordance with the Constitution, a General Meeting of Members of the Association will be held on 13th August, the second day of the Matches, at 5 p.m., in the Council Tent, and competitors' meeting immediately at the close of the members' meeting.

## TRANSIT.

Arrangements have been made with the several Transportation Companies to carry competitors at reduced fares, but competitors must get proper certificates from Agents, which are to be presented and signed at the railway station before starting and will be countersigned for the return trip by the Secretary.
