CREW RESCUED FROM STRANDED VESSEL

LIFE TOLL IN SHIP DISASTERS TOTALS FIVE

Govt. Ship Takes Men Off Moldegaard, Ashore in N. S.

WRECKAGE FOUND Captain's Wife and Four of Crew Drown When Schooner Is Ramméd

HALIFAX, May 2.—With the rescue this morning by the government steamer Stanley of the crew of the Norwegian steamer Moldegaard, which piled up yesterday morning in St. In Island, nine miles off Chebucto Head, it was thought in marine circles that the toll of life taken in the series of North Atlantic disasters caused by the dense fog that has shrouded the coast of Nova Scotia for three days would remain at five, representing the loss in the sinking of the Nova Scotia schooner Cape D'Or, which was rammed and sunk Thursday afternoon by the coal-carrying steamer Checkamack.

WOMAN DROWNED. The schooner, built from Norfolk, Virginia, for Halifax with coal, was picking its way through the fog on the last lap of the voyage when it crashed into the Cape D'Or at 4:28 Thursday afternoon.

While the Moldegaard disaster was next reported and throughout yesterday's efforts were being made to discover the Norwegian steamer which was bound from Alexandria to the American port, and her captain was so off his course when he struck, that the wrong position was made to be ascertained by a loss until this morning when the Government steamer Stanley found the wreckage located yesterday off Liverpool, N. S., had been identified as the three masted schooner Cape D'Or, which was rammed by the steamer Checkamack yesterday and which resulted in the drowning of four seamen and the captain's wife, Mrs. Wilkie, whose body was recovered and brought to Halifax.

WRECK IDENTIFIED. C. H. Harvey, local agent of the Marine and Fisheries Department, was in receipt this morning of advice from the Canadian Government steamer Ariens, stating that the wreckage located yesterday off Liverpool, N. S., had been identified as the three masted schooner Cape D'Or, which was rammed by the steamer Checkamack yesterday and which resulted in the drowning of four seamen and the captain's wife, Mrs. Wilkie, whose body was recovered and brought to Halifax.

PRINCE VISITS TRAINING SHIP NEAR CAPETOWN. CAPETOWN, May 2.—The Prince of Wales today motored to Simonstown, a naval station 20 miles from here, where he visited the training ship General Botha, which was lying in the harbor alongside the cruisers Dublin and Birmingham. A rousing reception was given the Prince at Simonstown, after which he lunched at the Admiralty House.

MASSACHUSETTS PROVIDES JAIL SENTENCE FOR DRUNKEN DRIVERS. BOSTON, May 2.—The 148th annual session of the legislature of Massachusetts prorogued last night. One measure adopted, of more than state-wide interest, was the so-called "drunken driver" bill, making mandatory jail sentences for drunken driving when the offense occurs within six months of a previous offense. The legislature voted against the child labor amendment to the Federal constitution.

Sixteen Chosen for Season at Meeting of Local Association

ROCKWOOD FIELD CLOSED TILL JULY

Report on Boys' Club Is Presented and Miss Heffer Is Commended.

Alice Dever, Miss Catherine O'Neill, Miss Eugene Kelly, Miss E. Stanley, Miss G. Wilson, Miss Mary O'Connor and Miss Mildred McCutcheon. The ladies of the association were the committee to choose the lady play leaders. The male leaders were as follows: Arthur Burns, Robert Langstroth, Harold Barker, Hugh Kennedy, Robert Marr and Sanford Goldman.

TO REMAIN CLOSED

Letters of application for use of the Allison (Rockwood) grounds were read by L. M. Farquhar, secretary, and he was instructed to advise the applicants that the association would stand by its resolution of last month, namely to keep the grounds closed until July 1, so that they may be in perfect condition for recreation. It was stated by the meeting that there were plenty of grounds available for the present, where practice might be carried on by the various teams.

REPORT WELL RECEIVED.

The treasurer's report showed a balance of \$88.09 in the bank. In the report of Miss Emma I. Heffer, general superintendent of playgrounds and the East End Boys' Club, it was shown that \$87.26 had been added to the building fund by the boys, as follows: Billiard table, \$12.00; concert, \$10; and other moneys from donations. Miss Heffer reported that her work had been most encouraging during the last winter and she felt that the culmination of six years of labor with the boys had brought wonderful results. At the annual meeting of the Boys' Club they had moved votes of thanks to Miss Lillian Hazen for assistance; to the Y. M. C. A., for giving them privileges at their building and for four intermediate tickets.

SAINT JOHN, N. B., MAY 2, 1925

MORE BUSINESS.

The inauguration of a new steamship service out of this port by the Roosevelt Steamship Company, Inc., means more business for the harbor and railways and is an important business gain. But it has additional significance, indicating what may be done by direct appeal to shippers who have not been acquainted with the advantages of this route and who, perhaps, have not given due consideration to the fact that all of Canada profits by the use of its own ports. The securing of this new business, which in the beginning will mean sailings twice a month throughout the summer, is one of the direct results of The Telegraph-Journal and Times-Star mission, in the course of which a representative of these newspapers conferred with the officials of the Ford Motor Company as to the use of Maritime ports, one result being the diversion of much Canadian freight which had been going through New London. The new line will carry automobiles and other Canadian cargo to India and other destinations. Obviously this matter of securing additional business for the port through co-operation with the railways and through better contact with shippers and manufacturers generally must command increasing attention from this time forward. The way to get business is to go after it. What has been already done naturally suggests that other sources of traffic may be tapped by intelligent and sustained endeavor.

UNITY AND PROGRESS.

At the annual meeting of the Canadian Daily Newspapers Association in Toronto on Wednesday the importance of a greater degree of unity in Canada was emphasized by men representing every daily newspaper of importance throughout the Dominion. "This Association," said the resolution adopted, "views with much gratification the proposals on foot to foster a spirit of greater unity between the provinces of the Dominion. We appreciate the efforts which have been made, and commend to our membership hearty endorsement of the movement, which we believe will tend greatly to the development of Canada as a whole." With greater unity, a closer understanding, there will be developed the co-operation from coast to coast which is essential to the satisfactory progress of Canada toward the high plane of contentment and prosperity which its people should enjoy. Manifestly the daily newspapers of the country will be doing a highly necessary and commendable work in fostering such a movement, which the Association rightly regards as tending greatly to the development of the country as a whole.

It has been said in some quarters that the Maritime Provinces and the Prairie district are disposed to adopt a hostile attitude toward the Central Provinces, as though jealous of the success of that more populous section of Canada. That is a mistaken view. Ontario and Quebec cannot be too prosperous to suit either the Prairies or the Maritimes. We are not envious of success elsewhere. The Maritimes and the West, however, have been making it clear that in their view all of the provinces must be more ready to give careful consideration to the shaping of national policies designed to extend the benefits of federal action to every part of Canada. In the matter of transportation, of the tariff, and of immigration particularly, it is essential to recognize that Canada as a whole cannot prosper if some of its provinces are merely tributary.

Not one of them can achieve success and contentment unless its people show both courage and enterprise in working out their own destiny. That is fully recognized in the Maritimes certainly. There is no expectation that Ottawa is going to supply any magic remedy for a business depression which has been long continued and more or less world-wide, but East and West, there is an expectation, and a reasonable one, that when a tariff is framed it shall be one quite as much in the interests of the Maritime Provinces and of the Prairie district as of Toronto and Montreal. As to immigration and all the federal activities in connection with it, it is but reasonable to insist that Ontario and the West shall not be the sole districts kept in mind by those who are advertising the advantages of Canada overseas or in the United States, or who are selecting the territory in which the immigrants are to be distributed. In the matter of transportation inasmuch as we have all shared in the cost of building the railways, it is but reasonable that the interests of the Maritime ports shall be given the same degree of consideration that is extended to the Western wheat grower.

The extremists will never give Canada prosperity and contentment,

Valuediction

(Judge.)

Among the casualties of the Industrial Age include Society, split with a big S. As this is the Society Number of Judge, we intend saying a few kind words of farewell to a much maligned institution.

In the first place, Society has never really been as wicked and alluring as Upton Sinclair, the Hearst papers and hat movies would have us believe. It may have tried here and there to attain the Mohammedan ideal of heaven, but it never succeeded. That picture of it, the ninety-five per cent. who can't be long.

And Society serves, or served a purpose. The civilization of a people is measured not by how they work and produce, but by how they play. Society's main object has always been to promote and preserve play. It is recruited from among those with the leisure and the taste (in both senses) for play. Matthew Arnold once defined it as instinctive, if imperfect, effort of every people to reconstruct the Golden Age of the race—the perfect civilization, before Pandora opened the Box.

But it's a goner. With knee-breeches and top hats, with sword-play and card-play and alcohol, with matrimony and manners, it is on its way into the abyss of industrialism. So spare your sneers.

A Mysterious Tract

(Edmonton Journal.)

The Sargasso Sea, that tract of floating seaweed in the north Atlantic which was discovered by Columbus on his first voyage to America, when he became involved in it, is still full of mystery to the scientist. The expedition which is now exploring it under the direction of William Beebe, the American naturalist, has aroused an extraordinary amount of interest, which is reflected in the space given to it in the newspapers. The Sargasso goes under the name of the "Sea of Lost Ships." This is because it was long supposed that if a ship became embedded in the seaweed, it was impossible for it to escape. But this was disproved by a previous expedition, that was sent out by the Norwegian government in 1910 under Sir John Murray. It found that the surface was covered with weed only in patches and not continuously.

Bunk.

(Ottawa Journal.)

When Mr. Clarence Darrow deluged the courts of Chicago with a flood of bad philosophy, worse history, and a farago of pseudo-scientific bunk, saving the necks of two young pedious rascals, the world thought that the depths of folly had been reached in criminal annals. But it was wrong. Nothing succeeds like success; and Mr. Darrow's bunk having succeeded magnificently, there has come a flood of worse evidence in American courts. The worst thing that has happened in the case of Dorothy Ellingson, San Francisco girl who shot her mother. Up to date six reasons have been given for her believing Dorothy insane:

- 1. Because she bit her finger nails.
- 2. Because her father was in the army and she was in the navy.
- 3. Because she would not go to church.
- 4. Because she got her wisdom teeth.
- 5. Because she was always late for her size.
- 6. Because her aunt died of tuberculosis.

It is highly probable that the only thing wrong with Dorothy is that she was a naturally wayward little flapper who ought to have been spanked, but wasn't when she refused to attend school. She was let grow up without check or advice until she went to the devil. Yet here we have law invoking, and degrading science, and administering justice on the kind of stuff that would be considered nonsensical at a stag party in a land quite ignorant of prohibition. Canadians, reading such reports, are inclined to shrug their shoulders and pity the poor United States. But they had better beware. The tendency to drag insanity into the courts is not confined to the Republic.

The Himalaya Mountains, India

(Copyright.)

This range of mountains, the highest on the planet, crosses numerous countries in its stretch from east to west. The mountains commence in Tibet, cross Bhutan, then run through Sikkim and Bengal, through the centre of Nepal and then again into Empire territory in the Kashmir, Punjab and the north western provinces of India. If one has been privileged to behold the Canadian Rockies and the Swiss Alps, and then to witness some of the ranges that make up the Himalayas, there are no foothills. The condition might better be described as an absence of the smaller ranges that surround the Rockies and the Alps. Like Kipling's Road to Mandalay, the Himalayas rise up like thunder from the plains of Bengal. Towering peaks with scarred walls that have been cut and scoured by raging torrents greet the visitor with a suddenness that is inspiring.

A second outstanding feature in comparison with our western range is the complexity of vegetation. Tropical trees, plants and flowers, interspersed with tea and spice gardens, fill many of the valleys. Above are forests of tropical hardwoods that blend into specimens that thrive only in the cold, and above all is the eternal snow. The word Himalaya is from the Sanskrit, and means the abode of the snow god. There are vast tracks of this elevated country that have not yet been explored by white man, and very few of the peaks have been accurately measured. There are many geographers who think that time will reveal numerous peaks exceeding thirty thousand feet. Such a discovery would rob Everest of his glory. Although threaded by scores of mighty rivers the passes through the Himalayas are very few. The best known of these is the Khyber, leading into Afghanistan. Most of the passes have been used by armies and caravans since the dawn of human history.

There Is Not A House In Saint John

Situated on streets where our gas mains run, that cannot be fully equipped with the very latest and most efficient GAS SERVICE—and at a very low cost. Saint John Housewives who have not, as yet, experienced the great boon of cooking with Gas are missing something really worth while. More than SIXTEEN HUNDRED Gas Ranges are doing the family cooking in Saint John today. And each week the number increases.

The Choice of Millions In Canada, alone, today the number of Gas Ranges in use runs into the HUNDREDS of THOUSANDS. Throughout the world—in England, in the United States, etc.—the number of Gas Ranges doing the family cooking can be reckoned by the MILLIONS.

Why Be Without a Gas Range? When they can be had as low as \$18; payable on easy monthly installments or to rent—as low as \$5 a year—if desired. You are invited to call at Gas Range Headquarters, corner of Dock and Union streets, and make your selection.

Just a word of advice—Now is the time, before the hot weather starts, to have the Gas Range installed. A little later the real rush will be on. An order now means an early installation.

Just to announce that plans are being completed for the immediate opening, at Gas Range Headquarters, of a Home Service department in which will be given, free, courses in Gas Cooking experienced direction. This will be a permanent department, a logical development of the increase in Gas Cooking Service in Saint John.

The Money Side Of Hydro Ranges

In the first place this cleaner and steadier cooking costs far less than any other. As low as \$50 you select a Hydro Range with ten months to pay. It will save quite that and more in ten months.

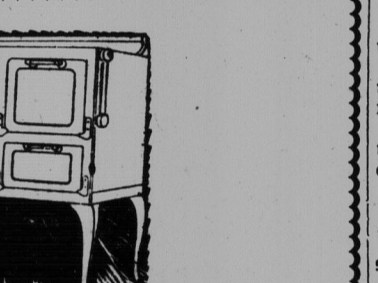

Electric Ranges are a real economy in cost of installation. You don't have to pay one red cent for the means of bringing the current from the street to your meter. Your Hydro looks after that without bothering your property. That is saving number three about Electric Cooking.

The cost of wiring from meter to stove goes as low as \$16. And you keep this yourself. Saving number four. Saving number five is a twenty per cent avoidance of meat shrinkage, due to absence of air and gas fumes. The savings that don't figure in money, but in work, count up by the dozen. Ten hours, less cleaning up per week for one. Call in tonight and investigate.

"Boy—" "At night." "Who told you that?" "You did. You said Rome wasn't built in a day." Jones was motoring home from the city to his little place in Leatherhead. A few miles out of town he had a little tyre trouble, and, as it was getting late, Jones sought out a telephone box and called his wife. "I say, dear," he explained, "don't wait for dinner. I'll be late on account of a little blow-out." "Indeed," queried his wife, suspiciously, "tire or whiskey, Henry?" Father thought he would pay a surprise visit to his son who was "up" at Oxford. He ferreted out the youth's lodgings, and said to the landlady, "I believe you have an undergraduate here called Mr. Williams. Am I right?" "Undergraduate," echoed the old lady bitterly, "why sir, I thought by the hours he keeps that he must be a night watchman." She was one of those women who spend hours in shopping, but never buy anything. Should an assistant approach her and inquire what she needed, she invariably replied: "Oh, I'm merely looking." On this occasion she had been wandering round the shop, passing from counter to counter, turning first this over and then that, when an assistant asked her as usual: "What can I get you, madam?" "Oh, I'm merely looking," came the expected reply. But this assistant was braver than the general kind, and he gently but firmly retorted: "Madam, if you would take the lift to our roof-garden, you'll see a great deal farther."

The Mutual Life Pays its Claims Promptly

DELAYS in the settlement of life insurance claims add financial worry to the distress of the bereaved family. The Mutual Life of Canada has always made a special feature of prompt payment of claims, being the first company to waive the 30 to 90 days time limit for settlement, which was the custom in pioneer days. It is not the desire of the Mutual Life to take advantage of technicalities to postpone or contest settlement of claims. The purpose of this company is to be a refuge and a comfort in time of family trouble and stress. The widowed and the fatherless receive the full benefits provided for them by Mutual policies at the earliest possible moment, and with the least possible worry.

SWIFT COMPANY
TO HAVE PLANT
AT MONCTON, N. B.

Canadian Concern Induced
by C. N. R. to Start Meat
Packing Industry

EMPLOYMENT FOR 50
MEN AT BEGINNING

New Abattoir Seen Giving
Maritimes Improved Live-
stock Market.

MONCTON, Que., May 1.—
The industries of the Mari-
time provinces are to be
augmented by the establishment
of a large meat packing plant,
according to an announcement
by the Canadian National Railways.
Mr. J. E. Dalrymple, vice-
president of the national system
has been endeavoring for some
time to have the Swift Canadian
Company open a branch of their
industry in the Maritimes and
agents of the two companies
have made careful inquiries into
the possibilities of the territory.
The result of the investigation
has been such as to cause the
Canadian Company to decide to
commence the immediate establish-
ment of the first unit of a pack-
ing plant at Moncton, N. B.

This unit will involve an expenditure
of at least \$100,000, will be so
constructed as to permit of enlarge-
ment concurrently with the growth
of the business. The plant will
employ fifty men and this number
will be added to as the business
warrants.

The field is looked upon by both
companies as a fertile one and it is
believed that the meat industry
furnishing a nearby market for livestock,
will encourage increased production
of food animals in the Maritimes.

CONTRACT AWARDED
Moncton, N. B., May 1.—The
contract for the building at Moncton
of the first unit of the packing plant
to be of the Swift Canadian Co. was
awarded at noon today to Aid. Am-
brose Wheeler of this city.

Work begins tomorrow morning
on the excavation, the site being on
land adjacent to the C. N. R. The
work is to be completed by July 15, and
the plant is to be in operation on August
1. The machinery and refrigeration
appliances will be installed by Upper
Canadian concerns.

COMPOSITION OF PLANT
The first unit will be 64 x 112 feet,
22 feet high, and will be of concrete,
brick and tile construction. The
plant will comprise killing pens, dressing
rooms, two coolers and a refrigeration
room, offices and boiler house.
J. H. Tapley, of Toronto, and W.
A. Barnett, of Ottawa, who are
in the city in completing arrangements
for construction, left Moncton today
for Toronto. The manager of the new
plant will be appointed shortly and
will arrive in Moncton in about a
month.

MONEY PRESENTED
FOR ORPHANS' CARE

C. P. R. Dance Proceeds of \$1-
000 Divided at Gathering
in West End

The formal presentation to the rep-
resentatives of the Catholic and Protes-
tant orphanages of the \$1,000 proceeds
of the recent C. P. R. employees and
entertainment took place last night
in the West End. D. H. Ryan, chair-
man, and the members of the commit-
tee were present and lauded the \$1,000
to Mayor Potts requesting him to make
the presentation.

His Worship spoke in high com-
mendation of the generosity of the com-
mittee, the C. P. R. employees and the
company and presented \$500 each to
Rev. Eugene Reynolds, for the Catholic
orphanage, and to Rev. W. H. Sampson,
for the New Brunswick Protestant
Orphanage.

EXPRESS THANKS
Mr. Sampson, in voicing his great
pleasure in accepting the money on be-
half of the orphanage, declared there
could have been no more worthy ob-
ject to which the committee could have
given the funds. He advocated the
establishment of a \$100,000 susten-
tion fund for the New Brunswick Or-
phanage.

When giving \$500 to Father Reynolds
Mayor Potts had made special refer-
ence to the work of the Sisters of the
Catholic orders for the orphan children.
Father Reynolds, in heartily thanking
the givers, said he thought it a splen-
did thing that had been done in be-
stowing the gift upon all the orphans.
Mr. Sampson handed the money for
the New Brunswick Protestant Orphan-
age to D. C. Clark, the president, who
complimented the C. P. R. officials and
employees and said the kindly act
had just done was typical of the com-
pany's good works.

MAKES SUGGESTION
J. M. Woodman, general superin-
tendent, congratulated the committee
on the large amount of money that had
been raised and suggested that next
year one-third of the proceeds of the
annual reunion should be given to pro-
vide care for crippled children. He
specially advocated sending a crippled
child from Saint John to receive care
and treatment.

Before the gathering dispersed Mr.
Ryan expressed hearty thanks to John
Allan who, on behalf of the Protestant
Boys, had loaned the hall for the pur-
pose of the presentation.

90 Per Cent of
Suicides Held
Preventable

KITCHENER, Ont., May 1.—Dr.
J. E. Hett, of this city, dis-
coverer of the treatment of alcohol-
ism, has announced after years of research a
theory by which he establishes the
primary cause of suicides and
claims as a result of his investiga-
tion that ninety per cent of suicides
are preventable.
Dr. Hett declares it is all wrong
to lay suicides at the door of man-
tal conditions arising from shock
loss of money, worry and other
mental stress. These, he asserts,
are only secondary or contributory.
The real causes are
certain physical pathological gen-
erations gradually brought about by
certain life habits.
The physician's researches have
been going on quietly for over 30
years, with the result that the
identical lesions have been found
in all cases of suicide coming under
his personal investigation. He
claims medical science has heretofore
been absolutely no light on
suicides.
The doctor is preparing a treatise
on the subject which he will place
before the Ontario medical and health
organizations.

WATERLOO STREET
BLOCK FIRE SCENE

Battle Blaze in Barn—Auto-
mobile Owned by Fred Peppers
Burned.

The fire department was called out
last night about 10 o'clock by alarm
from box 12 for a brick fire in a barn
of Waterloo street, and also in the
rear of the residence occupied by Mrs.
Michael Caples, Peters street.
The department made a quick re-
sponse to the alarm. Despite the fact
that Commissioner Harding and others
in the department were silent yesterday
as to who was the chief, District Chief
Robert Carson was in charge, and the
chief's driver, Frank Furlong, was acting
as deputy chief. In fact Mr. Furlong
arrived on the scene first alone in
the chief's car and took charge until
Mr. Carson assumed control.
The barn where the fire started is
a property of the Christie estate, being
controlled by the Eastern Trust Com-
pany. It was used by Fred Peppers,
38 Golding street, who stored an auto-
mobile on the ground floor and some
furniture in the upper storey. The
automobile, which is partly insured,
was destroyed, and considerable dam-
age was done to the furniture. The
total damage will amount to about
\$1,000.

BURST INTO FLAME
There was also some slight damage
done to the rear of the dwelling occu-
pied by Mrs. Caples.
Mr. Peppers stated that he had been
painting his car and getting it into
shape for the season; that he had just
extinguished a lantern when suddenly
the automobile burst into flames and
he had to rush from the building and
send in an alarm.
Mr. Peppers said that he did not
know the origin of the fire. With a few
good streams of water, the fire was ex-
tinguished after a couple of hours' work
on the part of the firemen, but the
building and contents were badly dam-
aged.

The fire department responded to an
alarm from box 88 about 8 o'clock yester-
day afternoon for a chimney fire in
the house of George Colwell, Exmouth
street. There was no damage.

The dance and total receipts \$1,546,
balance of \$964.10. Donations from J.
M. Woodman, G. Bruce Burpee, W. S.
Elliot, J. H. Boyle, W. J. Pickrell and
J. R. Haycock made the amount up
to \$1,000. The C. P. R. committee in
charge presented a vote of thanks to
Mr. Lantulum, in charge of the Cana-
dian Immigration, and Mr. Stirling,
of his staff, for their assistance in con-
nection with the building at West Saint
John.

Weddings

Puddington-Graham

A wedding of much interest took
place at the home of Mr. and Mrs.
Richard A. Graham, of Welsford,
Wednesday April 29, at 4:30 o'clock
when their daughter, Ethel Evaline,
was united in marriage to Earl Edwin
Puddington, of Welsford, Rev. J. H.
Boyle, rector of the parish, performed
the ceremony in the presence of im-
mediate relatives and friends. The bride
was becomingly attired in a gown of
grey crepe-de-chine with bead trim-
ming and grey shoes and stockings
were given in marriage by her father.
After the ceremony a dainty luncheon
was served. Many beautiful gifts were
received. Mrs. Puddington having the
good wishes of many friends for her
future happiness. They will make their
home at Welsford.

Perry-Elliman

The following wedding account is
from recent Malden, Mass. paper; the
bride is the adopted daughter of Mr.
and Mrs. G. E. Fawcett, of Shelburne,
at St. Paul's church, on Tuesday evening,
Raymond L. Perry, son of Dr. and
Mrs. F. A. Perry, of 13 Albion street,
Malden, and Miss Annie E. Elliman,
of Boston. The ceremony, at 8 o'clock,
was performed by Rev. H. Robert Smith,
the rector, and there were only relatives
and a few close friends present. Miss
Annie Holmes, of Boston, was maid
of honor, and George J. Perry, brother
of the groom, was best man. The
double ring service was used. An
informal reception followed at the
home of Dr. and Mrs. Perry, after
which Mr. Perry and his bride de-
parted on a short honeymoon trip by au-
tomobile. They will make their home
at 13 Albion street for the summer.
The bride is a graduate until she
leaves for her private hospital, Boston.
Mr. Perry is a graduate of Malden High
and is manager of a Boston industrial
concern.

Deaths

Karsley A. Urquhart

On May 1, at 21 Victoria Lane, Kar-
sley A. Urquhart, infant son of Mr.
and Mrs. N. Albert Urquhart, passed
away, leaving behind his parents, three
sisters, Misses Louise, Nellie and
one brother, Vincent, all at home.
The funeral was held this afternoon.

Mrs. A. B. Foster

Mrs. A. B. Foster, about 65 years of
age, died suddenly last night while on
her way home from church in the
Baptist church in Hampton. She had
been in the best of health and had
shown no signs of illness until she
collapsed during the walk home from
church.
Mrs. Foster had resided only about a
year in Hampton, having moved there
recently from Ottawa with her hus-
band, who had retired from the
Dominion Civil Service. She was a na-
tive of Hatfield's Point, and her body
will be interred in the family lot there.
Mrs. Foster leaves to mourn her hus-
band, five brothers—Whitfield Nobles,
of Honolulu; J. W. Nobles, of Toronto;
W. E. Nobles, of Edmonton, and W. F.
D. L. Nobles, of Saint John—as well
as a large circle of more distant
relatives and friends in New Brun-
swick, in Ottawa and in other parts
of Canada.

A short funeral service will be held
in Hampton today and will place
Mrs. Foster in the family lot. The
funeral will take place on Sunday after-
noon and interment on Sunday afternoon.

William Gouley

Many friends in Saint John will hear
with regret of the death of William
Gouley, which occurred yesterday at
the home of his mother, Mrs. Agnes
Gouley, Steeves' Settlement. Mr.
Gouley was employed for about 17
years as a mouler in the Water street
plant of T. McAvity & Sons, Ltd., and
left here about five years ago to take
charge of the heating plant of Tufts
Medical College, Somerville, Mass. He
was taken ill a few months ago and
two weeks ago his condition became
serious and he was advised to return
to his former home in the hope that
the change might have a beneficial
effect. He arrived at Steeves' Settle-
ment only on Tuesday, but his condi-
tion soon became critical and he passed
away yesterday. Much sympathy
is extended to the bereaved. His wife
was formerly Miss Ethel Kent of Saint
John. Besides his wife and mother,
three young daughters survive. The
funeral will take place on Sunday after-
noon at 4:30 from Steeves' Settlement.

William J. Fleming

William J. Fleming, 18 years, eldest
son of Mr. and Mrs. David T. Fleming,
229 Millidge avenue, died at his home
yesterday after a lingering illness. He
was a member of one of the city Siege
Batteries, an attendant at St. Luke's
church, and was well known in the
all over the city. He was born in Ire-
land but came to Saint John about 13
years ago with his parents. Surviving,
besides his parents, are four brothers,
David S. George N. Charles W. and
Victor E. Fleming, all at home, and
two sisters, Edith Lisa and Eleanor E.,
also at home. The funeral will be held
on Monday afternoon at 2:30 o'clock
from the residence of his parents.

Mrs. Ruth Johnston

FREDERICTON, May 1.—Mrs. Ruth
Johnston, wife of John T. Johnston,
died today after a brief illness at the
Waverly Hotel, Regent street. She was
aged 69 years. Although not in the
best of health for some time, she had
been confined to her bed only since
Thursday morning. She is survived by
her husband, for many years connected
with the Waverly Hotel; one daughter,
Mrs. H. Edward Dewar; one grandson,
John B. Dewar, all of Fredericton; one
sister, Mrs. Abram Pickard, of Kes-
wick, and one brother, Goodridge Mc-
Ken, of Margerville. Mrs. Johnston
was a daughter of the late Abraham
McKen, of Keswick. She was twice
married, her first husband being John
B. Gieves, of this city, who was pro-
prietor of the Waverly Hotel for the
greater part of his life. She had re-
sided in Fredericton for the last 20
years.

Mrs. Mary Palmer

YARMOUTH, May 1.—(Special)—
The death occurred yesterday at Syd-
ney, N. S., of Mary, widow of Har-
ry P. Palmer, for many years sergeant
of police in Yarmouth. She had al-
ways made her home here until the

Moncton Death Rate
Is Lowest In 7 Years

MONCTON, May 1.—The mor-
tality rate in the city during
April was the lowest recorded in
any one month during the last
seven years, according to the report
prepared by C. E. Northrup, sub-
deputy registrar of the Westmor-
land County Board of Health. The
deaths totalled 10 during the month.
There were 10 births and 38 mar-
riages, the latter the highest for
some time.

Mrs. Jane White

BATHURST, May 1.—Mrs. Jane
White passed away at her late resi-
dence, Salmon Beach, this morning.
She was a long resident of the com-
munity. She was the widow of Ed-
ward White, who died several years
ago. She is survived by one sister,
Mrs. John E. Miller, and two brothers,
Thomas H. and Alver R. Smith, all
residing at Salmon Beach; one daugh-
ter, Mrs. Archie C. Chapman, East
Bathurst, and three sons, Harville, of
Bathurst; Lorne and Milton, of Sal-
mon Beach. The funeral will be held
Sunday afternoon at 2 o'clock from the
late residence.

Fire Damages Home
In Bathurst Town

BATHURST, May 1.—Fire was dis-
covered this evening in Teddy Roy's
boarding house in Main street, near St.
Patrick. An alarm was sent in from
box 128 and one stream of water soon
quenched the fire. Damage from fire
and water to both building and con-
tents will be considerable but, it is
understood, practically covered by in-
surance. Mr. Roy is engaged on the
drive as cook, consequently it was im-
possible to ascertain all the facts. The
origin is unknown.

BARGAIN DENTISTS
BANNED BY COURT

Suspension of Two in Ontario
is Approved—Must Atone
For Etiquette Breach.

TORONTO, May 2.—It is unpro-

tise special offers for dental work at
bargain rates.
The council of the Royal College of
Dental Surgeons has said so, and the
Appellate Division has said that they
ought to know.
This morning the second divisional
court gave judgment dismissing the ap-
peal of Dr. B. G. Davidson, of Hamil-
ton and that of Dr. Boyle, of Toronto,
from the decision of the properly con-
stituted authorities of the Dental Col-
lege. Under that decision they were
suspended from practice till they had
atoned for their breach of etiquette.

Exhibition Of Batik
Featuring Many Interesting Pieces Lately on View in
the Art Exhibition of Montreal.
This Work is All Hand-Dyed. You are
Invited to View It.
Art students and those who appreciate this rare form of handi-
craft will be especially interested in this display, which includes
handsome and original Neck Scarfs, Lamp Shades, Tunics, Square
Pieces and Exhibition Strips. Many of these pieces are not for
sale; however, others of them may be ordered if desired.
Batik painting, though practically new in this country, has been
practiced for centuries in Java. To produce this wonderful work,
the pattern is first painted on the material with hot, flowing wax.
Material is then dyed. The wax resists the dye. Afterwards the
wax is removed by gasoline and the pattern stands out in original
color of material against a dyed background.
The crackle or network of fine lines in Batik is obtained by
crushing the waxed material, which breaks or cracks the wax, al-
lowing the dye to penetrate the material. Every pattern is dis-
tinct and different, consequently Batik is much in demand where
a touch of individuality is desired.
See window display! Also see exhibit in Neckwear Dept.

WANT PROPOSED DUTIES ON RAW SILK DROPPED

Labor Party Will Move Amendment to Churchill Budget

DENY TRADE PROVES LUXURY THESE DAYS

Leeds Manufacturers Condemn Chancellor's Plan and Wire Protest.

LONDON, May 1.—An amendment to the budget will be moved by the Labor party in the House of Commons demanding

the entire dropping of the proposed duty on raw silk. Almost hourly the silk industry is becoming more vocal against Chancellor Churchill's proposals with regard to the duty.

DAYLIGHT SAVING IN EFFECT TONIGHT

Put The Clock Ahead One Hour at Midnight—Will Continue Till Sept. 26.

Daylight saving time goes into effect in Saint John at midnight tonight and those who wish to keep up with the times are advised to put the clock ahead one hour when they go to bed tonight.

This year there is a greater harmony in the matter of adopting daylight saving as railways and cities have co-operated and are making the change of time simultaneously. The new time will be in effect until Sept. 26.

BABY'S OWN TABLETS ALWAYS IN THE HOME

Once a mother has used Baby's Own Tablets for her little ones she will use nothing else and so long as there are babies in the home you will always find a box of Baby's Own Tablets on hand. Thousands of mothers have become convinced through the actual use of the Tablets that there is nothing to equal them in banishing colic and indigestion; breaking up colds and simple fevers; expelling worms and promoting that healthful refreshing sleep so necessary to the welfare of little ones. Among the thousands of mothers who praise Baby's Own Tablets is Mrs. Alex. J. Perry, Atlantic, N. S., who says:—"I always keep Baby's Own Tablets in the house as I know of no other medicine that can equal them for the minor ills that come to young children." The Tablets are sold by medicine dealers or by mail at 25c. a box from The Dr. Williams' Medicine Co., Brockville, Ont.

L'Alliance Francaise Season Is Ended

The Saint John branch of L'Alliance Francaise held its last meeting of the season yesterday afternoon at the residence of Mrs. Daniel Mullin, who had charge of the programme. The subject was one of special interest, "The Ladies of the Salon." Those who gave readings were Mrs. Alward, the president, who was in the chair; Mrs. Andrew West Murray, Mrs. George Carvill and Mrs. Fred Foster. The readings gave interesting sketches of the lives of Mme. Retanier, Mme. DeSchiel, Mme. DuBessard, Mme. De L'Enclose, Mme. DeMaistenon, Mme. De Seviene and Mlle. De LesFinaise.

Social Notes of Interest

Mrs. A. M. Walling, who had been spending a few weeks with her parents, Mr. and Mrs. C. D. Strong, 63 Summer street, left Thursday to join her husband in Montreal.

Students Debate Question of Time

Appropriate Arbor Day programs were carried out in all the city schools yesterday. In the High School the pupils gathered in the assembly hall and each class gave one special item of the program. The various numbers included excellent vocal and instrumental selections, readings and recitations.

One of the star numbers was the debate on whether Daylight Saving time was beneficial or detrimental to Saint John. Pupils of Grade 12 staged the debate and the side which maintained daylight saving was detrimental was awarded the decision of the judge, Alvin Spaulding. The winning side was composed of J. O'Brien and Mr. Arthur, while Miss Whipple and John Hopkins were the defeated champions of daylight saving.

In the Albert school in West Saint John an illustrated nature lecture by William McIntosh was a special feature and vocal and instrumental numbers of high merit were included in the program. The pupils met in the assembly hall for the program.

But when two men seized her as she entered a bank with the day's receipts she surrendered \$1,200 without a word. "I just couldn't kill a man to save \$1,200," Miss Murdock said.

ONE BACKS OPERA; ANOTHER BOOSTS JAZZ

BY CYRENA VAN GORDON

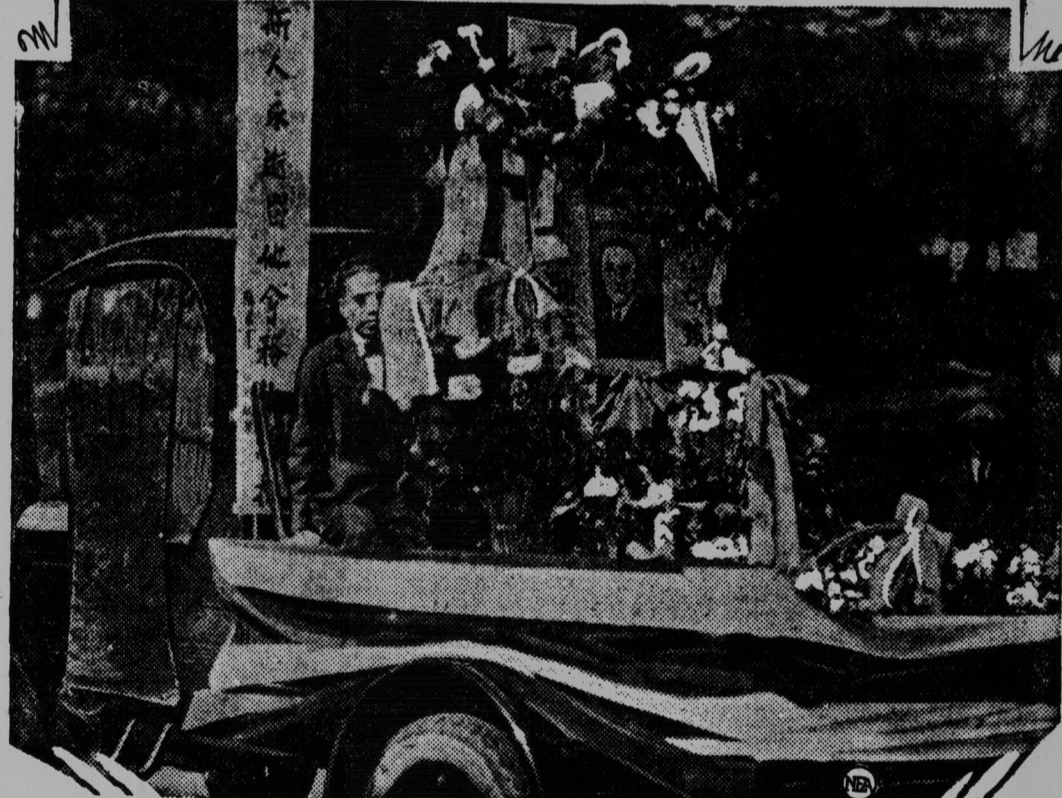

CHICAGO, May 2—Give me jazz for diversion. But for the wine of life I crave something higher. Without opera I perish. It is good for the soul. Would that I could be the final spokesman for those in doubt in such an argument. But it is silly to quibble over the question as to whether jazz is superior to opera, because the answer is self-evident. Jazz is simply rhythm and as such has vast room for improvement. I believe it is the foundation for a new and purely American art. What that development will be remains to be seen. But jazz has never and cannot hope to succeed opera because opera appeals to the intellect and jazz does not. I like jazz myself and play it, too. But it would hurt me to death as a constant diet, just as opera would if I had to listen to it exclusively. Little training is necessary for jazz. But years of intensive study are necessary for opera. Opera is an art. Jazz is a pastime.

BY JOSE RODRIGUEZ

MUSIC CRITIC
LOS ANGELES, May 2—Teachers of music, performers of music and even a few musicians have bewailed the passing of grand opera and classical music. No tears were ever shed for a more fruitless cause. For grand opera and classical music have not passed, but never existed, in the American scheme of things. Our pitiful gestures to establish and keep alive this respectable corpse, are at best only evidences of a tender heart. No art can exist as an element of national growth which does not fulfill a vital social necessity. Jazz fulfills that necessity in America. Our few symphony orchestras are playthings of rich men, because they can never make money and always lose it. The support of opera companies is due to two social influences, desire of our foreign element to hear things they love of old and the undying impulse of our society to ape European gentility. But jazz derives no active support from these sources. Jazz is the child of America—the America of the shops, the dance halls, the streets and the homes.

TONG LEADER BURIED WITH CHINESE CUSTOM

Hundreds of Chinese, leaders of the On Leon Tong, attended the funeral at Pittsburg, Pa., of On Leon Tong, former president, who died three months ago. The funeral was delayed because of a tong war which ended but recently. In the picture is a truck in the funeral cortege carrying a photograph of the dead leader, according to Chinese custom.

MOROCCAN REBELS ATTACK FRENCH ZONE

BATTLE WAGED OVER FRONT OF SIXTY MILES

Several French Posts Surrounded and Blockhouses Are Resorted to

SPANISH TROOPS HAVE WITHDRAWN

Natives Have Been Drifting Across Into French Territory for Some Time.

FEZ, Morocco, May 2.—Moroccan tribesmen operating under the orders of Abd-el-Krim, the rebel leader, are attacking the French zone over a front of 60 miles. At some points they have surrounded French posts, where small detachments are defending themselves in block-houses.

Extension of native rebellions from the Spanish to the French zone in Morocco, have been indicated recently. Wednesday, Si Mohammed, younger brother and right-hand man of Abd-el-Krim, the Moroccan leader, was reported to have entered the French zone at the head of a considerable force.

SPANISH WITHDRAWALS

Abd-el-Krim, after years of fighting against the Spanish, succeeded early this year in causing Spain to withdraw her troops virtually to the coast line, leaving him practically the master of what had been the Spanish zone of Morocco. This left a portion of the French zone exposed and natives began to filter across the line—peacefully, but nevertheless in a manner arousing French apprehension that the rebel movement, inspired by success against

WARSAW OFFICIALS Hasten to Scene by Airplane—Send Condolences.

The wreck cost 25 lives and caused the injury of 18. Bolts were found to have been removed from the rails, and a crowbar was discovered 80 yards from the scene.

REDS SUSPECTED.

WARSAW, May 2.—The belief was expressed in official quarters here yesterday that the wreck of the Dytkuhen-Berlin express near Starogard was due either to Communist terrorism or to German Nationalists, who desired to prove that it is impossible to maintain the "Polish corridor." An investigation is said to have revealed the fact that the rails had been unbolted.

NEW STEAMSHIP SERVICE FROM HERE PLANNED

Will Open June 10 With Large Auto Shipment for India

ROOSEVELT LINE IS STARTING SCHEDULE

The Times-Star and Telegraph - Journal Mission Causes Arrangement.

INAUGURATION of a new steamship service out of the port of Saint John has been decided upon by the Roosevelt Steamship Company, Inc.

According to the semi-official information which comes to The Times-Star, this service is to start on June 10, next, and will be the cause of bringing much increased business to the port.

Present plans of the Roosevelt Company call for the S. S. Jalata to make its initial trip from this port and among the cargo will be a large shipment of automobiles for India. The Roosevelt Company ships will carry

HAD BAD SPELLS WITH HER HEART

Mrs. C. Martin, R.R. No. 2, Orillia, Ont., writes—"I have been troubled with my heart for a long time and very often had spells with it. I would take fainting spells, and my husband had to have somebody to stay with me all the time. He got me everything he could think of to see if they would do me any good, but nothing seemed to help me. One day a friend was in to see me and advised me to try

Ads Fill His Church

MODESTY
What girl does it want? Who is modest? Some thing in the eyes of the world is modest. Light on Adm and Eve. —
"FASHIONS IN FIG LEAVES"

Match Making
First Baptist Church
Sunday Night 7:30
MILBURN'S SECRETS OF Match Making

URBANA, May 2—Rev. Ralph G. Carson is playing to packed houses. He has stolen the punch of the theatre advertisers to fill the pews of the First Baptist Church here. And what's more his audience is made up mainly of young people.

When Rev. Carson left the Southern Baptist Theological Seminary at Louisville, Ky., in 1923, he came direct to the pulpit here.

"The thin fringe of people in the back seats of the church auditorium discouraged him. Like a business man he turned to the newspapers and planned an advertising campaign. He started the town one evening when a church ad appeared mixed in with the movie ads with the same type and general makeup.

But the deacons notified Carson he could spend only a dollar a month. Finally his allowance was cut off entirely. But Carson refused to drop his advertising campaign and paid for the space taken from his own funds.

Carson adopted the movie ad writer's method. He featured daring details of a coming sermon, which excited curiosity.

Movie advertisers did not kick. They followed in by running on the border of their ads, "Go to Church Sunday."

"Now standing room only is available at the church when services start. Of course, you've got to live up to advertising," says Carson. "When the advertised sermon falls through, folks are shy about giving you another chance."

"But the right ads and delivered goods will fill the seats in any church. People will not read the usual. They will read the unusual and extraordinary."

NEGOTIATIONS CONCLUDED.
Some time ago a representative of the Roosevelt Company visited Saint John and discussed the project for establishing a service out of this port with shipping men and representatives of the C. N. R. Since then negotiations have been proceeding between these parties and the definite arrangements to start the service in June next have, so it is said, been finally decided.

There is every likelihood of R. C. Elkin Company being the local agents of the Roosevelt Company, while the C. N. R. is co-operating in every way to make the service a success.

The importance of this new service will be far-reaching. Naturally business interests here will benefit considerably, while the inauguration of the service means additional business for

the elevators, the railwaymen not only in Saint John, but in the shops at Moncton.

The securing of this new business for Saint John and vicinity is just another indication of what results may be obtained from a co-ordinated effort on the part of the interests concerned.

When the envoy of The Telegraph-Journal and Times-Star conferred with the officials of the Ford Motor Company a few months ago the possibilities of the port of Saint John were very clearly pointed out and now comes this new steamship service, which is to be utilized to a great extent by the Ford concern in the shipment of their product to other British possessions through Canadian ports.

They Are a Most Wonderful Medicine

SO SAYS ONTARIO LADY OF DODD'S KIDNEY PILLS.

Miss M. Austin Suffered From Kidney Trouble and Found Relief in Dodd's Kidney Pills.

GUELPH, Ont., May 1—(Special)—The sterling value of Dodd's Kidney Pills as a kidney remedy is again shown by the following statement from Miss M. Austin, a resident here.

"Dodd's Kidney Pills are a wonderful medicine. I suffered with kidney trouble and they could not have benefited anyone more. They were most satisfactory."

Dodd's Kidney Pills act directly on the kidneys. They have become a family remedy all over the world because people have tried them and found them good. They are purely and simply a kidney remedy. They help rheumatism, lumberg, diabetes, lame back, heart disease and urinary troubles because all of these are either kidney diseases, or are caused by the kidneys failing to do their work.

Hear EVANGELIST EWEN D. LAMONT in First of Sunday Night Series of Lectures on "The Papacy in Prophecy."

Subject Sunday, May 3, 7 p. m.—WAS PETER THE FIRST BISHOP OF ROME? WAS HE INFALLIBLE?

Are the claims of the Roman Catholic Church true, that Christ made Peter His Vice-regent or Vicar, and as His Successor, the visible, infallible head of the Christian Church, with powers superceding all other Apostles? Is this alleged power and authority vested in those who claim to be his successors? Has the Man on the "Tiber" more spiritual power and authority now than "James" and "Paul" had in their time? Come and hear what a Seventh Day Adventist minister has to say on this subject. He will give you Bible answers to all the questions.

Tuesday meeting discontinued.
Friday, 8 p. m.—Question box service.
Other meetings as announced. Good music and singing. All welcome. Come.

POOR DOCUMENT MC 2035

THE EVENING TIMES-STAR, SAINT JOHN, N. B., SATURDAY, MAY 2, 1925

STORE MEMORIAL IF KING STREET SITE NOT GIVEN

Committee is Named Again
to See City Council
About It

TEN ARE APPOINTED
TO GO TO CITY HALL

Provincial W. C. T. U. Ex-
ecutive Agrees to Re-
moval of Fountain.

The Saint John civic war memorial committee yesterday afternoon at a largely attended meeting unanimously passed a resolution providing for the appointment of a committee to approach the City Council once more in an attempt to obtain permission for the use of the head of King street site for the memorial.

The resolution, which was moved by Hon. J. G. Forbes and seconded by Col. E. T. Sturdee, provided that, failing to secure consent for the desired site, the memorial should be stored for a year or until circumstances were favorable. The general opinion of the meeting was that no other site than that at the head of King street would be acceptable.

THOSE PRESENT.

R. T. Hayes, M. L. A., chairman, president. Others present were Mrs. Heber Vroom, Mrs. Alfred Morrissey, Mrs. T. E. G. Armstrong, Mrs. W. L. Caldwell, Mrs. Walter L. Gregg, Mrs. E. A. Young, E. A. Schofield, F. A. Dykeman, Fred C. Beatty, L. P. D. Tilley, W. A. Lockhart, Col. E. T. Sturdee, Hon. J. R. Armstrong, F. B. Ellis, Thomas Bell, Dr. G. B. Peat, Capt. A. J. Mulcahy, C. B. Allan, G. S. Mayes, C. C. Kirby and Hon. J. G. Forbes.

Mr. Hayes reviewed briefly the events which had led up to yesterday's meeting.

Colonel Sturdee moved that the committee proceed to erect the monument on the site in front of the Admiral Beatty Hotel.

Mr. Ellis asked if it was not a fact that the meeting of citizens had requested the committee to secure the head of King street site and he questioned whether the committee would have any right to proceed to erect the monument elsewhere without reporting back to a mass meeting of citizens.

Mrs. E. A. Young seconded Colonel Sturdee's motion and stated her belief that the site in front of the hotel was more desirable as being more retired, somewhat apart from the noise and crowd of the head of King street and more conducive to the contemplation of what the monument represented.

OTHER OPINIONS.

Dr. Peat believed the design had been made to go on the head of King street site and put anywhere else would be out of place. He considered the Old Burying ground would be a good location for the Loyalist memorial fountain which now occupies the head of King street site.

Mrs. Morrissey said that in the erection of the war memorial the sole idea was to honor the dead and to give them the second best place was unthinkable. She believed the Loyalist women would turn in their graves if they thought any one would give second best place to the soldiers.

Mr. Dykeman referred to the fact that St. John's, Newfoundland, a city of 30,000 population had erected a memorial costing \$80,000 and had placed it in the busiest centre of the city.

Colonel Sturdee asked what the committee could do when the council refused to give the site.

Mr. Kirby said that when the committee interviewed the City Council a year ago only one man had been against the site and that was the Mayor. He felt the City Council had held off its decision too long and he considered there should be a meeting of contributors to see what action they desired.

The situation was pathetic in Mr. Tilley's opinion when there was fighting and quibbling over the place to put a memorial to the men who had given their lives. No place should be too good for that memorial. If a second choice had to be considered he would have favored one opposite to the P. A. Dykeman store. Hearty applause was given Mr. Tilley's spirited speech.

"NOT VERY LONG."

Hon. J. R. Armstrong said he was not a member of the committee and had attended the meeting under the impression it was a public gathering, but he would like to say that the committee should not accept any other site without going back to the subscribers.

If the site could not be got from this City Council the monument should be stored until the city got a council that would grant the site and that would not be very long.

JUDGE FORBES.

Judge Forbes moved that word be sent the City Council that unless the desired site be conceded the monument would be stored until such time as they could get their hands on them.

It was suggested that Judge Forbes' motion could be more tactfully worded and it was finally worded that a sub-committee should be appointed to endeavor to secure the permission of the City Council for the use of the head of King street site and failing that to have the erection of the monument postponed.

The resolution, seconded by Colonel Sturdee, passed unanimously. On Mr.

Presentation to Frederick Jardine Who Saved Chum From Drowning.

MONCTON, May 1—Frederick Jardine was presented a gold watch by Mayor J. F. Edgett, on behalf of the city, in the assembly hall of the Aberdeen School today for saving the life of William Hannah at Jardineville, Kent county, on July 22, 1924.

The watch bears the following inscription: "Presented to F. W. Jardine, City of Moncton, in recognition of his gallant conduct in saving a life from drowning on July 22, 1924."

The young man acknowledged the gift and on resuming his seat was given three hearty cheers by his school mates.

LABOR TO BE HEARD

Will Air Views Next Week on Nova Scotia Industrial Peace Measure.

HALIFAX, May 1—A public hearing will be given bill 184, the Industrial Peace Act, introduced in the legislature yesterday by Premier Armstrong according to the decision of the committee on law amendments reached at its meeting this morning, when a majority of the members upheld the request voiced at last night's session when the bill was in its second reading, that time be allowed to permit Nova Scotia labor leaders and industrial heads to be heard on the measure before it leaves committee.

The hearing will be held Tuesday morning next, at 11 o'clock.

ASBESTOS AGAIN IS MONTREAL FEATURE

Activity Also Noted in Other Leaders—Banks Receive Little Attention

NEW YORK, May 2.—The recovery in stock prices, which set in yesterday, was resumed at the opening of today's market. Mack Trucks opened 2 points higher and American Waterworks and U. S. Industrial Alcohol moved up 1 1/2 and 1 point respectively. Ralls continued in brisk demand.

MONTREAL, May 2.—The asbestos issues were again prominent at the opening of today's stock market, the common being easily the most active issue and gaining 1/2 to 6/8, later reacting to its closing quotation at 98 3/4. The preferred appeared with an overnight decline of 1/4 at 97, but rallied to 97 1/2. Other leaders to receive attention were Dominion Textile, up 1/2 at 72 1/2; National Breweries, unchanged at 89; National Breweries, unchanged at 89; and Hollinger up 10 at 149 1/2.

Bank of Montreal and Canadian Bank of Commerce received a little attention at 24 1/2 and 197 respectively, their closing prices:

Morning Stock Letter
From McDougall Cowans.
NEW YORK, May 2.—The action of the market today again indicates that lethargy that has characterized it lately is being thrown off. There seems to have been a good deal of rather short selling in the last few days and covering made up a good deal of the buying. It is a question of the market's ability to continue upward very long once this short position is reduced. Further reactions are quite likely. We think, however, that steady upward movement and on any small reactions good stocks should be bought.

Rails, oil, utilities and some specialties are most likely to be in demand. Gas, Pan American and several railroad stocks should see higher prices. Out which is likely to sell higher. While iron and locomotive stocks, once the pressure is renewed against them, the market is started upward these issues will be carried higher and we do not expect lower prices for them.

Closing Letter.
NEW YORK, May 2.—Bullish demonstrations continued throughout the last half of the day and stocks closed higher all around. The market closed on renewed pool operations on revival of rumors of a split-up. Stewart Warner was another feature. So, by again came into favor, making a new record high at 96 in anticipation of an increase in the dividend rate. Concluded.

BROKERS' OPINIONS

NEW YORK, May 2.—Block trading in the market was active and prices were higher than yesterday. The market was speculative, with the outlook becoming more optimistic. The market was active, with the outlook becoming more optimistic. The market was active, with the outlook becoming more optimistic.

Brokers' Opinions
"High grade rails still constitute the best medium for investments and also most room for speculation, until the outlook becomes better defined."
"The market is chiefly significant in the present operations is ability to recover from previous weakness in speculative sale to spread in other quarters, all of which would indicate a strong underlying buying power."
"We are not looking for any broad general advance, but think that stocks like Seaboard, Ry. Can. Pac., Katt. N. Y. C., AGR. can be bought, and sugars are entitled to an early rebound."
"Railroad mergers and favorable public utilities developments are thought to be reasons for the character of this market. Debts are better than that of year ago, when a crowd indicates a much stronger technical situation and the offering of so many cheap puts at the market would forecast a very strong market. Whether this is the beginning of it or not I cannot say, but I think the next move will be up."
Current Events
NEW YORK, May 2.—Annual meetings today include Ry. and White Motor. Bradstreet's says little more cheerful outlook strengthened by return of Great Britain to gold standard. Dun's review says general business better than that of year ago, when a more rapid industrial reaction was occurring. Dun's reports 471 commercial failures in U. Former Russian Officers Form U. S. Militia Unit

SEATTLE, Wash., May 2.—For the first time, it is believed, in the history of the National Guard of the United States, a unit, composed entirely of former officers of another army has been mustered into service here. Twenty-four former officers of the old Imperial Russian army became members of Battery C, 146th Field Artillery, Washington National Guard. Lieutenant General Alexander Eizen, commander of a Russian corps in Galicia during the world war; five colonels, seven lieutenants colonels and four captains were among the recruits.

Canadian Club Plans For Speakers

The newly elected executive of the Canadian Club met yesterday afternoon in the office of the school trustees and planned for the visit of Governor Harry Coombs, of Ontario, and Rev. Canon H. J. Cody, of Toronto, who will be in Saint John the week after next in their way back to Ontario from Halifax.

Lieut.-Col. E. C. Weyman, president, presided at the meeting. It is hoped to have luncheon in the Pythian Castle on May 18, and it is expected that the visit of the distinguished guests from Ontario will be an event of such importance in the history of the club since some expression of the Ontario feeling on the Maritime Provinces demands may be looked for. The club proposes inviting some of the prominent New Brunswickers to be special guests also.

Arrested For Robbing World War Veteran

NEW YORK, May 2.—Caught after a chase of more than a block a man described as Patrick Mullins, 28, of 175 Grove street, Hartford, Conn., was arrested at Houston and Christie streets by Patrolmen Sines of the Clinton street station. John Barker of 2235 1/2 Bowersy alleges Mullins robbed him of \$25, after knocking him down. Barker, who is deaf and dumb, says he lost his hearing and speech during the war while a member of the 308th Ammunition Train, 32nd Division.

SAINT JOHN MAN GETS HONORS IN N. Y. COLLEGE

The many friends of Aubrey H. McAndrews, son of Mr. and Mrs. F. A. McAndrews of Saint John, will be interested to hear of the success he is meeting with in his work at the New York State College of Forestry where he is specializing in forest entomology. He has just been doubly honored by election to Alpha Xi Sigma Honorary Forestry Society and Phi Kappa Phi National Honorary Society. Each society requires an average of 80 per cent. or better for the four years of college work. He is one of four senior foresters to receive this distinction this year, the highest a forestry student can get. He is engaged with the United States government at Ashville, N. C. for the summer.

PAINS IN LEFT SIDE AND BACK

Other Troubles Women Often Have Relieved by Lydia E. Pinkham's Vegetable Compound

Lachine, Quebec.—"I took Lydia E. Pinkham's Vegetable Compound because I suffered with pains in my left side and back, and with weakness and other troubles women so often have. I was this way about six months. I read testimonial of Mrs. M. W. Ross, 880 Notre Dame Street, Lachine, Quebec. I saw the Vegetable Compound advertised in the 'Montreal Standard' and I have taken four bottles of it. I was a very sick woman and I feel so much better. I would not be without it. I also use Lydia E. Pinkham's Sanative Wash. I recommend the medicines to my friends and I am willing for you to use my letter as a testimonial."—Mrs. M. W. Ross, 880 Notre Dame Street, Lachine, Quebec.

DOCTOR SAID AN OPERATION

Provoct, Alberta.—"I have had a very bad condition and would suffer awful pains at times and could not do anything. The doctor said I could not have children unless I went under an operation. I read testimonial of Lydia E. Pinkham's Vegetable Compound in the papers and a friend recommended me to take it. After taking three bottles I became much better and now have a bonny baby girl four months old. I do my housework and help a little with the chores. I recommend the Vegetable Compound to my friends and am willing for you to use this testimonial letter."—Mrs. A. A. Adams, Box 54, Provoct, Alberta. C

SELF DENIAL

Don't YOU Want to Help in the Salvation Army's Work?

THE social work of the Salvation Army, important as it is, plays only a secondary part to its spiritual work.

The Army first, last and always is evangelical in its aims. Conviction and conversion of souls from their sins to righteousness and the love of God is the grand object of the Army's work.

By contributing to the Self-Denial fund, you help this work. You do it even better and more effectively than you could do it yourself, even if you had the time, because the Salvation Army has the organization and understands the work.

We want a greater Self-Denial fund this year than ever because the Army's work is growing and expanding greater than it has ever been.

Give your contribution to the authorized collector, or send it to:—

SAYS FIRPO HAS REACHED THE END OF HIS PUGILISTIC CAREER

SOUTH AMERICAN HEAVYWEIGHT IS NOW 285 POUNDS

Made a Sensation in Bout With Champion

NEW YORK, May 2.—According to an announcement last night by Billy McCarney, who for some time looked after Luis Firpo's interests in this country, the South American heavyweight has approached the end of his pugilistic career. According to McCarney, Firpo now weighs 285 pounds and cannot hope to regain his best fighting condition.

Created Sensation.
It will be recalled that Firpo created a great sensation in pugilistic circles when he knocked the present heavyweight champion, Jack Dempsey, out of the ring in their little bout. At that time he was considered the most likely contender for the heavyweight crown, but it was generally conceded that he needed more experience before he would be ripe to face the champion in another title clash. Since that time he has been going down hill rapidly and in battles with other contenders made a miserable showing.

Arrange For Bout.
A couple of months ago he sailed for Europe, intent on taking a rest and arranging for bouts. Prior to his departure from France he was said to have arranged for a bout in Spain.

MATHEWSON IS ILL

"Big Six" is Convalescing From a Bad Cold at His Home.

SARANAC LAKE, N. Y., May 2.—Christy Mathewson, president of the Boston National League baseball club, who won a brilliant fight against tuberculosis here prior to his return to the game as an executive of the Boston club in good health generally, said his condition cannot be considered serious or in any way alarming. Dr. Edward N. Packard, his physician, said today.

WANT TENNIS STARS

French Invite Tilden, Richards and Johnston to Play at St. Cloud.

PARIS, May 2.—The French tennis federation has sent official invitations to William T. Tilden, William M. Johnston and Vincent Richards to compete in the French championships opening at St. Cloud on May 27. Among the French stars entered are Lacoste, Borotra and Cochet, who will go to Wimbledon after the play in the French tournament is concluded. Miss Lenglen will play in the singles, doubles and mixed doubles at St. Cloud.

HOCKEY STATEMENT

Niagara Falls Arena Received Large Sum From Returns of Games.

NIAGARA FALLS, Ont., May 2.—Some interesting figures were given out at the annual meeting of the Niagara Falls Arena Company. It was stated that the share of the hockey association this season, has been \$26,215. The sum of \$68,659 was taken in during the season. To date \$198,833 has been spent on the arena. No dividends were paid to stockholders, but mortgage bonds were discharged.

Along The Sport Trail

By RAY HANSEN

LOCAL BASEBALL fans were interested in the announcement last evening that Vincent Shields had been farmed out to Quincy, Ill. in the Three-L League. Shields made a favorable impression in the majors, but it was only natural to expect that he would need more seasoning. The fact that the Cardinals let him out on an optional agreement is proof that they consider him well worth keeping a string on. There is no doubt that Shields is one of the few genuine submarine type pitchers of no mean ability and if he continues to improve should be back in the big show as a regular before the close of the present season. If the former St. Stephen boy gets going he should develop into a rival of Carl Mays the famous exponent of the underhand ball.

IN THIS YEAR'S issue of the Reach Guide, which has come to hand, statistics of the Pacific Coast League are given. Included in the list of Portland players is Tom Daly, formerly of this city. Tom participated in 108 games, was 349 times at bat and had a batting average of .272.

IN CONNECTION with the Maritime wrestling championships which are to be held in Moncton next week a special boxing match will be held to determine the Maritime lightweight championship. The class must be thrown open according to amateur rules, but it is doubtful if any boxers with an exception of Nixey Kennedy of Halifax and Reg. Harper of this city will enter. Both are eager to acquire the title and can be relied on to put up a battle royal. A meeting between these clever exponents will certainly be an added attraction to the meet.

JOHNNY DUNDEE, former world's featherweight champion, is said to be training hard for his bout with Sid Terris in Madison Square Garden next Tuesday. It will be the last bout in the famous old stadium and the veteran Italian is eager to turn in one of his old-time battles when he climbs through the ropes.

THERE IS A LOT of local interest attached to the big turf classics being held in England. Since March 25 when the Lincolnshire handicap was run there have been nine races, all of which were read with keen interest by enthusiasts in Saint John. The next big event is the Chester Cup which will be run off next Wednesday. Following it will be the Jubilee Handicap on May 9.

THERE HAS BEEN a lot of talk about a Dempsey-Willis bout but according to an announcement by the champion there is little or no chance of it being staged this year. If Willis is wise he will take on some of the other contenders who are only too willing to meet him. His \$300,000 to meet Gibbons is a joke.

EARL SANDE, premier jockey, who has returned to the track after a lapse of several months caused by a serious injury, scored a distinct triumph on Wednesday when he won the Pamunock Handicap with Worthmore. He gave a remarkable exhibition of riding skill and was presented a beautiful loving cup. Followers of the ponies all over America know of Sande and will be pleased to learn that his long illness did not impair his skill or lessen his nerve.

BASKETBALL

Central Baptist Team Wins From Saint Rose in Well Contested Game.

In the final and deciding series of basketball games between the Central Baptist and St. Rose's teams was played last night when the Centrals won by a score of 35 to 23. The game was exciting from start to finish. Jack O'Toole, of the St. Rose's, played a star game and Frank Campbell handled the whistle in a most satisfactory manner. O'Toole with 17 scores was the chief basket artist.

LEWIS WINS BOUT

Former Wrestling Champion Defeats Draak—John Pesek Throws Three.

PHILADELPHIA, May 2.—Ed. Strangler Lewis, former world heavyweight wrestling champion, last night defeated Tom Draak of Belgium in two straight falls, the first in 24 minutes and 46 seconds, and the second in 5 minutes and 8 seconds.

In the semi-final, John Pesek, Nebraska "Tiger," threw three opponents, with an aggregate weight of 680 pounds, in 18 minutes and 52 seconds. Pesek weighed 185 pounds. Mike Romano, Italy, and Bill Demetral, wrestled one hour to a draw.

Stanislaus Zbyszko Defends His Title

BOSTON, May 2.—Stanislaus Zbyszko, world's heavyweight wrestling champion, successfully defended his title, recently wrestled from Wayne (Big Munn) at Philadelphia, by throwing Orta Cadalli of Italy with a back fall in 43 minutes here last night.

CITY LEAGUE TO FUNCTION WITH 5 GOOD TEAMS

Harmony Completely Restored in Amateur Circles

Differences existing in local amateur baseball circles that threatened for a time to disrupt matters this year were ironed out completely last evening when the City Senior League was organized as a five-team league comprising the Water Department, formerly the Portlands, New Brunswick champions; the Trojans, last year's champions of the South End League; the Saint John the Baptists; the Saint John the Garrissons, and the Royals. Previous to the organization meeting, a conference between representatives of the South End League and three of the teams, Trojans, Water Department and Royals, was held, at which the South End executive unanimously released the teams from this league to give them a free hand at the organization meeting. The action on the part of the South End League executive was the subject of favorable comment by these teams. Frank White acted as chairman for the organization meeting, and A. W. Coyle, honorary president of the M. P. B. of the A. A. U. of C. was present and gave the members some valuable advice on a number of questions. At the election of officers, John J. Dunlop was nominated for the presidency. Mr. Dunlop was not present, but he was called by telephone and assured he would have the complete backing of every team in the league if he accepted. It was on this understanding he allowed his name to go before the meeting.

The following clubs decided to enter the league for the coming season: St. John the Baptist; Trojans; City Water Department (formerly the Portlands); Saint Johns (formerly the Garrissons); and the Royals. The representatives of the above teams present who had power to act in joining the league were: Walter Golding and E. Cow for Trojans; John Gay and Fred Diggs for Royals; Edgar Snodgrass and Charlie J. Gorman, Water Department; Victor Markham and J. Mountain, Saint Johns; Fred Barrett and J. Pilgerdahl, St. John the Baptist.

J. J. Dunlop President.
When all had been settled regarding the organization of the league the delegates went into an annual meeting and elected the following officers: President, John J. Dunlop; vice-president, Walter Golding; secretary-treasurer, Aubrey Snodgrass. The executive committee chosen to act with the above officers were those who were mentioned above as representing the five teams. On motion the secretary was instructed to interview the management of the city regarding the possibility of obtaining the same for games during the season, and to report back at a meeting of the officers and executive tonight at the Victoria Hotel.

To Draw Schedule.

It is expected that a schedule of games will be drawn up at a meeting to be held early next week, and in the meantime the different teams will start right in at practice, and there is every prospect of the baseball fans witnessing some exceptionally fast ball during the coming season.

Donoghue To Ride Ptolemy II In Derby

NEW MARKET, England, May 2.—Steve Donoghue has decided definitely to ride the French horse Ptolemy II, owned by Captain Jefferson Davis Cohn, in the Derby. Partly on the horse's own account and partly because of the prestige of Donoghue, who won the Derby three consecutive times from 1921, Ptolemy II is now favorite for the class at 5 to 1 against.

New Home Run King

LEO HARTNETT
Here's the fellow who has been raising particular havoc with pitchers in the National League so far this season. He's Leo Hartnett, stellar catcher of the Chicago Cubs. During the first week of the chase he turned in six home run drives. Pretty good for a starter. He hopes to keep up the good work, too.

JEWETT ANNOUNCES
The Newest, Smartest COACH—\$1930

THERE'S an air of newness and refreshing beauty about this new Jewett Coach. And the reason is obvious. It is new—in every detail of its construction. In name and design it's a coach. But in the qualities that make for permanence—long life—roadability—it so far surpasses the average coach that comparison only accentuates Jewett's leadership.

You'll recognize in its design the smartness of many far costlier cars. Rich color enhances its custom-built appearance. New type upholstery—introduced by Jewett in the Coach—combines beauty with long wear.

Doors are wider. There is ample room to enter or leave the rear without folding either of the front seats.

You'll experience a deep satisfaction in this car's sedan-like roominess—for here, at last is a coach that is really built for five. And built strong—with sedan construction throughout—not ordinary "coach" construction.

And the amazing New Jewett Motor! As new and thrilling as the Coach itself. The same big, powerful six that has carried Jewett to the very top of its class—now improved by Paige-Jewett engineers to give still greater performance—25% more power!

Here is sedan quality and coach convenience at open car price. You'll go a long way to equal its value.

Doors three feet wide permit access to rear seat without disturbing passengers in front. The Paige-Jewett one-piece ventilating windshield not only lets you see but can also be tilted upward to divert wind from your face. Roundback colored permanent lacquer finish, new type upholstery, are other unusual features of this newest coach at only \$1930. See dealer for details. EXPECTING 500 BOY SCOUTS IN CHURCH PARADE

Protestant Boys to Knox Church; Catholic Lads to Cathedral

HEBREW SCOUTS TO CARLETON ST. HALL

Motion Pictures to be Taken at Assembly and Reviewing Stand.

The church parade of the Boy Scouts and Wolf's Cubs of the city, embracing the groups attached to the Protestant, Catholic and Jewish churches, will start off on King street East in the vicinity of 10:40 Sunday forenoon, and march part at the salute in front of Imperial Theatre, where the reviewing party will stand.

At 10:15 the assembly will take place. As soon as all the groups are on the spot the Scouts and Cubs in mass formation will be photographed by a motion picture camera as they render their halting about with uplifted arms and hats. They will be "shot" again as they pass the review. This complete pictorial of the boys will be kept as a civic record, same as the 26th Battalion originals, the Prince of Wales' visit, etc.

At the reviewing stand the salute will be taken by Dr. L. V. Chipman, president of the Boy Scouts' Association of Saint John; Sir J. Douglas Hazen, honorary president; Mayor Potts, civic commissioners and officials of the Boy Scouts' Association. Dr. G. B. Peat will be in command of the turnout. It is expected there will be 150 boys from the Catholic division and 350 of the Protestant and Jewish denominations.

ORDER OF MARCH.

The cadet band will lead off, followed by the Wolf Cubs and Scouts going to Knox church for service at 11 o'clock. Those going to the Cathedral of the Immaculate Conception will be next in line, and will fall out at Waterloo street for their service at 11:30 o'clock. The Young Judaens will be in the rear, and will march as far as Knox church, and then proceed to their headquarters at Carleton street for a court service. Uniforms will be worn by many of the boys, who have made every effort to present a "classy" appearance. The Catholic boys were to have gone to Holy Trinity church, but a mass is at 10 o'clock there, so a change to the Cathedral was made.

Dr. G. B. Peat, district commissioner, with F. Clappin, assistant, and L. L. Johnston, district secretary, will have charge of the whole parade. The assistant Scout Master Thomas Killen will lead the Catholic boys, and Scout Master Eli Boyaner the Young Judaens.

IF IT RAINS.

At Knox church, Rev. R. Moorhead Legate will give an address on scouting, and the Rover Scouts will take up the collection. Even if it rains, the parade will be marshalled by their respective leaders. There will be more than 40 boys in the parade. The parade will start off at 10:40 o'clock, and the Wolf Cubs and Scouts will march in from Silver Falls. The parade will be taken back to Silver Falls, after service, in cars provided by the district commissioner, the president of the Scout council and others in charge.

If rain should prevent these arrangements, the Protestant boys will assemble at Knox church Sunday school hall at 10:30 daylight time; the Catholic boys at the Cathedral in line for their service at 11:30, and the Young Judaens will proceed directly to their headquarters for their service.

Hearing Begun In Automobile Case

Preliminary hearing into the charge against Harold J. Senone of theft of a car belonging to G. G. Murdoch was commenced in the police court this morning before Magistrate Henderson and after hearing Mr. Murdoch's evidence, the accused was remanded until Monday. In his evidence, Mr. Murdoch told of parking his car in front of the Imperial Theatre on the night of April 22 and coming out after the entertainment and finding it had been taken.

CIVIL SERVICE POSTS.

The Civil Service Commission has invited applications for the position of dairy produce grader, with a starting salary of \$2,400 for work at Montreal, Toronto and Winnipeg. The applications must be filed with the Commission not later than May 21, 1925.

He Was Lost In the Moving

THERE was one little fellow last night who wished there never was such a thing as Moving Day. He was found by Policeman Gaudet in Haymarket Square, crying as though his little heart would break. He sobbed out a story that his daddy and mother had gone away with all the things in the house and had forgotten about him. The powerful arms of the law gathered him up and conveyed him to the Central Station, where Night Deskman Thomas set the wires burning to locate the parents. The tired and harassed father soon showed up, and with a cry of joy the youngster ran to him, who then carried him to his new home.

Miss Hayes has recently graduated from the Willford Academy of New York.

SURPRISED AT ACT AND REASONS GIVEN

M. A. Pooler, General Manager of N. B. Power Co. Speaks of Legislation.

In an interview today relative to a Fredericton dispatch published yesterday, M. A. Pooler, general manager of the N. B. Power Company, said: "We were surprised when the act to reverse the judgment of the Appeal Court of New Brunswick was passed, and even more surprised at the reasons for its passage, as given by the Hon. Mr. Rand in his statement which appeared in yesterday's Times-Star. He states that if the decision of the Appeal Court was allowed to stand, the distribution system of the Power Commission constructed at a cost of \$600,000 would have to be dismantled. "It was the city which carried an appeal from Justice White's decision to the Court of Appeals, which court decided against the Power Company. "It was the city which appealed to the Supreme Court of Canada. Inasmuch as the city is determined to fight this case through the courts, the distribution system of the Power Commission constructed at a cost of \$600,000 would have to be dismantled. "The decision of the Supreme Court of New Brunswick declares that the New Brunswick Power Company has certain rights which this legislation confiscates for the purpose of protecting illegal actions of the City Hydro Commission, which were committed in defiance of repeated warnings given by the court. Such legislation, we understand, is without precedent in this country. It is contrary to the ideals of British law and justice, and its injurious effects might be so far-reaching that we feel confident that it would be disallowed by the Minister of Justice of Canada."

FRESHET WAS LIGHT ALONG THE RIVER

Roads Come Out of Winter Wet—Steamers Busy—The Late George L. Gerow.

Word from up river reports that the freshet was light all along the shores this spring. Some of the wharves were not covered at the height of the tide, an unusual condition.

Main thoroughfares and by-roads throughout the lower and middle section of the river territory seem to have stood the winter test very well. They have been excellent for automobile use for a fortnight, dry and hard.

River steamers are carrying an unusually large amount of freight for this early time of spring, doubtless due to the advanced season and the earlier activities of farmers. Fertilizers, farm implements, stock replenishments, etc., are the "hot" freights of the season. Farmers look for very favorable planting conditions this year.

THE LATE GEORGE L. GEROW.

The death of George L. Gerow, of Shannon, Queens county, whose burial took place on Easter Sunday in the Wickham Baptist church, of which he had been a lifelong member, removed a citizen of high standing who was known the whole sweep of river country roundabout. He was son of the late James and Eleanor Gerow, of Wickham, and grandson of the late patriarchal "Uncle" Garrett Vanwart, grandson of a Lovell, of Wickham, who set up a general store in Shannon, back of the river front. Mr. Gerow was ill nine weeks. Besides his widow, he leaves three daughters, Mrs. Fred Monteth, of Haverhill, Mass.; Mrs. Fred C. Cameron and Mrs. Geo. B. Cameron, of St. John. Mrs. Gerow is a step-mother of one son, George, at home, and one sister, Mrs. Lee Jones, of Wickham. Case Vanwart, of Wickham, is a step-father. Mr. Gerow was 61 years of age.

As Hiram Sees It

"Hiram," said the Times reporter to Mr. Hiram Hornbeam, "I saw some green buds on a lilac bush overlooking the sidewalk this morning. At once there came to me a vision of green buds beside a brook I know where trout are lurking below the little rapids, and the sun shines warm on all landscape. Would you by any chance have some old clothes and a pair of heavy boots I could wear if I ventured out to the Settlement?"

As Hiram Sees It

"Come right along," said Hiram. "I kin fit you out fast here. Hanner has been talkin' about you an' wonderin' why you don't come out. She says it does her good to set there of an evenin' an' hear you lie." "I'll tell her you said that," said the reporter. "I don't believe Mrs. Hornbeam would doubt me for one single moment!" "Oh, you ain't the on' noospaper feller she knows," said Hiram. "Besides, she reads the papers. They're mostly lie—ain't they?" "Sir," said the reporter with dignity, "the press invariably stands for truth and honor." "Too bad nobody ever found it out," said Hiram. "Yes, sir—it's too bad. Didn't your paper say the other day that Sil Jones was a good man? You knowed better—why didn't you tell the truth?" "Hiram," said the reporter, "if we told all we know—about ourselves and the people—everybody would yell for the police."
