University of Trinity College.

THE UNIVERSITY OF TRINITY COLLEGE was constituted by a Royal Charter, bearing date 16th July 1852, and empowered to confer Degrees in Divinity, Arts, Law, and Medicine.

THE CONVOCATION of the University consists of the Chancellor, the Provost and Professors of Trinity College, and all persons admitted to the Degree of Master of Arts, or to any Degree in Divinity, Law, or Medicine, in the University.

No Degree can be granted by the University unless a Supplicat for that Degree shall have passed the Convocation, having been previously approved by the Caput.

THE CAPUT consists of the Vice Chancellor; the Deans of the Faculties of Law and Medicine; and Two Masters of Arts, to be elected annually by Convocation at the first meeting in the Michaelmas Term.

The University confers no Degree whatever unless the Candidate has previously taken the oath of allegiance and supremacy and subscribed the following declaration :

“ I, A. B., do willingly and heartily declare that I am truly and sincerely a member of the United Church of England and Ireland.”*

* For any Degree in Divinity, subscription to the Three Articles of the XXXVIth Canon is also required.

All Candidates for the Degree of B.A. must be matriculated Students of Trinity College, and have kept nine complete Terms. They will be required by the University to pass two Examinations—

- Euclid—B. I. II. III. IV. VI.
- Algebra to the end of the Binomial Theorem.

Those who fail to satisfy the Examiners must present themselves at the Examination in the following year.

II. THE EXAMINATION FOR THE DEGREE OF BACHELOR OF ARTS, which will take place at the beginning of the tenth Term from Matriculation.

The subjects for this Examination will be:

Old and New Testament History.
 One of the Historical Books of the New Testament.
 The Articles of the Church of England.
 Two Greek and two Latin Authors.
 Greek and Roman History.
 Latin Prose Composition.
 Euclid.
 Algebra to the end of the Binomial Theorem.
 Trigonometry to the end of Solution of Triangles.
 Mechanics.
 Hydrostatics.

The particular authors will be fixed before the end of the Easter Term of the second year.

Those who shall have been approved at this Examination may present themselves for further Examination for Honors in Classics or Mathematics.

The Honor Examinations will take place immediately after the Degrees are conferred. The result of each Honor Examination will be published in three classes, in order of Merit.

IV. B.—The Lectures in the Arts Course commence in the Michaelmas Term; and as the Annual Examination in the following June, and the final Examination for the degree of B. 5. On completing the course of four years, and passing the requisite Examinations, the Student receives from the University a License "*ad practicandum in Medicina.*"

LIBRARY.

The College Library contains about 2,000 volumes, 600 of which are a gift from the Society for the Promotion of Christian Knowledge. About the same number were sent from England by private benefactors, before the College was opened. Valuable additions have been made to the Library by the Government of the State of New York, from the Smithsonian Institute, and from Columbia College. The Bishop of Toronto has also presented upwards of 300 volumes, including many valuable works in Theological, Classical, and general Literature.

All fees for Matriculation and Degrees are appropriated to the Library Fund. Members of Convocation are, under certain regulations, entitled to the use of the Library.

MUSEUM.

It is intended to fit up a part of the present building for the temporary reception of a Museum of Natural History, towards which many Mineralogical, Geological, and other specimens have been already contributed.
