### MANY LOVING COUPLES WERE MARRIED TODAY.

#### Pretty Weddings at Fredericton, St. Stephen and Elsewhere—Large Number of Interesting Events in This City.

(Special to the Star.)  
FREDERICTON, N. B., Sept. 6.—At 3.30 this afternoon, at the Cathedral, Miss E. Caroline Winslow, eldest daughter of the late E. Byron Winslow, became the wife of the Rev. G. D. Ireland, of Woodstock, Rev. Mr. Ireland, sub-dean, performed the interesting ceremony.

The church was beautifully trimmed, and the choir, of which the bride has been a valued member for some time past, rendered appropriate music. Prof. Powell presiding at the organ. The bride entered the church on the arm of her brother, Jasper Winslow, by whom she was given away in marriage. She looked very pretty and was dressed in white crepe de chine over satin, trimmed with honiton lace with white veil and orange blossoms, and as ornaments wore a gold chain with pearl heart, the wedding gift of the groom. In her hand she carried a beautiful bouquet of white roses and lilies of the valley.

The bridesmaids were Miss M. Winslow, sister of the bride, and Miss Lezore Allen. They were becomingly attired in white silk with white hats trimmed with ostrich feathers, and carried bouquets of carnations. Mr. Ireland had the support of the Rev. Dr. Fraser, of Moncton, while F. E. Winslow, D. B. Winslow and Chas. H. Allen performed the duties of ushers.

At the conclusion of the ceremony the bridal party drove to the residence of the bride's mother, where luncheon was served. The 5.30 train was taken for a honeymoon trip to the upper provinces.

The bridal presents were numerous and some of them exceptionally fine. The guests included the bridesmaids, the Rev. Dr. Fraser, of Moncton, and a few of their most intimate friends.

### STORM AND OBSTINATE LABORERS DELAY LOCH LOMOND EXTENSION.

Between the results of Monday's storm and the "stubbornness" of the work men at Loch Lomond the work on the extension is being considerably delayed. It is expected that the extension will be so put back as to make completion this fall impossible. The rain on Monday flooded the trenches in No. 1 section and floated about five hundred feet of the wood frame of a happy event, in which the principals will be M. Marks Mills, LL. B., barrister, and Miss C. Winnifred Todd, daughter of Mr. and Mrs.

There was a large attendance of delegates at the W. G. T. U. annual convention when the morning session opened in Union hall. ### FRANCE WILL INVADE MOROCCO.

#### Determined to Force Redress From the Sultan.

Germany Objects and Serious Complications Are Possible—French Army and Navy Are Ready.

PARIS, Sept. 6.—The government still awaits word from Fez regarding the Sultan's answer to the French ultimatum to Morocco the time limit of which expired yesterday. It is the firm intention of the ministers to enforce redress without reference to outside influences. Unofficial intimations have been received that Germany does not sympathize with a French military demonstration against Morocco as likely to complicate the general Moroccan question on the eve of the conference. Nevertheless there is a positive determination here to keep the redress of the outrage in the arrest of the Algerian citizen Bouzian entirely separate from the general questions of Morocco and to pursue the question of redress to the end.

Whether both military and naval demonstrations will be made to await the final word from Fez is not yet made known. Both branches of the service are ready for events. The inspecting result of the demonstration of the American squadron at Tangier to secure the release of Ion Perdicaris when he was held a prisoner by Haidi-el-Khalid and the authorities here to favor a military movement into the interior instead of the coast.

### TOKIO IS ABLAZE WITH ANGER AT PEACE TERMS.

#### Riotous Crowds Denounce Government for Humiliating the Country—Police Necessary to Quell the Disturbances.

TOKIO, Sept. 6 (delayed in transmission).—The first turbulence attendant upon the popular anger over the terms of peace arranged with Russia took place today, mass meetings to protest against the action of the government was called to take place at Hibya Park, but the metropolitan police closed the gates and attempted to prevent the assemblage of people. The municipality protested against the action of the police, and finally the gates were thrown open and a large crowd gathered and voted in favor of resolutions declaring the nation humiliated and denouncing the terms upon which the treaty of peace was arranged.

The crowd was serious in its conduct, rather than angry, and the police handled it discreetly. The gathering dispersed in an orderly manner. Later on, however, a crowd attempted to hold a meeting in the Shinjomi Theatre, and the police dispersed it. A portion of the crowd then proceeded to the office of the Kokamon Shinbun, the government organ, and began hooting. The employees of the paper, armed with swords, appeared at the door of the building and checked the attack, and the police again dispersed the crowd. It was thought that the trouble had begun when suddenly a portion of the crowd made a rush at the building, hurled stones and damaged some of the machinery. Several persons were injured during the attack but the police eventually cleared the streets and arrested a number of the rioters. The disorder is not general and the situation is not serious. Similar meetings were held at Osaka, where the government was asked to resign. General sentiment throughout the country seems to favor reactionary measures but it appears clear that the majority of the people will eventually accept the peace terms. Similar conferences however, disappointing it may be.

YOKOHAMA, Sept. 6.—The peace terms are not known exactly but it is rumored that the abandonment of the indemnity will cause great disapproval. There have been no demonstrations. The people are awaiting the official announcement of the text of the treaty.

NAGASAKI, Sept. 5.—The peace news was received without enthusiasm in the chief centres of Kiushiu. There is a general feeling of chagrin that Japan has been deprived of the rightful fruits of victory but there is disappointment especially at the fact that permanent security from Russian aggression has not been gained.

JAPS IN NEW YORK RESENTFUL.

NEW YORK, Sept. 6.—Paron Komura and minister Takahira, the Japanese peace envoys and suites are expected here this afternoon from Portsmouth. Baron Komura and his suite will occupy the rooms at the Waldorf-Astoria which they had before going to Portsmouth. Mr. Takahira, who lives at the Majestic will join his colleague. It has not yet been decided by the local Japanese, most of whom are deeply resentful over the peace terms, just how they ought to receive the envoys. The trustees of the Nippon Club meet tonight when that point will be settled. "We will know tonight," said a Japanese yesterday, "whether the reception of Baron Komura is to be cold, lukewarm or cordially warm."

### ANOTHER STEAMER SUNK IN THE ST. LAWRENCE.

MONTREAL, Sept. 6.—Steamer Hiram, owned by the Richelle and Ontario Navigation Company, but under charter to the Dominion government, was run into and sunk opposite Yverches last night by freight steamer, "The Empire." No lives were lost. The vessel was valued at \$10,000. Government officials are at the scene of the collision, but have not determined what will be done with the wreck.

**ST. JOHN STAR.**  
ST. JOHN, N. B., SEPT. 6, 1905.

**THE G. T. P. AND THE CONTRACT.**  
When the Grand Trunk Pacific Com-  
pany was incorporated and the con-  
tract between it and the government  
was finally drafted, guaranteeing the  
company would not get all the bene-  
fits, that it must work for Canadian  
interests while advancing its own.

One of these clauses, intended to  
compel the road to open up new ter-  
ritory, was clause 12 of the act of incor-  
poration providing that the road  
should not be built nearer than thirty  
miles to any existing line. Another was  
Clause 42 of the agreement which pro-  
vides that the company shall convey  
all traffic, "not specifically routed  
otherwise" to Canadian ports.

It was pointed out by the Star and  
other papers and by speakers in par-  
liament and out that if these provisions  
proved contrary to the company's  
interests it would be very difficult to  
enforce them. But these objections and  
cautions were scornfully ignored by  
the government and its supporters.

Now it appears that the company has  
decided that the first clause men-  
tioned is detrimental to its interests and  
has determined to ignore it. And so  
high an authority as Judge Killam of  
the railway commission has declared  
that it may do so without molestation  
as the clause, in spite of the pledges  
of the Premier and his ministers, can-  
not be enforced. As a result the Grand  
Trunk Pacific through Manitoba will  
run practically parallel and at a dis-  
tance of from three-quarters of a mile  
to ten miles from the C. P. R. The  
company does not even attempt to  
open up new territory; it does not even  
attempt to get the shortest route  
through Manitoba; it selects the best  
provided district in the West and runs  
through that, practically double-track-  
ing the C. P. R. for a considerable  
portion of the distance. So far as the  
effect of the vaunted clause is con-  
cerned it might as well have read that  
the G. T. P. could run where it could  
find the most business.

In view of the fact that the other  
clause referred to is the only guaran-  
tee that Canadian ports will share in  
the traffic of the new road, and con-  
sidering that this clause is obviously  
also not to the advantage of a com-  
pany which possesses already a well  
equipped American port and a line  
leading thereto which is shorter than  
the proposed line to any Canadian  
winter port, this decision of Judge  
Killam's opens an outlook which is  
disquieting, to say the least.

**THE PEACE TREATY.**  
Where the treaty of peace as conclud-  
ed between Russia and Japan differs  
from the unofficial report of the terms  
as agreed upon by the Portsmouth con-  
ference last week the change is in the  
shape of further advantage for Russia.

One important modification of this  
nature is with respect to the payment  
of the cost of keeping prisoners of war.  
As announced last week Russia had  
agreed to pay Japan the board and  
transportation expenses of all Russian  
prisoners captured during the war,  
practically constituting an indemnity.  
But now it appears that this arrange-  
ment is to be reciprocal, and while this  
will not make any great reduction in  
the sum Russia has to pay—as the  
number of Japanese prisoners in cap-  
tivity is trivial compared with the num-  
ber of Russians—it means considerable  
to Russian pride, enabling the Czar to  
assert that he would pay not a cent  
of indemnity under any guise.

The articles with reference to the fu-  
ture management of the Manchurian  
railway and the future Far Eastern  
trade policy of the two countries are  
also important, indicating as they do  
prospects of closer trade connections  
between the two countries. The rail-  
way is to be managed conjointly, and  
the commercial treaty in existence be-  
fore the war is to be renewed with  
modifications, each nation allowing the  
other "most favored nation" privileges.  
These cannot but bring Russia and Ja-  
pan into closer touch with each other,  
and if no future cause of friction arises  
which other countries with designs on  
the trade of the Orient cannot view  
with complacency.

As was expected, Mr. Haullain, ex-  
president of the Northwest Territories,  
and now the most prominent resident  
of the new province of Saskatchewan,  
has been ignored by the new lieutenant  
governor and a man named Scott,  
whose chief claim to distinction is that  
he voted for the coercion bill during  
the last session of parliament, has been  
placed at the head of the government.  
This is a pretty mean sample of pre-  
serving politics, even for the present  
government and is a good measure of  
the calibre of the statesmen who at  
present rule the destinies of Canada.

**THE WAY TO THE FOREST OF  
ARDEEN**  
No signboards show which road to take  
To reach its ever-peaceful skies.  
Each one must find his own journey make  
To find where Arden Forest lies.

For who can tell how far to go?  
There is no book from which to learn:  
One may stop here or there, and so!  
Its gates are just beyond the turn.

The path that leads on straight ahead  
May take one farther from the goal;  
And this one which so many tread  
May still perplex and vex the soul.

What route to take no one can say,  
'Tis found on neither map nor chart;  
Only the joyous find the way,  
—Oscar Brumbaugh, in Recreation.

**MONTEAL STRIKERS RETURN**  
(Special to the Star.)  
MONTEAL, Sept. 6.—The Dominion  
Transport and Shelden Company dock  
labourers, who have been on strike for  
the past few days, returned to work  
this morning. There were about four  
hundred in all and of these about one  
hundred and fifty will be unable to  
get back their places.

**INTERED RUSSIAN CRUISER RELEASED**  
VALLEJO, Cal., Sept. 6.—The Rus-  
sian cruiser Len, which had been in-  
terned at the Naris Island navy yard  
for nearly a year, will leave for San  
Francisco next Saturday, where she  
will go into dry dock. Permission has  
been received and orders are now  
awaited for the vessel to depart for  
Vladivostok, and it is expected that she  
will sail for that port about Septem-  
ber 20.

**DYNAMITE STEAMER ON FIRE.**  
LONDON, Sept. 6.—A despatch from  
Port Said stated that the British  
steamer Chatham, from London for  
Yokohama, took fire in the Suez canal  
and held up all canal traffic. The fire  
caused great alarm as the Chatham  
had seventy tons of dynamite on

**JEFFRIES WON'T BE REFEREE.**  
SAN FRANCISCO, Sept. 6.—A con-  
ference between the managers and pro-  
moters of the Brit-Nelson fight has  
failed of results so far as settling the  
referee question is concerned. It was  
learned that Jeffries would not be the  
referee. Manager Coughlin asserts that  
the fight will come off as scheduled.

**A POINTNER WORTH HAVING.**  
The merits of Ozone are well known,  
but in buying it one must be sure to  
get the "purest form." Also Ozone  
should always be taken along with  
"Celery King," the famous tonic laxa-  
tive. The "purest form" in which Ozone  
is put up is "Solution of Ozone, (the  
coupon kind)" and each bottle of this  
brand contains a coupon entitling you  
to a package of "Celery King" free.  
No other firm in the world can give  
"Celery King" with Ozone. We give it  
because our Ozone thus gives the high-  
est results. In addition, you get just  
about twice as much "Solution of Ozone"  
for your money as of other kinds,  
and you get it in the purest and most  
concentrated form. You also get  
"Celery King" free, instead of having  
to buy which you would need to do  
in order to have full benefit from the  
use of Ozone.

"Your druggist should have 'Solution  
of Ozone (the coupon kind)'. If not,  
write to the Public Drug Co., Bridge-  
burg, Ont.

## LOCAL NEWS.

You may get lots of glasses but you  
can't buy new eyes. If you desire ex-  
pert advice and entire satisfaction it  
will be advisable to call at D. Boyaner,  
Optician, 531 Main street.

The total rainfall on Monday and  
Tuesday night was three and a quarter  
inches. This is not up to the record  
of the fall in August of last year, but  
was a pretty heavy rain.

Eben Perkins returned yesterday  
from a month's trip through the west.  
He had a very pleasant holiday and  
was much interested in all that he  
saw. Mr. Perkins also took in the To-  
ronto exhibition. He says it is well  
up to the standard, and he mentions  
that the display of canoes by Chestnut  
of Fredericton is most creditable.

C. W. Wetmore of this city received  
yesterday a letter from Mr. Sato of the  
Japanese delegation at Portsmouth.  
Mr. Wetmore had written to Mr. Sato  
setting forth the opportunities open to  
Japan of enjoying certain industries in  
this province, and calling the attention  
of the Japanese statesman to mineral  
resources which might be acquired by  
his nation. All of which matters have  
been duly noted by the diplomat, as  
he says in his note from the Hotel  
Wentworth.

The price of Manitoba flour is drop-  
ping. In the latter part of last week  
the Manitoba varieties were quoted at  
\$2.00 per barrel retail. On Thursday or  
Friday the Lake of the Woods Com-  
pany brought the price down to \$1.90.  
Yesterday the Ogilvie flour had a  
double drop. At 8 o'clock in the morn-  
ing the retail price asked for the four  
put on the market by this concern was  
\$2.30, thus making the figures asked by  
the two companies the same. A couple  
of hours later the merchants who were  
still discussing the drop of twenty  
cents on the part of the Ogilvie peo-  
ple were astonished to learn that the  
price had been lowered. Another drop  
of twenty cents had been ordered, so  
the Ogilvie flour is now selling at  
\$2.10 per barrel retail. The ques-  
tion now being asked is whether or  
not the Lake of the Woods people  
will follow the example of the other  
company. Ontario flour is now selling  
at \$2.10.

The body of Mrs. Rose Hanly, widow  
of Patrick Hanly, arrived by the Cal-  
vin Austin yesterday morning. De-  
ceased took fire in the Suez canal  
and held up all canal traffic. The fire  
caused great alarm as the Chatham  
had seventy tons of dynamite on  
board. The fire was later extinguished  
and canal traffic was resumed.

**REASONS WHY GOLDEN EAGLE  
FLOUR IS SUPERIOR TO ALL  
OTHERS.**  
"BE THEY WHITE OR BROWN."  
1. Because it contains the germ  
which possesses the essential oil and  
sugar of the berry which formerly gave  
that sweet nutty flavor to the old stone-  
ground flour of early days.  
2. Because it does not contain the  
woody husk or irritating particles to  
be found in coarser flours.  
3. Because it is not held at a fancy  
price, but is sold at a moderate price,  
bringing it within the reach of all.  
You will do well to try Golden Eagle  
Flour and be convinced of its meritori-  
ous qualities.

### W. C. T. U. CONVENTION.

(Continued from page 2.)  
The annual meeting of the W. C. T. U. division of the W. C. T. U. was continued yesterday afternoon and evening. Fifty members were at hand yesterday afternoon. Mrs. Robinson, acting treasurer, was introduced and five little girls, who are to act as pages, Misses Hayes, Howard, Keith, Hawkhurst and Edgar. Rev. Mr. Westerland gave a very interesting talk on the influence of early training with regard to the smoking habit. The president then read her annual address making a strong appeal for more willing workers in the cause of temperance. The corresponding secretary's report, which was next submitted, showed the following:  
Total membership, 456  
Total honorary members, 25  
Total new members, 34  
Total pledges obtained, 59  
Total pages of literature, 51,615  
Total number union meetings, 83  
Total number parlor meetings, 8  
Total number public meetings, 8  
The members who have died during the year are as follows:  
Mrs. A. Thornton, Hartland.  
Mrs. Andrew Marchant, St. Stephen.  
Mrs. J. Fowler, Newcastle.  
Mrs. Wm. Allison, Derby.  
Mrs. H. Jones and Mrs. Robert Dalton, St. John.  
Mrs. Jno. Rudbeck, Mrs. Jos. McAlister and Mrs. J. Robinson, Moncton.  
Mrs. R. A. B. Phillips, Fredericton.  
The report of the treasurer, Mrs. Carrie A. Robinson, showed the total receipts for the year to be \$418.70, and the disbursement \$321, leaving a balance in the treasury of \$117.70.  
The county presidents who were in attendance were next called on and reported the progress being made in the counties.  
Mrs. Stevenson's address was most interesting. She believed in the W. C. T. U. first because it is what it professes to be a union. We have long known theoretically that in union there is strength but it has been left to re-
