

FROM ALL OVER THE MARITIME PROVINCES

FREDERICTON

Fredericton, N. B., Feb. 12.—(Special)—The first vote on church union was taken in the Presbyterian church here yesterday but the result will not be announced until the 25th. Another vote will be taken next Sunday.

Two parties surveying the route for the Valley railway between this city and Woodstock were only eight miles apart on Saturday. Lincoln's party, working from Woodstock, has covered thirty-three miles. Mr. Hill has charge of the party working up from this city. Lincoln will move his party to Woodstock this week and work towards Centerville. So far no contracts for construction have been let.

The mercury registered twenty below last night and twenty on Saturday night.

Mayor Thomas, who will not seek reelection as mayor, is being urged by his friends to offer for alderman for Kings ward.

Three members of the present council, Aldermen Parrel, Allen and Kitchen will not seek reelection while Ald. Hooper will offer for the majority. A list of candidates for civic honors is now going on, but so far there has not been a very enthusiastic response. The custom of forming tickets to include all the wards, which has been in vogue for several years, may not be followed at the approaching election.

C. O. Ross, chief engineer of the National Transcontinental Railway in this district, arrived in this city this morning and conferred with Mr. Ross Thompson, chief engineer of the St. John and Quebec Railway. Mr. Ross afterwards stated that there was nothing significant in the conference.

It is understood that A. M. Bouillon, chief engineer of the Grand Trunk Pacific Railway in this district, will shortly remove to Quebec to fill the vacancy caused by the death of Mr. Frothingham, who was formerly chief engineer of the G. T. P. in Quebec. Mr. Bouillon will hereafter be in charge of two districts instead of one, it is said.

It is understood that the estate of the late George Kitchen will not prove as great as the public generally anticipated. While Mr. Kitchen was a wealthy man, he gave away a considerable portion of his estate to members of his immediate family. His sons and his daughters during the past few years are said to have received more than \$100,000 from their father. It is believed that Mr. Kitchen's estate when probated will prove less than \$200,000; in fact, one man who should know said today it would probably be not more than \$100,000.

Fredericton, N. B., Feb. 13.—(Special)—It is said that in the event of O. S. Crockett, M. P., resigning his seat to accept a government office, a commission will seek the nomination of Hon. George A. Colter, of Keewic. The machine element of the party want Hon. H. F. McLeod as candidate.

The University of New Brunswick Dramatic society presented The Taming of the Shrew to a large audience tonight at the city Opera House. The play was put on in an excellent manner and will be repeated tomorrow night. The college orchestra was in attendance. The play is part of the programme of "college week."

Bishop Richardson this morning announced the appointment of Rev. W. B. Slam, rector of Moncton, as canon of Christ church cathedral, Fredericton.

The supreme court met this morning with the full bench present. The following common motions were made:

Proprietors of marsh lands in Districts 3 and 5 in the Parish of Hopewell—Baxter, K. C., moved for rule absolute for certiorari and for rule nisi to annul an assessment made by a commissioner of marsh lands under consolidated statutes 190, Chapter 159. After hearing him at length the court was of opinion that his contention had already been decided by the court and refused the application.

James F. Turnbull vs. Robert A. Corbett—Kelley, K. C., moved for time to file notices and enter cause. The court granted until March 26.

John O'Brien vs. The same; the like. Court adjourned until ten a. m. Wednesday.

J. King Kelley, barrister, secretary of the Municipal Council of the County of this city and county of Saint John presented to the court the commission of the lieutenant governor and council appointing him king's counsel. Mr. Kelley was called within the inner bar.

SOUTHAMPTON

Southampton, Feb. 9.—The donation to Rev. Adam Rutledge last Wednesday night in the Orange hall resulted in \$22 in cash, and 24 in goods. A tempting supper was partaken of. After this came an exceptionally fine programme of music, speeches and readings. The readings, A. Gordon Wedding, by Miss Kaye Brooks, A. Gordon Hen by J. Chipman Grant were exceedingly well rendered. There were also games and various other forms of amusement.

The sudden death of Mrs. Angus McBean, of Taymouth, York county, shocked the whole community where she was born and raised. The deceased lady was Miss Schriver, daughter of Abram Schriver, who was killed last fall while crossing a culvert near his home. This highly respected family has had a chapter of accidents, one following quickly on the heels of the other. Mrs. McBean was one of the best teachers ever in Southampton, and her death is a great loss to the community.

The Missionary Society, who have been working in the hospital at Chichester, India, met this month at Mrs. Isaac Patterson's. The membership is steadily increasing.

The school of Northampton, has the Hartfield school this term and Miss Alma Woods the "Bridge school." The teacher at Grand View, Miss Chapman, is down with the measles and her school closed indefinitely. Miss Sharpe, of Pokok, has been re-engaged at Upper Southampton. Mrs. John N. Grant is recovering from a serious operation in the Victoria Hospital, Fredericton.

Mrs. P. W. Grant was called to Taymouth on account of Mrs. McBean's sudden illness, but the latter was dead before she arrived.

Mrs. B. W. Ackerley went to St. Mary's, where her father, Edward Dunphy, is ill with heart trouble.

Dr. McIntyre, of St. John, has located at Hawkhawke to practise his profession. The practice was totally destroyed by the fire. The doctor has already made many friends and fills the gap in the medical field made vacant by the leaving of Dr. Coffin for Bathurst. Dr. McIntyre's children, Charlotte, and it is expected, he could be he decided to move to the country so he can be with them.

GAGETOWN

Gagetown, Feb. 10.—Invitations are out for a leap year dance to be given by the bachelorette maidens of Gagetown at the home of Mrs. J. H. Dunn on the evening of Feb. 14.

Bruce Weston is in the village visiting his parents, Captain and Mrs. Weston.

Mrs. Peter Masterton returned to St. John this week, after a visit to her parents at the Methodist parsonage.

Miss N. Bulyea has gone to Boston after spending a few weeks with her parents, Mr. and Mrs. J. P. Bulyea.

Miss Louise Rubins left St. John a surprise party at the home of Mrs. F. Fox Tuesday evening was a pleasant affair.

Rev. H. Penna held service at Frank Reid's lumber camp Wednesday evening.

NEWCASTLE

Newcastle, Feb. 14.—Mrs. and Mrs. James Nolan, of Redbank, are receiving congratulations upon the arrival of a daughter on the 9th instant.

A son was born to Mr. and Mrs. William Allison, of Newmarket, on the 13th. Mr. and Mrs. Michael Kelly's family was increased by a baby daughter on the 10th. The social Monday evening in the St. James hall was, as usual, a success. The hostesses were Mrs. John Rae, Mrs. Joseph Jardine and Miss Agnes Falconer. Rev. Dr. Cousins has been confined to his house for over a week. His services are being taken by Rev. F. N. Atkinson.

Mrs. R. H. Hines entertained last night at a whist party and Mrs. James Stables at a table.

HOPWELL HILL

Hopewell Hill, Feb. 11.—Though the weather in January was very severe, it was outstripped by the cold spell of the present week. This morning the thermometer suggested a temperature below zero, the coldest of the season.

Rev. Mr. Kirby, pastor of the Albert Methodist church, distributed, at the service today, the ballots for the voting on the question of church union. Three different ballots will be used—those for the members of the official board, for the church members over eighteen years of age, and those for the members of the congregation. There is also a special ballot for adherents. The returns are to be in by April 15.

The ladies of the Methodist church at Hopewell Hill secured the services of Rev. Mr. Kirby, of Moncton, to lecture here on Friday evening, Feb. 23. The subject will be "John Ball and his neighbor."

Thad. Stevens and wife, of Amherst, are visiting the former's brother, J. C. Stevens, here.

Howard Stevens, who was operated on Friday for appendicitis, is progressing favorably.

Hopewell Hill, Feb. 13.—The residence of Mr. and Mrs. A. S. Mitton was the scene of a happy gathering last evening, the occasion being a variety show, given Mrs. Martha Peck, by her friends from the Hopewell Hill and Harvey. About fifty guests were present, including the prospective bridegroom, a prosperous resident of Dawson, Albert county. The dancing and refreshments were served and very pleasant evening enjoyed.

Many friends and relatives gathered yesterday to attend the funeral of William Milton, whose death occurred on Sunday. Rev. Mr. Corbett, of the Hillsboro Baptist church, conducted the services, interment being in the Albert Mines cemetery.

Walter Downey, of Carryville, has provided that a profitable meat business can be carried on in Albert county. Mr. Downey went into the business in the summer of 1907 as an experiment, and is now continuing through the winter, and finds a good demand, his team service giving fine satisfaction throughout the villages he served. His cattle are in good demand and are said to be getting scarce.

Albert and vicinity is taking, just now, considerable interest in foot racing. In spite of the cold weather, W. Blenchy, Thomas Downey, of St. John, the daughter of Mrs. Hartshorn, of St. John; Mrs. N. C. Hand, of Boston; Mrs. White of Bloomfield, Mrs. John Flood of St. John and Mrs. Hayer, of this city. The son is John Nash, of Moncton.

Moncton, Feb. 13.—(Special)—The city council tonight appointed S. L. T. Harrison chairman of assessors, in place of Thomas Williams, resigned. Other assessors for the position were F. P. Forbes, M. J. Steeves, J. E. Masters, J. R. Bruce. A communication was read from Peter Clinch, secretary of the fire underwriters of St. John asking for a conference with the city council in reference to the installation of natural gas here. The council appointed Ald. Gross, Nickerson, Price and the mayor to meet the underwriters. Ald. Fryer and Forbes were appointed city representatives to the county council.

Judge Carleton addressed a largely attended meeting of the Canadian Club last night on "The Boy." The address was voted one of the best heard before the local Canadian Club since it was organized.

Moncton, N. B., Feb. 14.—(Special)—R. E. Reeser, a gas expert, of Pittsburgh, is here looking over the plant and property of the Maritime Tramways Electricity and Gas Co. in the interest of United States capitalists.

At the adjourned annual meeting of the New Brunswick Petroleum Company, there was a discussion regarding a contract about to be entered into by the Maritime Oil Fields Co. who hold an option contract from the New Brunswick Petroleum Co. with United States financiers. It was decided to ask for information as to the nature of these contracts. The general opinion of the New Brunswick Petroleum Co. was that their property was now in a flourishing condition, owing to large discoveries of gas and the fact that the company had secured contracts for the sale of gas to the Maritime Oil Fields Co. G. V. Pearson, a director of the company, was appointed director in his father's place.

TORTURED BY BILIOUSNESS AND TERRIBLE RICK HEADACHES

Both Completely Cured by Fruit-a-Lives

Dresden, Ont. July 17th, 1910.

I was a dreadful sufferer for many years from Sick Headaches and Biliousness, or Torpid Liver. I tried many remedies and physicians, but nothing seemed to do me any good. I bought "Fruit-a-Lives" and after the first box, I was so much better that I continued using these fruit tablets and they have entirely cured me.

"I certainly can recommend 'Fruit-a-Lives' to anyone who suffers from Headaches, Biliousness or Stomach Trouble."

Thousands of people have had the same experience as Mrs. Vansickle. They have tried doctors and taken all sorts of medicine, only to find that "Fruit-a-Lives" is the one and only remedy that actually cures these troubles.

"Fruit-a-Lives" is the only medicine in the world made of fruit juices, and is the greatest Liver Cure ever discovered. It acts directly on Liver, Kidneys and Skin—sweetens the stomach and purifies the blood.

50c. a box, 6 for \$2.50, or trial size, 25c. All dealers or from Fruit-a-Lives Limited, Ottawa.

LOST HER BABY ALIVE

Halifax Woman Arrested for Brutal Deed Confesses Her Crime

POLICE FIND BONES

Mother Explained Absence of Infant by Saying it Had Been Kidnapped, But Her Story Was Doubtful—Rocked Empty Cradle to Deceive Her Husband.

Halifax, N. S., Feb. 13.—"I put the baby in the stove and burned it. I'm sorry now, but I did it when the feeling came over me."

These were the words of Ada McCarron, the wife of James McCarron, of this city, in confessing, according to the police, this afternoon that she put her five-week-old child in the hot stove in her home and burned it alive.

She said she did this nine days ago and then spread the story that the child had been kidnapped from the cradle.

Mrs. McCarron is locked up on a charge of murder. Since the disappearance of the child, Detective Harahan and Kennedy have been working on the case. They early became convinced that the child had been burned alive. The woman was arrested this afternoon on suspicion and an hour or two afterwards she is said to have confessed.

When the police visited the woman's house in the North End, the day the child disappeared, they examined the hot stove from which the ashes had been removed. It was then cold, but that was four hours afterwards. The ash barrel was searched, and little bones were found there, whether human or not, remains to be seen.

When the husband came home at noon the woman was rocking the cradle, which was empty for an hour of the police as to the motive, it was that Mrs. McCarron was mentally deranged when she thrust her crying baby into the fire.

NO CLEMENCY FOR RICHESON

Governor Foss Says He Will Not Interfere With Death Sentence

Condemned Man Reported to be on Verge of Collapse—His Counsel Likely to Base a Plea for Commutation on Ground of Insanity.

Boston, Feb. 13.—Governor Foss will make no effort to commute the death sentence of Clarence V. Richeson, murderer of Alice Linell, who has been sentenced to death in the electric chair in the week of May 15.

The governor, in conversation with William A. Morse, junior counsel for the condemned, said there was not the slightest chance to save the life of Richeson. He will be sent to the prison to see Richeson.

It is strongly intimated that the petition to be brought for the commutation of the death sentence will contend that Richeson is insane. With this in view, the governor has had several conferences with Sheriff Quinn to learn the real condition of the condemned man. Dudley M. Holman, private secretary of the governor, will be in charge of the petition.

The information conveyed to the governor is to the effect that Richeson is not at present insane, but that he is verging on a nervous breakdown.

There is reason to believe that he is likely at any time to suffer prostration. Richeson has promised Sheriff Quinn that he will not attempt to kill himself or commit any other act of violence while in the Charles street jail.

THOUSANDS OF BABES REARED ON MILK LADEN WITH GERMS

Ottawa, Feb. 12.—Veterinarians all know that you cannot raise healthy calves from tuberculous cows, and yet many thousands of children are fed milk from tuberculous cows. The health officers do not seem to realize this.

This statement was made by Dr. Rutherford, veterinary director-general at a crowded session of the National Live Stock convention held in St. Patrick's Hall here tonight. The subject was Bovine Tuberculosis.

Tuberculosis, Dr. Rutherford said, was a matter of extreme importance to live stock owners of Canada. Cattle were more susceptible than any other animals. It was a scientific fact that from sixty to eighty per cent of the human family have tuberculosis in some form in their systems. This was almost always traceable to a nervous breakdown.

Almost all tubercular people contracted diseases in infancy, although in some cases it did not reveal itself till the age of seven, in the form of spinal meningitis or even later. The reason was that infants were more exposed to germs in milk. Often milk that seemed pure and free from germs when it came from the cows, proved to be reek with germs in the pail.

In regard to the possibility of eliminating tuberculosis from the cattle herds of the country, the speaker said that it could best be accomplished by a careful, sound, conscientiously followed policy with the co-operation of the stock breeders.

Indianapolis, Feb. 13.—government today arraigned the fifty-four men in the nitro conspiracy cases.

It took into custody the official staff of the Indiana National Guard, including the officers of the executive twenty business agents, new agents of those men Ryan and President Buffalo (N. Y.), and Herbert S. Mook, president and secretary of the union, and several men were required to give their appearance for arraignment the other defendants. More than forty of labor union officials, were conspiring to destroy nitro-glycerine the production of the union, and it was the intention of all the unionists to have their union in their hands for forty-eight hours.

Fourteen of those arrested are required to furnish \$100 each as security for their appearance. An aggregate of \$140,000 has been set aside for the government to pay the cost of the trial. The government was unable to have disbonded many of the defendants because they were unable to furnish the required bonds.

Ernest G. W. Bass, agent of the Indiana National Guard, and Edward G. Bass, agent of the Chicago National Guard, were brought here for arraignment.

Immediately upon his arraignment, a statement was made by Ryan throughout the trial, that he was innocent and in the innocence of the United States District Judge W. Miller intimated that federal grand jury would indict the defendants. An investigation of the case was made.

More Arrests Likely

After the defendants were arraigned, the trial of Mr. Miller, "we have new aspects." Information developed as to the trial of many of the defendants. Now, we do not see those implicated. This morning the indictment charges men with conspiracy and with forbidding the carrying of passenger trains and seven transportation, acts and names of the defendants. The indictment charges that the defendants, but does not specify the other defendants. When washing oilcloth, a tablecloth or painter's size add a handful of this water right and iron it. This will make it much smoother and will not wrinkle along the edges with the ordinary way.

It is often disappointing when cutting a hat cake to find that most of the nuts have settled at the bottom. To remedy this, sprinkle the nuts thoroughly with flour; the nuts will stay in place after they have been stirred into the cake.

A brass curtain rod, such as is used for sash curtains, put in the pantry or any other convenient place, makes a very neat and satisfactory holder for kettles covers.

It is very easy to put up, always firm and can be made any desired length.

When I wish to press either a silk or wool garment which cannot be sprinkled nor wrapped in a wet cloth, I hang it in a damp cellar for a few hours. It will gather just enough dampness to press easily, and will look delightfully fresh again.

Put a soft, thick cloth on a table or on a chair. Lay the shirtwaist on the table with one armhole over the corner; pull the waist right and down it. In this way the shoulder is ironed smooth and kept in shape. It is especially good for plaited waists.

Alleged Participants in Dynamite Conspiracy

Structural Iron Workers' Officials in All Parts of the United States in the Tolls and Held in Heavy Bail—President Ryan Says All Are Innocent.

Indianapolis, Feb. 14.—The United States government today arrested almost all of the fifty-four men indicted in the dynamite conspiracy case.

It took into custody practically the entire official staff of the International Association of Bridge and Structural Iron Workers, including the chief officers, members of the executive board and about twenty business agents and former business agents.

More than forty of the men were held in custody on \$10,000 bonds for their appearance for arraignment here with all the other defendants on March 12.

Not Arrested Yet. The following are indicted, but were not arrested up to tonight: Philip A. Cooley, New Orleans, member of the executive board, now on way from Savannah (Ga.), to New Orleans to surrender.

Heavy Bail Demanded. Fourteen of those indicted are each required to furnish \$10,000 bonds and forty are each required to furnish \$5,000 bonds, making an aggregate bond required of \$340,000.

Norton Griffiths Cut Prices a Little in Consideration of Being Given Two Years' Extension to Do the Work—Liberals' Plans Adopted—Calls for Ship Repair Plant, Dry Dock, Enormous Breakwater and Terminal Facilities.

Ottawa, Feb. 13.—The government has formally decided to accept the offer of Norton Griffiths for the Courtenay Bay work.

The contract will provide for the construction of a breakwater extending from the eastern shore of Courtenay Bay towards the eastern shore of the bay.

Not Arrested Yet. The following are indicted, but were not arrested up to tonight: Philip A. Cooley, New Orleans, member of the executive board, now on way from Savannah (Ga.), to New Orleans to surrender.

Stalwarts Stay Away from Convention and Threaten to Mutiny

Chatham, N. B., Feb. 14.—Great excitement is being taken in tomorrow's convention of the local government supporters in this county.

Under the new arrangement the contractor is given five years in which to complete the work and in consideration of this extension of time he has reduced his price to \$7,500,000.

It is reported tonight that the ship repair plant is also included in the contract, and that this will bring the total expenditure up to \$11,000,000.

Provincial Secretary McLeod and Attorney-General Grimmer, of New Brunswick, are here for the purpose of closing up the details for the St. John Valley railway contract so that the work may be commenced and pushed through to completion as soon as they are finished.

There is a provision for the construction of a breakwater extending from the eastern shore of Courtenay Bay towards the eastern shore of the bay.

Nationalist Caucus Last Night a Lively Affair, and Crisis Seems Near for Tory Government—The Hon. Mr. Cochrane Furnishes House Cost of N. T. R. to Date and Estimate of the Cost to Complete.

Ottawa, Feb. 14.—The difficulties of the government with their Nationalist-Conservative supporters from Quebec, over the Manitoba school question, and the repeal of the naval law, reached an acute stage late tonight.

It is understood that they agreed practically to a man to insist on their demand for a change in the provincial boundaries.

The government bill as now drafted does not provide for this, and an ultimatum was sent to Premier Borden declaring that the government could not count on the support of the Quebec members unless their demand was granted.

They further insisted on a "show down" on the naval question this session.

The government has not agreed as yet to allow time for Mr. Seigny's resolution, now on the order paper, urging the immediate repeal of the naval law, to come up for discussion.

BATHURST HARBOR IMPROVEMENTS

To the Editor of The Telegraph:
Sir,—The Liberals of the county of Gloucester, and especially those of Bathurst, are enjoying the discomfiture of the Conservative party. Ever since Sept. 21 the hungry office-seekers have been clamoring for the spoils. So numerous have been the applications for each position held by a Liberal, that the dispensers of patronage have been unable to satisfy the demands, and, as a consequence, internal disturbances have been the order of the day in the Conservative wigwag. Delegation upon delegation has been turned down and has returned home crestfallen, vowing vengeance.

The situation in this county is almost as ridiculous as that of Ottawa, with the difference that the diversity of the elements is greater here.

The latest move toward the complete disintegration of the Conservative party here is the action of the government in discontinuing the grant for dredging Bathurst harbor. Petitions are now the order of the day, and the government is continuing harbor improvements. What a change! Under the Liberal administration it was not necessary to resort to petitions; the voice of one influential representative was sufficient. What has T. M. Burns been doing since Sept. 21? He has the patronage. Why has he not been looking after the interests of Gloucester county? Does he think that he has no greater work to perform than the dismissal of good, faithful and capable officials, to have them replaced by incapable and in some cases unworthy and unfaithful Conservative hirelings? What do the people of Bathurst now think of the harbor improvements? Who is to blame for this state of affairs? The government? Certainly not. The government is guided by the interests of each county, and it can be relied upon to do no wrong. It is the fault of the Conservatives who have made in this matter without the department of public works having first consulted the Conservative leaders in Bathurst.

It is all very well for these political double-dealers to attempt to cover their tracks by getting some of their wire-pullers to start a petition in favor of getting the dredge back to Bathurst, but what about that notorious telegram sent to Hon. Mr. Monk in October, advising the discontinuance of all works then going on in this county, including the Bathurst dredging? And what about that councilor from Bedford, as well as that one from Bathurst, who during the campaign in the lower parishes of this county, in order to influence the vote, denounced the dredging of Bathurst harbor as an expenditure of public money? Do we not find in the action of the government a continuance of the work of Conservative politicians in the past? Remember the maxim: "As you have sown, so shall you reap."

Yours truly,
ONE WHO KNOWS

NO BUNGLING IN G.T.P. LEGISLATION

Ottawa, Feb. 14.—The commons spent five hours today discussing a bill respecting the payment of the additional obligation of \$10,000,000 to the Grand Trunk Pacific in recognition of the judgment of the privy council respecting the dominion's liability in connection with the bond guarantee.

Sir Wilfrid Laurier, in refusing the charge of the minister of finance that the late government had been negligent in framing the supplementary legislation which has now been introduced, stated that the legislation had been drafted by the very best lawyers obtainable.

The privy council's interpretation of the wording of the act was at variance with the construction placed upon it by the justice department, and with the intent of parliament in passing the bill.

The bill was finally passed after a long discussion as to the late government's policy in regard to the line from Moncton to Prince Rupert.

When drawn-work in lined centerpieces was worn out at the centers remain good, stich a row of insertion over the drawn-work.

TRADE SCHOOLS ARE PROPOSED

School Board to Consider Project at Special Meeting—Adverse Report on West Side Manual Training Department—Penny Banks—Teachers' Applications.

Tuesday, Feb. 13.
At the monthly meeting of the board of school trustees last night, it was decided to hold a special meeting of the board next Monday evening to meet the committee from the board of trade in regard to night trade schools.

It was decided to introduce penny savings banks into some of the schools. Mr. Logan, who has been janitor of Alexandra school was granted \$15 per month for a year. The matter of establishing a manual training department in LaTour school was brought up by Mr. Agar and although the committee reported against the project it was decided to refer the matter back to the committee. Trustee Bullock suggested that the board hire a painter to be employed all the year and that the building committee is to report on the scheme.

Those present at the meeting were: Trustees Emerson, chairman, Coll, Lockhart, Day, Agar, Bullock, Nease and Mrs. Skinner, Dr. Bridges, Truant Officer McManis and the secretary.

H. H. Mott, architect for the King Edward school, reported that the school was finished and he was ready to issue the certificate for the final payment. Bills in connection with the work at the school were referred to the building committee. Several communications were received from teachers thanking the board for the increase in their salaries, but the teachers of boys in grade nine asked that the increase in their salaries take effect at once instead of in September. Miss F. Wilkins asked for a position on the teaching staff.

These communications were referred to the teacher's committee. A letter from the common council informed the board that the committee on the board of education had decided to hold a special meeting on Feb. 19 to meet this committee.

A letter from Dr. W. S. Carter, chief superintendent of education, was read, in which he congratulated the board on the annual report.

The secretary was instructed to write the under secretary of state thanking him for pictures of the king and queen and asking if it would be possible to procure more copies.

The local government sent a communication saying there was no objection to the local school board establishing penny savings banks. The committee reported that the cost of establishing the banks in the schools would amount to about \$25 for each school of 25 pupils.

Trustee Agar reported for the committee which was to provide a manual training department for the West Side schools. He said that at a meeting of the committee it had been decided that the project of the board could be better carried out by providing an extra teacher in the Central school and having the West Side school scholars attend there. There was great objection to this plan by Mr. Lockhart and on his motion the matter was referred back to the committee.

Trustee Bullock then introduced the idea of having a painter permanently employed by the board. The building committee is to consider this project and report to the board.

It was decided that all bills must be submitted to the board before payment is made.

The secretary's report showed that there were 7,007 pupils enrolled. The average attendance for the last month had been 6,115. There were six cases of scarlet fever, four of diphtheria and one of measles reported.

\$3.50 RECIPE FOR WEAK KIDNEYS, FREE

Relieves Urinary and Kidney Troubles, Backache, Straining, Swelling, Etc.
Stops Pain in the Bladder, Kidneys and Back.

It wouldn't be nice within a week or so to begin to say goodbye forever to the forehead and the back-of-the-head aches; the stitches and pains in the back; the growing muscle weakness; spots before the eyes; yellow skin; sluggish bowels; swollen eyelids or ankles; leg cramps; unnatural short breath; sleeplessness and despondency.

I have a recipe for these troubles that you can depend on, and if you want to make a quick recovery, you ought to write and get a copy of it. Many a doctor would charge you \$3.50 just for writing this prescription, but I have it and will be glad to send it to you entirely free. Just drop me a line like this: Dr. A. E. Robinson, K-204 Luck Building, Detroit, Mich., and I will send it by return mail in a plain envelope. As you will see when you get it, this recipe contains only pure, harmless remedies, but it has great healing and pain-conquering power.

It will quickly show its power once you use it, so I think you had better see what it is without delay. I will send you a copy free—you can use it and cure yourself at home.

Ottawa, Feb. 13.—Immigrant settlers to the number of 300,705 arrived in Canada during the first ten months of the current fiscal year, April 1 to February 1. Of this number, 188,569 arrived at ocean ports and 111,706 from the United States.

Charlottetown Civic Elections

Charlottetown, P. E. I., Feb. 14 (Special).—The civic elections held by ballot for the first time for many years, resulted in the return of Charles Lyons as mayor, a majority of fifteen over Lyons, 1,126; James Paton, 738; S. A. MacDonald, 450. Three water commissioners elected were E. W. Crabbe, 1,267; Charles McGregor, 1,245; James MacDonell, 1,213. The losing candidates were McNeil, 1,094; Smith, 1,062. McGregor is the only member of the old board re-elected.

Councillors elected are John McKenna, who defeated R. H. Sterns, proprietor of the Victoria hotel, by eight votes in Ward 1; D. J. Riley, a majority of fifteen over Dr. Lovell, in Ward 2; Thomas Campbell, Ward 3; Dr. MacLaughlin, J. D. Taylor, Ward 4; Archibald MacLean, John McNeil, W. W. Walker, Ward 5.

There were altogether twenty-three candidates, the largest number in the history of the city, there being a lively contest in every ward.

GREAT STRIDES EXPECTED IN DEVELOPMENT OF PROVINCE

Extensive Works at St. John Will Greatly Help Both This City and New Brunswick at Large--Industrial Outlook Good--Queens County Coal Areas.

The long expected announcement of the government's decision to reconnoitre the signing of the Courtney Bay contract, will be received this morning with great satisfaction and may be expected to cause considerable excitement in real estate circles.

There are reports of a recently formed concern getting several properties at the foot of Queen and Duke streets, paying a considerable price to the former owners.

In connection with the industrial outlook, there has been much speculation with reference to the feasibility of developing electric power from the coal in the county near St. John and McCarthy, a local broker, who controls the extensive Ludlow properties in that region, when asked for a definite statement yesterday said to the reporter that the enterprise all hung upon the report of some expert, who would be employed during this coming summer to make borings and surveys with the object of learning if there is a second vein of coal beneath the surface veins now being mined.

Mr. McCarthy said his idea was to bring the coal to the city in barges down the Grand Lake and St. John river, and to use the same for the purpose of generating electricity in the city.

Following the announcement yesterday that the order had passed the cabinet council for the signing of the Courtney Bay contract, with great satisfaction in St. John, there came a despatch from Ottawa with the news of further developments, indicating that the work would begin as soon as possible.

Mr. Norton Griffiths has been notified by the department of public works that the governor-general has signed the order approving of his tender for Courtney Bay being accepted.

He has been asked to enter into a formal contract for the work, and to make a start as soon as possible.

Real estate activity was given a marked impetus yesterday by the news and several very important properties right in the heart of the city are understood to be in process of transfer.

One of the transactions reported yesterday was the purchase of the property at the corner of Armstrong and Bruce held on the Tiedale property from a syndicate of local men.

Arrangements have been made for the sale of two properties on the eastern end of the Courtney Bay adjacent to the land now owned by the G. T. P. The properties include eighteen acres belonging to the estate of the late Peter Dean, Jr., and the other which was known as the James Dean property, and belonging to Thomas Dean, which consists of eight and a half acres.

Arthur H. Lively has completed the purchase of the Riley farm beyond Ferris Hill, extending from the Marsh road to the old Westmorland road. The property consists of twenty-two acres.

DEATHS

The death of Mrs. L. A. Dwyer, widow of James Dwyer and daughter of the late Samuel Dwyer, occurred in the General Public Hospital yesterday morning. She was a resident of Brown's Pass and was seventy-nine years of age.

The death of Mrs. Mary Holder occurred at her home, 172 Winlaw street, West St. John, yesterday morning. She was the widow of Captain Howard Holder and is survived by one son, Edward Clinton Holder, and two daughters, Mrs. S. L. Fullerton, of Boston, and Miss Bessie Hazel Holder, at home.

THE MURKIN

Edgar Dey. Halifax, N. S., Feb. 13 (Special).—Edgar Dey, the hockey player, who came here from Ottawa at the beginning of the hockey season to play with the Socials, and who after being taken ill, underwent several operations for abscesses, died at the Halifax infirmary at 8 o'clock this afternoon. His parents were with him at the time of his death.

Mrs. Catherine O'Neil. Wednesday, Feb. 14. There will be general regret among a wide circle of friends at the announcement of the death of Mrs. Catherine O'Neil, which occurred yesterday afternoon at her home, 100 Elliott road. Mrs. O'Neil had not been in good health for the last month or more, and in the last two days her condition had been serious. She passed away this afternoon, leaving, besides her husband, six sons and three daughters. She had many friends and there will be a deep sympathy for the bereaved family.

The sons are: Harry J. Arthur P. Frank, Herbert, Gerald and Ernest, while Miss Florence, Kathleen and Gertrude are the daughters. There are also three brothers—Rev. H. J. McGill, of Ororo, Me.; L. V. McGill, of Rochester, N. H.; and R. N. J. McGill, of Ottawa, with two sisters, Mrs. John Langdon, of Bath, Me., and Mrs. T. M. Burns, of this city.

The death of Mrs. Mary, widow of Thomas Bogle took place at Greenwick, Monday, after an illness of several weeks. She was the daughter of Moses Brundage and was of Loyalist descent, being a grand daughter of John Brundage, a merchant tailor who came with the Loyalists from New York and settled in West St. John. Mrs. Bogle had been twice married, her first husband being Frederick Williams, of Keswick (N. B.). She is survived by two sons, Frederick T. Williams, of York county (N. B.), and D. T. Bogle, of Greenwick, and two daughters, Mrs. Allen Byles, of Kenora (Ont.), and Mrs. Clarence Harrison, of Cedar street, this city. Thomas Brundage of Greenwick is a brother. The funeral will take place at the St. Paul's church, Oak Point.

Miss Muriel Marshall. Thursday, Feb. 15. The death of Miss Muriel Margaret Marshall occurred yesterday morning at the home of her father, Thomas Marshall, 83 Moore street, after an illness of two weeks. She was in her eighteenth year, and was popular with the young people with whom she associated. Besides her parents she was survived by four brothers and three sisters. The brothers are George, of Sydney (C. B.), and Theophilus, Frederick and Walter, at home. The sisters are Annie, of New York; Rebecca, of the city; and Jennie, at home. The funeral is to be tomorrow from the Mission church, St. John Baptist, Paradise row.

John V. Ross. Thursday, Feb. 15. The death of John V. Ross occurred Tuesday night at his home, 222 Britain street, after a lingering illness. He was born in St. Andrews (N. B.), and was employed as foreman of the pattern shop with the St. John Iron Company. He was a member of the Holy Trinity church, and was a member of the Holy Trinity church.

John Croan. The death of John Croan, son of the late James and Ellen Croan, took place yesterday morning at his home, 199 Victoria street, after a brief illness. He was the youngest of five children of the late Mr. and Mrs. J. W. Croan, and had many friends in the city who will regret to hear of his death. He is survived by two sisters and one brother. The funeral will take place tomorrow.

James Magee. Thursday, Feb. 15. Friends in the city received word yesterday of the death of James Magee, formerly of this city, at Providence, Rhode Island. Mr. Magee was 46 years of age and was unmarried. He left here three years ago and is survived by his father, step mother, two sisters and one brother. The funeral will take place at Providence, Rhode Island, on Friday afternoon.

John Hicks. Thursday, Feb. 15. John Hicks, an aged resident of the city, died yesterday afternoon at the residence of his daughter, Mrs. W. Brown, 68 Waterloo street, in the seventy-eighth year of his age. He had been failing for some months but his condition was not regarded as serious until a few days ago, when he was taken ill. He was a member of the Brussels street Baptist church for many years and was highly respected.

Mrs. Flynn Marr. Thursday, Feb. 15. The death of Mrs. Flynn Marr occurred at her home today. She had been in failing health for some time. There is left to mourn a husband, five sons and four daughters. The sons are: Ben, Hazen and Alfred, in different parts of the States. The daughters are Mrs. Harry Nelson, of Parleville; Bessie and Margaret, professional nurses, of Boston, and Etta, at home. She was a daughter of the late Mr. and Mrs. William Folkins. The funeral will take place Wednesday afternoon, interment in the River Bank cemetery.

Mrs. Sarah Brophy. Woodstock, N. B., Feb. 13.—Mrs. Sarah Brophy, widow of Keans Brophy, who died eight years ago, took seriously ill at 3.30 o'clock last evening with heart disease and died at midnight. She was a woman highly thought of by the community and her death will be widely lamented. She was sixty-two years of age. Her maiden name was Sarah Cogger, and she was a native of St. John. She was twice married, her first husband being Frank McGorill, of St. John. She is survived by two brothers, Patrick Cogger, of Lovell (Mass.), and John Cogger, of Woodstock, two daughters and one son, of Woodstock, Misses Mary and Jennie Brophy and Frank McGorill. The funeral will take place on Thursday morning.

Hamilton Byers. Yarmouth, N. S., Feb. 13 (Special).—Another of Yarmouth's old citizens, Hamilton Byers, died last evening at the residence of his daughter, Mrs. Adelbert Carey, Overton. He was born in Belfast seventy-nine years ago and came to this country when a lad of fifteen. He settled in St. John where he learned the trade of moulder in Fleming's foundry. He came to Yarmouth in 1864 and later became a member of the Milton Iron Foundry Co. After leaving that concern he entered the employ of the Hurrell-Johnson Iron Co. with Byers he remained until five years ago, when he retired from active work.

Woodstock, N. B., Feb. 13.—Members of the family of John McDonald, of Hibernia, had a very narrow escape when fire destroyed the family residence at an early hour this morning. The fire was so far advanced when discovered that the inmates had to leave in their night clothes. Mrs. McDonald walked a mile to the nearest neighbor to summon assistance, but when they arrived all they could do was help in saving the barns and out buildings. The family lost practically all their clothing and furniture. There was only a very small amount of insurance on the house.

PROTECTION FOR DOMINION FRUIT GROWERS DISCUSS IMPORTANT MATTERS

Board of Health Approves By-Law Enforcing Needed Reform

MILK INSPECTION Dairy Superintendent Makes Report to Board for Their Information—Committee Appointed to Investigate Friction With Slaughter House Commissioners—Extensions Granted.

At the February meeting of the board of health yesterday afternoon, the difficulty arising over the conflict authority between the board and the slaughter house commissioners was considered and a committee appointed to make full inquiry into the authority of the board. The present situation is that the commissioners deny the right of the board to make regulations for the slaughter houses and a copy of the rules posted upon the building by the chief health inspector was torn down by order of the commissioners.

Dairy Inspector Flewelling, who inspects herds in Kings county, was present at the meeting and gave a verbal report on the method of carrying on the work, the board being desirous of getting information in anticipation of the provincial government withdrawing the privilege of having the herds and premises inspected by the dairy inspectors. Mr. Flewelling said that he had already begun work this year and he expected that practically his whole time will be occupied until the opening of spring. He conducts the inspection of premises and is authorized to call in a veterinary when the presence of tuberculosis is suspected.

The reason given by the government for revoking the permission for the dairy inspectors to pass upon the herds supplying milk to the city is that this work benefits only the city and county while the inspectors are engaged for work in the province as a whole. Should the farmers be obliged to employ a veterinary once each year to make the inspection, one result may be a raise in the price of milk.

The board approved a by-law for the protection of food when being conveyed through the streets or exposed for sale, all meats, fish, etc., will have to be transported in covered packages and fruit and other eatables exposed for sale outside the shops and in the doors must be covered. This by-law was sent to the government council and will come into force on May 1.

Several property owners, mostly from the West Side appeared before the board asking extension of time for the installing of sanitary appliances in the houses and further time was granted. The usual reports were received and adopted.

Business is booming in the parish of Aberdeen. Edward Wiley, of Foreston, in the office here, has been promoted to the branch office in Moncton, assuming the position of manager. He has been succeeded in the office here by G. G. Leonard.

L. V. McGill, of Rochester (N. H.), arrived in the city yesterday morning on the Boston train to attend the funeral of his sister, Mrs. John O'Neil, of Ottawa. Mr. McGill is a relative of the O'Neils, having been called here by the news of his sister's death.

The town of Amherst has purchased a new automobile fire engine and is sending out invitations to other towns and cities to send representatives to their town to inspect it at work. Mayor Frink has received an invitation and will submit it to the common council.

A. M. Bouillon, chief engineer of the Grand Trunk Pacific in this district, has been called to Quebec on account of the death of Mr. Frothingham, who was the chief engineer of the district. It is understood that Mr. Bouillon will be transferred to Quebec and will have charge of both districts.

H. M. Davy, engineer in the public works department of Canada, arrived Wednesday morning from Ottawa. He said that engineers were now engaged at L'Etang making a detailed survey of the harbor which has yet been taken. Although others have been made, this is the first complete one.

The Grand Trunk Pacific Railway now has three representatives in Moncton, James Edward, commercial agent; R. H. Webster, the newly appointed traveling freight agent; and J. H. Corcoran, formerly of the I. C. R., who is traveling passenger agent for the Grand Trunk with headquarters in Moncton.

The Sackville Post says: The many friends in Sackville and the eastern part of the county of Rev. Mr. Hamilton will regret to learn that his health improves very slowly. He is in a sanitarium outside of Boston, where he is receiving every care, but very little improvement can be noticed. His son and daughter are in Hamilton, Ontario.

Moncton Transcript.—D. Murray Condon's position as traveling passenger agent of the I. C. R. has been abolished, and Mr. Condon will be transferred to the passenger agent's department in Moncton. It is probable that Mr. Condon will take the position vacated by W. A. Tremblin, chief clerk of the department, but this is not officially decided.

At a meeting of the creditors of W. A. Porter held in the office of Barnhill, Ewing & Sanford, a compromise was effected for settlement at twenty-five cents on the dollar. It was said that the assets would not yield this. F. B. Dearborn, it was said, was supplying the funds, and the assignees would continue the business until the details of the settlement were effected.

WEDDINGS

St. John, N. B., Feb. 10.—A pretty wedding took place today at St. Matthew's church, Ottawa, at a quarter to two, when Miss Florence Marion, youngest daughter of George Edwin Fereley, was married to John Harold Stothers, only son of Mr. and Mrs. J. H. Stothers, Dufferin Road. The service was fully choral, and the Rev. Walter Loucks, rector of St. Matthew's, performed the ceremony.

The bride was accompanied by a profusion of palms and ferns, interspersed with daffodils, white chrysanthemums and hydrangeas, the seats set apart for the guests being designated by white ribbons and clusters of daffodils.

The bride was attended by two bridesmaids, her cousin, Miss Ethel Perley, of St. John (N. B.), and the Misses Kathleen Keeley. The best man was Dr. Osborn Glidden of the Royal Victoria Hospital staff, Montreal, and the ushers included George F. Perley and Roy Byron. The bride and groom were accompanied by a wreath of orange blossoms, and she carried a shower bouquet of lilies of the valley with pink roses in the centre. Mr. Stothers and his bride left on the 4.30 train for Montreal and New York, and on their return will reside at 336 Gilmour street, Ottawa.

The bride travelled in a bold-bronze broadcloth suit, trimmed with silver and gold embroidery, and a hat of brown velvet trimmed with ostrich plumes. Her wrap was of brown tweed, and she wore a muff and stole of blue fox.

Grant-Carnwath. Hopewell Hill, Feb. 14 (Special).—The residence of Mr. and Mrs. W. J. Carnwath, of Riverside, was the scene of a happy event this evening, when their only daughter, Miss M. del Elizabeth, was united in marriage to John Duncan Grant, of the I. C. R. general office, Moncton. The Rev. Mr. Markham, of the Harvey Baptist church, officiated, only the immediate friends of the contracting parties being present.

The bride was gowned in a handsome dress of old rose silk with bridal veil and old rose blossoms. Miss Mary Turner played the wedding march. After the ceremony, which took place at 8 o'clock, the guests repaired to the dining room, where a wedding supper was served. The newly married couple will remain at Riverside for a time before taking up their residence in Moncton.

Splaine-Hatheway. Thursday, Feb. 15. The wedding of John B. Splaine, of the staff of T. McAvoy & Sons, Ltd., to Miss Mary Hatheway, daughter of the late John C. Hatheway, took place at 4 o'clock yesterday afternoon at the home of her

mother, Mrs. A. M. Rowan, Hillside, Manchester, and the ceremony was performed by Rev. R. P. McKim, assisted by Rev. C. H. Hatheway, of Albany (N. Y.), uncle of the bride. The bridesmaids were Miss Ethel Wilson, of Fairville, and Miss Jessie B. Bland, of Fairville. The bride's gown was of white silk with veil and orange blossoms, and she carried a large bouquet of white roses. The bridesmaids wore pretty white dresses, and the bride's merriment with large picture hats in black and red and carried bouquets of carnations.

After a wedding supper Mr. and Mrs. Splaine left on the Boston express for a trip to New York and Albany. The bride's traveling costume is of navy blue serge. On their return they will reside at 238 Duke street.

The trunk of the Holy Trinity church was yesterday afternoon recorded in the registry office. The records show that Regina M. and J. Walter Holly first married in 1872 at the Holy Trinity church, and that they were in turn transferred to other churches. Other transfers recorded were: James Ryan to Haldon Ward, ward in St. John county; and Francis Kerr to George McA. Blizard, an assignment of lease on a lot on the Charlotte street extension.

Chatham, N. B., Feb. 14 (Special).—A brief telegram yesterday to Colonel J. D. B. MacKenzie conveyed the sad intelligence of the death of John Rogers in the fire that damaged the Abbey's Salt building yesterday in Montreal. Mr. Rogers was very well known in this town and had been formerly a commercial traveler for a drug company and was coming to Chatham more than forty years ago. About seven or eight years ago he accepted his late position. He was about sixty-six years of age and was married to Miss Florence Hocken daughter of the late Richard Hocken and a sister of the late Michael Hocken of Chatham. Mr. Rogers lost his life in trying to save the girls employed in the building. He was the only one whose life was lost in the fire.
