HATFIELD & SCOTT CO. WIN BIG SUIT

Supreme Court of Canada Decides in
Favor of Local Firm Sult
Involving \$10,000

On Tuesday B. H. Hatfield received information that in the case of Hatfield & Scott Co. Ltd., vs. C. P. R. reviewed by the Supreme Court of New Brunswick and Carleton Circuit Court, judgment for the plaintiff, was sustained. The local firm wins on all points.

This was an action to recover \$6,000, being the value of five carloads of potatoes and the freight thereon to New York. The potatoes were shipped two years ago last spring to Sullivan, Young & Russell, the largest dealers in New York City. Just after shipment the big firm went bankrupt through cancelled war contracts and could not take delivery. The potatoes were unloaded at New York and placed in storage by the New York Central railway, and they spoiled. A month elapsed before Hatfield & Scott was informed that the consigned had not taken delivery. This was the main point of the case: the plaintiffs alleged that they should have been notified of the non-delivery of the perishable goods within 24 hours, at least.

The case was tried in the summer of 1920 at Woodstock and a verdict was won for Hatfield & Scott. Hon. W. P. Jones, K. C., for the plaintiffs, and F. R. Taylor, K. C., for the defendant. In New York Hatfield & Scott had the services of the noted attorney, Harry Weinberger. Costs in the case total more than \$10,000. The case has been watched with much interest as a test case, and, although similar cases arise frequently, this is the first fought to a conclusion successfully from the standpoint of the Plaintiff.

C. E. Gallagher Co. of Bath and T. H. Nodding of Woodstock have some what similar actions pending.

G. W. V. A. MEETING

At the last meeting of G. W. V. A. on November 17 it was decided to meet again Friday, Dec. 2, and every member and every returned man is invited to attend. It is our object to open a club or meeting room much like the huts overseas where we went for recreation or to write letters. We ask for the co-operation of all overseas boys. Come, comrades, let us have a place where we can feel the old time comradeship again.

The G. W. V. A. passed a vote of thanks to Comrade Halden Sippell and the young ladies who sold Poppies on Armistice Day. These were Marion Baker, Victoria Irvine and Muriel Miller.

We meet in the Armory over the Post Office.

S. G. BARTER.

NEW APPROACH TO THE BRIDGE

The approach to the bridge, town end, is being widened under the direction of Supt. Fletcher. A small fill on the north side will give the swing from the north several feet of extra width, while on the south a crib work to extend half way to the McQuarrie warehouse and to be filled with rocks, will add the entire width between the bridge and A. Pinner's building. The removal of several unsightly poles and a shade tree, with the levelling and graveling will not only make the approach more convenient, but the work will make this spot more attractive, and make possible the establishment of a silent policeman, which is an actual necessity as a traffic guide.

DEATH OF A CHILD

On Friday morning, Nov. 25, death entered the home of Mr. and Mrs. Percy Shaw of Temple and removed from this land to that beyond the river their little son of three years and nine months. He had been in ill health for some months, when pneumonia developed and ended his suffering. The funeral took place Sunday morning at the home of the parents and interment was made in the Temple cemetery. Much sympathy is felt for the sorrowing ones. The services were conducted by Rev. J. M. Mallory of Middle Simonds.

THE NORTHWIND'S MALICE

Once again Manager Burpee brings to patrons of The Star, and lovers of the truly dramatic and artistic generally, the dramatization of Rex Beach's powerful novel, "The Northwind's Malice." This wonderful presentation was filmed in Alaska and California and the scenery is superb.

the acting wonderful, while the heart-interest of the story is deep. The editor saw the picture in a large city a few months ago and heartily recommends it as a strong and impressive feature.

Mr. Burpee will with this picture christen a brand new screen and a new set of lenses.

The picture is worth half-a-dollar of anyone's money, but Burpee will show it for a quarter, Dec. 6.

C. S. E. T. AND C. G. I. T. CONFERENCE

The conferences participated in by the boys from Sanbury, York, Carleton, Victoria and Madawaska Counties and the girls from within the bounds of Carleton County, came to a successful close on Sunday evening, Nov. 27. From the commencement of the sessions the conferences were marked by real genuine enthusiasm and a spirit of service. The attendance showed that 150 boys were in attendance at the Boys Conference in the Methodist Church and 140 girls were registered at the Baptist church. To the untiring effort and good leadership of Miss Mary Allison, Girls Work Secretary of the Maritime Religious Education Council, and A. M. Gregg, Boys Work Secretary of the M. R. E. C., much of the work of the conferences must be attributed. The enthusiastic response made by the girls and boys to the work required of them by Miss Allison and Mr. Gregg speaks well for the esteem they hold for their leaders.

The session opened on Friday evening, Nov. 25, when the preliminary work of describing in details the nature of the program was taken up. The boys and girls were then divided into groups, each of which had a leader whose duty it was to lead the group in all its work and undertake during the conference. On Saturday evening a banquet took place at each of the conferences. Besides the delegates, Sunday School superintendents, teachers and others interested in young peoples work were seated at the tables. A number of appropriate toasts were rendered at each banquet.

On Sunday afternoon small meetings were held. The meeting of the boys at the Methodist church was addressed by Mr. Gregg, whose topic was "The Tuxis Boys." The mass meeting held for girls and women, at the United Baptist church, was addressed by Mr. Milligan, Secretary of Maritime Religious Education in the Presbyterian church, the topic being "What is Success?"

After the usual Sunday evening services a joint conference of boys and girls, three hundred strong, took place at the Baptist church. Conservative estimates placed the attendance of the public at 800, the church being filled to capacity. The service was entirely in charge of the boys and girls, and the manner in which it was conducted speaks well for the results obtained in the short time they were gathered together in conference.

The demonstration clearly indicated the possibilities of achievement for the good and welfare of the community by a concentration and unity of effort by the young people of the neighborhood. The closing of the conference was marked by a very impressive ceremony in which the boys and girls and their leaders took part. A double ring of young people was formed around and within the church, and all joined in singing "Blessed be the tie that binds." After the first verse silence reigned while prayer for one on the right was offered by each individual. On the completion of the second verse prayer was offered by each individual. On the completion of the second verse prayer for the one on the left was given.

The conferences have certainly achieved their purpose in having so completely made evident the need for organization among our young people; organization of the type presented by the program offered: organization for the purpose of developing the fourfold life of the individual—the spiritual, the educational, the social and the physical aspects. The need has been felt and is felt. The desire on the part of the young people for organization has been created. Let us, then, make possible the carrying on of the good work so well started by the conferences. The great need is leaders. Let us find them and assure the young people of our support in their enthusiastic desire to continue the C. G. I. T. and Tuxis Boys work.

W. M. S. CELEBRATE 40TH ANNIVERSARY

Women's Missionary Society of Methodist Church Held Interesting Meeting

A good sized audience gathered at the Methodist church Friday evening when the Women's Missionary Society of the church gave an entertainment in commemoration of its fortieth anniversary.

The president, Mrs. J. T. G. Carr, was in the chair and in her opening remarks gave an interesting account of its organization and its growth in its forty years of life.

All the numbers on the program were good, making a pleasant evening of entertainment and instruction. Special mention must be made of Miss Ruth Boyer's reading which was excellent as was also Mrs. S. S. Miller's paper on "Canada."

"The Pageant" was quite an affair, showing up the differences in women's life in our land and in those countries where help is so needed to make women's life more bearable.

The address of the pastor of the church, Rev. Thomas Pierce, was interesting, and Rev. W. P. Haigh, who was present, was called upon and responded with an impromptu and very enthusiastic address.

The program: Congregational singing; scriptural reading; prayer, Mr. Pierce; opening remarks, Mrs. Carr; singing by Misses Margaret and Marion Stevens, Gladys and Winnie Moore and Bets Taylor; reading, Miss Ruth Boyer; solo, Miss Nuan; paper, "Canada," Mrs. S. S. Miller; recitation, Miss Irene Barter; Pageant, "Tithing"; solo, Mr. F. Bird; offering; speech, Rev. Thomas Pierce; closing hymn.

CHEAPER FERTILIZER PREDICTED THIS YEAR

Agricultural Societies United Held Annual Meeting Thursday

The annual meeting of the New Brunswick Agricultural Societies United, was held at the Parliament Buildings, Fredericton, on Thursday afternoon. There were a number of delegates present from various parts of the province, and it was decided that an effort be made to extend the work of the organization among the agricultural societies of the province. Reports for the past year were read and adopted. The following directors were appointed:

President—Stanley Wilson, Rolling Dam.

Vice-president—W. B. Gilman, Fredericton.

Secretary-treas—J. D. McKenna, Sussex.

Directors—W. H. Jackson, Keswick; Ward Ginson, Hartland; A. A. H. Marston, Centreville; Fred. Fowler, Chipman.

It was decided to send delegates to address the Farmers and Dairymen's convention, which convenes at Moncton on Jan. 17, and the objects of the Agricultural Societies United will be brought more definitely to the attention of the delegates at that meeting.

One encouraging feature of the fertilizer situation for 1922 is that chemicals will be very much cheaper than for some years, thus reducing the cost of fertilizer in New Brunswick. A buying committee was appointed and will later decide on a definite policy for the next year.

Western Union To Open Special Office For Election Returns

In order that its patrons may get election returns hot off the griddle an instrument will be placed in the Taylor building, corner King and Main streets, and will remain open all night. It will be in charge of Miss Sara Tedlie, the regular day operator, and her brother Donald Tedlie. This will be the best service ever provided here for such a purpose.

Starting Dec. 1 the Red Ball Garage is going to do a strictly cash business and all outstanding bills are to be paid before Dec. 10.

IT IS BUSINESS NOT SENTIMENT

The Vital Necessity of Advertising as a Business Factor

Any business in this day and age must advertise to be successful. But any business is meant, of course, such as usually forms the basis of the commercial life of any community after it has evolved from the pioneer stage. A general store in a modern town is judged by its advertising in the local newspapers, by its display windows, by the courtesy and patience of its clerks, by strict adherence to its word once given a customer. The same rule holds true to any business, even a newspaper itself. Unless a newspaper's assertions are backed by fact as to circulation; unless it endeavors to keep abreast of the times in thought; unless it endeavors to give its subscribers as large a variety of reading material as possible to suit varying tastes; that newspaper is not dealing any fairer with its advertising patrons than a store which advertises that which it cannot perform. Modern business methods demand that a store should maintain its advertising steadily, charging the same to necessary investment, because that is just what advertising really is—an investment. But to be an investment, advertising must bring returns, and to bring returns such an advertisement must be placed in a newspaper known to reach the people whom the advertiser desires to reach. The matter of proper mediums of advertising should be studied as thoroughly by the merchant, as any investment he makes. Every merchant should know what he is getting in the matter of publicity for the money he invests in advertising. A merchant before he would invest in securities certainly would make some investigation—why not then in the matter of what he is to get in circulation for the money he spends in advertising in a newspaper? There is no mystery about the matter. Any newspaper advertising manager who will not show an advertiser the actual, bona fide mailing list of his paper—not merely figures—has something to conceal, all other things being equal. We are speaking, of course, of the merchant who looks upon advertising as an investment to bring in value received. Advertising placed without investigation, advertising placed because of friendship, because of other interests, ceases to be advertising from a strictly business point of view and becomes—a donation.

If folks did not move, if generations did not grow, if customers and habits did not change, if competitors did not compete, if the public was not open to suggestions and receptive to new ideas, advertising might not be needed at all. Your automobile can run for a while without gasoline, going down hill, but to go up grade you must step on the gas. You can run your business with out advertising—down hill. Or you can waste a great amount of financial gas by not looking upon your newspaper advertising as an investment to be checked on the returns it brings in, but as a donation.

In the history of every town there are many newcomers, a new generation, new people, "who knew not Joseph." When a town ceases to be a town and begins being a city, this is even more manifest. As the older generation moves away or goes to rest in the cemetery, the old times

vanish, and new times take their place. Whether they were better than the old is a matter of individual opinion; to the generation coming on the new times for the present middle-aged man will be the old times for them. And so it goes, so it must go if a community is to progress. In many ways it seems heartless and cruel, but so it has been and so it will be world without end, and therefore, despite romantic regrets of the days of the buffalo and the antelope, we must keep up with the procession, or eventually go under. There is no use in whining and it is business suicide to sit still and watch the procession of competitors go by to success. Whether one checks his advertising closely, or whether he uses hit or miss methods, is a matter of his individual business judgment, but advertise he must to stay in the procession. Eventually, all large advertisers are brought to the realization that the use of newspaper publicity is as cold-blooded, straight-out business as the fall purchase of spring goods. "Business goes where it is invited and stays where it is treated well" is the basic principle of merchandising today. And the mer-

chant should remember that the more tempting the invitation, the larger the publicity given the same and the better secured, the nearer the head of the procession toward success will his business be placed.

Advertising is not a matter of sentiment. It is a matter of business investment.

JUDSON LUNN

Summerfield and the surrounding communities have been painfully shocked by the news of the sudden and unexpected death of Judson Lunn, one of the most industrious and highly respected citizens, which occurred at his home at Summerfield on Nov. 9. Mr. Lunn, in the enjoyment of his usual health, was engaged in his daily duties when suddenly stricken down on Sunday with spinal meningitis. Physicians were immediately summoned but notwithstanding the best medical attention available he failed to regain consciousness and on Wednesday morning passed away in the 29th year of his age.

He leaves to mourn, his wife, Cora, daughter of Mr. and Mrs. Robert Lunn, and two sons—Vaughan and Gerald, aged 7 and 5 years respectively, besides his father and mother, Mr. and Mrs. Charles Lunn, who were depending upon him as their comfort and stay in their declining years, and also three brothers—Leander of Florenceville, George, of Monticello, Me., and Lewis of Sumnerfield, and his sisters—Mrs. Edgar Green of Summerfield, Mrs. Arthur Philbrook of Maple Grove, Me., Mrs. Percy Hamilton of Greenfield, Mrs. Barry Wakem of Perth, Mrs. Guy Twedle of Summerfield and Mrs. Harry Toms of Knoxford, besides a large number of relatives and friends.

The funeral services were conducted at the church and grave by Rev. D. R. Chown, of East Florenceville. A very impressive service was held in the church. The pastor taking for his text, "What is your life?" The high esteem in which the deceased was held was evidenced by the large concourse of people who notwithstanding the unfavorable weather, thronged

REMOVING TO GRAND FALLS

Campbellton Graphic: John A. Robertson, Heron Island, was in town this week, en route to Grand Falls. He has been appointed Fishery Overseer for the Counties of Victoria and Madawaska, and will in the near future remove his family to Grand Falls, where they will make their home. Mr. Robertson has been keeper of the Heron Island Lighthouse for the past

twenty years, and has now been promoted by the department to a higher branch in the service.

CENTREVILLE GIRL IN PERU

Friends of Miss Marion White of Centreville, who has been employed in Presque Isle from time to time as nurse, will be interested to know that she is now in Peru, where she is engaged in nursing in a hospital there. In the place where she is located winter is just leaving and spring is at hand, with good weather and agreeable climatic conditions. So far Miss White likes the place and finds the people kind and sociable.

CALDWELL ASSISTING IN NEW FERTILIZER ACT

The canvass is being made that T. W. Caldwell renders the people no service at Ottawa, and has no recognition or influence there. To prove the contrary the following extracts from correspondence goes to show that right at this present moment the Seed Commissioner is seeking his advice in preparing the way for proposed new legislation to safeguard the interests of the buyers of commercial fertilizer.

Only brief extracts from the rather lengthy correspondence is given—sufficient to show that Mr. Caldwell's opinion and knowledge is valued:

Dept. of Agriculture
Ottawa, Oct. 21, 1921

T. W. Caldwell, M. P.,
House of Commons,
Dear Sir:

Might I have the benefit of your personal views in respect of proposed changes in the principal of the Fertilizer Act. The administration of this Act, as you are aware, has since April last been the responsibility of this branch of the Department of Agriculture. In effect it has been my own principal study. Having to represent Canada at the International Conference at Copenhagen in June gave me opportunity I needed to study fertilizer control by discussing the subject with many men in Europe who have spent their lives at this work. I am now endeavoring to recast our Canada Fertilizer Act in order to make it fit in to the administration of this Department of Agriculture and in doing so I have in mind the establishment of a new principle.

While you were before the Agricultural Committee I was impressed with the fact that you are possessed of a thorough practical knowledge of this subject and I would appreciate very much having your views as to the embodiment of the principal aforementioned.

Yours very truly,
George H. Clark,
Seed Commissioner

To this Mr. Caldwell replied as follows:

Florenceville, Nov. 7

George H. Clark,
Seed Commissioner,
Dear Sir: Your letter of Oct. 21 is received re proposed changes in the Fertilizer Act, and the appointment of a Fertilizer Board to be composed of seven or nine men.

In the first place I believe you know what my views are as to the changes that should be made in our Fertilizer Act.

They are that there should be no secret as to the materials from which Fertilizers are compounded, and that the purchaser of mixed Fertilizers should know whether he is purchasing plant food, or whether it is leather scraps, or ground mustard seed, or horn and hoof meal, etc., as admitted by the Fertilizer men who were before the Agricultural Committee last session.

With regard to the appointment of a Fertilizer Board of seven or nine men. It would appear to me that this would make the administration of the Act a very expensive matter, for all the benefit that would be derived from the appointment of such a Board. And further I believe the Canadian People are getting pretty well fed up on Government Boards, and Commissions, that have already been appointed to carry on the work of Government.

Sincerely yours,
T. W. Caldwell.

Mr. Clark replied in part:

Dear Mr. Caldwell:

My own inclination was to favor your idea but would like to be reason-

ably sure before recommending the proposed Bill to the Minister of Agriculture for the next Parliament that my recommendations will meet the approval of Agricultural Chemists in whom the public may have some confidence. In the meantime I shall try to keep an open mind in this particular.

You will understand that substantial progress in the development of this Act cannot be made to advantage until early in the new year and I am writing you in a personal way now because I felt that our views were not far apart and I would like your help in an endeavour to provide the best possible protection that can be provided to the public by means of a Fertilizer Law and of regulations that it may be advisable to make under such Law. I agree entirely that nothing should be left to regulations under the Act itself, without reducing the effectiveness of the administration.

Yours very truly,
Geo. H. Clark,
Commissioner

Dear Mr. Clark:

Your letter of the 11th inst. is received, and I am pleased to note that you favor my idea of labelling of the materials from which fertilizers are manufactured, and sincerely hope this will be a part of the new fertilizer Act.

Yours sincerely,
T. W. Caldwell.

A THRILLING FIGHT

WITH WILDCAT

Three Brooks, Victoria Co., N. B., Nov. 28—A resident of this place, Jack Lane, while cruising logs for Edgar, Ltd., had a thrilling experience and barely escaped with his life. While Mr. Lane was walking through the woods he came upon the carcass of a deer and the tracks of some large animal. Following the tracks he came upon a wildcat in the act of goring itself upon another freshly killed deer. Mr. Lane at once fired at it and wounded the wildcat, whereupon it sprang at him and badly tore his arms and chest. Fortunately, Mr. Lane got a fatal shot in the animal's body and escaped further serious injury. The wildcat weighed ninety-seven pounds and measured four feet, seven inches from tip to tip. Old hunters say that the wild cats are very plentiful in this part and that the early winter in this part is making them more ferocious than usual.

Winnipeg Man Says The Way Tanlac Restored Him Was Biggest Surprise of Life

"The way Tanlac has helped me is one of the greatest surprises of my life," said Theo. L. Baker, 485 Qu'Appelle Ave., Winnipeg, Man.

"My health was bad for two years. I had a terrible case of stomach trouble and could hardly eat and digest anything. My food hurt me so bad I often thought I just could not stand it, and nearly all the time I was in misery and distress on account of gas on my stomach which bloated me up tight as a drum. I was nervous and restless at night, and always seemed to be tired and worn out."

"Well, I was getting pretty weak when I got Tanlac, but it wasn't long until I was feeling better. Six bottles of Tanlac have made me feel like a brand new man. My stomach is in the best of shape, nothing I eat hurts me and I've gained several pounds in weight. All my lost strength has returned, I sleep like a log and feel good all the time. Tanlac is certainly the best medicine I ever saw or heard of."

Tanlac is sold in Hartland by Estey & Curtis Co., Ltd., and by leading druggists everywhere.

Boys of the town who attended the C. S. E. T. general convocation at Woodstock were Lorne Britton, Alexander Miller, Howard Taylor, Walter Morgan, Harold Bradley, Arden Neters, Raleigh Britton.

HARTLAND, N. B.

1. Danish Potatoes are flooding our markets today. American farmers are trying to have a higher duty put against these foreign foodstuffs, and the Canadian Farmer Party are asking the farmers to support them and let this foodstuff come in free of duty. Farmers of Eastern Canada cannot compete against foreign farm produce without a higher duty. Support the Government that will protect you.

2. Mr. Caldwell says he stands for free farm machinery because taking off the duty will reduce the price. His platform also calls for taking the duty off all foodstuffs.

Mr. Farmer, if taking the duty off machinery will reduce the price, ask Mr. Caldwell to explain how taking the duty off foodstuffs will raise the price.

3. Mr. Caldwell has fought the use of chemicals and home mixed fertilizer

which saved our farmers hundreds of thousands of dollars last season. Still Mr. Caldwell says he is the Farmer's Friend.

4. Farmers of Victoria and Carleton Counties read carefully the Crerar-Wood platform before you vote. If carried into effect it means ruination to your home markets, as you cannot compete against foreign farm produce.

5. Michigan farmers are now shipping hay to the Montreal market. Every ton of U. S. hay kills the market for any equal quantity of N. B. hay, and helps keep the Canadian dollar below par.

6. When we buy foreign goods, we have the goods and the foreigner has our money, and if he is an American we pay the discount of 10 per cent.

When we buy Canadian goods we have both the goods and the money at one hundred cents on the dollar.

7. Germany, Norway and Sweden have ruined our pulpwood market.

The farmers of Carleton and Victoria have thousands of cords of pulpwood that they are unable to sell. Still Mr. Caldwell says we do not need protection.

8. The C. P. R. is against Meighen who stands for Government Railways.

Farmer voters of Victoria and Carleton stand back of Meighen who will not stand for handing over the peoples' railways to the C. P. R.

9. A vote against Meighen is a vote for Sir Lomer Gouin and the Quebec policy of the Government sale of liquor for profit and revenue.

10. Farmer friends of T. W. Caldwell who sold farm produce in 1920-21 to the organization of which Mr. Caldwell is President: The farmers of Grand Falls, Petersen, Andover, Bath, Centreville, Bristol and Woodstock signed notes and agreements in connection with this produce business involving a loss of over \$50,000.00. Other shippers at these points, paying the same price and shipping to the same markets made a fair profit. Can Mr. Caldwell account for this. If he is conscientious as his official

agent declares he must have potatoes on his conscience.

11. 80 per cent of the potatoes and other farm produce shipped from New Brunswick during the present season have gone to the home markets. The farmer needs a higher duty to keep out the U. S. potatoes in the early fall and late spring, as well as Danish potatoes raised with cheap labor, paid for with cheap money and shipped to Canada by water with a cheap freight rate, less than one quarter of the railroad rate.

MAGIC BAKING POWDER

MAKES THE WHITEST, LIGHTEST

MAGIC BAKING POWDER

CONTAINS NO ALUM

To reach the highest point of perfection in the manufacture of baking powder, many years of scientific experimental work by expert chemists are required to determine the exact proportions of the ingredients and the proper method of blending same to produce a baking powder of the maximum leavening quality and at the same time obviate the possibility of deterioration without the use of ingredients so frequently used as preservatives.

This is the reason that **MAGIC BAKING POWDER** has become so universally used from coast to coast and has earned by demonstration the reputation of being Canada's perfect baking powder.

RAIDS AND CONVICTIONS IN AROOSTOOK CO.

Still Found in Presque Isle—Raid in Houlton and 22 Quarts Seized—Car of Potatoes Had Strong Stuff at Ashland.

Houlton, Me., Nov. 27.—Sheriff Grant and his deputies put in a busy Thanksgiving and reduced to some extent the stock of liquor hereabouts, besides spoiling the day for numerous people. Deputies raided a house in Presque Isle village and found a still in operation with about sixty gallons of mash, some of the finished product and much equipment and accessories of a profitable moonshine plant. The operator vanished about the time the officers landed. The place was cleaned out and the still added to the county's collection.

In Houlton a house under suspicion in Bangor street, was raided and twenty-two quarts of whiskey found. A man ducked out of the back door when he saw the officers coming. They knew who he is and is after him.

A call at Joe Weston's on Riverside street resulted in finding four quarts of whiskey hidden in a box of clothing. Joe and Annie Martin, his housekeepers, were arrested.

Deputy Charles Flint, of Ashland, reported to the sheriff that he had found and seized twelve cases of whiskey concealed in a car of potatoes in the railroad yard at Ashland, waiting for shipment.

Clifford Atalen, Mrs. Sirois, Mr. and Mrs. Dennis Cyr and Truffles Cyr were arrested by Presque Isle officers on the charge of single sales of intoxicating liquors. All were fined \$100 each, today, and all appealed and gave bail.

The Houlton officer made a spectacular

raid on the place formerly a Chinese laundry, and found a lively little game going on. At sight of the officers the gamblers escaped back windows and doors. Some of the pot on the table, the cards and the buck were grabbed by the raiders. This morning Woodbury Moore was before Judge Archibald on the charges of allowing gambling on his premises and of keeping a gambling house. Moore paid a fine and costs.

Four indictments were returned against Charles Grant, otherwise known as Joseph Henley, and escaped convict. Three of the indictments were for larceny while the fourth was for breaking, entering and larceny. Grant was arrested several weeks ago for breaking, entering and larceny at the Armour Company's storehouse at the Bangor and Aroostook station. He was arrested by Frank Hogan, of Houlton, chief of police, and Aaron A. Powers, a detective of the Bangor and Aroostook.

When arrested, Henley tried to escape, but Chief Hogan and Detective Powers were too smart for him. It is said that a reward of \$50 was offered for his arrest, and Chief of Police Hogan will probably receive this sum.

An indictment for manslaughter was returned by the grand jury against Frank J. McKee, of Caribou, for causing the death of the young son of Mr. and Mrs. James Patterson in Caribou last August. The child ran out into the street as the car came along and was run over.

CANADA'S NEW COAT OF ARMS

Every home in Canada, every Canadian school boy and girl should know the new Canadian Coat of Arms. It is a most beautiful plate and should occupy a prominent place in all true Canadian homes. The people of Canada are indebted to the Family Herald and Weekly Star of Montreal for reproducing the new Coat of Arms in all its true heraldic colors and presenting a copy, 14 x 17 inches, to all readers of that great paper.

The Family Herald and Weekly Star is Canada's greatest family and farm paper and is known throughout the whole Dominion. It is wonderful value and provides every member of the family with clean, wholesome, instructive reading. It is a great money saver for the farmers of Canada and repays the subscription price one hundred fold for each year. Canada is proud of the big weekly. It has no superior the world over. It costs only two dollars a year and each reader for 1922 will receive free, a copy of the "Coat of Arms."

WHAT BECAME OF THE REFUSED INDEMNITY

Thos. W. Caldwell is being denounced by some parties in the county for accepting the increase in the indemnity. It is known that a former representative of this county refused a similar donation, but is not so generally known that at the same time this has been written off the accounts. Who got it no one knows, but might it not be allowable to suggest that possibly this eventually found its way into some of the bloody funds that are sent to have been sent out from the seat of government at various periods? Possibly Mr. Caldwell might have had this in mind and of two evils, chose the least and pocketed his.

BAPTIST DISTRICT TO MEET AT BATH

United Baptist district quarterly meetings will be held at Bath on Dec. 29. On Thursday evening Rev. R. A. Burrows of Tracy Mills will be the preacher. Friday morning, business session; election of officers. Friday afternoon, Women's Missionary Society will conduct the service. Friday evening, Rev. L. W. Williamson of Florenceville will be the speaker. The public will be welcomed at any or all of these services.

WHO WILL THE YOUNG MEN VOTE FOR?

The hardy young men who spend their winters in the lumber woods, have not much reason to enthuse over

the policy of the Meighen Government. They find wages about one third of the rate which prevailed a year ago, and when they come to buy their outfit the thirty dollars look like thirty cents. If they have any of their first month's wages left we would advise them to spend it in getting to the polls to vote against a government which has about as much regard for their interests as a bob cat would have for a fawn.—Fredericton Mail.

CADET ORGANIZATION

Lt. Col. A. B. Snow reports very satisfactory progress by the cadet corps in the northern part of the province. In Edmundston, Major Rideout has taken over the organization of a corps. The Grand Falls corps, which has been without an instructor for more than a year, will be taken over by Mr. Ball, of that town. This corps won the MacDonald Cup for leadership

of the province the year before last and still holds it. The Plaster Rock corps under the leadership of Mr. Nicholson has showed very satisfactory progress and it is said to be one of the most energetic in the province. In Woodstock, Captain Hoyt and Captain Manzer have taken over the command in place of Major MacLaughlin.—Sentinel.

LOW PRICES IN THE WEST

A Bangor man has received a letter from a friend in Callaway, Nebraska, in which the following paragraph appears: "We are having a beautiful fall out here. Farmers had big crops of corn and oats here but they are hardly worth anything. Corn 17 and 18 cents and oats 15 cents per bushel. Hay and apples you cannot give away and freights so high we cannot ship, and so are burning corn, as hard coal is \$23 per ton and soft coal \$13.

Fred Kimball, a Waterville boy who went west 30 years ago and has done well there, is spending several weeks looking up relatives and old friends in this county. He is a brother of William Kimball of Upper Woodstock.

TRIES TO LOCATE FORGER IN HOULTON

A mere boy, not more than 16 years of age, who has been acting as teller at a bank in Grand Falls, has been in town the past week attempting to find a Perth resident who a few days ago succeeded in passing a cheque for \$500 at the Grand Falls bank, the above young man who was acting as teller cashing the cheque.

The young man has been making a diligent search for the Perth man but so far has not succeeded in finding his whereabouts although he feels certain that he saw him get off a C. P. train here last Saturday.

To cash a worthless cheque without the branch manager's O. K. comes hard for a young Canadian bank of-

"More Men Than Women Have Nervous Troubles"

This is the statement of a specialist on Nervous Diseases who comes in contact with many thousands of cases. The increase in diseases of the nerves during the last five years has been enormous.

Is it any wonder that men's nerves are giving out? Look back over the history of the last few years.

Think of the enormous burden of responsibility which has been put upon the shoulders of business executives.

The excessive mental strain. The worry and anxiety. The physical effort.

There has already been great enough to break the nervous systems of the strongest men.

The war stress. The unsettled conditions of business and employment.

These are responsible for the rapid aging of men which you notice everywhere.

You feel out of sorts. You do not sleep well.

You find yourself losing your grip on business.

Your daily task is more than you can stand.

There is, perhaps, no organic disease.

But you find your energy and ambition petering out.

Your doctor tells you to take a rest for a few months.

But you do not want to be put upon the shelf.

Your business cannot spare you at this critical time.

Perhaps you cannot afford complete rest when living expenses are so high.

But you can take things easier. And you can profit by the experience of others and build up your exhausted nervous system by using Dr. Chase's Nerve Food.

This is the most rational treatment available, and is endorsed by more common-sense, reliable people than any medicine recommended for the restoration of the nervous system.

Dr. Chase's Nerve Food is universally known by women as a means of restoring the nervous system. Your wife, or sister, or mother, will be able to tell you something about its remarkable upbuilding influence.

But more men than women now have nervous troubles.

And Dr. Chase's Nerve Food is no respecter of persons.

It builds up new energy and strength in the most natural way imaginable by enriching the blood.

It supplies to the blood in condensed, easily assimilated form the elements which nature requires in order to replenish the depleted nerve cells and restore the vitality of the human system.

These certified letters may be from people you know. They are worth reading, anyway. For they are the honest opinion of people who have been benefited by Dr. Chase's Nerve Food. Edmondson, Bates & Co., Ltd., Toronto.

Overwork

Mr. D. F. Armstrong, R. R. No. 3, Mallorytown, Ont., writes:—"Through overwork and an extra amount of mental strain, I became very nervous and rundown. I began using Dr. Chase's Nerve Food, and it certainly touched the right spot. It almost seemed for a time as though I fairly lived on it, and I can recommend this treatment to anyone requiring a medicine of this kind."

("Sworn before me at Mallorytown, this 7th day of March, 1911—D. S. Clew, J.P.")

Sleeplessness

Mr. W. J. Van Dusen, Centre St., Niagara Falls, Ont., writes:—"For some time I suffered from sleeplessness and all the weakness and tired feeling that follow continual loss of sleep. I was almost exhausted in my stomach, and this also caused a great deal of trouble. Upon the advice of a friend I began a treatment of Dr. Chase's Nerve Food, and soon found it to be just what I required. By the time I had completed the treatment my system was in splendid condition and I felt much stronger."

(Endorsed by S. Casey Denison, Mayor.)

Rheumatism

Mr. Charles R. Tait, Newtown, Kings Co., N.B., writes:—"I suffered with rheumatism and my stomach was in a very weak state. I could eat no fruit of any kind and suffered nearly all the time. I tried several doctors, but got no relief from any of them. I was in a drug store one day and overheard two men talking—one was telling the other about Dr. Chase's Nerve Food completely relieving him of rheumatism. I bought a box, thinking it would be like all the rest of them, but, after taking this one box, I felt so much better that I continued the treatment, and now I can eat anything and do not suffer any more with the rheumatism."

"This is to certify that I am personally acquainted with Mr. Charles R. Tait, and believe his statement is true and, to my knowledge, correct."—(Signed) A. S. Mac, J.P.)

Coughs Colds & Chills

IF it's cold or a chill, dissolve one or two Peps in your mouth, inhale direct into the lungs the powerful heating and germicidal medicines given off in a vapour-like form. These breathable Peps medicines soothe the tender air passages, they quickly allay soreness or inflammation, and stop the most troublesome cough. At the same time Peps STRENGTHEN THE THROAT AND CHEST and prevent the onset of croup, whooping cough, and other chest troubles. There's no more valuable medicine than Peps at this season. Free from drugs they are perfectly safe for children.

PEPS

THE NOVEL BREATHABLE REMEDY

When your head is dull and heavy your tongue turned, your bowels constipated, when you have no appetite for food, no strength for work and no interest in life, your stomach is at fault. You need Mother Sybil's Syrup, which contains medicinal extracts of more than ten different roots, barks and leaves, which are wonderfully beneficial upon the digestive system. Sold in 50c. and \$1.00 bottles at drug stores.

LIBERALS!

The Liberal Party has no candidate in Carleton-Victoria, but nevertheless the present contest is as much their fight as it is that of Tories or Progressives. B. F. Smith is not the friend of Carleton-Victoria Liberals and his defeat will mean one less supporter for Meighen—one more of a majority for the new government, whether it be Liberal or Progressive.

MONUMENT TO FATHER JOYNER

Catholic Priest Honored by Congrega-
tion of Church of the Assumption
at Grand Falls—Improvements at the Big
Stone Edifice

The congregation of the Church of
the Assumption (Roman Catholic) at
Grand Falls has just erected a very
handsome monument to the memory
of the late Rev. Henry T. Joyner, parish
priest for sixteen years, and in
whose time the present beautiful stone
church was built. The monument is
of gray granite, about thirteen feet
in height. The base is square, the up-
per part in the form of a cross. In
the arms of the cross are engraved
the letters, I. H. S., and below this a
chalice. At the lower part is the in-
scription, which reads:
"Rev. Henry T. Joyner,
Born January 31, 1847.
Ordained at Valladolid,
Sept. 19, 1874.
Died April 6, 1921.
R. I. P."

Many improvements have recently
been made in the basement of the
church. The basement has been di-
vided into four rooms, one of which is
used as a chapel during the winter
months. In two other rooms hard-
wood floors have been laid and the in-
terior finished in wood. One of these
rooms is to be used as a hall, the other
for lodge room. The two are con-
nected by folding doors. All the work
is well done and the congregation now
has an excellent place to hold sup-
pers and entertainment.

JACKSONVILLE JOTTINGS

Miss Muriel Adair, of Hartland, is
spending a few weeks with her moth-
er.

Mr. and Mrs. Woodrow Linton, of
St. Almo, are the guests of Mrs. Lin-
ton's brother, Mr. Earle W. Turner and
Mrs. Turner.

Mrs. Byron Gibson entertained a
party of young people at her home
Saturday evening, in honor of Miss
Myrtle Trues, of Woodstock, who was
a guest of her daughter, Miss Dorothy,
for the week-end.

Mr. and Mrs. Guy Dow, of North-
ampton, were visiting at the home of
Mr. and Mrs. Charles Margeson on
Thursday.

Miss Kate Phillips was a guest at
the Baptist Parsonage for the week-
end.

Mrs. Moses Bird has closed her
home here for the winter and on Wed-
nesday went to Woodstock, where she
has taken a residence on Albert street
for the winter months. Mrs. Bird
was accompanied by her daughter,
Mrs. Cromwell Traflet, who is to
make her home with her mother for
an indefinite time.

On Friday evening the hall was
filled by a large audience, who listened
to the addresses given by Hon. B.
Frank Smith, Mr. Fred Squires, Mr.
Sutton and Mr. Nodden of Woodstock.
Mr. Harry London was chairman of
the meeting.

Messrs. Basil Harper, Robbie Han-
ton, Willie Atherton and Elmer Bur-
per, who have been enjoying a week's
shooting at Quimco Lake, returned
home on Saturday. They were suc-
cessful in getting seven fine deer.

Mr. and Mrs. Frank Slipp, of Clares-
holm, Alberta, arrived from the West
on Saturday to spend the winter with
Mrs. Slipp's sister, Mrs. Jane Slipp, of
Woodstock. Mrs. Slipp is also a
sister of Mr. Samuel Harper, of Jack-
sonville. Mr. and Mrs. Slipp were the
guests of Mr. and Mrs. Harper on
Sunday.

The Baptist friends of Mr. Bragdon
gathered at the home of Mr. and Mrs.
John Hawkins on Wednesday evening
and presented Mr. Bragdon with a
generous donation of money.

The Misses Goldie Havens and Janie
Gibson entertained a small party of
their friends at a chicken stew at the
home of Mrs. Wm. True, Woodstock,
on Wednesday evening. Messrs. How-
ard Gibson and Irving Everett of Jack-
sonville were among the guests.

Mr. and Mrs. Fraser Burt are clos-
ing their home for the winter months
to make their home with their wid-
owed daughter, Mrs. Harley Miller, of
this place.

Miss Beatrice Adair, of Mount Pleas-
ant, was the guest of her mother, Mrs.
Adair, over Sunday.

Mrs. Leverett Fenwick left on Tues-
day for Perth, where she will spend
a few days with her sisters, Misses
Annie and Emma Stewart.

LOCAL AND PERSONAL ITEMS

Skating on the mill pond was excellent most of last week and was well patronized by the devotees of that kind of sport. We congratulate our Hartland contemporaries on the enthusiasm they are manifesting in the maintaining of a rink throughout the winter months, and thus encouraging a good healthful exercise for young and old.

Mr. McKay who has been relieving as manager in the Bank of Nova Scotia here, has been transferred to Joggins Mines, N. S., and left on Saturday for his new position.

The Ladies Guild of St. James Episcopal church met on Thursday last at the home of Mrs. A. J. Lee.

Friends of Mrs. John MacKenzie will regret to hear that she is ill at her home in Fredericton.

Miss Ethel Weade, R. N., who recently graduated from a hospital at Winsted, Conn., has gone to Lawrence, Mass., to practice her profession.

Miss Evelyn Peppers has been awarded the Carleton County Scholarship at the University of New Brunswick.

Bert Huestis and Roy Watson of M. R. A., Ltd., St. John, spent Thursday and Friday calling on C. M. Sherwood, Ltd.

P. K. P. MacKenzie has reopened his harness repair shop at the old stand on First Avenue.

The young bloods of the town staged another dance on Tuesday evening very successfully. Music by the Centreville Orchestra.

Mr. and Mrs. W. M. Bruce returned home on Saturday from a fortnight's vacation on Prince Edward Island.

Rev. H. R. Bell will preach on December 4th as follows: Centreville, 11 a.m.; Lakeville, 3 p.m.; Good Corners, 7 p.m. All cordially invited.

The dance given last Tuesday in the opera house proved to be a most successful event. Despite the bad roads, there was a large attendance from the neighboring villages and all seemed to enjoy themselves most thoroughly. The Centreville orchestra furnished excellent music and the refreshments served by the Ladies Guild of the Church of England were as usual—most appetizing. It is planned to have a series of these social events during the winter.

Rev. H. R. Bell and Frank J. Sloat spent Monday at Monticello, Me.

Mr. and Mrs. D. F. Olin and children of Mars Hill, Me., spent the week-end with Mr. and Mrs. C. R. Olin.

Miss Annie MacKay, who has been spending a few weeks in Mars Hill, spent Sunday at home.

Miss Roxie Jameson spent last week in Avondale.

What was always considered ordinary and useless white clay in the first swamp adjacent to town on the Florenceville Road, has been assayed by interested chemists and found to run about 95 per cent pure limestone, useful for fertilizer purposes, and has made quite a few interested farmers sit up and take notice.

A number of Centreville people attended the services at Knoxford on Sunday.

Miss Bertie West of Blaine, spent the Thanksgiving holiday with her parents, Mr. and Mrs. Geo. A. West.

G. W. Bishop of Grand Falls was in town last week and purchased a team of valuable draft horses.

Walter Clark of Mt. Pleasant is visiting his brother, Harry Clark, at East Centreville.

Whitfield Kirkbride is busy finishing up the interior of his house on Mill Street.

FLORENCEVILLE FACTS

Arnold Doty and Clare Fowler attended the Boys' Conference meeting at Woodstock last week.

Mr. and Mrs. Atwater of Simonds spent Sunday at Mrs. Nicholson's.

EAST FLORENCEVILLE

Mass, is in the village, called here by the illness of her sister, Mrs. Merrill Tracey, who continues in very poor health.

Quite a number of the ladies of this place met at R. H. Kings and formed a Red-Cross Society. Mrs. Foster of London, England, was elected president, Mrs. Jack Morse, secretary-treasurer.

On Thursday quite a number attended a meeting at Hartley Gee's to organize a Bible Study Class to meet in the homes during the winter—one hour, from 8 to 9 o'clock to be devoted to study; from 9 to 10 o'clock social. Everybody cordially invited, especially the young folks.

Bird Jones got home on Friday from a hunting trip bringing a fine moose. Ed Moore and Henry Wilson came the following night with a deer. The party they were with got a moose and several deer.

John Gillis lost a valuable Jersey cow and two sheep within the last few days.

Mrs. Carrie McDonald of Houlton spent Thanksgiving with her parents, Mr. and Mrs. Chas. Tracey.

Thomas Colridge and family have moved into the village for the winter.

Mrs. Hudson is spending a few days in Fredericton with her sister, Mrs. Scholay.

Eldon Watters and Jonathan Jones are away hunting.

Owing to the uncertainty of the market and the low prices, very little lumber is being cut this winter.

Mr. Barker is still in the Hospital but expects to be able to come home in a few days.

SUNDAY SERVICES

On Sunday, Dec. 14 (2nd Sunday in Advent) Rev. C. R. Canham will preach at Florenceville 11 a.m.; at Greenfield 3 p.m.; at Centreville 7:30 p.m. Subject: "Why is Christ coming?" All are welcome.

Don't Temporize —Vitalize

The pep in a car depends on the Battery. Leave it with me for the winter, and I will make it as good as new.

Excellent Storage and Generating facilities.

Bring along your Batteries.

LIFE INSURANCE

If you are interested in Life Insurance it will be to your advantage to have a talk with me, that I may explain the different Policies as issued by THE EXCELSIOR LIFE INSURANCE CO. which I am selling. I have a special policy which at the end of twenty-one years returns to you more than you pay in and which gives you \$2500 protection all the time.

FIRE INSURANCE

I have the agency for the Hartford Co. which offers you the most protection. I am prepared to insure your Buildings, Autos, Stock, or sell you Rain Insurance.

A GOOD TIME TO REFORM

A change to a cash basis has long been due in our business, owing to market conditions, and we have decided to adopt a strictly cash system after Jan. 1st. This means better buying and better selling and the advantage is mainly to our patrons.

REMEMBER, STRICTLY CASH AFTER JAN. 1ST to our mutual advantage.

We are stocking fresh XMAS GROCERIES AND CONFECTIONERY and will be looking for you same as usual.
