## INSANE MAN DIES IN HOSPITAL

The young farmer, reported last week as going insane through brooding over the war, and who was returned here from Quebec, was taken in charge by Sheriff Robinson, Monday morning to be conveyed to the Provincial Hospital. They left on the Maritime express.

Enroute to Moncton the man was taken violently ill and Dr. Botsford was wired from along the line to attend the patient at the Moncton depot. Dr. Botsford met the Maritime upon arrival and found the patient dangerously ill. He ordered his removal to the baggage room and a little later he was conveyed to the Moncton hospital in an ambulance. All that medical skill could do was done for the patient but he continued to sink and died about two o'clock in the afternoon.

The body was removed to Tuttle's morgue and last night was forwarded to Campbellton on the Maritime Express.

Sheriff Robinson, who was in charge of the insane man, knew nothing about his family further than his name was Charette.

## PTE. F. McDONALD WRITES HOME

Tells of His Experiences in His Endeavor to Escape From Germany

The Graphic has received the following copy of a letter received by Mrs. J. A. Ryan of Matapedia.

I have received a letter from my brother Pte. Frank MacDonald recently escaped from a prison camp in Germany. Parts of this letter may cheer up others who have relatives who are prisoners as it shows they are deceiving all casts part of their Red Cross parcels.

"I just know how I feel you and all the folks will be to know that I have escaped from the savages at last, and you may guess how glad I am, for I have had a pretty hard time of it in Germany. Through refusing to work, destroying property, and attempting to escape, I had to stand some abuse, and spent a good part of my time in a cell.

I escaped last November with another boy from Winnipeg, and we crossed the border into Holland, were fired on but not hit, and in the storm (for the night was the worst I was ever out in) we got lost and crossed back into Germany and were captured in the morning. Then I escaped again in January with an Englishman, and was captured half a mile from the border. But this time I had another Winnipegger with me, and we made up our minds to get through or get finished, and through we came. We were nearly caught twice in the day-time, when we were hiding in the woods. Once a game-keeper went by with a gun, so near that he almost stepped on us, lying in the bushes.

We travelled 100 miles on potato seed that had been planted, which we dug up. One night we missed a cow by the side of the road, but there are mighty few cows in Germany now.

The boys are getting along all right in Germany, in spite of the cruelty and savagery of the Germans, for the good old bull-dog grit, that makes them hate and fear us in the trenches, will bring the boys through as long as the folks feed and look after them from home as they are doing. The Russian soldiers and Belgian civilians are starving by thousands as well as the Germans in some parts of the country.

## ANOTHER 132ND. BOY IS KILLED

Pte. Benjamin Kaine Killed in Action in June While Doing His Duty.

Official notice has been received of the death of Pte. Benjamin E. Kaine of this town, who enlisted with the 132nd North Shore Batt. on Dec. 11th 1915, and went overseas with that Battalion on Oct. 26th 1916. After a couple of months spent in England he was transferred to the 87th Grand-olier Guards and went with them to France on the 10th of December 1916, where he was continuously in the firing line from that time, fighting gallantly in the defence of his Country and for the cause of liberty and righteousness, until he was killed in action June 9th 1917.

Private Kaine was 25 years of age. He was born in Mann's Settlement, Matapedia, but had lived in this town for the past 6 years, and was highly esteemed by all who knew him. He is survived by his wife, formerly Miss Melma Hopper of Albert County and one child, also an aged father (Mr. David Kaine), three brothers, Fred, with the 26th Battalion in France, Rev. David C. Pastor of the Baptist Church in Elgin, Albert County, and John in Vancouver. (One brother James was a member of the 132nd Battalion and died in England last December.) Also three sisters Mrs. Thos. Kelly, Mrs. Albert Lloyd and Mrs. Ansley Snare, to all of whom we extend our deepest sympathy in their sad bereavement.

The gallant soldier fought and died in an effort to save our Country from the slavery of German domination but his memory will live in the history of our Country.

## REPORTED MISSING

Through a telegram dated June 29th received from Ottawa by Mr. Anesa Thompson, Glen Levit, N. B., the sad news that his son, Pte. James T. Thompson was missing on June 9th reached him. Pte. Thompson enlisted in the 132nd North Shore Battalion and went overseas last September. After remaining a short time in England he was sent to France. He was twenty-three years old, an Englishman by birth and a member of the said church, highly respected and a favorite with his neighbors and those who knew him. The sad news of him being missing has cast a gloom throughout the settlement of Glen Levit. Pte. James has a brother John who was wounded the 8th of June with shrapnel in the left hand and also gassed, he went overseas with the 132nd. His sister, Mrs. Geo. Bain received a letter from him a short time ago stating that he was doing as well as could be expected. Pte. Neil, another brother, who is with the 104th Battalion, went overseas last June.

## NOW EARNING PAY.

The surplus of Canadian officers in English camps has been practically used by allotting them to the Imperial Forces for employment on the lines of communication in France. It is stated that they will retain their present rank, but receive the pay of a Staff Lieutenant, equivalent to a captain's, while separation allowances will be as hitherto.

Any person or persons having claims against the estate of the late Delilah Steeves are requested to render same, duly attested when the same will be promptly attended to.

Any person or persons owing the estate are requested to make payment immediately.

## Pte. ERNEST F. NOBLE Killed in Action

yd Nichol, son of Mr. and Mrs. William Nichol failed to gain admission because the building long before their arrival had been filled to its utmost capacity by those residing in the district and many friends from Flat Lands, Sellerville, Tide Head, Glencoe and other points who anticipating an overflowing had come early. The choir of Tide Head congregation led the singing and sang an anthem appropriate to the occasion. Rev. J. R. MacKay was the preacher and delivered an address full of sympathy and inspiration from the words "The Church, set his face steadfastly to go to Jerusalem" and "Now I (Paul) go bound in spirit to Jerusalem not knowing the things that shall befall me, save that the Holy Ghost witnesseth in every city." Saying that bonds and afflictions await me but of none of these things move me either count I my life dear unto myself and when he had said this they all wept sore and laid their hands on his head and kissed him: sorrowing most of all for the words which he spake that they should see his face no more." The same spirit said the speaker which led the Saviour to leave Galilee where he was in comparative safety and comfort and where

were the companions of his youth and the graves he had so often sauntered in and to set his face to go to Jerusalem where the streets were soon to be crimson with his blood, and which animated the apostle Paul when he went forward although he had been warned of the terrible risks he was running, was surely nobly present in the brave young man who after saying farewell to loving friends at home turned their backs on all they once held dear to follow the path of duty which led them to a foreign land where they fell with their faces to the foe. But continuing the speaker one hardly knows which to appreciate the most, the spirit displayed by those heroes whose memory we seek to honour today or the spirit of self-denial shown by the parents and friends at home in giving them up. Surely in thinking of the

## GRACE CALDER WINS MEDAL

The Board of Education has just given out the winners of the Lieutenant-Governor's High School entrance medals in the several counties for 1917. Miss Calder of the Campbellton Grammar School won the medal for Restigouche County and was highly commended on the excellent marks she made.

Gloucester County—George Eddy Linton, Bathurst Grammar. Northumberland County—Rosalie Perkins, Chatham Grammar. Madawaska County—Eva Levesque, St. Basil Superior.

When we must feel that the mantle of Abraham add alien on them, of that Abraham who with sublime faith in God descended Mt. Moriah to offer his son on the altar, when "Thy will be done" could only be said by a heart well nigh breaking.

When we thank God for the willing soldier let us not forget to thank him for the soldier's father and the soldier's mother. After making reference to the cause for which so many of our young men have laid down their lives, Mr. MacKay concluded with an earnest appeal to other young men to do their duty as their late companions had done in the great struggle now being waged in Europe. There are times said he which come in the history of nations and individuals when they must either increase or decrease and such a time has now come for us. I would like to put the issue plainly what is Great Britain to be? A second rate power defeated not by the Germans for the Germans can never defeat us but with our help, but defeated and betrayed by her own sons, or are we to rise to the magnitude of the occasion and put at the disposal of our Empire sufficient forces to win this war. Then as a result our Empire will be higher than ever. She will be leader of a new world into higher regions of liberty and of peace. For all young men of military age and without ties and responsibilities the time of testing has come. Our young men will now show the manhood that is in them for their manhood it is at stake. It is time they will run risks. It is time they may die, but we must all die, we must all die once and the issue is this shall we die honourably with a sense of duty performed and work done or shall we save our lives at a cost of all that makes life worth living.

At the close of the service the Dead March in Saul was played by Miss Alfred of Tide Head, the congregation meanwhile standing in their pews.

## The Advantage Lies Now With The Small Town Merchant

### WHY?

Previous to the outbreak of War the advantage possessed by the owners of the big stores in our largest cities was their ability to buy large quantities of goods and sell them very quickly.

By buying in large quantities they got a better price than the country merchant who could buy small quantities only; by selling their stock many times over a year, they could afford to take less profit on each one—there is as much money in selling five articles at one dollar profit on each as one article at five dollars profit.

But the War has changed all that. Since the outbreak of War, prices have been rising steadily. The merchant who sold his goods quickly then had to buy again, and again, always at the highest prices. And to give himself a profit he had to keep advancing his prices higher and higher.

That has been the position of the merchant princes of our Canadian metropolises. They had always bought to nearly their full storage capacity so that there was little chance to lay in a stock that would carry them many months; their stock has had to be renewed many times during the past three years and each stock cost more than the previous one.

Here was the chance for the small town merchant and there were few who did not see it. Comparatively speaking, they did not have to renew their stock very often and they had very large storage facilities. So early in the war they went out and bought for all they could carry.

### What is the result?

The result is that to-day merchants all over the province have goods on their shelves that cost them less than the big city merchants can purchase their needs to-day. Do not jump to the conclusions that all of the goods now in the small town stores were purchased cheap because some lines have been sold out and have had to be renewed, but in a great many lines, the merchants have goods that they bought at comparatively speaking very cheap prices.

Do you know that the prices in a great many lines of goods have gone up nearly three hundred per cent?

Now then, is the time, if never before, when you should see the prices of your local merchants before you buy your needs away from home.

The small town merchant has the advantage to-day. He is in a strategic position. Call and see him.

Buy in the home town, but in your own town, the saving is greater in the end.

Buy-at-Home.

## HISTORY OF GRADUATION CLASS, 1917

This following is a copy of the History of the Graduating Class of 1917, written by John A. Adams.

Another year has rolled by and we as the graduating class of 1917 add our share to the annals of the Campbellton High School. Although few in number we consider ourselves and our history no less important than that of other classes who have gone before, and indeed we value our history more.

Being one of the smallest classes at the beginning of our high school career our number has kept on getting smaller until now it amounts to ten pupils. For various causes our number has steadily decreased. Practically all who have left are laboring either directly or indirectly to help bring this great war to a successful end. Of those who have donned the khaki one has given his life in the glorious cause of freedom and right. The others if not in the actual fighting they expect to be put in a position where they will be able to do their bit and if necessary, also to give their lives in helping to uphold our National right and honor.

To us who have remained nothing of very great importance has happened. But nevertheless our school career has been a very interesting and happy one for us all. Truly it has been said "happy the people whose annals are brief."

In spite of the decrease in our number we have gained new additions to our class. Although not enough to make up numerically for the losses.

The latest is Jean Young who has many a time shown her ability in keeping up the spirits of the class by a very life like cartoon of some one or other of the inmates of the room which drawing would promptly disappear on the approach of Mr. Carr. Our friend Raymond in his earnest desire for learning keeps the company of those people who are capable of advancing him to the goal of his ambition, and the remaining pupils of the class hope to be able at some future date to pay Raymond a visit when he is his own master and also Master of the school over which he holds sway.

Isabel MacBeath is afflicted with that very healthy disease called giggles, which would come into prominence when we would all be deeply interested in a particularly hard passage of Milton or Shakespeare, to the great disgust of our teacher, for it always had the desired effect of completely removing our thought from the subject in hand and causing the rest of the class to join in her merriment.

We had one more addition to our class in the person of Ruth Young who when she did not feel like working had the remarkable ability of keeping back all those who were within reach of her whispering remarks.

Next comes Elaine Mowat who has shown extraordinary interest in the artillery branch of the army of late although the cause appears to be quite a secret. But Elaine is also quite her part in the class, from the fact that when everything would be peaceful and quiet all would be disturbed by a shrill noise which came from Elaine's seat and on looking about we would see this young lady seated gracefully upon the floor with her seat apparently a complete wreck, but this always assumed its proper shape and position upon a few screws being applied.

And now comes our famous author Isabel Currie who fills a very important place in our history through being the poetess of the class and also the originator of the idea of having a high school weekly paper containing

## SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL

Let folks step on your feet hereafter; wear shoes a size smaller if you like, for cats will never again mistle-dance about your feet, according to this Campbellton authority.

He says that a few drops of a drug called *Creosote*, applied directly upon a tender, aching foot, instantly relieves soreness, and soon the entire foot and all its little rights out.

This drug is a sticky ether compound, but dries as soon as simply dries upon the foot, and is not sticky or greasy at all. It is the only one of its kind that is not sticky or greasy at all. It is the only one of its kind that is not sticky or greasy at all.

It is the only one of its kind that is not sticky or greasy at all. It is the only one of its kind that is not sticky or greasy at all. It is the only one of its kind that is not sticky or greasy at all.

## AUTOINTOXICATION OR SELF-POISONING

The Dangerous Condition Which Produces Many Well Known Diseases.

### HOW TO GUARD AGAINST THIS TROUBLE

"FRUIT-A-LIVES" — The Wonderful Fruit Medicines — will Protect You

Auto-intoxication means self-poisoning, caused by continuous or partial constipation, or insufluent action of the bowels.

Instead of the refuse matter passing daily from the body, it is absorbed by the blood. As a result, the kidneys and skin are overworked, in their efforts to rid the blood of this poisoning.

Poisoning of the blood in this way often causes indigestion, loss of appetite, and disturbed stomach. It may produce headaches and sleeplessness. It may irritate the kidneys and bring on pain in the back, rheumatism, gout, and rheumatic pains. It is the chief cause of eczema—and keeps the whole system unhealthy by the constant absorption into the blood of this refuse matter.

"Fruit-a-lives" will always cure auto-intoxication or self-poisoning—its "Fruit-a-lives" acts gently on bowels, kidneys and skin, strengthens the bowels and tones up the nervous system.

50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-lives Limited, Ottawa.

All the news of interest to grade eleven. She generally was a co-partner of Ruth Young so far as seeking amusement was concerned.

And now we come to the tragic of the class Jessie Ferguson who in the first part of the term would absent herself from school for some length of time and then come back for a short visit whenever she wished to find out what was going on. However there must have been some peculiar strong attraction for her in school for she has been unusually punctual this latter part of the term.

More than once we have all wished we wore glasses for it has been noticed that they have proven a very convenient excuse when no other was forthcoming.

Next comes Elsie LeBlanc better known as Florie in whom we find an ever present source of information when the hour for Easter or French translation comes, Florie often causes us to open our eyes to the fact that there is a very spirited argument going on in the back of the room in which needless to say Florie usually comes out on top.

Hazel Quinn last but by no means least especially in dimensions is the disciplinarian of the class. This high position was bequeathed to her by a former school mate and we are glad to say for the benefit of that school-mate if she is present that Hazel has filled the position to the best of her ability even at the expense of the other members of the class. We sincerely hope that Hazel in her turn will bestow it upon as worthy a successor as she herself has been.

During the winter just passed we suffered the loss of three of our brilliant mathematicians in the persons of Ethel Baird, Hughie Marquis and Joe Gallagher. Hughie was a very quiet and studious pupil while left alone but when disturbed it generally took more than Hazel to quiet him.

Apparently Ethel and Joe thought that school went in at ten o'clock instead of nine for it was a surprise to all if either should happen along before nine fifteen.

This we think dear friends is about the end of our class history, for it is likely that we will each be following different paths in the future. We sincerely hope that further classes may be able to have a greater number of graduates than we have and that they shall have as happy and successful a time as we have had.

## S. S. CONVENTION AT NEW RICHMOND

(By Margaret Grant McWhirter)

Eighteen years have passed since the last convention of the Association met in New Richmond, P. Q. Evidently the prospect of coming to this place was alluring for a large delegation arrived by the Q. & O. Rly. on Tuesday 17th inst. The people of New Richmond gave them a warm welcome, for all were delighted to have the Convention held in their church, and with willing hands had made preparations for the entertainment of the visiting delegates.

The Convention opened on Tuesday evening at 7.30 p. m. The devotional exercises were conducted by Rev. G. S. K. Anderson. It was a great pleasure to the people to listen again to this friend of many years. The different committees were appointed. The address of welcome was given by Mr. Robert Hardy and in the absence of Mr. J. T. Reid the Rev. Mr. Barnes of Campbellton replied to the address. An earnest address was then given by the Rev. Dr. Brown.

On Wednesday morning the devotional exercises were again led by the Rev. G. S. K. Anderson. His address was "Promises of the Paraclete," in the farewell messages of our Lord. He showed "that the Holy Spirit is here in the Church, the gift of the risen Lord."

That He is in the heart of every believer as a gift based on the redemptive work of Christ.

He testifies to the Saviourhood, Priesthood and Kingship of Jesus Christ.

He unveils the face of Christ:—

After the reading of the minutes, Mrs. J. C. Ferguson gave the report of elementary work, regarding Cradle Roll work. She had written to the Schools but Restigouche and Bonaventure were behind in Cradle Roll Work, for out of thirty-two letters only fifteen had been answered. She considered Cradle Roll work the most necessary and most interesting work being a stepping stone to bringing the whole family into the School. She illustrated her subject with card and story.

The conference which followed brought out many interesting reports from several schools.

Rev. J. H. Barnes led the Conference on the Secondary work in a very earnest and instructive address. He showed that seventy-five per cent of the boys in the teen age leave Sabbath-School. That the boy at this time takes his cue from older boys. The boy wishes to become a man and imitates him often in the use of tobacco and intoxicants. In order to influence him for good he must be treated as no longer a boy. He showed the necessity of interesting the gang leader as boys are usually ready to follow such a one. He pointed out that it was necessary to get the boy to recognize Jesus as the most nearly of all men. He suggested an organized class with the gang leader as President, with weekly games and the Canadian Standard Efficiency Test as it is the only method for training boys, a conference followed bringing out many helpful suggestions for boys' work.

Rev. W. Camp B. D. gave an address on "Ideals and Goals." Showing that every life must have such and mentioning some of the goals of Sabbath-School work, viz.

1. Evangelism or religious influence brought to bear upon boys and girls in Sabbath-School work.
- (a) By creating a religious atmosphere in our school life.
- (b) Set up high standards of life in Sunday School everything up to date.
- (c) Bringing the children to Christ.
11. Loyalty to the word of God.

A Sabbath-School teacher should be the product of Bible study because such will have a passion for teaching and winning souls.

111. Service makes every thing look one way: focus all on Christ. The greatest service is a consecrated life. He further spoke of the necessity of being ready to help the boys on their return from the war by training them in Sunday School to be noble and true.

The devotional exercises in the afternoon were led by the Rev. James Heron. In an earnest address he urged the necessity of repentance, self-examination, turning unto God and self-consecration. He showed that the greatest sin of the average church member is omission. They do not do real personal work. The Christian must walk close to God a holy

# WHY WOMEN WRITE LETTERS

---

## To Lydia E. Pinkham Medicine Co.

---

Women who are well often ask "Are the letters which the Lydia E. Pinkham Medicine Co. are continually publishing, genuine?" "Are they truthful?" "Why do women write such letters?"

In answer we say that never have we published a letter without the name. Never, knowingly, have we published an untruthful letter, or one without the full and written consent of the woman who wrote it.

The reason that thousands of women from all parts of the country write such grateful letters to the Lydia E. Pinkham Medicine Co. is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives,

Another of our young men has made the supreme sacrifice, Walter Levesque, being killed in action recently. Mr. Marcel Levesque, his father received a telegram announcing the sad news last week. Private Levesque enlisted in an Ontario battalion and was a most popular young man. His sad but glorious ending will be heard with regret by a large number of friends who extend their deepest sympathy to Mr. and Mrs. Levesque and family. Therecent casualty lists also contain the name of Private Paul Dempsey as wounded, but to what extent is not known. Private Dempsey is a son of Mr. and Mrs. Patrick P. Dempsey and enlisted in the 182nd, but was later drafted to another battalion. It is hoped he will have a speedy recovery. Dear Mrs. Keeley: I mean to have written to you before this to tell you that I had the sad privilege of giving Christian burial to the body of your dear boy. I left France for duty in England a day or two after and I had to send back to France for your address. The cemetery in which he lays is a hallowed spot. It is that in which thousands of French, English and Canadian heroes repose in the shadow of a great crucifix which has been partly shattered by German shell fire. There is a little chapel there and Mass will often be said for those who are buried near.

## INCH ARRAN NOTES

The second of the Patriotic Danes at the Inch Arran House on Wednesday last added about \$25.00 to the Hospital Fund for which Miss Vera Dean is working so assiduously. Fully seventy five outside people took advantage of the lovely evening and good roads, to come to the Inch Arran. Many of them enjoyed a swim before going to the drawing room. The beach presented a pleasing picture, the shimmering water on which the rising moon flung dark shadows was broken here and there by the swimmers, many of them being excellent swimmers and the guests who lined the beach were loud in their praise of the "stunts" performed by the young people.

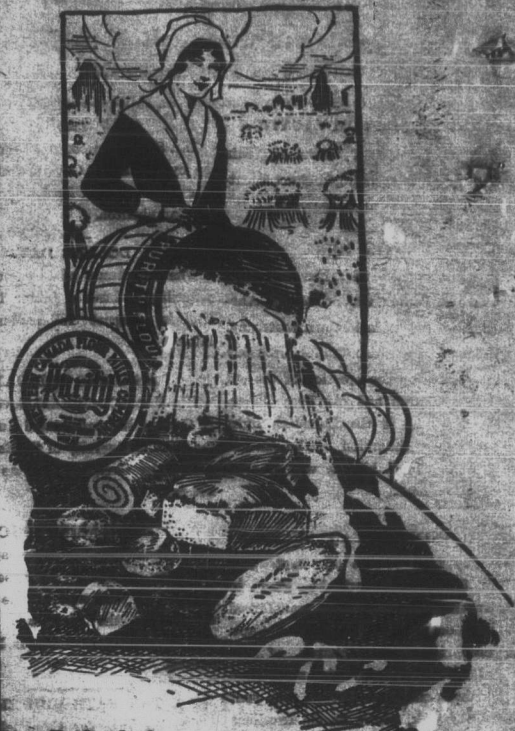

On Wednesday, August 8th there will be a change in the programme, and a concert by "Grand Opera" talent will be put on in place of the Dance.

**S. S. CONVENTION AT NEW RICHMOND**

Christian life.

The report of the Home Dept was read by Mrs. E. J. Rattee in the absence of Miss Jessie Currie. This report showed that the County of Restigouche might well be satisfied with the progress made and in Bonaventure the work is progressing in various places. Many helpful thoughts were brought out in the conference which followed led by the Rev. Dr. Brown. He remarked that Home Dept work is the highest type of Christian work, if properly organized. An interesting discussion took place between Dr. Brown and Mrs. D. J. Bruce of Campbellton, and by questions and answers many helpful hints were given. As Mrs. Bruce has had much experience in the work she was able to answer readily the numerous questions asked and at the close Dr. Brown pronounced her report ideal.

Miss Mabel Keith, Superintendent of Missions read a comprehensive and interesting paper full of facts and figures of missionary interest. She pointed out the great need of missionary work in the S. S., the need of training efficient teachers and having a definite missionary plan which she said should be one of education, prayer, giving, effort to secure missionary recruits. She further urged the necessity of prayer, study and giving. Thirteen schools in the association donate money to Missions. Mrs. D. J. Bruce reported the work for missions which is being done by her own class in St. Andrew's Church, Campbellton.

In the absence of Rev. Hugh Miller his very satisfactory report on Adult work was read by Mrs. J. R. Miller of Matapedia. This work showed good work being done. A most interesting and lively conference followed led by Mr. M. A. Kelly, chiefly along the line of organization showing the benefit derived. Mr. Kelly also pointed out that a fully developed man must be a God-made man and that we must treat others as brothers. We must meet these in a fair way every day as we are all on trial before the boys and girls in our Sabbath School.

The devotional exercises at the evening session on Wednesday was conducted by Rev. G. S. K. Anderson. His subject was "Sabbath."

1. Based on Creation—Sons of God.  
11. Based on Regeneration—Every believer is a son of God. God's little child, only beginning to live.

For the believer, Sainthood, Priesthood, and Sonship. God won't forget me or leave me alone.

Mr. D. G. Stewart the President gave an earnest address—he spoke about Jesus sending out His Disciples. He trained them for six months before He sent them out. Sometimes we fail because we rely on our own strength. Time or eternity will show the results. It is not our work, ability or learning, but God's work. The Sunday School work is a blessed work, and if we would do good work we must live close to God.

Miss Gilker of Campbellton sang a beautiful solo "He Thought of You, He Thought of Me."

Rev. Mr. Barnes' Address "The practical side of S. S. Work."

His points showed—

1. Get a vision of the world as a great family. Meaning of visitation of life. Look back to see man's failure. Man has lost his crown of glory. He is not the man God made, but the one sin made. One day will be like Jesus to regain our lost Kingdom.

The urgent necessity of the Sunday School. Boys now have to take their place sooner than they should have in the life of the country. God grant we may never have the vision of men growing too hard, or becoming corrupt at home.

Boys are coming back from the trenches. There are no atheists at the front. We have to create the atmosphere for the returned soldiers—those who come in a nerve-wrecked condition.

Rev. Mr. Brown's address was on "The possibilities of organization." There must be organization which brings something to pass.

Ideal of efficiency. How many of us can say we are all we might have been.

Organization always exalts the individual. The Church requires individualism. Christ always delighted to work among individuals. The S.

School is the most valuable asset in reaching the boy who is longing for manhood.

The devotions were conducted on Thursday morning by Rev. G. S. K. Anderson in a most inspiring address. He said "Sunday School Workers need larger vision of the great indivisible church to be found in all the churches of the world, whose head is Emanuel."

Test. Am I in the true church?  
Am I forgiven?  
Am I re-born?  
Am I indwelt of the spirit?  
Am I united to Christ, and to all Christians?

Am I in training for Kingdom service?  
A number of people are being selected for kingdom service.

Do we long for the coming of Christ. We are a united church through union with Jesus Christ and with one another.

A Conference on Temperance was introduced by Dr. Brown.

He believed that every member of the S. School should be pledged against intoxication, tobacco, and bad language. The question was asked.

How institute a plan for the renewal of pledges?

He suggested that on Temperance Sunday, the work should be given to a Temperance Superintendent.

All who had kept the pledge for three months should be asked to stand. Present pledges to those who did not rise. The Conference was led by Mr. J. M. McLean. He spoke earnestly of the necessity of continual work against intemperance. In the Sunday School is the great opportunity for instilling true principles. Several persons took part in the discussion.

Mr. J. T. Reid presented the report of the Secretary Treasurer.

The money promised to the Provincial Association had been paid, leaving a balance in hand \$17.32.

Mrs. D. J. Bruce gave the report and led the conference on I. B. R. A. Work.

Mrs. Bruce discussed the subject under three headings: What it is; How Conducted, and Some of the Results.

She showed that I. B. R. A. is an organization for the definite study of God's work.

It is conducted through the different officers of the S. School, the pastor and the members themselves all being agents for the promotion of this work.

Among the results showed that the work had extended to the West Indies, Africa, India, and the islands of the South Seas.

From the trenches comes word of the comfort received in reading the same passages as those read by the home friends. An earnest well-written paper.

The Nominating Committee reported as follows:

way officials, Dr. Brown, Speakers and workers for the interesting programme and to Mr. Ernest Brown for the loan of his store, and to Rev. G. S. K. Anderson for conducting the devotional exercises.

Mrs. Henry Caldwell of New Carlisle read the following appreciation: To the Secretary, Sunday School Convention, Restigouche and Bonaventure Counties.

We, the undersigned, teachers of the "Zion" Sunday School, and members of the "Zion", Adult Bible Class at New Carlisle, wish to express our appreciation to Mrs. Heron, through this Convention, for the valuable service rendered by the said Mrs. Heron, viz:—

By reorganizing the Home Study Department,

By organizing a Cradle Roll, And last but not least, organizing an Adult Bible Class.

We would beg to remind this Convention of the words of the writer, who says, "The hand that rocks the cradle rules the world", and seeing therefore that an Adult Bible Class forms one of the most important parts of a Sunday School, for when we have the co-operation of the parents, we are sure of the child, Mrs. Heron's efforts are all the more readily appreciated by us.

It is with deep regret, however, we learn that Mrs. Heron is about to sever her relations with this Convention, and not having much encouragement in the past in carrying out this good work, we would ask this Convention to use every means to co-operate with us in its continuation, and we have signed:—

Ronald Billingsley, Elder (Member Adult Bible Class),

Mrs. Frank Cooke, Teacher,

Leora L. Smollett, Teacher,

J. B. S. Mitchell, Teacher,

Andrew R. Caldwell, Member of "Zion" Adult Bible Class,

Mrs. Geo. Beebe, Member of Zion Adult Bible Class,

Mrs. Smith Caldwell, Member of Zion Adult Bible Class,

Annie Caldwell, Member Adult Bible Class,

Mrs. J. B. S. Mitchell, V. P. Member Adult Bible Class,

Ann H. Caldwell, Secy. Treas.,

John C. Gilver, Member of Adult Bible Class,

Rev. J. J. Patton's glowing address was in line with 1. Sam. 30:4, "For David encouraged himself in the Lord his God." He said it was something for the delegates to lean upon. There was always the danger of delegates feeling distressed because there is so

much to accomplish. He showed that where a S. School has a good teacher who encourages himself in God, it has the greatest thing necessary for good work.

The Chief need is in this to encourage ourselves and go out to do the work with more love and more zeal. He paid a tribute to busy women who are praying and leading children to Christ. He urges those doing their best, not to be discouraged, but to go on and God be with you. The address closed with the illustration of the Roman mother whose children were her jewels.

The Convention closed with a consecration meeting led by Rev. G. S. K. Anderson. He said the mysterious visitor the Pyriete was present to unveil to us the holy face of Christ. The holy spirit chooses, cleanses, energizes and uses the believer. The members of the Convention consecrated themselves to God for more faithful service.

Not soon will the parting scene of Christian workers at the doors of St. Andrew's Church, New Richmond be forgotten: when, all glad and sung, "Blest be the Tie that Binds", followed by the National Anthem.

The spiritual uplift of prayer and communion with God and fellow-workers can not soon pass away. We, the people of New Richmond have for them most kindly feelings of goodwill, and we would say, "Come Again."
