The copy filmed here has been reproduced thanks to the generosity of:

Thomas Fisher Rare Book Library,
University of Toronto Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Thomas Fisher Rare Book Library,
University of Toronto Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Jack Canuck.

Those Liberal records seem all right to me.

By their works ye shall know them.

Sir Wilfrid Laurier and the Liberal Government planned and are building the Grand Trunk Pacific Railroad, are deepening the waterways, improving the St. Lawrence River and opening hundreds of thousands of square miles of fertile land to settlement. They have improved the condition of labor, kept foreign markets open to Canadian farm products and have made Confederation a reality by unifying Canada and giving her a standing among the nations. Don't forget that the credit for all these wonderful achievements is due to Sir Wilfrid Laurier and the Liberal Government.

Jack Canuck :

That confounded bantam wants
to set again!
This time I'll soak her!

JACK CANUCK—"That's the kind of a crop that suits me."
TORY PARTY—"Um-er but good crops are awfully hard on the land."

Jack Canuck:

I like to walk with a
man who can set the
pace for me.

W. J. H. C.
Jack Canuck: You may be able to swallow
that, but I can't.

Jack Canuck: "Never mind the Tory Party. Just tell me of any thing this particular bunch, that represents it, ever did for their country."

Canvasser: "Well, I am not sure, but I think that when they were in power they crossed the jack-rabbit with the prairie hen so as to get a woolly egg that wouldn't freeze in the Northwest."

Foster:

I never try to drive that nail
but I smash my own thumb.

**Jack Canuck--
That's what
I figure it
out to.**

Figure it out for yourself!

Under Sir Wilfrid Laurier and the Liberal Government, Canada has prospered more rapidly than any other country in the world. In twelve years there has been an increase of one thousand millions of dollars in the export trade alone. This was made possible by the work done to promote trade and keep foreign markets open to Canadian farm products and manufactures by Sir Wilfrid Laurier and the Liberal Government.
