PREFACE.

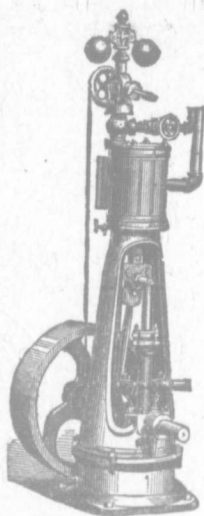

The Publishers of this work have used every effort this year to place before the public as reliable information as could possibly be obtained in the short period of time available, and it is hardly possible to take more pains to make the work more reliable. There are quite a number of persons who evade giving their names, for fear of being taxed, and in place give the agents fictitious names. Some of these fictitious names will appear in every Directory published, the publishers not being able to detect them, however carefully they may try to do so.

The Business Directory this year gives a complete list of all the Merchants, Professional Men, etc., etc.; also, a Map of the City, showing the Streets and Public Squares, etc.

To the supporters of this work the publishers return their sincere thanks.

Actual Business from the Start.

No Text Books on Bookkeeping are Used.

No Copying Courses.

The only Commercial Institute in the Maritime
Provinces giving

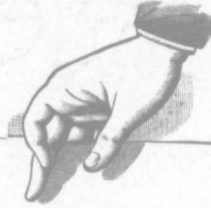

A Purely Actual Business Course.

During the student's whole course, from the day he enters school until he graduates, he is actually engaged in real business.

Every transaction which is recorded actually takes place between the students, each of whom represents a separate business. There are positively no fictitious names or dates used, nor transactions recorded

In no case are there any two sets of the student's books alike, hence there is no possibility of a student copying entries or deriving any information from his neighbor's books; but on the contrary, he is required to check up his work from such records and vouchers as he may have, and in no case does he depend on the finished work of other students.

Ladies' Alaska Seal Coats made to order, **C. & E. Everett**, 11 King Street, St. John, N. B.

A DIAMOND AND A SMILE

May constitute Full Dress in the South Sea Islands, but such a costume is slightly negligé in St. John.

No need to go naked or shabby, because you can get better clothes now for less money than at any previous time.

I am always willing to cut my profits very close, because I know that it brings the biggest business. Come and select what you want, and be surprised at the littleness of the price.

28 SUCCESSFUL YEARS,

28 Years of Honest, Thorough Work.

WE most heartily thank the Public for the patronage which has enabled us to add yearly to our reputation and efficiency, until we have reached our present standing and prosperity.

Our reliance for the future, however, is not on our reputation, but on the efficacy of **Honest, Hard Work**, skilfully and intelligently applied.

We will continue to give the most thorough and comprehensive **Business Course** and the most complete **Shorthand and Typewriting Training** obtainable in Canada.

Our Students are TRAINED FOR BUSINESS LIFE by doing daily just such work as will be required of them when they enter a Merchant's, a Lawyer's or an Accountant's office.

No Vacations. Students can enter at any time. Circulars containing full particulars respecting Terms, Courses of Study, etc., mailed to any address.

THE AUER LIGHT.

— NEXT TO THE SUN, THE CHEAPEST AND BRIGHTEST.

FIFTY per cent. saved in gas. **THREE TIMES** the light of an ordinary burner, but only **ONE-HALF** the consumption of gas. No dirt, no smoke, and less heat. All the advantages of the Electric Light at **ONE-QUARTER** of the Cost.

The great London Medical Magazine, *The Lancet*, says: "The Auer Light affords probably the best result ever obtained of the conversion of heat into light rays. A burner that consumes a relatively small amount of gas, to say nothing of the superior light, must be preferable from the hygienic point of view."

The fact that we have placed nearly two thousand lights in less than six months is proof of what the St John people think of the Auer Light. **What Does it Cost? Nothing.** The saving in Gas more than pays for rent of Light. We fit the Lights on at our own expense and look after them for you. Call and inspect our handsome Shades for your house, and at the same time leave order for Lights.

We can please everybody; can save your eyesight and your money too.
