The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol $\rightarrow$ (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole $\rightarrow$ signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE ARMY. —OF— CIVIL SERVICE EMPLOYEES STILL INCREASING.

In 1878 there were 480 employees in the several departments at Ottawa. It was charged against the administration of that day, by the Tory party, that the number was far in excess of the actual requirements of the public service. But no sooner did the present party attain power than the staff of the Civil Service WAS INCREASED to an alarming extent. The immense Parliament and Departmental Buildings at Ottawa have long since failed to furnish accommodation, or even "elbow-room" for this EVER-INCREASING ARMY OF HANDSOMELY-SALARIED OFFICIALS. Extravagant rents are being paid to favourites of the Government in different parts of Ottawa in order to find offices for the additions that have been thus made to the Civil Service, and a new Departmental Building is now being erected at Ottawa: at a probable cost of \$500,000 to furnish additional accommodation for the friends and relations of the Tory supporters of the Sir John Macdonald Government, whom it has been found desirable to support with the money of the people. On the following page is a comparative statement of the employees at Ottawa, in 1878, during the Mackenzie *regime*, and, in 1885, under the Tory rule.

An increase in Seven years of . . . 700

In the Senate there are 50 employees, and in the House of Commons department, 237, thus showing a total of 1467 persons engaged by the Government at Ottawa, and the expense incurred in supporting such a retinue, the office hours of the majority being from ten o'clock in the morning until four o'clock in the afternoon, has to be borne by the tax-payers of the country.
