JUDGE FORBES DIRECTS THAT BAIL BE TAKEN IN MCFARLANE CASE

In the case of the King vs. William P. McFarlane, application was made before Judge Forbes this morning by L. A. Conlon, in behalf of the defendant, for an order directing the police magistrate to admit the prisoner to bail. After hearing the application His Honor granted the order, fixing the amount of bail at \$1,000 for the prisoner himself, and \$500 for each surety.

McFarlane was arrested on last April on the charge of setting fires. He was committed for trial during the same month, and since then has been receiving treatment in the provincial hospital. On Saturday he was brought over and formally committed for trial. Application was then made to Magistrate Ritchie for bail for the prisoner, but the application was refused.

WIDOW OF ALBERT EVERETT DIED IN KINGSLEAR TODAY

Was Ill Long Time—Fredericton Throws Baseball Pennant, to Breezes on City Hall Flag Staff

(Special to Times.)

Fredericton, N. B., Jan. 19.—Mrs. Christina Everett, widow of Albert Everett, at one time proprietor of Windsor Hall, died in Kingslear this morning, after a lingering illness. She was forty-seven years of age and is survived by her parents, Mr. and Mrs. John A. Campbell of Kingslear, her brother, John Campbell of Vancouver, and three sisters, Mrs. E. A. Henry of Saskatoon, Mrs. J. W. McNeill of Battledore and Miss Elina Campbell at home. Her husband died suddenly three years ago, while on a trip to the west.

Mrs. Everett was a lady of most amiable disposition and had a large circle of friends. For some time following her husband's death she was housekeeper for Donald Fraser and last summer was a member of a party which toured the old country by automobile. She was taken ill soon after returning home and a Montreal specialist who was summoned pronounced her case incurable.

The pennant won by the Fredericton base ball team last summer was received last week and is today floating from the flag staff at City Hall.

MINISTERS WALK TO TORRYBURN AND HAVE THEIR MEETING THERE

The Presbyterian ministers met this morning to discuss matters relating to the work of the church. The meeting was arranged to be held in St. Andrew's, but owing to the delightful weather they decided that it was too pleasant out of doors and upon the suggestion of one of the members, the party set out on a walking tour as far as Torryburn and after enjoying dinner at the club house they held their meeting there and returned to the city on the afternoon train.

At the meeting matters of interest to the clergy were discussed and an interesting paper was read by Dr. MacVicar into The Heart of the Earth. The article gave an interesting account of a visit to a coal mine made by Dr. MacVicar when he was in Scotland two years ago.

At a meeting of the Methodist ministers this morning, those present were Rev. H. E. Thomas, Rev. R. S. Crisp, Rev. G. Earle, Rev. J. J. Pinkerton, Rev. W. H. Barragough, Rev. H. Pierce, and Rev. W. Lawson. Rev. Mr. Pinkerton read an interesting paper on the Atonement which was discussed.

H. R. McLELLAN IS LIKELY TO BE NEXT WARDEN OF COUNCIL

It is probable that the next warden of the Municipal Council will be Councilor H. R. McLellan. The election will take place at the annual meeting on Tuesday afternoon in the council chamber of the court house. Mr. McLellan has announced his intention of being a candidate and it now seems possible that he will have no opposition. Councilors Bryant and Golding, both of Lunenburg, have been mentioned as candidates but it was said today that neither of them will run. Thomas Carson, the retiring warden, will not be a candidate at this time.

The relief committee will try to distribute the money this week although union men declare they are able to take care of the sufferers without assistance.

Five Arrests In Case Of Desperado In Winnipeg

Man Accused of The Murder of H. M. Arnold

His Lawyer Among Them

One of Policemen on Guard Over Krafchenko Also Taken Into Custody in Sensational Series of Captures—The Award of \$11,000

(Canadian Press.)

Winnipeg, Man., Jan. 19.—Since Saturday these have moved quickly in the Krafchenko case. There have been five arrests, namely:

Saturday, 11 p. m.—Constable Reid, one of Krafchenko's guards, was arrested following a grueling cross examination before the royal commission. The charge is complicity in escape.

Sunday, 1 a. m.—J. Buxton, ex-secretary of the Winnipeg Builders' Exchange and friend of Percy Haget, was arrested, charged with complicity.

Sunday, 11:30 p. m.—John Westlake, clerk of Security Storage Company, seen in Krafchenko's company. The charge is aiding and abetting and comforting.

Reid Hours on Stand

The royal commission on Saturday put Constable Reid through a grueling examination, he being on the stand seven and a half hours, and at the end of the session, which came after ten o'clock on Saturday night, "that will do."

He stepped from the box, but outside the door was met by Chief Mespangher, and surrounded by several fellow constables, who hustled him into a small room, which he had been in before.

Reid had been Krafchenko's guard practically the whole of the time which he had been in the city jail, and he was found to have visited Haget's office at least four times and then have been intimate with Haget, who, as the prisoner's lawyer, had been in daily touch with Krafchenko.

What part Buxton played in the affair has not yet come to light. John Westlake, arrested with Krafchenko, was clerk of the Security Storage Company while the suite at No. 4 Burrie court was leased by Patrick Garty and Frank Holt. For the latter of them the police are now looking.

Refuses to Tell on Others

How Krafchenko made his break for liberty, was told by the gunman himself to the chief of police, but he refused to be got to implicate any confederate, or say where he got his gun and rope and key. After gaining the photographer's room, he threw up the ash, tied his rope and climbed through the window. He was only a third of the way down when the rope broke and he fell to the ground, badly hurting his leg. He struggled to his feet and limped along a lane behind a building, where he gained Main street, where he could see the police signal lights already flickering. He crossed to William avenue, where he got a bad scare, as a big touring car pulled in beside him and the driver offered him "a lift." It was not the police, however, the driver offered him a ride out of charity.

The man took out a long pipe, and down not far from Toronto street, where he made his way to the Burrie Black, where he remained in hiding all the time, save for some days when he found refuge in the Security Storage Warehouse. As to his friends in the Burrie block or the storage warehouse, he would say nothing.

By a quaint ruse, Percy Haget, Krafchenko's counsel, is now himself a prisoner in the "Old Kitchen." He has not yet been informed of his client's arrest. The \$11,000 reward will probably go along to the city police, who effected the capture. It is reported that the first tip came from Buxton, but as he is under arrest for complicity, all he is likely to get is some concession or immunity for turning "king's evidence."

BABY IN SUIT CASE FOR A TOWN MANAGER

Six-weeks Old Child Found On New York Ferry Boat

New York, Jan. 19.—When the Lackawanna ferryboat, Netherlands, reached the Christopher street slip at 10:30 a. m. says the New York World, Giuseppe Accetto, a porter, found a suitcase on the upper deck beside the stairs leading to the women's cabin. Capt. Tuttle told him to turn it in to the lost and found room at the Hoboken terminal. At 11 a. m. Thomas Cullen took charge of it.

Half an hour later Cullen heard faint cries that made him look about for a cat. He could find none. When Patrick Grady of the station police passed by the clerk called his attention to the wallings. Grady peered beneath the counter and the rack, listened more closely and said:

"That's no cat. It sounds to me like a kid."

The cries were traced to the suitcase. Accetto had found it. It was not locked and when Grady and Cullen opened it they beheld the dimpled face of a 6-week-old baby.

Its golden red hair was covered with a combed silk cap, and its body was warmly wrapped in swaddling bands, a white muslin cap, a pair of white lace and pink ribbons, a flannel night slip and a crib blanket. As Grady and Cullen stood speechless the baby opened its eyes and gurgled happily.

"Get a woman!" cried Cullen, and Grady hustled off in search of one of the attendants of the "Travelers' Aid Society on duty at the terminal."

"The precious!" shrieked as she went away with the tiny bundle in her arms. Grady and Cullen were freely again Hoboken Police Surgeon Arlitz added his knowledge to the general tender of services. He found that the baby, though a bit crumpled, was in the best of health otherwise and gave every indication of having been well cared for until the very moment of abandonment—or misplacement.

TILLABLE AREA OF UNITED STATES 1,140,000,000 ACRES

Vast Room For Development of Agriculture and Fruit Growing

Washington, Jan. 19.—Preliminary estimates by the department of agriculture show that the 1,140,000,000 acres of tillable land in the United States is 27 per cent. actually under cultivation. The estimates were based upon reports of 35,000 correspondents in every state.

It is estimated that the United States, excluding its possessions, contains about 1,900,000,000 acres, of which about 60 per cent. (1,140,000,000 acres) is tillable. This includes land already under cultivation, and land which in the future may be brought under cultivation by clearing, drainage, irrigation, etc.

Only 21 per cent. (899,000,000 acres) was estimated to be of no use for agriculture, either now or in the future. According to the census of 1909, the land area in crops where acreage was given was 1,000,000. This is approximately 16 per cent. of the total land area, or about 27 per cent. of the estimated potential tillable area of the United States, exclusive of its possessions.

"In other words," says the department, "for every 100 acres that are now tilled, about 375 acres may be tilled here today, accompanied by Hon. Doctor Pyne, minister of education and his personal physician, his wife, Lady Whitney, and his private secretary, Horace Wallis, with two trained male nurses."

Hon. Dr. Pyne said that Sir James had a fairly restful night, and slept most of the time. He had periods of delirium and rambled somewhat. His condition was all that could be expected. He was very weak though stronger this morning than he has been many times since his illness. His condition, of course was still serious.

FIVE HUNDRED MEN OF RAILWAY EMPLOY ARE ON STRIKE TODAY

See Trains Safely at Terminals and Then Go Home

Albany, N. Y., Jan. 19.—Quietness today characterized the walkout of approximately 500 men employed by the Delaware and Hudson Railway Company. The strike order was issued last night to every union engineer, fireman, conductor, trainman and telegrapher along the line from Rouses Point, N. Y., to Wilkesbarre, Pa.

Crews brought their trains to terminal points, took their engines to round-houses, and went home to await the result of a conference between union leaders and officials of the company. Mediation from both national and state authorities has been requested by the company, G. W. W. Hanger of the federal board of mediation and conciliation telegraphed to Marlin C. Carey, in charge of the strike, but Carey replied:

"The die is cast. Only the concession we ask will bring about a settlement. The men demand the reinstatement of two men discharged for alleged disobedience."

Few trains are now in operation. The telegraphers and signal men will leave their posts shortly before noon, after disposition of every train is made.

FOLLOWS CHIEF TO PRIVATE LIFE

Hon. Jesse Collins Will Not Run For Parliament Again

IS PRIVY COUNCILLOR

Rose From Laborer's Cottage to High Estate—Decides, Like Chamberlain, That at 83 He Will go to Parliament no More

(Canadian Press.)

London, Jan. 19.—Right Hon. Jesse Collins, who from the laborer's cottage of his father, in Devonshire, rose to be a member of the king's privy council, has decided to follow into retirement his leader, Joseph Chamberlain. Mr. Collins said today that he would not at the next election renew his candidacy for the Bordesley division of Birmingham, which he has represented in parliament since 1888.

The aged statesman, who is eighty-three years old, has always been greatly interested in popular education, and his study of the school system led him, in 1882, to publish a remarkable pamphlet which did much toward the introduction of compulsory free education for all in England in 1870.

Mr. Collins' political career has been principally occupied with the welfare of the agricultural laborer. His act for the provision of small allotments of land for farm workers, passed through parliament after repeated defeats, has been a great benefit to the British rural workmen. Mr. Collins' policy in securing this enactment was popularly nicknamed "Three acres and a cow."

Always a strong radical in politics, Mr. Collins followed Joseph Chamberlain into the Unionist ranks on the introduction of the first home rule bill for Ireland by the late William E. Gladstone. At one time Mr. Collins was under secretary of state for the home department.

Several penalties were handed out—as a good deal of hard checking was indulged in.

FORMER ST. JOHN GIRL WON FAME AS GRACE DARLING.

High Tributes Paid to the Late Ada M. Foster

WAS THE MEANS OF SAVING MANY LIVES

For More Than 20 Years in Lonely Egg Rock Lighthouse off Lynn, Mass.—Stories of Her Vigilance, Resourcefulness and Bravery Recalled

(Correspondence) Salisbury, N. B., Jan. 16.—Born in Westmorland County, for some years a resident of St. John, Miss Ada M. Foster, to whose memory a reference was made in the Telegram some weeks ago, left behind her a record of heroism in which the deeds of Grace Darling were emulated and which won for her along the Massachusetts coast the noble title of "Angel of Deliverance." Moreover, her bravery had brought to her a national reputation.

Her father, Andrew Foster, was born in Albert County, and her mother, whose maiden name was Margaret Steeves, was a daughter of the late Perigo Steeves, of Steeves Mountain, in Westmorland County, N. B. Miss Foster was born at Steeves Mountain on June 20, 1877, the year of the great St. John fire. A short time after the birth of their daughter, Mr. and Mrs. Foster removed to St. John, where they resided for some five years, after which they removed to Lynn, Mass., where they have since resided. The late Miss Foster was a niece of Judson E. Foster, parish court commissioner of Salisbury, and also a niece of Messrs. Gilbert and Millage Steeves of Steeves Mountain. Her parents and many other relatives are settled in the United States.

WOMAN 15 YEARS ON EGG ROCK—GOOD ANGEL OF ALL MARINERS

"Miss Ada M. Foster, who Died Recently, was Twenty-Two Years in Life Saving Service—Many Brave Acts to Her Credit, Many Unrecorded—Some Striking Scenes Witnessed."

"Miss Ada M. Foster, the Grace Darling of Massachusetts, who spent twenty-two years of her life as an assistant guardian of boats on the coast of Massachusetts bay, during her life devoted to noble work in the service of Uncle Sam, performed many acts and was perhaps responsible for the saving of many lives. "Many of her bravest deeds will never be known. Her life was given up for the age of fifteen years to the warning of travellers on the sea highways of peril on the coast. "It is barely a fortnight since she died in the Massachusetts General Hospital, at the age of thirty-six. Many friends and acquaintances in Lynn, where she spent her childhood, and mariners who traversed the waters in the vicinity of Lynn and Boston harbors, mourn her, while she has passed to a greater reward, she leaves behind a bright memory. "Fifteen years of her life were spent in the lonely beach of Egg Rock, three miles off the Lynn shore. Although completely cut off from the world on that lonely isle of rock, among the constant roar of the sea in summer and winter, it was the sort of life she craved. She was the faithful assistant of George Lyons, the keeper of the rock, and it was there that she performed her

valiant deeds, for which many sailors and boatmen distributed along the entire coast have at one time or another been grateful. Her deeds have won for her the title "Angel of Deliverance."

On Lookout Day and Night

"Her sole companion on the rock was Keeper George Lyons. During the big storm in November, 1898, Mr. Lyons was very ill. Miss Foster remained on the lookout both day and night. At that time a landing on the rock was made by means of an iron post, which was set in the rocks and to which was lashed a monster boom. During the storm Miss Foster discovered that the boom was lashing the ropes loose. She could not repair the ropes alone. Mr. Lyons therefore left his sick bed and went to the edge of the rock where they worked together in securing the boom with the railing staff by means of a timber hitch. "It was with great difficulty that the boom was fastened in the teeth of the terrible gale and high sea, which, when it struck the rock, splashed high above them. Miss Foster was holding the boom by means of ropes which, despite her strength, was a heavy task. When the work had been completed Keeper Lyons was exhausted. He was covered from head to foot with a coating of ice several inches thick, which forced him to carry an additional weight of fifty pounds. But for the aid of Miss Foster he would never have reached the lighthouse. "In the vicinity of Egg Rock the ocean currents are very strong, making it especially dangerous for small craft in calm weather. It is a difficult task making a landing and at times it is an impossibility, because of the tides.

Skiff Turns Turtle

"On one occasion Miss Foster, who was always alert during the day for craft in distress even during the calm weather, saw a skiff some mile out in the bay turn turtle in the teeth of a sudden squall. Through the glass she could discern several people in the water. She sent up a signal for help, which was seen at the Nahant life saving station and the crew launched a boat to go to the rescue. The distressed craft was beyond the view of the life station, but as they approached the rock the gale died and the crew were rescued as a result of her vigilance. "On numerous occasions she had discovered fishermen and amateur boatmen in distress off the rock. At such times Keeper Lyons launched a boat and invariably effected a rescue. In this way several parties have received a hospitable welcome on the rock. "During the great storm in January, 1899, in which the schooner Charles S. Briggs was wrecked on Shore Beach, Nahant, Miss Foster was the first to

STARTING THE DAY RIGHT

Do you begin the day with a groan? Are you tired in the mornings? Do you fail to benefit by the restorative influence of sleep, which should make good the energy and vitality consumed by the day's work? Then you are rapidly becoming bankrupt so far as health is concerned. You should look to your habits of eating, make sure that you get lots of fresh air in your sleeping apartments, and restore wasted vitality by using Dr. Chase's Nerve Food. This great food cure does not induce sleep by any drugging effect, but when you have been using it for a few days and get the nervous system into condition you find yourself resting and sleeping naturally and healthfully. Keeping up this restorative treatment you will be able to make good the waste and fill the exhausted nervous system with new vigor and energy. This means thorough cure of such symptoms as headache, sleeplessness, indigestion and tired, listless feelings.

discover the wreck. Seven lives were lost. Keeper Lyons and Miss Foster were powerless to accomplish a rescue or even to get word to shore, because of the great storm. They could only sit in the tower of the lighthouse and witness the pounding to pieces of the lumber laden vessel. "She also witnessed numerous other wrecks along the coast during the great winter storms in her fifteen years spent on the rock. The dangerous currents in the vicinity of their abode made it necessary for Miss Foster always to assist Mr. Lyons in landing. She would operate the landing gear which drew the boat on shore. During his stay at Egg Rock Keeper Lyons effected a more modern landing gear from the post and boom and this remains in position today.

Pay her Tributes.

"No one of the outside world knew Miss Foster better than Charles A. Lawrence, of Lynn. He pays her a beautiful

tribute, touching upon the life which she lived on that desolate mound of rock off the Lynn Shore. His memoir in part follows: "Probably no woman of her age ever left a wider circle of acquaintances to mourn her going than this remarkable employe of the coast light service. No one will have a brighter memory of warm hearted hospitality and kindly deeds. Bred to a life that few women could have physically endured, but in which she found great contentment and happiness, her place will be indeed hard to fill for those associated the closest with her. "Miss Foster engaged as helper at the Egg Rock light station when a girl of about fifteen years of age and will be remembered by many as a slight but attractive young woman in the early years of her stay on the rock. The conditions of life on the rock soon transformed the slight girl into a woman of superb physical development with the strength of an ordinary man. The stalwart keeper,

George I. Lyons, has more than once owed his life to her timely help when landing in bad weather. Her quickness of eye and good judgment added to a woman's natural intuitive methods, made the glance and the act as one.

"Several years ago Keeper Lyons was transferred to Graves Light in Boston harbor, and Miss Foster went with him. He was stationed there about two years when he was appointed head keeper at the Nobiska station at Moods Hole, Mass. It was there that Miss Foster was stricken."

It is understood that Miss Foster's funeral was one of the largest ever seen in Lynn, many friends being present from different sections throughout the New England States.

Three Mighty Forces Close Linked

Have you ever noted how an audience yawns in the face of an uninspired speaker? On the other hand, have you noted how an audience will lean forward and grasp the chair arms when the speaker reveals enthusiasm? Enthusiasm is the buoyant expression of truth. To impart belief in anything, a man must believe it deeply himself. We call such a man an enthusiast. This applies to the written word also—particularly to advertisements. When the manufacturer really believes in his wares, his enthusiasm will almost inevitably find expression in Advertising. And enthusiasm will be contagious—his audience—the readers of the newspaper—will, figuratively speaking, "lean forward and listen intently."

To be convincing an advertisement must convey an unmistakable impression of enthusiasm. This it will only do when the article advertised has inherent worth.

Thus we have: Sincerity -- Enthusiasm -- Advertising: Three mighty forces, close-linked.

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper. If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 505, Lumsden Building, Toronto.

WILSON'S INVALIDS' PORT

THE BIG BRACING TONIC

What the Doctor ordered That Most Dreaded Disease Tuberculosis More people die of Tuberculosis annually than of any other disease, in fact, one-seventh of the total death-rate. Wilson's Invalids' Port (à la Quina du Pérou) is a most excellent tonic for patients suffering from this disease of the lungs, because they can take it continuously and rapidly absorb and assimilate it, and above all, it has a directly curative effect upon the tubercular process itself. The results obtained in the various Sanatoria for the treatment of Tuberculosis depend entirely upon the increased carbonic acid formation in the body from enhanced nutrition. Wilson's Invalids' Port by its appetizing and digestive qualities causes constitutional improvement and increased strength, thus attaining the same end as the Sanatoria in a more simple and potent way.

CARSON MAKES SPEECH TO HIS ULSTER MEN AT DRILL IN EAST BELFAST

(Special to Times)

London, Jan. 19.—Addressing six battalions of the East Belfast regiment on Saturday, Sir Edward Carson declared: "We shrink from nothing. We are even told by a minister that the men of the radical party were anxious to see if blood would actually flow. If they dare to attack us they will certainly see it. He adjured his men not to abate one jot the ardor of the covenant of September, 1912."

The Belfast correspondent of the Telegraph states that he has the best authority for the belief that the Ulster volunteer force is now enrolled to the strength of 100,000, and that the order will soon be given to cease recruiting. The parade was attended by 8,762 men.

WANT LIGHT ON BUOY MARKING PLACE WHERE LECONFIELD SANK

There have been complaints registered recently in regard to the absence of a light on the buoy which marks the location of the sunken dredge Leconfield. G. H. Flood, local agent of the department of marine said today that the department had fully complied with instructions by placing on the scene a green painted buoy, the mark denoting a wreck. There was no provision in the instructions, he said, for the placing of a light on the buoy. On account of the complaints, however, Mr. Flood has taken the matter up with the department at Ottawa and expects a reply in a few days.

The device is an arrangement of weights suspended from wires which are released by the heat caused by fire, and so ring an alarm, at the same time registering the location of the fire.

Buckwheat Cakes. When water-pipes begin to freeze, And folks predict a snow, I think about the buckwheat cakes Of winters long ago. But not the soggy buckwheat cakes I used to put away With running black molasses spread, At breakfast every day.

An inch or more in thickness, raised From batter left to sour, They blanketed my liver down With half-digested flour, I oft regret her gingerbread And sugar cookies sweet. But not the soggy buckwheat cakes My mother made me eat.

Now smoking to the table comes A brown delicious pile Of dainty morsels that would make The worst dyspeptic smile. Well buttered, and affort upon A golden syrup lake, Behold they are the buckwheat cakes My wife has learned to bake. —Lizzie's Weekly.

A Story of the Boer War Brigadier-General J. E. Gough, in a lecture at the London University, on "Counter Attacks," emphasized the value of suddenness and fierceness in a counter-attack, and the danger of pushing it too far. He quoted, as a good example, in British history of a successful counter-attack, a charge at Wagon Hill in the Boer War. For about ten hours the opposing sides were entrenched within a distance of from fifteen to fifty yards of each other, and fierce firing took place. No successful charge could be made, for only a small party could hear the officers give the order, and in every case they were shot down as soon as they got to their feet. It was facing certain death. But 230 men of the Devon Regiment came up unobserved by the enemy, and were deployed quietly. Everything was explained to them, and when the order was given they suddenly topped the rise, raced across the few score yards, and the Boers vanished.

Her head was gashed and her legs partly cut off. The captain of the barge, Charles Matrony, was arrested and was alleged to have told the police that he had been drinking heavily through the night. It was said about the city recently that the murdered woman formerly resided in this city, being a servant in a home here. She had considerable musical talent.

AT OTTAWA

The present week should develop at Ottawa a good deal that will be of interest to the people of Canada. The silence of the speech from the throne on the naval question has occasioned some surprise, and there will be some curiosity to hear Mr. Borden's reference to that question, which he must make in the course of his speech in the debate on the address.

STARVATION WAGES

Some very interesting facts have been brought out by what is called the "Sweated Trades" exhibition in London. The Trades Boards Act was enacted to enable the authorities to deal with sweated industries, and ensure a measure of relief for those working under bad conditions at miserably paid handicrafts.

stock market quotations and the excellent demonstration of strength made by the whole of the chartered banks.

If there is any time more than another when the citizens would like to be sure there is nothing wrong with the water supply, it is on wash-day, when the weather is hovering around the zero point.

The provincial legislature will soon meet, and there should be another and more vigorous effort made to secure for the cities and towns of the province the right of home rule in taxation. So far as St. John is concerned, there is urgent need of a more equitable system than now exists, and if the city were given the power it would have no difficulty, with the assistance perhaps of an expert in taxation, in arriving at a more satisfactory system than that which now exists.

A cable from Paris says that a great campaign against liquor drinking in France has begun. The campaign is against alcoholic liquors. So long as the people drank only the light wines of the country there was little protest, but with the introduction of stronger liquors came conditions which have caused the beginning of a vigorous crusade.

Some considerable time ago the French government assumed the expense of having posters distributed through the country telling of the evils resulting from the use of alcoholic liquors. More vigorous efforts are now being used to arouse public sentiment.

FATALITY OF WHOOPING COUGH

Many parents think lightly of whooping cough, and treat it as a necessary evil, not giving the child who has it any special attention. The seriousness of whooping cough was emphasized by the Medical Health Officer in Toronto a few months ago, when he reported 14 deaths during the month from whooping cough, and only ten from scarlet fever, typhoid fever and measles combined.

An Important Consideration. "What reform will you advocate?" asked the friend. "I don't know," answered the woman who had just returned after a trip around the world. "What reform is most fashionable at present?"

On one occasion a great friend, Rev. Joseph Twitchell, sauntered over to Mark Twain's house and said, "Mark, come and take a walk with me. 'O, no, Joe; I haven't time," said the great humorist. "Well, now," was the reply, "you come to hear me preach every Sunday and you say you believe what I read out of the Bible is true. Now, if I could prove to you, from the Bible, that you ought to go to walk with me, would you come and take a walk with me?" "O, no, Joe; I haven't time," said the great humorist. RECENT DEATHS

Hamilton Cochran, formerly of the Black River road, died on Saturday evening at the Wellington House, Haymarket square, after a comparatively brief illness, leaving one brother and one sister to mourn. He was in the fifty-seventh year of his age, and had moved into the city only about a year ago. The body was taken yesterday afternoon to Black River and it is probable that it will be interred there tomorrow afternoon.

Catherine R. Gallivan, daughter of Bridget and the late John Gallivan, whose home was in Fairville, died very suddenly on Saturday night at the home of her sister, Mrs. Mary Mantle, 88 Broad street. In apparently the best of health, she went out for a walk, and became ill in the street. She was taken home and died in a very short time. Miss Gallivan was well known in Fairville, and in the city. Since New Year she had been visiting her sister in Fairville, and she leaves her mother, who is living in Fairville; one brother, Stephen R. of Hamilton (Ont.), and three sisters, Mrs. Mary Mantle, Mrs. David McEgan and Miss Anne, who is at home. The funeral will be held from 88 Broad street.

The death of John Scribner occurred on Saturday afternoon at his home, 61 Erin street, after an illness of several months. He was in the seventy-third year of his age, and is survived by his wife. The funeral will be held this afternoon from his late residence.

Mrs. Margaret Ward, wife of the late John Ward, who was a contractor in this city, and mother of Josh Ward, 19 Dorchester street, died yesterday morning at her home in Hillsboro, Albert county, at the advanced age of ninety-one years. Besides her immediate family of four sons and one daughter, she leaves twenty-three grandchildren and eleven great-grandchildren. The body will be brought here for burial.

Mrs. Ward belonged to this city and resided here for the greater part of her life. About twenty years ago she went to Hillsboro to live and she had been there ever since. Her health until recently was very good but old age caused a failing in her condition and she gradually declined. She leaves four sons—James T. of Hillsboro, John of Brockton (Mass.), William H. of Milford (Me.), and Josh of this city; and one daughter, Miss Kate of Hillsboro.

Mrs. Ward was well known by many of the older people of the city.

Walter Hodd, twenty-six years old, son of Mr. and Mrs. William Hodd, Merritt street, was killed by a falling tree in the lumber woods near Oldtown, Me., a few days ago. Besides his parents he has one brother, in western Canada, and three sisters, Mrs. Ferguson, Milford; Miss Ella, Montreal, and Genevieve, at home. Hodd was formerly prominent in local athletic circles and was a star pitcher with St. Peter's baseball team.

Rev. Thomas Wardrop, D. D., the oldest Presbyterian minister in Canada, died at his home in Montreal on Saturday. He was a native of Scotland and was ninety-five years old.

Mrs. Margaret Monteith died on Wednesday last, at the home of her sister, Mrs. James Wiggins, Lawfield, Queens County. She was born in Ireland eighty-six years ago.

The death of Mrs. Bessie, wife of Charles H. Gilbert, formerly of Georgetown, occurred at Ashabula, Ohio, on January 16.

FORMER CONGREGATIONAL
PASTOR IN ST. JOHN CHURCH
Rev. Dr. Gordon Writes to Eng-
land About Brotherhood Men

(Times Special Correspondence)
London, Jan. 6.—An important communication has just been addressed to the English brothers by Rev. Dr. J. L. Gordon of Winnipeg, president of the Brotherhood Federation of Canada, stating that welcome leagues are being formed at the ports of entry and central points in Canada for the purpose of welcoming and looking after newcomers to the dominion. The English movement is asked to co-operate in this work by noting the Canadian secretary about any brotherhood men who decide to emigrate.

This must prove to be of great assistance in supplementing the existing arrangements for the encouragement of suitable settlers to Canada; it is interesting to note that during his visit to this country last year, Doctor Gordon was overwhelmed by enquiries from people wishing to go to Canada, and doubtless the movement now being put into force is the outcome of his experiences.

Doctor Gordon formerly was pastor of the Congregational Church in St. John.

GRACE GEORGE'S SUCCESSFUL
COMEDY, A WOMAN'S WAY.

To the men, the selection of A Woman's Way by the Thompson-Woods stock company at the Opera House this week, will be a revelation as it will display to them one side of the feminine nature which is so often a great mystery to them. To the women, the mystery of the situation is lessened, but will be none the less enjoyable as it will disclose woman's everlasting wit and ingenuity.

A Woman's Way, by Thos. Buchanan, is a society comedy in three acts which served as a starring vehicle for Miss Grace George the past two seasons. There have been few plays produced during the past few years which can compare favorably with this bright comedy as to wit and funny situations. The Stanton marriage, apparently one of love, develops into the state of a pending divorce. Mrs. Stanton has taken up society because of lack of attention from her husband, while the husband grived at his wife's apparent neglect.

SOMETHING SUBSTANTIAL.
To those of our readers who are on the look-out for a good quality bedstead, we suggest a call on W. J. Nagle, 207 Charlotte street. He has a few really first-class ones for prices ranging from \$21.00 to \$44.00. These bedsteads are all finished in Damard Lacquer, in bright satin finish, which is acid-proof, will not tarnish, and is proof against heat and cold. An inspection is well worth while.

At a meeting of the Old Students' Association of Joseph's University yesterday in St. Malachi's Hall, arrangements were made for the celebration of the golden jubilee of the university, in June. M. Rive, Harry McCullough, Urban Sweeney and A. G. Donovan were appointed a committee to arrange for a public meeting on Jan. 28. An advertising committee, composed of H. O. McInerney, Urban Sweeney, P. McGuire, and J. Louis Slattery, was also appointed.

died suddenly on Thursday last at Monensie, Ill. He was a native of Sweden and was seventy-two years old. He lived in St. John some years ago and married Mrs. Henry Edgett of this city.

Miss Eliza Lillian Owens, aged thirty years, died on Saturday at her home in Rustisburgh, York county. Three brothers and two sisters survive.

At Macnaquac on Saturday, Mrs. Sarah Long, aged 71 years, wife of Fred Long passed away.

MOTHER, DAD AND THE CHILDREN
always keep feeling fine by taking this delicious fruit laxative on occasion demands. Nothing else cleanses the stomach, liver and bowels so thoroughly without griping.

FRUIT LAXATIVE FOR MAMMA, DAD,
BABY, "CALIFORNIA SYRUP OF FIGS"

Better Than Calomel, Oil or Salts
For Liver, Bowels and Stomach

Indigestion, sourness, foul taste, bad breath, fever and dizziness is gone; your stomach is sweet, liver and bowels clean, and you feel grand.

"California Syrup of Figs" is a family laxative. Everyone from grandpa to baby can safely take it, and no one is ever disappointed in its pleasant action. Millions of mothers know that it is the ideal laxative to give cross, sick, feverish children. But get the genuine. Ask your druggist for a 50 cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups on each bottle. Refuse with contempt the cheaper Fig Syrups and counterfeits. See that it bears the name—"California Fig Syrup Company."

seeks consolation in the companionship of a widow of doubtful age. The battle of wits between the wife and the widow, the method by which the wife finally wins the everlasting love of her husband, the funny situation developed by the presence of the widow at a dinner party at which every man present is a former admirer of this same widow, their clumsy efforts to conceal the fact from those most concerned, all tends to make a screamingly funny comedy which cannot fail to please.

As the name would imply, the ladies of the company will have one of the best opportunities of the entire season. Not only does the burden of the amusing situations fall on their shoulders, but the play requires handsome gowns and beautiful stage effects.

Miss Brandt will play the part of Marion Stanton, created by Miss George, while Mr. Meharry is cast as the fickle husband.

ENGLISH CLERGYMAN IS THE
VICTIM OF A CRUEL HOAX

(Times Special Correspondence)
London, Jan. 6.—A stupid and mischievous hoax was recently practised on a Working clergyman, Rev. F. P. Fallows, rector of Helme.

On December 9, he received an anonymous communication telling him that his son in Toronto was very seriously ill and should be brought home at once to save his life. Overcome with grief by such alarming news he left Liverpool next day, arriving at Halifax on December 20 and Toronto on the next day. He had previously enticed that all care should be taken of his son until he arrived.

There was profound mutual astonishment at the meeting of father and son, the father to find his son quite well, and the son to learn that his father had been induced to undertake on his behalf such a long and completely unnecessary journey.

FOR CHRONIC COUGHS

Milton, Pa. Woman Has Found a Remedy

Mrs. Howard Wagner, of Milton, Pa., says: "I had a bad cold for months, and would cough every night until midnight. I consulted a doctor and took two kinds of medicine but got no relief. Vinol was recommended and after taking it a week I could sleep all night without coughing once. I continued its use and now have a fine appetite, never felt better and my cough is entirely gone."

It is a well known fact that when a person is run-down, stomach out of order, or the system overladen with waste matter, vital resistance is lowered and colds and coughs are easily contracted. The safest and surest method I know to overcome this condition is by taking my delicious cod liver and iron tonic, Vinol. In the most natural manner Vinol tones up the digestive organs, promotes a hearty appetite, enriches the blood, and as a specific for chronic coughs, colds and bronchial troubles Vinol is unequalled.

Try a bottle of Vinol on my offer to return your money if it fails to help you. Chas. Wasson's five drug stores.

NERVOUS DYSPEPSIA, GAS OR INDIGESTION

"Pape's Diapiesin" Settles Sour, Upset Stomachs in Five Minutes

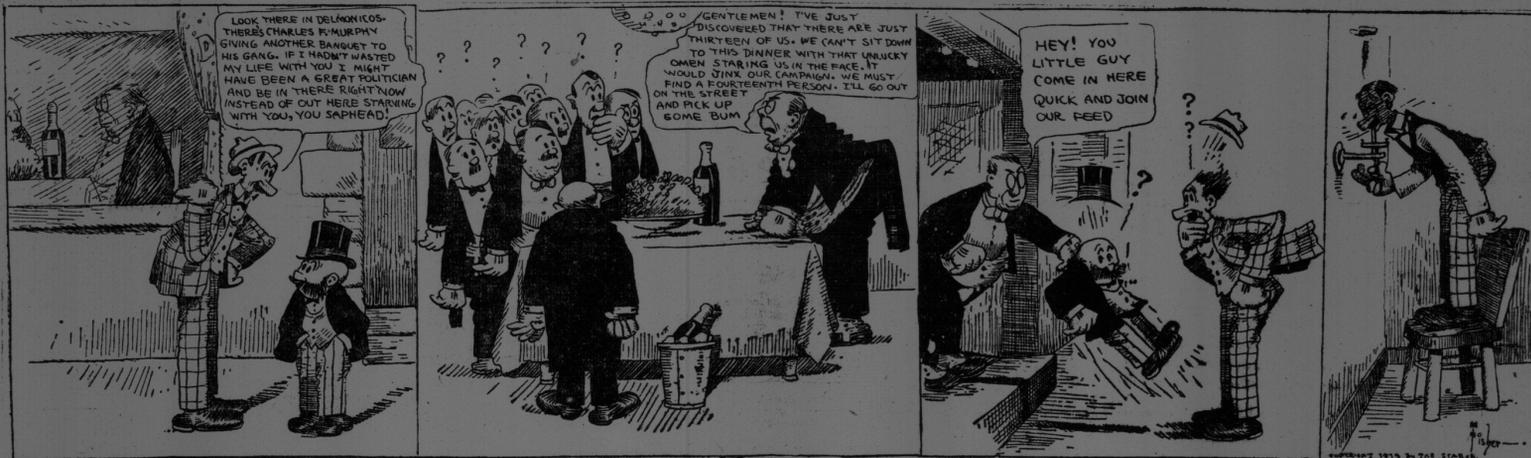

Time it! Pape's Diapiesin will digest anything you eat and overcome a sour, gassy or out-of-order stomach surely within five minutes.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapiesin and take it down just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heaviness, or any of the other symptoms of indigestion. This will all go, and besides there will be no sour food left over in the stomach to poison your breath with nauseous odors.

DOMINIONS ROYAL COMMISSION TO SIT IN CANADA IN AUGUST (Times Special Correspondence.) London, Jan. 6.—The sittings of the Dominion Royal Commission will probably be terminated in February when the commission will leave for South Africa. In August they will be in Canada and will spend three months in the Dominion. If the Grand Trunk Pacific line is finished, as is expected, they will use the return journey from the coast over its rails. This probability and the act that the Canadian Northern Railway is now completed between Toronto and Winnipeg, are events which make people on this side marvel at the ever-advancing progress of Canada.

A steel bridge was recently removed and another put in its place near Victoria, N. Y., in less than five minutes, without any delay in traffic. The bridge was made with steel trusses and stone, and was complete so that when it was placed it was ready for use. It required one minute and three quarters to move out the old bridge and three minutes to roll in the new one.

Ottawas Trim Wanderers. With a weakened team, the Wanderers went down to defeat before the Ottawa team, in Montreal Saturday, 7 to 1.

Joe Hall Fined. A fine of \$15 and a thirty-minute penalty are all the punishments to be given Joe Hall for his assault on "Newsy" Lalonde at the Montreal Arena last week.

Lalonde Out for Two Weeks. Montreal Herald—"Newsy" Lalonde will be out of hockey for two weeks at least, and perhaps longer, as a result of the injuries he received by being checked by Joe Hall in Wednesday night's Canadiens-Quebec game at the Arena.

TURF Horse Notes. W. T. Anderson has fourteen horses in winter quarters at the Gravesend track.

Provincial Horse at Montreal. Jas. K. Newbro, a horse owned by Thomas Raymond, of Fredericton, took part in the winter harness meet of the Montreal Driving Club, starting in the 2:12 pacing class. He got ninth place and was drawn.

RING Doping It Opt. Says a Montreal paper—Batting Levensky was whipped enough white hopes to make him look like the second best bet for the United States title.

Knock-out Proved Fatal. Phil Shindler, known as Sailor Sharkey, of Santa Rosa, Cal., died last night. He was knocked out by Charles Kirby, a Canadian lightweight, Saturday night. Kirby is in jail.

"Gunboat" Smith Divorced. San Francisco, Jan. 17.—A final decree of divorce against "Gunboat" Smith was entered today in the superior court. The interlocutory decree was granted Eleanor C. Smith just a year ago.

Coffey Stops Lever. New York, Jan. 17.—Jim Coffey, the Dublin giant, stopped Jack Lever, of Seattle, in the fifth round of what was to have been a ten-round bout here last night. Coffey weighed 198 pounds, and Lever 177.

BASEBALL Baseball Stars Expelled. New York, Jan. 18.—David L. Fultz, president of the Baseball Fraternity, announces that Frank Baker and Eddie Collins of the Athletics have been expelled from the fraternity because of non-payment of dues. The same action was taken in the case of George Baumgartner of the St. Louis Americans.

Major Rating for International. New York, Jan. 18.—It is reported that organized baseball has planned to turn the International League into a major circuit. President Edward G. Barrow, of the International League said that there was something going on under the surface but he refused to deny or affirm the statement that the Jersey City Club would be shifted to Washington.

Had Indigestion. Almost Despaired of Ever Getting Well. When your food has not been properly digested, your body has not received the benefit it should. The exertions of the gastric juice have been confined entirely to removing the unassimilated, undigested portions of food, which they cannot properly digest as speedily as possible from the body, therefore only giving the blood a small percentage of nourishment with little to feed the tissues. No wonder then that indigestion and Dyspepsia attack the stomach. No medicine can surpass Burdock Blood Bitters as a cure for this particular disease. It regulates the bowels, promotes perfect digestion, makes pure blood, tones the stomach, and thus restores perfect health to the debilitated system.

Mrs. Mary MacKay, Hunter's Mountain, N.S., writes—"I was troubled with indigestion for more than ten years. I tried several Doctor's medicines claiming the power to cure, but all without success. Having heard of the many cures effected by Burdock Blood Bitters, I decided to give it a trial. After taking two bottles I was completely cured. My appetite which was very poor, is now good, and I can eat most everything without any disagreeable feelings. I can strongly recommend B.B.B. to anyone suffering from indigestion."

Coulton and Williams May Be Matched

(FROM T. S. ANDREWS)

Milwaukee, Jan. 17.—At last Johnny Coulton, American bantamweight champion, has announced his intention of taking on Kid Williams, a Baltimore pocket edition of Tom Sharkey, in a championship match. Tom McCarey of Los Angeles has made a bid for the match and he will likely get it, as that weight in a short space of time. Many fighters will take off six or eight pounds by going to a Turkish bath, and thus weaken themselves, just to make weight and save a forfeit. Many a fighter has lost a good match by that same method and a manager who will permit a fighter to do it should get wise to training methods before trying to handle a fighter.

While Billy was voyaging his troubles another youth from that section—Kid Parrier of Fond du Lac—was bragging about the way he trained on mushrooms. For his fight and succeeded in holding Kid White of Oshkosh to a draw. If Parrier had lost the chances are that he would have blamed it on the mushrooms.

plan, it would be necessary to eliminate three of the cities now in the Barrow circuit, but the only one that could be induced to sell its franchise is Jersey City. Organized baseball favors a new club in Washington to prevent invasion by the Federals, and if Jersey City can be purchased, Washington will be admitted to the International circuit. It is also said that the Montreal franchise will be moved somewhere else.

Baltimore, Md., Jan. 18.—An afternoon paper here said it learned "through an absolutely authoritative source" that the International League is to be turned into a major league by removing the draft and transferring the Jersey City franchise to Washington. The paper says that a meeting will be called in New York in the near future to discuss "this latest plan to combat the invasion of the Federal League."

President Dunn of the Baltimore International League club, would not discuss the proposition.

Inspectors Authorized to Examine Books to Learn One's Business. Washington, Jan. 19.—Treasury officials have begun the task of picking out internal revenue agents and inspectors to collect the income tax. There are more than 10,000 applications on file for the 400 jobs. The commissioner of internal revenue makes the appointments, with the approval of Secretary McAdoo.

In anticipation of the appointment of these collectors, the treasury has issued instructions to govern them. They indicate plainly that any one who takes the tax as a joke is likely to find his mistake. The instructions read in part as follows: "The duties of officers of this class are to ascertain and report the names of persons who in their opinion are liable to the income tax, and who have failed to make return as required by law; to inquire into income tax returns where there is any suspicion that the returns made are erroneous; to examine the books and accounts of persons who have made returns, for the purpose of ascertaining and reporting whether the law has been complied with, when so ordered by the agent in charge of the division to which they are assigned; to inquire into the manner in which income tax employees are discharging their official duties and to report those who have failed in this respect."

"For the purpose of securing such information as they may desire, they may visit the office of any state, county or municipal officer, and for the general purpose of their employment may confer with any collector or deputy collector of internal revenue within the territory in which they are authorized to operate."

HELL IS REAL PLACE, SAYS HOLY JUMPERS' EDITOR, AND TANGO DANGERS MAY GO THERE. New York, Jan. 18.—Mrs. Alma White, editor of Hell, the official organ of the Pentecostal Union, also known as the Holy Jumpers, accompanied by Mrs. G. W. Garretton, wife of the manager of Zanzibar, the communal colony at Bound Creek, N. J., was one of the voyagers on the Lusitania. Mrs. White is also the editor of a hypothetical excuse for things too shameful to discuss. Those who dance it may expect the fullest fury of hell fire and brimstone.

"Since many of our ministers have publicly proclaimed their belief that hell exists only in the conscience, Christianity has received a fearful setback. The only way to win those back to the fold who have sidestepped is to preach of hell and damnation to them. Hell, which is a very real place, is located in the centre of the earth, so that the spirits of the wicked may be easily dropped into it when they are buried."

Through an advertisement for boarders which fell into the hands of Western lawyers, Mrs. Beatrice Gordon of Burlington, N. J., was found to be a long sought for heir to \$60,000.

Was Confined To His Bed For Four Months With Rheumatism. Mr. W. H. Riley, Ruddell, Ga., writes—"It is with the greatest pleasure that I can recommend Doan's Kidney Pills to all suffering with rheumatism. I was so bad with this terrible disease, I was unable to get up from my bed for four months, and nothing seemed to relieve me until a friend recommended Doan's Pills. I had my doubts about them, but was so desperate I would try anything suggested to me. After taking just a box I was able to get up, and after taking two boxes could get around quite well. After taking six boxes I was completely cured, and able to work for the first time in five months and have not had a touch of rheumatism since. Anyone who saw me then would not know me now, as I am strong and active since taking your valuable medicine."

ST. PETER'S WEDDING
St. Peter's church, North End, was the scene of a pretty nuptial event at 5:30 o'clock this morning when Miss Helen Frances, daughter of Mrs. Mary Shea, of Simonds street, became the bride of B. Rosemond Violette, of St. Leonard's, Madawaska. Rev. J. H. Borgmann, C. S. R., officiated in the presence of quite a number of friends and relatives. The bride's brother, Cornelius Shea, gave her in marriage while another brother, J. Vincent, was groomsmen. Miss Catherine R. Shea, a sister, was bridesmaid.

The bride was prettily attired in a traveling suit of Copenhagen blue, wearing a black velvet hat trimmed with ermine and Paradise osprey, and a set of black fox furs. Her sister, Miss Catherine Shea, as bridesmaid, was dressed in a dainty suit of cream with cord with a black velvet hat trimmed with American beauty roses.

Following the marriage breakfast was served at the home of the bride, 69 Simonds street, and later Mr. and Mrs. Violette left on a honeymoon trip, spending today in Fredericton, and leaving this evening for Montreal. Both have many friends through the province who will wish them happiness, and by whom they were well remembered with a substantial array of wedding souvenirs. They will make their home in St. Leonard's, Madawaska county, where the groom is a member of the firm of Martin & Violette, general merchants and lumber dealers.

The United States and Switzerland are in agreement over a peace treaty. This makes the ninth for Secretary Bryan.

ASSURANCES THAT FORT HOWE PROJECT WILL BE FURTHERED

Rev. Dr. Raymond Brings Home This News From Ottawa

During his recent visit in Ottawa, Rev. W. O. Raymond interviewed all members of the government concerned in the movement to convert Fort Howe into a national park. Colonel Sam Hughes, minister of militia and defence, gave his assurance that the property which is now owned by the department would be beautified in aid of the project. Hon. J. D. Hazen was also interviewed with the object of obtaining a grant for the playgrounds and assistance and material help on the part of the government was assured.

While in Ottawa Dr. Raymond also attended a meeting of the manuscript committee of the archives of Canada. Several important matters were discussed and the report for the year showed a considerable amount spent for additional manuscripts and the collection is now up-to-date in every way. The archives of Canada forms a bureau of information with very valuable publications and manuscripts and is not equalled by any other country in the world, as all historical records have been preserved since the country was first inhabited by the white man.

GREAT MASS OF RED HEAD BANK SINKS

Strange Occurrence at Courtenay Bay Early on Saturday

Something in the nature of a landslide, but with many peculiar features which make it perhaps the most peculiar occurrence of the kind about the city in recent years, occurred at Red Head Bank on Saturday morning, when part of the Red Head Bank, containing, it is estimated, about a million and a half cubic feet of earth and weighing approximately 75,000 tons, broke away from the main body and sank.

Just how the thing happened cannot be explained, as there were no eye witnesses, but several of the residents saw the result of the affair on Saturday morning. Red Head Bank is a high bluff of sandy loam which rises almost at right angles out of the sand of the shore of the bay, about seventy-five feet in height and running along the shore for about half a mile.

A portion of this bank about 400 feet long and fifty feet wide, split away from the rest on Saturday morning and, instead of falling over or sliding out on to the beach, the great mass of earth sank straight down. From this it is supposed that the undermost part was either undermined or was something like a quicksand.

But this is perhaps not the most peculiar part of the incident. In the sinking of this block of land, the highwater portion of the beach which is only a few feet from the water was left undisturbed, but the beach on the other side of the highwater line, was forced up nearly thirty feet.

Those who live on Red Head Bank say that there was no noise during the night that would indicate that anything had happened nor was there any shaking of the earth. The first intimation that anything was wrong was what the eye encountered in the morning.

The occurrence has attracted considerable attention and several persons visited the scene yesterday. A local civil engineer said this morning that it was most unusual and he could give no explanation of it.

TRINITY CHIMES ARE TO RING OUT NEW TUNES WHEN READY

In Trinity church last evening, the rector, Rev. R. A. Armstrong in a stirring address made an earnest appeal to the congregation for sufficient funds for carrying on the work of having the machinery readjusted for the ringing of the chimes, as well as for the work which has already been done in repairing and regulating the clock. The sum asked for last night was \$18,000. Several new tunes will be added to those formerly used.

NO ARRESTS SINCE FRIDAY

Favorable Comment in Police Court and Hope it Means Less Sorrow in Homes

When the police court opened this morning it was reported that no arrests had been made since Friday, and the two sheets for Saturday and Sunday marked nil, called forth favorable comments from Magistrate Ritchie. He said: "Nil on the police books for two consecutive days means a great deal more than that there were simply no arrests made by the police. Let us hope that it means less drunkenness and consequent sorrow in the homes of our city."

Harry Kyle, arrested on last Friday on charge of being drunk in Brussels street and for profanity, was allowed to go when a friend paid his fine. But he was given a severe lecture by the magistrate, who said that swearing was getting to be too common when the father of a family used such language. He knew of an instance of a boy, heard swearing, being asked where he had ever heard such language and he replied that he had often heard his father use the words.

Oak Hall was founded January 19th, 1889 as a Men's and Boys' Clothing Store, and to such an extent did success smile on its policy of selling only the most reliable clothing made at fair prices and cheerfully refunding money when anything sold was unsatisfactory that it grew into the occupancy of this property which was formerly divided among many small stores. In commemoration of this event we have been holding one of the greatest Sales ever held in Saint John and we will continue this feast of bargains all this week.
