The images appearing here are the best quality  
possible considering the condition and legibility  
of the original copy and in keeping with the  
filming contract specifications.

Original copies in printed paper covers are filmed  
beginning with the front cover and ending on  
the last page with a printed or illustrated impression,  
or the back cover when appropriate. All  
other original copies are filmed beginning on the  
first page with a printed or illustrated impres-  
sion, and ending on the last page with a printed

The last recorded frame on each microfiche  
shall contain the symbol → (meaning "CON-  
TINUED"), or the symbol ▽ (meaning "END"),  
whichever applies.

Maps, plates, charts, etc., may be filmed at  
different reduction ratios. Those too large to be  
entirely included in one exposure are filmed  
beginning in the upper left hand corner, left to  
right and top to bottom, as many frames as  
required. The following diagrams illustrate the

originaux sont filmés en commençant par la  
première page qui comporte une empreinte  
d'impression ou d'illustration et en terminant par  
la dernière page qui comporte une telle  
empreinte.

Un des symboles suivants apparaîtra sur la  
dernière image de chaque microfiche, selon le  
cas: le symbole → signifie "A SUIVRE", le  
symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être  
filmés à des taux de réduction différents.  
Lorsque le document est trop grand pour être  
reproduit en un seul cliché, il est filmé à partir

REPORT OF THE GENERAL COMMITTEE ON THE  
ENDOWMENT OF QUEEN'S COLLEGE.

*To the Reverend the Synod of the Presbyterian Church of Canada in connection with the Church of Scotland.*

Owing to sundry interruptions the new work of the past year was less than that of any year since the commencement of the Scheme. The following charges were visited in the course of the summer:—King, East Nottawasaga and Purple Hill, North Easthope, Kippen, Paisley, Williams, Caledon and Mono, Orangeville, North Dorchester, Woolwich, Balsover and Eldon. In all of these the reception accorded to the deputation was most cordial and an active interest in the furtherance of the enterprise was manifested. The Ministers cheerfully rendered most valuable assistance. Subscriptions were obtained to the amount of \$2755 77.

So advanced a stage in the prosecution of the Scheme has now been reached that your Committee in reviewing, on this occasion, the whole of the work done, feel themselves called upon to enter into particulars more fully than seemed to be proper in any previous report.

The Special meeting of Synod at which the Scheme was devised, was held in the Church in which the Synod is now met, on the 6th and 7th days of January, 1869, having been convened to consider the position of the College, especially as affected by the action of the Legislature of Ontario in discontinuing the annual grant of \$5000 which the College had been receiving in aid of its Arts Department. It having been resolved that "it is of the greatest importance to the interests of the Church and higher education generally that this institution be efficiently maintained," it was proposed "to accomplish the endowment of it to the extent of *at least* \$100,000," and it was understood that three years from the first of April following should suffice to determine the success of this proposal, in the event of its not being soon proved to be a failure. Some members of Synod were desirous that a larger amount should be named. All were anxious that more should be got if possible. There were few so sanguine as to expect that the minimum specified would be obtained. Some statements respecting subscriptions and payments will set forth the results of efforts to give effect to the Synod's views.

In the follow-

Although the minimum endowment aimed at has not yet been obtained, the amount of the legislative grant discontinued in December, 1868, has been more than provided for by new revenue to the amount of \$5,776, derived from funds collected. This has been accomplished without disarranging or obstructing any of the business in which the Synod is interested. On the contrary, it is believed that the accomplishment of it has had some effect in stimulating the ordinary and general work of the Church.

It must not be imagined, however, that the time has come when the friends of the College can afford to be inactive or unconcerned. The finances cannot be considered as being in a secure and healthy state until the endowment is so augmented as that the revenue from it will meet the whole decrease of income reported last year, namely:—\$5,000 from the stoppage of the Government grant; \$1,280 from the suspension of the Commercial Bank; \$250 from the discontinuance of rent for buildings formerly used by the Royal College of Physicians and Surgeons, and \$500 on account of the exemption of students from class fees under the system of endowment nominations—in all \$7,030. And then the amount reported last year as having been advanced to meet deficiencies in revenue from April, 1869, to April, 1871, namely, \$7,807 90, has to be made up.

Estimating the unpaid subscriptions at \$12,000, this will give an additional annual return of \$720. It is earnestly hoped that the local Treasurers, who have been rendering excellent service to the scheme, will succeed before long in completing the work in their hands, and it is expected that a few thousand dollars in subscriptions will be obtained in charges not yet visited.

Supposing by these means an adequate, but barely adequate, income to be secured there will still be open, to all who desire to see the Institution increasing in strength and efficiency of equipment, abundant opportunities for the exercise of a liberality similar to that which, in these days, is extended to so many Colleges both in the old world and the new.

Meanwhile, as regards this scheme, inaugurated with much anxiety and doubt a little more than three years ago, the first and principal object of it has, with the blessing of God upon hearty co-operation and zealous efforts, been satisfactorily attained. This is one of the best of reasons for continued energy, perseverance and hope.

All which is respectfully submitted.

W. SNODGRASS,

*Convenor.*
