FIVE CENTS COPY

## The Frock May be Straight or Flared!

The long unbroken line is always smart, but there is also great charm in the skirt that is gracefully flared by pleats or godets. Many silken frocks are enhanced by lace trimming, and the jabot front is also good. The values and qualities are so exceptional that we're certain that every woman who reads this announcement will respond.

NEWCASTLE, N. B.

## OBITUARY

### JOHN BURNS

The death of John Burns, of Red Bank, occurred at his home Saturday March 28th, after a lingering illness of cancer. Besides his wife, formerly Miss Elizabeth Murphy, of Newcastle, he is survived by six children, William and Charles, of Ontario, Clarence and Walter, of Sunny Corner, and Daniel, attending college in Ontario, and Alice, who was with her father at his death, but training for nurse in Bahgor. Five brothers also survive, Arthur, of Cassilis; Clifford, of Red Bank; James, of Washington; Charles, of Wisconsin, and Daniel of Menominee, Michigan. The sisters are Mrs. Elizabeth Osewa Sevoige, and Mrs. John Gillis, of Red Bank. Deceased was sixty-six years of age. The funeral took place Monday morning and was conducted by Rev. Father Ryan. The pall bearers were William Sullivan, Burton Osewa William Nowlan, James McDonald, J. Murphy.

### MISS ELIZABETH PARKER

The death of Miss Elizabeth Parker took place at her home here on Thursday, April 2nd. Miss Parker was a daughter of the late William Parker, Esq., who lived in Derby and Newcastle and whose memory is well known all over the Miramichi River. The deceased lady had been for a long period a sufferer from an organic trouble and finally succumbed to heart failure. Her social qualities and charitable activities were featured in the life of Newcastle and her removal will mark a blank, not easy to fill amongst a circle of loving friends in Miramichi as well as in New York, in which city she had many congenial associates.

The late Miss Parker leaves to mourn, one sister Miss Ella Parker and one brother, Mr. Hedley V. Parker, Marine Editor of the New York Herald.

The funeral was held Saturday afternoon April 4th at 3 o'clock from the family home, services being held at 2:30 o'clock, with Rev. A. W. Brown and Rev. L. H. MacLean officiating. The pall-bearers were: Messrs. F. M. Tweedie, Chatham; John Betts, Millerton; Dr. Wilson, Derby; E. H. Stclair, O.

Nicholson and Jas. W. Davidson of Newcastle. Interment in St. James Cemetery. A. J. Bell & Co., undertakers.

The floral tributes were many and beautiful, testifying to the high esteem in which the deceased lady was held.

The "Advocate" tenders its most sincere sympathy to the bereaved family and friends.

### MRS. E. LEE STREET

Many friends in Newcastle were sorry to learn of the death of Mrs. E. Lee Street, which occurred in St. Andrews Saturday after a lengthy illness. Although she had been an invalid for six years, Mrs. Street retained her keen interest in the community in which she lived and in the activities of All Saints' church and of the senior branch of the W. A., of which she was a devoted member. She was the eldest daughter of the late Henry Whitlock, for many years collector of customs at St. Andrews, and married E. Lee Street, a son of the late Rev. E. Lee Street, at one time rector of Woodstock.

Her married life was spent in Newcastle, where Mr. Street was a well known druggist. Both Mr. and Mrs. Street were prominent in social and church activities. After the death of her husband she and her only daughter returned to make their home in St. Andrews. The daughter, Miss A. Street, died several years ago. Mrs. Street had been living with her sister, Miss F. Whitlock, at the old homestead and she passed away on Saturday.

The funeral of the late Mrs. Street will be held from All Saints' Church St. Andrews, N. B. on Tuesday after noon at 2 o'clock.

### JOSEPH B. WILLISTON

The death of Joseph B. Williston of Bay du Vin, occurred on March 30, after a long illness. He was 87 years old and is survived by six sons, Fred, Wathen, and Clay; of Bay du Vin, Heber and Windsor, of Newark, N. J., and Wright, of Boston; and one daughter, Mrs. Althea Gregory, of Hardwicke. He left two brothers, Thomas B. and Ambrose; and a sister, Miss Mary, and a foster brother, Seymour, all being at Bay du Vin; and a sister, Mrs. T. Loggie of Boston. His widow also survives.

## NEW INDUSTRY FOR NEWCASTLE

We understand that application has been made to the Town Council by the Bore Motor Fuel Co. Ltd., of Moncton, for permission to install overground a gaso-line tank of about 15000 gallons capacity on C. N. R. property in Newcastle. The site is situated on the east side of the night railway line, about 300 yards south of the Freight shed towards Hogan's Lane. This company are distributors of National gasoline and have branches in Moncton, Amherst and New Glasgow.

## LIST OF MEMBERS RED CROSS SOC.

The following is a list of the Red Cross members whose names have been forwarded to Saint John, having paid the fee of one dollar for 1924-25:—  
Mrs. C. D. Manny, Miss Belle Robinson, Mrs. H. Atkinson, Miss D. Atkinson, Mrs. W. F. Copp, Mrs. C. C. Hubbard; Mrs. Morrell, Mrs. A. E. Petrie, Mrs. W. A. Hickson, Mrs. W. A. Park, Mrs. James Stables, Mrs. G. P. Burchill, Mrs. Randolph Crocker, Mrs. S. Amos, Miss Manny and Mrs. Charles Sargeant Sr.  
(This list does not include all Life members.)

Our funds do not admit of any more general relief work, but thanks to donations from Mrs. Park and others, we have been able to continue work so far—in some extreme cases.

(Signed)  
Acting Sec'y. Treas.

## Big Maple Output Expected in N. S.

A record output of maple sugar, candy, cream and syrup is expected in Cumberland county, N. S., this year. The warm days and frosty nights have resulted in a remarkable flow of sap. There has, however, been a dearth of snow in the woods, and as a result the old fashioned maple taffy, cooled in the snow is not so much in evidence.

## ANNUAL MEETING TENNIS CLUB

The Annual Meeting of the Newcastle Tennis Club held in the Town Hall on Thursday Evening, April 2nd was well attended and indications point to another successful year.

The officers elected for 1925 are: Hon. Pres.—R. C. Clark  
President—G. P. Burchill  
1st Vice Pres.—R. W. Crocker  
2nd Vice Pres.—Mrs. Chas. Sargeant;

Secty.—Treas.—W. H. Davidson.  
The following committees were appointed:—

Executive—P. R. Giberson (2 yrs.)  
S. V. Sisson (2 yrs.)  
Willis Nicholson (2 yrs.)  
Dr. J. A. M. Bell (1 yr.)  
J. A. Creaghan (1 yr.)  
Thomas Clark (1 yr.)

ENTERTAINMENT—Two years—  
Mesdames R. W. Crocker, Chas. Sargeant, A. Forsythe, J. A. Creaghan.

One year:—D. R. Brown, G. P. Burchill, Lottie McWilliam, Miss Annie Bell.

BYELAW—W. H. Teed, Miss L. McCormack, Miss A. E. McCurdy.

MEMBERSHIP—Jas. Sargeant, Jas. Shannahan, B. J. Jardine, Miss Mona Lindon, Miss Lottie McWilliam, Master John Morrissy (Junior Club).

TOURNAMENT:—R. W. Crocker, J. A. Creaghan, W. H. Davidson, Thomas Clark, Miss Annie Bell, Miss J. Jardine.

AUDITORS:—W. H. Teed and Miss L. McCormack were reappointed.

The financial report showing a deficit of \$462.76 was submitted and discussed. After considerable discussion it was decided to make the fees the same as last year, namely: Gentlemen \$5.00, Ladies \$3.00 and Juniors \$1.00. Instead of raising the dues or making an assessment it was decided to call upon the members for voluntary subscriptions to meet the outstanding indebtedness.

Monday evening of each week was adopted as the general meeting night for the Club during the playing season.

The Tournament Committee was authorized to draw up a schedule of play within the Club for the season and submit it to the next meeting.

On motion a vote of thanks was tendered to Mr. Campbell Clark for his generous donation of a flag pole and pennant to the Club.

After further discussion of general business the meeting adjourned.

## CASTORIA For Infants and Children In Use For Over 30 Years

Always bears the Signature of *Dr. J. C. Fisher*

## NEWCASTLE HIGH SCHOOL EASTER PASS LIST

First Division 80% to 100%  
Second Division 70% to 80%  
Third Division 60% to 70%  
Third Division Cond. 50% to 60%  
Failed, less than 50%. All names in order of merit.

Grade XI.—Div. 1.—Edith Gulliver, Margaret S'ables, He'len Tozer.  
Div. 2.—Lillian Crammond, Bertha Copp, Richie Anderson, Elsie Anderson, Margaret McKay, Fred Butler.  
Div. 3.—Catherine Falconer, Beulah Beers, Hannah Miller, Cora We'don; Ralph Croft, Waldo MacCormack, Viola Dutcher. Div. 3 cond.—5, failed 1

Grade X. Div. 1.—Byrdie Croft, Elizabeth Stothart, Vivian Tozer, Leota Burgess. Div. 2.—Arthur Brown, Hilda Somers, Kenneth Brown, Nina White. Div. 3.—John Morrissey, William Hierlby; Isabel Ferguson. Div. 3 cond.—1; failed 1  
Grade IX.—Div. 1.—Louise Allison, Iva Mullin, Mary Crocker, Herman Murphy, Byron Petrie. Div. 2.—(Huntley Ferguson, Helen Jarvis), Everett Russell, Muriel Russell, Mary Bell, Reta Amos, Clare Corbett, Hazel Russell, Theresa Sherard, Florence Hierlby. Div. 3.—Victor Cummings, Jean Weldon, Hazel Maltby; Lillian Copp, James Bowling, Maudie Quartermain, Katherine Stables. Div. 3. cond 4; failed 4.

## SUDDEN DEATH OF REXTON MAN AT CHATHAM, N. B.

The death of Mr. Grear Jardine, a well known citizen of Chatham, occurred Apr. 2nd under tragic circumstances. Death was due to hemorrhage of the brain. Mr. Jardine being suddenly taken ill while driving from the Snowball Depot Camp to Chatham on the Miramichi Road. The two men who were with Jardine hurried on to Chatham but the man had died before they reached town. Dr. Delancy was summoned but nothing could be done.

The deceased is survived by his wife, one son and one daughter. His parents, Mr. and Mrs. George Jardine, also survive, as well as one brother and three sisters. An inquest was held Friday morning. The proceedings were conducted by Sheriff Skidd and Dr. M. Delancy in the absence of Coroner Dr. B. A. Marven. Death was pronounced due to natural causes. The remains were taken to Rexton where interment will be made.

The Only Easter Monday Attraction—Firemen's Dance in Town Hall.

## HONOR ROLL ST. MARY'S ACADEMY

For the month of March

HIGH SCHOOL DEPARTMENT  
Hermance LeBlanc, Alma Paulin, Marie Brennan, Elizabeth Brennan, Dorothy Kirwan, Mary Fletcher, Susie Kingston.

Helen Floyd, Frances Ryan, Antoinette Robichaud, Leona Michaud, Eileen O'Brien, Margaret Gardine, Helen Conners, Susie Bolan, Louise Coughan, Frances Hartery, Nellie Sheagreen, Katherine Doyle, Kathleen Morrissy, Martia Witzell, Florence Fitzpatrick, Josephine Sullivan

The High School pupils making 75 per cent in examinations during the past month are:

GRADE XI.  
Hermance LeBlanc 92.3, Alma Paulin 88.6, Marie Brennan 88.2, Elizabeth Brennan 84.6, Dorothy Kirwan 84.2, Susie Kingston 78.4, Bessie Thibodeau 75.9, Gladys Donovan 75, Aline LeBlanc 75, Mary Fletcher 75,  
Grade X—Helen Floyd 90.8, Leona Michaud 86.8, Frances Ryan 86.7; Susie Dolan 84.5, Eileen O'Brien 83; Helen Conners 82.2, Margaret Gardiner 82.2,  
Grade IX—Frances Hartery 92.3, Nellie Sheagreen 81.4, Katherine Doyle 80.8, Edith s. William 79.4; Martia Witzell 76.8; Florence Fitzgerald 76.2, Josephine Sullivan 75.1.

COMMERCIAL CLASS  
Mary Finley, Frances Sullivan, Elma Whitney, Grace Esson; Gladys Hogan, Mona Woods.  
Pupils of this department making 75 per cent are:—Mary Finley 95.8; Frances Sullivan 88.3, Elma Whitney 87, Grace Esson 86, Gladys Hogan 76.8.

SUB-SENIOR DEPARTMENT  
Margaret Hanson, Genevieve Fitzgerald, Catherine Dawson, Delphine Murphy, Helen McWilliam; Marie Doran, Cecilia Salome, Margaret Ryan, Janetta Butler, Eileen Dunn, Annie Whalen.

Frances Kirwan, Dorothy Dalton; Eileen Morrissy, Mary Craig, Frances Tobin, Bernetta Hartery, Margaret McCafferty.  
Pupils of this department making 75 per cent in examinations during the month are:—

Grade VIII—Margaret Hansen 92.1, Genevieve Fitzgerald 88.6, Catherine Dawson 85.6, Delphine Murphy 83.3; Helen McWilliam 83.3; Marie Doran 83.2; Cecilia Salome 78.7.  
Grade VII—Frances Kirwan 86.7; Dorothy Dalton 86.6; Eileen Morrissy 83.4; Mary Craig 77.5, Frances Tobin 75.9.

INTERMEDIATE DEPARTMENT  
Grade VI—Bessie Witzell, Annie Fenelon, Yvonne Brown, Mary Matatall, Helen Daughney, He'len Tobin; Veronica Daley, Margaret Black.  
Grade V.—Alma Woods, Gladys O'Neil, Mona Dalton, Elizabeth Fitzgerald, Mary Ronan, Moira Desmond; Frances Keating, Annie Ryan; Cecilia Richards, Violette Floyd, Nan Carter, Josephine Gallant, Margaret McManan, He'ena Fenelon, Aghes Gahan, Elizabeth Dunn, Kathleen Hall, Julia Campbell.

JUNIOR DEPARTMENT  
Stella Witzell, Blanch Arsenault; Kathleen Mann, Mildred Kona'n, Amanda Asoyuf, Anna Babineau, Josephine Paulin, Olga Asoyuf, Edith Black, Bertha Craig, Annie Manderson, Eulalie Babineau.  
Grade III—Edith Keating, Mary Sweeney, Doris Hansen, Emily Donayon, Helen McCullum, Clara Ryan, Stella McManan, Cecilia Dunn and Susie Bourque.

## Town Topics Tid-bits on the Tip of Everybodys Tongue

Vol. 3 No 32 NEWCASTLE, N. B. APR. 7 1925 FREE

### D. M. Doherty

Distributor for British Columbia when visiting the home office a few weeks ago, stated that Moirs Chocolates were prominently displayed in 90 p. c. of the leading stores. Quite a record for a Maritime product to make on the Pacific Coast!

A Cream-O-Milk Chocolate Bar at five cents represents about the most you can expect in earthly bliss at or near this price.

And speaking about delicious biscuits—just say Melba and get one of the favorites in Moirs List.

## Symptoms of Poisonings in Dogs, and Their Antidotes

L. L. TAYLOR

(In Rod and Gun in Canada for April)

At this time of the year the poisoner begins his nefarious practice of scattering poison. The following hints are intended to be of assistance where a veterinary surgeon's aid cannot be obtained. No time should be lost in securing his services if at all available.

**Arsenic** is a common form of poisoning due in the majority of cases to dogs eating vermin bait.

**Symptoms:** The animal is decidedly restless and anxious with convulsive action of the lips, increased salivation, vomiting, a dark colored diarrhoea and acute abdominal pain. Pulse is at first strong and bounding; later becoming very weak and irregular. Temperature is subnormal; and the extremities cold. Convulsions and great prostration occur; followed by collapse in from three to six hours.

**Antidote:** Give an emetic as follows: zinc sulphate grains XV; water three ounces; one or two teaspoonfuls every ten minutes until vomiting occurs. Follow with one or two ounce doses of sesquioxide of iron every twenty minutes. Finally give starch gruel; milk; white of egg or lime water.

**Phosphorus** is another poison used extensively in vermin bait.

**Symptoms:** About an hour after receiving the poison acute colicky pains are evident; together with profuse salivation; vomiting of dark green matter having a strong garlic-like odor; bloody diarrhoea followed by convulsions and coma. If the animal be placed in a dark room, the breath, vomitus and evacuations will have a luminous appearance. Death seldom occurs before the second day. A disease of the liver frequently results from this form of poisoning.

**Antidote:**—Give one or two teaspoonfuls of the following mixture every fifteen minutes: cupri sulph grains XV, water two ounces. Finally give starch, syrup, honey or one half teaspoonful doses of oil of turpentine (gallic) every half hour. No fats, oils, milk or eggs must be allowed.

**Strychnine** is one of the most common forms of poisoning and very often proves fatal despite every effort.

**Symptoms:** There is uneasiness, an anxious appearance, and panting, followed by acute muscular spasms at intervals which affect the whole body, stiffening the limbs and causing the animal to fall to the ground. The jaws are locked, the lips drawn back producing a characteristic sardonic grin, the spine is arched or curved, breathing very difficult, eyes prominent and the heart action tumultuous. After a convulsion the muscles relax, and there is an interval of quiescence until another paroxysm occurs. Death comes during one of the spasms, and is due to asphyxia.

**Antidote:** Give an emetic as in Arsenic. Follow with from two teaspoons to one tablespoonful of the

following mixture every two hours: Chloral hydrate one dram, potassium bromide four drams, syrup auranti two ounces, water six ounces. Keep as quiet as possible.

**Carbolic Acid.** Dogs often poisoned by licking wounds to which carbolic dressings have been applied.

**Symptoms:** When the acid has entered the mouth, white patches will appear wherever it has come in contact with the membranes; if absorbed generally, the animal will appear greatly distressed, and convulsions followed by paralysis of the hindquarters will occur, the pulse will be barely perceptible, temperature subnormal, and the urine very highly colored.

**Antidote:** Give alcohol, gin or whisky in one or two ounce doses. As a purge give sodium sulphate two drams, water four ounces. Follow with starch, oils, lime water.

**Poisoning from garbage.** Symptoms: All the symptoms arising from the eating of decomposed meat fish, etc., containing toxic bodies are far too varied and numerous to be mentioned here. Some of the more common ones however, are violent and bloody diarrhoea vomiting, intense thirst, high temperature acute abdominal pains, dizziness and stupefaction.

**Antidote:** Give an emetic followed by one-half to two grain doses of calomel every half hour until purgation commences. Hot applications to the abdomen may be applied. Finally give stimulants, wine, spirits of wine, brandy.

### A Grandmother Will Try To Swim Channel

Mrs. Craven is the Adventurous Woman.

Mrs. E. Craven who is 50 years of age and a grandmother, is the latest person to signify her intention of swimming the English Channel this summer. By profession Mrs. Craven is a nurse and her hobby is swimming. During the last two winters she has been bathing in Weymouth Bay nearly every day; swimming to the pier head and back; about 800 yards; and defying every sort of weather sometimes remaining in the icy water more than two hours. Mrs. Craven first of all will attempt to swim from Weymouth to Lulworth; a distance of about ten miles.

### Execution of Canadians In War

Sir Arthur Currie Makes interesting Statement

Shown a despatch from London in which Sir Laming Worthington-Evans was credited with stating in the Commons, reply to a question that 25 members of the Canadian Expeditionary forces were executed during the war for military offences five New Zealanders, and no Australians, Sir Arthur Currie made a statement saying: "It is most unfortunate that any such figures as those given in the cable should have been asked for, and it is hard to see what conceivable good any one can derive from the information conveyed. The answer given by the Secretary of War makes a most unfair comparison between Canadians and Australians."

The governments of the dominions never gave up their authority over their own troops, but so far as discipline was concerned, this authority was delegated more or less completely to the Commander-in-Chief of the British Armies in France. Australia delegated authority on this point less completely than did Canada. For one thing, no court martial on an Australian soldier could take place without one or more Australian officers being on the court. In the same way, it is generally known that no death sentences on Australian soldiers were ever to be approved.

"I do not wish to make any reflections on the conduct of the Australians, but the fact that none were executed while twenty-five Canadians were, proved nothing whatever."

If the facts of the case as reported by the Canadian Press are correct, I consider the British government has committed another stupid blunder and struck a dangerous blow at imperial friendship.

Beverage Peddler in Cairo

Beverage Peddler in the Cairo Bazaar photographed on Canadian Pacific S.S. Empress of France during her world tour which concludes May 2 and then goes on the "Round America" trip via San Francisco, Balboa, Colon, Havana to New York which is reached May 23. A number of Canadians will take this latter part of the trip.

Where else can you get such quality at Oldsmobile price?

### Sees Passage Of Branch Line Bill

"There is good reason to believe that the Senate will this year approve the bill which the Government proposes to introduce providing for construction of the Kingston-Vancouver branch line for the Canadian National Railway," said Hon. C. W. Robinson, member of the Senate.

Senator Robinson, who spoke vigorously in favor of the proposition in the Senate last year, said that public opinion throughout New Brunswick was now so strong in favor of the project that Senators from this province who opposed the proposition last year, would scarcely be expected to do so again at this

### OPPOSITION OF WESTMORLAND MEMBERS SOLID

Opposition to the resolution introduced by Attorney General Rand petitioning the Federal Government to amend the Criminal Code as to provide for a executions in the Maritime Provinces to be carried out at the Maritime penitentiary in Dorchester, was given by the members for Westmorland County and Moncton City and also occasioned the first division of the session. After Attorney General Rand had spoken in support of the resolution F. L. Estabrooks member for Westmorland denounced the resolution as iniquitous and pernicious. He declared that the people of Dorchester were strongly opposed to the proposal. They did not want their village to be the Golgotha of the future. If all the executions in the Maritime provinces were to be carried out at Dorchester it would become a place of repugnance. C. D. Richards leader of the Opposition supported the resolution and Hon. Fred Megee opposed it on the ground that the people of Dorchester were greatly aroused over the matter and very much againf it.

**Resolution Carries**  
Mr. Fawcett suggested that the resolution stand over and let the people of Dorchester be heard with regard to it. Upon division the resolution was carried by 30 to 14. Hon. Mr. Magee, Messrs. Estabrooks, Fawcett, McManus Kelly, Moncton City, voting against it.

A. C. Fawcett, leader of the farmers group, continued his budget, being greeted with applause from the Government benches as he arose. Mr. Fawcett in concluding his address made reference to the union that Hon. Dr. Baxter was to return to provincial politics and lead the Conservative Opposition. He did not think Dr. Baxter, from what he knew of him, was the democratic man that this country wanted today for leader. Hon. Dr. Foster followed, devoting the greater part of his speech to hydro and in justification of the Musquash development.

**Children Cry for Fletcher's CASTORIA**

MOTHER! Fletcher's Castoria is a harmless Substitute for Castor Oil, Purgative, Teething Drops and Soothing Syrups, prepared to relieve Infants in arms and Children all ages of

### Petrified Trees Still Standing In Nevada

That there is a petrified forest, one of the most beautiful in the country, within forty miles of Tonopah, Nev. is a fact not generally known. More than 100 petrified trees are still standing just as they grew originally. Little has been written about this forest on account of its inaccessibility.

The unique forest covers several hundred acres. The ground is strewn with the fossilized bones of animals and here and there are small caves. The entrance to the forest is through a small canyon which widens into a river bed which in design reminds one somewhat of the Grand Canyon.

William Gomm of Tonopah, with a party, recently visited the scene and brought back several sacks of bones and teeth of enormous size. He said the trunk of one of the petrified standing trees was fully fifty feet high and fifteen feet in circumference.

Gomm has written the Secretary of the Interior suggesting that the forest be made a national park.

### The Potato Probe To Cost About \$6000

The estimated cost of the investigation now being conducted under the Combines Investigation Act into an alleged combine in connection with the marketing of the New Brunswick potato crop is \$6,000 according to a statement made in the House of Commons by Hon. James Murdock, Minister of Labor in answer to questions asked by J. W. Kennedy, Progressive member for Stormont and Glengarry.

No one has been especially appointed to conduct the inquiry which is being carried out by the registrar of the Combines Investigation Act who is a permanent civil servant and who receives no additional remuneration on account of this inquiry. He is Harry Herford.

P. J. Hughes, K. C. of Fredericton has been instructed by the Department of Justice to act as counsel when desired. His remuneration is at the rate of \$50 a day for the time his services are utilized. A report will be made to the Minister in accordance with section 21 of the act at the conclusion of the inquiry.

### To Bring Settlers For This Province

F. E. Sharp, superintendent of immigration and secretary of the Farm Settlement Board for New Brunswick, is expected to return to the province this week from London, England, following a tour of Denmark in the interests of New Brunswick immigration from that country. Mr. Sharp is expected to be accompanied on his return by British immigrants who will settle in the province.

For the last ten days Mr. Sharp has been engaged at the Immigration Office, London, in interviewing prospective British emigrants. Arrangements are being concluded for some of these to accompany Mr. Sharp on his return.

### Hydro Plant May Cost \$6,000,000

The estimate of the cost of the hydro electric development which the New Brunswick government proposes to proceed with at Grand Falls was announced, the estimate being that of H. G. Acres, of Toronto, chief adviser of the New Brunswick Power Commission, and of the government. On hydraulic matters, who names \$6,000,000 as the cost of the initial development providing for sixty to eighty thousand horsepower. Mr. Acres has stated that it is expected the construction would take two years.

Premier Veniot when confronted with the figures and asked if they were correct, said the estimate covered construction of the dams and the necessary plant and other works, but did not include the transmission lines.

### Here and There

During 1924 the Canadian Co-operative Wool Growers' Association sold 2,600,000 pounds of wool, making a total of 25,343,504 pounds handled since its organization seven years ago. Wool was first exported in 1922.

Filings on oil land in South Alberta are drawing near the E.P. ranch, owned by the Prince of Wales. The ranch is said to lie on a Benton outcrop and portions of it may have been staked out by oil seekers before the spring is far advanced.

Caribou are coming back to New Brunswick, says the Chief Game Warden of that province. This is regarded as a testimony to the protective methods employed by the guides who are fully aware that the best means of protecting their livelihoods is to see that hunting of big game is not carried to excess.

"Relations between France and England were never more cordial than they are to-day," said Hon. W. C. Nichol, Lieut.-Governor of British Columbia, interviewed on his return to Canada from a visit to France. Referring to his own province His Honor said there was every indication of British Columbia being swamped with tourists this year.

Lauchlan McLachlan, of Toronto, after serving nearly fifty years on the employ of the Canadian Pacific Railway has been retired on pension at his own request. He was presented at leaving with an embossed address and gold watch and chain, which were handed to him by B. W. Scott, superintendent of Toronto Terminals, on behalf of his friends and associates.

The Prince of Wales, just before setting out for his tour of South Africa and South America, took a lightning trip to the Wembley Exhibition grounds. His Royal Highness was especially delighted with the children's section of the Park, Treasure Island, the main attraction of which is a Canadian Pacific model train in which the kiddies will "tour the Rockies."

The Canadian Pacific S.S. "Montroyal" docked at New York recently after her second and final West Indian cruise of the season with a veritable zoo on board, collected by passengers and to be taken inland as souvenirs. It included 500 parrots, and love birds, several monkeys, a weaver and a Mexican tiger. Some of these are destined for various cities in Canada.

Saskatchewan can boast of a family of six generations. Mrs. Odell, of Hanley, 93 years of age, has a great-great-granddaughter of six months. Her eldest daughter is 76. She has 33 grandchildren, 45 great-grandchildren, seven great-great-grandchildren and the little lady first referred to. Mrs. Odell still reads and sews without eye-glasses.

Immigrants who chanted and sang their happiness at arriving in Canada were witnessed recently at the Montreal Windsor Station when a batch of fifty canaries in six cages were housed there for a time waiting conveyance by train. They had already travelled over 3,000 miles from Liverpool and had a further prospect of another 4,500 until they reached their destination either at Vancouver or in some cases San Francisco.

### Here Is A Hint For The Authorities

Signs Should be Provided to Inform Travellers of Local Advantages.

Very soon now the tourist traffic for 1925 season will commence. We should make things as interesting and attractive as possible for our visitors and also for the many travelling Canadians who are going to explore our highways and byways, says the Natural Resources Intelligence Service of the Department of the Interior.

How often when motoring into a costly situated town or hamlet, we look around the various buildings for some indication of the name of the place. It is probably a very interesting spot to the passer-by and he might like to remember it particularly. No signs are in evidence anywhere except those advertising motor car tires and patent medicines, and the interest aroused is apt to die for want of stimulation. There are many ways in which we might welcome our tourist friends and make them aware of our hospitality. Place-signs, prominently posted at the approaches of the villages, with a few concrete facts about the nature of the locality and its commercial and industrial possibilities will add greatly to the interest and enjoyment of the tourist and perhaps very materially to our country's development eventually. The wayside market is useful to the tourist, here he can purchase direct from the farmer, dairy produce, fresh fruits and vegetables on the cash and carry system. What is better than a cool glass of buttermilk, too, on a hot thirsty drive! The lovely orchard by our roadsides could be converted into attractive, open-air tea rooms, where plain but tempting refreshments could be served at small cost and ample profit by the women and children in their spare moments.

Camping spots, where tents could be pitched for a night's sojourn might be provided, rustic tables and chairs with legs sunk in the ground, an open-air fireplace and a lean-to for a garage, make ample accommodation. The Edmonton Auto and Good Roads Association is making arrangements to place direction signs along the Edmonton-Coal Lake route in readiness for the season's tourist traffic. This road passes through a famous trout-fishing district which is visited yearly by large numbers of visitors from Chicago and the Eastern States. All towns along this route are being asked to assist in signing the main highway and the local organization is to do its share in view of the large amount of tourist traffic expected along the road during the 1925 season. There are many scenic spots, splendid lakes and fishing streams just off our beaten trails that could be admired by many a visitor if directed thither by a well placed sign. From coast to coast within our borders we possess unexcelled scenery and climate. Let us make the most of this, for ourselves and for our visitors. The Natural Resources Intelligence Service will gladly supply maps and special information regarding touring conditions in any part of Canada to those who may be interested.

**After Every Meal**

Pass it around after every meal. Give the family the benefit of its aid to digestion. Cleans teeth too. Keep it always in the house.

Costs little - helps much

arrangements to place direction signs along the Edmonton-Coal Lake route in readiness for the season's tourist traffic. This road passes through a famous trout-fishing district which is visited yearly by large numbers of visitors from Chicago and the Eastern States. All towns along this route are being asked to assist in signing the main highway and the local organization is to do its share in view of the large amount of tourist traffic expected along the road during the 1925 season. There are many scenic spots, splendid lakes and fishing streams just off our beaten trails that could be admired by many a visitor if directed thither by a well placed sign. From coast to coast within our borders we possess unexcelled scenery and climate. Let us make the most of this, for ourselves and for our visitors.

### "I Suffered Terribly With Sore, Aching Back"

Mrs. Roland Ferguson, 194 Lake St., Peterboro, Ont., writes:

"For over two years I suffered terribly with sore back. I was almost mad with the pain, and had doctored with it until I was discouraged. Then my father, who is a firm believer in Dr. Chase's Medicines, advised me to try Dr. Chase's Kidney-Liver Pills. I followed his advice, and am glad to say I was completely relieved of that torturing pain in my back. It is over a year since I used these pills, and I have had no return of the trouble, but always keep them in the house."

**CIVIC APATHY**

As has been the case every year since Newcastle was incorporated, the ratepayers appear to be altogether too indifferent as to the men who are to have the management of the town's affairs during the coming year.

The annual town election for mayor and aldermen takes place on the third Tuesday of this month April 21st, with nomination day on the preceding Friday, April 17th, and so far very little talk is heard concerning a contest.

Nobody seems to know or care who is to be in the running. This is a grave mistake on the part of the citizens, who should have less apathy in this pressing matter and who should take a keener and deeper interest in matters pertaining to their town.

**MARITIME ADVICE**

Trade returns which indicate that Canada is buying more in the home market and importing less from other countries, while, in a general sense, satisfactory, serve at the same time, to focus attention on the importance of buying in Empire markets those commodities which cannot be procured at home. Here in Maritime Canada we are demanding that Canada's export trade be directed to Canada's winter and summer ports. The larger our import trade via these ports the easier it will be to get ships to come to us for export cargoes. Since the Government announced plans to control ocean rates, many steamship managers have declared that they are not finding the Canadian trade profitable. A delegation of British shipping men now on its way to Canada to appear before a parliamentary committee at Ottawa is expected to stress this point. Its consideration should make Canadians realize that there must be buying from those who buy from us. Consideration of this phase of the trade problem by Canadians, particularly

by Maritime Canadians, is desirable because of the very intimate association of successful ocean services with the export and import business. In recent speeches in Parliament two or three Maritime men have declared their conviction that Maritime development can come only through the export of our resources of the farm, the forest, the fisheries and the mine. That was the declaration of J. J. Hughes, M. P., in a speech, and Mr. Sinclair, M. P. in a letter to The Montreal Star says exactly the same thing. They point out that as Upper Canada products are practically identical with those of Maritime Canada it is impossible to mark our goods there. The fact that not a single one of the foreign concerns which have established Canadian branches to care for either Canadian or export trade has located in the Maritimes is also pointed out. These observations by men in close touch with Maritime conditions should make Maritime people and all Canadians realize how important it is that the ways of encouraging the development and export of our natural resources be wisely studied.

(St. John Globe.)

**BRITISH CRIME EXPERTS ENGAGED**

London, April 2—Scotland Yard today added mystery to a strange death story that is engaging British crime experts. Detectives, rummaging in a gloomy old Bloomsbury mansion, built over a graveyard in which were found recently the bodies of Granville Cooke, aged 50, a poet, and inventor, and Selwyn Foster, aged 21, a son of a wealthy family, found a number of human bones.

The mansion, which Cooke used ostensibly in connection with engineering experiment, was formerly a school of anatomy operated by Cooke's father, a noted surgeon. The police say that the bones found today may have been left over from the days of the anatomy school, but the officers wrapped them up carefully for expert examination by Sir Bernard Spilbury, the Home Office pathologist.

The deaths of Cooke and Foster have baffled the police. While it seems to be established that Cooke died of gas poisoning, Foster apparently died several hours earlier. Cooke was known as a brilliant engineer and inventor. He was graduated from Bonn University and had perfected several inventions which brought in good royalties. He also wrote a number of poems, one of which was accepted by Queen Alexandra. Both he and Foster however had criminal records, and the police had been watching Cooke's movements for some time before the mysterious deaths occurred.

Scotland Yard agents are investigating a report that Cooke promised two girls he would teach them stenography at his Bloomsbury establishment, although the authorities say it is known that he was ignorant of that work.

**When The System Is All Run Down**

Often All That is Needed is a Tonic to Build Up the Blood.

There are many women who have been invalids or semi-invalids so long that they accept their condition as a life burden. They have endured broken sleep, stomach trouble, nervousness, headaches and weakness so long that they have given up hope of enjoying good health. In most of these cases a well chosen diet, fresh air and a tonic to build up the blood would do wonders. To all run-down, nervous people the experience of Mrs. H. J. C. Meon, Waterville, N. S. will be of deep interest. She says:— "About two years ago I was in a miserable, run-down condition. I was unable to do my work, my head ached day and night, my nerves were all unstrung, and for three weeks I could not eat or sleep. I then decided to give Dr. Williams' Pink Pills a trial and got six boxes. By the time I had used half of them I felt much better, and when I had taken the six boxes I was as well as ever. I could work all day and not feel tired and have been strong and healthy ever since. I have never taken any medicine that did me so much good and will always highly recommend Dr. Williams' Pink Pills. You can get these pills through any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co. Brockville, Ont.

**C. N. ENGINEER DEAD AND FIRE-MAN HURT**

Leslie Sherlock, age 41, C. N. R. locomotive engineer of Moncton, is dead and his fireman Martin Hunter, lies in the city hospital severely scalded and suffering from shock as a result of a run-off on the Sackville branch of the C. N. R. about 2:30 o'clock Saturday afternoon, when engine 5512 of the Eastbound Prince Edward Island express No. 42 which left Moncton about 11 o'clock that morning turned over at Mile Post 17, about three-quarters of a mile west of Baie Verte.

The train was travelling at an estimated speed of about 22 miles per hour when through some cause not yet known the engine and first three coaches consisting of mail, baggage and the second class cars jumped the tracks, the engine turning over on its right side, while the cars remained upright.

The passengers on the derailed coach as well as the other members of the train crew escaped without injury. Engineer Sherlock was scalded to death by steam pipes in the cab having burst as the engine tumbled over. Fireman Hunter was able to crawl through the window on the left side of the cab, which was uppermost, but the steam had scalded him about the legs and one of his hands before he got clear. Engineer Sherlock was trapped and could not make his escape.

**Nurses Aid Victim**  
The fireman was given first aid attention by two nurses who were passengers on the train and Dr. Allen, of Port Elgin, called. After attention, the injured man was conveyed to Sackville, where he was put aboard the Maritime express in the evening and brought to Moncton City Hospital. Although quite badly scalded and suffering considerably from shock, it is said he will recover.

Sherlock is survived by his widow and one daughter.

**INCOME TAX RETURNS AND PAYMENTS TO BE MADE TO COLLECTOR OF CUSTOMS**

New regulations concerning the filing of Federal Income Tax Returns and the payment of these taxes went into effect last week, whereby returns are required to be filed with and taxes paid to the Collector of Customs and Excise here instead of to the inspector of Taxation at St. John, as has been the custom heretofore since the passing of the Income Tax Act some years ago.

**NEW UNITED CHURCH PAPER TO BE NAMED**

Toronto, April 2—The name of the official organ of the United Church of Canada will be decided upon next week by the book committee of the Methodist Church.

This new paper will take the place of the Christian Guardian, the Presbyterian Witness, and the Congregationalist, and its first issue will appear on June 10, the day on which the United Church comes into being. The council of the United Church will select the editor.

**SCHOOL TAX BOOKS**

**Here and There**

Under the joint Canadian-British Government scheme, 3,000 families are being brought to Alberta this year and the first party of families will arrive in April. They will first be guaranteed employment and later will take up their own land.

Henry E. Suckling, Treasurer of the Canadian Pacific Railway since 1908, died recently at Atlantic City after an illness of several months. He was born at Gibraltar in 1851 and had been associated with railways in a treasury capacity since his early manhood.

J. C. Mitchell, of Dahinda, Sask., known as the "world's champion wheat grower" returned home recently from a lecture tour of the British Isles. "Go West, young man, go West," is his advice to all who wish to try their fortunes in the Dominion.

Speaking at Toronto, Hon. Charles McCrea, Minister of Mines for Ontario, said that the estimated output of the mines of the province this year will be around \$75,000,000. In regard to gold he stated that by 1928 Ontario was expected to top the total production of the United States.

A new Silver Trophy donated by the English Football Association to the Dominion of Canada Football Association for annual competition among Canadian clubs has arrived in Canada and will be on exhibition at Canadian Pacific stations at Montreal, Toronto, Winnipeg and right across the West.

An expedition which will try to climb Mount Logan (19,359 feet) in the Yukon, the loftiest peak in Canada, is to leave Vancouver in April. It will be headed by A. H. McCarthy and Col. W. E. Foster, of Vancouver, and six other gentlemen, including a representative of the English Alpine Club, will complete the party.

Agricultural products in the Province of Manitoba during the year 1924 reached a total estimated value of \$164,312,857, according to figures issued by the Provincial Department of Agriculture. This amount is nearly double that of the previous year and is accounted for largely by the big upturn in the price of wheat.

The shield which was taken from the gates of Old Quebec when the city was captured by General Wolfe, and now in the possession of the town of Hastings, will be returned to the Ancient Capital. The Hastings Council have decided to return the shield which was presented to them by General Wolfe Murray, a descendant of the famous soldier.

Miss Ethel Loginska, temperamental pianist, gave another taste of her quality when she lectured a socially prominent audience for coughing in the middle of a concert at Englewood, N.J. "If you can't control yourselves, please don't stay here," she remarked. About fifty teen disgruntled members of the audience left the hall indignantly.

Trail Riders of the Canadian Rockies have developed the idea of using snow shoes for horses over the heavy snow tracks of that region. In this way great quantities of supplies are brought considerable distances across trails that would otherwise be impassable to heavy loads. Trail Riders are holding their second great Pow-Wow early in August next.

Devising a new kind of motion picture camera with a built-in motor that is almost noiseless in operation, Burton S. Moore, proprietor of the Nictau Camps in New Brunswick, has succeeded in taking about 4,000 feet of film of wild life in action which will be shown in due course on Canadian and United States screens. He has been particularly successful in depicting every motion in that special phenomenon by partridges known as drumming.

Over half of last year's western grain crop was handled by the Canadian Pacific Railway according to data first issued by the Dominion Bureau of Statistics. Of the total grain inspections numbering 172,813 cars during the seven months to February 28 last, 99,237 cars were on the company's lines, representing 87 1/2 per cent, while of the 180,167 cars delivered at Fort William and Port Arthur during the same period 68,690 or 52.8 per cent are credited to the company.

**Caribou Herds in Province Are On Increase**

The advices received by the Department of Lands and Mines indicate that caribou are increasing in the Province. Guides and others who have had an opportunity of observing the caribou herds report that during the autumn and winter young were seen with them in considerable numbers. The fact indicated that natural increase had taken place. Migration from Quebec also is accounting for some increase. The caribou are now south of the Saint John River evidently migrating south gradually. A couple of years ago the animals were only to be seen on the Tobique and other sections of the north. They have been seen frequently in York County. The departure of the caribou from this province some years ago caused the Department of Lands and Mines to put a close season into effect. The protection still is in existence and will remain until the caribou show signs of having reached their former numbers. Some years ago they were very plentiful in parts of the province. As they are migratory in instinct it is possible that they will suddenly reappear in New Brunswick in large numbers.

### TAX \$7500 PER DAY ON ALL RACE TRACKS

Ontario to Get \$175,000 More Revenue, says Hon. W. H. Price.

Legislation to secure to the Province an additional \$175,000 in revenue was introduced into the Ontario House yesterday in the form of a bill to increase the daily tax upon all race tracks, mile and half mile alike, to \$7,500 per day. Hon. Mr. Price, Provincial Treasurer, was sponsor for the measure, which received the customary first reading.

In explaining the bill, the Treasurer stated that it had a proviso whereby should the betting at any track for a seven-day period fall below \$1,000,000, a rebate of \$2,500 per day might be granted. He explained that at present mile tracks paid a license fee of \$7,500 daily, whereas half-mile tracks paid only \$2,500 daily. Such an arrangement, he declared, was anomalous, because of the fact that some of the half mile tracks were conducting betting operations in excess of those of the mile tracks. In some half mile track where the betting last year ran over \$4,000,000, a figure not reached by five or six of the mile tracks and comparing favorably with the \$5,000,000 total achieved at the woodbine, the best patronized of the Ontario courses.

The increase in revenue to the province from the new impost, Hon. Mr. Price stated, would be \$175,000 per year.

### BATHURST PREACHER TO GO TO ST. JOHN CHURCH

Word has been received from Rev. Neil McLaughlin, accepting a call to the Bathurst Methodist Church recently extended him. The Rev. Mr. Rice goes to Queen Square Church at St. John where Mr. McLaughlin will be in the charge of the present conference year, so that the two gentlemen will be exchanging circuits.

## PERSONALS

Mr. F. E. Locke, spent several days of last week in Rox'oh, N. B.

Ald. John Russell spent several days of last week in Moncton.

Mr. E. Lloyd Wing of Toronto, Ont.; spent the week-end in town.

Dr. J. A. M. Bell returned last week from Detroit, Mich., where he took a special post-graduate course.

Miss Marion Stewart of Chatham has entered the Miramichi Hospital as a student nurse.

Mrs. A. C. Allen was the guest last week of her sister, Mrs. Joseph Stevens, Campbellton.

Mrs. John N. Dennis of Campbellton was a recent guest of Mrs. W. H. Belyea.

Mr. and Mrs. E. H. Sinclair have returned from California where they spent the winter months.

Miss Mary Sinclair of Netherwood School, Rothesay, is home for the Easter vacation.

Miss Audrey Jones of Woodstock is the guest of her sister Mrs. H. H. Ritchie.

The many friends of Miss Davidson, who is ill at her home here, will be pleased to hear that her condition is showing an improvement.

Miss Marjorie Lindon was hostess at a delightful tea and handkerchief shower on Thursday afternoon in honor of Miss Florence Cassidy.

Mr. F. Hodgson of St. John, Maritime Manager of the Sun Life Assurance Co. of Canada was in town on Wednesday.

Mr. W. J. Sutherland is in Truro N. S. this week attending a convention of the Presbyterian Church Association.

Mr. E. J. DeWolfe of Nordin has resigned his position with the Royal Bank of Canada, and left last Thursday for Boston, Mass., where he has accepted a position.

Miss Margaret Simpson of Douglastown, nurse-in-training at the Miramichi Hospital, left last week to take a four month's course in the Montreal General Hospital, Montreal.

Mr. and Mrs. L. G. Sweezy, left on Thursday for Boston, Mass.; where they will reside. Mrs. Sweezy was formerly Miss Elizabeth Lockerbie of the Miramichi Hospital staff.

Miss Annie Cassidy very pleasantly entertained a number of her young friends to a delightful bridge last Thursday evening at the home of her parents Mr. and Mrs. H. B. Cassidy, in honor of her brother Harry, who has spent the past month at his home and who left on Saturday for Hamilton, Ont. to resume his duties with the Westinghouse Electric Co. Ltd. of that city. He was accompanied by his sister Miss Florence Cassidy who will spend a week in Hamilton before entering upon her duties as nurse-in-training in the Toronto General Hospital.

### Unsurpassed For Childhood Ailments

Mrs. Howard King, R. R. No. 5 Truro N.S., says: "I am the mother of four children and have always used Baby's Own Tablets when any of them needed a medicine, and I can recommend the Tablets as being unsurpassed for childhood ailments." Thousands of other mothers agree with Mrs. King as to the merits of the Tablets. There are thousands of homes throughout Canada where the Tablets are always kept on hand in readiness for the least sign of any of the minor ailments which afflict little ones. Baby's Own Tablets never fail to regulate the stomach and bowels, thus they banish constipation and indigestion; break up colds and simple fevers; relieve colic and bring the baby through that dreaded teething period in safety. The Tablets never do harm—always good—as they are guaranteed absolutely free from any injurious drugs. The Tablets are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont.

## WEDDINGS

### DUNNETT—DUNNETT

A very pretty wedding took place at the home of Mr. Douglas Dunnett, Trout Brook on Tuesday the 31st. March when Miss Elsie Kenbedy Dunnett daughter of Mr. Wm. Dunnett of Edinburgh Scotland was united in the holy bonds of matrimony to Mr. William Weldon Dunnett of Bangor Maine, the son of the late Wm. John Dunnett. The ceremony was performed by the Rev. Robert M. Brodie in presence of Miss Elizabeth Dunnett, Bridesmaid Mr. Allan Allison, Best man. Mr. Douglas Dunnett who brought the bride into the room. Among those present were Mrs. Douglas Dunnett Mrs. J. S. Hosford, Joseph Hosford Mr. and Mrs. James Allison, Mr. Amos Stewart, Mr. and Mrs. Roy Allison, Mr. and Mrs. E. Hosford, Mr. and Mrs. Wm. Hosford, Mr. and Mrs. P. Hosford, Joseph A. Hosford jr. and Miss M. Copp. The bride was becomingly attired in white silk with a beautiful veil trimmed with blossoms. After the ceremony a sumptuous dinner was served. This ended a war romance, as the groom met Miss Elsie Kennedy Dunnett while overseas. It was in connection with a visit he made to Edinburgh in order to see if he could find any relatives of his grandfather Dunnett. Thus he met Miss Elsie and from that day which is about seven years ago he was looking forward to the time she would leave home. She arrived at St. John on Sunday the 29th, their first meeting since they met in Edinburgh. After the ceremony cables were sent to Scotland to the parents and friends of the bride. The many friends wish Mr. and Mrs. Wm. Weldon Dunnett many years of wedded bliss. They leave for Bangor Maine on Monday, where the groom has a good position as book-keeper. (Bangor papers please copy)

Miss Margaret Simpson of Douglastown, nurse-in-training at the Miramichi Hospital, left last week to take a four month's course in the Montreal General Hospital, Montreal.

Mr. and Mrs. L. G. Sweezy, left on Thursday for Boston, Mass.; where they will reside. Mrs. Sweezy was formerly Miss Elizabeth Lockerbie of the Miramichi Hospital staff.

Miss Annie Cassidy very pleasantly entertained a number of her young friends to a delightful bridge last Thursday evening at the home of her parents Mr. and Mrs. H. B. Cassidy, in honor of her brother Harry, who has spent the past month at his home and who left on Saturday for Hamilton, Ont. to resume his duties with the Westinghouse Electric Co. Ltd. of that city. He was accompanied by his sister Miss Florence Cassidy who will spend a week in Hamilton before entering upon her duties as nurse-in-training in the Toronto General Hospital.

The resolution which was adopted in the Legislature on Thursday in reference to having executions in the Maritime Provinces take place in the Maritime penitentiary at Dorchester, reads as follows:

"Resolved that in the opinion of this House, legislation should be enacted by the Federal parliament that the death penalty imposed under the provisions of the Criminal Code of Canada should be carried out as far as the Maritime provinces are concerned in the Dominion Penitentiary at Dorchester, N. B., and that a copy of this resolution be forwarded to the Governments of Nova Scotia and Prince Edward Island, for such action thereon as they may deem advisable."

The vote on the resolution was as follows:—

- Yeas: Hon. Mr. Veniot, Hon. Mr. Rand, Hon. Mr. Hetherington, Hon. Mr. Mersereau, Hon. Mr. Roberts, Hon. Mr. Michaud, Mr. Foster, Mr. King, Mr. Smith (Sunbury), Mr. Scoville, Mr. Wetmore, Mr. McKenna, Mr. Bentley, Mr. Hayes, Mr. Melanson, Mr. Bordage, Mr. Vanderbeck, Mr. Martin, Mr. Fowle, Mr. Smith (Albert), Mr. Richards, Mr. Taylor, Mr. Warnock, Mr. Peck, Mr. Flewelling, Mr. Hunter, Mr. Smith (Carleton), Mr. Guptill, Mr. Pickett, Mr. Burlo, 20.

Nays: Hon. Mr. Magee, Mr. McManus, Mr. Estabrooks, Mr. Morrissy, Mr. Scully, Mr. Curren, Mr. Violette, Mr. Doucett, Mr. Plader, Mr. Dickson, Mr. Fawcett, Mr. Stewart, Mr. Diotte, Mr. Reilly, 14.

### VOTE REGARDING DEATH PENALTY RESOLUTION

The resolution which was adopted in the Legislature on Thursday in reference to having executions in the Maritime Provinces take place in the Maritime penitentiary at Dorchester, reads as follows:

"Resolved that in the opinion of this House, legislation should be enacted by the Federal parliament that the death penalty imposed under the provisions of the Criminal Code of Canada should be carried out as far as the Maritime provinces are concerned in the Dominion Penitentiary at Dorchester, N. B., and that a copy of this resolution be forwarded to the Governments of Nova Scotia and Prince Edward Island, for such action thereon as they may deem advisable."

The vote on the resolution was as follows:—

- Yeas: Hon. Mr. Veniot, Hon. Mr. Rand, Hon. Mr. Hetherington, Hon. Mr. Mersereau, Hon. Mr. Roberts, Hon. Mr. Michaud, Mr. Foster, Mr. King, Mr. Smith (Sunbury), Mr. Scoville, Mr. Wetmore, Mr. McKenna, Mr. Bentley, Mr. Hayes, Mr. Melanson, Mr. Bordage, Mr. Vanderbeck, Mr. Martin, Mr. Fowle, Mr. Smith (Albert), Mr. Richards, Mr. Taylor, Mr. Warnock, Mr. Peck, Mr. Flewelling, Mr. Hunter, Mr. Smith (Carleton), Mr. Guptill, Mr. Pickett, Mr. Burlo, 20.

Nays: Hon. Mr. Magee, Mr. McManus, Mr. Estabrooks, Mr. Morrissy, Mr. Scully, Mr. Curren, Mr. Violette, Mr. Doucett, Mr. Plader, Mr. Dickson, Mr. Fawcett, Mr. Stewart, Mr. Diotte, Mr. Reilly, 14.

### WANTED

A Maid for general housework Apply to Mrs. (Dr.) J. A. M. BELL, Newcastle, N. B.

## BOY SCOUTS TO GIVE ENTERTAINMENT

The Newcastle Boy Scout Troop 119 purpose putting on a moving picture entertainment in St. James' Hall; Thursday evening; April 9th; at 8 o'clock. The title of the picture to be shown is "The Lion's Cubs", a story of Boy Scout patriotism. In addition there will be a two reel comedy picture shown, as well as a number of musical and vocal selections and readings. The Boy Scouts are now busily engaged selling tickets and it is expected that this worthy organization will receive the hearty support of the townspeople, and when called upon secure their tickets from the boys, who are endeavoring to make this, their first attempt in fund raising, a success. The funds will be used for registration purposes and any surplus will be utilized in defraying the expenses of the camp, which will be held early in July.

The Girl Guides Company No. 2 will sell candy during intermission, so put some change in your pocket in order to "be prepared".

## GOLF CLUB FOR THE MIRAMICHI

A number of Miramichi people have been active during the winter months with plans for a golf course for this vicinity and with a little more push it is expected that the project will be successfully floated this spring.

A magnificent opportunity for a 9 or 18 hole golf course and a roomy substantial club house is afforded in the late Judge Wilkinson's property at Bushville, two miles above town. The property contains over 50 acres of land and the house is built of stone with large rooms available for club purposes, so that the cost of reconstruction would be very low. The property is ideally situated on the tarvia highway with a beautiful view of the Miramichi.

Some half dozen residents of the Miramichi are proceeding in the matter and no doubt if the purchase is made they will in the near future divulge their plans to the public. The property is well situated to attract a membership from Chatham, Newcastle, Loggieville and Nelson, as well as from individuals in adjacent places who have a hankering after Scotland's royal game.—Chatham Gazette.

## NORTHUMBERLAND'S LICENSED SCALERS

- Richard T. Acheson, Douglastown, Enoch M. Bamford, Doaktown, Thos. E. Bayle, Jr. Newcastle, John H. Erophy, Derby Junction, Michael A. Craig, Newcastle, Wm. A. Craig, Newcastle, W. P. Damery, Chatham, Thomas M. Daughney, Nordin, David R. Delano, Derby, Charles Dolan, Nelson, Lyman J. Dolan, Nelson, William S. Dolan, Nelson, Michael Fletcher, Nelson, Joseph Grogan, Chatham, John Hannan, Doaktown, Wm. Harper, Chelmsford, James Harrigan, Chelmsford, Leonard J. Harrigan, Chelmsford, J. Frank Hayes, North Renous, Chas. S. P. Holohan, Newcastle, Gordon R. Harvey, Boiestown, J. W. Jonah, Doaktown, William Kerr, Chatham, James E. Keyes, Newcastle, Dennis Kirby, Chatham, M. J. FACTS ABOUT TEA SERIES—No. 2

## Tea Production Today

If the Chinese, who first discovered tea, had realized the possibilities of the trade and had studied the nature and requirements of the plant, China might still be the largest tea producing country. Centuries of neglect, however, stunted the growth and caused the quality to deteriorate. In the mountains of Ceylon and India, tea was found to flourish. Scientific methods of cultivation and manufacture were introduced with remarkable results. Now the finest tea grown in the world and by far the largest quantity comes from these countries. "SALADA" is mainly blended from flavoury India and Ceylon teas.

# "SALADA"

For  
Headache

# ASPIRIN

Proved safe by millions and prescribed by physicians for

- Headache Colds
- Pain Neuralgia
- Toothache Lumbago
- Neuritis Rheumatism

Safe

Accept only "Bayer" package which contains proven directions. Handy "Bayer" boxes of 12 tablets. Also bottles of 24 and 100—Druggists.

Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monocyclic-acid ester of Salicylic acid (Acetyl Salicylic Acid, "A. S. A."). While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

## Assuring Your Business

A policy of advertising is a policy of life assurance, and the protection thus secured is well worth its annual cost.

Old customers die or move away—they must be replaced.

Old customers are subject to the influence of temptation—they may be induced to divide their custom—to do some of their shopping at a competitor's.

New comers to this community will shop with you—become regular customers—if they are invited to do so.

Your competitor's advertising is an influence which must be offset if you are to maintain your trace.

Not to advertise regularly to the readers of the UNION ADVOCATE is to leave your business unprotected.

### A WORD TO THE PUBLIC

It is no sign of weakness to follow the lead of advertising. You owe it to yourself to get the most for your money, the best goods and the best service. And if you find that your inclination is to shop where you are invited to shop rather than to continue to be a customer of the shop which never solicits your good-will you need have no compunctions of conscience.

Shop Where You are invited to Shop

## Many Distant Stars Hotter Than The Sun

A Star Having Nearly Three Times the Heat of the Sun Lately Observed.

Estimating the diameters of ten of the brighter stars by separating their heat into a long spectrum and measuring the heat of the different colors and then calculating the probable temperatures of each of these heavenly bodies, was a work of Dr. C. G. Abbot, director of the Astrophysical Observatory of the Smithsonian Institution, during a recent series of field experiments whose results have just been made public.

A star, having nearly three times the heat of the sun, was among those observed by Dr. Abbot. This was Beta Rigil, having an estimated absolute temperature of 10,000 degrees centigrade, compared with the sun's 6,000 degrees centigrade. Other stars observed with a greater temperature than the sun were: Vega, absolute temperature, 14,000 degrees centigrade; Sirius, the brightest star in the heavens 11,000; Procyon, 8,000. The other stars were Capella, 5,850; Alcebaran, 3,000; Beta Pegasi, 2,850; Betelgeuse 2,600, and Alpha Herculis, 2,500. The last two have an estimated diameter 500 times greater than that of the sun.

Dr. Abbot used in this work a radio-meter, constructed under the direction of Dr. E. Nichols, pioneer in measuring the heat of the stars. Utilizing the giant telescope at the Mount Wilson Observatory in California, with its, 100-inch reflecting lens, Dr. Abbot was enabled to obtain fairly accurate measurements of the different colors, even far into infrared. Curves were drawn, indicating the spectral distribution in the radiation of blue, white, yellow and red stars, and estimates of their probable temperatures were made.

## FULL OF ACHEs AND PAINs

Toronto Mother Found Relief by Taking Lydia E. Pinkham's Vegetable Compound

Toronto, Ontario.—"I have found Lydia E. Pinkham's Vegetable Compound a splendid medicine to take before and after confinement. A small book was put in my door one day advertising Lydia E. Pinkham's medicines, and as I did not feel at all well at the time I went and got a bottle of Vegetable Compound right away. I soon began to notice a difference in my general health. I was full of aches and pains at the time and thought I had every complaint going, but I can truthfully say your medicine certainly did me good. I can and will speak highly of it, and I know it will do other women good who are sick and ailing if they will only give it a fair trial. Lydia E. Pinkham's Liver Pills are splendid for constipation. You are welcome to use my letter if you think it will help any one."—Mrs. HANXY WESTWOOD, 543 Quebec Street, Toronto, Ontario.

The expectant mother is wise if she considers carefully this statement of Mrs. Westwood. It is but one of a great many, all telling the same story—beneficial results.

Lydia E. Pinkham's Vegetable Compound is especially adapted for use during this period. The experience of other women who have found this medicine a blessing is proof of its great merit. Why not try it now yourself?

## Vast Strides For Medical Science Now

Hope to Exterminate Tuberculosis in 25 Years From British Dominions.

Twenty five years hence tuberculosis will be exterminated in the British dominions, or be as uncommon as leprosy is today, Dr. C. W. Saleeby, spokesman for the London Medical Institute, has declared. He predicts that the greatest advance in medical science will be the successful combating of tuberculosis and cancer, and the reduction of infant mortality to almost nothing.

The last twenty-five years Dr. Saleeby says, has seen medical science develop more than in centuries before, but he points out that this has been brought about by very limited numbers of medical men and scientists: drawn largely from Germany, Austria and the United States. He believes that to-day all the medical men of the world are vitally interested in perfecting the science of national health and that the result of this international ambition will be a perfect system of combating disease.

The latest methods used to prevent tuberculosis have already provided for a gradual decline in the number of tuberculosis victims for the future and, once health officers have been able to stop the spread of the disease, Dr. Saleeby believes it will rapidly disappear.

The attack on cancer presents greater difficulties, and only the most elementary steps have been made so far toward combating it, but Dr. Saleeby predicts that another ten years will find science in a position to begin an international movement to eradicate cancer.

Dr. Saleeby, who has been the leading exponent of the campaign to lower infant mortality in England, has figures to show that the ratio in England and Wales has decreased from one in seven in 1900 to one in 14 in 1923. He asserts that the ratio will be about one in 22 when the present methods of handling natal cases are in common use.

### VITAMIN QUALITIES

Many people, young and old, get plenty of food but the vitamin qualities out of which come the powers of resistance, are minus, and malnutrition and weakness ensue.

## Scott's Emulsion

is indeed the plus-quality that so many children and adults need to help sustain the body in normal strength and vitality.

A very little Scott's after each meal helps, to vitalize the deficient diet. Scott's Emulsion promotes growth—builds strength.

Scott & Bowne, Toronto, Ont.

**The Doctor Knows**

Doctors who know Minard's by the word to show are unhesitating in their praise of its healing and soothing qualities.

Dr. J. C. Aug. Birch, of St. John's, Que., writes:—  
"I have frequently used Minard's Liniment and also prescribe it for my patients always with the most gratifying results, and I consider it the best all-round Liniment."  
C. A. King, M.D., also recommends Minard's in the following words:—  
"I have used Minard's Liniment myself as well as prescribed it in my practice when a liniment was required, and have never failed to get the desired effect."

**From Bathurst To  
Plaster Rock**

FREDERICTON, April 1—  
In the Provincial Legislature  
yesterday afternoon, Premier  
Veniot presented a petition  
in favor of a bill to incorpo-  
rate the Nepisiguit Railway  
Company, which will give the  
incorporators charter rights  
to build a railway from near  
Bathurst across the province  
to Plaster Rock, to open up  
the most extensive hardwood  
limits in New Brunswick.

The new organization will  
be allied with the Bathurst  
Company, Limited. Proposal  
are to replace the rails on the  
Northern New Brunswick  
Seaboard Railway, the line  
leading from a connection  
with the Canadian National  
Railways near Bathurst to  
the Gloucester iron mines,  
and the petition sets forth the  
route to be followed by the  
railway as from near Austin  
Brook along the Nepisiguit  
River to 40 mile brook and  
thence west to a point on the  
Tobique river near Plaster  
Rock. The petition pointed  
out that the object of this  
railway is to "open up the  
vast hardwood area" and  
authority is asked to operate  
the railway by either steam  
or electricity.

The Nepisiguit Railway  
Company will have its head-  
quarters in Fredericton and  
will hold its annual meetings  
here each April 15 it will have  
an authorized capitalization  
of \$1,000,000, and will have  
authority to issue 6 per cent  
bonds up to an amount equal  
to \$25,000 per mile. Peter  
J. Hughes, K. C., of this city  
is solicitor for the new com-  
pany and he and two of his  
office clerks are the nominal  
incorporators.

The bill provides that actual  
work on the construction of  
the railway shall commence  
within three years and  
that if it is not completed  
within ten years the charter  
rights to the the uncompleted  
portions shall lapse.

**Game Act  
Amendments  
Are Coming**

Amendments to the Game  
Act are contemplated and a  
bill including them will be  
presented to the House of As-  
sembly as a Government mea-  
sure in the near future.

One of the provisions will  
be prohibition of the trapping  
or hunting of bears in the for-  
ests between May 1 and Sept.  
1. The provision is intended  
to protect the forests against  
fires and also to prevent illicit  
trapping of beaver by persons  
entering the forests ostensibly  
for trapping bears. Violation  
of the Game Act in that par-  
ticular has occurred in the past  
and fires also have been caused  
by bear-trappers.

There is to be a section giv-  
ing permission to kill bear if  
they are molesting domestic  
animals and also permission  
to hunt them in open country.

The provision allowing a  
ten-day hunting season for  
deer on Grand Manan and  
Campobello Islands is to be  
extended to include Deer Is-  
land. For a licence fee of one  
dollar permission is given to  
kill one deer.

In order to make it more  
difficult to evade the law in  
the matter of killing cow-  
moose or calf-moose, a provi-  
sion is to be contained in the  
bill under which the head of a  
moose must be brought out of  
the woods and shown to a

**HAVE YOU TASTED THE NEW IMPROVED "G.B." COATING?**

DO YOU know that it has taken Ganong  
Bros. over fifty years to perfect the  
NEW IMPROVED "G.B." coating that seals their  
exquisite centres? If you have not tasted it  
lately, then your palate still ignores the most  
noteworthy achievement in candy-making in  
years. Your palate deserves the best. To make  
sure of at least tasting the NEW IMPROVED  
"G.B." coating, look for the "G.B." mark on the  
individual piece and on the box as well.

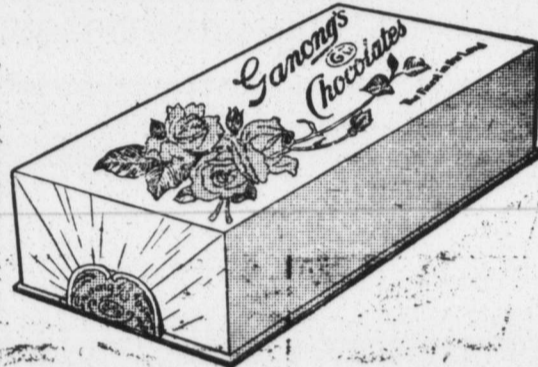

Made by GANONG BROS. LIMITED

**Ganong's  
CHOCOLATES**

**The ROSE  
Box**

A popular assort-  
ment at a popular  
price. Value un-  
equalled at 75c  
the pound. 18  
favourite kinds,  
more and daintier  
pieces, heavily  
coated with NEW  
IMPROVED "G.B."  
coating. Also in  
1/2, 1 and 2lb. sizes.

Army physicians well know that "the administration of  
sugar (sweets) delays the onset of fatigue and conse-  
quent nervous exhaustion." Eat more candy!

game warden.

In the past the regulation  
has been that the head must  
be brought out but killers of  
cow-moose and calf-moose  
have evaded the act by stat-

ing that they brought the  
heads out and threw them a-  
way or buried them.

The number of ex-officio  
game wardens has been in-  
creased by the naming of all

members of fish and game  
protective associations. Other  
ex-officio wardens include fore-  
men of camps, liquor inspect-  
ors and other officials.

**Robin Hood Flour to the Front**

**Purchase Your Flour NOW**

In a recent baking Contest held in St. John by the Telegraph-Journal, 756 loaves of  
bread were submitted to the judges. After more than three hours concentrated attention, the  
number of loaves to be judged was reduced to 30, and of these 30, a loaf baked by Mrs.  
Joseph Harrington 41 Cranston Avenue, St. John and made from ROBIN HOOD FLOUR  
was awarded first prize.

This is a great compliment to ROBIN HOOD FLOUR and there is no reason for  
any householder to be without the very best bread obtainable, if ROBIN HOOD FLOUR is  
used.

The Maritime Produce Co. of Newcastle are agents for ROBIN HOOD  
FLOUR and special inducements  
will be given purchasers

## Local and General News

### INCOME TAX

Income tax payments must be made before the end of this month.

### EASTER VACATION

The public Schools will close on Thursday of this week, 9th. Inst. for the Easter vacation and will re-open on Wednesday, April 15th.

**Attend the Easter Monday Dance in Town Hall, under auspices Newcastle Fire Department.**

### ANNUAL MEETING

**BOARD OF TRADE**  
The general annual meeting of the Newcastle Board of Trade will be held to-night in the Town Hall, at which officers for the ensuing year will be elected.

### NEW STAMP ISSUED

A new Canadian seven-cent stamp has been issued. It is brick red in color, and presumably the change from the light yellow brown of the former seven-cent stamp was made to prevent confusion with the four-cent stamp, and the one-cent stamp both of which are of a yellowish color.

### POLICE COURT NEWS

In the Police Court on Friday April 3rd the charges against five young men from Nelson of breaking into the Nelson Station and stealing money therefrom were tried before Magistrate Demers. No evidence was procured to connect any of the accused with the charge and they were honourably discharged. T. H. Whalen acted for the prosecution and W. H. Davidson for the accused.

### REQUIRES ATTENTION

The question of where cars will be parked on the streets will be one, or should be one of the problems the Council will have to solve this year. Last season merchants who had cars parked in front of their place of business from six to eight hours a day felt it was rather an injustice, while others were enjoying the privileges of a no parking sign.

### TO BROADCAST

**BANQUET PROCEEDINGS**  
For the first time in Moncton, or for that matter in the Maritime Provinces, a banquet program and the proceedings pertaining to it will be broadcast from there on May 20th. The instance will be the banquet on the third evening of the celebration of the 50th anniversary of the organization of Westmorland No. 3, the local lodge of Knights of Pythias.

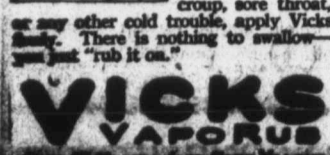

### EASTER MONDAY DANCE

The Newcastle Fire Department is making great preparations for their Easter Monday Ball. A program of dance music, including all the latest hits has been procured and will be used on that occasion. The tickets are now for sale by members of the department. This is a chance for the public to encourage the Fire Department and at the same time enable them to purchase fire apparatus for the corporation.

## Mothers Treat Colds The New "Direct" Way

No Longer Necessary to "Dose" Children With Internal Medicines to Break Colds.

Children's digestions are easily upset by too much dosing. Vicks VapoRub being externally applied, does not upset little stomachs. At the first sign of croup, sore throat, or any other cold trouble, apply Vicks VapoRub. There is nothing to swallow.

**VICKS VAPORUB**

### EASTER SUNDAY

Next Sunday April 12th is Easter Sunday. Special services and Music in commemoration of the day will be held in all churches of the town.

### FOOD SALE

The young Ladies of St. James' Church will hold a Food Sale and Easter Desserts in the Lounsbury Coy's store on APRIL 11th at 3 p.m. 13-2

### A GOOD ROAD NOW

The tarvia between Chatham and Newcastle is now in good condition for driving. The few bad spots were shovelled out Wednesday and cars are making the five miles in the almost normal time of 20 minutes.

**An enjoyable time is assured all who attend the Firemen's Dance Easter Monday evening in Town Hall.**

### SHOULD BE STOPPED

The filthy diversion of spitting tobacco on the store windows and loitering in the store entrances as well as those of private residences during the evenings should be immediately stopped. If a few examples were made of those guilty the practise would soon disappear.

### DIED IN ST. ANDREWS

Word was received here yesterday of the death of Mrs. E. Lee Street, which occurred Saturday afternoon at 3 o'clock, in St. Andrews, N. B. Deceased lady was a resident of Newcastle for many years and is well known here by many of the older residents.

### WHO TO FORGIVE

We forgive men and women of great intellectuality a thousand times easier than ordinary people, yet the opposite should be practised. We should hold to the highest account those who know the most instead of those who know the least.

### GOOD FRIDAY

Next Friday, April 10th, is Good Friday and will be observed in Newcastle as a general holiday. Easter Monday will be a holiday with the Government offices and Banks but not with the merchants.

### SNOW GOING RAPIDLY

The weather during the past week has been doing nice work in making the snow disappear rapidly. The sidewalks are now practically clear of ice and snow. The roads are in a very bad condition but if the weather continues fine, it will not be long before good travelling will be possible.

### 90TH. FIELD BATTERY

Plans are now made for Military Training of the 90th. Newcastle Battery, C. F. A. for 1925 as follows. 9 days local training for 38 men, all ranks, followed by the Refresher Course at Petewawa, Ont. for a detachment of 3 officers and 7 N. C. O's., beginning July 20th.

### THE DOG NUISANCE

The dog nuisance in Newcastle seems to be acute. Dogs on the streets at night are causing a great deal of trouble to pedestrians, who are wondering if the taxes on all dogs have been collected for the year. A citizen has been so pestered with them that he threatens, that if he has occasion to be out after ten o'clock, he will carry a revolver and shoot at sight.

**NEW LATH SAWING RECORD**  
Averaging 8,400 laths per hour for a 10-hour day; the Doaktown Lumber Company, of Doaktown; established a new lath sawing record last week with the production of 84000 laths for a complete day's cut. The record was established on one of the Smith Foundry's Imperial lath-sawing machines.

## WITH THE BOY SCOUTS

### SCOUT NOTES

The Boy Scouts met in the Temperance Hall as usual Friday Night. The S.M. spoke about fifteen minutes concerning the Scout entertainment mentioned in another column. As this was the first night of the April competition much interest was shown in the various activities of the evening. The town has been divided into districts for the sale of tickets by the Scouts; who will be selling tickets this week for the Thursday entertainment. After some snappy drill for warming up purposes the S. M. gave about ten minutes instruction on First Aid; games were then played for thirty minutes, after which the troop adjourned.

**The Only Attraction for Easter Monday - the Firemen's Dance in Newcastle Town Hall**

## CARD

To The Electors of the Town of Newcastle, N. B.

Ladies and Gentlemen:

I beg to announce that I will be a candidate for the office of

## MAYOR

at the election to be held TUESDAY, APRIL, 21st. 1925.

I take this opportunity to solicit your support, and if elected I will endeavor to promote the best interests of Newcastle. Your Obedient Servant,  
**R. W. CROCKER.**

## CARD

To The Ratepayers of the Town of Newcastle, N. B.

Ladies and Gentlemen: At the request of a large number of the ratepayers of the Town of Newcastle, I have decided to place myself in nomination for the

## MAYORALTY

at the coming election, to be held on TUESDAY, APRIL, 21st.

Through your kind votes, I have sat at the Council Chamber, as one of your Aldermen, for eight years and during that time I have faithfully endeavored to perform the duties imposed on me in an impartial and business-like manner.

If you again honor me with your confidence and votes in the pending election, if elected, I will do my utmost to faithfully discharge the duties of the Chief Magistrate of this town.

Respectfully Yours,  
**JOHN RUSSELL**

## Fraser Paper Mill Ready In October

Construction of the new \$2,500,000 paper mill to be established by the Fraser Companies, Limited at Madawaska, Md., across the St. John river from Edmundston, will be rushed to be ready to receive coal shipments by October. It is understood that coal from the Miramichi district will be used at the new plant at Madawaska and it is reported that 70 tons of coal will be burned daily.

## Spotters Again on C. N. R. Atlantic Region

Spotters have again made their appearance on the C. N. R. Atlantic Region, a coterie of them being aboard the Northbound Maritime a few evenings ago, working under the direction of Mr. Bates, the Chief of the Staff of that branch of the rail-

way service, who was also a passenger on the train.
