He opened the door and they entered. He was deeply interested, not only in the general aspect of the rooms, but in their plan and architecture.

"Oh, these must be saved, if possible!" he said, enthusiastically. "Nothing one could devise could fitly replace them. The stonework is magnificent, and the carvings-well, we could put them in again, it's true, but it wouldn't be quite satisfactory. We must save them. That is, I beg pardon! I am talking as if I were already the accepted architect."

"You are. I have seen the sketches and am satisfied," said Claire. He inclined his head.

"Better wait until the plan is finished; Mr. Sapley may also then be sat isfied !"

"Mr. Sapley?" Claire began, laconion as yet, and he glanced at her exically: then she stopped, "We had better go upstairs. You will not be "The new part will be finer than the frightened with Mr. Wayre to protect old," she said, looking from the drawyou_Mary?" ings to the house.

"That isn't fair, Claire! You were Gerald felt a glow of satisfaction. just as frightened as I was! We were "I shan't alter it, then, much," he in the room the other day, and Miss said, decisively. "I am glad you are Sartoris was telling me that it was pleased, Miss-Sartoris, and I hope that haunted, when we heard a noise behind that door and some one entered. "May I look at them again?" she It was only Mr. Sapley, but we were both scared for a moment, and I think he was as much startled as we were." "It only wants a real, well-authenticated shost to make it perfect." said Gerald. "This room has been occupied lately," he remarked, his quick eyes noticing, as they had, the comparative freshness of the room. "It would make a delightful sitting-room or lib-

With the impulsiveness of his nature he went to the bureau and half dragged, half carried it to the window. "By the way, there may be some pap-quence, I should think," said Claire. You can keep them together and lock them up in one of the drawers."

"Very well."

grave anxiety. "What is the matter? Have you hur?

your hand?" asked Mrs. Lexton. "No, no," he said. "I have dropped ny ring-somewhere." "You had it on just now, outside," said Claire.

"I know," he said. "Please don't trouble," for of course they were looking round for it. "I shall find it some where about the rooms. I don't generally wear it, for it is too large for me; I came across it this morning when I was getting my instruments ogether and I slipped it on."

"Is it a valuable one?" asked Mrs. Lexton, peering round her. "No," he said, "but I should be

sorry to lose it. I have had it all my life and carried it safely in strange places and through strange scenes. But I am sure to find it; I beg you don't trouble!"

Oh, we must find it," said Mrs. Lexton. "It is dreadful to lose a family relic, as I Imagine this is." "I don't know," he said, simply. "I have always had it. It was given to me by the woman who took charge of me when I was a lad. I don't know. that it belonged to any one belongin to me!"

Claire said nothing, but had paced te and fro slowly, her eyes bent on the ground, and even in that mo noticed how exquisite a picture she made, moving with infinite grace through the antique room . Suddenly she stopped and picked up the ring: "There it is," she said, holding out to him. (To be continued.)

And so to all my friends, east and

west, north and south, I wish to-day

To those for whom it is possible I

wish the Merriest of Merry Christ-

durable by the power to see the stars

And to those for whom a Merry

my yearly Christmas wish. . . .

Goodness me, boys and girls, we Mousie, scampering over to the front have heard nothing about dear Uncle door. But before she turned the knob, Lucky for a long time-maybe a dozen she peeked through the little side winstories or two. Well, nothing unpleas- dows. Careful little mousie. Mighty ant has happened to the dear old gen- lucky she did, for who should be tleman rabbit. Little Miss Mousie has standing outside but Danny Fox in his made sure of that. His warm com- tiptoe sox.

fortable carpet slippers and a hot cup "You can't come in," screamed Litof Turnip Tea are always ready for the Miss Mousie through the keyhole. him when he comes home. "Keeps "Uncle Lucky has the rheumatism in the rheumatism from my little pinkie his pinkie toe." toe," often laughs dear Uncle Lucky. | "Just what I thought was the mat-

But this particular morning about iter with him," answered the sly old which I'm going to write, the old gen- fox. "And that's why I'm here with a tleman rabbit woke up with a pain bottle of liniment."

Jams Fresh from the Orchard to the Home

he sighed, "has Old Man Rheumatiz paid me a visit while asleep and given my pinky toe a tweak?" The next minute up hopped dear Uncle Lucky, but Oh dear me and oh dear you! when his foot touched the floor he felt mighty blue. Yes he did. For his little pinky twitched with pain, making him sing this sad rerain

When I was young and frisky. Way back in '63, million nimble bunny hops Was nothing much for me. But now I've reached the slippered

age, I'm careful where I go,

(roubles."

For crafty Old Man Rheumatiz

Chivers & Sons own 6,000 acres of land, a large proportion of which is devoted to fruit culture. They us mach year thousands of tons . fruit freshly picked from their own orchards and preserved as soon as gathered with refined sugar only.

Combines highest Quality with greatest Economy. It creams up into a nutritive Custard of exquisite flavour. A Packet makes 1 Pint. A Drume nakes over 100 cups.
