## A Special Issue.

Next week's issue, which will have four extra pages of reading matter, will contain a full report of the interesting proceedings at the first annual meeting of the Canadian Military Rifle League on Monday evening last, together with a complete list of the team and individual prize winners and their scores.

This special issue will also contain a full report of the Dominion Rifle Association prize meeting, with carefully revised lists of winners of team and individual prizes, giving the names and scores of the members of each winning team. These revised and detailed lists could not be obtained in time for insertion this week, but will lose none of their interest by holding over for the special edition.

Persons desiring extra copies should make early application in order to secure them. Such a complete report of the two greatest rifle shooting events ever transpiring in one week in Canada should be in the hands of every rifleman, and can be obtained nowhere except in the MILITIA GAZETTE.

Experiences such as those of the Toronto riflemen are common in England, where every now and again persons with conflicting interests seek the closing of a rifle range, the plea of danger to life invariably being put in. In consequence of a recent complaint the Harrow range was for the time being declared closed by the War Office; and then the complainants were asked for evidence to prove the danger. A specific instance was at once forthcoming, but judge of the discomfiture ensuing when it was shown that on the day the wild shooting was claimed to have occurred the range was actually closed for haymaking! Investigation would likely as effectually dispose of the allegations respecting danger from firing on the Toronto Garrison Common. The chances are that the casualties arising out of the alleged "attractions" offered by the Exhibition Association on their side of the fence, have been and will continue to be greater than those resulting from the practice of the riflemen whom they would drive off.

In an interesting article on the Command of the Militia, appearing recently in the Perth *Expositor*, whose editor is an able and much respected officer, that paper says:—

"The volunteers feel that the whole force should not be sacrificed for the purpose of giving one man promotion; that it is absolutely necessary for the well being and

improvement of the force, that the command should be in the hands of an officer who has had a large and recent experience in active service, one of the best men possible to be obtained in the British army. If there were such an one of Canadian birth they would gladly welcome him as their commander; but there are few Canadians who have attained that experience in active service, which will fit them properly for this responsible post. He must not only be a man of large experience, but also one of broad views, great tact, and while firm in criticizing, capable of seeing and sympathizing with the numerous difficulties with which the Canadian volunteers have to contend. A man whose character and services will give the necessary weight to his recommendations so that they may have a reasonable chance of being adopted."

The foregoing we believe to be an exposition of the views of the great majority of the officers in the service.

### Ontario Rifle Association.

The eighteenth annual prize meeting of the Ontario Rifle Association, held at Toronto, commenced Monday, 25th August. In the morning rain threatened, but it fortunately held off. The entries were about the same in number as last year. The firing tickets were all timed, and when presented at the proper butt were targetted by the range officers, this arrangement working very well. The whole management of the meeting was exemplary, and the competitors noted with pleasure the absence of causes of annoyance felt at previous meetings. There was, however, one substantial grievance on this occasion, this being the excessive charge for extra series tickets, a charge warranted neither by the trouble involved nor by the prize lists. As these extra competitions are not fired on targets continuously set apart for the purpose, but only on the regular match targets prior to the opening of the regular matches, their main use is for "sighting shots," and as such they are altogether too costly.

The forenoon of Monday was given to extra series, when all who wished got their elevations for the regular matches. At 1 p.m. the regular matches were commenced and the "maidens" entertained themselves for an hour in the Canada Company match, 200 and 400 yards, five shots. These were the individual prize winners :—

\$10 Sgt. J. Jardine, 29th..... 43	\$ 4 Pte. Gillard, 28th..... 38

5 Pte. N. E. Matthews, Q. O. R... 41	3 Sgt. Spence, R. Grens..... 38
5 Bug. Scott, Q. O. R..... 41	3 Pte. Wm. Paine, O. R. A..... 37

At 2 o'clock the Macdonald match (200 yards, 7 shots standing) was commenced. The puffy wind, helped by the reduced inner and magpie, cut down the usual good scores to very low figures :—

After the finish of the Macdonald they moved back to 500-yards when the Gilmour was fired. The weather for this match was all that could be desired, and some very fine scores were made, Stf-Sgt. Dent, 10th R. G., and Lieut. Curran, 12th Batt., both putting on the full possible :—

In the afternoon the Extra Series were open for an hour, after which the Walker was fired. The Business Meeting.

The annual general meeting of the competitors was held Tuesday evening in the Temperance Hall, and a large number were present. A great amount of routine business was transacted. The annual report caused considerable discussion, but was eventually carried as presented. The council for 1890-1 were then elected as follows :—

First Military District—Major White, of the 30th Wellington Rifles, Arthur; Mr. John Crowe, Guelph; Capt. George Hayes, London; Mr. George Sleeman, Guelph. Second Military District—Lieut.-Col. Jones, Brantford; Major Delamere, Toronto; Major McSpadden, Toronto; Lieut. A. Pain, Hamilton. Third Military District—Captain Russell, Bowmanville; Capt. Deyell, Port Hope; Lieut. Macnachtan, Cobourg; Capt. Dennistoun, Peterboro'. Fourth Military District—Lieut.-Colonel John Macpherson, Ottawa; Lieut. Col. J. P. Macpherson, Ottawa; Capt. Gray, Ottawa; Major Wright, Ottawa.

The following were elected to represent this association on Dominion Rifle Association Council, viz.: Sir Casimir Gzowski, A. D. C. to the Queen; Lieut.-Colonel Macdonald, 1st Brigade of Field Artillery; Major Mason, 13th Batt.; Lieut.-Colonel J. P. Macpherson, Ottawa; Lieut. Macnachtan, Cobourg Garrison Artillery; Lieut.-Colonel Anderson, 43rd Batt.; Capt. Macdonald, Queen's Own Rifles.

This committee was appointed to select the Provincial team to compete at the D. R. A. matches at Ottawa: Major Mason, 13th Battalion, Hamilton; Major Sam Hughes, 45th Battalion; Capt. Bruce, Royal Grenadiers; Lieut.-Col. J. P. Macpherson, Ottawa.

A resolution was passed thanking Lt.-Col. Gzowski, A.D.C., and Wm. Mulock, M.P., for their liberal donations. Mr. Mulock thanked the association for the vote.

A resolution was also passed asking the council to consider the advisability of changing the system of squadding and reducing the fee for the extra series.

Toronto's objections to the use of Garrison Common range being brought up, President Mulock said he feared that were another fatality to occur it would be found impossible for the association to overcome the public prejudice against the range, and therefore every possible precaution against accident should be observed.

Major Hughes moved a motion appointing a committee to search for a new range, but withdrew it at the suggestion of Lt.-Col. Gibson, who said he believed the range could be used with safety for many years to come, and should not be surrendered to the wealthy Industrial Exhibition Association, who wanted to get the land for nothing.

Capt. Manley introduced the subject of the scoring in the Military Rifle League simultaneous matches; and, in view of the doubts which he said were entertained, he moved a resolution expressing disapproval on the part of the association of the wearing of the badges issued by the League. The resolution met with general disapproval, amongst those who spoke against it being Lt.-Col. Macpherson, who raised a laugh with his qualifying remark that "the scores may have been made, though I think they are a little large."

The new Council met next day, President Mulock presiding. It was decided to drop the extra series shooting next year, and substitute a new match at 200 and 500 yards, in order that young shots might be encouraged. It was also decided that sighting shots should be allowed at all matches next year. The Council elected the following officers for the Association for the current year :—

President—Mr. William Mulock, M.P., Toronto.  
Vice-Presidents—First Military District, Lieut.-Col. Lewis, Retired List, London; Second Military District, Lieut.-Col. Jones, Dufferin

Rifles, Brantford; Third Military District, Major S. Hughes, 45th Battalion, Lindsay; Fourth Military District, Lieut.-Col. Macpherson, Militia Staff, Ottawa.

Treasurer—Lieut.-Col. Alger, District Paymaster, Toronto.

Secretary—Capt. Mutton, Queen's Own Rifles, Toronto.

Auditors—Capt. George Boomer, Retired List, Toronto; Capt. T. D. Delamere, Retired List, Toronto.

The first two having tied, shot off, Major Hartt winning. The scores were 4, 5, 5—14; and 5, 5, 3—13. As this is the third year in which the competition for the cup has taken place, Major Hartt, 62nd Bn., the now winner, will hold it for the present year, and at the next annual meeting he, and the two who were successful in the years preceding, will shoot off for its ultimate ownership. The other two who are in the race for the trophy are Gunner Loggie, N.F.B., and Lieut. Perkins, 71st.

For the Domville Cup match the wind freshened considerably, being quite gusty at times, while the changing light made high scores next to impossible. This match was for the cup presented by Lieut.-Col. Domville, 8th Cavalry, and \$115 added by the Association. The cup restricted to bona fide residents of the province and to be held for the year by the winner. Entrance fee, 25 cents; ranges, 500 and 600 yards; seven shots:—

**W. J. JEFFERY & CO.,**

Rifle and Rifle Requisites Manufacturer

60 QUEEN VICTORIA ST., LONDON, E.C.

THE "PERFECT" SIGHT ELEVATOR AND WIND GAUGE.

Hanging Pattern, made of a special quality Hard German Silver, divided in 150ths of an inch, with complete Tables of Elevation and Wind Allowance, for the Martini Rifle,

\$2.15. Postage, 25c. for 1 to 6.

N.B.—These Verniers do not alter the position of the Sliding Bar, nor is it necessary to lower the Slide when detaching the Vernier from the Back Sight.

Jeffery's Patent Sight Elevators are being used by the majority of the most well known rifle shots.

Mr. M'VITTIE, who uses one of these Elevators, says: "Your German Silver Elevators are a great improvement on the Gun Metal, as they do not discolor, and the Scales are therefore more easily read. They are made on the right principle—viz. hanging on the Vernier, and with the 150th Scales. All who make any pretensions to Shooting should possess one of these Verniers."

Mr. C. H. JACKSON, winner of the Queen's Prize, 1886, says: "I unhesitatingly pronounce your Sight Elevator and Wind Gauge the best I have hitherto seen. Absence of play in the screw, and firm attachment to bar when drawing the line are noteworthy features. I predict that the Perfect Vernier will command a ready sale."

A Volunteer's Shooting "Kit" should comprise one of each of the following Articles, in addition to the Rifle:
