The copy filmed here has been reproduced thanks to the generosity of:

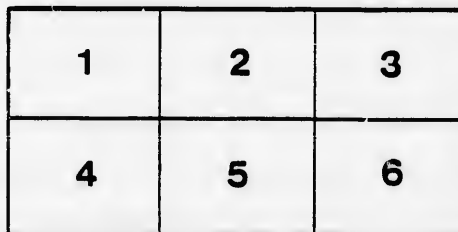

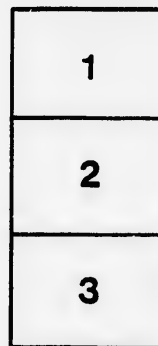

Department of Rare Books
and Special Collections,
McGill University, Montreal.

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche sheet contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Department of Rare Books
and Special Collections,
McGill University, Montreal.

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

ANNOUNCEMENT OF THE LOCAL SECRETARIES.

The sessions of the Association, which begin on Wednesday, August 23rd, at 10 a.m., will be held in the buildings of the McGill University. The offices of the Permanent Secretary and the Local Secretaries, with Post-office, Express, Telegraph and Telephone, will be in the central building of the College, and the General Sessions will be held in the William Molson Hall. The Queen's Hall, in University Street, will, however, serve for public evening meetings.

Members are requested to call and register their names at the offices of the Permanent and Local Secretaries, in the central building, McGill College, as soon as possible after their arrival. They are requested to enter separately each member of their families accompanying them. Each person so registered will receive a ribbon, stamped with the number against his or her name on the register, and is requested to wear it during the meeting. This will greatly facilitate the local arrangements. Upon registering their names, members will receive a hand-book of Montreal, prepared by the Local Committee.

The present programme states, as far as possible, with the exception of the papers to be read, the events of each day. The subsequent daily programmes will contain the order of papers to be read in the Sections, lists of members present, lists of members elected, and other information.

Members of the Local Committee will be in waiting at the Committee Room each day, and at the Windsor Hotel each evening, to render such assistance as may be needed, and will be designated by a badge.

Members of the Lodging Committee may also be found in the same places at the same times.

Members of the Railway Committee will be in attendance at the Committee Room, daily, to give such information as may be in their power.

Members of the Excursion Committee will be in attendance at the same place, and members of the Association intending to avail themselves of the opportunities offered, will please register their names for the several excursions as soon as possible.

The excursion to Ottawa by the Canadian Pacific Railway, that to Quebec by the Richelieu & Ontario Co's steamer, returning by North Shore Railway, that to Lake Memphremagog by the South Eastern Railway, and that to Lachine by the Grand Trunk Railway, are given by these lines free of charge.

Through the liberality of the Western Union Telegraph Co., and the Great North-Western Telegraph Company, telegraphic mes-

sages relating to family, social or scientific matters, will be sent from Montreal, during the meeting, for members of the Association, free of charge to all parts of the United States and Canada.

Members going to hotels will be taken thither with baggage at twenty-five cents. There will also be omnibuses plying between the College and the principal hotels for a fare of ten cents. These omnibuses will be marked, A.A.A.S.

A daily luncheon will be furnished in a temporary building in the College grounds, the first day's luncheon being complimentary.

The Association Post-office will be found in the central building of the College. The office will be open from 8 a.m. to 6 p.m., from August 22nd to 31st, excepting on Sunday, when it will be open only from 2 to 4 o'clock p.m.

Mails will be received three times a day: at 8 a.m., 10 a.m., and at 2 p.m. Letters will be sent to the main office at 2 p.m., 5 p.m., and at 6.30 p.m. Express packages will be received and delivered at the Association Post-office.

The City Directory, Pathfinder, Railway Time-tables, Railway Guides, &c., will be found at the office of the Local Secretaries.

Representatives of the press in attendance upon the meeting can obtain special tickets on application to the Local Secretaries.

General invitations have been extended to the members of the Association by:—

- The Library and Museum of McGill University;
- The Library of the Mechanics' Institute of Montreal, St. James Street;
- The Gallery of the Art Association of Montreal, Phillips Square;
- The Museum of the Natural History Society of Montreal, University Street;
- The Collections of the Numismatic Society in the Natural History Society's building, University Street;
- The Reading Room of the Young Men's Christian Association, Victoria Square;
- Merchants' Exchange Reading Room, St. Sacrament Street;
- Barnjum's Gymnasium, University Street.

NOTICES OF EXCURSIONS.

Excursions to Quebec and Ottawa, on Saturday, 26th.

Excursion to Lachine by rail, and down the Lachine Rapids by steamer, daily, both morning and evening.

Visit to the Harbor, Victoria Bridge and Grand Trunk workshops, on Wednesday, 30th.

Excursion to Newport, Vermont, and Lake Memphremagog, on Thursday, August 31st.

ANNOUNCEMENT OF THE PERMANENT SECRETARY.

Members will please call at the office of the Permanent Secretary, central building, McGill University, as soon as possible after arrival, to receive their members' tickets.

All assessments and admission-fees must be paid at the office of the Permanent Secretary, and the assessment for the meeting must be paid before registering with the Local Secretaries.

A list of newly elected members will be kept at the office of the Permanent Secretary, and the admission fee of \$5.00 and assessment of \$3.00 must be paid before membership is secured.

Members will please report any change of permanent address, or the decease of other members, at the office of the Permanent Secretary.

Blanks for entering the Titles of Communications and for Recommendation to Membership can be obtained at the office of the Permanent Secretary.

A subscription-list for the Montreal volume will be opened at the office of the Permanent Secretary; and subscriptions are solicited from friends of the Association, and from such members as wish to obtain duplicate copies of the volume. Every person subscribing \$1.50 or more, will receive a copy of the volume, by mail, as soon as published.

The volumes of the Proceedings of the Association can be obtained from the Permanent Secretary at the price of \$1.50 per volume; or any member wishing for ten or more volumes, in order to complete a set, may obtain them at \$1.00 per volume. The volumes may be had bound in cloth for the extra price of 50 cts. each, or in half morocco for the extra price of \$1.00 each.

Uniform cloth covers for the volumes will be furnished by mail at 30 cts. each, or by express for 25 cts. each. Copies of volumes 2, 22, 27 and 28 will be received in exchange for other volumes, or will be purchased at \$1.00 each. At present copies of volume 27 can only be furnished to members, or on orders, as they are obtained.

The Memoir on Fossil Butterflies, by Mr. S. H. Scudder, published by the donation of Mrs. Elizabeth Thompson, 4to, 1875, will be furnished at \$2.00 a copy, or at \$3.50 bound in half morocco. The Transactions of the American Association of Geologists and Naturalists, 1 vol., 8vo., 1843, bound in cloth, can be obtained at \$3.00 a copy, or bound in half morocco, uniform with the Proceedings, for \$4.00.

At the Boston meeting the Standing Committee called attention to the importance of re-printing several volumes of the Proceedings of this Association, but stated that this could not be done without the liberal assistance of members and others interested, and asked for subscriptions for this purpose. As full sets of the Proceedings are in demand, particularly in consequence of the late increase in membership, it is hoped that the necessary means will be secured for this purpose. The re-printing of two volumes is now desirable, and of two others only a small number of copies remain. Subscriptions of any amount are therefore earnestly solicited, and all such will be acknowledged by the *Permanent Secretary*, by letter, and also in a printed list of subscribers. The Secretary has the pleasure of stating that \$204 have already been received from members for this purpose, and that GEN. WM. LILLY has given \$1000 for the re-printing and stereotyping of volume 26, copies of which will be ready for delivery early in September.

The CINCINNATI VOLUME has been sent to every member who paid the assessment to the meeting previous to August 17th. Those paying since that date, and those paying back-assessments at Montreal, will receive the volumes to which they are entitled by mail early in September.

ANNOUNCEMENT OF THE STANDING COMMITTEE.

THE STANDING COMMITTEE calls the attention of members to the enlarged scope of the Association, and the consequent changes in the Sections, resulting from the adoption of the amendments to the Constitution at Cincinnati, which take effect at the present meeting. There are now nine Sections of equal standing, each presided over by a Vice-President, and having its own Secretary and Sectional Committee, as follows:—

Sec. A.—MATHEMATICS AND ASTRONOMY. *Sec. B.*—PHYSICS.
Sec. C.—CHEMISTRY, including its applications to Agriculture and the Arts. *Sec. D.*—MECHANICAL SCIENCE. *Sec. E.*—GEOLOGY AND GEOGRAPHY. *Sec. F.*—BIOLOGY. *Sec. G.*—HISTOLOGY AND MICROSCOPY. *Sec. H.*—ANTHROPOLOGY. *Sec. I.*—ECONOMIC SCIENCE AND STATISTICS.

Attention is requested to the following extracts from the Constitution of the Association, and to the statement in relation to papers.

MEMBERS, FELLOWS, LIFE MEMBERS AND PATRONS.

ART. 3. Any person may become a Member of the Association upon recommendation in writing by two members or fellows, nomination by the Standing Committee, and election by a majority of the members and fellows present in General Session.

(Blank forms for recommendation to membership will be furnished on application to the Permanent or Local Secretaries. Recommendations should reach the General Secretary as early as possible each day.)

ART. 4. Fellows shall be nominated by the Standing Committee from such of the members as are professionally engaged in science, or have by their labors aided in advancing science. The election of fellows shall be by ballot and a majority vote of the members and fellows present in General Session.

ART. 5. Any person paying to the Association the sum of one thousand

dollars shall be classed as a Patron, and shall be entitled to all the privileges of a member and to all its publications.

ART. 7. The name of any member or fellow two years in arrears for annual dues shall be erased from the list of the Association, provided that two notices of indebtedness, at an interval of at least three months, shall have been given; and no such person shall be restored until he has paid his arrearages or has been re-elected.

ART. 34. The admission fee for members shall be five dollars in addition to the annual assessment. On the election of any member as a fellow an additional fee of two dollars shall be paid.

ART. 35. The annual assessment for members and fellows shall be three dollars.

ART. 36. Any member or fellow who shall pay the sum of fifty dollars to the Association, at any one time, shall become a Life Member, and as such shall be exempt from all further assessments, and shall be entitled to the Proceedings of the Association. All money thus received shall be invested as a permanent fund, the income of which shall be used only to assist in original research, unless otherwise directed by the unanimous vote of the Standing Committee.

ART. 37. All admission fees and assessments must be paid to the Permanent Secretary (or his assistant), who shall give proper receipts for the same.

PAPERS.

ART 28. All members and fellows must forward to the Permanent Secretary, as early as possible, and, when practicable, before the convening of the Association, full titles of all the papers which they propose to present during the meeting, with a statement of the time that each will occupy in delivery, and also such abstracts of their contents as will give a general idea of their nature; and no title shall be referred by the Standing Committee to the Sectional Committee until an abstract of the paper or the paper itself has been received.

ART. 25. A paper shall not be read in any Section or Sub-section until it has been received from the Standing Committee and placed on the programme of the day by the Sectional Committee.

* * * The receipt of a *title of a paper* simply, is not sufficient to secure its being placed on the printed list of papers received, and it is particularly requested that the abstracts be prepared *ready for printing* in the volume of Proceedings. Blank forms for giving the titles and abstracts of papers will be furnished by the Permanent Secretary on application. The Standing Committee particularly call attention to the fact that *papers cannot be received after Saturday, noon, Aug. 26.*

At the last meeting of the Standing Committee it was determined to adopt the plan of *printing abstracts of all the papers read* before the Sections in the Proceedings, beginning with the Montreal meeting; unless by a special vote, on recommendation of a Sectional Committee, it should be decided to print the paper by title only, or, in exceptional cases, in full.

ANNOUNCEMENT OF THE PERMANENT SECRETARY.

Members will please call at the office of the Permanent Secretary, central building, McGill University, as soon as possible after arrival, to receive their members' tickets.

All assessments and admission-fees must be paid at the office of the Permanent Secretary, and the assessment for the meeting must be paid before registering with the Local Secretaries.

A list of newly elected members will be kept at the office of the Permanent Secretary, and the admission fee of \$5.00 and assessment of \$3.00 must be paid before membership is secured.

Members will please report any change of permanent address, or the decease of other members, at the office of the Permanent Secretary.

Blanks for entering the Titles of Communications and for Recommendation to Membership can be obtained at the office of the Permanent Secretary.

A subscription-list for the Montreal volume will be opened at the office of the Permanent Secretary; and subscriptions are solicited from friends of the Association, and from such members as wish to obtain duplicate copies of the volume. Every person subscribing \$1.50 or more, will receive a copy of the volume, by mail, as soon as published.

The volumes of the Proceedings of the Association can be obtained from the Permanent Secretary at the price of \$1.50 per volume; or any member wishing for ten or more volumes, in order to complete a set, may obtain them at \$1.00 per volume. The volumes may be had bound in cloth for the extra price of 50 cts. each, or in half morocco for the extra price of \$1.00 each. Uniform cloth covers for the volumes will be furnished by mail

at 30 cts. each, or by express for 25 cts. each. Copies of volumes 2, 22, 27 and 28 will be received in exchange for other volumes, or will be purchased at \$1.00 each. At present copies of volume 27 can only be furnished to members, or on orders, as they are obtained.

The Memoir on Fossil Butterflies, by Mr. S. H. Scudder, published by the donation of Mrs. Elizabeth Thompson, 4to, 1875, will be furnished at \$2.00 a copy, or at \$3.50 bound in half morocco. The Transactions of the American Association of Geologists and Naturalists, 1 vol., 8vo., 1843, bound in cloth, can be obtained at \$3.00 a copy, or bound in half morocco, uniform with the Proceedings, for \$4.00.

At the Boston meeting the Standing Committee called attention to the importance of re-printing several volumes of the Proceedings of this Association, but stated that this could not be done without the liberal assistance of members and others interested, and asked for subscriptions for this purpose. As full sets of the Proceedings are in demand, particularly in consequence of the late increase in membership, it is hoped that the necessary means will be secured for this purpose. The re-printing of two volumes is now desirable, and of two others only a small number of copies remain. Subscriptions of any amount are therefore earnestly solicited, and all such will be acknowledged by the *Permanent Secretary*, by letter, and also in a printed list of subscribers. The Secretary has the pleasure of stating that \$204 have already been received from members for this purpose, and that GEN. WM. LILLY has given \$1000 for the re-printing and stereotyping of volume 26, copies of which will be ready for delivery early in September. The *Permanent Secretary* has the pleasure to add that a member who wishes to be unknown has given \$850 since the Montreal meeting has begun.

The CINCINNATI VOLUME has been sent to every member who paid the assessment to the meeting previous to August 17th. Those paying since that date, and those paying back-assessments at Montreal, will receive the volumes to which they are entitled by mail early in September.

ANNOUNCEMENT OF THE LOCAL SECRETARIES.

The sessions of the Association, which begun on Wednesday, August 23rd, at 10 a.m., will be held in the buildings of the McGill University. The offices of the Permanent Secretary and the Local Secretaries, with Post-office, Express, Telegraph and Telephone, will be in the central building of the College, and the General Sessions will be held in the William Molson Hall. The Queen's Hall, in University Street, will, however, serve for public evening meetings.

Members are requested to call and register their names at the offices of the Permanent and Local Secretaries, in the central building, McGill College, as soon as possible after their arrival. They are requested to enter separately each member of their families accompanying them. Each person so registered will receive a ribbon, stamped with the number against his or her name on the register, and is requested to wear it during the meeting. This will greatly facilitate the local arrangements. Upon registering their names, members will receive a hand-book of Montreal, prepared by the Local Committee.

The present programme states, as far as possible, with the exception of the papers to be read, the events of each day. The subsequent daily programmes will contain the order of papers to be read in the Sections, lists of members present, lists of members elected, and other information.

Members of the Local Committee will be in waiting at the Committee Room each day, and at the Windsor Hotel each evening, to render such assistance as may be needed, and will be designated by a badge.

Members of the Lodging Committee may also be found in the same places at the same times.

Members of the Railway Committee will be in attendance at the Committee Room, daily, to give such information as may be in their power.

Members of the Excursion Committee will be in attendance at the same place, and members of the Association intending to avail themselves of the opportunities offered, will please register their names for the several excursions as soon as possible.

The excursion to Ottawa by the Canadian Pacific Railway, that to Quebec by the Richelieu & Ontario Co's steamer, returning by North Shore Railway, that to Lake Memphremagog by the South Eastern Railway, and that to Lachine by the Grand Trunk Railway, are given by these lines free of charge.

ANNOUNCEMENT OF THE PERMANENT SECRETARY.

Members will please call at the office of the Permanent Secretary, central building, McGill University, as soon as possible after arrival, to receive their members' tickets.

All assessments and admission-fees must be paid at the office of the Permanent Secretary, and the assessment for the meeting must be paid before registering with the Local Secretaries.

A list of newly elected members will be kept at the office of the Permanent Secretary, and the admission fee of \$5.00 and assessment of \$3.00 must be paid before membership is secured.

Members will please report any change of permanent address, or the decease of other members, at the office of the Permanent Secretary.

Blanks for entering the Titles of Communications and for Recommendation to Membership can be obtained at the office of the Permanent Secretary.

A subscription-list for the Montreal volume will be opened at the office of the Permanent Secretary; and subscriptions are solicited from friends of the Association, and from such members as wish to obtain duplicate copies of the volume. Every person subscribing \$1.50 or more, will receive a copy of the volume, by mail, as soon as published.

The volumes of the Proceedings of the Association can be obtained from the Permanent Secretary at the price of \$1.50 per volume; or any member wishing for ten or more volumes, in order to complete a set, may obtain them at \$1.00 per volume. The volumes may be had bound in cloth for the extra price of 50 cts. each, or in half morocco for the extra price of \$1.00 each. Uniform cloth covers for the volumes will be furnished by mail

at 30 cts. each, or by express for 25 cts. each. Copies of volumes 2, 22, 27 and 28 will be received in exchange for other volumes, or will be purchased at \$1.00 each. At present copies of volume 27 can only be furnished to members, or on orders, as they are obtained.

The Memoir on Fossil Butterflies, by Mr. S. H. Scudder, published by the donation of Mrs. Elizabeth Thompson, 4to, 1875, will be furnished at \$2.00 a copy, or at \$3.50 bound in half morocco. The Transactions of the American Association of Geologists and Naturalists, 1 vol., 8vo., 1843, bound in cloth, can be obtained at \$3.00 a copy, or bound in half morocco, uniform with the Proceedings, for \$4.00.

At the Boston meeting the Standing Committee called attention to the importance of re-printing several volumes of the Proceedings of this Association, but stated that this could not be done without the liberal assistance of members and others interested, and asked for subscriptions for this purpose. As full sets of the Proceedings are in demand, particularly in consequence of the late increase in membership, it is hoped that the necessary means will be secured for this purpose. The re-printing of two volumes is now desirable, and of two others only a small number of copies remain. Subscriptions of any amount are therefore earnestly solicited, and all such will be acknowledged by the *Permanent Secretary*, by letter, and also in a printed list of subscribers. The *Secretary* has the pleasure of stating that \$204 have already been received from members for this purpose, and that GEN. WM. LILLY has given \$1000 for the re-printing and stereotyping of volume 26, copies of which will be ready for delivery early in September. The *Permanent Secretary* has the pleasure to add that a member who wishes to be unknown has given \$850 since the Montreal meeting has begun.

The CINCINNATI VOLUME has been sent to every member who paid the assessment to the meeting previous to August 17th. Those paying since that date, and those paying back-assessments at Montreal, will receive the volumes to which they are entitled by mail early in September.

ANNOUNCEMENT OF THE LOCAL SECRETARIES.

The sessions of the Association, which begun on Wednesday, August 23rd, at 10 a.m., will be held in the buildings of the McGill University. The offices of the Permanent Secretary and the Local Secretaries, with Post-office, Express, Telegraph and Telephone, will be in the central building of the College, and the General Sessions will be held in the William Molson Hall. The Queen's Hall, in University Street, will, however, serve for public evening meetings.

Members are requested to call and register their names at the offices of the Permanent and Local Secretaries, in the central building, McGill College, as soon as possible after their arrival. They are requested to enter separately each member of their families accompanying them. Each person so registered will receive a ribbon, stamped with the number against his or her name on the register, and is requested to wear it during the meeting. This will greatly facilitate the local arrangements. Upon registering their names, members will receive a hand-book of Montreal, prepared by the Local Committee.

Members of the Local Committee will be in waiting at the Committee Room each day, to render such assistance as may be needed, and will be designated by a badge.

Members of the Railway Committee will be in attendance at the Committee Room, daily, to give such information as may be in their power.

Members of the Excursion Committee will be in attendance at the same place, and members of the Association intending to avail themselves of the opportunities offered, will please register their names for the several excursions as soon as possible.

The excursion to Lake Memphremagog by the South Eastern Railway, and that to Lachine by the Grand Trunk Railway, are given by these lines free of charge.

Through the liberality of the Western Union Telegraph Co., and the Great North-Western Telegraph Company, telegraphic messages relating to family, social or scientific matters, will be sent from Montreal, during the meeting, for members of the Association, free of charge to all parts of the United States and Canada.

Members going to hotels will be taken thither with baggage at twenty-five cents. There will also be omnibuses plying between the College and the principal hotels for a fare of ten cents. These omnibuses will be marked, A.A.A.S.

There will be a daily luncheon in a temporary building in the College grounds, for which tickets may be purchased at the door.

This very comfortable hotel at one of the most popular summer resorts in Canada, may be reached by Steamer leaving Jacques Cartier Wharf at 5 p. m. Returning the Steamer leaves Varennes at 7.50 a. m., reaching Montreal at 9 a. m.

The trip through the St. Lawrence is delightful, and will be found refreshing after a day's Association work.

ANNOUNCEMENT OF THE PERMANENT SECRETARY.

Members will please call at the office of the Permanent Secretary, central building, McGill University, as soon as possible after arrival, to receive their members' tickets.

All assessments and admission-fees must be paid at the office of the Permanent Secretary, and the assessment for the meeting must be paid before registering with the Local Secretaries.

A list of newly elected members will be kept at the office of the Permanent Secretary, and the admission fee of \$5.00 and assessment of \$3.00 must be paid before membership is secured.

Members will please report any change of permanent address, or the decease of other members, at the office of the Permanent Secretary.

Blanks for Recommendation to Membership can be obtained at the office of the Permanent Secretary.

A subscription-list for the Montreal volume of proceedings is open at the office of the Permanent Secretary; and subscriptions are solicited from friends of the Association, and from such members as wish to obtain duplicate copies of the volume. Every person subscribing \$1.50 or more, will receive a copy of the volume, by mail, as soon as published.

The volumes of the Proceedings of the Association can be obtained from the Permanent Secretary at the price of \$1.50 per volume; or any member wishing for ten or more volumes, in order to complete a set, may obtain them at \$1.00 per volume. The volumes may be had bound in cloth for the extra price of 50 cts. each, or in half morocco for the extra price of \$1.00 each. Uniform cloth covers for the volumes will be furnished by mail.

at 30 cts. each, or by express for 25 cts. each. Copies of volumes 2, 22, 27 and 28 will be received in exchange for other volumes, or will be purchased at \$1.00 each. At present copies of volume 27 can only be furnished to members, or on orders, as they are obtained.

The Memoir on Fossil Butterflies, by Mr. S. H. Scudder, published by the donation of Mrs. Elizabeth Thompson, 4to, 1875, will be furnished at \$2.00 a copy, or at \$3.50 bound in half morocco. The Transactions of the American Association of Geologists and Naturalists, 1 vol., 8vo., 1843, bound in cloth, can be obtained at \$3.00 a copy, or bound in half morocco, uniform with the Proceedings, for \$4.00.

At the Boston meeting the Standing Committee called attention to the importance of re-printing several volumes of the Proceedings of this Association, but stated that this could not be done without the liberal assistance of members and others interested, and asked for subscriptions for this purpose. As full sets of the Proceedings are in demand, particularly in consequence of the late increase in membership, it is hoped that the necessary means will be secured for this purpose. The re-printing of two volumes is now desirable, and of two others only a small number of copies remain. Subscriptions of any amount are therefore earnestly solicited, and all such will be acknowledged by the *Permanent Secretary*, by letter, and also in a printed list of subscribers. The Secretary has the pleasure of stating that \$204 have already been received from members for this purpose, and that GEN. WM. LILLY has given \$1000 for the re-printing and stereotyping of volume 26, copies of which will be ready for delivery early in September. The Permanent Secretary has the pleasure to add that a member who wishes to be unknown has given \$850 since the Montreal meeting begun.

The CINCINNATI VOLUME has been sent to every member who paid the assessment to the meeting previous to August 17th. Those paying since that date, and those paying back-assessments at Montreal, will receive the volumes to which they are entitled by mail early in September.

ANNOUNCEMENT OF THE LOCAL SECRETARIES.

The sessions of the Association, which begun on Wednesday, August 23rd, at 10 a.m., will be held in the buildings of the McGill University. The offices of the Permanent Secretary and the Local Secretaries, with Post-office, Express, Telegraph and Telephone, will be in the central building of the College, and the General Sessions will be held in the William Molson Hall. The Queen's Hall, in University Street, will, however, serve for public evening meetings.

Members are requested to call and register their names at the offices of the Permanent and Local Secretaries, in the central building, McGill College, as soon as possible after their arrival. They are requested to enter separately each member of their families accompanying them. Each person so registered will receive a ribbon, stamped with the number against his or her name on the register, and is requested to wear it during the meeting. This will greatly facilitate the local arrangements. Upon registering their names, members will receive a hand-book of Montreal, prepared by the Local Committee.

Members of the Local Committee will be in waiting at the Committee Room each day, to render such assistance as may be needed, and will be designated by a badge.

Members of the Railway Committee will be in attendance at the Committee Room, daily, to give such information as may be in their power.

Members of the Excursion Committee will be in attendance at the same place, and members of the Association intending to avail themselves of the opportunities offered, will please register their names for the several excursions as soon as possible.

The excursion to Lake Memphremagog by the South Eastern Railway, and that to Lachine by the Grand Trunk Railway, are given by these lines free of charge.

Through the liberality of the Western Union Telegraph Co., and the Great North-Western Telegraph Company, telegraphic messages relating to family, social or scientific matters, will be sent from Montreal, during the meeting, for members of the Association, free of charge to all parts of the United States and Canada.

Members going to hotels will be taken thither with baggage at twenty-five cents. There will also be omnibuses plying between the College and the principal hotels for a fare of ten cents. These omnibuses will be marked, A.A.A.S.

There will be a daily luncheon in a temporary building in the College grounds, for which tickets may be purchased at the door.

This very comfortable hotel at one of the most popular summer resorts in Canada, may be reached by Steamer leaving Jacques Cartier Wharf at 5 p. m. Returning the Steamer leaves Varennes at 7.50 a. m., reaching Montreal at 9 a. m.

The trip through the St. Lawrence is delightful, and will be found refreshing after a day's Association work.

ANNOUNCEMENT OF THE PERMANENT SECRETARY.

Members will please call at the office of the Permanent Secretary, central building, McGill University, as soon as possible after arrival, to receive their members' tickets.

All assessments and admission-fees must be paid at the office of the Permanent Secretary, and the assessment for the meeting must be paid before registering with the Local Secretaries.

A list of newly elected members will be kept at the office of the Permanent Secretary, and the admission fee of \$5.00 and assessment of \$3.00 must be paid before membership is secured.

Members will please report any change of permanent address, or the decease of other members, at the office of the Permanent Secretary.

Blanks for Recommendation to Membership can be obtained at the office of the Permanent Secretary.

A subscription-list for the Montreal volume of proceedings is open at the office of the Permanent Secretary; and subscriptions are solicited from friends of the Association; and from such members as wish to obtain duplicate copies of the volume. Every person subscribing \$1.50 or more, will receive a copy of the volume, by mail, as soon as published.

The volumes of the Proceedings of the Association can be obtained from the Permanent Secretary at the price of \$1.50 per volume; or any member wishing for ten or more volumes, in order to complete a set, may obtain them at \$1.00 per volume. The volumes may be had bound in cloth for the extra price of 50 cts. each, or in half morocco for the extra price of \$1.00 each. Uniform cloth covers for the volumes will be furnished by mail

at 30 cts. each, or by express for 25 cts. each. Copies of volumes 2, 22, 27 and 28 will be received in exchange for other volumes, or will be purchased at \$1.00 each. At present copies of volume 27 can only be furnished to members, or on orders, as they are obtained.

The Memoir on Fossil Butterflies, by Mr. S. H. Scudder, published by the donation of Mrs. Elizabeth Thompson, 4to, 1875, will be furnished at \$2.00 a copy, or at \$3.50 bound in half morocco. The Transactions of the American Association of Geologists and Naturalists, 1 vol., 8vo., 1843, bound in cloth, can be obtained at \$3.00 a copy, or bound in half morocco, uniform with the Proceedings, for \$4.00.

At the Boston meeting the Standing Committee called attention to the importance of re-printing several volumes of the Proceedings of this Association, but stated that this could not be done without the liberal assistance of members and others interested, and asked for subscriptions for this purpose. As full sets of the Proceedings are in demand, particularly in consequence of the late increase in membership, it is hoped that the necessary means will be secured for this purpose. The re-printing of two volumes is now desirable, and of two others only a small number of copies remain. Subscriptions of any amount are therefore earnestly solicited, and all such will be acknowledged by the *Permanent Secretary*, by letter, and also in a printed list of subscribers. The Secretary has the pleasure of stating that \$204 have already been received from members for this purpose, and that GEN WM. LILLY has given \$1000 for the re-printing and stereotyping of volume 26, copies of which will be ready for delivery early in September. The Permanent Secretary has the pleasure to add that a member who wishes to be unknown has given \$950 since the Montreal meeting begun.

The CINCINNATI VOLUME has been sent to every member who paid the assessment to the meeting previous to August 17th. Those paying since that date, and those paying back-assessments at Montreal, will receive the volumes to which they are entitled by mail early in September.

The first of these is the fact that the
 government has a large surplus of
 money. This is due to the fact that
 the government has been able to
 raise a large amount of money
 through the sale of bonds and
 the printing of money. This
 surplus of money has led to
 inflation and a general rise in
 prices. This is a serious problem
 for the government and the people
 of the country.

ANNOUNCEMENT OF THE LOCAL SECRETARIES.

The sessions of the Association, which begun on Wednesday, August 23rd, at 10 a.m., will be held in the buildings of the McGill University. The offices of the Permanent Secretary and the Local Secretaries, with Post-office, Express, Telegraph and Telephone, will be in the central building of the College, and the General Sessions will be held in the William Molson Hall. The Queen's Hall, in University Street, will, however, serve for public evening meetings.

Members are requested to call and register their names at the offices of the Permanent and Local Secretaries, in the central building, McGill College, as soon as possible after their arrival. They are requested to enter separately each member of their families accompanying them. Each person so registered will receive a ribbon, stamped with the number against his or her name on the register, and is requested to wear it during the meeting. This will greatly facilitate the local arrangements. Upon registering their names, members will receive a hand-book of Montreal, prepared by the Local Committee.

Members of the Local Committee will be in waiting at the Committee Room each day, to render such assistance as may be needed, and will be designated by a badge.

Members of the Railway Committee will be in attendance at the Committee Room, daily, to give such information as may be in their power.

Members of the Excursion Committee will be in attendance at the same place, and members of the Association intending to avail themselves of the opportunities offered, will please register their names for the several excursions as soon as possible.

The excursion to Lake Memphremagog by the South Eastern Railway, and that to Lachine by the Grand Trunk Railway, are given by these lines free of charge.

Through the liberality of the Western Union Telegraph Co., and the Great North-Western Telegraph Company, telegraphic messages relating to family, social or scientific matters, will be sent from Montreal, during the meeting, for members of the Association, free of charge to all parts of the United States and Canada.

Members going to hotels will be taken thither with baggage at twenty-five cents. There will also be omnibuses plying between the College and the principal hotels for a fare of ten cents. These omnibuses will be marked, A.A.A.S.

There will be a daily luncheon in a temporary building in the College grounds, for which tickets may be purchased at the door.

The Association Post-office will be found in the central building of the College. The office will be open from 8 a.m. to 6 p.m., from August 22nd to 31st, excepting on Sunday, when it will be open only from 2 to 4 o'clock p.m.

Mails will be received three times a day: at 8 a.m., 10 a.m., and at 2 p.m. Letters will be sent to the main office at 2 p.m., 5 p.m., and at 6.30 p.m. Express packages will be received and delivered at the Association Post-office.

The City Directory, Pathfinder, Railway Time-tables, Railway Guides, &c., will be found at the office of the Local Secretaries.

Representatives of the press in attendance upon the meeting can obtain special tickets on application to the Local Secretaries.

General invitations have been extended to the members of the Association by:—

The Library and Museum of McGill University;

The Library of the Mechanics' Institute of Montreal, St. James Street;

The Gallery of the Art Association of Montreal, Phillips Square;

The Museum of the Natural History Society of Montreal, University Street;

The Collections of the Numismatic Society in the Natural History Society's building, University Street;

The Reading Room of the Young Men's Christian Association, Victoria Square;

Merchants' Exchange Reading Room, St. Sacrament Street;

By favor of Messrs. Allan the Steamship "PARISIAN" is open for the inspection of members. Permits may be had at the office of the Local Secretary. The steamer is berthed near the entrance to the Canal at the foot of McGill Street, and will remain open every day until Tuesday.

EXCURSION TO LACHINE AND DOWN THE RAPIDS.

Persons desiring to make this trip may leave the Bonaventure Depot either at 7 a. m., 7.55 a. m., or at 5 p. m. on any week day from the 23rd to the 30th inst.

The ticket, with which each will be provided by application at the office in McGill College, must be given up on board the steamer at Lachine.

EXCURSION TO NEWPORT.

Persons desiring to join this excursion will leave the Bonaventure Depot on Thursday, the 31st inst., at 8 a.m., sharp. The S. E. R. will entertain the excursionists at dinner at the Memphremagog House, Newport. The Steamer *Lady of the Lake* will then leave for a trip on the lake. The train will leave for Montreal at 6.30 p.m.

EXCURSION TO HARBOUR, VICTORIA BRIDGE, AND GRAND TRUNK WORKSHOPS.

The Harbour Commissioners' steamer will leave the Jacques Cartier or Island Ferry Wharf, at foot of Jacques Cartier Square, Wednesday, 30th, at 2 p.m., *sharp*, reaching the Canal Basin about 3 p.m., when the members of the excursion will enter the train provided by the G.T.R., and visit the Victoria Bridge, Workshops, etc.

The Excursions to Lachine by the Grand Trunk Railway; to Quebec by the Richelieu and Ontario Navigation Co.'s steamer, and return by the North Shore Railway; to Ottawa, by the Canadian Pacific Railway; to Newport, by the South Eastern Railway, are given by these companies free of cost.

The excursion to the Harbour, Victoria Bridge, and Grand Trunk Workshops is by the courtesy of the Harbour Commissioners and the Grand Trunk Railway Co.

IROQUOIS HOUSE, ST. HILAIRE.

During the meeting of the A. A. A. S. Messrs. Campbell Brothers, for a party of fifteen or more offer to provide an omnibus from McGill University at 5 p. m. to the G. T. R. Station for train at 5.20 p. m., return ticket for St. Hilaire, supper, bed and breakfast, for three dollars. The attractions of Belœil Mountain and Lake in close proximity to the city, will, it is hoped, lead to a large party availing themselves of these liberal terms.

LORNE HOUSE, VARENNES MINERAL SPRINGS, VARENNES, P. Q.

This very comfortable hotel at one of the most popular summer resorts in Canada, may be reached by Steamer leaving Jacques Cartier Wharf at 5 p. m. Returning the Steamer leaves Varennes at 7.50 a. m., reaching Montreal at 9 a. m.

The trip through the St. Lawrence is delightful, and will be found refreshing after a day's Association work.

ANNOUNCEMENT OF THE PERMANENT SECRETARY.

Members will please call at the office of the Permanent Secretary, central building, McGill University, as soon as possible after arrival, to receive their members' tickets.

All assessments and admission-fees must be paid at the office of the Permanent Secretary, and the assessment for the meeting must be paid before registering with the Local Secretaries.

A list of newly elected members will be kept at the office of the Permanent Secretary, and the admission fee of \$5.00 and assessment of \$3.00 must be paid before membership is secured.

Members will please report any change of permanent address, or the decease of other members, at the office of the Permanent Secretary.

Blanks for Recommendation to Membership can be obtained at the office of the Permanent Secretary.

A subscription-list for the Montreal volume of proceedings is open at the office of the Permanent Secretary; and subscriptions are solicited from friends of the Association, and from such members as wish to obtain duplicate copies of the volume. Every person subscribing \$1.50 or more, will receive a copy of the volume, by mail, as soon as published.

The volumes of the Proceedings of the Association can be obtained from the Permanent Secretary at the price of \$1.50 per volume; or any member wishing for ten or more volumes, in order to complete a set, may obtain them at \$1.00 per volume. The volumes may be had bound in cloth for the extra price of 50 cts. each, or in half morocco for the extra price of \$1.00 each. Uniform cloth covers for the volumes will be furnished by mail.

at 30 cts. each, or by express for 25 cts. each. Copies of volumes 2, 22, 27 and 28 will be received in exchange for other volumes, or will be purchased at \$1.00 each. At present copies of volume 27 can only be furnished to members, or on orders, as they are obtained.

The Memoir on Fossil Butterflies, by Mr. S. H. Scudder, published by the donation of Mrs. Elizabeth Thompson, 4to, 1875, will be furnished at \$2.00 a copy, or at \$3.50 bound in half morocco. The Transactions of the American Association of Geologists and Naturalists, 1 vol., 8vo., 1843, bound in cloth, can be obtained at \$3.00 a copy, or bound in half morocco, uniform with the Proceedings, for \$4.00.

At the Boston meeting the Standing Committee called attention to the importance of re-printing several volumes of the Proceedings of this Association, but stated that this could not be done without the liberal assistance of members and others interested, and asked for subscriptions for this purpose. As full sets of the Proceedings are in demand, particularly in consequence of the late increase in membership, it is hoped that the necessary means will be secured for this purpose. The re-printing of two volumes is now desirable, and of two others only a small number of copies remain. Subscriptions of any amount are therefore earnestly solicited, and all such will be acknowledged by the *Permanent Secretary*, by letter, and also in a printed list of subscribers. The Secretary has the pleasure of stating that \$204 have already been received from members for this purpose, and that GEN. WM. LILLY has given \$1000 for the re-printing and stereotyping of volume 26, copies of which will be ready for delivery early in September. The Permanent Secretary has the pleasure to add that a member who wishes to be unknown has given \$850 since the Montreal meeting begun.

The CINCINNATI VOLUME has been sent to every member who paid the assessment to the meeting previous to August 17th. Those paying since that date, and those paying back-assessments at Montreal, will receive the volumes to which they are entitled by mail early in September.
