The copy filmed here has been reproduced thanks to the generosity of:

Seminary of Quebec  
Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Séminaire de Québec  
Bibliothèque

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE  
**RULES**  
OF THE  
**MONTREAL LIBRARY.**

THE Library will be open from ten o'clock in the morning until dusk every day (Sundays excepted.)

The Library is solely appropriated to the use of the Subscribers, and no others are admitted, except non-resident strangers, introduced by subscribers.

Any proprietor or subscriber may take out of the Library and retain

One Folio ~~~~~~ Twelve days,

One Quarto ~~~~~~ Ten days,

Two Octavos, or smaller volumes ~ Eight days.

 All New Works only half this Time.

Proprietors or subscribers residing in the country, shall be entitled to keep all works one week longer, provided such work shall have been six months in the Library.

Any person failing to return a Book on the day appointed, is subject to a fine of five pence each running day, until it is returned or paid for—and is also until then, deprived of the use of the library, and the Librarian has particular orders to enforce this law.

When a fine exceeds four dollars, the excess may be compounded for by the Directors at their discretion, according to the circumstances of the case.

No Books to be delivered from the library to proprietors or subscribers, (or renewed,) without an order in writing, or their initials placed opposite the name of the work, in the register of the library.

Any proprietor or subscriber wishing to renew a Book, must produce the same to the Librarian; but no new work can be renewed, until it has been in the library six months.

The proprietor or subscriber who first applies to the Librarian for any Book, shall have it first, and the others in the order they apply, if they desire him to enter their names for that purpose; and when any subscriber makes application for a Book that is engaged, the Librarian shall

inform him when the time allowed for reading it will expire, and if he does not apply for the same the day it is returned, (provided it be duly returned,) the Librarian may deliver it to another subscriber.

No person shall exchange Books twice in the same day.

If any proprietor or subscriber, shall lend a Library Book, or receive one from any other person, than the Librarian, he shall forfeit and be deprived the use of the Library, until the forfeit is paid.

Any Book torn or injured in the hands of a proprietor or subscriber, becomes his, and must be paid for double the value with that of the set to which it belongs; and it is incumbent on every person to take care that the Book is in good order before he takes it out, as he will be deprived the use of the library until this rule is complied with—and any subscriber finding a Book imperfect, is requested to give the Librarian immediate notice.

Books lost to be paid for at the discretion of the Directors.

The Librarian shall keep an exact Catalogue of the Books, to be open at all times to the subscribers, but it shall not be taken out of the Library.—Subscribers will be furnished with printed Catalogues upon application to the Librarian, and paying for the same.
