The copy filmed here has been reproduced thanks
to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality
possible considering the condition and legibility
of the original copy and in keeping with the
filming contract specifications.

Original copies in printed paper covers are filmed
beginning with the front cover and ending on
the last page with a printed or illustrated impression,
or the back cover when appropriate. All
other original copies are filmed beginning on the
first page with a printed or illustrated impression,
and ending on the last page with a printed
or illustrated impression.

The last recorded frame on each microfiche
shall contain the symbol → (meaning "CON-
TINUED"), or the symbol ▽ (meaning "END"),
whichever applies.

Maps, plates, charts, etc., may be filmed at
different reduction ratios. Those too large to be
entirely included in one exposure are filmed
beginning in the upper left hand corner, left to
right and top to bottom, as many frames as
required. The following diagrams illustrate the
method:

L'exemplaire filmé fut reproduit grâce à la
générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le
plus grand soin, compte tenu de la condition et
de la netteté de l'exemplaire filmé, et en
conformité avec les conditions du contrat de
filmage.

Les exemplaires originaux dont la couverture en
papier est imprimée sont filmés en commençant
par le premier plat et en terminant soit par la
dernière page qui comporte une empreinte
d'impression ou d'illustration, scit par le second
plat, selon le cas. Tous les autres exemplaires
originaux sont filmés en commençant par la
première page qui comporte une empreinte
d'impression ou d'illustration et en terminant par
la dernière page qui comporte une telle
empreinte.

Un des symboles suivants apparaîtra sur la
dernière image de chaque microfiche, selon le
cas: le symbole → signifie "A SUIVRE", le
symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être
filmés à des taux de réduction différents.
Lorsque le document est trop grand pour être
reproduit en un seul cliché, il est filmé à partir
de l'angle supérieur gauche, de gauche à droite,
et de haut en bas, en prenant le nombre
d'images nécessaire. Les diagrammes suivants
illustrent la méthode.

Beethoven's Music

Is so full of chromatic successions that it is absolutely unplayable on a common piano. Beethoven used every known trick that the piano of his day could accomplish. On the "BELL" Piano, Beethoven's music can be played as it should be—the fulness of the tone, the power to hold notes as long as the finger is held down, and the distinction of the base notes one from the other—all render this music practicable and enjoyable on "BELL" Pianos. We are only too glad to show this Piano to all callers.

DO NOT HURRY.

There are always very many people
at an entertainment that are enjoying it, than
there are that may be indifferent, therefore
the few should not annoy the many, by putting
on coats or making other preparations toward
the conclusion of the performance. If you
cannot remain quiet till the performance is
over, kindly withdraw to the rear of the
theatre, before the commencement of the last
act. I have frequently timed the dismissal of
an audience, and over 1500 persons have left
the auditorium in 4 minutes. No need of being
in a hurry. Street cars wait until all persons
have left the building. Personally I don't
care when people come in or go out, but I
always feel like abiding by the wish of the
majority, and they ask not to be disturbed.
