That a corresponding committee of three residents in Windsor, or its neighborhood, the chairman whereof shall be, if possible, a member of the executive committee, be appointed to meet on the second Wednesday in every month, and at such other times as may be expedient, upon summons of the chairman, to confer with the officers of the College or Collegiate School upon any subject to be submitted to them either by such officers, or by the executive committee in Halifax, in reference to the College or School, and to report thereon to the executive committee.

A month's notice shall be given of all resolutions affecting the rights of members, or creating new offices or salaries.

No individual shall be entitled to vote under a parochial certificate, unless he be authorized by a parish meeting.

All annual general meetings of this association shall be holden at Windsor.

That the treasurer make up his annual account to the 30th of April in each and every year.

All undergraduates, resident at College, shall be competent to compete for the prize or certificate for modern languages.

At the annual meeting held at Windsor, June 29, 1856, Dr. King moved the resolution, notice of which was given at the last annual meeting by the Rev. Dr. Twining, in reference to the mode of election of Governors, viz: that the present mode of voting for each individual separately and in alphabetical order be discontinued, and that the usual mode of putting all the names proposed on the same ballot, out of whom those having the highest number shall be declared elected, should be adopted; which motion was seconded by

Dr. Almon. After considerable discussion, Mr. A. M. Cochran moved in amendment that the following proviso be added: "Provided that no person shall be declared elected as Governor unless he have a majority of votes cast." The amendment was seconded by Nepean Clarke, Esq., and carried. The original resolution of Rev. Dr. Twining, as amended by Mr. Cochran's proviso, then passed.

At the general meeting, October, 17th, 1856, it was *resolved*, "That the right of voting by proxy be in no way interfered with."

The following resolution was passed at the general meeting, 24th June, 1857:

Resolved, That the ballot be not sent round for any officer of this association, or of the Board of Governors, whose name has not been previously proposed and seconded by some member of the association; and that the ballot be not taken until all the names of the persons intended to be proposed for any office be given.

At the annual meeting held at Windsor, June 27, 1860, the following resolution was proposed by Dr. Almon, seconded by Rev. Dr. Robertson, and passed:

Resolved, that a prize of £5 be given to the student passing the best examination for matriculation, in June next. The day of examination and other details to be settled by the President of the College.

At the annual meeting held June 25, 1862, this grant was discontinued from the want of funds.

At the same meeting the Rev. G. W. Hill moved the following resolution, which was seconded by Dr. Almon, and passed unanimously:

Resolved, that the Executive Committee of the Associate Alumni be empowered at their monthly meetings, during the interval between one annual general meeting and the next, to elect members of the Incorporation, provided that no black beans be cast against them.

Rev. Professor Hensley moved the following resolution:

Whereas, the funds of this association are pledged, and consequently no funds are left for providing the Alumni scholarship and the usual prizes.

Resolved, that honorary certificates be granted in the several departments instead of the prizes as heretofore. Which passed.

At the annual meeting held at Windsor, on Wednesday, 28th June, 1865, the following resolution was proposed, by A. M. Uniacke, Esq., D.C.L., seconded by Col. Poyntz, and passed :

Resolved, That any member of this society whose annual subscription shall remain and be unpaid for three years, shall cease to be a member of this society, and can only be admitted as a new member by being proposed and seconded and duly elected pursuant to the bye-laws.

At the same meeting P. C. Hill, Esq., D. C. L. moved the following resolution, which was seconded by T. B. Akins, Esq. D.C.L. and passed :

Whereas, The present circumstances of the College call for increased efforts on the part of its friends to sustain its position and add to its efficiency.

Resolved, That the Committee of this Association be requested to prepare and circulate an appeal to the members of the Church throughout the Province, inviting them to make a vigorous and united effort to raise a sum not less than £500 per annum towards its support; and that the clergy be respectfully and earnestly requested to make collections in every parish of the diocese either by an annual sermon on behalf of the College, or in such other mode as may be deemed most expedient.

At the annual meeting held at Windsor, on Wednesday, the 26th day of June, 1867, the following notices were given of resolutions to be moved at the next annual meeting :

A. M. Uniacke, D.C.L., in submitting the account of the Treasurer of the Governors for the past year, gave notice of a resolution requesting the Board of Governors to furnish, previous to the annual general meeting of the Associated Alumni, in each year, for their information a copy of the Treasurer's account as submitted to the Board.

Dr. Almon gave notice that he would move that the Governors be requested to furnish the Alumni annually with an account of their income and expenditure, together with a copy of the minutes of the proceedings of the Board for the past year.

A. M. Uniacke gave notice of the following resolution :

No individual or Rector of any Church or Parish, shall be entitled to vote under a parochial certificate, or in either his individual or corporate capacity, unless he be authorized by a Parish meeting.

REPORT.

On this the Twentieth Anniversary of the Act of Incorporation, the Executive Committee of the Associated Alumni of King's College, Windsor, beg to present their usual Annual Report.

The year that has passed has been marked with no event of special interest to the College. The usual routine of duty has been performed, and every effort made to maintain the efficiency and standing of the Institution.

Your Committee referred in their last Report, in terms of congratulation, to the fact, that after much exertion, and the sacrifice of a large portion of the invested funds of this Association, the New College Hall and Library had been presented to the Board of Governors *free of debt*. They have now to regret that notwithstanding these efforts on their part to increase the usefulness of the College, one of the objects for which this building was intended has not yet been accomplished. They refer to the increased accommodation which it was proposed to give to the valuable collection of books, now contained within the circumscribed limits of the present College Library; and they respectfully recommend that this meeting should devise some means for carrying the original project into effect.

Your Committee hail with pleasure the addition which the staff of Professors has received during the past year, by the appointment of John McLeod, Esq., of the University of Glasgow, as Professor of Mathematics, who entered upon his duties in September last, and to whose salary the funds of this Association are pledged (by a resolution passed at the last annual meeting) to the extent of \$200.

Being convinced of the utility of this appointment, and the desirability of confining the labors of each Professor, as far as possible to his own particular department, your Committee earnestly recommend the continuance of the grant for the ensuing year.

As each successive year rolls by, it becomes the duty of your Committee to record the loss of some member of the Association, whose place at our annual gatherings is hereafter destined to know him no more.

In their last Report they expressed the deep regret which every member of the Society felt at the death of our late lamented Vice-President, the Rev. Thos. Crisp. During the past year another distinguished Alumnus has passed away—one who always took delight in everything that conduced to the welfare of his Alma Mater—who was prominent amongst those who took part in the re-organization of the College in 1854—a large contributor to its funds, and always scrupulously attentive to his duties as one of the Board of Governors, until he resigned his seat, about a year before his death. Your Committee refer to the late James C. Cogswell, D. C. L., of this University. Your Committee have also to record with feelings of regret the death of Chas. W. H. Harris, Esq. M. A., another ardent friend of the College, who distinguished himself greatly in his academical career, and afterwards in the profession of which he was a valued member. In the short period above referred to yet another Alumnus, has been cut down, in the hey-day of youth, and with bright prospects of future success before him. Although he had little time or opportunity in his short career to manifest that interest in the affairs of the Institution which has been shown by his father, and his father's father, there is little doubt that had he been spared, he would have emulated the liberality, which now enables King's College to boast of its Almon "Welsford Testimonial."

A question having arisen at the last Annual Meeting as to the proper body to whom the resignations of the Governors should be sent, your Committee appointed a sub-committee in December last to confer with a committee of the Board of Governors on the subject. Although the Governors were notified of the appointment of this committee, and of its readiness to meet their committee at any time, no conference took place, and the matter remains in the same position as formerly.

In reference to a resolution passed at the Annual Meeting in June last, directing this Committee to carry into effect a resolution proposed by P. C. Hill, D. C. L., at a previous meeting, the object of which was to raise a fund of £500 a year for the support of the College, your committee would remark, that, after consideration, they did not think it advisable at the present time to make the attempt, being convinced that if they did so it would only result in failure.

The Treasurer's account, which is made up to the 30th April last, shews a balance in favor of the Institution of \$567.05, but that has been since reduced by the payment of \$250 towards the salary of the Professor of Modern Languages. A half-yearly dividend however, has also been received since that date of \$102.75, and the annual subscriptions must be added to the credit side, so that the real balance at this date is about \$500.

The immediate business before this meeting is to elect two Governors in the place of Dr. Almon and Edward Binney, Esq., who, in the order of their election, retire from office, and who, by the terms of the amended Act, cannot be re-elected at this meeting.

A President and three members of the Executive Committee are also to be elected in the place of Benjamin Curren, D. C. L., Charles Gossip, M. D., A. J. Cowie, M. D., and Hon. S. L. Shannon, B. A., who retire by rotation, but who may be re-elected.

By order,

FITZ. COCHRAN,
Secretary.
