## FEMALE SOLOMON GIVES JUDGMENT

**Boys Are Becoming Better, Girls Worse to The Boys.**

Chicago, Nov. 9.—Boys are becoming better all the time, while the girls between the ages of 15 and 20 are becoming more wayward, according to Mrs. M. C. Van Winkle, chief of the Women's division of the Department of Police of Washington, D. C. here to study police conditions.

Our children and young women are making the majority of the girls in the United States unfit to become wives and mothers, Mrs. Van Winkle said.

Most of the wayward girls turned over to the police women come from the middle and rich groups, she explained, stating that poorer families think more of having a good home than dancing and drinking.

**OBITUARY**

Funeral services of the late John McCormick of 12 Boston Street, St. John, N. B. were held at the Winter Hill Baptist Church of that city, October 28th, of which church Mr. McCormick had been a member for many years.

The services were at 3:30 beginning with the Organ Prelude. The many beautiful floral pieces were arranged around the casket.

Proceeding the casket Rev. Douglas Pines, pastor of the church, read scripture passages. Mr. Charles W. Ellis sang "On the Garden".

Rev. O. W. Pope, a former pastor, read the scriptures. Mr. Ellis sang "Over Just Beyond the Hill".

Prayer was offered by Rev. G. S. K. Anderson who was a life long friend of Mr. McCormick's.

Rev. N. C. Ramsey of Boston University, a personal friend of the deceased for his last 11 months and 11 days, read the 11th Psalm.

Mr. McCormick's position in the church as a deacon and his life as a business man. He was a gentleman, successful, genial, kindhearted, strength of character, brotherly love.

Speaking of the many fraternal organizations to which Mr. McCormick belonged, especially did he dwell on the 30th verse of the chapter "Holding the Mystery of the Faith in a Pure Conscience".

Rev. Mr. Pines spoke of Mr. McCormick's last words as "Good Night" and read the hymn "The Christian's "Good Night".

Mr. Ellis sang "The Beautiful Land on High". Rev. George A. Lawson, pastor of the Union Square Baptist Church presented the benediction.

The church was filled with neighbors, business associates and church friends.

The pall bearers were Edward S. Smith, John H. Beatty, Norman Marchant, Kent Ruckliffe, James Stephens and Wm. Atwood.

Deacons of the church, Charles A. Miller, Joseph Harris, J. E. Gaudet.

The honorary pall-bearers were: Charles Bassmore, Clarence Farnham and Sumner Davis, Herbert Nicholson and Roy Harris were casket bearers.

Mr. McCormick was born in Melton N. B. 60 years ago and went to the United States when a young man. He had lived in America for over 30 years. Mr. McCormick was engaged in the wholesale produce business. At the time of his death he was treasurer of the Quebec Summers' Company of Boston, of which company he was a Director.

For many years Mr. McCormick came each summer for vacation season to his home "Elvethurst" at Broadlands, Quebec, where he was loved by all who knew him.

He was a member of the Baptist Men's Social Union of Greater Boston, of Solby Lodge of Free Masons of the Knights of Malta of Somerville, of the Independent Order of Odd Fellows in Dorchester and of the Canadian Club of Boston.

He leaves his wife Mrs. Martin McCormick, who was Martha Adams of Broadlands, Quebec, three brothers, Joseph McCormick of East Boston, Mass., and Fred and Samuel McCormick of St. John, N. B. and two sisters, Mrs. Adelaide Nelson of Westbury, Mass., and Mrs. Frances Jordan of Cambridge, Mass.

Funeral services were held in Fairville, N. B. Thursday, where the body was laid to rest. Rev. Mr. Clark of the Fairville Baptist Church conducted the committal services.

## HUMAN BOY TOWS FATHER 50 MILES

Gets Sick Parent Home After  
A Five Days Journey

The Post, Nov. 13.—His aged father, who has been ill for some time, was taken to the hospital by a son who has been away for five days. The boy, who is a student at the University of Toronto, has been away for five days. The boy, who is a student at the University of Toronto, has been away for five days.

**TRAVELER FINDS  
VICKS HANDY FOR  
A HOST OF ILLS**

Ontario Man Says It is a Most Useful Remedy.

Mr. C. Francis, of 755 Grey St., London, Ont., writes: "I am very pleased to recommend Vicks VapoRub. I am a hunter, trapper, and fisherman. I use Vicks VapoRub in place of liniment, because it is very handy to carry and always gives such quick relief for small animal and insect bites, and for chapped hands and lips. My boots would blister my feet and I rubbed it on them, and it made them just right. When I go trapping next fall I will have plenty of Vicks VapoRub in my kit. I call it the Trapper's Friend. I have not had a cold all winter and I go out all night with my traps."

Vicks VapoRub, the discovery of a Southern druggist, is a combination in salve form of Camphor, Menthol, Eucalyptus, Thymol, Turpentine, etc. Absorbed through the skin and at the same time inhaled as a vapor, Vicks reaches immediately inflamed, congested air passages.

It is the modern direct treatment for all cold troubles, the successor to goose grease, camphorated oil, liniments, pastilles and plasters.

Good for croup and children's colds. Vicks gives remarkably quick results and also avoids nauseating internal dosing. Just as good for cuts, burns, bruises, bites, stings.

At all drug stores, 5c a jar. For a free test, size package, write Vicks Chemical Co., 344 St. Paul St., W. Montreal, P. Q.

Though Vicks is new in Canada it has a remarkable sale in the States. Over 17 million jars used yearly.

## ANOTHER STEP UP FOR DUNCAN NOBLE

New Chief of Police Department  
of The British Empire Steel  
Corporations' Entire  
Properties

(Sidney Record, Nov. 1st.—Walter Head has been appointed chief mining engineer of the British Empire Steel Corporation, with jurisdiction over all mines and mining properties of the corporation's constituent and subsidiary companies, and Captain D. A. Noble has been named as chief of police with jurisdiction in all the constituent and subsidiary companies.

Official circulars announcing the appointments were issued following President Wolvin's arrival in the city on Wednesday.

Mr. Head is a member of the Institute of Mining Engineers of Great Britain as well as of the Canadian Institute of Mining and Metallurgy. An old Country man by birth he held managerships in South Wales and Scotland, after at Heriot Watt College, Edinburgh. He came to Cape Breton in 1912 to join the technical staff of Dominion Coal and since that time he has carried on numbers of important undertakings on this island as well as on the mainland, and for a time he was also at Wabana. During the war he was overseas as a lieutenant-colonel of engineers.

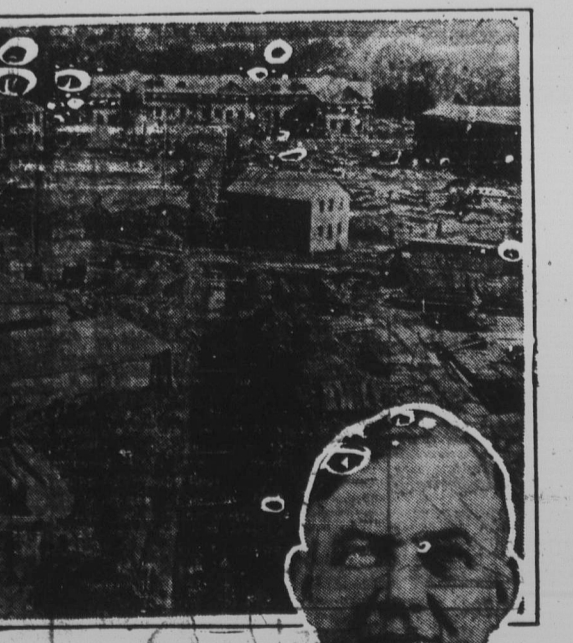

Capt. Noble joined the Steel Corporation staff 14 years ago as special agent, coming here from the

Canadian Government Railways which he served as inspector of police for the territory between Montreal and Moncton. He has been in charge of the protection force at the local steel plant and at the Dominion Coal collieries in Cape Breton and at Springhill, and more recently, since the merger, the Scotia properties in Cape Breton have also been under his jurisdiction in this regard, as well as the Pender works at St. John and the Sydney Lumber Company's property in Northern Nova Brunswick. During the war he was provost marshal for Cape Breton and district intelligence officer. The new appointment extends his field of authority and responsibility to include the Pecten properties of Becho and the Halifax Shipyards.

All watchmen and other protection agencies of the corporation will be under his direction.

The official announcement says: "It will be Mr. Noble's function to organize and maintain a moderate force of watchmen whose activities will be entirely open and above board. He will from time to time, in his official capacity, inspect and report upon the various properties of the Corporation."

Detroit, Nov. 10.—Quick thinking by the driver of a motor car yesterday saved a bag containing \$25,000 when four armed bandits intercepted the pay car, the driver leaped from the machine and placed the bag on a passing locomotive of the Detroit, Toledo and Ironton railroad, Ford's own railroad.

The pay car was en route from the River Rouge plant to a construction camp at Flat Rock when the bandits intercepted it. They disappeared after the bag was tossed on to the locomotive.

## King-Sansom

Sussex Nov. 8.—A wedding of much interest to the young people of the town was solemnized at the United Baptist church, Sussex, on Wednesday afternoon at 3.30 o'clock, when the Rev. D. J. McPherson united in marriage Miss Phoebe Sansom, daughter of Mr. and Mrs. William Sansom, of Campbellton, and Mr. Alward King, of Annapolis. The bride was dressed in a tailored suit of nigger brown broadcloth and carried a bouquet of opelia roses. The happy couple were unattended.

The wedding march was played by Mrs. E. Ervine, the church organist. The ceremony was performed in the presence of a number of relatives and friends.

Both of the contracting parties for a number of years have been residents of Sussex, being values members of the Kings County Record staff. The groom, who was a member of the executive of the S. A. A. C., and also of the Citizens' Band, moved to Fredericton a few months ago, where he was employed as foreman of a large printing establishment. While a resident of Sussex he was a great favorite in social, athletic, and business circles and a general favorite with his associates. The bride also enjoys an enviable popularity. She was a member of the Blue Bird hockey team, and tennis club, and in social circles was also a prime favorite. The happy couple were the recipients of many handsome gifts.

Mr. and Mrs. King left on the West bound express on a honeymoon trip through Nova Scotia.

## ROAD WORK CEASES

### NOVEMBER 20.

Patrol System is Unqualified Success—Outside Comment.

Fredericton, Nov. 14—November 20th is the limit for highway work for the present season. B. M. Hill, Chief Highway Engineer, stated today that the outside service of his branch of the Department of Public Works was being bulletined to the effect that work was to stop on that date. The advance of the winter season is the cause. In the greater part of the province the autumn has been so open that work could be carried on much later than usual.

Excellent Results. The work on the highways this year has produced excellent results. The roads in all sections have been of such an excellence that the most favorable comment has been elicited from motorists from outside points.

The season was very favorable to the roads with the exception of the early spring when floods did considerable damage. During the present autumn the rains have caused little damage and the roads have remained in the best possible condition for motoring.

In Northumberland. Most favorable comment has been made concerning the work in highway improvement which was done in Northumberland County. Several sections were under construction and the work has made a most valuable contribution to motor communication between the St. John Valley and the North Shore.

Patrol System. The patrol system on the gravel roads of the province was put into effect during the past year for the first time. The system which was a success elsewhere has also proven a success in this province and has been instrumental in keeping up the highways to a high standard.

Thereby Suggestions. "What," inquires a correspondent, "can I do for featherless chicks?" and for the life of us we can't think of a thing unless we suggest buying them j. acquettes or tarrins and feathering them.—Buffalo News.

be from to quite a depth without stopping smoking. If the sun shines, the well during the day. The season is getting so late, however, that the operations must be discontinued soon.

Now in Restigouche County. Seeding for some time past has been carried on at Gray Brook, Restigouche County, which is on the north-western shore of the St. John River. The area which is being planted there was covered in the big fire of last summer. In that section white pine, jack pine and red pine are being used. Security of seed off Jack pine and white pine is getting so late, however, that the operations must be discontinued soon.

All the seed sown, however, was saved and was used for the Gray Brook planting.

Provincial Seed Used. Provincial seed sown in various parts were used for the two operations. The jack pine seed grown

and a problem in the matter of seedling. The seedling is given in very short crop. It had been found necessary to plant them in rows where they could be seen. It was so that they could be thinned out. Jack pine which is becoming a more valuable variety of timber all the time, is very valuable after a forest fire. The reason is that the trees have the ability to open areas which otherwise would not open.

### TOURIST TRADE FOR

#### NORTHERN N. B.

The St. John Times says: "The announcement that there is to be co-operation between New Brunswick and Quebec in regard to motor tourist traffic is very welcome. The people of Northern New Brunswick will be especially well pleased, as the tide of traffic that flows in from Maine does not to any large extent traverse the north shore counties. It is interesting to note that many enquiries about this province are made at the Montreal Tourist Bureau, and with the knowledge that the province has excellent roads that the Montreal Tourist Bureau declares that it is good roads rather than the Quebec liquor law which attracts the visitors. We have the good roads."

When we think of the \$17,000,000 spent by tourists in Quebec Province this year, \$40,000,000 spent in Maine, it cannot call ourselves progressive unless we go after a goodly share of such a profitable business. The north shore of the province, including the famous Matapedia Valley and the districts bordering on the historic Baie de Chaleur constitute a veritable Paradise for the city-weary summer vacationist and is an asset that should be commercialized through the medium of the increasing tourist trade. Why should not our enterprising citizens co-operate in such a movement and assist the Restigouche Branch of the N. B. Tourist and Resources Association? Will organized effort would doubtless result in bringing a large portion of the tourist traffic to Restigouche and the surrounding country. The benefits which would result in a year or two would more than repay any reasonable expenditure necessitated by the enterprise.

### NOTE AND COMMENT

A New York man found out to his sorrow a few days ago that a high priced automobile can be an expensive luxury in other ways than those incidental to its maintenance. His wife made application for five hundred dollars per month alimony, and the judge after hearing the argument of his action in setting the allowed her \$1,000 in explanation amount at more than was asked, he said Mr. Loscher drives a Pierce-Arrow car, and the court will take judicial notice that that costs money.

Up in Ontario today they are worrying not over what hydro cost and what blunders were made, but over how to get more hydro, so rapid has the demand for power increased. Another Chippewa canal is suggested,

and only a couple of years ago the present Chippewa development was heralded as many years in advance of Ontario's need.

With the Crown Prince back in Germany and the former Emperor planning to return, the world may yet come to thank France for insisting that Germany shall fulfil her war obligations.

Mr. Berrie said the association has been generally complimented upon the new signs which were put out this year and which are declared by motorists to be the simplest and most easily understood by tourists that have yet been brought into use.

### EDITOR'S MAIL

H. B. Anslow, Esq.  
Editor of the Campbellton Graphic  
Dear Sir:

"The Tribune" of last week says that the C. N. R. is going about the ordinary flow of Walker's Brook and is criticizing the Town Council about the New Water extension, claiming that the Walker creek is not a reliable source for a permanent supply of water for our Town. Mr. Crockett also says that a great mistake was made in not securing the services of a competent engineer to advise us in the matter etc.

In answer I may say that whoever has been supplying the Editor of the Tribune with the information is sadly ignorant of the facts or he is a fool if he is not simply dishonest. In the first place if the C. N. R. could use the ordinary flow of Walker's Brook even while they are waiting to make a survey of the possibilities of Walker's Brook for a permanent supply of water for our Town. This Engineer made a survey as requested and gave the Town Council a very elaborate report on the situation and his conclusions were that Walker's Brook was not only the only practical source of water supply for the Town, but would also be very valuable as a power proposition. We have this report on file for any one to examine.

It cost the Town of Campbellton \$500.00 for that full survey and Mr. Crockett knows of this report. Consequently he is not serious when he says that a great mistake was made in not securing the services of a competent engineer to advise us in the matter as this is the very thing that we did during the year of 1915-1920.

Surely Mr. Crockett does not intend to pass judgment as to the reliability and competence of Engineer Holt, as this gentleman enjoys a very good reputation throughout the Province. What the Editor of the Tribune is driving at with his utterly unfounded statements is more than I can make out but the above statements and assertions, which I make in response to his, are based on facts only.

Thanking you for space, I am, yours very truly,  
A. C. Belle Isle.

### OBITUARY

The Late Mrs. F. X. Connon

Carleton and the county of Gloucester are called upon to mourn the loss of one of their noblest women, Mrs. F. X. Connon who passed away after a long illness. Mrs. Connon was born in the city of Quebec 37 years ago, her maiden name being Marie Page. She became the bride of her physician husband shortly after his death.

After about a year there, Dr. and Mrs. Connon removed to Carleton where they spent the intervening years occupying an increasingly important place in the life and affection of the people of that thriving community. Loved and admired for her sweetest of character, her brilliant mind and her gentle culture Mrs. Connon quickly secured a peculiarly devoted position in the esteem of all classes in Carleton and throughout the country and the years served to widen and strengthen her bonds of affection.

She was a leader in the social and religious activities of the parish and when about seven years ago she was suddenly stricken with a disease that rendered her an invalid and cut her off from active participation in the affairs of the community, her loss was a grievous one. Since that time she has been gradually sinking under the constant affliction of numerous friends, to whom her affection made her the object of even increased regard. During the past month she has been gradually sinking under the constant affliction of numerous friends, to whom her affection made her the object of even increased regard.

Just two weeks before her death, she was removed from the S. M. Hospital to her home, and during that time she was carefully nursed by the remaining members of her family. The funeral service was conducted on Monday, Nov. 13th by Rev. McMillan, and was largely attended by friends and relatives. The burial was made in the family lot in New Mills. She leaves to mourn besides her husband, six daughters of whom are: Mrs. Ed. W. Hornibrook, Vancouver, B. C.; Mrs. John McMillan, Mrs. Stewart Hamilton, Mrs. Angus Nichol, all of Black Thais and his at home, also one brother William C. Hamilton of Black Lands.

Mrs. Eunice Matilda Rafferty  
Mrs. Eunice Matilda Rafferty, youngest daughter of Mrs. Mary LeFurgey of Atholville, passed away fully away to rest at the home of her sister Mrs. Katie Wilson of Portland Maine on Nov. 2nd, after a lingering illness in the 32nd year of her age. Mrs. Wilson brought the remains to Campbellton arriving on the Maritime Express. The remains were forwarded to the home of her mother at Atholville where the funeral took place at 2 o'clock Monday afternoon where a very impressive service was conducted by Rev. Mr. McNair at the home and also at the grave. The pall-bearers were the brothers of the deceased, Allan, James, John and David. She leaves to mourn her mother, Mrs. Mary LeFurgey of Atholville and three sisters, Mrs. Katie Wilson and Margaret, both of Portland Maine, also four brothers, Allan and James at home, David of Campbellton and John of Montreal, also a sister Marie of St. John and a little daughter five years old, Thelma Macaul.

### WOMAN SHOT TO DEATH IN MAINE

Housekeeper For Assyrian  
12 Miles From St.  
Stephen's Is Found Dead

St. Stephen, Nov. 12.—A mysterious shooting on Sunday caused the death of a woman named Mrs. Smith housekeeper for an Assyrian, named Soble, who lives back from the main road in Hallowden. No one in the household has as far been implicated. The suggestion was made that a stray bullet from the woods might have initiated the fatal injury. In the opinion of the doctor, death was almost instantaneous. The inquiry will be continued.

Dr. Charles Armstrong, of Hallowden, was called to the home of the Assyrian on Sunday night and found the woman dead with a bullet through her head. An inquest was held this morning but no arrest was made.

## WEDDINGS

A very quiet but pretty marriage was celebrated at the church of Our Lady of Snows, Campbellton, N. B., on Tuesday the 6th. inst. when Miss Belle A. Buchanan, only daughter of Mr. and Mrs. George Buchanan of Campbellton, was united in matrimony to Mr. Patrick Henry Doyle also of Campbellton. The Rev. Father Brouillette officiating. The church was beautifully decorated for the occasion with potted plants and cut flowers while myriads of candles adorned the altar. The bride, who looked charming in a navy suit of English serge with large hat to match and aquiline shoes, was given in marriage by her father. The bride party entered the church to the strains of Lehmann's wedding march. Miss Evelyn Christie attended the bride while Mr. Eben Keen supported the groom. The choir rendered suitable hymns, the brides bouquet which was a creation of art consisted of Ophelia roses, pink carnations and maintenance ferns with streamers of trailing color. After the ceremony the happy couple repaired to the bride's home where a sumptuous breakfast was served to over twenty guests. The house was decorated with potted plants and cut flowers to color schemes being white and yellow. The brides cake which was the gift of her grandmother, Mrs. Catherine Collier of Brookfield, N. Y., was very pretty with a miniature bride and groom as decoration. All was of the bride party accompanied by the brides parents and Master Walter, also by a few intimates to the Bay View Inn at Campbellton where they were the guests during the supper hour of Mr. Louis Corry, Superintendent of the Stevens Construction Co. A splendid orchestra accompanied the party to the inn where beautiful music was rendered and dancing freely indulged in. The couple received many useful and beautiful gifts, also a number of cheques. The groom's gift to his bride was a string of pearls, to the bridesmaid, a writing set, to the

**McMILLAN-PETTIGREW**  
A very pretty wedding was solemnized at the residence of Mr. and Mrs. Henry Pettigrew on Monday evening at seven thirty p. m. when their youngest daughter, Annie Jane, became the bride of Mr. Wm. McMillan of Nash Creek, Rev. Mr. McMillan, pastor of the New Mills Presbyterian Church performed the ceremony in the presence of a few immediate friends. The bride looked charming in her wedding gown of navy duck with silver trimmings with long bridal veil arranged in cap effect with wreath of lilies of the valley and grey suede shoes and stockings. She was attended by her cousin Miss Jean McNeil also of New Mills, who wore a gown of navy tricot with sand georgette, while Mr. Alphonse Miller of Black Lake supported the groom. Immediately after the ceremony supper was served. Mrs. John A. Pettigrew, sister-in-law of the bride and the Misses Muriel McCarthy and Mildred McCarthy, served. The bride received a large number of useful and handsome gifts, the groom's gift to the bride was a handsome racoon choker, to the bridesmaid, a sterling silver bar pin, to the groomsmen, a pair of gold cuff-links. The wedding was quiet owing to the recent bereavement in the bride's family. A large number of friends join in wishing Mr. and Mrs. McMillan every happiness through life. They will reside at New Mills.

best-man, 2 compartments shaving set. Mr. Doyle who is a returned soldier, distinguished himself in his three years overseas service. He is also an active member of our citizens band and Campbellton's fire department. Mr. and Mrs. Doyle have Campbellton in two weeks' time on a motor trip to California where they will reside. The very best wishes of a host of friends will follow this young couple of their journey through life. The out of town friends who attended the wedding were: Mr. and Mrs. Daniel McCordie of Dalhousie, Mr. Louis Corry of Dalhousie and Mrs. J. W. Corry of Dalhousie and Mrs. A. B.
