INTRODUCTORY.

In presenting this volume of the LONDON DIRECTORY, we take pleasure in inviting a comparison between it and the issue of 1883, published by another firm. Every care has been taken and no expense spared to make the work accurate and complete. In order that the publisher of a directory may meet with the necessary pecuniary success to prevent a loss, it is necessary that the business men of the city should confine their patronage to ONE PUBLISHER, thereby ensuring a carefully compiled and complete work.

We will continue to publish the London City Directory each and every year, adding the county part every other year.

We would respectfully caution the public against itinerant publishers without business reputation.

All our orders for copies of directories or advertisements have our firm-name printed conspicuously thereon and any orders presented for signature without our name may be set down as not having our endorsement.

Respectfully,

R. L. POLK & Co.,

Publishers,

Gentlemen—

In answer to your enquiry, we have to say that we have no intention of publishing an Ontario Directory for 1884-5, and should you do so, we shall be glad to render you all the assistance in our power, and hope you will meet with a large support to compensate for the immense labour and cost in connection with the publishing of the work.

Our experience of our 1882 edition was a most unsatisfactory one, as regards the support accorded us.

Your long experience as Directory publishers will ensure your giving a satisfactory book to your subscribers.

Yours truly,

JOHN LOVELL & SON.

ONTARIO
GAZETTEER AND DIRECTORY.

1884-5.

WE are now canvassing the PROVINCE of ONTARIO for a GAZETTEER and DIRECTORY, to be issued in 1884. The work will contain a complete list of Business Houses of the Province, arranged alphabetically by Cities, Villages, etc., giving the street and number of each firm, with full and complete description of each place, showing the Shipping Points, Township and County, also Railway Connections and Water communication, Manufacturing interests, and any information calculated to be of benefit to the Business Community.

The whole will be followed by a complete Classified Directory, giving every business arranged under its special heading, thus enabling our subscribers to obtain at a glance a list of all Houses manufacturing or dealing in a certain line of goods; names of Postmasters, Post Offices, County Officials, etc., will also be given. The work generally will be compiled to meet the wants of the business community and will be so thorough as to deserve their liberal patronage.

R. L. POLK & Co.,
DIRECTORY PUBLISHERS,
Victoria Chambers, Toronto, Ont.

MONTREAL, December 5th, 1883.

MESSRS. R. L. POLK & Co.,
Toronto, Ont.

Gentlemen—

In answer to your enquiry, we have to say that we have no intention of publishing an Ontario Directory for 1884-5, and should you do so, we shall be glad to render you all the assistance in our power, and hope you will meet with a large support to compensate for the immense labour and cost in connection with the publishing of the work.

Our experience of our 1882 edition was a most unsatisfactory one, as regards the support accorded us.

Your long experience as Directory publishers will ensure your giving a satisfactory book to your subscribers.

Yours truly,

JOHN LOVELL & SON.
