

"FIGHTING JOE" PASSES ON TO HIS REWARD

A Notable Figure in British Affairs Succumbs to Long Illness.

[By Special Wire to The Courier] LONDON, July 3.—The death of Joseph Chamberlain, which removed one of the most striking figures from British politics in the past generation, came as an entire surprise, as the condition of his health was not publicly known to be any worse than at any time in the past two or three years.

Mrs. Chamberlain, who never left her husband's side since he was stricken with paralysis seven years ago, and his son, Austen Chamberlain, who was with Mr. Chamberlain when death occurred at 10.30 last night at his London residence. The event cast a gloom to-day over the London season, which was at its height.

Mr. Chamberlain's last public appearance was at a garden party on the grounds of his Birmingham home on May 6 last, when, with his wife and son, he received several hundred constituents. Mr. Chamberlain was wheeled out on the lawn and appeared very emaciated and feeble when he lifted his hat to friends and neighbors in acknowledgment of their salutes.

Tariff reform, which with imperialism, was the chief policy for which Joseph Chamberlain was spokesman when enforced retirement through paralysis occurred, has suffered an almost complete eclipse, his son, Austen, being the only British statesman who advocates it on all occasions.

The Right Honorable Joseph Chamberlain was the pioneer in Great Britain of tariff reform and the great advocate of imperialism. For thirty years, with a brief interregnum, he represented Birmingham in parliament. In 1906 his career of stormy activities was ended by a stroke of paralysis. The blow fell when he was in the midst of a strenuous campaign for the establishment of a protective tariff with preference for the British Colonies, and just after his constituents had celebrated the thirtieth anniversary of his first election.

Since that day the strong fighter has been an invalid, a pathetic on-looker at the political game, pictured always with his loyal wife, a daughter of W. C. Endicott of Massachusetts, who was President Cleveland's secretary of war, beside him. His chief consolations were the growing political prominence of his son Austen Chamberlain, and the loyalty of his constituents. Birmingham would not dispose her leader, although he was no longer able to represent her upon the floor of the House of Commons. In each election he was returned to his old seat and appeared afterwards in the House but once, where amid respectful silence, he made his way to the speaker's desk on the arm of his son and took the oath of office. January 5, 1913, Mr. Chamberlain wrote to his constituents, resigning his seat and saying:

MAJOR LEONARD RESIGNS BIG JOB AT THE CAPITOL

Relinquishes Chairmanship of the National Transcontinental Railway Work

OTTAWA, July 3.—Major R. W. Leonard has resigned as commissioner of the National Transcontinental Railway, and an order-in-Council has been posted accepting the resignation. The action is taken owing to the near completion of the railway and the demand upon Major Leonard's time by his private affairs. The order-in-Council accepting Major Leonard's resignation transfers the work of the commission to the Minister of Railways, Hon. Frank Cochrane. Under legislation passed last session the Minister is empowered to exercise the powers and discharge the duties of the commission, and the work will be completed under his personal supervision.

In asking to be relieved, Major Leonard has offered the Minister the benefit of his advice and assistance regarding the transactions during his term of office, which Mr. Cochrane will be glad to avail himself of. The Minister has expressed to Major Leonard his sincere appreciation of his good work while in charge of the commission. Major Leonard is leaving for the West on private business.

SIR JAMES AND HIS MINISTERS BACK AT WORK

First Meeting of the Cabinet Council Since the Election.

TORONTO, July 3.—The Ontario Cabinet in full sat about the board of the Council chamber yesterday, with Sir James Whitney at the head of the table. Every Cabinet minister was in his place. A short business session followed and to-day again matters of immediate interest will be dealt with. The most of these concerns the public works department and its management for the coming year. Another issue which demands attention at an early date is the appointment of the workmen's compensation board and the organization of the staff preparatory to setting the court in operation. Otherwise the department at work delayed only by the interruption of the election campaign, will go on as usual under the same ministerial directions.

Dr. Reaume at Office. Hon. Dr. Reaume was in his usual place at the office last evening, and to date cannot state what his plans are. He discussed the campaign with interest, and maintains that his majority over Mr. Fleming showed how the contest would have gone under ordinary circumstances. He will not be able to announce any of his future movements for a few days. It is claimed authoritatively in some quarters that the portfolio will be vacated this month. Dr. Reaume will turn his activities into the channel of a Government office. In case of a new public works minister being required there are likely to be several eligible.

The eastern part of the province is understood to be urging the elevation of one of three men from local ridings. Hon. Dr. Preston, T. W. McCarty, of Renfrew, and Howard Ferguson would be in line according to that view.

May Be a Shift. There is a possibility, according to others, that the vacancy existing provide an opportunity for a general shift that has been expected for some time. The majority of those interested laugh at this suggestion. The latest rumor concerning the possible movements of Sir Adam Beck were scouted by him in his office last night. It is expected that the Premier will have an announcement in a few days which will set speculation at rest.

ARSON SQUAD IN IRELAND

Residence of Sir Daniel Dixon With Priceless Art Treasures Destroyed by Flames

BELFAST, Ireland, July 3.—An "arson squad" of militant suffragettes to-day set fire to and burned to the ground, Ballinnoch, near Holywood, a great residential mansion, containing many priceless art treasures, all of which were destroyed. When the fire was discovered, it was too late to save the mansion which was the residence of the late Sir Daniel Dixon, who was Mayor and Lord Mayor of Belfast for many years and who sat in parliament for a short time, as member for the city of Belfast. The suffragettes left strewn about in the vicinity the customary evidences of their presence, but they themselves escaped.

KEEN FIGHT IS NOW UNDER WAY IN MANITOBA

Nominations Take Place To-day—No Acclamations Are Likely.

[By Special Wire to The Courier] WINNIPEG, July 3.—Nominations take place throughout the province to-day and the elections next Friday. There are three deferred elections being the northern seats of Le Pas, Churchill, Nelson and Grand Rapids. In the other forty seats it is not expected there will be a single acclamation. Both parties are contesting every one of Winnipeg's six seats with several Socialists and Labor candidates also running. The fight is keen and both parties profess to be confident of the result.

Final figures of the court of revision on registration show that the Liberals succeeded in having 122 names registered a fortnight ago, struck from the voters list in Winnipeg. The Conservatives had none removed. Sir Rodmond Roblin, Hon. Robert Rogers, Hon. Dr. Montague and local Conservative candidates, addressed a big meeting in Winnipeg last night. Opposition Leader Norris spoke in St. James on behalf of J. W. Wilton, the Liberal candidate in Assinaboia.

NO ENTHUSIASM

Irish of Chicago Not Subscribing Much Money to the Nationalists.

[By Special Wire to The Courier] MONTREAL, July 3.—A despatch to the Gazette from Chicago says the Irishmen of Chicago are not showing any great enthusiasm over the appeal of John Redmond, the Nationalist leader, for funds with which to arm the Irish Nationalist Volunteers. Up to date only \$1,000 has been contributed in this city and forwarded to Mr. Redmond. According to John A. McGarry, former president of the Irish Fellowship Club, who is in charge of a local committee to raise funds, it is not likely that any additional funds will be forthcoming from Chicago until the convention of Irishmen from all over the United States has been held in New York next Sunday. At this convention, Mr. Redmond's proposals will be discussed, a National lockout of building employees throughout the whole of this country in order to force a settlement of the London dispute, which has now lasted 22 weeks. The following official statement was issued yesterday: The National Federation Building Trade Employers met in London to-day and completed all preliminary arrangements for a national lockout. Voting papers will be issued forthwith.

Five of the men's unions have already approached the employers association with a view to sectional arrangements.

DASH FOR LIBERTY

One Burglar Escaped From Cell of Montreal Police Station.

MONTREAL, July 3.—Two brothers, Eugene and Ulric Martin, arrested on charges of burglary, escaped from the cells at police headquarters, but, owing to difficulty in finding their way out of the new building, only one got away altogether. Eugene, yesterday Ulric pleaded guilty to two burglary charges and there is still a third charge against him.

Many Ontario men spoke at the International Epworth League convention in Buffalo.

FATAL AUTOMOBILE ACCIDENT AT NORTH BAY ON THURSDAY

Young Girl Dead and Three Injured—Tire Blew Out.

[By Special Wire to The Courier] NORTH BAY, Ont., July 3.—One young girl lying dead, another badly injured and two young men in a critical condition is the result of an automobile accident Thursday evening in which residents of North Bay figured. David Moreland, a real estate agent, took a party out for a spin in his automobile in the early evening, his companions being his partner J. A. Kinsella, Mrs. John Billington of North Bay and Misses Morrisette and Eva Wright of Mattawa. The two girls had been visiting Mrs. Billington. The party rode to Bonfield and while returning a tire blew out and the machine slewed. In bringing it back, Moreland threw the wheel too far over and the brake jamming at the same time, the auto piled into the ditch. Miss Morrisette was so severely injured that she died two hours later. Mrs. Billington was taken to her home in North Bay on the night express and is suffering from broken ribs and other injuries, but will recover. Kinsella was brought to North Bay Hospital, where his injuries were found to be so serious that he was taken this morning to Toronto for treatment by a specialist. Moreland is severely injured and was brought back to North Bay this morning. His injuries are internal, how severe, is not yet known. Moreland states that the car was not running more than 12 miles an hour when the accident happened and that the falling of a loose board caused the brake to jam, which was the direct cause of the accident.

Miss Eva Wright was the only one in the car not seriously injured, suffering only slight abrasions.

NATIONAL LOCKOUT

In Effort to Bring End to Big Strike in the Old Land.

[By Special Wire to The Courier] MONTREAL, July 3.—A London cable to The Gazette says definite steps have been taken to declare a lockout of building employees throughout the whole of this country in order to force a settlement of the London dispute, which has now lasted 22 weeks. The following official statement was issued yesterday: The National Federation Building Trade Employers met in London to-day and completed all preliminary arrangements for a national lockout. Voting papers will be issued forthwith.

ONE HUNDRED YEARS OF PEACE TO BE CELEBRATED

E. H. Scammell Was Here Last Night in Effort to Organize.

One hundred years of peace between the United States and Canada will be celebrated on the North American continent by over 90 cities in Canada and by about 800 in the States next year, and in connection with this colossal celebration Brantford has been chosen as a fitting local centre. To prepare for such an auspicious occasion as is promised, a meeting of citizens interested was called in the city hall last night, under the presidency of the Mayor, when Mr. E. H. Scammell, an organizer of the Peace Centenary Celebrations, addressed those present. The meeting was not large, but, as the speaker of the evening declared, it suited his purpose just as well that they be enthusiastic and indefatigable workers. He did not believe in great numbers for this part of the program.

Those who gathered included His Honor Judge Hardy, F. Cocksbutt, Major Leonard, J. T. Carlin, D. Y. Smith, J. J. Hurley, E. Sweet, D. Hurley, H. Cork, Mrs. Churchill Livingston and Mrs. S. Woodruff Secord.

The Mayor introduced Mr. Scammell, who spoke upon the commemoration from all points of view. During the course of his remarks he said:

Mr. Scammell's Remarks. In his opening remarks Mr. Scammell spoke of the long period of peace which had existed between the two nations and that with an unguarded frontier between them. "During these hundred years many serious differences had arisen, and on some occasions war had seemed inevitable, but though at times the relationship was very much strained, an amicable settlement had always been arrived at, and it was now nearly a century since the roar of cannon had been heard across the international boundary. The celebration contemplated would be more than a gathering and demonstration. It was the desire of his association to secure the assistance of educational authorities, national societies, churches, women's organizations, labor unions, and other bodies and organizations. In addition to the Canadian association there were two others at work, one in the United States and one in Great Britain, both of which had extensive programmes, and representatives of the other self-governing colonies were associating themselves with the movement so that throughout the United States steps were being taken to draw attention to the century which was drawing to a close."

Mr. Scammell told of his organizing work throughout Canada. He had travelled between Halifax and Victoria and everywhere had organized

OFFICIAL COUNT GIVES 342 AS HAM'S MAJORITY

There Were 58 Rejected Ballots—Returning Officer Makes Declaration.

The official returns of the recent election in South Brant, were issued yesterday by Mr. T. S. Wade, and they show that the total vote in the riding was 6,646, or over one thousand votes in excess of the comparatively large returns of 1908, when 54,000 voters polled. Ham's majority over Brewster is officially 342, he having 3,594 against 3,252. This majority being largely made up in the county, for his city majority totalled 73. The country districts provide the class of voter who spoils least ballots for where there were as many as twenty spoiled votes in some city wards, there were very few in the country, not an average of three. The total votes cancelled were seven, while eighteen were declined and fifty-eight rejected.

PLAN TO DEPORT THE CITIES' IDLE

Unemployed Immigrants to be Sent Back to Destination.

OTTAWA, July 3.—Unemployed immigrants in Canadian cities who have been in Canada less than three years and have been charged with will be deported by the Immigration Department under the Act after notification by the secretary of the municipality concerned.

This was the announcement made by Mr. W. D. Scott, Superintendent of Immigration last evening, and it furnishes a possible solution for some of the labor troubles which Canadian cities are experiencing just now. By far the largest proportion of those out of work in Halifax, Montreal, Ottawa, Toronto, Winnipeg and other centres are foreigners, and of these many have come to Canada within the last three years. If the secretary of the city certifies that certain of these people have become public charges—that is, have accepted charity or relief from charitable institutions—the department will carry out that clause of the Immigration Act which provides for their deportation at the expense of the transportation company which brought them here.

This announcement was made by Mr. Scott to-day at a delegation of Bulgarians and Ruthenians which waited on him in regard to the problem of finding employment. The workings of the Immigration Act was explained to them, and they were told that it would be strictly enforced. They were, however, all offered employment on farms if they were willing to take it up, and this proposal will be considered by them.

DIBBLE LOST AT THE BIG REGATTA THIS AFTERNOON

Canadian Put Up a Game Race Against Italian But Collapsed.

[By Special Wire to The Courier] HENLEY, July 3.—Giuseppe Sinigaglia of Como, Italy, defeated Robert Dibble of Toronto, Canada, in the second semi-final of the Diamond Sculls.

Sinigaglia won by five lengths in 8 minutes 33 seconds. Dibble collapsed at the winning post and fell out of the boat, but was promptly rescued by the umpires' launch.

Two American eight-oared crews—the Union Boat Club of Boston and the Harvard University second crew—were left to fight to-morrow for possession of the coveted Grand Challenge Cup by their victories over Winnipeg and Mayence, respectively, in to-day's semi-final heats. Both were most exciting races, rowed in almost record time, and won only after a hard struggle near the finishing line in each instance.

The races were rowed in miserably wet weather with a strong wind. The race between Harvard and Winnipeg, which came first, was a hard one, and was rowed in the best time recorded at this year's regatta—7 minutes flat. This has been beaten on three occasions in the Grand Challenge Cup since official time records have been kept. In 1891 Leander rowed the final in 6 minutes 51 seconds, and this was equalled by New College, Oxford, in the final in 1897. Leander in 1905 did the course in 6 minutes 50 seconds.

Winnipeg went away at 21 strokes to the first half minute and 42 first minute, while Harvard struck 20 to the half minute and 38 to minute. The Canadians gained a slight lead at the start, and at the quarter mile were a quarter of a length in front. Harvard then came up and got the nose of their helm in front, but Winnipeg caught them again. At the half mile the boats were level, but before the halfway mark was reached Harvard had pushed a little ahead again. The time was 3 minutes 24 seconds.

The Canadians then spurred and Harvard replied. Harvard then went in front and at the mile were leading by three-quarters of a length. They were rowing 46 to the minute and retained their advantage to the end, although the Canadians made a last great effort to overhaul them.

On crossing the line Harvard seemed perfectly fresh. They had maintained their form throughout and had rowed a perfect race in a drizzling rain and a strong following wind.

On the other hand Winnipeg showed signs of faltering after passing the half-mile post and were rowed out the finish when they were just able to raise a feeble reply to Harvard's cheer.

The third day of the Royal Regatta opened with all the interest centred on the semi-finals of the Grand Challenge cup, the "blue ribbon" of English amateur rowing, from which all the English crews had been eliminated and only Canadian, American and German oarsmen were left in the contest. Harvard was drawn against Winnipeg, and Boston was to meet Mayence later in the day.

IMPROVEMENTS AT ECHO PLACE

Regular Meeting of the Improvement Association Was Held Last Evening.

The meeting of the Echo Place Improvement Association was held in Mohawk Park School last evening, and reports of the various committees were received and passed upon. The chairman of the sidewalk committee reports very much progress in building of the sidewalks. The chairman of the social committee reported that he is making arrangements for a banner picnic to be held some time during this month. The chairman of the light committee reported that there will be a public meeting of the township ratepayers to be held in the near future to receive propositions from the Hydro Electric rights for street and domestic use. He also stated that the Canadian Machine Telephone Co. are building their lines through Echo Place and Cainsville. A strong deputation will wait on the Township Council at their next meeting regarding grants that were partly promised them to repair the Hamilton road.

A number of complaints were received regarding the oiling of the Workman Hill. At this location it seemed useless to put oil as there is no dust on that part of the road. The owners of the Echo Park Survey who

reside in Hamilton became members of the improvement association. The officers presiding at last night's meeting were: Mr. Morley Myeds, president; F. T. Morrow, vice-president; A. Edmanson, treasurer; H. C. Thomas, secretary.

F. Norrie; Directors, Mesdames, B. Lamplin, Sage, Summerhays and Mordue; Auditors, Mesdames Jones and Coulbeck; District Director, Mrs. Kinney; press correspondent, Miss Gertrude Agnew. The ladies were all very enthusiastic and there is every prospect that this Institute will be one of the best in the district. The meetings will be held on the third Thursday of the month at the homes of the members.

WHISKEY SEIZED IN HOTEL RUN BY TEMPERANCE FOLK

Startling Development in License Officers' Raid in Collingwood.

[By Special Wire to the Courier] TORONTO, July 3.—A bomb has been dropped in the temperance camp by a seizure of whiskey in the Globe Hotel at Collingwood, a hostelry that is being conducted under the auspices of the temperance forces to prove that it is possible to run a first class hotel in a local option territory without the necessity of a bar. The news of the seizure has shocked the town. The manager of the hotel has been summoned to appear before the police magistrate to make an explanation, which is awaited with interest.

The license department made a dead set upon Collingwood the day before yesterday. Seventeen officers, under the guidance of Provincial Inspector Ayeart, motored to the lake port and practically raided it. For some time it has been evident that there was plenty of liquor available at the supposedly dry spot. The result of the visit was the finding of about 1,400 bottles of beer, in addition to a minor quantity of whiskey. The suspected restaurants were searched, with the result that a lot of beer was found concealed on various premises.

The charge was withdrawn by the girl, but not before Kavala made promises before witnesses and agreed to sign over the money as proof that he would not run away after the marriage. Kavala was arrested last night, after Miss Karrals told her story to the police. She is twenty-one years old, and good looking.

A NERVOUS BREAKDOWN

Can Be Averted by Feeding the Starved Nerves With Rich, Red Blood.

Nourish your nerves—that is the only way you can overcome the life's worst misery, nervous exhaustion. The fits of depression and irritation, the prostrating headaches, the weakness and trembling of the legs, the unsteady hand and the imperfect digestion that mark the victim of nerve weakness, must end in nervous breakdown if neglected.

Nourish your nerves by the natural process of filling your veins with rich, red, health-giving blood. Your nerve are crying out for pure blood and the mission of Dr. Williams' Pink Pills is to make new, rich blood. This explains why these pills have proved successful in so many cases of nervous disease that did not yield to ordinary treatment. For example, Mr. W. H. Weldon, Annapolis, N.S., says: "In the strenuous life I have to follow the drain on my system was so great that my nerves became shattered, my blood impoverished and my whole system undermined. I tried a number of so-called remedies without deriving any benefit. Finally having read so much about Dr. Williams' Pink Pills I decided to try them. The result was beyond my expectation. I regained my energy; the blood and nerves were rebuilt; I lost the sense of constant tiredness. I had felt and was filled with new life and energy. I have since used the pills with beneficial results in my family and will always have a word of praise for you." You can get Dr. Williams' Pink Pills from any medicine dealer or by mail post paid at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

A NOTED MAN CALLED HOME.

The death of Joseph Chamberlain removes one of the most notable of English figures of all time.

His father was a well-to-do London business man, a Unitarian and a Liberal and the deceased was only given the average education. When in his teens he served for two years in the London office, and then was sent to Birmingham to look after his father's interests in a small sewing business. Largely owing to him, the concern commenced to become very prosperous. He effected amalgamation with rival concerns, and everything prospered so well that in 1874, after twenty-two years of commercial life, he retired with an ample fortune.

Previous to that, in 1870, he commenced to take an interest in municipal affairs, and was elected to the Birmingham school board in 1870. Four years later he ran for Parliament but was defeated. Next he entered the council and for years he was a prominent advocate of municipal reform, for which he fought brilliantly and persistently, although a member of the minority. However, in 1876 he was elected as the "Radical Mayor," and speedily demonstrated the faith and the work that was in him. Under his inspiration and practical direction, new civic buildings were erected, Highgate Park was opened as a place of recreation, and a free library and an art gallery developed. His greatest achievements, however, were the municipalization of the gas and water supplies and the carrying through of an improvement scheme whereby many slums were cleared away, and forty acres of land laid out in new streets and open spaces. By this time, the "People's Joe," as he was familiarly called, had thoroughly entrenched himself in the esteem and the affection of his fellows, and he became elected to Parliament, as an "Advanced Liberal," and was never afterwards defeated. It did not take him long to make his mark in the House, and he was thrice included in Gladstone's Cabinet, as the representative of the Radical wing of the Liberal party. Then came the memorable period of 1886, when Gladstone introduced his Home Rule bill, and Chamberlain refused to agree with reference to some of the details. A most stormy time ensued, and as the outcome the Hon. Joseph withdrew from the party and then for the first time Gladstone recognized the true strength of his former lieutenant. In all his political career, the Grand Old Man never suffered such heckling and incisive criticism as that to which he was subjected by Chamberlain. It was the privilege of the writer to be in attendance as a spectator during those days, and the events were such as to make an indelible impression upon everyone.

Spare of figure, monocle in eye, and the inevitable orchid in his button-hole, the Hon. Joseph, with the aggressiveness which made him one of the most hated men of his day—"Jack Cade" and "Judas" were the epithets most often hurled at him—there he stood, implacable and unruffled, dissecting with unparalleled skill what he considered the weak points of the measure. And although, as previously related, he made countless enemies, yet at the same time his personality was such that, to quote the words of the most famous political writer of the day, Lord Morley, he had a perfect "genius for friendship." The upshot of his revolt was that he and several other Liberals left the party, Gladstone's ministry was wrecked, and Salisbury came into power as the head of what then became known as the "Unionist party."

For a long time Chamberlain refused to take office under him, but finally in 1895 he accepted the post of Colonial Secretary, and his occupancy of the role marked a new era in the relations between the Mother Land and the Overseas Dominions. With broad vision he saw the increased possibilities of the Empire and recognized the fact that the "Colonies," so called, were in reality nations within its scope, and so his more

than any other one man, belongs the credit of the widespread recognition of that fact. Later he took up with characteristic energy the advocacy of trade preference, but unfortunately a sudden stroke forced this gladiator of gladiators to lay aside his armor. Among other of the many charges brought against him by his opponents, was that he had even promoted the Boer war for personal gain in connection with some concerns which he was connected—an assertion which later was absolutely exploded. The general culture of the man was remarkable. He had the Doctor's Degree of both the Universities of Oxford and Cambridge bestowed upon him, and was made Lord Rector of Glasgow. He also practically started Birmingham University and became its Chancellor. Although sorely stricken, his loyal supporters continued to elect him as member, and to the last he retained his supreme hold upon the constituencies in what is termed "the Birmingham district." Ridings which he absolutely swayed first of all for the Liberal party and then for the Unionists.

About the last of the great criticisms hurled against him was that he left Gladstone because he was ambitious to become Premier. This is manifestly untrue. The Liberal leader at the time was in his eighties. Lord Rosebery was not anxious to be leader, in fact actually on Gladstone's retirement, only occupied the post a few months, and the Hon. Joseph was clearly the next in line. On the other hand Lord Salisbury, the Conservative leader, still had many years of service ahead of him, with A. J. Balfour, then quite young, as his probable successor. It will thus readily be seen that it was not a selfish, but what he considered to be a patriotic step, which led to his course.

The people of Birmingham will be mourning his death to-day, and not only they but also the peoples wherever the British flag floats. He not only held "empire over the minds of men," but in addition to him the weal and the welfare of the British Empire was ever near and dear to his heart. "Know ye not that there is a Prince and a just man fallen this day in Israel."

NOTES AND COMMENTS.

Rowell reaffirms that he is still quite satisfied. As the Whitneys are also there needn't be any kick about it.

Sir Charles Tupper celebrated his 53rd birthday yesterday. The only surviving Father of Confederation and in many respects its chief figure is reported to be in good health mentally and physically and this will be good news to those who admire his strong, if not magnetic, personality.

Only one of Whitney's ministers was elected to stay at home (owing to a three cornered fight), and the London Advertiser (Liberal) has this to say of him: "There will no doubt be a movement to secure Hon. Dr. Rieupeule a seat, and the Liberals will do well to allow his acclamation. Dr. Rieupeule has many admirers in Ontario on both sides of politics. He is known as a man of manifest fairness to those employed in the Department of Public Works, and although the vagaries of politics left him at home, he is a man who should continue to have a seat in the ministry."

HER BUSY DAY.

The British matron used to sit in gracious dignity, and knit and patch and her husband's duds; with earnest zeal she used to make the bread, the doughnuts and the cake, and boil the Lusitania spuds. But times have changed now, fiery-eyed, she lets her household duties slide, and treats her martial path; and in that land of good roast beef, the men are full of fear and grief, and shaken by her wrath. She says that she will have the vote, if she must set the isle afloat, to drift to Kingdom Come; she burns cathedral, she packs a deadly bomb. She pokes her one price parasol through costly paintings on the wall of this or that muse; she chases statesmen here and there, until they plunge, in their despair, into the sobbing sea. The King's afraid to take a walk, lest some bold matron's club may knock his iron across the street; he shivers on his royal throne, and in her bow, depressed alone, Queen Mary has cold feet. The judges send the girls to jail, and take, in fines, their modest kale, but little does it help; from Lunnon Town to John o' Groat's the women, for their precious votes, kyoodle, shriek and yell. So let us glad and thankful be that in this country of the free, the women are more wise; in gentlemanly style they fight, that they may gain their sacred right, the ballot, bless their eyes! ONE HUNDRED YEARS OF PEACE

(Continued from Page 1)

committees. The West was solidly for the celebration; members of the governments of each province in the Dominion had joined the National committee.

Among the suggestions included in the programme of celebration were the erection of monuments in London, Washington and Ottawa, archways or monuments at various points along the international boundary and probably monuments in some of the centres. A Sunday was being set apart for universal praise and thanksgiving to which suggestion the churches in Canada had given their whole-hearted support. It was also proposed to have an interchange of professors, so that Anglo-American relations could be more widely known, and understood. He considered the educational movement as the most important way of celebrating the Hundred Years of Peace. The victories of peace had not been given a prominent enough place in the school histories, and the Treaties which had ensured long periods of peace were relegated to the background. The history of important agreements between the United States and Great Britain were now being written and as soon as they were issued they would be sent to each school in the Dominion. Something along the same lines was being done in the States. There would probably be a fund set apart to provide prizes for children writing the best essays on the results of the Century of Peace, and it was also intended to arrange for an interchange of Shields between the schools in cities, towns and villages in Canada with schools in cities, towns and villages in America where such places bear identical names.

In regard to the question of expense there was no membership fee, nor would the centres of celebration be invited to contribute anything towards anything towards the general cost of the movement. Each centre would, however have to meet its own expenses, but the amount involved would depend entirely upon the kind of celebration which might be put on, and this would be determined by the local committee.

Mayor Spence then spoke enthusiastically upon the scheme, which had his hearty approval. He had a deep interest in the undertaking, and felt that Brantford had especially been blessed during the 100 years that peace had existed in the Dominion. It was a fit and proper thing to celebrate such a centenary, not only with fun, pleasure and gaiety, but also with a general thanksgiving to the Almighty.

It would be his endeavor to have the memory of the celebration perpetuated in Brantford by means of a handsome monument, which had been suggested by Mr. Scammel. That was a most worthy idea and augured well for the future of the peace.

A nomination committee was then formed, it was composed of His Honor Judge Hardy, Rev. A. E. Lavell, H. T. Watt, P. Cockshutt, Geo. Hatley, Mrs. Livingston Mrs. S. Woodruff Secord and the Mayor. The business of the committee will be the appointing of sub committees to the various branches of the work which must be carried out.

Mr. Sweet, Mr. Cockshutt and Rev. Lavell filed Mr. Scammel with questions regarding the working of the scheme and its advantages, and he in all cases answered satisfactorily. The meeting then adjourned until called by the Mayor when the nominating committee will sit to appoint sub-committees.

In the individual sculling competition for the diamond skulls all had been eliminated yesterday except E. G. Williams and C. M. Stuart, two Englishmen; Robert Dible of Toronto, Canada, and Giuseppe Singaglia of Como, Italy. The two Englishmen were drawn together in the semi-final heat today, while Dible, who is amateur sculling champion of America, was to meet the Italian giant in the second semi-final.

The crowds along the banks of the Thames and in the houseboats and launches moored along both sides of the course seemed to be greater than ever to-day in spite of the fact that the weather was as bad as it possibly could be and showed little prospect of improvement. The day opened with a drizzling rain, which later developed into a downpour accompanied by a strong cold north wind, which kicked up miniature whitecaps on the course. It was a bad day to row in low rigged boats and was not at all to the liking of the foreign crews, all of whom are more used to sunshine. For this reason the usual morning spins were abandoned, the oarsmen contenting themselves with a sharp row to the starting post in order to warm up.

Even the grand stands offered little protection from the weather as the wind drove the rain into them and the royal enclosure, and at times threatened to tear the canvas to shreds. The spectators looked cold and miserable in their white flannels, which invariably were partially covered by rain coats.

Newsome Wins Bowling Finals

The semi-finals and finals for the Harris Cup were played off at the Brantford Club green last evening. Messrs. McPhail of the Heather Club and Thompson of the Paris Club played the semi-finals, Mr. Thompson winning. Newsome of the Brantford Club beat Dunsome of the Heather Club in the semi-finals and for the final Newsome of the Heathers beat Thompson of the Paris Club by the score of 15 to 7.

POLICE BUDGET IS INTERESTING FOR THE DAY

A West Brantford Assault Case--Two Little Girls Who Went Astray.

There was an interesting budget of police news this morning to be dealt with by Magistrate Livingston.

A story of an assault by a group of West Brantford men, was told when John Anguish complained of an assault made upon him by Bert Oliver. It appears that Anguish had escorted a West Brantford girl home and this was resented by the youths of that district, who set upon him as he returned home late at night. There were about eight of them, said complainant, who hurled themselves upon him and he got away after being badly knocked about. Oliver admitted battering Anguish, whom he claimed had insulted him, and the bench decided that costs would have to be paid by defendant.

Wm. Toller and Barbara Sarvis got to using high sounding language to each other yesterday, and Barbara this morning brought her case before the notice of the magistrate, but he decided that one was just as bad as the other, and dismissed the case with costs.

Minas Carabedian, an Armenian, missed a ladies dress and a ten dollar bill from his home a week ago, and the only people he could connect with the crime were two little bright looking girls. He complained to the police and they found upon investigation that the girls had been upon the premises from which the goods and money were missed. The girls also had a good deal of money, and they were arrested, admitting their guilt. They had been warned, as had their parents, about keeping off the streets, when they were concerned in a case some time ago. The magistrate found the girls guilty and handed them over to the Children's Aid Society.

Roy Riddolls and Will Kittridge were warned not to go bathing in the river without costumes, and they promised to reform in this respect and were allowed to go.

Charles Roantree was found wiping his lips with a bottle of whiskey in his hip pocket by P. C. Cox yesterday. He was charged with being under the influence and he pleaded not guilty. Evidence was not strong

CRAZED BY LIQUOR Huron Case Is Postponed Again

Frenchman Endeavored to Shoot Up Small Town in Quebec.

[By Special Wire to the Courier]

QUEBEC, July 3.—Crazed by liquor, Joseph Moreau of Villeroy, a parish on the Intercolonial Railway, about 40 miles from here, ran amuck Wednesday and started to shoot up the town. He fatally wounded Alfred Charland, a sectionman, and also shot E. F. Roy, the station agent, who attempted to subdue him.

The desperado escaped capture and yesterday started again his rioting, walking into the village at an early hour.

The wounded men have been taken here, and are in the Hotel Dieu Hospital. A posse of detectives from the provincial police is hunting the woods in the vicinity of Villeroy.

Dr. Macklin and Rev. Elliot Charged With Conspiracy to Bribe.

[By Special Wire to the Courier]

GODERICH, Ont., July 3.—Owing to the absence of Crown Attorney Seager at Toronto, where the degree of doctor of divinity is being conferred upon his son, Rev. Allan Seager, by Trinity University, there was a further adjournment of the conspiracy case in which Dr. A. H. Macklin, Conservative candidate in the recent election for Centre Huron, and Rev. Joseph Elliott are charged with attempted bribery. The crown witnesses were on hand to give their evidence, but on agreement of counsel for all parties Magistrate Kelly adjourned the case until Thursday, July 9th, at 9 o'clock. It was understood that there would be no further postponement of the case.

Alvin Carmichael, a farmer, was held up by highwaymen near Erin. Sir Benjamin Stone, President of the National Photographic Record Association, is dead.

Was Caught With Goods On

Norman Crosby to Face Charge of Theft of Watch.

Norman Crosby, thought to be an Indian was arrested this morning by Detective Chapman on a charge of stealing a gold watch. He had been helping to remove furniture from the house of Frank Bell, 13 Alfred street, and shortly after he had left with the wagon, a gold watch was missing, and Mr. Bell immediately phoned the police, who got after Crosby right away. He was driving the furniture when he was stopped, searched and the watch found on him. It was identified by Bell, but Crosby denied stealing it and when brought before Magistrate Livingston, he pleaded not guilty and was remanded until Tuesday when the case will be gone into.

Paris News

PARIS, July 2.—The Methodist Sunday school picnic which was postponed last Saturday on account of the wet weather, will be held this Saturday afternoon at Victoria Park, Galt. A special car will leave here at 1.30.

Miss Consuela Inksater is receiving hearty congratulations from her many friends in town for having passed with honors in piano at Toronto Conservatory of Music examination, which was held in the Academy of Music in Brantford by Dr. Vogt. Miss Inksater is the only daughter of Mr. and Mrs. James R. Inksater, and her teacher, Miss M. Skelley, Murray street, Brantford, was also formerly of Paris.

Quite a number of visitors were here over the holiday, and the Dominion Day sports passed off well, considering the very disagreeable weather. The calithumpian and trades procession was splendid and much admired by the people. Nearly all places of business were represented in the parade. The prizes were awarded to the following:

All round turnout, Paris Coal and Lumber Co.—Mr. Isaac Stewart, paper hanger and painter.

Best delivery rig, Wm. Brockbank—Wm. Howard.

Best comic couple.—Albert Broomfield as "Votes for Women," and Wm Brockbank, as "That You Scott."

Best Clown.—Robinson.

Firm with the largest number of rigs—Martin and Grieves.

The St. Mary's band headed the procession, and a former old Paris boy was the leader, J. Peebles. The band gave splendid music during the day.

The Boy Scouts also looked fine under the command of Commissioner C. B. Robinson. The bugle band added much to the music for the marching.

There was a good program of sports. In the morning the ball game between St. Mary's and Paris, resulted in favor of the latter by 5 runs to 1. In the afternoon Paris again won out by a score of 14 to 3 over St. Mary's.

In the baby show for girls, Beatrice Graham and Florence Gibbon took first and second, while Arthur Grun- tier and Lloyd Thomson took first and second for the boys.

In the football game between Paris and St. Mary's, the former won out by 2 goals to none.

The firemen had a practice run with the new hose wagon and laid 500 feet of hose in two streams in 3 minutes, 38 seconds.

There was also a good program of athletic sports run off between the games in the afternoon. The set of dishes given by Mr. J. H. Fisher, M.P., to the person holding the lucky coupon, was won by Mr. Siple, and Arthur Peebles captured the marriage license.

Mrs. Ford of Ingelov, Manitoba, Mrs. James Ford of Fergus, are the guests of Mrs. G. W. Featherstone, Willow street.

Mr. and Mrs. Frank Huson and little son of Toronto, are holidaying with the former's parents in town.

Miss Newton spent the holiday at Ingersoll.

Mrs. M. Patterson and son, Victor of Hamilton, were the guests of the Misses Kay, over the holiday.

Miss Gertrude Dunn of St. Joseph's College, Toronto, is spending her holidays with her parents, Mr. and Mrs. T. J. Dunn.

Misses Bessie Heliker and Flora Taylor leave to-morrow on an extended trip to Winnipeg and Edmonton.

Mrs. H. Inksater and son Don, left this morning on a visit to her parents at St. Catharines.

Dr. Gould's many friends in town will be pleased to learn that he is recovering nicely from his recent operation. He has been able to leave the London hospital, and is spending a month at Kincardine. The doctor expects to resume his practice here, about the 1st of August.

Gero Gave Fine Performance And The Red Sox Beat The Saints 4-2

Returning to Their Early Season Form, Sox Grab Three in a Row—Timely Clubbing by the Locals Enabled Them to Overcome a Two Run Lead Garnered Off Gero in the First Inning.

With the Dominion Day victories chalked up on their banner, the Red Sox came off victorious yesterday in the odd game, rearranged by the schedule, with St. Thomas, Gero, with good support, pitching the Sox to a 4-2 victory.

The game was a good clean exhibition of ball on both sides, and save for the "beefing" of Riley, St. Thomas' coach, in the 6th inning, for which Umpire Miller fined him \$10, there was no time wasted in "chewing the rag" with the ump. Gero came through the game with five strike outs to his credit to 3 struck out by Clements.

While the Red Sox got no less than

four base hits and six one base hits, only one double play was pulled off during the game and that was by the Sox when Gero, Forgue and Ivers got Hadley who had singled, out at 2nd and also Kustus who had binged at first, Clement, while pitching a fair game, is not near the pitcher he was last year, and the locals got to him for 10 hits and four runs, while the Red Sox held the Saints to their only two runs which they made in the first inning, when Kopp and Craven scored. Brantford's scores were made in the second by Ivers, in the fifth by Lacroix and Long and in the seventh by Burns. The following is a detailed account of the game.

Fourth Inning
St. Thomas—Kading fouled to Nelson. McNellis grounded to Ivers. Gillespie flied to Long. No runs, no hits, no errors.

Brantford—Ivers out, Clements to first on first ball pitched. Roth out, short to first. Forgue hit to right for two bases. Nelson flied out to centre. No runs, one hit, no errors.

Fifth Inning
St. Thomas—Nevitt got a scratch hit. Clements sacrificed. Kopp flied to Long. Craven flied to Ivers. No runs, one hit, no errors.

Brantford—Lacroix singled to centre. Gero sacrificed. Long doubled to right, scoring Lacroix. Long went to third on a passed ball, and scored on a bunt by Burns. Deneau walked. Ivers flied out to second. Roth went out, pitcher to first. Two runs, three hits, no errors.

but was caught going to second. One run, two hits, no errors.

Eighth Inning
St. Thomas—Kopp flied to Burns. Craven struck out, but kicked and was ordered out of the park. Hadley walked. Kustus was thrown out by Forgue. No runs, no hits, no errors.

Brantford—Roth lined at Hadley. Forgue flied to Kopp. Nelson walked, and Lacroix also got free transportation, and Gero did likewise, filling the bases. Long forced Lacroix at third. No runs, no hits, no errors.

Ninth Inning
St. Thomas—Kading struck out. McNellis popped to Lacroix. Gillespie flied to Roth. No runs, no hits, no errors.

Notes of the Games

We ought to take two from Hamilton.

Ottawa dropped one yesterday with Wild Man Lill pitching.

Johnny Nelson has made a great improvement to the team.

Deneau failed to get a safe hit yesterday. Still safe hits weren't needed from the Rubs.

Taylor is due to pitch against Hamilton to-day. The Red Sox should give Eddie a win.

One bright spot in the Red Sox make-up is Gabby Ivers. He is pounding the ball hard and fielding superbly.

If Rubs Deneau improves the hitting strength of the club just a few degrees, the Red Sox will be formidable.

Biddy Burns with his limp looks like a fat subject for the old soldiers' home. At that he hit safely on two occasions.

Next week will be a grand one here, London here Monday, Tuesday, Wednesday, then Ottawa Thursday, Friday, Saturday.

Gero's fine pitching gave the Red Sox another win. At that the Brantford team hit pretty well behind the "strike-out king."

Any spectator at yesterday's game would wonder why St. Thomas let Forgue go for Hadley. The Red Sox line-up has been much improved by the red faced boy in short field.

It was a typographical error which stated that Deneau was after a couple

Canadian League

Meister, the outfielder London tried to secure from Cincinnati is busting the ball in the Central League for Dayton.

It is reported that a deal between the St. Thomas and Erie clubs may bring about the transfer of Catchers Nevitt and McNeill.

Kubat, Lill, Rogers, Shocker, Peterson and Marshall, a hurler from the Southern League, now compose the Ottawa pitching staff.

Frank Long is hitting the ball for Brantford. The Brants have taken on a new lease of life, which is evident by a two-ply win over Peterboro.

Fred Bramble and Harry Brant are playing regularly with Fort Wayne in the Central League. Bramble is in the outfield, taking his regular turn in the box.

Manager Reisinger, of the London club, is angling for another south-paw. He has a good one in view and when he is landed the locals will have the largest player in the Canadian League. This new one is 6 feet 3 in. in height, weighing considerably over 200.

Judging from the press notices London is receiving in the Ottawa papers of late, attendance records of the Canadian league will be smashed. The set-to which opens to-day at Ottawa will surely be interesting, one of the teams being tied for the leadership and have been close since the commencement of the 1914 campaign.

BRANTFORD HORSE MADE A CLEAN-UP

Westbrook's Trudell, Driven by Ray, Showed Form Reversal.

At London races yesterday, five heats were run in the 2.30 pace before the event was won by Trudell, who, after winning the first heat, broke in the next two and was considered a rank outsider by those in the know, and then with a sensational burst of speed copped the next two and won the \$1,000 purse. This purse gave Ray a chance to display his driving ability. His horse in two heats broke, and was beaten by Great Onward, but Ray, driving carefully came back and won the remaining heats after a stiff fight with Great Onward and Baronwood.

George O'Neil was the luckiest man at the track. George heard a better bemoaning his luck for having bought a pool ticket on Trudell. The holder of the ticket wanted to give it away. George gave him \$3 for the ticket which called for \$42. Trudell won, Trudell won the heats and George cashed in for \$42. The fellow then let up an awful howl about Thursday being his Jonah month.

Mrs. Nat Ray was the most surprised person in the grounds, when Trudell won after breaking in two heats.

"I was going to sell a \$10 ticket for a quarter," exclaimed the driver's wife.

The employers and employees of the International Paper Company signed a one-year agreement.

Story of the Game by Innings

First Inning.
St. Thomas—Kopp tried to bunt the first ball Gero pitched but failed. He then hit a high fly which Deneau could not reach. It was a two base hit. Craven singled to right and Gero was in a hole. Forgue made a beautiful play on Hadley's grounder and prevented a score. Kopp was held at third and Kustus went out to first. Kopp scoring. Craven scored on a wild pitch, the ball hitting the plate. Kading singled, and McNellis was out to Ivers.

Brantford—Long grounded out, short to first in Brantford's initial period. Burns fouled to Gillespie. Deneau struck out. No runs, no hits, no errors.

flied to Roth. No runs, no hits, no errors.

Brantford—Ivers hit to centre for two bases, a cracking good liner. Roth sacrificed. Forgue singled, scoring Ivers. Nelson was out, pitcher to first. Lacroix grounded out. One run, two hits, no errors.

Third Inning
St. Thomas—Kopp was out, Gero to Ivers. Craven was safe on Forgue's poor throw. Hadley singled. Lacroix caught Craven off second by a beautiful throw. Kustus struck out. No runs, one hit, one error.

Brantford—Gero struck out. Long singled through short. Burns grounded out, third to first, Long going to second. Deneau struck out for the second time. No runs, one hit, no errors.

Sixth Inning
St. Thomas—Hadley singled to centre, but Kustus hit into a double play Gero to Forgue to Ivers. Kading singled past short, but was out stealing. Lacroix showed improved form throwing to second. No runs, two hits, no errors.

Brantford—Forgue flied to Kopp. Nelson singled over short. Lacroix tied to short. Gero flied to short likewise. No runs, one hit.

Seven Inning
St. Thomas—McNellis singled to centre, but was caught trying to steal Gillespie was hit by pitcher. Nevitt struck out. Clements flied to Roth. No runs, one hit, no errors.

Brantford—Long flied to centre. Burns doubled to left. Deneau flied to left. Ivers singled, scoring Burns.

Duffs vs. Paris, Darlington. P. S. A. vs. Scots, Meares. Holmedale vs. Tutela, Clark, Wanderers vs. S. O. E., Smith

The John Hill cup in the round will be battled for to-morrow when eight teams take the field, one hopeful of living into the second round.

The game which will probably be the hardest fought, will be that between the Tigers and Tutela. It is remembered that the Holmedale boys put the Tutela Park brigade of the cup last year, but that when they had a weaker team they this year have, and although the Tigers are hopeful, they will have to go all the way to make Tutela pand. This game should see the feat of the Holmedales and the ing into the second of Tutela.

The Scots have already put P. out of the running in the Courier and it appears that they will have opportunity of once again eliminating them from a cup contest. Scots' out to win all they can get, and will take a stronger team than P. S. A. to stop them.

The Duffs and Paris furnish good game as a rule, and this one be no exception. The Duffs are confident of their ability to pull thru and if they do it will not be a large margin. These two teams are pretty evenly matched and the game may go either way.

The S. O. E. and the Wanderers are the last two contestants, both are working up their strength for the occasion. They are improving and the same may be said of the Wanderers, and will little luck the Wanderers may get out on top.

The teams are given below.

Tutela Line-up
The following have been chosen to represent Tutela in their contest against Holmedale on Saturday, good game is anticipated and should draw a large crowd. Last season's Tigers put Tutela out of the business, but the Eagle Place are hoping to win. All players are requested to be on hand by 5.30 on Holmedale's new ground, on West Mill street. Goal, H. St. or Cassels; backs, T. Mason, Burns; halves, N. McLeod, capt. Roberts, P. McLeod; forwards, Hamilton, J. Hingley, G. Bailey Collett, E. Fisher, Reserves, V. and Johnston.

Dufferin Team
The following will represent Duffs against Paris on Saturday, the Agricultural park in the Hill charity cup. Goal, Knobacks, Harbourn, W. Holland; backs, Williamson, Mercer, B. forwards, Usher, J. Holland, Knobley, Humphries, Poynter. Reserves, Coule, Alexander, S.

BRANTFORD LOST TO DOVERCOURT

Cricket Game on Wednesday Was an Interesting One.

Between the showers on Wednesday the local cricketers managed to get in a full day's sport here at the O. S. B. Grounds. The match was against the Toronto Dovercourt team and ended in a win for the visitors by a score of 170 to 85. The Toronto team came to the city overnight, registering at the Kerby House, therefore they were ready for an early start and the match commenced at a few minutes after ten. Brantford batting first, and sending in Messrs. Whitwill and Winyard to face the bowling of Gray and Peacock, runs came steadily until eleven were scored at which total Winyard was robbed of his wicket, the ball bouncing off the wicket keepers pad on to his wicket and the Toronto umpire thinking he was bowled, gave him out. George Taylor joined Mr. Whitwill, but was bowled by the first ball he received, Mr. R. T. Hall came next, but the score was still even when he was also bowled, Peacock bowling wonderfully for the visitors had so far taken all three wickets. R. L. Simmons was Whitwill's next partner and together they added six to the total when Simmons miss-judged another beautiful ball from Peacock and was clean bowled. Mr. Archdeacon was the next Brantford batsman, but the score was only increased by one when he was another victim to Peacock. That young 'played' 'Tom' Chamberlain, who is celebrating his twenty-seventh year in Brantford, was the next batsman, and Peacock all he could stand and thus six Brantford wickets were down for 25. Mr. O. P. VanSomern, who came next, at once commenced to hit out and by good cricket he and Whitwill carried the score to 41, when Peacock caught and bowled the latter. "George" had played perfect cricket for his twenty runs and showed wonderful pluck in holding up his end when wickets were falling fast. J. Frost helped VanSomern to carry the score to 51, before he was caught napping by Peacock. Meridew was tenth man in and he and Mr. VanSomern played well together, and although the Toronto Captain made frequent changes in his bowling they brought the score to 76, before they were parted, Young catching VanSomern off of Watson. This is Mr. VanSomern's first appearance on the cricket field this season and his innings of nineteen runs was perfect in every respect. A Burton was last man in and Meridew at once commenced to hit out, nine runs were scored when Peacock, who had changed over and gone on to bowl at the other end, got one past Meridew and the inning was at an end for a very creditable score of 85. Toronto had thirty minutes batting before lunch and lost three of their best batsmen for 17 runs, so at this stage of the game the locals had a trifle the best of the argument which result was chiefly due to the splendid bowling of Chamberlain who had taken two wickets for two runs. Frost was also bowling well. It is very evident how over that the locals partook of too much lunch for at the resumption of play the Toronto batsmen seemed to have a complete mastery over the bowling and scored at will, the remaining seven wickets, adding no less than 133 runs to the total. J. Rothwell playing splendidly for 59, and B. Parke for 65. The feature of the Brantford fielding was a beautiful catch by Simmons which dismissed Parkes. Score.

There was a splendid attendance Tuesday evening, the closing night of the Carnival. Those who were present witnessed a display of athletic work that has perhaps never been equaled before in the city. EAT LESS AND TAKE SALTS FOR KIDNEYS
Take a glass of Salts if your Back hurts or Bladder bothers.

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from over-work, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.
When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.
Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

Players Suspended By The Football Executive

Richardson and Giles Are Penalized—Sport Must be Kept Clean and Free From Rowdyism.

Suspensions were handed out plentifully last night by the executive of the Brantford and Paris Football league when they met at the Y.M.C.A. last night.
The consideration of protests against results or against players occupied the major portion of a lengthy meeting.
Willie Richardson of the Scots United was suspended for a week for an assault which took place when his team was playing against the P.S.A., and Giles of the latter club was suspended sine die as he has not yet appeared before his peers. R. Richardson of Cockshtuts was sent into the outer darkness of suspension for a month for taking part in a fight which occurred on the field, while Tutela was battling with his club. Robertson his opponent was given a fortnight's rest.
The executive feel that it is incumbent upon them to cut out the rough stuff element entirely, and their action last night goes to prove their desire to do so.

Nebin of Paris and Westlake of the S.O.E. had a near-fight during a Courier Cup contest and both were severely censured.
Cockshtuts United protested against the result of their game with Tutela in the Courier Cup series alleging that the referee was unfair. They claimed a replay or the game. When played the issue was 4-2 in favor of Tutela and one of the goals had been netted from a penalty which was disputed. This commended a hot game and feeling was intense with the result that the players were hard to control. After discussing the merits of the case the Protest committee decided that the protest could not be upheld and the game would stand in favor of Tutela.
The Sons have been making a clean-out and have released the following players; A. Ellis, E. J. Hardy, R. J. Darch, G. Davies, C. Williams, A. J. Hunt, B. B. Wright and A. B. Wright.
Bingham and Holland were found eligible to play for the Duffs, while Gray was ready to play for the Sons. This completed the business.

PUBLIC SCHOOL BOARD BUSINESS

Short Meeting Was Last Evening For Our Affairs.

The regular monthly meeting of the public school board was held last evening at the city hall, when the following members were present: M. E. B. Cutcliffe, S. A. K. Bunnell and Trustees, Lachey, Clement Dr. Ashton, L. Armstrong. The principal was the acceptance of the resignation of the following teachers of Public School staff, Caroline Mary Sickle, Edith A. Patton, McBride, Ruby L. Suiter and L. Scott.

The recommendation of the nurse that a stretcher be placed in every school for use in cases of illness, was considered unnecessary and was not accepted.

The report of Inspector Kilmer that the results of the recent entrance examinations were satisfactory, a large number of having obtained high marks, the best marks being obtained by the Separate schools.

Secretary Bunnell reported that Principal Foster of Aylesbury school had refused the offer of Hamilton Public School board position in their staff.

The inspector's report for the month of June showed the attendance of city schools to be as follows:

For that matter a wallop to the crest of the jawbone is merely "psychological" if you have that much imagination. But only the favored ones under such circumstances, can kid themselves into the belief that it was only the tickling of a feather and continue as if nothing else had occurred.

In the last two weeks, the Giants and Athletics have about broken even, but if you're out in front it's easy enough to win a race walking on one bum leg if there's no one else coming on.

KIRLEY IN FIRM; DEFEATS OTTAWA

Beavers Win Final Game, and Even Up the Series From the Senators.

OTTAWA, July 3.—The Toronto Beavers handed out a decisive defeat to the Ottawas in the closing game of their series here yesterday afternoon, making it an even break on the four. They downed the Senators by 7 to 1, after having the edge on them throughout.

Not only did Kirley pitch a beautiful game, holding the Ottawas to four scattered hits and kicking in himself with a three bagger in the eighth, but the Beavers backed him up with errorless ball. Marty Killilea handled nine chances without a mistake, and had two hits in three times at bat.

Joe Lill pitched for Ottawa, and received wretched support. Smykal fell down on two easy chances, while Dolan, Wager and Lage also contributed costly misplays.

WON IN ELEVEN INNINGS

London Trimmed Hamilton by a score of 6 to 5. Yesterday was get-away day at the Hamilton Jockey Club and also at the ball garden, for the London team made its last appearance of the season on the local turf diamond.

It took eleven innings for the Cockneys to turn the trick but Shears could not cut the game any shorter as the Athletics came from behind in the eighth and tied matters up.

The features of the game were spectacular catches by White and McGahey, the latter's resulting in a double play.

HAMILTON PAPER BLASTS DR. YATES

Resignation of Hamilton Pilot is Demanded—A Scorching.

(The Spectator.)

The Hamilton baseball team is in last place. In other words the expected has happened. The team lacking in all that the word "leadership" means, have gradually worked themselves down to the lowest notch in the league race.

There is little use of any attempt being made to dodge the issue or pass over the situation. Yates came to this city in April with some good ball players at his command and the recommendation of Manager Mack of the Philadelphia American League club, it being understood that Mack would stand behind him.

The Brantford lacrosse team journeyed to St. Marys on the holiday, and there displayed their real worth as lacrosse players by defeating the Stone Town team by a score of 15-10.

In spite of all this Manager Yates has failed to deliver just as the support expected from Connie Mack has failed to materialize with the result that the month of June draws to a close with the club in the last position, going badly, and with urgent need for a shift of some kind.

The fans still have faith in the team. They think the individual merit is there but that Yates is lacking in all the requirements of a successful manager.

Lacrosse Game Was Brilliant One and Town Turned Out Strong.

The Brantford lacrosse team journeyed to St. Marys on the holiday, and there displayed their real worth as lacrosse players by defeating the Stone Town team by a score of 15-10.

The Brantford penalties were few, the boys evidently learning by their experience at home last Saturday against London that the only way to win is to stay in the field.

The St. Marys' Kliffies brass band added much to the success of the day which proved to be a record one in the lacrosse annals of St. Marys.

PUBLIC SCHOOL BOARD BUSINESS

Short Meeting Was Held Last Evening For Routine Affairs.

The regular monthly meeting of the Public school board was held last evening at the city hall, when the following members were present: Chairman M. E. B. Cutcliffe, Secretary A. K. Bunnell and Trustees Dr. Ballachey, Clement Dr. Ashton, Lane and Armstrong.

The recommendation of the school nurse that a stretcher be placed in every school for use in cases of accident, was considered unnecessary and was not accepted.

The report of Inspector Kilmer stated that the results of the recent entrance examinations were very satisfactory, a large number of pupils having obtained high marks, the highest marks being obtained by a pupil of the Separate schools.

Secretary Bunnell reported that Principal Foster of Alexandria school had refused the offer of the Hamilton Public school board for a position as their staff.

The inspector's report for the month of June showed the attendance of the city schools to be as follows:

Table with columns: Name, Amount, Total. Rows include Central, Alexandria, Victoria, King Edward, Ryerson, Dufferin.

On motion of Trustees Clement and Ballachey accounts to the amount of \$2,026.34 were ordered paid. The principal items in the accounts were the taxes on the school property amounting to \$261.68, and D. McDonald for fuel \$26.52.

The action of the finance committee in paying Turnbull-Cutcliffe Co. \$153.09 for cash advanced in connection with work at Victoria and Dufferin schools was confirmed, also the payment of \$878.29 to the Grand View school trustees for cost of pupils to May 31st.

The board ratified the action of the chairman Mr. Cutcliffe and Trustees Ballachey in increasing the order for cadet suits from 200, as per minute of previous meeting to 335, and that C. M. Gilchrist and Co. be paid the sum of \$1,205.90 for amount of bill and extra for buttons.

There being no further business the board then adjourned.

"FIGHTING JOE" PASSES AWAY

(Continued from Page 1) "I cannot hope again to do my work in parliament, and I feel that our city and the constituency need the services of a younger man."

While his greatest claim to fame was his determined and brilliant advocacy for years of a protective policy for Great Britain, the citadel of free trade, he will also be remembered as the bitterest and most forceful opponent of Gladstone in that statesman's efforts for home rule for Ireland; as one of the founders of the Liberal-Unionist party; and as the minister whose policy in South Africa involved his country in the greatest war it had experienced since the Crimean conflict, but blotted out the two free republics and made South Africa "all red."

From the day he left University College, London, to enter his father's saw factory at Birmingham, Joseph Chamberlain devoted his best energies to "the principle of constructive reform." It was in 1868, just 32 years after his birth in London, that he received his baptism of public life, as town councillor of Birmingham, later serving as mayor for successive terms.

He gave his whole time to the cause of municipal reform and what had been previously one of the worst governed cities in England, became a model for municipal reformers. In 1876 he entered parliament, being elected without opposition as a Liberal from Birmingham. In his early years in the Commons he sat among the home rule Liberals with whose aspirations he was supposed to sympathize, but a few years later he emphatically disabused his associates in the House of any notion they have had of his belief in separate government for Ireland.

In less than four years he was a cabinet minister, entering Gladstone's Government in 1880 as President of the Board of Trade and in less than a decade his hold on popular opinion was almost as great as Gladstone's. After the general election of 1885 he became President of the Local Government Board, but by the spring of 1886 his and Gladstone's relations on the latter's Irish policy had become so strained that he broke with the great Premier, resigned his place in the Cabinet and left the Liberal party never to return to it. He, Lord Harrington (afterwards the Duke of Devonshire), G. J. Goschen and others, high in the Liberal party, who saw in their former leader's home rule proposals and propaganda a menace to the integrity of the empire, formed a new party to resist them. They called themselves Liberal Unionists and anti-home rule was, for the time being their main tenet. Lord Harrington was their first leader, but when he was elevated to the peerage through the death of his father, Mr. Chamberlain was chosen the party's chief.

During the campaign of 1892, Mr. Chamberlain worked with great effect, and subsequently in the Commons he was to the forefront in all the assaults on the Irish government bill, and clashed frequently with Mr. Gladstone. The home rule bill considered him a renegade, and this rankling he aggravated by his rousing tactics. During debate on the bill, one night in July, 1893, Mr. Gladstone tartly compared him with "the devil's advocate."

The constitution for the Australian Commonwealth was one of his productions. Just before his 67th birthday, Chamberlain launched a scheme of fiscal reform, which partly succeeded in splitting the Unionist party.

It is with sadness we chronicle the death of Mrs. McCombs at Medicine Hat, formerly a Miss Costin of Cathcart. Deceased was the youngest daughter of the late T. D. Costin.

She grew up to womanhood with a sweet disposition. These were unfortunately marred, by ill-health. Ethel was always devoted to her parents, and the sudden death of her father a few years ago was a crushing blow to her from which she never fully recovered. She leaves to mourn her great loss a sorrowing husband, and two bright little daughters, also one brother Fred, which is the only one left of the family. The funeral took place on Thursday and was largely attended, the avalanche of flowers sent by compassionate and sorrowing friends filled a large carriage drawn by two white horses. The remains were tenderly laid to rest in the family plot at Medicine Hat; by her own request. The family and friends have the deepest sympathy in this their sad bereavement.

The funeral of the late Francis Todd, who passed away at his home here, after a lingering illness on Sunday afternoon, took place on Tuesday at 2 o'clock p. m., and was attended by a large number of sympathizing friends. The service was conducted by Rev. Mr. Holling of Colborne street church. Brantford assisted in song by Miss Agnes Butler of the same church. The pallbearers were Messrs. Joseph Graham and James Shaver of Cainsville; Mr. Wm. Moyer, Echo Place; Messrs. G. B. Day, M. Mintern and S. Simpson, MBrantford. The floral tributes were numerous and beautiful, testifying to the esteem in which deceased was held, and were as follows: Pillow, "Father," family; cross, Mr. and Mrs. Hurley; wreath, Miss Darby, E. H. Darby, "Welland" club, Sprays—Mr. and Mrs. Geo. Traill, Mr. and Mrs. A. W. McAllister, Mr. and Mrs. George Sager, Mrs. and Miss Warne, Mr. and Mrs. H. B. He was a good citizen, a good neighbor and a consistent member of the Methodist church. In politics he was a staunch Reformer, and took great interest in the recent election especially in the temperance movement. He leaves to mourn his loss, his widow, one son, ill, on the farm; Mrs. Wm. Warne, of Brantford, and Miss Edith at home. The sympathy of the entire community is extended to the sorrowing family.

On Sunday morning the pulpit of the Methodist church was occupied by Rev. Mr. Cook who preached his farewell sermon before leaving for his new circuit at Trafalgar.

He chose as his text, "Behold your King," John xix, 14, and delivered a very eloquent sermon. Mr. Cook is a fluent and forceful speaker and we predict great things for him in the future and the best wishes of a host of good friends follow him and Mrs. Cook to their new field of labor. In the evening, Rev. Mr. Morrow delivered his farewell address choosing his text from Hebrews vi; 1-12. Mr. Morrow's health has somewhat failed of late and he is retiring from active work of the ministry. About forty years ago the rev. gentlemen started in the ministry, his first charge being Cainsville, and it seems rather singular that his last charge should be the same place. His numerous friends wish him many years of usefulness.

The League meeting on Monday evening was in charge of the Citizenship committee, the chair being taken by Miss A. Smith. Mr. Cook gave a splendid talk on "Truthfulness."

**With the Brantford Cadets
At the Big Niagara Camp**

NIAGARA-ON-THE-LAKE, July 3.—The cadets put in a hard day's work yesterday. The final contingents arrived, swelling the total attendance at camp to more than three thousand. This number is almost double that of 1913.

Every cadet except those on mess duty or on the sick list drilled hard from 9 a.m. to twelve. The junior cadets worked on guard mounting and extended work. The senior cadets performed the attack, sending an imaginary enemy from an imaginary fort with imaginary ammunition, but it was great fun. The Public schools will have their chance to attack on Friday in the sham battle.

Some of the young "Cubs," as they are disrespectfully called, found it hard to sleep on Tuesday night, and with the first glimmering of dawn on Wednesday set out for town. Finding it very dull there, since nobody was awake, they amused themselves

by sounding reveille on the doorbells of the innocent inhabitants, and not waiting to have a conversation with the owners.

It appears that a hearty complaint was made to General Lessard, and he sent out immediate orders to prevent any cadet from leaving the Government reserve at all, except for bathing or shooting parades. This was done partly as punishment for the morning's escapade, and also to prevent anybody from going in swimming or waiting on the beach within range of the rifle shooting at the butts. The order went into effect so quickly that the battalion commanders were sorely perplexed when dozens of cadets came crestfallen back to camp without being able to go to town, and immediately complained to their respective battalion commanders about it. Orders were looked up, which stated that cadets had to get permission to go to town only during drill hours, otherwise they could go

without permission. There was nearly a mutiny until General Lessard's orders came along to the commanders shortly afterwards. Yesterday, however, the restrictions were removed, and all is peace and happiness and ice cream.

On Wednesday, two Newmarket boys "skipped" and caused some fears as to their safety until this morning, when they reported to their officers. They had not been out all night, but had sneaked back into camp at night without reporting. Justice was meted out, mingled with mercy.

Excitement at Dinner.

Some excitement was caused at dinner yesterday when a table broke and scattered the meals of about fifty boys from Newmarket, Usbridge and Port Perry. The benches and tables are all joined, and a break in one place causes a disturbance in the whole table. That is why so many boys had to move to other quarters. Of course nobody was hurt, but one boy came out a sorry-looking sight. The bench he was sitting on broke, sending him to the ground. At the same time a pot of large, juicy boiled peas overturned on his head, and a few went down his neck. He looked as foolish as the combatants of a

polish fight, which was one of the shiner that took place last night.

Yesterday afternoon there was an excursion to the Falls. It was a fine day and a grand opportunity for fun. All who went enjoyed themselves hugely. The swimming and shooting parades were also largely attended.

The hospital is a place forlorn. Occasionally a cadet drops in to have a cut bandaged or a stomach-ache removed, but since there is still a large supply of pop and ice cream on hand, the authorities are expecting developments any time.

"Maud" has disappeared. The Mississauga Horse Cadets are silent, but the rumor is that the officers who have to put their inferiors to sleep were greatly hindered by the mule. The animal, whose "Hee-Haw" is like the noise of a rusty pump handle, invariably makes itself heard just after the camp has been quieted down. Then everybody laughs and the "ardwork-in' hossiers" have to get the camp quieted a second time, and it is no easy job.

The Unionists in the House of Lords are anxious for a peaceful and early settlement of the home rule question.

**Accident at Lorne Bridge
Yesterday Resulted in
Painful Injury.**

An accident that may yet cost Sergeant Maish of the 32nd battery, the loss of the sight of his right eye, occurred yesterday afternoon at Lorne Bridge, when a dynamite cap Maish was handling, exploded and the flying pieces almost cut his right eye out, besides badly lacerating the cheek.

Maish, who is employed by the L. E. and N. railway on their construction work at Lorne Bridge, was endeavoring to flatten out a dynamite cap with a stone, thinking that the cap was unloaded, when it suddenly

exploded and the top of the cap flew right into his right eye, while other pieces tore his cheek. The powder also burnt through his pant leg and burned the skin rather badly. Constable Cox, who heard the report, rushed over and telephoned for Dr. Ashton, who soon arrived on the scene. He had the unfortunate man removed to his home on Strathcona Avenue. Dr. Ashton said last night it would be impossible to tell whether the injured man would lose the sight of the eye until an examination of the eye-ball could be made, which was impossible last night, owing to the eye having completely closed up.

**Assiniboia Didn't Make
Much Noise in Hitting
Rocks.**

**Passengers Surprised
When They Woke
Next Morning.**

(By Special Wire to The Court.)

TORONTO, July 4.—The wreckage of the Canadian Pacific Railway steamer Assiniboia which went ashore on Bad Neig Island shortly after midnight on Monday last, arrived in Toronto last night on the belated train from Port Nicoll. According to the inter-ship at the time of the accident and dashed onto the island shore about ten feet upon the rocks.

When the vessel ran on to island "S.O.S." messages were sent out by the wireless operator and calls for succor were received by Great Lakes liner, Alberta, which rushed to the rescue, and early Tuesday morning succeeded in rescuing the passengers.

At the time of the accident the passengers were asleep in their staterooms. According to the stories by them, there was no panic. The Assiniboia ran upon the rocks. The crew immediately manned lifeboats, and the male passengers chivalrously stood aside until the men had been awakened.

The wireless messages were also received by the steamer Midland, which had just left Owen Sound harbor for the head of the Great Lakes, when the vessel arrived the Assiniboia had transferred the passengers, according to the story told by Margaret R. Hall of Regina, who was travelling to Hamilton, the Assiniboia was heavily damaged by the passengers.

When they awoke in the morning they were surprised to see the liner was hard and fast upon island. The fact that they were disturbed during the early morning hours was that the captain was of a panic occurring on the ship.

Passengers Not Frightened

"We were not the least bit frightened," said Miss Hall. "It all happened while we were slumbering the passengers were greatly surprised when they saw the bows of the Assiniboia hard and fast upon the beach, and a number of women were hysterical, but their fears were allayed by the officers, and a couple of hours later the Alberta arrived to relieve the scene. I cannot give too much credit to the officials of the ship, the courtesy shown to the passengers. Everything possible was done to alleviate any discomfort which might have been caused, and at no time were the lives of the passengers in danger."

Miss F. May Brooker, who was travelling from Regina to Hamilton another passenger. She stated when the accident occurred she awakened by a slight shock. Riedly dressing, she rushed upon deck and found that the ship had upon the rocks. According to Brooker, there was no panic of any kind.
