

A GRAND MEDICINE FOR OLD PEOPLE

"Fruit-a-lives" Restores The Health and Strength of Youth.

GRANDS LIGNER, Que., Jan. 2nd, 1910. "I heartily recommend 'Fruit-a-lives' to all who suffer from constipation and the painful consequences, Piles. I am now over 80 years of age and suffered for more than 10 years with Constipation and Piles. I tried all kinds of remedies, but nothing cured me.

About four years ago, I received a sample of 'Fruit-a-lives'. After taking a few doses, I felt that 'Fruit-a-lives' were doing me good. As 'Fruit-a-lives' were not sold here then, I wrote to Ottawa for several boxes.

After taking four boxes, I felt well—my bowels were regular—and the Piles had disappeared." N. JOUBERT.

By taking one "Fruit-a-lives" tablet an hour before meals—or one or two at night—old people can correct all Stomach, Liver and Kidney Troubles. "Fruit-a-lives" is a natural fruit medicine is mild and gentle in action—pleasant to the taste—yet no other remedy has been found to be so effective in keeping old folks in good health.

Box, 5 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

CONCERT FEATURE OF CORONATION DAY

A Big Patriotic Event in the Thistle Rink on Thursday Evening—Details of the Musical Program in Afternoon Rapidly Taking Shape.

The biggest concert of trained voices ever heard in Edmonton will be the big feature of the Free Patriotic concert given by the Coronation committee in the Thistle Rink on the evening of June 22nd. The music committee is making arrangements for the singers, who will combine to fill every nook and corner of the big auditorium with the measures of the patriotic songs which everybody knows and loves.

This concert will be not only the largest thing of the sort attempted here on a holiday occasion, but will be also one of the triumphs in the musical history of Alberta. The chorus will have full orchestral accompaniment, and will support the leading soloists of Edmonton.

One hundred of the voices will be supplied by Strathcona, and the remainder by the flower of the singers in Edmonton.

The first rehearsal for the concert will be held on Wednesday evening at 8 o'clock on Tuesday evening, June 13. The committee is especially desiring a full chorus on that occasion.

The music committee which is arranging the details of the concert is composed of Vernon W. Barford, W. Harry Watts, Ernest Butterworth, J. J. Shanks, Howard Stubbart, and C. E. K. Cox. The details of the monster street parade are taking shape rapidly, and are growing in proportions daily. Chairman R. G. Davidson of the parade committee has called a meeting for this evening at 8:30 in the office of the secretary of the executive committee of the parade to determine the line of march will be determined, and other important details settled.

The City Council has referred the request of the parade committee for representation from the fire and police departments in the parade to the chiefs of the respective departments and they will detail their men for participation in the parade. Formal notice to this effect has been given to the committee.

All fraternal organizations intending to participate, which have not yet given the committee notice to that effect, should do so promptly, so that arrangements can be made for placing them in the line of march.

Reciprocity With West Indies

Ottawa, June 12.—The next reciprocity agreement Canada will make will be with the West Indies, said Dr. G. E. Gooding, a member of the Dominion legislature, who arrived in this city this morning. Dr. Gooding states that negotiations between Canada and the West Indies for reciprocity were now well under way, and there was every indication that an agreement would be reached.

General Seeks to Clear Himself

Mexico City, June 12.—To clear himself from the imputation of cowardice, inefficiency, General Juan Navarro, who surrendered Juarez to the rebels, expects to place himself tomorrow at the disposition of his superiors. The aged general, with 350 of the men who fought with him in the border town, arrived here tonight. He appeared well and not alarmed at the prospect of a court martial.

Child Played With Matches

Gretna, Man., June 12.—The little daughter of Mr. and Mrs. Jacob Halder, who resides near town, was burned to death yesterday while lighting matches in the barn.

The woman of today who has good health, good temper, good sense, and bright eyes and a clear complexion, is the result of correct living and good digestion. The administration of Chamberlain's Stomach and Liver Tablets will correct it. For Sale by Dealers everywhere.

IMPRESSIONS OF WINNIPEG MEN

Their Views on the Growth of the Western Towns

FACTS NOTED BY THE BUSINESS MEN.

Notable increase in acreage under crop, its well advanced and healthy appearance.

Striking improvement in growth of western cities, their population and improvement of their general appearance.

Extraordinary advance in real estate values and extent of the older settlements of Southern Manitoba compared with those of the west.

Striking improvement in railroad facilities and road-building.

Policy of many new cities in setting aside property available at low price for manufacturing and warehouse purposes.

Spendid school buildings and efforts to keep pace with demands of increasing school population.

Marked contrast between the older settlements of Southern Manitoba compared with those of the west.

Winnipeg, June 10.—Without exception, the Winnipeg business men after a tour of the west, occupying ten days, are of the opinion that conditions could not be brighter. They found crop looking healthy and well advanced, more so than usual. All the cities were advancing at a pace that astonished those of the returning party who have not been upon this ground for a couple of years, and this astonishment was shared by those who were being taken to travel over the west more frequently. At every commercial centre at which the party stopped the members were very much impressed by the rapid advances in the price of real estate and of the surrounding country, which were being made. This was a subject which interested every member of the party, but the real cause of their optimism when they reached Winnipeg was the uniform excellence of crop conditions.

Extended Crop Acreage.

Not only was the state of the growing crop particularly satisfactory, but the extent of the acreage sown impressed itself upon the travellers. This was especially noticeable in the case of the wheat, where the increased acreage adjoining the tracks is greater than usual, and at every point at which the party stopped they were informed by merchants that the acreage was far in excess of previous years, and that the increase was due to the fact that the weather has been all that could be desired. When the party reached Winnipeg many members of it were under the impression that damage from excessive rain was probably the cause of this increase, but in but one limited district was there any serious sign of it. In the majority of cases, however, the increase was due to the fact that some western cities are advancing more rapidly than others, but all are making progress. With the exception of one or two of the oldest towns in the west every city has its streets paved with asphalt, and many of them are being constructed by citizens as well as cities and rapidly increasing urban population has necessitated the building of new streets. In this respect there has been a notable improvement. Dwellings are being erected at a moderate rate, such as Calgary, Edmonton, Saskatoon, Regina, and many smaller cities. The evidence of respect for architectural elegance. This does not apply solely to the homes of the wage earner. Without intending any reflection upon the builders, it may be said that the newer western homes show more variety and harmony with their setting on the whole than the bulk of theirs.

The extent of the building being done is indicated periodically by the publication of the building statistics. In bulk they are very large in proportion to the population and size of the cities. Take Regina, for instance, with over 1,000,000 for a single month, although its population is not claimed to be more than 20,000. This feature of the building activity did not fail to attract the attention of the Winnipeg visitors. It was very evident that at every point the citizens are proud of the great advances being made. They were ready to point out to the visitors what was being done privately and publicly. One of the excuses for "bad roads and streets was that they were putting down either a sewer, water service, or a street railway. On the street side, excavations were also contributing to the litter of the streets. While else could be expected, when Calgary for instance, is in the throes of an expenditure of \$2,000,000 in such improvements, and its population is claimed to be approximately 50,000? Although the census man is making his rounds there is no hesitation on the part of many of Calgary's citizens to claim \$5,000. The expenditure of that sum is no mean undertaking for a city of 50,000, and it is still more significant when the expenditure of the previous year was \$1,750,000, or approximately that sum.

Real Estate Prices.

Many of the touring Winnipeggers are very largely interested, both in business and in real estate at many western points. At Edmonton one of the party was found directly after his arrival contemplating a centrally located lot. "What's interesting about it?" he was asked. "I bought that lot for \$500 a foot. It's a good corner, isn't it?" This was Alderman Adams. He would not sell at that price, after he had spent some time in the city. But the experience of Ald. Adams in this particular case has been repeated in many cases, and practically every point.

Driving out from North Battleford to see the crops in the magnificent country tributary to the point, stakes of sub-divisions were found long after the city limits were passed. This state of affairs was not confined to Edmonton—it is a very general condition. At one of the quieter points visited, but which was made renowned a few years ago by prodigious efforts of sub-dividers, the price of the lots then sold is lower now than when bought by the victims. Nevertheless, the town has made exceptional progress, and will continue to do so, as the district is well settled, and as many of them are now getting patents for their land, improvements in their farming equipment will be made.

Generally the visitors deplored these conditions. The many disappointments that must follow the present wholesale sale of their land, although James J. Hill is striving to remedy this, are being regarded as being detrimental to the west, especially when the victims are non-residents.

It was also the opinion of the visitors that the real estate values were generally speaking, too high. Although in the party there were many men ready and willing to invest, they could find a promising opportunity, only one actual purchase was made so far as is known, and that was the purchase of a well known Winnipeg investor of the building and land at present forming the property of the American Club, at Regina. The price paid for this property, 75 by 100, was \$85,000.

Judging of the present population, values were regarded as being too high. Prospects are very hard things upon which to set a limit. Before any land is sold, it is well to have a clear view of the future. So magnificent an area of good land now giving so great a prospect of profitable returns, is being sold for so little. How much of the future has already been discounted by the present value of the land, is the question which the trend of discussion on the train endeavored to answer.

Winnipeg's Great Opportunities.

In the growth of so many cities, and of towns into the proportions of cities and villages into towns, and of wealth now accruing with the crop, Winnipeggers were made to realize more fully the great opportunities that lay before them. Why trade was advancing so rapidly and why expansion of this nature was being demanded by this trip made clear to them. The Winnipeggers were made to realize that the future of the west was in their hands, and that the future of the west was in their hands, and that the future of the west was in their hands.

CANADA THE GOAL OF RAILWAY WAR

Great Northern and C.P.R. Contend for Commercial Supremacy of West

Minneapolis, Minn., June 11 (By Gen. A. S. Paul, with his Canadian connection) at the head of the Hill lines, although James J. Hill is striving to remedy this, are being regarded as being detrimental to the west, especially when the victims are non-residents.

Plans Well Laid.

The plan does not in any way obviate the supposition that Mr. Hill intends to perfect the connection between the Great Northern and Burlington by taking up the Burlington Joint route. It is a matter of fact that the plan does not in any way obviate the supposition that Mr. Hill intends to perfect the connection between the Great Northern and Burlington by taking up the Burlington Joint route.

Hill Territory Invaded.

During the past few years, the 800 line, part of the Canadian Pacific, has been building into the Hill territory. James J. Hill is not the man to sit supinely while his territory is invaded.

Retaliates Upon C.P.R.

It is a well known fact that the Hill line has been building into the Hill territory. James J. Hill is not the man to sit supinely while his territory is invaded.

Many Baptists to Gather This Week

Philadelphia, June 11.—Baptists from many lands will assemble in Philadelphia this week to attend the 10th annual convention of the denomination.

Big Crops in South

Leithridge, June 9.—Crop experts have investigated the situation along the A. R. and I. Railway line between Stirling and Coats, and say that 1,825,000 bushels will be marketed there this year.

Stage Line Edson to Grand Prairie

Now Running.

Weekly trips are now being made between these two points. For all information as to Homesteads in Grand Prairie and Peace River Districts address Head Office: Edson and Grand Prairie Transportation Co. 324 Jasper Avenue E., Edmonton.

In the St. Matthew's Lutheran church, near town, on Tuesday, June 6, a number of the townspeople were invited to attend the funeral of Rev. A. B. Moss.

Rev. A. B. Moss is building a cottage on 2nd avenue, and Miller Bros. have started excavating for their addition to the Bismarck hotel.

D. T. Davis has moved his meat market from the old Opera House block to the place lately vacated by T. A. Bonser.

Murdoch McKinley, Dan McKinley, Sidney Truscott and Mr. and Mrs. Carl Miller were visitors to the capital last week.

John Wick, Russell and Ward had a show window put in their hardware store on the side facing First avenue. This makes quite an improvement, besides saving them more space to display their stock.

Dame Rumer has it that one of our town business men is shortly leaving for the east, and that when he returns he will not be alone, but will be accompanied by one of Ontario's fair daughters.

Seeding is all completed in Stn and a large acreage is under crop, and prospects never looked better for a bumper crop than at present as the growth has been exceptionally good.

The local stockeepers of Stn have great difficulty in securing hay for feeding as the farmers are all so busy on the land. The hay crops are practically assured this year with the heavy rains.

Word was passed to the city today that the C.P.R. survey gang, surveying from Big Horn Lake to Wetaskiwin, were only about four miles out. When this survey is completed, the C.P.R. will have a complete survey from the city to Yellowhead.

It is also reported, and the news comes from a reliable source, that the work of grading will be commenced in the near future, and the work will be used as the railway company is anxious to get to the Beaucauld fields as quickly as possible.

R. H. O'Brien is wearing the smile that he did not come out, a little daughter having arrived at the home on Saturday to brighten the lives of the parents. Both mother and new arrival are doing nicely.

The death of Mrs. Mary Jane Hoyer, widow of the late Josiah Hoyer, formerly of Nebraska, occurred at the home of her daughter, Mrs. John Shaw, Battle River, on Saturday. Deceased had been suffering from heart trouble for some months and death came as a surprise.

Deceased was 84 years of age and survived by a large grown-up family. She was 94 years of age and survived by her happy disposition, made it a happy home for all who were in her charge. She is to be interred in Highland Park Cemetery on Monday afternoon.

C. H. Martin has resigned his position on the staff of the C.N.R. to accept a position with the Edmonton Central Railway, returned on Wednesday from the East, where he has been consulting with the President Moore and the directors of the road in regard to the construction to be done this year.

The plans have been modified in certain parts and tenders are called for to be in by June 15th. The construction of the line from Red Deer to Rocky Mountain House will be started by July 1st.

All the bridges on this section will be completed by the time the steel is laid, so that nothing should prevent the road being running to the Saskatchewan river by fall.

The work on the east will be discontinued for this year and all attention will be paid to get the west end through to the mountains as soon as possible.

The declaration of General Manager McLeod, of the C.N.R., recently as to the start of construction on the C.N.R. "R" line from Strathcona to Calgary, passing through Red Deer, has been received with joy by the citizens, who are looking for the road to help the city to a great extent.

With both the A.C.R. and C.N.R. building into Red Deer, the future of the town is assured.

MINERS' OFFICIALS REACHES COLEMAN AT SPAIN'S ACTION

F. B. Hayes of the U.M.W. of A. Givich is believed by some that Germany is behind the activity at Madrid. Spanish Government has been invited to Define its Position.

Coleman, Alta., June 9.—No official meeting of the Conciliation Board took place this morning. In the afternoon Vice-President F. B. Hayes of the U.M.W. of A. from Indianapolis, arrived on the west.

Hayes, on arrival, was met by the reception awaiting him by the mine workers. The brass band and all the miners in the camp were at the station to meet and welcome their official to the town.

Hayes was escorted to the miners' hall and after the audience had been set, Mr. Purcell of the International Board made a few remarks introducing the official to the big conference. On the platform were the officers of the district and the members of the conciliation board.

Mr. Hayes made a very brief speech, during which he convinced his hearers that he is no inveterate enemy of the miners. He took the first opportunity of stating emphatically to the mine workers that he is a friend of the miner.

Mr. Hayes called the conference an international organization with him in this case for better conditions and pay.

Dr. Gordon, chairman of the board spoke briefly, welcoming Mr. Hayes to the town and spoke in the happy hope of the cordial relations existing in the two countries represented by these officials of the great labor organization.

After the meeting was adjourned by Mr. Purcell, who acted as chairman of the conference, the two sides, stating the conditions upon which they are willing to return to the active operation of mines. This conference is still in session.

A HULL PHYSICIAN ACCUSED OF MURDER. Dr. Oulmet charged with having Performed an Illegal Operation Causing the Death of Edith Mary Spain, Wife of Frank Spain.

Ottawa, June 12.—Dr. J. Alphonse Oulmet, of Hull, appeared before Magistrate O'Keefe, in the Ottawa police court today charged with murdering Edith Mary Spain, wife of Frank Spain on Friday, June 9, by the performance of an illegal operation.

The prisoner was remanded for a week. That strong efforts will be made to have the trial of Dr. Oulmet take place in the courts of the Province of Quebec was shown by Dr. Oulmet's lawyer, Mr. J. W. Crothers, who appeared in court today.

The charge as made, however, makes no mention of the criminal operation which is supposed to have caused the death of the young girl. It merely charges murder upon Dr. Oulmet on June 9th the day on which she died.

A large crowd packed every corner of the police court when Magistrate O'Keefe presided. There were a number of prominent Hull citizens and others attracted by the sensational nature of the case.

Magistrate O'Keefe, in his charge to the jury, said that the evidence against Dr. Oulmet was strong and that the jury should find him guilty unless they were satisfied to the contrary.

The jury retired to consider the case. It is expected that the trial will last several days.

The case is expected to be a sensational one and will attract a large crowd of spectators.

FRANCE AROUSED AT SPAIN'S ACTION

It is believed by some that Germany is behind the activity at Madrid. Spanish Government has been invited to Define its Position.

Paris, June 11.—The storm raised by Spanish military action in Morocco shows no sign of abatement. The French press is unanimous in condemning the attitude of Spain, and the Nationalist section is beginning to raise the "German bogey." It is believed that Germany is pointing up the bogey behind Spain. Meanwhile the latest despatches from Morocco show that Spain is carrying out her program indicated by the representations of the French government and the project of the Moors.

At Casablanca already occupied and Tetuan soon will be La Libertas says the French government has invited the Spanish government to define with precision the motives, object and foundation of its military attack at Tetuan and Alcazar and promise then to decide what steps to take in accordance with the reply.

La Libertas says the statements that the Spanish government has agreed to Spanish action. On the contrary it asserts the British government has two occasions has called the attention of the government in Madrid to strong terms to the danger of unnecessary military action.

KING MAY VISIT EASTERN PEOPLES. It is believed that the King will visit Canada either to or from India. His visit to India is not confirmed. No Official Announcement Made.

Ottawa, June 11.—Careful inquiries in official circles fail to produce any confirmation of the story that King George V. is to visit the East. It is believed that the King will visit Canada on his way to or from India, where he will attend the Indian Durbar.

If the King has any such intention no official announcement has yet been made of his proposed visit to Canada. In replying to a reporter's question by the Royal Geographical Society of England recently his majesty said: "I don't look forward to renewing my travels this autumn and visiting the eastern peoples of my Empire."

The King's reply does not indicate any intention of visiting the western peoples of his Empire.

WELL ACCOMPANY BORDEN. Ottawa, June 11.—It is announced that in addition to Andrew Broder, member for Dundas, R. J. Borden will be accompanied on his western tour by T. W. Crothers of West Eding and Col. Hugh Clark, Conservative member for Centre Prince, in the Ontario division of the tour.

Mr. Borden will also be accompanied by his secretary, Mr. J. H. Torrey, who will take charge of the arrangements in Ottawa from New South Wales and at midnight will be on his way to Victoria.

C.P.R. Ships at North Bay. North Bay, Ont., June 8.—The C.P.R. will establish large new shops at North Bay at an expenditure which may approach half a million.

NEW SHIPS TO BE BUILT AT SYDNEY. This is the Announcement Made by the Canadian Navy. The ships to be built at Sydney, C.B. This may be taken as the first step in the program of the Canadian Navy.

Ottawa, June 12.—The bulk of the first batch of ships for the Canadian Navy will be constructed at Sydney, C.B. This may be taken as the first step in the program of the Canadian Navy.

DISCUSS MENACE OF MORMONISM

This Was Subject Before Presbyterian Assembly Yesterday

Ottawa, June 12.—The menace of the Mormon community to Canada was emphasized at the Presbyterian General Assembly today which went on record in favor of an active campaign against it. The matter came up on the report of a special committee which was presented by Rev. W. J. Clark of Montreal. The Mordistrous people was the opinion of Rev. Dr. McLaren of Vancouver but their religion propounded some abominable principles and their moral were a positive danger to Canada.

That the Mormons were the most dangerous people in the west because of their activities was the statement by Rev. W. D. Reid of Calgary. He referred to their bringing 500 girls from Great Britain to Utah and said there were many objections to their presence in their worship. They had a male and female god and taught that the more marriages and the more children a man had the higher would be his position in heaven. They claim to have three thousand missionaries to propagate their principles and one little town is said to have sent out thirty.

Their strength in the South Alberta is in the legislation. Resolution Passed. The motion moved by Rev. Dr. Clark was then carried by the Assembly. "The Assembly deems it advisable to call attention to the danger that necessarily attaches to the existence of Mormons in any country and to utter a warning against the invidious methods employed by the Mormon missionaries. While frankly acknowledging all that can fairly be urged in behalf of Mormons and Mormonism the assembly regards with deep regret and grave anxiety the detestable doctrine held and preached by the Mormon church, the extravagant political ambitions cherished by the Mormons; the absolute obedience to their religious leaders that is required of the members of the organization, not only in their religious but in their material and political relationships; the important work that is being carried on by the Mormon district committee in the Mormon district, commends it most heartily to the sympathy and prayerful interest of the whole church and requests the committee to give special attention to this department of work during the coming year and bring in such recommendations to the next general assembly as they may see fit."

St. John, Que., June 12.—The priest at the College St. Marie Mon- not have been ordered by his grace Archbishop Bruchet to leave that situation and return to Murray Bay. This order, it is stated, is in direct contravention of an order of the superior court forbidding the priest to leave on pain of imprisonment.

GEORGIAN BAY CANAL STARTED

Work Begun in Dredging Des Prairies River Says Hon. Lemieux

Montreal, June 12.—The construction of the Georgian Bay Canal and what good it would do to the land owners on both shores of the Des Prairies river, especially to those of the county of Laval, was the novel topic in the speech delivered by the Hon. E. Lemieux at St. Vincent de Paul yesterday.

The postmaster general spoke at length of the canal saying the government would not leave any independent firm carry out the enterprise. It will be the work of Sir Wilfrid Laurier. Discussing the result of the construction of the canal, Mr. Lemieux said that the canal first effected would be a great real estate boom and he advised land owners not to take too soon. "Keep your properties," he said, "and do not be the victims of the real estate speculators. You will not get a few days ago on the other side of the river a tract of land bought for \$5,000 a few years ago was sold for \$125,000. The Hon. E. Lemieux was paid in anticipation of the Georgian Bay Canal. Now there is no doubt that it will come and the dredging that has been done in the river Des Prairies is a part of the canal, then we have a right to say that the canal is actually being built though it is not very apparent."

French Immigration. Regarding immigration the postmaster general proposed of the Nationalist claim that the government did not encourage French immigration. Mr. Lemieux declared that everything had been done to secure a good percentage of French immigrants but as the French people did not emigrate, it was very hard to secure this.

The project was discussed in detail. Mr. Lemieux compared the tariff wall between Canada and the United States to the toll gates and bridges between St. Vincent de Paul and Montreal. Such toll gates were to disappear because of the administration of Sir Lomer Gouin, and the toll to be paid on the 45 meridian would also disappear.

Mr. Lemieux recalled that the greatest prosperity ever seen in Canada had been from 1854 to 1856 when we had a reciprocity with the United States. "Reciprocity means prosperity," said the speaker. "The Conservatives who are opposing the treaty know that as well as we do, but they do not wish it because it is opposed by the Liberals, because it will be too great a credit to our party. They know that the treaty is carried out by the Liberals, because it will be re-elected and they do not want that. This is why they oppose reciprocity."

What Greater Prosperity. "It is said," continued Mr. Lemieux, "that with the property that we now have no change is necessary, but such is not the opinion of the Liberals, who think with Sir Wilfrid Laurier that if we have prosperity we must change the policy of our government and increase for the future. We need a change for the future and we need to capture the American market with its 85,000,000 inhabitants. We want to capture that market for our farmers who have always had the home market alone. The dread of annexation was touched very lightly by Mr. Lemieux and he said that the loyalty of Canadians was above all suspicion and that it was not when our country was enjoying such prosperity that the change of allegiance would be considered."

C. A. Wilson, M.P. for Laval, spoke of the reciprocity pact and said since 1763 England had assumed the whole defence and protection of Canada, but the time had now come when we had to protect ourselves. Ridiculing the obligatory service scare which was so widely used during the Drummond election and which is used in every Nationalist meeting, Mr. Wilson asked if there was in the county of Laval one man who could say that his son had been dragged on board of our men of war.

Man in Winnipeg Believed to Have Taken Poison at Ontario Hotel While Temporarily Insane. Winnipeg, June 12.—The fifth suicide of the month in Winnipeg was reported to the police tonight. This morning a man believed to be William M. McMillan, of Manitoba, went into the Ontario Hotel at nine o'clock and registered for a room, leaving a call for twelve o'clock at which hour he was apparently asleep but the police were not notified of his death until 7 o'clock. Strachine was found on the dresser and it is believed he took a dose of the poison while temporarily insane.

Mission Building for Port Arthur. Port Arthur, June 10.—The Canadian Fresh Water missions have decided to erect a thirty thousand dollar institute building on a piece of property on the waterfront which the C. N. R. has agreed to lease for 99 years at one dollar a year. They expect to raise about ten thousand dollars locally. It is understood that wealthy philanthropists will provide the balance. It will be the finest building of the kind on the Canadian shores of the Great Lakes and will be ready in December.

Vancouver, B.C., June 12.—Henderson's directory gives the final estimate of the population of Vancouver at a hundred and fifty thousand.

FROM EDMONTON TO FORT GEORGE

Mr. E. L. Wright and C. A. Jones of this Prairie Creek over the Grand Trunk Were Nearly a Month on Journey Crossing the Mountains.

Mrs. E. L. Wright, of 462 Carey street, has just received a telegram from her husband at Fort George, stating that on Friday last, June 9th, he was in company with C. A. Jones of this city and co-operatively completed the journey from Edmonton to Fort George after descending the Fraser River from Teke Jauns Cache on a raft. Mr. Wright left here on May 28th to look after his interests in Port George, travelling with Mr. Jones by way of Prairie Creek over the Grand Trunk Pacific. At this point they shouldered their packs and struck off along the "toke" roads leading into the past and beyond the mountains. On reaching Teke Jauns, a halt was made to build a raft with which to launch the boat and themselves out on the current of the Fraser.

A letter sent back to friends in Edmonton was the last word received before the telegram received on Friday from Fort George announcing the travellers' safe arrival after a most delightful trip much of the time having been spent in hunting and fishing grunts, but as the French people did not emigrate, it was very hard to secure this.

Mr. Wright was formerly connected with the Northern States and Mr. Jones with W. R. Hartley, confectioner.

INVADING CANADA.

Report Says Lumber Mills of Washington State Are Shipping Twenty Million Feet of Raw Material into Dominion.

Vancouver, June 12.—The lumber mills of Washington state are shipping twenty million feet of rough lumber into British Columbia each month according to statistics made up by the British Columbia Lumber Association. This amount two million feet is shipped from Tacoma.

It is comparatively high in Canada at present and the Washington mills are shipping into the British Columbia mills because of the condition of over production in the United States. The British Columbia mills are being invaded by the British Columbia market and the Washington mills are over a local competition here.

One of the heaviest orders ever placed by Canadians was received recently by the Port Blakely mill from the Canadian Pacific Railway. The order is for 2,000,000 feet.

ASK FOR PARDONS.

Constipation is the root of many forms of sickness and of an endless amount of human misery.

Dr. Morse's Indian Root Pills, thoroughly tested by over fifty years of use, have been proved a safe and certain cure for constipation and all kindred troubles.

MAYOR EXPLAINS THE POWER BY-LAW

Says Object is Merely to Retain Rights in the Site.

There seems to be a misunderstanding as to the object of the council in asking the people to vote \$100,000 for the development of power at Grand Rapids.

After the passing of the by-law we are safe until the end of 1912, when the rights in the site lapse only in the event of failure to expend this amount on the development of power.

There are several corporations who will be glad if this by-law is defeated, because it will give them the opportunity to seize what we have surrendered.

ORANGEMEN PROTEST AGAINST "NO TEMERE"

Edmonton Lodge Passes Resolution and Places Itself on Record as Opposed to the "No Temere" Decree.

At the last meeting of Edmonton Royal Orange Lodge, No. 1734, the following resolution was enthusiastically passed:

Resolved, that we, the officers and members of Royal Orange Lodge, No. 1734, Edmonton, Alberta, desire to place ourselves on record as vigorously protesting against the "No Temere" decree, as confirmed by the Pope, and carried into effect by the Roman Catholic Church in the province of Quebec.

Therefore, to preserve our national home life, to foster the assimilation of the incoming races, to develop strong Christian Canadians from this great international influx of peoples, we urge our civil marriage law throughout our entire Dominion.

Resolved, that we, the officers and members of Royal Orange Lodge, No. 1734, Edmonton, Alberta, desire to place ourselves on record as vigorously protesting against the "No Temere" decree, as confirmed by the Pope, and carried into effect by the Roman Catholic Church in the province of Quebec.

Resolved, that we, the officers and members of Royal Orange Lodge, No. 1734, Edmonton, Alberta, desire to place ourselves on record as vigorously protesting against the "No Temere" decree, as confirmed by the Pope, and carried into effect by the Roman Catholic Church in the province of Quebec.

COMMISSIONERS WOULD WAREFARE

Bouillon Asserts at Meeting that Canny Talks Like a Fool.

At the meeting of the council last night, Commissioner Bouillon asserted that Commissioner Canny talks like a fool.

There seems to be a misunderstanding as to the object of the council in asking the people to vote \$100,000 for the development of power at Grand Rapids.

After the passing of the by-law we are safe until the end of 1912, when the rights in the site lapse only in the event of failure to expend this amount on the development of power.

There are several corporations who will be glad if this by-law is defeated, because it will give them the opportunity to seize what we have surrendered.

Resolved, that we, the officers and members of Royal Orange Lodge, No. 1734, Edmonton, Alberta, desire to place ourselves on record as vigorously protesting against the "No Temere" decree, as confirmed by the Pope, and carried into effect by the Roman Catholic Church in the province of Quebec.

Resolved, that we, the officers and members of Royal Orange Lodge, No. 1734, Edmonton, Alberta, desire to place ourselves on record as vigorously protesting against the "No Temere" decree, as confirmed by the Pope, and carried into effect by the Roman Catholic Church in the province of Quebec.

Resolved, that we, the officers and members of Royal Orange Lodge, No. 1734, Edmonton, Alberta, desire to place ourselves on record as vigorously protesting against the "No Temere" decree, as confirmed by the Pope, and carried into effect by the Roman Catholic Church in the province of Quebec.

BIG SPORTS PROGRAM FOR CORONATION DAY

Entire for Various Events Will Close Saturday—Preliminary Trials in the Various Schools Will Be Held Friday Afternoon at High School Grounds.

By noon on Saturday all of the entries for the various sporting events of Coronation Day will be closed. The program will then be arranged, and everything will be in readiness for the crack of the first pistol.

The Westward Ho, Oliver, Mackay avenue, Alex. Taylor, and High schools will hold separate try-outs this week to select the boys who will represent them in the meet, three events being allowed from each school in each event of each class.

The trials of all the other schools will be held Friday afternoon at 3 o'clock, on the old High School grounds on College avenue, under the auspices of the Y.M.C.A. All the school trials in the vicinity of Edmonton will be given an opportunity to hold trials at that time in an event or events in which they have more than three aspirants.

Boys between the ages of 14 and 16 who are not in school will be given an opportunity to try out at the same time. No lads under the age of 14 who are not in some school will be permitted to take part in the Coronation Day sports.

The entries for the five-a-side football events in each event will be allowed a relay team in each class, to compete for the silver shields which have been offered for these events, and which will go to the schools whose teams are victorious. Similar trials are being held this week in the Strathcona schools.

The senior entries will close at noon Saturday and all blanks must be in the hands of J. W. Ward, at the Y.M.C.A., by that time. The trials of the five-a-side football contests will close at the same time. These entries are being handled by A. Tod, 218 Jasper avenue east. No entry fee is being charged. Gold and silver individual medals are being offered to the first and second teams.

Wholesalers and Retailers Meet. A Conference Held Last Night at Which Small Differences Were Discussed and Steps Taken to Make the Relations More Amicable.

A joint meeting of the committee appointed by the wholesalers and retailers met last night at the Y.M.C.A. to discuss the adjustment of the local field in the interests of both. The gathering was entirely amicable and the discussion carried on by both sides in a conciliatory manner.

NEW COMPANIES ORGANIZING. Many Important Canadian Concerns Being Formed in London.

London, June 15.—The Western Canadian Bankers Association has been formed in London, June 15. The association is a voluntary organization of Canadian banks and financial institutions.

Port Arthur, June 10.—The citizens were busy decorating today in anticipation of the coronation of King George V. The city is in a state of jubilation.

Public Swimming Pool to Be Built in the East End Park. Exhibition Association Plans to Construct Natatorium This Summer—Will Provide Safe Bathing Place for Youth of City—Wading Pond for Young Children—Recreation Grounds Will Not Be Reserved for Any League, But Will Be Open for All Games.

In addition to the construction of the swimming pool, part of the lake will be made into a wading pond for children. When the lake has been drained, the bottom will be cleared and filled with sand and gravel.

The swimming pool will be 80 feet long and 30 or 40 feet wide. Its construction will be begun when the sewerage system of the city has been extended to the park. The lake will then be drained, and a concrete basin built for the pool.

The pool will be kept full of clear, fresh water, and it will be from three to six feet deep. At the side of the lake dressing rooms will be built for the bathers.

White Rose Flour. Tastes Better! Goes Further! This all the essential qualities for Good Bread Making.

Made in Edmonton by CITY FLOUR MILLS, CAMPBELL & OTTOWELL.

Your Profit Doubled. by preserving Eggs that bring only 25c a dozen at present time, until fall.

Water Glass. Eggs remain fresh for months. One 25c will make 1 1/2 Tin at 10c. Galls of Solution.

Home Made Syrup. for one-half the cost, is made by dissolving White Sugar in Water and adding MAPLEINE.

PLUNGED TO DEATH

Unknown Woman Waded Out Into Bow River at Calgary and Plunged Into the Swiftly Running Water.

Calgary, June 9.—At one o'clock this afternoon an unknown woman was seen to wade into the Bow River, about half a mile west of Lockbridge, plunge into the swiftly running water and disappear.

A man named Anderson, who was watering his horses within a short distance of the spot where the unknown woman committed what would appear to be deliberate suicide, raised the alarm. The cries of Anderson were heard by J. Phillips, who immediately reported the accident to the fire station. The description is vague and everything will be in readiness for the crack of the first pistol.
