ANNOUNCEMENT

I wish to inform the Philatelic public that I have purchased the CANADIAN PHILATELIST and good will of the Canadian Philatelic Co., and intend to continue its publication with a few changes. The first change to be made will be in size of page.

The size of a page will be 11 inches long, 7 inches wide, and 3 columns to each page. For convenience of binding it will strike out with Vol. II No. 1.

THE EXCHANGE DEPARTMENT.

Notices may be inserted in this department for 4 cents per insertion, limited 25 words.

Subscription.—To Canada U. S. and Newfoundland, 3 cents. To Gr. Britain 6 cts. To other countries 12 cts.

Advertisement Rates.—1 inch \$.35, 3 inches \$.75, 1 column \$1.35, 1 column 11 inches \$2.35, 1 page 33 inches \$6.25. These rates are for No 1 but contracts may be made at above prices.

Monthly circulation to all parts of the world 4000 copies or more.

DEALERS DEPARTMENT.

Under this heading a 2 line card may be inserted 75 cents per 12 insertions.

An earnest effort will be made to put down spurious with dealers and collectors.

It would take more than nine pages of this journal to equal four pages of the C. P. in new form and it will contain more reading matter than ever.

Dealers don't miss this opportunity of advertising your business. A journal with as large a circulation and as cheap ad. and subscription rates is certainly a rarity.

TO WHOM IT MAY CONCERN.

This is to certify that we have received an order from H. E. French to print 4000 four thousand copies of Vol. II No. 1 of the CANADIAN PHILATELIST.

H. E. French,

THE CANADIAN PHILATELIST.

OUR C. P. A. RIPSNOTER.

Our esteemed friend Henry S. Harte has been exhibiting considerable of his spite towards the C. P. in the Stamp, U. S. P., &c. He first said that the T. P. J. is the only paper that contributes anything of interest to collectors. He next says that the T. P. J. and H. P. is the only papers worthy of support, and that the C. P. is not worthy of being noticed &c. The H. F. quickly showed him the best way to understand business, and consequently he turned and patted the H. P. on the back. The reason for the spite rests upon some temporary cause, perhaps he has taken a bath, and not being used to water, took a severe cold which affected his brain. Probably his spite first began when he found that we were not made of gold. H. F. sent us word, stating that he would gladly give his assistance to a Lew Journal as he thought original articles were as scarce as hen's teeth to us so he offered us an article for a big dollar and 100 copies of paper containing the same. We did not accept this, and consequently his feelings turned immediately, and announced that the capital stock of this Journal was ALL of \$125.

One editor says his next article must be accompanied by an affidavit that it is not sent to anyone else. If Mr. Harte can answer the following he will give us a wonderful surprse.

Did you ever send for twenty-five copies of a Philatelic paper to circulate and get subscribers with, and shortly after offer them back for 15 cents each?

Did you ever subscribe to a Philatelic paper when you thought you would possibly receive a sample copy each month?

Did you advise us to suspend publication (as you say you did) or advise us to pay you a cold dollar and 100 copies of paper containing your valuable (?) letter?

Where did you get your authority for making such false statements as were made in the Stamp and U. S. P.?

Do you believe your own absurdly false statements yourself?

Do you think any other person believes them?

Brother, do you think a first class equivocator will make a good president for our C. P. A.?
