CHATHAM, N. B. June 29 18

J. E. COLLINS..... A LANDLORD'S STORY.

Mrs. McDougall writing fro Ballina savs:-- I was introduce at Ballina to

A LANDLORD.

a fine, clever-looking man, wit that particularly well-kept an well-fed appearance which is characteristic of the upper class in ireland as a hunger-bitte hunted look is characteristic the poor. I would not like employ as strong language speaking of the wrongs of the tenantry as this gentleman use to me. He is both landlord at agent. He condemned all policy of the Government ward Ireland in no measur terms. Spoke of the emigrati that is going on now, as well the emigration that had take place after the last famine, men going out to be educated ! and to watch for the time retribution. Retribution for th accumulated wrongs which mis-government had heape upon Ireland he looked upon a inevitable, as coming down th years slowly but surely to the place of meeting and of payin to the uttermost farthing. Wel now, these are queer sentimen for a landlord to hold and to u ter publicly. He acknowledge freely that a great part—a ver great part-of the excessiv rents extorted on pain of evic tion, the eviction taking place when the unfortunate fell be hind, were really premiun paid on their own labor. Fu thermore, he acknowledged the he himself had raised the ter ants' rents on the estates for which he was agent, compelling them to pay smartly for th work of their own hands. 1

THE PEOPLE AS A WHOLE, of their patience, their kindl ness to one another, and the piety. He spoke of the case one man, a peasant, who coul-only speak broken English, wh came under his notice by com ing to him to sell rye grass make up his rent. This ma with the imperior English wa a tenant of the gentleman brother. He held three acres tw roods of land in one place at rent of £7 where his house stood; one acre at £1 4s. course he or his ancestors buil the house. His poor rate an country cess is 16s or \$46.2 yearly lour acres two roods land. If they got it for nothing they could not live on it, sa some, The best manure that ca be put upon land is to salt well with rent, say Mr. Totten ham and Mr. Corscadden. Wel this man, since the lamine, ha no stock but one ass and a lev hens. He cut and saved his ry grass himself, sold it for £3 to sold his oats for £3 4s 6d; ha nothing more to sell; had re maining for his wife and tw little ones a little meal and po tatoes. He is a year and a ha behind in his rent, an likely after all his to

spoke highly of
