Auditoriums Are Thronged in Honor of the Graduates

IN THE CITY WILL STAY BY FRANCE

SCHOOL EXERCISES TODAY IN CITY ARE NOTABLE EVENTS

More Than 2,000 People Pack Imperial for High School Closing. TELLING ADDRESSES St. Vincent's Closing Programme is Given Before Many in Y. M. C. I.

Seldom has a more inspiring High School graduation programme been carried out here than that in the Imperial Theatre this morning, when 125 pupils, comprising the largest graduating class in the history of the institution, received their honor certificates and heard impressive addresses by Rev. Canon Armstrong, W. J. S. Myles, principal, Horace A. Porter, member of the board of school trustees, S. A. Worrell, acting superintendent of city schools, and others. The big auditorium was packed long before 11 o'clock, the hour set for the commencement of the exercises, and counting those on the stage and in the boxes, fully 2,300 people were present.

The valedictorian All the addresses were of high order while the valedictory, delivered by Frank Christiansen, received well-merited applause. Following the valedictory, the valedictorian was introduced by Mr. Myles, who referred to his work during the three years he attended High School. Although physically handicapped, he had been a brilliant student and one worthy of the high honor he had won. He is a son of Mr. and Mrs. Carl Christiansen, 127 Broad street. In opening, the valedictorian reviewed the achievements of the High School this year in football, basketball, hockey and track and field sports. Reference to the victory of the track team, the first time since 1914, was greeted with applause. He made sympathetic reference to the absence of Dr. H. S. Bridges from the exercises and expressed the hope that he would be able to attend many others. In conclusion, he thanked Mr. Myles and other members of the High School staff for their patience and the interest they displayed in the class members and concluded by urging his classmates to make the class motto "Floret Qui Laborat"—"He succeeds who labors"—their guiding principle through life. Hours of appreciation were given him when he returned his seat.

Mr. Myles said the present High School building although still unsuited and badly-ventilated was a fairly good building yet. At the opening, 667 pupils entered the school last September. Of these, 48 left from Grade 9. He said this constituted the real weakness for High School education. The Grade 9 curriculum carried many new studies and unless a pupil was well-grounded in his previous schoolwork, he would find the going difficult. The standard of admittance to High School, 50 per cent, he said, was too low. He noted the grading mark for Grade 9 was 60 per cent—a difference of 10 per cent. He praised the showing of the High School boys this year in athletics and urged on the younger generation the advantages of a High School education. Statistics had shown that while in High School, a boy really was earning \$25 a day, as mentioned that the High School building needed some painting.

Canon Armstrong In opening a profoundly impressive address, Canon Armstrong recalled that no great fuss was raised years ago when graduation rolled around. "We tucked our books under our arms and sneaked out without sound of cymbal or trumpet." Nevertheless, he said, he was glad to see such a large number present and noted that it seemed nearly every automobile in St. John was parked outside the theatre. "Purchance, they all belong to the graduates," he remarked humorously, amid much laughter. He expressed the hope Mr. Myles would get the point but that when he did he would give it to the girls. He said he hoped the graduates when they went out into life would cultivate kindly hearts. The head was not the whole and as Stephen Leacock had said, "The kind of man you are depends on the kind of woman you marry." (Continued on page 2.)

Offer of \$530,000 For Czar's Diamond

Nice, France, June 24—The famous forty-three carat sapphire-blue diamond, once belonging to Emperor Nicholas of Russia, has been taken out of the municipal pawnshop here, where it has been held for three years as security for a loan of 200,000 francs borrowed by Mlle. Suzanne Thuillier, to whom Nicholas is said to have given it. Mlle. Thuillier came to France from Russia with no money and once she had pawned the diamond she was unable to get it out, because creditors with claims aggregating 2,000,000 francs thought, she was safer in the pawnshop than in the hands of the young woman. Finally a jeweller of Nice financed Mlle. Thuillier and she took out the stone, for which she is said to have refused 10,000,000 francs (about \$3,500,000) at present rate of exchange. The stone is declared by jewellers to have come from a Russian Hindu temple 1,000 years ago.

HEARTY WELCOME TO NEW BRUNSWICK

Canadian Good Roads Association Opens at St. Andrews—Delegates Flocking In.

(Special to The Times-Star.) Algonquin Hotel, St. Andrews—By-The-Sea, N. B., June 24—All roads today lead to St. Andrews, where members of the Canadian Good Roads Association are gathering for their eleventh annual conference. Already more than 150 delegates, some with their wives and families, have arrived, and many are reaching here every hour. The convention was formally opened at 2:30 this afternoon, with addresses of welcome by Lieut.-Governor W. E. Todd, Hon. P. J. Yenid, Premier of New Brunswick; Mayor C. S. Everett, Mayor of St. Andrews; Mayor W. G. DeWilde of St. Stephen and Mrs. E. Atherton Smith, president of the Women's Canadian Club of St. John. The reply on behalf of the Association was made by S. L. Squire, chairman of the executive committee. A special train arrived about noon from McAdoo, bringing about 75 visitors from upper Canadian and western points.

Ideal weather conditions marked the opening day. Mrs. E. Atherton Smith and Mrs. Everett, wife of St. Andrews mayor, have prepared a programme of entertainment for the ladies. This afternoon after the formal opening cars will take the visitors on a tour of the points of interest in and about St. Andrews. All will return to the hotel for a special shore dinner. This evening a session will be held, when the subject of finance as regards roads will be discussed. There will also be meetings of the executive and a preliminary gathering of the international conference. Today's arrivals so far include S. L. Squire, chairman of the executive; J. A. Boyd, Mrs. J. Z. Currie, Miss Alward, St. John; J. M. Robinson, Mrs. and Mrs. C. T. Green, St. John; B. DeMillidge, Cornwall, Ont. former of St. John; M. P. Smith and R. H. Wells, St. John; Prof. R. D. L. French, of McGill, Montreal; J. A. Duchastel, city manager, Outremont; Dr. L. I. Heves, San Francisco, engineer of the B. S. Bureau of Public Roads, and others.

Dr. G. G. Melvin Goes to Montreal

(Special to The Times-Star.) Fredericton, July 24—Dr. G. G. Melvin, chief health officer, has left Fredericton for Montreal, to attend a regular meeting of the Dominion Advisory board.

Wire Briefs

Pretoria, South Africa, June 24—General James Barry Hertzog today accepted the premiership of South Africa. Hertzog has begun the formation of a cabinet. Toronto, June 24—Five young deer bounds on the farm of F. Caven, near Port Credit, have deserted their mother for the sheltering wings of a hen.

REAL WINNER IN BOUT LOSES OUT

Halifax, N. S., June 23—Nelly McNeil, slugging waterweight, from Inverness, won by a technical knockout over Joe Hartnett, local, in the fifth here last night. Hartnett outclassed his opponent and felled him five times in the second round, but was unable to give him the count. In the fifth round he crawled out of the ring, declaring he hadn't the heart to punish the game Cape Bretoner any more. McNeil, with both eyes blackened and with blood flowing freely to take the count, stayed in the ring and won the decision.

Urges More Duty On Nova Scotia Coal

New Glasgow, N. S., June 24—Alex. S. McNeil, general superintendent of collieries for the British Empire Steel Corporation, urged Nova Scotians to come out for an increase in the duty on coal, in his presidential address at the annual meeting of the Nova Scotia Mining Society here yesterday. He contended that lowered costs of production must be reached and also decreased freight rates if Nova Scotia coal was to compete successfully with the U. S. product in Quebec and Ontario.

Fredericton, N. B., June 24—Madawaska and Victoria counties had rain during the week-end, which greatly improved the forest fire situation. No new fires are reported today. The Upper St. John Valley reports smoke haze, probably from fires further west.

POSTAL STRIKE IS CONFINED TO THREE CITIES

Federal Government Will Provide Police Protection if Necessary. TAKE ON NEW MEN Business Paralyzed in Toronto and Two Firms Close Down.

(Canadian Press) Toronto, June 24—What was intended to be a Dominion-wide strike of Canadian postal employees has become a fight between striking workers in Montreal, Toronto and Windsor and the Federal Government. At all other points in the country the service is advancing normally, while in Montreal it is expected the mail will be handled efficiently in a few days. In the two Ontario cities the service is seriously disrupted, and the situation so far as business services are concerned is assuming grave proportions. Every effort is being made to provide service, hundreds of substitute workers have been employed, and a system of mail delivery at the general and branch post offices has been put into operation, but it will be some time before the problem of dealing with the tremendous accumulation of mail is solved. It was reported yesterday that two firms had been forced to close down, and they will be followed by others unless movement of the mails is speedily accomplished.

MAY HASTEN THE GENERAL ELECTION

Liberals Give Government a Set-Back on the Housing Bill.

(British United Press) London, June 24—The defeat of the Labor Government in the House of Commons last night, through the insistence of the Liberals that the housing bill shall be discussed by a committee of the whole house rather than by the standing committee, although not directly liable to force a dissolution, yet will probably do something towards hastening the time of a general election. As a result of the vote there will be considerable dislocation of the plans of the Government, as the cabinet confidently expected full acceptance of its proposal that the standing committee should consider the measure. The congestion of parliamentary business is already serious, and it will be rendered worse by the action taken last night, which the Government sought to impose. The Government is anxious that the recess should begin in August, owing to the declaration of the Liberal whips that they cannot guarantee a full attendance of Liberal members after that month. Labor back benches are also insisting that they be allowed to leave London by August 8. Such defections would have no objection to morning and Saturday sittings. Some arrangement must be made soon he thought. All the legislation which the government intends bringing down this session is now before the house, the premier added, in answer to a question by Mr. Meighen.

West Wants Parley

Regina, Sask., June 24—Asking the Dominion Government to meet a delegation of western postal workers with a view to settling the present dispute Frederick Knowles, president, and Charles Gardner, secretary of the Amalgamated Civil Servants, last night sent a telegram to Premier King Hon. James Murdock, Labor Minister, and Charles Stewart, acting Postmaster General. A delegation will be named from the employees of western post offices should the Government consent to this suggestion.

Predicts Surplus Of 500 Millions

Washington, June 24—Government receipts for the fiscal year ending June 30 will exceed expenses by more than \$500,000,000, Secretary Mellon announced yesterday. His tax reduction programme was based on an estimated surplus of \$225,000,000.

Refuses to Punish Opponent, Who Takes Honors by Hanging on.

Halifax, N. S., June 23—Nelly McNeil, slugging waterweight, from Inverness, won by a technical knockout over Joe Hartnett, local, in the fifth here last night. In the fifth round he crawled out of the ring, declaring he hadn't the heart to punish the game Cape Bretoner any more. URGES MORE DUTY ON NOVA SCOTIA COAL

New Glasgow, N. S., June 24—Alex. S. McNeil, general superintendent of collieries for the British Empire Steel Corporation, urged Nova Scotians to come out for an increase in the duty on coal, in his presidential address at the annual meeting of the Nova Scotia Mining Society here yesterday. He contended that lowered costs of production must be reached and also decreased freight rates if Nova Scotia coal was to compete successfully with the U. S. product in Quebec and Ontario.

Tons of War Smokes Now Road Filler

New York, June 24—Tons of tobacco, bought by popular subscription for the American expeditionary forces and shipped to France in June, 1918, but never distributed, has been found in the salt meadows at Kearney, N. J., near the plant of the American Tobacco Company, to serve as filler for a new road. Six thousand cases of 250 cartons each were tossed overboard from a barge on the Hackensack River, and there was a scramble among wayfarers to recover the tons of tobacco in spite of armed guards and the warning of customs men that the tobacco had been condemned and treated with an acid which made it unfit for use. It was said that the tobacco had been stored in a warehouse in New York since 1919. Some of the cases bore the mark of the Y. M. C. A. and some that of the Quartermaster Corps. Some was contributed by the Boys in France Tobacco Fund. The latter cartons contained postcards to be filled out and returned to the recipients of the tobacco and several of those retrieving tobacco filled their pockets with the cards.

FLOODS CAUSE MANY DEATHS NEAR FU CHOW

Most Disastrous in the History of the Min River in China.

Shanghai, China, June 24—(United Press)—Many people have been drowned and thousands of dollars' damage caused to property by the most disastrous floods in the history of the Min River, according to advices here today. The city of Fu Chow, a treaty port and capital of the province of Fokien, 35 miles up the Min from its mouth, is three-quarters under water. The entire warehouse area is submerged. Shipping is menaced by log rafts of the timber companies, which are being carried down by the flood with the force of battering rams. "The rice crop is almost entirely ruined," a despatch says, "and many tea plantations are under water. Higher water is feared tonight. A report at noon from Yen Ping, farther up the river, said the water had reached a 60-foot level there, eight feet above the previous high water. It was still raining heavily." It is feared here that the loss of life in Fu Chow is very heavy. Floods in the past have claimed thousands of lives along the river. Fu Chow has a population of more than 800,000, and is one of the rich cities of South China, with extensive manufactures and a great trade in black tea, which is extensively raised in the province.

WILL HASTEN WORK FOR PROROGATION

Morning Sittings of Parliament at Ottawa All Next Week Says Premier.

Ottawa, June 24—Morning sittings of Parliament probably will be held all next week until prorogation, Premier King informed the house yesterday, in answer to a question as to when a step would be made to bring the session to an end. The Prime Minister implied that there would be no Saturday sittings this week, and that no decision had been made about Saturday sittings at all this session. Rt. Hon. Arthur Meighen remarked that when some definite agreement had been made between all parties on a definite date for prorogation he would have no objection to morning and Saturday sittings. Some arrangement must be made soon he thought. All the legislation which the government intends bringing down this session is now before the house, the premier added, in answer to a question by Mr. Meighen.

Girl on Motor Tour Is Killed

North Bay, Ont., June 24—Rosa Nadeau, aged 12 of Shelby, Montana, was almost instantly killed yesterday at Meadowside, near here when struck by a motor car driven by James Graham of North Bay. She was motoring to Quebec with her parents and had stopped at the roadside for lunch. Graham was arrested.

McAdoo and Smith in Lead, But Democrats Have Long Waiting List.

New York, June 24—The Democratic National Convention set out today to lay down a platform and find a presidential nominee. The opening programme gave slight indication of the setting undercurrent of clashing ambitions and opinions that have bewildered the delegates for many more days after disposal of the formalities of temporary and permanent organization. McAdoo and Smith The McAdoo and Smith forces, moving at a swift and rapidly accelerated pace, swept on with their opposing drive, and the Underwood camp's enthusiasm raised even higher by the Alabama senator's presence, also put on more speed. Likewise, the supporters of John W. Davis, Senator Ralston, James M. Cox and the numerous more or less dark horses seemed to find the going to their liking. Indications today are that the votes will be distributed on the initial ballots among at least 20 candidates, with McAdoo having at the start about 450, Governor Alfred E. Smith approximately 250, and Senators Underwood and Ralston, John W. Davis and James M. Cox about 50 each. Others who will be in at the beginning, at least, include Governor Siler of New Jersey, Senator Ferris of Michigan, Senator Glass of Virginia, Senator Jonathan Davis of Kansas, Senator Harrison of Mississippi, Senator Robinson of Arkansas, Governor Brown of New Hampshire, Governor Bryan of Nebraska, Governor Sweet of Colorado, former Senator Saultsbury of Delaware, and Senator Kendrick of Wisconsin.

Ontario Man Dies in Convulsions; Wife is Held on Murder Charge

Hagersville, Ont., June 24—Following the sudden death of George Gilbertson, aged 45, from convulsions, at midnight, his wife was arrested and formally charged with murder. She was removed to the jail at Cayuga. The arrest was made, officials say, on the strength of a statement by the husband just before he lost consciousness. It is alleged that Gilbertson was the victim of arsenic poisoning. Dr. J. F. McCracken was summoned to the Gilbertson home in Hagersville last night at 11:45 o'clock. He found Gilbertson in convulsions and he rapidly ebbed. The symptoms of the dying man aroused Dr. McCracken's suspicions. These were supported by statements Gilbertson is said to have made to the doctor, but which the latter would not divulge.

Carleton County Warehouses Burn

Woman in Washington Says She Wanted Permanent Wave; Got Bald Spot.

Florenceville, N. B., June 24—Fire destroyed the warehouse of Charles Gallagher of Carleton County, near Upper Kent, about 7 o'clock last night. The origin is unknown. The night train passed at the scene of the fire. The potato house was empty. There was hay in the warehouse. The property is insured.

Weather Report

Toronto, June 24—The barometer is low from the Great Lakes eastward and over the southwest states and relatively high to the westward. The weather is fair throughout the Dominion. It is rather cool in the western provinces and normal from Ontario eastward. Forecasts: Lower St. Lawrence, Gulf and North Shore—Moderately westerly winds, mostly fair and warm, a few scattered showers. Fair and warm. Maritime—Moderate southwest and west winds, mostly fair and warm today and Wednesday. Northern New England—Generally fair tonight and probably Wednesday; not much change in temperature; moderate west to northwest winds, becoming variable.

PRIVATE HOSPITAL IN SACKVILLE BURNS

Building, Unoccupied at Time, Was Destroyed Early This Morning.

(Special to The Times-Star) Sackville, N. B., June 24—Fire broke out early this morning in the private hospital conducted by Miss Ina Cook, Squires street, and the building was completely destroyed. The hospital was not in use at the time that the fire broke out and Miss Cook and her assistants were away, the hospital being deserted at the time. The building was owned by W. B. Fawcett, of Middle Sackville, and the total loss is estimated at approximately \$4,000. No information regarding the amount of insurance carried was available this morning. The origin of the fire is a mystery as there was said to be no fire in the building at the time and the house was supposed to be closed. There is a rumor current, although no confirmation could be obtained this morning, that some person visited the building yesterday afternoon about 5 o'clock.

FRANCE IS SAFE FROM AN ATTACK, SAYS HERRIOT

Asserts Britain's Premier Renewed the Pledge of 1914 to Allies. GERMANY YIELDS She Accepts Military Control Under the Dawes Plan—Communists Oppose.

(British United Press.) Brussels, June 24.—France is even now safe against another attack by Germany, Premier Herriot believes. An interview with the French leader, published in the newspaper Independence Belge today, quotes him as saying: "In case of another premeditated attack by Germany, I am now sure of the defensive pact of France, England and Belgium. Premier MacDonald promised me that today, the same as in 1914, a German attack would find England again on the side of France and Belgium." Herriot's Scheme.

SCHOOL EXERCISES TODAY IN CITY ARE NOTABLE EVENTS

(Continued from page 1.) It was taught through the curriculum. It was a personal matter. He urged the graduates to read more books and better books...

Chief Justice H. A. McKewen, chairman of the Board of School Trustees, was on the programme for an address, but he was called out on the city at the last moment. Mr. Myles expressed regret at his unavoidable absence.

Probably the most pleasing and successful closing of St. Vincent's High School has yet had that held this morning in the spacious gymnasium of the Y. M. C. I. Part of the main floor to visitors, the place was given over to the high order of the speeches delivered and the attractive programme arranged all combined to make the closing an outstanding one.

The programme, which was printed a few days ago in the Times-Star, was commenced sharply at 10 o'clock with His Lordship Bishop LeBlanc presiding. Seated with him were S. A. Worrell, B. A., superintendent of the city schools, Thomas A. G. LeBlanc, rector of St. Peter's church, and Rev. Archibald McDonald, S. S. R., of St. Peter's staff, and Dr. W. P. Broderick.

The Misses E. Chaisson and E. Magee played the entrance march, which was followed by the salutary delivered by Miss Genevieve Comeau, the second highest young lady in the city of St. Vincent's High School and the highest in the city.

The presentation of diplomas was carried out by Mr. Worrell, who took occasion to congratulate the graduates on having attained the honor of graduation. He also spoke in high terms of the work of St. Vincent's High School and the high standard of the graduates who would go into the world equipped with what they had earned from the good Sisters.

Bishop LeBlanc, in addressing the graduates, said that he had never attended a more pleasing closing and felt that the school, the graduates and the pupils were open to special congratulations which he personally extended most heartily. He spoke to the graduates in an advisory way and exhorted them by wishing them every success.

Mr. Nagle also extended best wishes to the young ladies on the attainment of their graduation, as did Dr. W. P. Broderick, both of whom spoke eloquently to the class.

Rev. Father Clune said that it was a source of special pleasure to him to be present and to see so many young ladies from St. Peter's parish among the graduates. He spoke highly of the work attained by the school and added his congratulations to the class of '24.

LOCAL NEWS

REV. FATHER McDONALD endorsed the remarks of the St. Peter's rector and wished the young ladies real success. The Class Leader. Miss Mildred O'Brien, leader of this year's class, read the valedictory in a pleasing manner. Miss O'Brien is a daughter of Mr. and Mrs. Joseph O'Brien, Rockland road. She has had an outstanding success in her career as a scholar, and took the lieutenant-governor's medal in Grade 8 three years ago. Miss E. Whelby read the class prophecy.

The class motto this year is Esto Quod Eas Videtur. The programme concluded with the singing of the National Anthem. The young lady graduates presented a delightful appearance in their white graduation dresses. All carried large and beautiful bouquets. The members of Grades 9 and 10 were in attendance during the exercises, occupying a special section of the room.

Miss Nan Coleman, daughter of W. A. Coleman, King street east, was the leader of Grade XII in the High School. It was announced yesterday. Miss Coleman is also the winner of the Fortnightly Club's prize for English. The prize is awarded on the year's work in the subject and the course included the study of Shakespeare's "Henry V." and "Midsummer Night's Dream," Henry Newbolt's "Anthology of English Poetry," and George Eliot's "Adam Bede." The pupils wrote three examinations during the year and the prize has been awarded on the average of the three results.

Edwin McGowan, son of E. F. McGowan, Union street, comes so close a second that there is just one mark's difference, and Miss Margaret Hamilton, who only wrote two of the three examinations and is, therefore, not eligible for the prize, has an average on the two papers which is just one-sixth of a mark below the average of Miss Coleman on three papers. Miss Lois McLean in the first examination was tied with the two leaders but fell below in the final examination.

Those Who Passed. The 16 who have passed Grade XII in the order of their marks are as follows: Nan Coleman, Edwin McGowan, Lois McLean, Margaret Hamilton, Louise Malcolm, Blanche Macaulay, Lillian Murray, Murray Sargeant, Raymond Trippett, Madeline MacKie, Audrey Breen, Miner Hevenor, Harold Springer, Frank Thomas, David Legat, and Charles Case.

Miss Coleman has had a brilliant career in the city schools. In the High School entrance examination in 1920 she won the chairman's gold medal and the Lieutenant-Governor's silver medal and in 1921 she won the Alumnae gold medal in Grade IX. (See page 9 for other schools.)

PERSONALS Mrs. C. M. V. Spence and young daughter, of 178 Sydney street, left last evening to spend a few weeks at the home of Mrs. Spence's parents, Mr. and Mrs. Richard Rodway, Dartmouth, N. S.

Yesterday's Moncton Transcript contains the following personals of local interest: Mrs. A. N. Estey, of St. John, is in the city the guest of her sister, Mrs. P. G. Williams, Mr. and Mrs. W. J. Hunter and Miss Hilda Hunter, of Sussex, and Mr. and Mrs. P. J. Hunter and little son, Stuart, of St. John, spent the week end in the city, the guests of Mr. and Mrs. S. R. Hunter. Mr. and Mrs. Alfred Gaudet, and Mrs. Gallagher, of St. John, accompanied by Miss Mary Phillips, of Boston, motored from St. John on Saturday to spend the week-end with Mr. and Mrs. M. D. Gaudet.

The Misses Flora and Grace Thurston, who have been visiting relatives and friends in Boston, have returned to their home in Horsfield street.

TRAFFIC CASES. William Nodwell was reported in the Police Court today for driving on the wrong side of City Road and having no foot strap on his horse while it was left standing. He was fined \$10. Russell Mackenzie was fined a like sum for driving on the wrong side of a silent policeman in West St. John. Both men, drivers of teams, said that they had no money, and the magistrate asked them if they had any goods that could be levied upon for their fine. They both replied "No." They were ordered held.

MRS. ANNIE ELLS DIES IN THE WEST

Sad News Comes to Mrs. F. R. Whipple, West St. John. Mrs. Frederick R. Whipple of West St. John received a telegram this morning from Vancouver telling of the death of Mrs. Annie Ellis, formerly Miss Annie Whipple of West St. John. She died yesterday. Mrs. Ellis left this city for Vancouver about 20 years ago. She was a daughter of Captain Frederick Whipple of this city and leaves two daughters, Mrs. H. Willis and Mrs. Walter Hamm, and one son, William L., all on the coast to mourn. A niece, Miss Ella Whipple, is a member of this year's High School graduating class.

THESE LETTERS MAY COME TO CANADA

General Wolfe's Last Epistle and One of Montcalm's to Be Sold at Auction. (British United Press.) London, June 24.—The last letter written by General Wolfe is to be put up for auction here on July 14 next. It is addressed to Wolfe's second in command and contains minute instructions as to the plan of action at Quebec. The letter passed to General Townshend. It is a splendid example not only of Wolfe's thoroughness, but on his high courage and his sense of responsibility. It inspired the famous remark made by George II, when adverse critics maintained that Wolfe was out of his mind, "I wish then he would lose some of my generals!"

CANADA WILL FIND NAVY A NECESSITY

So Says Vice-Admiral Field in Striking Speech in Victoria. Victoria, B. C., June 24.—"I thank you for this very great welcome I can assure you that though our cruise took us to many larger cities we have never been taken more closely to their hearts than by the people of this city. We shall never forget your hospitality for the rest of our lives."

NEW YORK TO FRISCO WITHIN 22 HOURS

This is the Record Made by Flyer Maughan on (United Press.) San Francisco, Cal., June 24.—Lieutenant Russell Maughan flew by daylight from New York to San Francisco Monday and the dream of a dawn to dusk transcontinental flight became a reality. A new era of aviation has been opened up by the venture, army and civilian flying men declared today.

HIGH JINKS BY HIGH SCHOOL BOYS

Steamer Purty Gets Green Paint—Skeleton on Flagpole—Haled to Court. (Special to The Times-Star.) Fredericton, June 24.—The usual informal celebration of the closing of Queen Victoria High School took place early this morning. Green paint graced the side of the entrance to the police station. The high school skeleton, which had disappeared from the school some days ago, graced the Normal School flag-pole, and three boys of Grade X, graced the police cells. They were dealt with today by Police Magistrate Limerick.

STRONGLY AGAINST THE SALE OF BEER

British Columbia Decides Against Licenses to Sell by The Glass. Victoria, B. C., June 24.—"On the face of it the province seems to have gone strongly against beer by the glass generally, and whether those places which voted for beer should be granted the privilege of sale by the glass has yet to be decided." Attorney-General A. M. Hanson stated on his arrival here yesterday, "I believe, however," he continued, "that the vote was two-fifths in favor of beer as a whole. This was the foundation vote which I proposed originally should be polled before beer sales was allowed anywhere. No such provision, of course, was made in the public bill."

BRITISH COLUMBIA DECIDES AGAINST LICENSES TO SELL BY THE GLASS

Prince George, B. C., June 24.—With only one poll, where it is thought only two or three votes were recorded, to hear from the standing in Fort George constituency is as follows: Burden, conservative, 92; Perry, Liberal, 89; Shearer, Provincialist, 181. Burden elected.

JUNE BRIDES

Simpson-Wilson. The wedding of Miss Mildred Elizabeth Wilson, daughter of Hon. John E. Wilson and Mrs. Wilson, of this city, and Dr. John Harold L. Simpson, of Springhill, N. S., was solemnized this afternoon at the home of the bride's parents, 23 Seely street, by Rev. Dr. H. E. Thomas, former pastor of Exmouth street Methodist church. The ceremony was performed in the presence of relatives and friends. Outside guests included Mrs. Dora Simpson, mother of the groom; Miss Margaret Jones of Sussex, and Miss Jean Knickle of Lunenburg, N. S., college chums of the bride. The bride carried a bouquet of pale pink roses and lilies of the valley and was attired in a dress of white georgette and tulle with a white tulle and coronet of old rose point lace and orange blossoms. She wore a rope of pearls, the gift of the groom. They were unattended save for Miss Betty Wilson, niece of the bride, acting as flower girl. Little Miss Wilson wore a dress of pale pink dotted Swiss mullin, trimmed with mauve and pink ribbons and a coronet of mauve and pink.

WEDDING AT SPRINGHILL

McAler-Young. A wedding of interest took place yesterday afternoon when Miss Alice Gertrude Young was united in marriage to William M. McAler. The ceremony was performed by Rev. C. A. Stewart at the home of the groom's parents, Mr. and Mrs. Frank McAler, 20 Leinster street. Following the wedding a reception was held at the bride's home. Mr. and Mrs. McAler will reside in Springhill, N. S., where the groom will practice his profession.

WEDDING AT SPRINGHILL

Hyson-Brown. A very pretty wedding will take place this afternoon at 5 o'clock at Knox church, which has been prettily decorated with white lilies by the gift of friends of the bride, when Rev. J. Morchead Legat will unite in marriage Gladys Jessie, daughter of Mr. and Mrs. James Brown, 200 Paradise street, to Charles Hyson, son of Mr. and Mrs. James Hyson, 206 Paradise street. The bride will be escorted in white crepe de chene with pearl trimmings and veil caught with orange blossoms and pearls and will carry a bouquet of Ophelia roses and lilies of the valley. She will be attended by Mrs. James Gaulton as matron of honor, in orchid georgette with blue picture hat, and Miss Marjorie Keating as bridesmaid in blue headed georgette. They will carry yellow and pink snapdragons. The flower girl will be little Miss Helen Warnock in yellow satin, carrying a basket of mauve and pink sweet peas. The groom has chosen George Polard as best man and the ushers will be Kenneth Brown and Clinton Regan. After the ceremony a reception will be held at the home of the bride's parents, after which the young couple will leave for a tour to Nova Scotia. The bride's going-away case will be sand Petret twill with hat to match and platinum fox fur, the gift of the groom. The groom's maid will be her pin of white gold set with tourmalines, and to the flower girl a signet ring, to the best man a silver watch, and to the bridesmaid a silver, linen, china, cut glass and money to testify to the popularity of the bride and groom. The out-of-town guests are Mrs. Marjorie Keating, Matine, and Mrs. Manfred Brown of Boston and Mr. and Mrs. Cecil Alexander, Mrs. Susie S. McAler of Portland, Me.

WEDDING AT SPRINGHILL

Bishop-Tower. A quiet wedding of interest to many friends in the city took place last evening in Zion Methodist parsonage when Rev. Dr. H. E. Thomas officiated. The bride, Miss Alice Gertrude Young, was escorted by her father, Mr. Frank McAler, to the altar. The groom, William M. McAler, was escorted by his brother, Mr. Frank McAler. The ceremony was performed by Rev. Dr. H. E. Thomas. The bride wore a dress of white georgette and tulle with a white tulle and coronet of old rose point lace and orange blossoms. She wore a rope of pearls, the gift of the groom. They were unattended save for Miss Betty Wilson, niece of the bride, acting as flower girl. SAYS MURDER CASE LESSON TO PARENTS

J. S. Presbyterian General Education Secretary on Leopold and Loeb.

Philadelphia, June 24.—(United Press)—Busy parents, who have not time to properly care for their children are responsible for the Leopold-Loeb-Franks case in Chicago, according to Dr. Wm. C. Covert, general secretary of Christian Education of the Presbyterian church. Mr. Covert lives in Philadelphia.

"I knew the parents of the Leopold and Loeb boys and they are seemingly fine people," Dr. Covert said, in discussing the case. "They are intelligent, but they were too busy to attend to their sons' education. Therein lies the answer.

"An educated person without character is a menace. He has no moral direction to his life, nothing to guide him in the right way and consequently is self-indulgent and anti-social.

"The biggest necessity in the world today is the arousing in parents a

EUGENE LEPAGE GIVES TANLAC FULL CREDIT

Stomach Trouble Vanishes and Montreal Man Gains 14 lbs. on Four Bottles.

"Since I began taking this wonderful Tanlac I seem to be getting younger every day. I have gained 14 pounds on four bottles, and everybody speaks about how well I look."

The above statement was made, recently, by Eugene LePage, proprietor of Wales Hotel barber shop, Montreal, Canada, one of the most exclusive tonorial parlors in this city. Mr. LePage further said:

"Stomach trouble had almost completely wrecked my health. I was a mere shadow of my former self and so run-down and nervous that I thought I would have to give up my work."

"Tanlac soon had me eating everything, sleeping like a log at night and feeling as fine as one could ask to feel. My only regret is that I did not learn about Tanlac long before I did."

"Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold."

Shrewd people often find it desirable to buy a used car at the beginning of the vacation season and to sell it when they return.

They may or may not be regular motor car owners—some do not drive cars all the year around—others do not want to subject their new car to hard holiday usage.

With the plan of buying a car at the start of a trip and selling it on the return, the purchaser gets cheap, convenient transportation.

There was never a time when there were more good used cars on the market than right now. You can secure a fine serviceable machine—like a summer tour at small expense, and easily dispose of the machine when your tour is over.

The best used car listings are to be found in the classified columns of The Times-Star.

MEN OF SCIENCE TO MEET IN TORONTO
British Association, 93 Years Old, to Hold Sessions in August.

(United Press.)
New York, June 24.—Prominent men of science from this country will participate in the ninety-second annual meeting of the British Association for the Advancement of Science, at Toronto, August 6 to 13, which will be attended by workers in science from all parts of the British Empire and countries of continental Europe.

Many of the chemists and other scientific men attending the conference will come to the United States for the 68th meeting of the American Chemical Society, which will be held at Cornell University, Sept. 8 to 13. It is announced by Dr. Leo H. Baekland of New York, president of the society and honorary professor of chemical engineering in Columbia University.

One of the features of the Ithaca meeting will be several exhibits at the Laboratory of Chemistry, presented to Cornell by George F. Baker of New York, who has since made other large gifts to universities, including \$5,000,000 to the Harvard Business School and \$25,000 to Columbia for the purchase of Baker Field.

The British Association for the Advancement of Science is organized in 13 sections. The chemistry section is headed by Sir Robert Robinson, K. B., F. R. S., who, in his opening address, will discuss "Chemistry and the State."

More than 200 British scientists, it is stated, have already signified their intention of attending the Toronto meeting. The association was founded in 1831, meets annually at centres other than London, generally in England, but occasionally in other parts of the British Empire.

Mr. or General Sir David Bruce, K. C. B., F. R. S., will assume the presidency of the association at an inaugural meeting on August 6, succeeding Sir Ernest Rutherford, F. R. S.

U. S. chemists will take part in numerous excursions, notably to the Niagara Peninsula, following a discussion, Aug. 8, by the chemistry section on electro-chemistry.

The objects of the British Association for the Advancement of Science are officially as follows:

"To give a stronger impulse and a more systematic direction to scientific enquiry; to promote the intercourse of those who cultivate science in different parts of the British Empire with one another and with foreign philosophers; to obtain more general attention for the objects of science and the removal of any disadvantages of a public kind which impede its progress."

DIVORCES ELUSIVE WIFE.
San Francisco, Cal., June 24.—Evelyn Knight, employed by both France and England as a secret service agent during the World War, and credited with having captured the famous German spy Mata Hari, was divorced here by Walter D. Knight on grounds of desertion.

Knight set forth that his wife deserted him in May, 1921, and again last April.

"I simply couldn't depend on her being anywhere," Knight told the court. "I'd leave her one place, and then when I came back she would be gone. The last time I found a note saying: 'Have gone to the Turkish baths; I may turn up again some time.'"

THE ROADS CONVENTION.

The Canadian Good Roads Parliament at St. Andrews gets to work today. It brings influential representatives from all over the country, and it deals with matters of interest to all. In these days good roads are recognized universally as one of the great agencies which build up communities and countries.

BANK INSPECTION.

The House Committee on Banking and Commerce, in dealing with the Government's proposed legislation providing for the inspection of banks, has made several changes somewhat strengthening the bill as originally submitted.

There was some discussion in the committee over giving the inspector such wide powers, and one member suggested that the official might run off with the bank's assets. The other members of the committee were willing to take that risk at least, and the section was adopted in the form proposed.

Another clause provides against undue publicity. The inspector himself or any of his assistants may be fined or jailed if they disclose any information regarding a bank, its business or its affairs, to anyone excepting the Minister or Deputy Minister of Finance.

Thus while the Department of Finance will through periodical inquiries learn all about the condition of every bank, nothing concerning its business will be disclosed unless the Finance Minister deems it necessary to take action in order to safeguard the depositors and shareholders.

THE BOLLERS.

The number of bollers from the Progressive party, recently said to number from twelve to fifteen, is now reduced to six, and to these Mr. Robert Forke, the Progressive leader, has addressed a honeyed communication intended to heal the breach but not very likely to do so.

Mr. Forke tells them that their grievances are largely imaginary, and he intimates that they can do little if

they stand outside the party, a view for which there is much to be said inasmuch as they seem unlikely to secure sufficient recruits to make their movement formidable. Mr. Forke, after a conciliatory introduction, very emphatically denies that his party has diverged in any respect from the principles for which it has stood from the first. He says there has been no attempt at "split domination" or autocracy, and that any differences which have arisen have been in connection with parliamentary organization rather than with principle.

These ultra-Progressives, particularly the four from Alberta, were in favor of a sustained and determined attempt to hold up the Bank Act last year, and they have been disgruntled ever since because the main body of the Progressives held that such a course on the eve of prorogation was not justifiable.

It does not appear that the bolting six will have much effect one way or the other in the present House. Their defection is not regarded as important in Ottawa, though it naturally excites speculation as to whether the split will widen before the general election.

Although Canadian trade suffers from midsummer dullness many business reviewers are inclined to look hopefully forward to a very marked improvement following the harvesting of the crops. Although seeding was late the area under crop is about as great as usual, and if the West should have another bumper crop, as is now thought probable, the effect upon general conditions will be most stimulating.

Canada still has considerable reason for satisfaction when comparison is made with other countries. In the United States where money is abundant, and where the Government is placing loans at an exceptionally low rate, business is slack and business men are more cautious from day to day.

With fair luck in the matter of crops Canadian conditions will be distinctly better in the autumn, and the substantial progress towards a settlement in Europe which should be made by harvest time will promote general confidence and actual trade betterment all over this continent.

A generous amount of space in today's Times-Star is devoted to the closing exercises in the schools. Here is presented in some detail an account of activities of deep interest to many thousands. In the schools to-day are the citizens of to-morrow.

The "keynote" speech delivered at the opening of the Democratic National Convention to-day by Senator Harrison

of Mississippi describes the Republican foreign policy as weak and hesitating. The Government, he says, should "have visualized world conditions and courageously assumed the part befitting a great nation."

THE GOLF WIDOW

The golf widow is a product of civilization and the desire of husbands to play golf. She is unlike the sob-story widow in that she is not compelled to go along the railroad right-of-way and pick up coal that has dropped from passing cars.

The golf widow is the recipient of many excuses, though if asked early in the year, before the golf fever has inoculated her husband, she could enumerate every one of them. There is the stock one about having to go out to get a little exercise and the mind of business.

But whatever the reason, the result is the same. The wife of the winter is the golf widow of the spring, summer and fall. She may have tried a score of times to get her husband up sufficiently early on Sundays to do the small tasks that must be done round the house.

The reaction to golf fever is not the same in all cases. In some homes the suggestion has been put forth by the wife and golf widow that a man who can swing a golf club from morning to night can just as easily find time after the week-day evening meal to do the grass, and do a few odd jobs about the garden and the house.

THE PASSING WAVE OF ASSASSINATION

The frequency with which assassinations have been occurring in recent years to remove political figures from the scenes of their activities illustrates both the bitterness of the struggle and the impatience with the slow workings of democracy which have characterized countries since hostilities closed.

There are signs that the world is slowly quieting down, but the bomb and bullet are still being employed by misguided fanatics. Since the assassination of Archduke Francis Ferdinand was shot down at Sarajevo on June 28, 1914, scores of persons prominent in political affairs have been assassinated. Few countries have been free from such outrages.

Count Tizsa, former Hungarian premier, was shot down in the streets of Budapest. The assassin was a young man, a member of the extreme right wing of the party. The assassin was a young man, a member of the extreme right wing of the party.

The wounding of Chancellor Seipel of Austria, this week, is the latest attempt of hare-brained political reformers. The assault upon him was committed in the name of the working masses, but at the Congress of the International Federation of Trades Unions, Otto Bauer, while declaring Seipel to have been an enemy of the workers, but one for whom there was personal esteem, said: "In the days of absolutism, we believed political murder was a righteous weapon, yet in a free republic where our rights are assured, we can condemn with indignation this method."

JUNE INCENSE
Whence steals this Heaven-born breath of fragrance rare
That wafts my soul to fields Elysian,
And lulls the mind to realms so free from care?
Methinks the world well lost for aught of this.
Zephyr-borne scent of golden broom steals by,
Bright bullion unalloyed that decks each hill,
While all about June roses greet the eye,
And these sweet plinks their perfume spill.

The scene was in full swing. Spirits of various great men had responded to the invitations from the medium to commune with the audience. Thomas Jefferson rapped on a table until his ghostly knuckles must have been sore, and by request, Sir Isaac Newton obliged with a rather sketchy tambourine solo. Napoleon had a bad cold; he enunciated huskily, and finally, losing his voice altogether, blatted through a tin horn. Cleopatra floated overhead, dimly revealed in regal robes of white cheesecloth. Altogether, a successful session. Sir Canon Doyle would have been tickled to death.

ORPHANAGE SCHOOLS CLOSE

Last in Present Homes—Next Year will be Housed in New Home.

The last school closings in the Britain street and West St. John Protestant Orphanage homes were held yesterday. When the next school year ends it is expected that the children will be housed in the new building in the Manawagonish road, and their school will be under the supervision of the county educational authorities, which will probably mean a change of teachers.

Miss Nellie Van Wart, teacher at the Britain street home, had taught the class there for 13 years and the children presented her a gift of a pretty handbag which she accepted with expressions of deep gratitude. Members of the board of directors were present at both homes and presented the prizes, making reference to the gratifying progress shown by the children. The children acquitted themselves creditably in the pleasing programmes which were given.

The British street closing took place in the morning and there were present D. C. Clark, Dr. James Manning, Miss Mabel Sydney Smith, Mrs. David McLellan, Mrs. Fred J. Harding, Miss Hazel Clark, Miss Enid Hutchison, W. H. Golding, Mrs. F. W. Murray and Mrs. Rainnie.

The donors of prizes and the children who won them were as follows: Mrs. Harding. Highest standing—Mabel Hill.
T. H. Estabrooks. Boy and girl who tried to do their best—Ray Gill, Elaine Brewer.
Miss Smith. Highest standing in Grade VI—Harold Gill.
Mrs. Murray. Highest standing in Grade III (boys)—George McLellan.
Mr. Clark. Highest standing in Grade III (girls)—Elsie Booker.
Mr. Miller. Highest standing in Grade II—Bet Hall; and 10 pounds of candy for all.

HONOR MEMORY OF HIS GRANDFATHER

Magistrate Back From Town Where Andrew Henderson Established Methodism

Judge George A. Henderson attended the Nova Scotia Methodist conference in session at Bridgetown, N. S., last week, being invited as a special guest for the closing services. He was accompanied by Mrs. Henderson. They returned last evening. Judge Henderson's grandfather, Andrew Henderson, founded Methodism in Bridgetown 100 years ago Sunday, and it was for the anniversary of this occasion the former was asked to be present, as one of very few members of the family surviving. It was partly because of the significance of the beginnings of Methodism in Bridgetown that the conference held its session there this year.

A unique circumstance in the big service of Sunday was that of the afternoon, when the united congregations of the Presbyterian and Methodist churches held their anniversary service in the Baptist church across the way not only because it was the largest edifice, but because it was the building in which Methodism was actually begun. The Rev. Sampson Busby preached and a Wesleyan Methodist Society, as was then called, was organized.

Influence Here

A co-worker with Mr. Henderson later, was the late Aaron Eaton, a well known business man in St. John, whose descendants are still here, Miss Edna Austin being his granddaughter. A grandson, Rev. Egerton Ryerson Brecken, M.A., is preaching in China and many of the leading people of Centenary church, Judge Henderson said last evening, were directly affected by the wonderful influence of the earnest Christian men. All of this was embodied in the address heard in eulogy of the late church member Sunday at the afternoon service at Bridgetown.

Dr. Armstrong, the historian for the afternoon, told of the work of Mr. Henderson and how he came from New Brunswick in 1821, to Lawrence town, where he formed the first Sunday school in Annapolis county. He established a classical school in Annapolis Royal that was considered outstanding for years. Mr. Henderson came from Ireland with his wife and family. He was the fine old Irish schoolmaster type of the pioneer days of Canada.

The large congregation listened for two hours with closest attention to the service, which was greatly en-

hanced by a male choir of 15 voices from Yarmouth. Judge Henderson said that the trained singing of these men was a wonderful feature of the altogether inspiring services of Sunday. Rev. Dr. S. D. Chown, general superintendent of the Methodist church of Canada, was presiding officer, and there were addresses made by Rev. Dr. W. H. Hazlett, veteran clergyman from St. John, and Rev. Dr. Alfred S. Rogers, M.A., of Sydney Cape Breton, and Rev. Dr. Crowell, of Halifax, all well known here.

A pleasing feature of the conference meeting on Saturday was a motor drive to Annapolis Royal, Judge Henderson said, when 150 took advantage of the opportunity and visited Rev. Dr. and Mrs. B. C. Borden at the old St. Luke's rectory, which is now their home. The ladies of Granville and Annapolis served a royal supper for the visitors before they enjoyed a fine programme of addresses and music, the latter being given by a choir of the young ministers of the conference. Here, as in all places visited, the praises of the late Mr. Henderson were voiced by many who had come under his influence, and who owed their start in life to his ability to impart knowledge and spiritual inspiration.

SECOND ONLY TO HOMER.

Milton cannot be said to have contrived the structure of an epic poem, and therefore owes reverence to that vigor and amplitude of mind to which all generations must be indebted for the art of poetical narration, for the texture of the fabric, the variation of incidents, the interposition of dialogue, and all the stratagems that surprise and enchain attention. But of all the borrowers from Homer, Milton is perhaps the least indebted. He was naturally a thinker for himself, confident of his own abilities, and disdainful of help and hindrance; he did not refuse admission to the thoughts or images of his predecessors, but he did not accept them. From his contemporaries he neither counted nor received support; there is in his writings nothing but the pride of other authors might be gratified, or favor gained; no exchange of praise nor solicitation of support. He was born for whatever is arduous; and his work is not the greatest of heroic poems, only because it is not the first—Dr. Samuel Johnson.

METHODIST LEADER HERE.

Rev. Dr. S. D. Chown, general superintendent of the Methodist Church of Canada, arrived from Nova Scotia on the Digby boat last evening and went through to Ottawa, where he will be present at the deliberations on church union in the House, after which he will go on to the Regina conference. Mr. Hatfield, M. P. for Yarmouth, was also a passenger going to Ottawa. He is a member of the Methodist church and was at the conference at Bridgetown last week.

CHINESE BRIDE GREW LONELY Mrs. Harry Wong Pined for Homeland and Hanged Herself. Cleveland June 24.—East is east, and west is west. And never the twin shall meet. A mellow, Chinese moon looked down over the bamboo trees, smiling at the murmuring river, and poured forth its benediction on the lovers who were about to separate. Henry Kingsy Wong was going to America to the new world where fortune was to be found for the seeking. His sweetheart of childhood days had promised to wait for him. "Dear one, soon will I send for you. You will come to me. We will find much happiness in the world of the west." Henry Wong promised. And November in Seattle he was wed to the childhood sweetheart, then 27, who waited all the years for him. The Wongs came to Cleveland. He became manager of the Golden Pheasant Restaurant. The gold he came to find poured into his purse. "Beloved, truly the gods are kind," he told his bride. But, strangely, she made no answer. Henry's bride was lavished with the luxuries of her occidental sisters. A pretty home at 1296 Cleveland, Lakewood, was hers—a motor car—strangely-fashioned furniture that looked so soft and fine, but was in fact so uncomfortable. Mrs. Wong was homesome. Despite the things money brought, there was much that was missing. She missed the cherry blossoms and the acquaintances of her childhood, people who understood her. Her neighbors here spoke a language she could not understand. While Wong was downtown, his bride finished her patient struggle. They found her body swinging from a rafter in the home purchased through Henry's success. Broken blossoms. The heart of the bride had gone seeking the happiness she could not find in Henry's success in a strange land. Henry is grief-stricken. He cannot understand his wife's action. But his bride had left a letter. It told the story. I read: "Mother, oh, I am so lonesome. I am sick, yes sick. One day her body will go back to the China she loved. HIGH PEAKS TO BE SCALED. Edmonton, Alberta, June 24.—An attempt to scale Mount Robson will be made this summer by the Alpine Club of Canada. Arrangements also are being made for an expedition to scale Mount Logan, Canada's highest peak, in 1925.

TRINITY INVITES REV. DR. COSGRAVE Toronto Clergyman is Asked to be Rector of St. John Church. The congregation of Trinity church last evening unanimously decided to invite Rev. F. A. Cosgrave, B. A., D. D., of St. Clement's church, Toronto, to become the rector of the church in succession to Rev. Canon R. A. Armstrong, whose resignation takes effect on September 1. Dr. Cosgrave is a native of Ireland and a graduate of Dublin University and was dean of Trinity College in Toronto. For the last year he has been rector of St. Clement's church, and during that short period the congregation has been so greatly increased that a new church is necessary and plans for a \$150,000 building have been approved. Dr. Cosgrave is reputed to be one of the most outstanding clergymen in Toronto today and has a reputation for exceptional ability as a preacher as well as an organizer. He is 45 years of age and unmarried. The meeting was largely attended, the upper hall of the school room being well filled. Canon Armstrong offered the opening prayer. The chairman of the evening was W. Shives Fisher, senior warden. Three names were before the meeting, two having been submitted by the committee from the vestry. Dr. M. G. Teed, K. C., I. H. Northrup and H. A. Porter, who had interviewed several clergymen in Ontario. The third name was that of Rev. A. E. Fraser, of Espoon, England, who is married to a granddaughter of the late James P. Robert-

CITY DISCOVERED 320 YEARS AGO Indian Wigwags on Navy Island When French Navigators Arrived. Today, the feast of St. John the Baptist, is the 320th anniversary of the discovery and naming of the River St. John. It was on June 24, 1604, 320 years ago, that Samuel de Champlain, DeMonts and Poutrincourt sailed into this harbor in a tiny ship. The late Dr. H. Jack, in his prize essay a history of St. John, tells the story in an interesting manner. Of the ship he says: "She was a paltry craft, measured by modern standards, smaller than many of the coasting schooners of the present day, but she carried the germ of an Empire; for Champlain, DeMonts and Poutrincourt, the founders of New France, were on her deck. "Champlain's chart of our harbor showed how carefully he scanned his new discovery, and how little the great natural features of the place have changed in the course of nearly three centuries. Looking upon it, and tracing its surroundings, we can see the harbor by the eastern channel—and note the very spot where he anchored. The rugged hills about St. John were then covered with pines and cedars, and on Navy Island, which was then separated from the mainland by a much narrower channel than now, was a collection of Indian wigwags, surrounded by a high palisade. "Champlain considered himself as the discoverer of this great river, and in honor of the day—that of St. John the Baptist—gave the river the name it has ever since retained; the Saint John. "But though bent on founding a colony, he did not linger at Saint John, but pushed his sails for a longer flight, and turned the prow of his vessel towards the fatal Island of Saint Croix." Champlain, in his well-known narrative describes the discovery of the river as follows: "On the 24th of June, (St. John the Baptist's Day) we entered the mouth of a river, one of the largest and deepest we had yet seen, which we named La riviere Saint Jean—the River St. John—because it was on this day we arrived there." The day will be observed as the national festival of St. John the Baptist, Catholic church in Broad street, and the Mission church of St. John Baptist, held its observance of the day on Sunday. Fredericton High School Closing Fredericton, June 23.—The Fredericton High School graduated 65 students into the class of 1924. Forty-two are girls and 23 boys, and the class is one of the largest in the history of the school. Forty-six are graduated in full course, 12 in Division I, 23 in division II, and 11 in division III. Sixteen are graduates having qualified on Latin or French, one in division I, nine in division II, and six in division III. Three are also graduated in the English course. The closing marked the separation from the school of three members of the staff, Dr. B. C. Foster, after being principal for 24 years; I. R. Ross, who has been appointed to the Provincial Normal School, and Hugh C. Tiltus, who will go to Milltown High School. The closing exercises were held in the assembly hall of the school, beginning at 8 o'clock. The programme was "The National Hymn, by the School. The chairman's address. Essay by Miss Dorothy Bennett, on "Canadian Immigration." Valdictory by Earl Hickson. Address to graduating class by Rev. Alban Bates. Miss Katharine Cox and Miss Dorothy Bennett, were double prize winners. REPORTS PROGRESS. Lewis Connors arrived in the city yesterday on the steamer Grand Manan after a visit to Black's Harbor. Mr. Connors reported that the fishing industry was fairly good. He said that everything was working along well with regard to cleaning out the old Fowler factory at West St. John, where his firm hopes to start cigarette making and fruit canning industries. TO REPORT ON SCHOOL. The first meeting of the St. John vocational committee was held in the office of the Board of School Trustees yesterday morning with Hon. H. A. McKewen, chairman, presiding. Various matters in connection with the establishment of vocational education in the city were discussed, and arrangements were made to notify the City Council that the authority of Provincial Government bodies had been obtained.

CAMP SUSSEX A BUSY SPOT Citizen-Soldiers From All Parts of Province are Pouring In. Sussex, N. B., June 23.—From the early hours of the morning through the day militiamen have been arriving for the instruction course at Camp Sussex and the morning train at 4 o'clock on Tuesday will bring still more. The present strength of the school is placed at 75 in the cavalry wing, 108 in the infantry wing and 41 in the headquarters staff. Lt. Col. H. C. Sparling is in command and Major E. B. Vinco, A. C. M. G., is camp engineer. Others on the staff who have arrived are Capt. H. A. Campbell, D. O.; Capt. Grant Smith, supply and transport officer; Capt. Donovan, veterinary officer; Capt. Lawson, medical officer; Lieut. Hammond, cavalry instructor; Major Harry March, camp school quartermaster; Major M. N. L. Garon, Royal 22nd Regiment, infantry instructor; Capt. H. B. Poston, R. C. R.; cavalry wing commander, Lt.-Col. H. R. Arnold, 8th Hussars, infantry wing commander, Major A. Cameron of the Canadian Officers Training Corps. All sections of the province are represented in the men assembling and the various units to which these men attending camp belong include the Princess Louise N. B. Hussars; No. 6 Signal Co., St. John; New Brunswick Dragoons; King's Nova Scotia Mounted Rifles; Carleton Light Infantry; New Brunswick Rangers; North Shore Regiment; York, Regiment from Fredericton; No. 7 Cyclist Company, 1st Brighton Field Company of Engineers. The first four days in camp are to be taken up with squad, platoon and company drill and musketry and practice schemes in manoeuvres. On June 27 the St. John Fusiliers mustering about 170 are expected to arrive and on that date also the demonstration platoon from Halifax will reach camp. The platoon will number about 24 and when the camp is at full strength there will be about 650 under canvas. Horses arrive. The cavalry have now about 103 horses on the grounds and their care is an important part of the camp management. The cooks have got down to work and there have been no complaints of the commissariat department which on the contrary has come in for much praise. A band concert was given this evening and a Highland pipe band is setting up proceedings with some characteristic Highland melodies which were not altogether harmonious to some of the camp members and the weather is ideal and the camp has got under way in snappy style. A TRIP TO ITALY

"Because," said the little garden fairy, "it's raining." "Rain, rain, go away. Come again some other day. Little Johnny wants to play." "What's the matter, what are you singing that for?" asked Nick, sitting up in bed and rubbing his eyes. "Because," said the little garden fairy, looking all funny and forlorn under his umbrella, "it's raining. There's no moon or anything, and the magic garden is as wet as anything. The flowers are soaked and all of my playmates are in their little violet houses sound asleep and—"

"Goodness alive!" cried the titmouse flying down from his tree to the window sill beside Johnny. "I heard your whole conversation, and the way people fuss about a little bit of rain is the limit." "Don't you mind it?" cried Johnny Jump Up in surprise. "Humph! If we birds minded every little shower that came along we might just as well dry up and blow away."

"Was Freed of Gall Stones and Persistent Backache" I. R. Alexander Bradley, R.R. No. 1, Carp, Ont., writes: "I suffered from gall stones, and commenced taking Dr. Chase's Kidney-Liver Pills. I feel safe in saying that these pills completely overcame the trouble, as it is some years since I was afflicted in this way, and I have not suffered from gall stones or even backache since. I have also found Dr. Chase's Nerve Food excellent for heart trouble and shortness of breath."

"TIZ" FOR ACHING, SORE, TIRED FEET Good-bye, sore feet, burning feet, swollen feet, sweaty feet, smelly feet, tired feet. Good-bye, corns, callouses, bunions and raw spots. No more shoe tightness, no more limping, with pain or drawing up your face in agony. "TIZ" is magical, acts right off. "TIZ" draws out all the poisonous excretions which puff up the feet. Use "TIZ" and forget your foot misery! Ah! how comfortable your feet feel. A few cents buys a box of "TIZ" now at any druggist, or department store. Don't suffer. Have good feet, glad feet, feet that never swell, never hurt, never get tired. A year's foot comfort guaranteed or money refunded.

KIDNEY TROUBLE?

The Kidneys are the Blood Filters—When They Waken and Stop Up, the System Becomes Overloaded With Uric Acid. Toronto, Ont.—"I can highly recommend Dr. Pierce's Anuric (anti-uric acid) Tablets to all those who suffer in any way with their kidneys or bladder. Anuric is by far the best medicine of the kind I have ever taken. My kidneys were congested and inflamed, my back ached something awful, my bladder was weak and I suffered from a scalding and burning sensation. I was almost down and out—but, thanks to Doctor Pierce's Anuric (Kidney) Tablets I do not suffer any more. Those who suffer as I did will find Dr. Pierce's Anuric Tablets just the medicine they need."—Mrs. Albert Blunt, 4 Elvins Place.

Ask your nearest druggist for Anuric, in tablet form, or send 10 cents to Doctor Pierce's Laboratory in Bridgeburg, Ont., for trial package. Write Dr. Pierce, Free Invalids Hotel, Buffalo, N. Y., for free medical advice.

NEW BISHOP IS NATIVE OF P. E. I.

Rome, June 23.—Pope Pius today appointed Rt. Rev. Francis C. Kelly, a native of Vernon River, P.E.I., and founder of the Catholic Extension Society, as Bishop of Oklahoma, and Rev. Richard O. Gerow, rector of the Cathedral of Immaculate Conception, Mobile, Ala., as Bishop of Natchez. Founded Magazine. Chicago, June 23.—Monsignor Kelley would be visited in July by the big Lamport and Holt liner Voltairre, carrying a Philadelphia party following a big convention in Boston. It is now understood that St. John's, N.B., and not St. John, N. B., will be visited after the Voltairre leaves Halifax.

FABLES ON HEALTH

Best Health Foods

Lean, or fat, blonde or brunette—the man that lives in the suburbs and the man that lives in the city—they all need the same food materials to keep them in health. Health is a fairly democratic entity and dwells with rich and poor, royalty and serf alike, and illness does likewise. There are certain variations of healthful food elements and these are generally as obtainable by the man in the cottage as by the man in the castle. As a short cut to knowledge of these necessities, let each reader write in his notebook that the normal man, woman and child needs:

RECEIVE LICENSES FROM ASSOCIATION

Those who received association licenses for the ensuing year at the meeting of the Southern Association of the Baptist denomination in New Brunswick at Lower Millstream last week and the stations at which they are preaching are as follows: H. K. Grimmer, of St. Stephen, preaching at Lower Wickham; W. F. Forgy, of Fairville, preaching at Grand Bay; John Linton, of Fairville, preaching at Musquash and Dipper Harbor; Gordon S. Beckett, of New Jerusalem, preaching at Penfield; Eldon D. Short, of Hanstead, now studying at Wolfville; C. E. Johnson, of Otnabog, preaching at Otnabog; J. Griffiths, of St. John, preaching at Oak Bay; A. B. Gilson, of Scotland, preaching at Newcastle Bridge and Minto.

At 80 Years Of Age Was Troubled With Shortness Of Breath Palpitation of the Heart And Fainting Spells

Mrs. M. O'Connor, Whitestone, Ont., writes: "I have been troubled, most of my life, with shortness of breath, palpitation of the heart and fainting spells. I was advised by a friend to try Milburn's Heart and Nerve Pills, which I did, and at once found relief, and I have never had a really bad spell since. I am 80 years of age and always keep them in the house, and when I feel any symptoms of my old trouble coming on all I have to do is to take a few doses. With the help of your Pills I expect to see many years yet. I always recommend them to any one who is suffering from heart trouble." Milburn's Heart and Nerve Pills are 50c a box at all dealers, or Mail direct on receipt of price, by The T. Milburn Co., Limited, Toronto, Ont.

ELKS WILL VISIT ST. JOHN'S, NOT HERE

This city is not to be visited by a large party of Philadelphia Elks next month as expected. Some time ago it was announced that St. John and Halifax would be visited in July by the big Lamport and Holt liner Voltairre, carrying a Philadelphia party following a big convention in Boston. It is now understood that St. John's, N.B., and not St. John, N. B., will be visited after the Voltairre leaves Halifax.

ST. JOHN SINGER HERE ON VACATION

Miss Estelle Fox Returns After Successful Work at Toronto.

Miss Estelle Fox, who has been studying singing in Toronto and has received high commendation from musical critics in that city, has arrived home for a two months' vacation. Miss Fox will leave in the early fall for a tour of the west with the Canadian Community Chautauqua, of Toronto. There will be four in the party, a cellist, violinist and named being well-known in her profession, and Miss Fox, soprano coloratura. They will be accompanied by Baroness de Huyck, a Russian lady, who will lecture on her unhappy country. Each of the company is a pianist, or more especially an accompanist. They will travel to the coast, taking in many cities en route. Miss Fox is versatile and recently entered a contest for drawing in Toronto winning first prize, although she has never taken a lesson, beyond the freehand drawing given in the public schools. She has been entertained greatly in Toronto since her successful return. Her teacher, Signor Carboni, is giving Miss Fox many recommendations to aid her, as she takes her place in the musical profession, she says. Miss Fox has come home much enriched with the reception she received in the Queen city of Canada.

SISTER MARY'S KITCHEN

Loss Weight. One-half cup stewed rhubarb, 3 ounces boiled calves tongue, 1/2 cup diced beets with 1 tablespoon orange juice, 2 "hot-dogs," 2 tablespoons minced Bermuda onion, 1 cup ten-minute cabbage, 1 tomato sliced on 2 ounces watercress, 2 tablespoons lemon jelly with 1 tablespoon "diet whipped cream," 2 thin crisp slices gluten toast, 1 bran roll, 2 thin slices gluten bread, 1 pint skimmed milk.

Total calories, 989. Protein, 158; fat, 234; carbohydrate, 877. Iron, .0199 gram.

This is an excellent menu for a warm spring day. As the weather grows warmer less food is needed and the diet menu should be reduced.

Roast the wieners in the roaster in the oven. Wash well and cut a thin slice from each end of each wieners. Put in the roaster, without water, and roast about 15 minutes in a hot oven. Serve with Worcestershire sauce and minced Bermuda onion.

The "diet whipped cream" is nothing but the white of one egg beaten until stiff and dry with a whisk. Two to four tablespoons of sugar are beaten into the white and one-half teaspoon of vanilla is used for flavoring. This rule will serve six "normal" persons.

Gain Weight. One-half cup stewed rhubarb, 1 cup rolled oats with 6 dates, 1 soft boiled egg, 3 ounces boiled calves tongue, 2 rice croquettes, 1/2 cup diced beets with 2 tablespoons orange sauce, 1 cup cream of bean soup, 2 "hot-dogs," 2 tablespoons minced Bermuda onion, 1 cup ten-minute cabbage, 1 tomato sliced on 2 ounces watercress with 2 tablespoons French dressing, 2 tablespoons lemon jelly with 2 tablespoons diet whipped cream and 2 tablespoons minced nuts, 4 tablespoons fig pudding with 2 tablespoons whipped cream, 1 toasted cornmeal muffin, 2 bran muffins, 2 long rolls, 4 tablespoons butter, 1 dessertspoon sugar, 1/4 cup cream, 1 pint whole milk.

Total calories, 2864. Protein, 892; fat, 187; carbohydrate, 2135. Iron, .0199 gram.

The orange sauce for the beets is made with melted butter, flour to thicken and orange juice to make a creamy sauce. Two tablespoons butter, one tablespoon flour and one cup orange juice makes a delicious sauce. Extra butter should be added to the cabbage for the gaining diet.

The nuts added to the lemon jelly increase the fat calories and are not difficult to digest.

If cream instead of butter and milk is used for the cream of bean it will be easier to digest.

BRITISH MAILS.

Two British mails close at the local post office today at 5 p. m. A letter and newspaper mail will be sent today at 5 p. m. via Quebec, to go on the Minnedosa and a British parcel mail will be sent today via Quebec on the City of Exeter.

WEDDINGS advertisement. Bishop-Tower. Miss Valetta Muriel M. Tower, only daughter of Mr. and Mrs. Henry W. Tower, of East St. John, was married to Thomas D. Bishop, son of Mr. and Mrs. J. B. Bishop, of Edinburgh, Scotland, the ceremony being performed by the Rev. George Arman, pastor of Zion Methodist church, at 7 o'clock, Monday evening. The bride wore a smart traveling suit of marvellous brown with hat to match, black seal scarf and corsage bouquet of pink and white carnations. The bride and groom were attended by Mr. and Mrs. Edward H. Tower. Following the ceremony they motored to the home of the bride, where a dainty supper was served. The bride was employed as a stenographer at the office of the Christie Woodworking Co., Ltd., and the groom is an electrician for St. John Dry Dock and Shipbuilding Co., Ltd. Mr. and Mrs. Bishop have the best wishes of their many friends. The bride was presented many gifts at several social events prior to her marriage.

WEDDINGS advertisement. Morehouse-Vessey. The Forest City Baptist church was the scene of a pretty wedding on Wednesday, June 18, when Rev. E. A. Albany officiated at the marriage of Miss Nettie A. Vessey, of Forest City, York county, and Harry Morehouse, of Woodstock. The bridal party entered the church to the strains of Lohengrin's wedding march played by Miss Fressie M. Lewis. The church was beautifully decorated. The bride was becomingly gowned in white duchesse satin trimmed with pearls and wore a veil and orange blossoms and carried a bouquet of Ophelia roses. She was given in marriage by her father, Tyson Vessey. The maid of honor, Miss Elsie Vessey, a sister of the bride, wore a dress of ayralde satin Canton crepe with hat to match and carried a bouquet of pink and white carnations. Little Joyce Morehouse, a niece of the groom, was flower girl. The groom was supported by Byron Chase, of Hipples. The ushers were Arthur Hamilton, Jr., and Omar Patterson. At the conclusion of the ceremony a reception was held at the home of the bride's mother. More than 60 guests were present. The bride, who has been engaged in teaching school, received many beautiful gifts. The groom's gifts to the bride was a mink marmot choker; to the maid of honor and organist, bar pins; to the best man, cuff links; and to the ushers mother-of-pearl tie clips. Mr. and Mrs. Morehouse left by automobile for Westford Beach and later Paris sec New Brunswick. Upon their return they will reside in Bangor, Me., where the groom is engaged in mason work. The bride's traveling suit was gray hair-line twill with hat to match. Many came from outside places for the wedding.

MARKET LIMITS WERE IRREGULAR

Some Stocks, Which Broke Yesterday in Wall Street, Rallied.

New York, June 24—Stock prices drifted within narrow and irregular limits at the opening of today's market. Trading was in reduced volume, apparently to await developments at the democratic national convention.

Atlantic Refining, which broke nearly 10 points yesterday, rallied a point, as did Sears Roebuck. Schulte Stores fell back one.

Montreal, June 24—The volume of business on the Montreal Stock Exchange during the first hour's trading this morning showed a decided increase over the corresponding period of yesterday.

Alcohol and Montreal Power took first and second place respectively as regards activity. The former came out with an overnight gain of 17-8 points to a new high of 81, while the latter was up a like amount at 172.

Other price changes included St. Maurice Paper, off 2 points to 87; Abitibi off 1/2 to 55; Spanish Silver up 3-4 to 105; Steamships Preferred up 1-8 to 45; Detroit Railway up one point to 97, and Toronto Railway up 1/2 points to 97.

School Doors Close on Care-Free Kiddies

THOUSANDS TODAY ARE RELEASED FROM THEIR STUDIES AT SCHOOL

Excellent Programmes Given in All Buildings—Prize Winners Named in Some of the Schools—Here's What Happened in Each.

The gladdest, happiest day of all the year for the thousands of city school children arrived in glorious sunshine. Today, the school buildings opened their doors wide for the exit of pupils following well-attended closing exercises, and now they can look forward to two-months vacation.

High Schools, the day is one of vivid impressions that last a lifetime, and to the happy, care-free youngsters, it is just the "last day of school," and the beginning of the joyous vacation days. The Times-Star gives a large amount of space to the closing programmes. They are as follows:

Aberdeen School. The exercises began in the various rooms of the Aberdeen School at 10:30 and consisted of the regular school work interspersed with recitations, songs and readings. In the room of the principal, J. Reverdy Steves, a feature of the day was the presentation of a prize donated by the I. O. D. E. for the highest standing in history, to Master Arthur Campbell.

Just before closing for the holidays the entire school gathered together and carried out the following: Two-part song, "The Union Jack, Our Empire's Flag"; two-part song, "The Vesper Star"; chorus, "You'll Get There"; flag salutation, National Anthem. The programme carried in grades one and two were as follows: Grade 1, Mrs. Lawrence; Song, Ye Happy Bells.

St. Thomas' School. The class rooms and halls of St. Thomas' School, Sister M. Patricia, principal, were gay with flags, flowers and class colors. After the usual examination of the pupils in the school subjects the parents and other visitors were entertained by pleasing programmes.

St. Malachi's School. At St. Malachi's school, Cliff Street, John Harrington, principal, the programme was: Opening chorus, O Canada. Recitation, John Glynn; My Mother. Recitation, Ernest Baxter. Piano solo—Five boys of Grade 3, Miss Harrington's room. Dialogue—"When I am a Man"—boys of Grade 2.

St. John the Baptist. The first part of the morning at this school, Miss Isabella Reid, principal, was devoted to regular work in all the class rooms, after which the following programme was carried out: Presentation of prizes to pupils of the school. "The School Months"—Ines Dalton, Christine Hendry, Margaret Stewart, Dorothy Stack, Jean MacKenzie, Marie McKennie, Eileen Mulvaney, Jean Baxter, Isabel Regan, Alice "Daisies"—School. Recitation, "The Sunbeams"—Maureen Flaherty. St. Peter's Boys. A large number of parents and friends of the pupils were present this morning at the closing. Among those who addressed the pupils were Rev. James Moran, C. S. R., rector of St. Peter's parish, and J. D. Maher, T. O. history prizes, donated by the I. O. D. E., were won by Miss Irene McArthur, educational secretary of the Chapter.

Tom Wilson, leader of the frogs, entered and sang a verse of the Frog Song. As the chorus was being sung the frogs hopped on the stage and gave the "Frog of the Frogs." This was followed by a description of "Giant Wilson" by Eugene Thompson, and a solo, "The Fussy Caterpillar," by Louise Corner, during which three caterpillars (George Gordon, Edward Galbraith and Harry Hanson) entered and sang the chorus and performed the "Caterpillar Crawl" until the entrance of "Butterfly" (Rosalie Dickson), who chased them away. This was followed by the entrance of Mother Wind (Helen Parks), who was greeted by Robert Louis Stevenson's "The Wind" and the "Wind Song." After this she gave Eugene Fields' "The Night Wind."

King Edward. At King Edward School, Rex A. Cormier, principal, the following programme was given: Presentation of prizes to pupils of the school. "The School Months"—Ines Dalton, Christine Hendry, Margaret Stewart, Dorothy Stack, Jean MacKenzie, Marie McKennie, Eileen Mulvaney, Jean Baxter, Isabel Regan, Alice "Daisies"—School. HOLY CROSS STAR WINS 32 GAMES

Carroll Has Met But Three Defeats in the Last Three Years.

A college baseball team, no matter how strong and well coached, is seldom able to complete a season without a defeat, but the Holy Cross team accomplished this feat in the season just past. The Worcester nine played eighteen games on the regular schedule and won 32 of the 35 games which he played in.

GARRET GILMORE ENTERS DIAMONDS

Small Field Entered for Historic Contests Next Week at Henley.

Entries for the Henley Royal Regatta from crews and scullers outside the United Kingdom have been officially announced. As the Olympic regatta at Paris will be held within a week of the Henley on the Thames, the entries for the English rowing classic regatta have fallen below the average, and for the first time in a number of years there will be no foreign competition for the Grand Challenge Cup.

FIRPO AGREES TO MEET HARRY WILLS

New York, June 23.—Negotiations for a 15-round match between Firpo, Argentine heavyweight, and Harry Wills, 220 pound negro, which have been pending for the last two months bore fruit today when Tex Rickard, promoter of the match, announced the receipt of a cable from Firpo definitely accepting the promoter's final terms.

ARGENTINE HEAVYWEIGHT WIRES ACCEPTANCE OF TERMS FOR BOUT IN U. S.

It is likely, however, that the match will be taken across the Hudson to New Jersey and staged in Rickard's arena on Boyle's thirty acres. Firpo's demands that it be held after August 20, prompted the promoter to concede this point to the "Wild Bull of the Pampas."

DETROIT NOW IS ON FIRST PLACE

New York, June 24.—The American League race is fast developing into an eight-ball juggling act. Connie Mack's Athletics are the only team capable of maintaining equilibrium from day to day. While Philadelphia keeps a death grip on last place by the comfortable margin of six games, the other seven clubs shift position with bewildering frequency.

Detroit went into first place by remaining idle because of rain while Philadelphia dropped a doubleheader 5-3 and 4-2 to the sensational Senators, who won their fourteenth victory in the last 21 starts and advanced from fourth to third place, only one point behind the Yankees. The Red Sox, losing both ends of a double bill to the Athletics 2-0 and 6-3.

Games Tonight

Fredericton meets the War Vets on the East End grounds this evening at 7 o'clock for the Pro-league attraction. Either Tippetts or Carruthers will be on the mound for the locals with McConnell doing the honors for the capital outfit.

The Canucks are due to meet St. John's in the intermediate league. The Nationals, leading team of the Intermediate League, will clash with the North End Ramblers on the St. John's baseball diamond at 7 o'clock. Each team will have a good lineup and a good game is expected.

DIGGS' PITCHING WAS A FEATURE

Loose fielding on the part of the Trojans and the masterly pitching of Diggs proved the undoing of the Trojans last night in a South End League game, 6 to 3, it constituting the Trojans' third straight defeat. Diggs struck out 14 men in the seven innings played and only Walter Bartlett's sensational catch robbed him of an extra base hit. Daley started out for the Trojans but was replaced by Kerr in the third inning. He went back in the fifth and finished the game. Conners, at third for the Trojans, had an off night. Another big crowd attended.

"POP" GEERS IS STILL GOING WELL

Grand Old Man of Racing Game Now Giving Exhibitions.

Baseball has its illustrious veterans, the Speakers, the Johnsons, the Cobbs. The ring game has its remarkable ancients, the Fitzsimmonses, the Brittons, the Kilbarnes. Many other sports have produced a host of whose enduring qualities keep stride with their blinding genius. But the most astonishing veteran of them all—the great-grand-granddaddy of the sport world, is Pop Geers, 78 years of age and 50 years in the harness. Did you ever stop and think that Pop was still racing and racing horses in Tennessee not so long after General Lee signed those immortal papers at Appomattox Court House and a couple of lifetimes before manie active participants in sports today were born? A story of Pop Geers' life on the harness turf would be a story of the Grand Circuit since the Grand Quinquennial Trotting Association, beginning in 1871. What a world of speculators his name has been associated with! Belle Hamlin, Robert J. Direct Hal, Napoleon Direct, Etzswahl, Duane Archdale, Billie Buck and scores of others.

DYSPEPSIA WAS SO BAD COULD HARDLY EAT ANYTHING

Mrs. C. Stone, Nanticoke, Ont., writes: "Some time ago I had a very serious attack of dyspepsia, and was also troubled with gas on my stomach. I could hardly eat anything, and very often had pain after meals. I had used different medicines, but they didn't seem to do me any good. At last I happened to read on the track of Burdock Blood Bitters, and after using it for a short time I felt a lot better. I continued its use until I was completely relieved and now I am ready to recommend it to anyone trouble as I was."

FORMER MAYOR OF ST. STEPHEN DEAD

(Special to Times-Star) St. Stephen, June 24.—David Johnson, former mayor and prominent lumberman, died last night. He had been in ill health and confined to his bed for several weeks, but his death came suddenly. He was in his 85th year, a veteran resident who had served as mayor for several terms and always had the town's interest at heart. He was a member of the Masonic fraternity and of the Knights of Pythias. He leaves two daughters, Mrs. Alfred Budd and Mrs. Harry Ashley, and four sons, Lester of Winslow, William and Aubrey, all of whom were with him in his illness.

CHIEF WHIPS TO VISIT WEMBLEY

Canadian Parliament Will Send Members to the Empire Exhibition. Ottawa, June 23.—One of the seasonal undercurrents this year has been a lot of gossip, some of it hostile, some of it favorable, about the proposal of sending over to the British Empire Exhibition of a small Parliamentary delegation. Other Dominions are doing it, and in addition to any Cabinet Ministers who may go—and in all Governments some Cabinet Ministers are great travelers—it was thought well to send some of the members. The process of selection would, of necessity, be difficult. The Government considered that the easiest method would be to choose the whips of the different parties. In the early stages all went well, but latterly opposition has developed. The plan latterly has been modified, and now contemplates sending only the chief whip of each party, or three members in all. The matter came up in the House tonight when the estimates for \$500,000 for the Wembley Exhibition were presented. About the show itself, everyone had something good to say. New Wing Dissents. The new wing, within the Progressive roof proceeded to reprobate with noise and alacrity when expense was brought up. They took the ground that the public money should not be devoted to such purposes as sending delegates to the fair and pointed to distress in the West to which they thought the money should be applied. The Prime Minister justified the proposal citing precedents of Imperial events to which delegations have been sent, but Mr. Meighen took the position that Canada should be represented by Cabinet Ministers. His chief whip, Mr. Boyd, while explaining that he was unable to take advantage of the offer, strongly commended the idea. Mr. Forke said that at present moment he was opposed to it. When it came to a vote, the item carried by two to one, the Liberals being all for it, and the other two parties being divided. End in Sight. Signs of the end of the session are in evidence. Business may possibly wind up on July 5, which is the present objective, but any event later than July 12. The signal transferable vote bill will not be pressed this session. This was a peculiarly contentious subject to which Conservatives promised stout resistance, while some of the Liberals are not enamored of it. The Government is very anxious to get through re-distribution, and it will probably go through with the compromise which is common. The only difficulty is in Ontario. A delegation of 200 Home Bank depositors, asking that the Government will appear before the Banking Committee on Wednesday.

FOUR KILLED BY EXPLOSION

Ironton, O., June 24.—Four members of a family of seven, including the father and mother, were fatally injured here when gas which had accumulated in a closed room of their home was exploded by a match in the hands of the father. The dead—Joseph Holtzatsel, his wife, and their two daughters, Margaret, seven, and Mary, 10. The family had just moved into the house and had spent several hours straightening the furniture. The father started to enter the summer kitchen, separate from the rest of the house, as he opened the door he struck a match to light his way. The blast which followed shook the neighborhood for blocks and enveloped the house in flames. Elizabeth and Joseph, Jr., escaped by minor burns. Charles, six, is in the hospital in a serious condition.

Death Sentence Imposed on Six

Montreal, June 24.—Stoutly proclaiming their innocence, Louis Morel, Giuseppe Serafini Tony Frank, Mike Valentino, Frank Gambino and Leo Davis, yesterday were sentenced to be hanged on October 24 for the murder of Henry Cleroux on April 1 at Montreal when the Hochelaga Bank collection car was held up and robbed of \$142,288 and Cleroux and one of the bandits were shot dead. The jury took 11 minutes to reach their verdict. All the prisoners were found guilty of murder. Sentence was pronounced by Mr. Justice Wilson. An appeal against the death sentence will be made, according to Alban Germain, K. C., counsel for the accused men.

Many Automobiles Use the N. B. Roads

St. Andrews-by-the-Sea, June 23.—Delegates to the Canadian Good Roads convention here were today given an outstanding example of the attractions of New Brunswick as a tourist mecca, and the value of good roads in attracting tourist travel. In less than two hours, while on the road between St. John and St. Andrews, cars bearing license tags from no less than 10 states and provinces were met, all traveling eastward. Besides many New Brunswick cars there were automobiles from Nova Scotia, Quebec, Ontario, Manitoba, New Hampshire, Vermont, Massachusetts, Connecticut, and New York.

DR. CUTTEN CASE IS TRANSFERRED

(United Press Despatch) Utica, N. Y., June 23.—As sequel to the recent arrest of Dr. George B. Cutten, president of Colgate University, for speeding in Utica, his attorneys today obtained an order from Supreme Court Justice Louis M. Martin transferring the case from the City Court to the grand jury. It was asserted that Dr. Cutten could not get a fair trial before a police magistrate. At the time of his arrest Dr. Cutten said he was hurrying to enable his companion, Raymond B. Fosdick, to catch a train. Dr. Cutten was formerly president of Acadia University and attended the closing exercises there this month.

AVIATORS FLY WITHOUT MAPS

Mechanically Guided Tests Show Practicability of New Form. Dayton, June 24.—Aviators, by means of two inventions, may henceforth be able to fly straight as an arrow, always at the same elevation through blinding snow, fog, above cloud banks or so high that all landmarks are lost. McCook Field officials believe an era of mechanical guidance of airplanes will result from the perfection of the indicator compass and the inclinometer. They are planning a series of long distance flights in mechanically controlled airplanes, following the recent successful flight to Birmingham, Ala., in a machine using these devices. By means of the compass it is possible to fly to any pre-determined destination, regardless of visibility. The instrument is set for a given distance, and when that distance is reached, a bell rings and a light flashes at its destination. The inclinometer is a delicate instrument which indicates whether the airplane is on an even keel. It shows whether the nose of the plane is tilted upward or downward. The indicator compass and the inclinometer are mounted on the balance of its ship. Successful test flights have been made with the devices between Dayton and New York and Boston. LEAPS OUT WINDOW AS POLICE MAKE RAID; DIES IN STREET

Millidge Marsh Succumbs in Pond Street—Arrests and Fines.

The sudden death of Millidge Marsh, a colored man, who dropped dead in front of his residence, 48 Pond street, a little after last midnight assumed a new phase this morning when it was learned from the police that Marsh had been spending the evening or part of it at a house in Pond street, the proprietor of which appeared before Magistrate Henderson in the police court this morning charged with keeping a bawdy house. Three women and a white man were also reported found in the house when Detectives Saunders and Kilpatrick visited it last night about 11:35 o'clock.

Detective Tells of Call

Detective Saunders testified this morning that he had received a call late last evening and he and Detective Kilpatrick visited the premises and arrested Clement Oliver, charging him with being the proprietor of a bawdy house, and Elizabeth Clayburn, Mrs. Annie Brooks, Mrs. Nettie Fillmore and George Arsenault, charging them with being inmates. The detective said that as they approached the house a colored man was seen jumping out through a window in the rear. He was in great haste and seemed much excited.

The detective told of the condition of the house. Later, he said, he was called back to Pond street as a result of Marsh's death. He said he learned it was the same man who had jumped out of the window.

Marsh's body was ordered taken to P. J. Fitzpatrick's undertaking rooms on permission of the coroner. This morning it was taken to the General Public Hospital on order of Coroner F. L. Kenney. The result of a post mortem will decide the matter of holding an inquest.

It was said to be likely that Marsh had a weak heart and succumbed as a result of excitement. He was 44 years old and leaves a wife and a two-months old baby. He came to St. John from Annapolis County, N. S., about 15 years ago and has resided here since.

Oliver was fined \$50 or three months in jail. The others were fined \$25 each or three months. One of the women had a small child with her in court this morning.

Sergeant Detective Power, when asked about the case and the circumstances of Marsh's death, said that Oliver and Arsenault and the three women, even if their fines were forthcoming, would be held as material witnesses in case the coroner should decide that an inquest was necessary. He did not suspect any foul play and was of the opinion the man died from excitement.

TRUE BILLS IN 3 CRIMINAL CASES

Circuit Court, June Sitting, Opens with Judge Barry Presiding.

The June sitting of the Circuit Court opened this morning in the court house, Germain street, with Mr. Justice Barry presiding. There is a fairly lengthy docket, including three criminal cases, in all three of which the grand jury brought in true bills.

The criminal cases were the King vs. John L. Jacobson, on a charge of criminal libel; the King vs. Edward Scoville, on an offence involving a girl; and the King vs. John Travis, charged with arson.

The jury brought in true bills in each case just before the court adjourned for lunch and the sheriff was instructed to have twelve jurymen in attendance at 2:30 this afternoon when the case against Edward Scoville will be taken up.

The civil docket is as follows:—Jury Cases. Tower vs. McLellan—D. Mallin. Vasil Tony, administrator in estate of Peter Nannoff vs. J. Evanoff—W. E. Scott. Garon vs. City of St. John—M. B. Innes. McCarthy vs. Raymond & Doherty—Barnhill, Sanford & Harrison. Commercial Credit Co. vs. Hoyt Bros.—M. B. Innes.

Non-Jury Cases. California Prunes and Raisins, Ltd. vs. Baird & Peters, Ltd.—MacRae, Sinclair & MacRae. Hill Inc. vs. McHenry—Inches, Weyman & Hazen. Crandall vs. Bowman—M. B. Innes. Chechik vs. Friedman—F. R. Taylor.

BURIED TODAY. The death of Cecilia Sutton, aged 13 years, occurred in the General Public Hospital on Sunday. She leaves, besides her parents, three brothers, Byrne, George and Frank. The funeral was held this morning at 8 o'clock from her parents' residence, 129 Queen street, West St. John, to the Church of the Assumption, where requiem high mass was celebrated by Rev. J. J. REGISTERED MAIL. The only new development locally in the postal strike situation was the receipt of a telegram from Postmaster A. Thompson, of a telegram from Ottawa announcing that registered mail may now be accepted for Montreal. The telegram was signed by L. J. Gaboury, deputy postmaster general. Ordinary direct mail is being sent along to Toronto, Montreal and Windsor, where the strike still is in force and now registered mail can be sent to Montreal. No restriction is made of the remaining two centres.

As Hiram Sees It. "Hiram" said The Times reporter to Mr. Hiram Hornbeam, at Sault Ste. Marie, as soon as the streets are empty at night, the mouse come in to gaze into the store windows and get the atmosphere of town life. "Out to The Settlement," said Hiram, "we got a petater bug that had a fight with a turtle and it came into the brook."

"Good," said the reporter. "The Sault has nothing on the Settlement."

"Have you seen," said Hiram, "Commissioner Frink's trained sparrows?"

"I have not," said the reporter. "Well, sir," said Hiram, you want to go up an' set down on a bench in King Square—where the flowers an' shrubs is. You'll see a sparrow come hoppin' along—an' the first thing you know he makes a jump—or flies like lightning' up among the leaves—an' the one bug less to eat the plants. It's great fun to watch 'em. They say Doc Frink trains 'em early in the mornin' afore the rest o' you folks is up—yes, sir."

WINS NOTICE OF NOTED MUSICIAN

St. John Man's Singing Brings Urge to Career From Russian.

Another local boy has attracted attention to St. John by his musical talents. Edith Thompson, Michael Howard, son of Mr. and Mrs. David Howard, 452 Main street, Mr. Howard, who is at present in Detroit on a month's vacation, was singing in one of the churches in that city recently when a noted Russian musician heard him and was impressed by his natural gift. He wished the local young man to have his voice trained and to take up a musical career, predicting that he would make a notable success. Mr. Howard, according to his parents, does not intend to follow the suggestion.

Mr. Howard is well known in St. John, and his many friends will be pleased to hear that he has received so much commendation. He is a member of the choir of St. Peter's church here, and has often been heard in musical entertainments in the city. He left here about a month ago and it is expected that he will return about the middle of next month. He is employed as an engineer on the N. K. He is visiting his sister in Detroit.

ARE WELL PLEASED WITH EQUIPMENT

East St. John Has Demonstration of Fire Fighting Facilities.

A large number of the ratepayers of Fire District No. 1, Parish of Simonds, met last evening at the Community Club Hall, after a demonstration of the fire-fighting equipment which has just been secured by the districts, and expressed themselves as much pleased with what had been done.

Just a year ago the first move to provide protection was made and a decision arrived at to create a fire district. It has cost a little more than \$5,000. It was thought at the start that all the hose that could be used without a fire engine was 500 feet, but last night 1,000 feet was stretched and a good stream of water thrown on the roof of a house in Park avenue without an engine.

The fire wardens decided not to purchase hose reels, but to buy an auto truck to carry the hose. Last evening the hose was carried from the hydrant to its full length and water turned on before those on foot reached the scene of the supposed fire.

The meeting on record as being much pleased with the action of the City Council in deciding to make the water extension to East St. John, at an estimated cost of \$25,000. The opinion was expressed that East St. John was due for a rapid increase in population and one the surest evidences of this was seen in the erection of churches.

Don't Be Economical

When you look around for a new mattress, don't look for a cheap one, but buy the very best that your means will afford. You may practice economy in the purchase of many other articles, but the mattress, on which you spend one-third of your life, should afford that restful sleep which alone can insure good health.

The famous "Ostermoor" of course heads the list, but if you want one at a more moderate cost we have many different grades, each selected as an outstanding value through our many years of close study of sleeping comfort.
