C. E. Scammell is afloat and lying at anchor, and is perfectly tight and nearly ready to load for this port. The C. E. S. is one of the many vessels that went ashore during the gale of the 24th of August.

State Bros., this morning, says that the bonds were used for purposes of private speculation by prominent officials connected with the Lake Shore Railroad, and that the corporation has been absolutely swindled out of the property. Money derived in this way was used in stock speculations for the private account of prominent people in the Lake Shore, and has in consequence of the property of the private account of prominent people in the Lake Shore, and has in consequence of the property. Extract from a Letter of Messrs. AVERY, also says that not only have \$2,250,000 in bonds of the Lake Shore Co. been embezzled and squandered, but there is an additional defalcation by which the cash

Ridge's Food. A FRESH LOT OF RIDGE'S PATENT FOOD, a most satisfactory preparation for HANINGTON BRO3.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the na-tive herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERSES?" Our answer is that they remove TERS?" Our answer is, that they remove the cause of disease, and the patient re-covers his health. They are the great covers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegar Bitters in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of Dr. Walker's VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Altera-
