CANADA'S BEST DAILY

OUTSIDE OF THE CITIES OF TORONTO AND MONTREAL IS

The London Advertiser

THERE is no paper that equals its bonifide sworn circulation. No other daily will give you such statements month by month. It is positively the best circulated paper, excepting the two cities mentioned. THE LONDON ADVERTISER HAS THE LARGEST CIRCULATION IN THE CITY OF LONDON. Following is a copy of October sworn declaration.

ONTARIO, COUNTY OF MIDDLESEX, TO WIT:

IN THE MATTER OF THE CIRCULATION of The London Daily ADVERTISER.

I, John Cameron, of the City of London, in the County of Middlesex, Managing-Director of the London Advertiser, do solemnly declare.

That the actual bonifide circulation of The London Advertiser, for each and every day of the following dates, was as follows:

October 2nd, 1899	8115	October 18th, 1899	8550

OR AN AVERAGE CIRCULATION FOR EACH DAY OF 8,252 (eight thousand two hundred and fifty-two). This circulation is exclusive of all spoiled copies, being the actual circulation of mail list, subscribers, agents, carrier boys and street sales.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act, 1893.

DIRECTIONS FOR GIVING FIRE ALARM.

Break the glass which covers the key. Unlock and open outside door. Then listen, and if you do not hear the little gong inside striking, pull down the hook as far as it will go once only and let it go back to its place. If you do hear the gong striking, wait until it is done. Then shut the outside door tight and unlock and open it again and pull the hook down, as above directed. Always shut the outside door tight before you leave the box, and, if possible, wait until the firemen arrive, and direct them to the fire if it is not visible. After pulling down the hook, if you do not hear the little gong striking or the box working, shut the door and go to the nearest telephone and call the fire department.

Be careful to protect your hands from the broken glass while unlocking the door.

Don't open a box unless to give an alarm for a fire. Don't give an alarm for a fire outside the city, or for a chimney fire, or for a fire a long distance away, unless you are on a line with it and the fire stations. Don't try to take the key out of the lock, as it is locked in. Two strokes on the gong, or City Hall bell (after an alarm is given), is a signal that the fire is out.

Parties erecting or moving houses, cutting down or trimming trees, or doing work of any kind on the streets, must not interfere with the fire alarm boxes, wires or poles. By leaving notice at the nearest fire hall, any alterations necessary will be promptly attended to.

Citizens will confer a favor by immediately reporting to the nearest fire hall any damage to the boxes or the fire alarm wires or poles.

How to count the number of the box from the bell:—Suppose box 34 is pulled; you do not get 34 consecutive strokes on the bell or gongs; but first you will get three distinct blows, which represent the tens, or 30; then a pause of four seconds, after which four blows will be struck, representing the units, or four, thus:—1 1 1—1 1 1 1—34. Box 314 would be struck the same way, thus:—1 1 1—1—1 1 1 1—314.

Single numbers up to nine are struck consecutively without a break until the whole number is given. The number of the box will be repeated four times with an interval between. After the first alarm, two double blows, thus:—1 1—1 1, followed by the number of the same box on the bell, will denote a second alarm for the same fire, to which all the apparatus will respond.

London Street Directory.

The occupation is given in the Street Directory only at the place of business: This is done, 1st, to distingulsh a residence from a place of business; and 2nd, because the occupation can be given much more fully in the alphabetical than in the Street Directory, the latter being merely a plan of the streets showing the relative positions of the buildings.

S. E. for side entrance is used in the Street Directory to show that the building in question faces the cross street.

Foster's ROAD MAP FOR CYCLISTS. Stationers and Bicycle Dealers.

Temperance men everywhere should rejoice in the fact that the Temperance and General Life Assurance Company is doing a grand work in showing the people that the lives of abstainers are better lives than those of non-abstainers and entitled to get insurance for a less cost.

FIGURE FOR YOURSELF.

Interest in insurance is natural. You can easily see the advantage of first class protection by means of an Unconditional Accumulative policy in the Confederation Life Association. You can figure for yourself and see the benefit—as protection or as an investment.

The Confederation Life Association publishes an interesting set of pamphlets, giving full particulars regarding the different forms of policy contract, and will be pleased to send them on application to the Head Office, Toronto, or to any of the Association's agents.

LIFE

Your chief joy in life should not be the narrow one of satisfying your selfish desires, but the broad one of doing all the good you can for others. Then, make the only sure provision for loved ones by insuring in the North American Life. All that's best in life insurance, which is absolutely the only kind of property the law protects for "preferred beneficiaries," is given in the plans of the North American.

Write for information, and let us or our agents, who are almost everywhere, explain a plan to meet your needs.
