ANNUAL REPORT

OF THE

STREETSVILLE

Presbyterian

Church

FOR THE YEAR

ENDING 31<sup>ST</sup> DECEMBER, 1887

1888.

PRINTED AT THE BANNER OFFICE, MAIN STREET, BRAMPTON.

## » STATEMENT OF SESSION «

The Session with pleasure call attention to the encouraging progress that has been made in the several departments of Christian activity during the year.

Through the adoption of the envelope system the Managers are able to present an exceedingly satisfactory financial statement.

The Young People's Mission Band also report a gratifying increase in the contributions to the schemes of the church.

Sabbath School work has been carried on with earnestness on the part of the Teachers and Officers, and, we trust, with blessings to the scholars.

During the year an Auxiliary of the Women's Foreign Missionary Society has been organized, and we have no doubt that, with the blessing of God, the Society will meet a long felt want, and accomplish great things in the future history of the congregation. We bid it God speed.

A number of families have removed from within the bounds of the congregation, but others have come forward to fill their places.

As can be seen by the Clerk's report, 65 members have been added to the communion roll—a very gratifying increase. It is to be regretted, however, that some names had to be removed from the roll for non-attendance at the means of grace.

The number removed from our midst by death is very large. From among the old, middle-aged and young, they have been taken. During the year 1888 death will

no doubt, renew its visit to our congregation, and who will be summoned a year hence will make known.

In humble and loving trust in Christ and loyal obedience to Him, let us live day by day, and then for us death will be infinite gain.

On behalf of the Session,

Affectionately yours,

JAMES MURRAY, MODERATOR.

### \*Sabbath School\*

The Teachers and Officers tender their hearty thanks to friends and others who have aided them in the work of the school during the past year ; and earnestly desire for the ensuing year the same kindly cooperation and sympathy, so that with the guidance and help of the Holy Spirit their labors may advance the glory of God and the spiritual interests of those under their care.

The Superintendent takes this opportunity of thanking the Teachers and Officers, and others, who have rendered him assistance in the discharge of his duties during the year 1887 ; and in entering upon the duties of the Superintendency for another year, believes that with the renewal of that same hearty Christian support, the Sunday School will become a still greater success and source of blessing to all connected therewith.

On behalf of the Teachers and Officers,

Sincerely Yours,

NATHANIEL STEEN,

Superintendent.

### •Young People's Mission Band•

The Y. P. M. Band was organized about two years ago with the object of diffusing missionary intelligence among the members of the congregation, and assisting financially the mission schemes of the Church. Our efforts, we are pleased to state, have been attended with more or less success. During the present year a few of the members of the Band have read at the monthly missionary meetings carefully prepared papers on different mission fields, which were both interesting and instructive. The contributions to the mission schemes have increased considerably from the former year. Although we are thankful for what we have been able to do, we cannot but look back on our work with some degree of regret that we have not done more.

Many of our young people have taken little or no interest in the cause of missions. Why should this be the case? Mission work is one of the grand objects for which the

church exists. We then, as Christians, should be ready and anxious to hold up the hands of those who go forth bearing the gospel to the benighted heathen.

We trust the success of our Society will be greater in the future, and that our young people and every member of the congregation will take a deeper interest in the work of the Society during the coming year.

Sincerely Yours,

WM. MADILL, President.

The Society was formed on July 21st, 1887, by Mrs. Harvie, of Toronto, with a membership of fifteen ladies, three of whom are at present members of the General Society. The Society meets on the first Wednesday of each month for the transaction of business, and the hearing of letters from our Missionaries and other mission intelligence read. The Society was favoured with a visit from Mrs. G. H. Robinson, President of the Presbyterian Society, on December 14th, and were encouraged by her address.

Mrs. Morgan and Miss Blain, together with the officers, are the delegates to the annual meeting of the Presbyterian Society, to be held in Knox Church, Toronto, Feb. 29th, 1888. The contributions to the Society's funds so far amount to \$20.

That all the ladies of the congregation may become members of the Society, the annual fee is placed at 25c. The payment of one dollar constitutes a member of the General Society.

—ANNUAL REPORT OF—  
-Committee • of • Management-

---

To the Members of the Presbyterian Church,  
Streetsville.

---

Your Committee beg to report as follows :—

1. Since the last Annual Meeting the Envelope System has been adopted by a large majority of the congregation, and as can be seen by the Treasurer's Statement, the result is very satisfactory.

2. Your Committee suggest that all, as far as possible, adopt this system of contributing to the funds of the congregation, in as much as it involves a great deal less work for the Treasurer, and leaves funds in the hands of the managers to meet their liabilities, as these become due.

3. Quite a number are still in arrears, and of these, few if any have adopted the envelope system ; while those who have adopted it are astonished to find how easy it is to keep up their contributions from week to week.

4. Your Committee, grateful for the many blessings received during the past year, trust that the giver of all good gifts will continue his favors during the ensuing year, and they will continue to pray for the spiritual and temporal advancement of this church and people.

(On their behalf.)

JOHN McCAULEY,  
Chairman of Committee.
