## OBITUARIES.

---

### REV. LUTHER HOUGHTON.

The Rev. Luther Houghton was born in Vermont, U.S.A., 1799. When he was eighteen years of age he came to Canada, and settled in the town of Brockville. About this time he gave himself to God, and commenced to lead a Christian life. For many years he served Methodism as a class-leader and local preacher, and in 1833 he entered upon the toils and honors of the regular ministry. For the space of ten years he labored with great usefulness on the several stations to which he was appointed by the Church. Through failing eyesight he was under the necessity of taking a supernumerary relation.

The end of his life, which came on the 10th of April, 1887, was eminently peaceful, and indeed triumphant. He died as a good man dies, honored of God and respected of men.

### REV. JOHN WALTON.

Born at Alston Moor, Cumberland, England, 20th March, 1827; died at Collin's Bay, Ontario, Canada, 5th September, 1886. John Walton, a man of God.

If faithful study of the Word, fidelity in the pastorate, wise government of one's own house, abnegation on a parent's part for the children's education, very humble views of self with utter absence of self-seeking, and firm adherence to principle even at the cost of opposition from worldly-minded men, are characteristics of a true Methodist minister, then was Bro. Walton worthy of the position he held for thirty-one years in the Methodist Conference.

Converted in youth, he was eminently guided of God in his marriage. Mrs. Walton, according to the testimony of one well-calculated to judge, is "deserving to be ranked among those elect ladies who, as ministers' wives, have done so much towards building up our Church in this country."

At Glanford, near Hamilton, Hatley, Granby, Stirling, Consecon, Sidney, Pakenham, Dunham, Coaticook, Lachute, and Merrickville, our brother proved himself a minister of the Lord Jesus. On the latter Circuit his health failed; Collin's Bay offered lighter work, but after a few months of suffering, during which he was graciously sustained by Divine sympathy and family affection, he joined the heavenly company on the evening of Sunday, 5th September, 1886.

May the mantle of his humility, his manliness, and his consecration, rest on his brethren of the Montreal Conference.

QUESTION.—What is the number of our Church Members and of those on trial ?

Moved by Rev. J. E. Mavety, seconded by Rev. H. Cairns, and  
*Resolved*,—That we as a Committee tender to Rev. T. G. Williams a vote of thanks for his very valuable services as Treasurer of this Fund for these many years, assuring him that had the Conference continued this Fund he would still have been its Treasurer by a unanimous vote of the Committee; and that this resolution be added to the Treasurer's report, and thus appear on the Minutes.

On motion, the report was adopted by the Conference.

## GENERAL CONFERENCE FUND.

### TREASURER'S INTERIM REPORT.

*Requested to be laid before the several Annual Conferences, and published for information in their Minutes.*

Although this Fund has been in existence since the time of the formation of a General Conference in 1874, it has never had a written constitution.

The object of the Fund, as gathered from its history, and found in the Journals of the General Conferences and in the Discipline of the Church, is to pay the travelling expenses of delegates to and from the General Conference, and of representatives to other churches and bodies who are

appointed by the General Conference; to meet the salaries and expenses of our General Superintendents, and of all General Conference committees that have no funds of their own; as also to pay the expenses of transfers in certain specified cases.

The different departments of the Church, up till the meeting of the last General Conference, paid one-half of the salaries and expenses of the General Superintendents, leaving only the other half to be paid by the Fund.

The income for this moiety was derived from collections taken up from year to year in the several Circuits and Missions in the entire Church, and yet that income has always been insufficient to meet the demands, and hence the Fund has always been in debt.

The present Treasurer was appointed at the last General Conference, and the whole amount necessary to meet all the above claims in full was thrown on the Fund, without aid from any department of the Church. Nearly all the collections for the year 1886 and 1887 had been paid to the former Treasurer, and yet at the close of the General Conference the Fund was in debt about \$5,000. The present indebtedness of the Fund is between \$6,000 and \$7,000, with large quarterly payments and other heavy special claims to be met as they arise.

The Finance Committee of the General Conference, seeing the very great responsibility involved and the large amounts to be raised, took the following action, viz. (Journal, p. 251): The estimated amount required during the quadrennium, less cash on hand, was \$30,000, or an average of \$7,500 per year. This amount was divided by them as follows: Toronto Conference, \$1,430; London, \$1,000; Niagara, \$1,000; Guelph, \$875; Bay of Quinte, \$875; Montreal, \$1,125; Nova Scotia, \$400; New Brunswick, etc., \$400; Newfoundland, \$125; and Manitoba, etc., \$310. These amounts will therefore be required annually, in the estimation of the Finance Committee, to meet the claims on the Fund. The amount paid by the several Annual Conferences last year up till the 1st of September was about \$5,200. Now the Discipline (see p. 50) directs the officers of the General Conference "to disburse only the amount on hand for General Conference expenses," etc. I understand from this clause that the Fund is not to go into debt beyond the quadrennium. As the matter is now carried on, the largest expenditure is incurred in the payment of General Conference expenses at the beginning of the quadrennium, thus involving heavy payments for interest. What is to be done? I suggest—

1st. That every Circuit and Mission should take up a *large all-day Sabbath collection*, and forward it immediately, through its proper officer, to the Treasurer. This will reduce the interest account.

2nd. Should there be any deficiency at the close of any year in the amount expected from any Conference, let prompt and energetic measures be adopted to meet such deficiency. It will be found easier to do this annually than to raise the whole amount at the end of the quadrennial term.

Our brethren throughout the entire Church will see that it will require united, vigorous and prompt action to save the Fund from financial embarrassment, and to enable it to pay in full the amounts needed successfully to carry on our work.

JAMES GRAY, *Treasurer.*

## SUPERANNUATION FUND.

*Report of the Treasurer for the year ending July 31st, 1886, for publication in the Minutes of the Annual Conference.*

The full Balance Sheet, having been properly audited and accepted by the Board, is published in the Journal of the General Conference.

The Fund is divided into two accounts, the Capital and the Annual. The Capital Account is made up of legacies, donations, and other amounts given for the purpose of investment, the interest only being used. This account amounted at the above date to \$167,956.23, less certain unproductive assets valued at \$8,355.14, and leaving as productive capital the sum of \$159,601.09, being nearly \$5,000 over the Capital Account of the previous year. This amount is invested in mortgages, debentures, and other reliable securities, and yields nearly 6 per cent. per annum.

The Annual Account amounts to \$70,918.44. The following are the principal sources of income and expenditure at the date above specified:—

INCOME.	EXPENDITURE.
To Book Room Grant..... \$4,000 00	By 183 Ministers ..... \$46,598 74
" Missionary..... 4,200 00	" 124 Widows ..... 16,746 29
" Interest ..... 8,667 38	" 100 Children..... 2,000 00
" Ministers Sub. (five sixths). 10,538 33	" Miscellaneous..... 3,425 71
" Paid by Districts..... 39,202 59	" Expenses ..... 2,147 70
" Miscellaneous..... 1,597 94	
" Loan from Capital Account 2,712 20	
\$70,918 44	\$70,918 44

A combination of circumstances which the Board could not control left the Fund in debt at the end of the year, as may be seen from the above statement, over \$2,700.

As the financial year does not close till the 31st July, no definite report can be made for the current year. This report will be presented at the next Annual Conferences. The Book Room grant has been increased this year to \$6,000, a result that must be very gratifying to all concerned, and which furnishes an additional reason why our Book Room should be liberally patronized and loyally sustained by both ministers and members. With the assessments from Circuits all paid in full in accordance with our present law, as passed by the late General Conference, we expect to be able to meet all legitimate claims in full, and to reduce, if not extinguish, the deficiency of the previous year. True, genuine loyalty to Methodism and its institutions, and united and persevering effort on the part of our ministers and people, will place the Fund in a position in which it will be a lasting boon and blessing to the Church, and to the aged, the widow, and the fatherless.

JAMES GRAY, *Treasurer.*

## REPORT OF THE COMMITTEE ON STATISTICS.

Your Committee report that whilst improvement in the filling up of schedules is apparent, still there is urgent need of more careful attention to this important matter. Two things in particular greatly hindered your

Committee in the prosecution of their work. First, the incompleteness of many of the returns received. Particularly was this the case with those received from stations. In the second place, the want of uniformity in the schedules. For instance, in some of the schedules the amount received from the Children's Fund was included in the amount received, in others not. Increase in membership, 2,564.

## REPORT OF COMMITTEE ON THE STATE OF THE WORK.

Your Committee have given considerable attention to the review of our work as a Church, in its religious, educational and financial departments, in order to ascertain as accurately as possible our condition and prospects, and to enable them to make such suggestions as the interests of the Church might seem to them to render necessary.

Your Committee would express the most heartfelt gratitude to God for the great blessings bestowed upon us as a Church during the past year. There have been many and, in some instances, very extensive revivals of religion during the year; the increase in Church membership for the year, after accounting for deaths, removals, etc., being two thousand five hundred and fifty-nine.

At this point your Committee would urge the necessity that is upon us for the utmost positiveness and clearness in Christian experience, and that we as a ministry should not falter or hesitate distinctly to enforce upon the Church the necessity and glorious possibility of being cleansed from all sin. The measure of our holiness, of our faith, is the measure of our power in this great work of soul-saving, and we are persuaded that a still more careful, prayerful attention to the experience and proclamation of scriptural holiness would enable us to chronicle more stupendous victories for Christ than have ever yet blessed our Church. Let there be no compromise, but, in our wealthiest equally as in our humblest congregations, let Christ be preached in the fulness of His power to save, and still greater success will be ours.

Your Committee are glad to be able to report that our Conference Funds are considerably in advance of last year. In this regard we would urge the importance of distributing these funds throughout the year. Where too many funds are crowded into the last few weeks of the year some of them must suffer. Particular attention should be given to the explaining of these funds in all our congregations.

The prosperity of our Book and Publishing interests is a matter over which we greatly rejoice. A net profit of over twenty thousand dollars for the year, in these times of financial depression, is very gratifying, and speaks well for the management of our able Book Steward, Rev. Dr. Briggs, and his agents at Montreal and Halifax. Your Committee are of the opinion that the circulation of the *Christian Guardian* ought to be increased, and more vigorous effects ought to be put forth either by the ministers or such help as they may be able to secure to put the *Guardian* in every family of our Church. Your Committee would urge that the

Montreal Book Room should have the fullest patronage of this Conference. Everything can be furnished there as cheaply as in Toronto. The brethren who have the management of this department in Montreal should receive our hearty sympathy and support.

We are glad to be able to state that the reports presented show that our Sunday-school work is prospering, there being an increase of forty-five in the number of Sunday-schools over last year, and an increase in attendance of nearly three thousand.

Your Committee also rejoice at the success of the evangelist employed under the direction of this Conference, Rev. D. Winter, and we bespeak for him the hearty support of the Church.

We cheerfully endorse the anxious desire and firm purpose manifested by this Conference to maintain and strengthen our French work. We earnestly recommend that special attention be given to education and colportage. We regret that Rev. Bro. Beaudry, who has served the Church so faithfully, is about to leave us. We pray that he may be, as ever, divinely guided and blessed.

We rejoice to learn of the continued and increasing prosperity of Victoria University, as well as of our other educational institutions. We look with proud satisfaction over the history of our noble university, and recognize the important relation it has always sustained to the progress of Methodism in this Dominion; and we pray that, whatever may be the policy of the future, it may be made still more effective as an educating force in connection with our Methodism and the Dominion at large.

With devout gratitude to God we review the mercies of the past. With earnest purpose and firm trust in God we would go forward to the work before us. God grant that the future may be still more glorious than the past, and that every department of our Church work may be made more and more successful.

#### REPORT OF THE TEMPERANCE COMMITTEE.

Your Committee rejoice in the continued growth of temperance sentiment within the bounds of this Conference, as indicated by the following facts, namely:—1st In the improved legislation given by the Provincial Parliaments. 2nd. By the increasing prominence given to the question of prohibition by the secular press. 3rd. By the deliverances of the different religious denominations, and by the increasing activity of the several temperance organizations, notably the Dominion Alliance, Good Templars, Sons of Temperance, and Woman's Christian Temperance Union.

But while we rejoice in the steady growth of temperance sentiment, we view with alarm the dastardly attempts which have been made to set the law at defiance and bring it into disrepute by acts of violence. We therefore call upon the Government to use all the powers at its disposal to stamp out such lawlessness. We furthermore deeply regret the position taken by the representatives of both political parties in refusing to introduce prohibition as a plank in their political platform. Your Committee

recommend the Conference to urge upon the electorate represented by this Conference to stand true to the principles of prohibition, making this question always the first in politics, as recommended by the resolution of Dr. Douglas, so unanimously adopted by this Conference at an earlier session. Your Committee recommend that increased attention be given to the education of the children in temperance principles, and that greater diligence be exercised in securing signatures, and care in tabulating the number of children who annually sign the pledge.

We recommend that the Conference name the second Sabbath in October as Temperance Sabbath, and that sermons be preached in all our congregations on this question. We further recommend that at least one week-evening service in each quarter be devoted to conversation and special prayer for the spread of temperance principles.

S. D. CHOWN, *Chairman.*

E. W. CRANE, *Secretary.*

### REPORT OF THE SABBATH-SCHOOL COMMITTEE.

Your Committee are pleased to note the increased prosperity of our Sabbath-schools.

We are glad to report 434 schools, an increase of 45; officers and teachers, 3,212—increase, 243; scholars, 23,914—increase, 1,135. A most encouraging fact is, 1,835 of our scholars have been converted during the year, being an increase over the past year of 629. We find that there has been raised for missions, \$7,622.88—increase, \$427; for Sabbath-school purposes, \$9,905.25—increase, \$327; and for Sabbath-school Aid, \$217.39, an increase of \$30.

We regret that in many cases the schedule returns are very incomplete, making it almost impossible to give as full or as favorable a report as we otherwise might. We would call special attention to this that hereafter our report may show more fully the true condition of our Sabbath-school work. We also regret that notwithstanding the earnest recommendation in last year's report to introduce our Catechism into all our schools, we find that of 23,914 scholars attending our schools, only 5,071 are learning the Catechism. We would earnestly urge this matter again on the attention of all our ministers, to see that our Catechisms, which embody our doctrines and principles, be carefully studied by our children.

Another matter of regret is that in our schools only 5,716 have taken the temperance pledge. Exposed as they are to the powerful temptations to drink, we feel that we cannot too early throw about them all the protection possible, and to give them the proper idea of the terrible and destructive effects of intemperance.

While we are pleased with the increase in the number of conversions, we think that if special attention were given to this all-important matter a much larger number of our scholars might be brought to a happy personal experience of saving grace.

Your Committee would respectfully direct the attention of this Conference to the resolution of the General Conference respecting the formation of Conference and District Sabbath-School Associations.

All of which is respectfully submitted.

## REPORT OF THE MEMORIAL COMMITTEE.

---

Your Committee have had referred to them for consideration two memorials on the question of Sabbath observance, one on the operation of the envelope system upon the Connexional Funds of the Church, and one on the relation of children to the Church.

### I. SABBATH DESECRATION.

Your Committee desire to express their hearty sympathy with all efforts put forth against the desecration of the Sabbath, especially against the running of railway and street cars and steamboats, the delivery of milk, the delivery of mails, and all other forms.

Recognizing the great necessity of educating our people generally to the more scrupulous observance of the Lord's Day, your Committee would respectfully suggest to the Conference the advisability of recommending that this subject be more frequently discussed in the pulpits of our Church, and that every means be employed to cultivate the public sentiment of the country upon this important subject.

Your Committee would also suggest that this Conference request the Committee on Sabbath Observance of the General Conference to unite with other organizations of a similar nature in bringing such influences to bear upon the Government of the day as will tend to the promotion of Sabbath observance throughout the land.

### II. MODE OF TAKING UP CONNEXIONAL FUND COLLECTIONS.

Your Committee believe that the method pursued by Circuits of contributing to the connexional collections through the envelope collections results in our congregations becoming uninformed in relation to our various connexional interests, and consequently becoming uninterested in them. We recommend the Conference to direct the Superintendents of Circuits to use their influence to restore the full observance of the Discipline in this particular, as soon as they are able, consistent with any accepted arrangements between the Quarterly Boards and the contributors to the envelope collections.

### III. RELATION OF CHILDREN TO THE CHURCH.

Your Committee, while duly recognizing the importance of the question referred to in this memorial, express their conviction that the Discipline of the Church (see section 2, page 36) contains all the guidance necessary in the matter; they would respectfully recommend that the Superintendents of Districts carry out the provisions of the Discipline in this particular.

S. BOND, *Chairman.*

C. R. FLANDERS, B.A., *Secretary.*

## REPORT OF SUSTENTATION FUND COMMITTEE.

Your Committee beg leave to report the following:—

(b) That each Minister and Probationer shall pay to the Fund, through the Financial Secretary of his District, an assessment of one per cent. of his income for salary, board and fuel. (c) The surplus from the Contingent Fund after its legitimate claims have been met.

4th. The Board of Management shall be composed of an equal number of ministers and laymen elected as follows, viz.: Each District at its Annual Meeting shall elect by ballot two members, one from its ministers and one from the laymen appointed to attend the Annual Conference; and a Secretary-Treasurer.

5th. The Board shall meet at the seat of Conference as soon as possible after its opening, at the call of the Secretary-Treasurer, and shall continue its sessions from time to time so as to complete its work and report to Conference before the rising of the same.

6th. No claim shall be considered by the Board which has not been regularly referred to it by an Annual District Meeting. The claim shall be presented by the Chairman of the District or his deputy, together with all documents and facts necessary to a clear understanding of the same. And that the children of Superannuated Ministers be claimants on this fund for twenty dollars each up to sixteen years of age.

7th. The Committee recommend that the Rev. J. C. Antliff, D.D., be appointed Secretary-Treasurer of this Fund for the year.

8th. We also recommend that the President nominate a special committee of five ministers and five laymen who shall take the whole matter into consideration and present a scheme to the next Annual Conference. All of which is respectfully submitted.

REPORT OF WOMAN'S MISSIONARY SOCIETY.

DEARLY BELOVED BRETHREN,—

The Eastern Branch of the Woman's Missionary Society desire to bring their work before you and to ask your aid and co-operation in it. Having been organized at the call of the Church, we feel that we have a right to the sympathy and help of the ministry. We ask this help the more confidently that we are convinced that our Society in no way interferes with the parent Society, but, on the contrary, a missionary spirit is induced by the distribution of missionary literature, the holding of missionary prayer-meetings, etc. Hitherto we have been diffident about forming auxiliaries where we were not invited so to do, so now we ask for recognition and encouragement at your hands.

It is not necessary to mention the work undertaken by our Society, as it is so well known to you. Suffice it to say that last year the total amount raised by the Woman's Missionary Society was \$11,354.19; of this the Montreal Conference, or Eastern Branch, contributed \$1,559.49; to the French work within the bounds of this Conference the sum of \$1,200 was appropriated. You will rejoice with us that the first year in the history of our French school for girls at Acton Vale has been very successful. Seventy-five students, the utmost number that we could

accommodate, have been in attendance, fourteen of whom have been brought to a knowledge of the truth as it is in Jesus. In this connection we would gratefully recognize the kindness of the Rev. Ed. DeGruchy, to whose careful oversight and business management much of the success of the school is due.

Any advice that you may be able to give us in reference to the laying of broad and aggressive plans for the future in our French work, which is so vital to the prosperity not only of the Church but of the Province, will be gratefully received.

Signed,

L. W. ROSS, *President.*

M. M. WILLIAMS, *Cor. Secretary.*

On motion it was *Resolved*,—That having heard the memorial of the Eastern Branch of the Woman's Missionary Society of the Methodist Church, we hereby express our cordial and prayerful interest in the important work of this Society. We rejoice to hail these elect ladies as fellow-workers with us in the Master's vineyard, and trust that the ministers of this Conference will aid in the formation of auxiliaries of the Society on their different Circuits, believing as we do that it is helpful to the growth of a missionary spirit without prejudicing the interests of the General Missionary Society; and that Superintendents of Circuits are hereby requested to see that the work of the W. M. S. be properly reported in the Circuit Schedules, as required by Discipline.

#### ANNUAL REPORT OF STANSTEAD WESLEYAN COLLEGE, 1886-7.

*To the President and Members of the Montreal Conference:*

In presenting their Annual Report the Trustees of the Stanstead Wesleyan College are glad to inform the Conference that during the year the educational work has been carried on with the most satisfactory results. Nothing has occurred to interfere with or in any way interrupt the harmony and progress of the School. The teachers, to whose ability we bear cheerful testimony, have throughout the year attended to their duties with marked fidelity, while the pupils have made gratifying progress in their studies. The following figures will show the attendance during the year, viz.:—Lady boarders, 34; lady day students, 23; male boarders, 21; male day students, 35; and a total enrolment of 123. As compared with several previous years this attendance, especially in the boarding department, is gratifying; but at the same time it is not equal to the expectations of the Trustees, nor is it as large as we believe it will become as soon as the exceptional educational advantages afforded by the College are more widely and more fully known.

In the Literary Department all the subjects in the prescribed courses of study have been taught. Three young ladies will this year complete the collegiate course and graduate with the title M.E.L.; and four young men will complete the work required for matriculation in the University. The Musical Department has been under exceptionally efficient management, and two young ladies will complete the course in instrumental

music and receive diplomas. In the Art Department a class has been conducted with pleasing results, and such progress made that still further provision will have to be made to meet the growing demands of this important branch. Thorough and satisfactory work has also been done in the Commercial Department. Three young men and one young lady will complete this course, which now includes all the studies in the common English as well as the commercial branches. The Conference will learn with grateful satisfaction that during the year religious meetings and Bible classes have been held weekly, and that great spiritual good has resulted to the School.

Concerning the finances of the College, the Governor reports that, as the school year does not close for some time yet, it is impossible for him to present any financial statement or to state with exactness what will be the financial result of the operations of the year in so far as his department is concerned. It is however hoped that, for the first time for many years, the College will be at least self-sustaining.

The following financial statements, as made by the Secretary-Treasurer and duly audited, will show the condition of the Debt and Endowment Funds respectively for the year closing May 20th, 1887 :

*(d) STATEMENT RE ENDOWMENT INCOME ACCOUNT.*

To Interest received on Sundry Investments during the year .....	\$954 63
By paid Dr. Kennedy on College Expense Account .....	954 63

An analysis of these statements will show that during the year the College debt has increased in the sum of \$360.30, owing chiefly to the fact that, while our interest charges have amounted to the sum of \$883.06, the Interest Guarantee Fund account has only yielded the sum of \$560. The Trustees respectfully ask the Conference for such co-operation and assistance as will wipe out this small deficiency, as to allow the debt from any cause or to any extent to grow larger would be disastrous. The consideration of the Conference is also asked to the question of more adequate provision for the interest and other charges for the future. Fifty additional subscribers to the Interest Guarantee Fund are needed, and if it is undesirable that any expense should be incurred in securing these, the Trustees again appeal to the Conference for help in securing, at least, one subscriber of \$8 a year, for three years, from each Circuit within the bounds of the Conference.

The Endowment Fund Statement shows that our investments and cash awaiting investment now amount to the sum of \$18,514.97, and it is believed by the Trustees that during the year this sum will be increased to at least \$20,000. The Trustees are glad to be able to report that after a careful investigation of the accounts it is ascertained that all the conditions upon which any of the subscriptions to the Endowment Fund were given have been fully met. This is satisfactory alike to the Conference and the subscribers, as it places the Fund beyond peril or question.

Two years ago the Conference requested the Trustees to take into consideration the question of changing the character of the College from a mixed school, as at present conducted, to a Ladies' College. This important question has, from time to time, had the careful consideration of the Board, and the Trustees now recommend that the system of co-education in the classes be maintained, but that the building be reserved as a residence for the young ladies only, and that young men attending the College be provided with suitable homes outside, approved by and under the supervision of the Faculty and Committee. This plan, if approved by the Conference, will provide the additional dormitory accommodation which is now required for the use of the young ladies; it will remove any prejudice to the mixed system which may prevail, and which is believed to have operated injuriously to the College in the past, while at the same time it will preserve the system of co-education, and continue to the young men of the Province all the scholastic advantages which, in connection with the College, they have hitherto enjoyed. Careful enquiry has been made by the Executive Committee, and it is believed that no difficulty will be experienced in finding such suitable homes in the village of Stanstead as may be required.

The Trustees gladly commend the various interests of the College to the careful consideration of the Conference. Increased patronage is now what is more than anything else needed. This, it is believed, can be secured by the personal interest of the members of the Montreal Confer.

ence, whose property the College, with its Endowment Fund, is; and inasmuch as the instruction imparted is second to none in thoroughness and efficiency, and as under the careful guardianship of Dr. and Mrs. Kennedy the College, as a home, is attractive and safe, the Trustees confidently ask for a greatly enlarged patronage during the coming year. The hope expressed at the last Conference, that the children of our ministry would be afforded a reduction of fifty per cent. on their tuition charges, has been happily fulfilled and will no doubt be continued, and the Trustees hope the time is not far distant when these fees may be still further reduced. More than ever satisfied are we that the College has a most important work to do for the Church in this Conference, and although our difficulties are great, and the opposition from many quarters in Church and State severe and unjust, yet the College by the favor of God and the liberality of the Church has lived, will live, and the time is without doubt coming when the Institution will splendidly vindicate its existence, amply repay our years of disappointment and care, and accomplish a sublime mission.

Respectfully submitted.

CHAS A. HANSON, *Sec. Treas.*

### SPECIAL RESOLUTIONS.

REV. W. H. WITHROW, D.D.

Moved by Rev. J. Philp, seconded by Rev. S. Bond, and

*Resolved*,—That the Conference has received with great gratification the report of the Rev. Dr. Withrow, Editor of the *Magazine* and Sunday-school periodicals, expressive of their continued increasing prosperity. It would put on record its high appreciation of the superior excellence of the literature thus given to the Church, and would assure the Editor of the strong desire on the part of the members of the Conference to circulate still more widely through our congregations and Sunday-schools these periodicals and papers.

WHITBY LADIES' COLLEGE.

Moved by Rev. W. J. Jolliffe, B.C.L., seconded by Rev. S. Bond, and

*Resolved*,—That this Conference has heard with much pleasure the report of Whitby Ladies' College, by the Principal, the Rev. Dr. Hare, and beg to assure him of our deep interest in the work of the Institute, and our desire for its continued success.

REV. WILLIAM BRIGGS, D.D.

Moved by Rev. J. Philp, seconded by Rev. Jas. Kines, and

*Resolved*,—That we have heard with great satisfaction and delight the report presented by the Book Steward, the Rev. Dr. Briggs, concerning the publishing interests of the Church, and rejoice that during the past year even more than the usual success has marked all departments of its operations. We would congratulate the Book Steward on the very excellent report presented, and as a Conference assure him of our heartiest

co-operation in furthering as far as possible the circulation of the literature and periodicals of our Church. We have heard with pleasure the statements made concerning the hopeful condition and prospects of the Montreal Book Room, and would bespeak for it the hearty support of the Methodist constituency within the bounds of this Conference.

REV. E. H. DEWART, D.D.

Moved by Rev. J. Philp, seconded by Rev. J. Tallman Pitcher, and

*Resolved*,—That we gladly hail the appearance among us of the Rev. Dr. Dewart, Editor of the *Christian Guardian*, and have heard with great pleasure his earnest and pointed address, presenting the claims and outlining the success of our Connexional organ. We desire to express the hope that the quadrennium on which the worthy Editor has entered may be the brightest and best in his long and highly responsible official life.

REV. CHANCELLOR NELLES.

Moved by Rev. T. G. Williams, seconded by Rev. J. W. Sparling, and

*Resolved*,—That this Conference has heard with great pleasure from the Rev. Chancellor Nelles the cheering reports of the unprecedented success which has attended the labors in connection with the efforts of our Victoria University during the past year. We wish also to express our gratitude to our Heavenly Father for sparing the life and strength of the Rev. Dr. Nelles to labor in the educational department of our Church's work. We rejoice in the success which has attended his entire devotion to this work, which has largely contributed to place the students committed to his care in positions of honor and responsibility second to none in our land. We join in the prayer that his physical and mental vigor may be preserved for many years to come, to guide and strengthen the great interests of this department of our work.

REV. W. R. DYRE.

Moved by Rev. A. Campbell, seconded by Rev. R. Whiting, and

*Resolved*,—That this Conference recommend the Superannuation Board to pay back to the Rev. W. R. Dyre the amount of money he has paid into the Superannuation Fund, without interest.

EDUCATIONAL SOCIETY.

Moved by Dr. Lavell, seconded by Rev. James Allen, M.A., and

*Resolved*,—That this Conference has listened with pleasure to the address of the Rev. Dr. Potts, and we beg to assure the Secretary of Education of our sympathy with him in the arduous task in which he is engaged; that in the judgment of this Conference it would be suicidal for Victoria to enter Federation other than as a thoroughly equipped Arts College; and we are further of the opinion that this cannot be done for a less sum, including buildings and endowments, than that mentioned in the report of the Board of Regents to the General Conference—\$450,000; and we would therefore urge upon the Board to take no decisive steps for the removal of the College to Toronto until such time as the amount above mentioned is assured.

## ALBERT COLLEGE.

Moved by Rev. T. G. Williams, seconded by Rev. Dr. Antliff, and

*Resolved*,—That this Conference has heard with delight the cheering and hopeful report of the Rev. W. P. Dyer, M.A., and the Rev. A. Campbell, of the financial, the educational, and spiritual prosperity which has in such a marked degree attended the labors of the honored brethren in Albert College. We recognize the fact that such great results can only be reached through the combination of sound business principles with unremitting industry and enthusiasm in the practice of the teaching art. We rejoice in their prosperity, and wish them still greater success in their future years.

## TEMPERANCE.

Moved by Rev. Dr. Douglas, seconded by Rev. S. D. Chown,—

Whereas the disastrous influence of the liquor traffic is, by statistical and well tabulated evidence, becoming more manifest throughout this land, involving the destruction of life to the extent of several thousands annually, the direct victims of liquor, and entailing poverty and crime as authenticated by the records of courts, prisons, and benevolent institutions; and

Whereas the attitude of the Dominion Legislature toward the prohibition movement has given rise to the greatest fear, on the part of lovers of temperance and moral reform, that a reactionary policy is about to be inaugurated, looking toward the impairment, if not the abolition, of the "Scott Act"; therefore,

*Resolved*,—That we the ministers and laity of the Conference, having observed the beneficial effects of prohibitory legislation in diminishing crime, lessening drunkenness and promoting the temporal comfort of the people in those counties where it is enforced, would memorialize the Legislature of the Dominion against any action that would impair the beneficial effect of said legislation by sanctioning the sale of intoxicants in said counties.

*Resolved*,—That we the ministers and laity of this Conference solemnly pledge ourselves to oppose by all constitutional methods any Government, political party, or individual member of Parliament who shall directly or indirectly oppose the existing prohibitory legislation.

*Resolved*,—That as the ultimate power of the people to influence the Legislature is found in the ballot-box, we declare our purpose by the pulpit, by the press, and by every legitimate means, to inculcate the responsibility of all Christian men and good citizens to subordinate political party alliances to the great work of securing the abolition of the accursed liquor traffic.

*Resolved*,—That while we recognize in the Senate some noble representative men who have stood faithful to their responsibilities and have sought to advance prohibitory reform, we affirm our utter want of confidence in the majority of the members of that body on this question, and lament the deliberate action of the Government in filling the vacancies which occur by men who are, with but few exceptions, the declared and determinate opponents of the temperance reform.

*Resolved*,—That we declare our desire to co-operate with the various Conferences of the Methodist Church of Canada from Halifax to British Columbia ; the General Assembly of the Presbyterian Church of Canada ; the Anglican Synod ; the Congregational Union ; the Baptist Association, and also Cardinal Taschereau, the head of the Roman Catholic Church in this Dominion, in a combined effort to marshal public sentiment so as to demand of the Parliament of this Dominion a prohibitory legislation which shall abolish that greatest of evils under which the people of this Dominion mourn.

REV. WILLIAM SCOTT.

Moved by Rev. W. W. Carson, seconded by Rev. W. Pearson,—

That whereas this is the jubilee of Rev. William Scott's entrance upon the work of the ministry of the Methodist Church in Canada, the District Meeting desires to put on record its high appreciation of his character as a Christian minister, and his long-continued and valuable services, both as an author and expositor of the Word of God, and as an administrator of the laws and discipline of the Church ; his presence with us in our Annual District Meeting is a source of gratification to us all. We unite in the prayer that his life may yet be spared for many years, and that to him may be fulfilled the promise, "at eventime it shall be light."

A well-filled purse was subsequently presented to Rev. William Scott by the ex-President, Rev. R. Whiting, on behalf of the Conference.

LADIES' COLLEGE, HAMILTON.

Moved by Rev. A. B. Chambers, LL.B., seconded by Rev. Dr. Antliff, and

*Resolved*,—That we have heard with great pleasure the report of the Hamilton Ladies' College, and the address of its distinguished President. We beg to assure Dr. Burns of our continued confidence in the work accomplished by the Institution which he represents, and our best wishes for its future prosperity and his own happiness.

SUPERANNUATION FUND AND GENERAL CONFERENCE FUND.

Moved by Rev. Dr. Antliff, seconded by Rev. W. Jackson, and

*Resolved*,—That this Conference has heard with pleasure the reports of the Rev. James Gray, Treasurer of the Superannuation Fund and the General Conference Fund. We appreciate the fidelity and diligence of the Treasurer, and rejoice in the increase of the income of the Superannuation Fund, by which the claimants on the Fund will this year receive the full amount of their allowances. We also commend to the liberality of our people the Funds represented by Mr. Gray.

WOMAN'S MISSIONARY SOCIETY.

Moved by Rev. H. F. Bland, seconded by Rev. Dr. Antliff, and

*Resolved*,—That this Conference earnestly requests the Woman's Missionary Society, in the way that may be deemed best, to devise some method for the proper training of young Methodist women as Christian nurses and workers.

## STANSTEAD WESLEYAN COLLEGE.

Moved by Rev. Dr. Antliff, seconded by Rev. T. G. Williams, and

*Resolved*,—That this Conference has heard with pleasure the report of the Stanstead Wesleyan College, which shows that the Institution is enjoying increasing prosperity, and is filling an important place in the educational work of the Church. We are gratified to learn that the finances of the Institution are in an improved condition, and we congratulate the Secretary-Treasurer and the Trustees on the result of their diligent and faithful service. We also assure the Principal and his esteemed wife of our unabated interest in the work in which they are engaged, and cordially recommend the College to those who are seeking for their sons and daughters a College where the most thorough education is united with the highest moral and spiritual teaching and influences.

## REV. JAMES BROCK.

Moved by Rev. W. Scott, seconded by Mr. C. W. Jenkins, and

*Resolved*,—That the Secretary of Conference is hereby requested to convey to the Rev. James Brock our sincere regard and esteem, and to express to him our Christian affection and sympathy, and our earnest prayer that he may receive abundantly of the consolations of the Holy Spirit now that he is, through infirmity, prevented from fellowship with his brethren.

## CONFERENCE TREASURER OF THE UNION CHURCH RELIEF FUND.

Moved by Rev. Dr. Antliff, seconded by Rev. W. W. Carson, and

*Resolved*,—That the letter of Mr. J. N. Lake, the General Treasurer of the Union Church Relief Fund, be received, and that we hereby express our pleasure that the more pressing needs of burdened trusts have been temporarily met; but we strongly urge that every station render aid to the utmost of its ability at the annual collection next October, and we further appoint the Rev. R. Whiting as Conference Treasurer in harmony with the request of Mr. Lake for a Conference Treasurer to be appointed.

## REV. J. ELLIOTT, D.D.

Moved by Rev. W. Jackson, seconded by Rev. F. C. Reynolds, and

*Resolved*,—That this Conference, while bowing meekly to the will of God, regrets the absence from our assembly of the Rev. J. Elliott, D.D., whose wise counsels for so many years contributed to the success of our undertakings; and we desire to assure our afflicted brother of our kindest recollection, our deepest sympathy and our most earnest prayers that he may prove in the evening of life that "the joy of the Lord is his strength"; and that the Secretary be requested to forward a copy of this resolution to Dr. Elliott.

## GENERAL CONFERENCE FUND.

On motion, the Conference ordered that the General Conference Fund Collection be taken up in the month of August.

## REV. JOHN BORLAND.

Moved by Rev. Wm. Hall, seconded by Mr. C. W. Jenkins, and

*Resolved*,—That among the aged brethren who yet are spared, but whose faces have not been seen lately at our annual gatherings, the lay and clerical members of the Montreal Conference desire to send their affectionate greetings to Rev. John Borland, who, after fifty-two years of labor with this branch of the Church of Christ, is still, by his voice in the pulpits of Montreal and by his pen through the press, standing nobly for the defence of Protestant Christianity, and that the Secretary of Conference send a copy of this to the Rev. John Borland.

## CONFERENCE EVANGELIST.

On motion, it was

*Resolved*,—That the Conference Evangelist be authorized to select and recommend to the Evangelistic Committee lay workers as assistants in our evangelistic work. Such workers to be under the control of the Committee to help in such Circuits as the Evangelist may not be able to visit.

three and one-third per cent. in each subject. Also a standing of thirty-three and one-third per cent. shall be required in order to pass in each subject of the subsequent course, and that the Conference direct that existing relations relating to the time and manner of examinations be imperatively observed, and more especially that it be deemed absolutely peremptory that the examinations be held on the same day throughout the whole Conference, and that all the young men in any District writing on any given subject write at the same hour.

*Resolved*,—That all the Superintendents removing from one Circuit to another be responsible for the supply of the pulpit on the Circuit they are leaving two Sundays following the rising of Conference.

*Resolved*,—That it is desirable to collect and preserve all books and documents relating to Annual District Meetings, Annual Conferences, and Connexional Documents that are full, or now cease to be used.

To carry this into effect, that the Rev. W. Scott be appointed for the purpose of receiving them for the Montreal Conference, and authorized to correspond with persons in possession of such documents; and all ministers or others having these in their possession are requested to send them to the person appointed to receive them.

#### BILLETING COMMITTEE.

Moved by Rev. W. H. Sparling, B.A., seconded by Rev. S. G. Bland, B.A., and

*Resolved*,—That in connection with future Conferences the Billeting Committee be under no obligation to provide homes for any delegates who do not signify their intention to be present at the Conference, at least ten days before its assembling.

PASTORAL ADDRESS  
TO THE MEMBERS OF THE METHODIST CHURCH  
WITHIN THE BOUNDS OF  
THE MONTREAL CONFERENCE.

DEARLY BELOVED BRETHREN,—

“Grace be to you and peace from God the Father, and from our Lord Jesus Christ, who gave Himself for our sins, that He might deliver us from this present evil world, according to the will of God and our Father.”

The return of our Annual Conference, held this year in the city of Kingston, affords us the privilege of again addressing you with words of congratulation and exhortation. You will rejoice to learn that the past year has been one of prosperity, both spiritually and financially. The statistical report shows a net increase in our membership of 2,559, and the various Connexional funds show considerable advance. There is peace within the borders of our stations, and the spiritual life of many of our members we believe to be deepening; and an expectancy of richer blessing characterizes not a few of our people. For these things we render thanks to Almighty God.

As you will be aware, the second General Conference of our beloved Church met in Toronto last September, when a number of alterations were made in our discipline. Amongst these we would specially call attention to the new regulations concerning the Children's Fund. The effect of these changes will be, in many cases, to reduce the income of the ministers, and we hope that in any cases where the reduction of income is likely to cause inconvenience, if not even distress, in the households of your pastors, there may be such arrangements made by your liberality that the lack of the amount heretofore received from the Children's Fund may be generously provided for. “Let him that is taught in the Word communicate unto him that teacheth in all good things.”

Another subject which excited a very exhaustive discussion in the General Conference was that of College Federation. The Conference expressed “its approval of Victoria University uniting with our Provincial University, on the line indicated in the plan of Federation prepared by the representatives of the different colleges; and further authorized and instructed the Board of Regents to complete, on behalf of Victoria, any necessary details of the basis of union, and to take proper steps to give effect to such Federation at as early a period as due regard to existing interests and to the necessary financial and other arrangements shall render it practicable.”

But for fuller particulars concerning these and other changes we refer you to the published Journal of the General Conference and the new edition of the Discipline, which all who wish to have an intelligent knowledge of the constitution of our Church should procure and study.

In considering the condition of the churches under our care, there are some matters specially calling for attention, and we affectionately urge that more aggressive measures should be adopted, and that at the same time we should take care that our conserving agencies are not neglected.

In reference to aggressive methods, there is large scope in our relation to the young. In them is our hope; both in the Church and Sabbath-school we need continually to aim at their conversion and their ingathering into the fold of the Methodist Church. We want our young people to be Christians and thoroughly loyal to our Church. The use of the Connexional Catechisms, both in the family and the school, would tend towards this result. We must also remember those who are neglecters of religious ordinances, and by consecrated and persistent effort, and if need be, by the adoption of new methods, we must endeavor to win them to Christ. While it is well to hold special services a few weeks annually to give a fresh impulse to God's work, we need to guard against supposing that such services will obviate the necessity of incessant, persistent efforts to bring men to the Saviour.

But while we adopt aggressive measures, let not conserving agencies be overlooked. The reports of our churches indicate that large numbers are passing out of our societies year by year. The leakage that is going on is a serious matter and demands our attention. While the Methodist Church is being abundantly blessed of God in the conversion of sinners, it will be found on examination that our increase is not in proportion to the number of these conversions, and we may often ask, "Were there not ten cleansed? but where are the nine?"

One means of preventing this loss, we believe, would be found in the formation of visitation bands in our classes, so that when any member is becoming remiss in attendance at the class-meeting there should be the affectionate call to stir up the halting and careless to renewed diligence and fellowship. We would also suggest that the class-meeting should not be systematically turned into either a Bible-reading or fellowship-meeting. There is still room and need in our economy for the old-fashioned Methodist class-meeting, consecrated as it is by so many hallowed memories and abundant blessings.

We also exhort to regular attendance at the Lord's table. Where this holy ordinance is habitually neglected there will be lacking much comfort and strength. Let this holy feast be kept in obedience to our Redeemer's command, "for as often as ye eat this bread and drink this cup ye do show the Lord's death till He come."

There is yet another practice to which we in Christian love fervently exhort you—family worship. The daily assembling of your households for Christian worship will cause God's blessing the more richly to rest upon your homes and will sweeten and sanctify your domestic life. Let not the pressure of business or any other cause lead to the neglect of this godly practice. The time spent in its observance in the life of the busiest laborer, farmer, merchant or professional man, is not wasted, and the bless-

ings it secures for the household far outweigh any additional pecuniary profit its neglect may seem to secure.

The Conference has had its attention directed to the subject of temperance reform. From the beginning "the people called Methodists" have been in most hearty sympathy with this movement in its various phases. Our motto still is: "Total abstinence for the individual, and total prohibition for the State." We would respectfully suggest that the time has come when partisan politics should be subordinated to the great and vital question of the prohibition of the manufacture and sale of intoxicating beverages.

We earnestly exhort you to withstand any encroachments on the sanctity of the Lord's Day. Both by precept and example we need to maintain inviolate the day for holy rest and worship. Let this sacred institution be zealously guarded against all attacks from worldlings and rationalists.

We commend to you the various Connexional institutions—our Colleges, and especially those which are under the care of our Conference, the Wesleyan Theological College and Stanstead Wesleyan College; our publishing interests, our Missionary Society, all of which need your kind remembrance and assistance. While you contribute of your substance to the local objects in which you are specially interested, let not the claims that come upon you as members of a Connexion be ignored. All these claims may be met if systematic and proportionate beneficence is practiced. Our giving must be from principle, not merely from impulse. We rejoice to know that in many cases the privilege, as well as duty of giving, is being recognized; and if our members and adherents will increase their contributions to God's cause as they increase in wealth, then will there be no lack in God's house. Let the apostolic admonition be remembered: "Upon the first day of the week let every one of you lay by him in store as God hath prospered him."

Finally, let all seek a richer baptism of power from on high, and resolve that the connexional year upon which we now enter shall be one of perfect consecration in His service who has redeemed us with His precious blood. And now, brethren, "The Lord bless you and keep you; the Lord make His face to shine upon you, and be gracious unto you; the Lord lift up His countenance upon you, and give you peace."
