Nursery Rhymes--No. 22.

A Moravian Idyl (very) n this revolving globe once lived a man, Then to his lines, impossible to scan, The names of Hood and Cowper at the botton

halts; And grammar vile commingled with the false And limping lines, unreadable and base, Just fit to guide "Dame Spearing to his place." Once in this lair, the shopman held to view In runic rhyme mysterious number 2. The man who "steels my purse takes trash," The man who "steels my purse takes tragen,"

'tis said,
But stolen brains won't fit a wooden head;
For such a deal-end pate I'd recommend
A dose of Epsom Salts, and to the Chemist send
And buy a box of Peristatite Pills—
A sure and certain guard 'gainst further ills:
Take those, my friend, and ease that dread
Neutralgic pain,
Forswear the muse and 'erwrite rhyme again
Remember what to us Will Cowper gave,
And I thim rest in 1 (33) and not ture in his
grave.

OFFLINT'S Ayer's Sarsaparilla Is widely known as one of the most effectual remedies ever discovered for cleansing the sys-tem and purifying the blood. It has stood the test of years, with a constantly growing rep-utation, based on its ntrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great cor-ruptions of the blood, such as the scrofulous ruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disporders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complants, to which it would not seem especially adapted, such as Dropsy, Dyspersia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the sgrafulous poisons. ions of the scrofulous poisons.

And her hazel eye turned upside down,
As she viewed, in awe, her hairless crown
