that has, from time immemorial monopolized the business of egg making on the Labrador coast. The eggs are the size of a large turs key or goose egg, in the shape of a bell pear and of all the colours that can be found among stone ballast, and are selling off rapidly.

Prince Edwards Island.

CBARLOTTE-TOWN, Tuesday, August 30, 1836.

Arrival of the Lieutenant Governor.

This morning the ship Emiline, Capt. Pettingell was reported from the Block-house, having on board our New Lieutenant Governor, Colonel Sir John Harvey. At ten o'clock the Emiline dropped anchor off the Kings; Whar, and was saluted with fifteen guns from the arrivan. officer in the army, succeeded his faint in the valuable entailed estates of Muirhouse more appropriate thing. After Cobbett's bonds now in my possession, which, as considerably warrange. He was previously married, and the father of seven children. After his succession he mortgaged his life interest in the entailed estates so deeply, that he had almost no surplus, and his life was insured with various insurance companies to the amount of the army, succeeded his father to the cobbett's bonds now in my possession, which, as considerably more than 14 years have elapsed since the money was lent, will amount to considerably more than £8000. It rust the committee of the incumbent, the salaries of offices abolished since the first the salaries of offices abolished since the commission of the Ecophy which has a handsome and suitable offer the amount of Your most, obt. Servn't.

F. Burdert. ous; just before a new meeting of the Legislature. It looks like more conciliation, more weakness, and will beget, in a certain quarter, and indeed in all, a feeling different, probably, from that which is expected.

Three American Engineers, of some standing, arrived in Toronto on the 10th instant, Ambrose Lane Thomas H. Haviland, Robert Horson, John Brecken and John Spencer Smith. Reserved the Excellency, previous to ratirging, directed a Proclamation to be issued ameunicing his assumption of the Government. On leaving the Court House the guard again presented arms, which furnished the

as free as Special combination of nearly at the enter the port of Newfoundland. He hoped that the Project of the Board of Trade leading mercantile houses in the netropolis would attend to the prayer of the petition. The honoitle member also presented a petition, most fumerously and respectably signed from Invrary, in Argyle, also respecting fish said to be so reasonable and moderate, this but fisheaught on our shores .- (hear, hear,) Intle doubt can be enterrained of their being is adopted is that with Bombay, by the way recoment, with a view to protection being at-forded. No trade was more entitled to re-ceive the protection of the government than

employed in that trade on the coasts of Scots land, and the nothern coast of Ireland.

Mr. G. T. Young had, three years ago, felt it his daty to call the attention of the government to the Reciprocity Act and the conduct of the Spanish government, which presed most severely upon British interests. The reply of the government at that time was, that the political state of Spain was such as prevented the act being strictly enforced. He hoped the matter would be taken into consideration by his Majesty's Ministers.

T. Captain Pechell, in seconding the petition of the honourable member for Greenock hoped the would undertake a bill for Scotlend, similar to that which he (Capt. Pechell) had brought in for the protection of the Lingbish of protection of the Lingbish for the protection of the Lingbish in for the Lingbish in for the protection of the Lingbish in for -there being no less than 100,000 vessels RAILWAY FROM NEWCASTLE TO EDITERS - A brought in for the protection of the English is grand commercial interests of the author fisheries.

Mr. P. Thompson said that great efforts, had been made with the young Queen of Spain to enter into an arrangement which would be muiually advantageous to both countries. He was sorry to say that there did exist a jealousy on the part of the Spainsh government towards the British navigation, that government towards the British navigation, that government the property of the spainsh government and the provisional room into to effect the building of public meetings at Jedsangh, Melrose, Hawney, Galashiels and the provisional room into to effect the building of public meetings at Jedsangh, Melrose, Hawney, Galashiels and the provisional room into the effect of the description of t
