seen by reference to the list of failures in the United States and Dominion, the amounts are appaling footing up millions New Brunswich has suffered less than any other portion of the Dominion.

The Canadian policy with respect to the Indians is to say the least an inexpensive one, and decidedly pacific, while we regret to notice the reverse is the case in the United States. The principal trouble has arisen from the dishonest and base conduct of the whites. It will be well to guard against such, as civilization progresses westward in the Dominion. The Indians are our friends, let us keep them so.

The Russians are being reinforced, while the Turks are daily receiving volunteers.

Boston's aid to St. John amounts to \$47,088, with a balance of \$20,966 remaining in deposit drawing interest, subject to the order of the Relief Committee St.

MANHOOD: HOW LOST, HOW RESTORED!!

We have recently published a new edition of Dr. Culverwell's Celebrated Essay of the radical and permanent cure (without medicine) of Nervous Debrility, Mental and Phy-sical Incapacity, impediments to Marriage, etc

resulting from excesses.

Trice, in a sealed envelope, only 6 cents, or two postage stamps. The celebrated author in this a lmirable Essay clearly demonstrates, from thirty years successful, pactice, that alarming consequences may be radically cursel, without the dangerous use of internal medicine, or the application of the knife; pointing out a mode of curse at once simple, certain and effectual, by means of which eveay suffere, no matter what us condition may be, may one himself cheanly, privately and radically. This Lecture should be in the every youth and man in the land.
