The parties most interested are: John Stricker, of Chicago, to Miss Niberlein, of this township; John Kreis to Miss Apal, both of this township; and finally Adam Bald, of Fullarton, to Miss Carry Schaub, of Sebringville. A popular old bachelor says that to his knowledge there are eleven more weddings on the string in the township.

Newton.

A good, live correspondent to THE BEE wanted here.

The stern reaper has cut down another prominent pioneer of Perth, in the person of John Zoeger, Esq. whose death occurred at his residence at Newton, on Saturday, 18th ult. Some years ago he was one of the best known and most prominent men in North Waterloo. He was the founder of the village of Wellesley, and carried on an extensive business in that village. He was a staunch Conservative all his life and opposed Moses Springer, ex-M. P. P., now sheriff of that county, as a candidate on the Conservative ticket for the Legislature, and was only defeated by 17 votes, which was a great surprise, as Mr. Springer was thought to be a most remarkable strong and popular candidate.

On Friday night last Henry Smith, of the 16th con., died at the age of 61 years. Deceased was one of the pioneer residents of the township and was one of the few remaining who voted for T. M. Daley at his first election. He leaves a family of seven children, among whom is Joseph Lambert and Mrs. C. Skin of this township. The family have the entire sympathy of the community.

The annual meeting of Molesworth Cheese and Butter Company was held in the Molesworth School house on Saturday, the 11th of January, and was well

attended by the shareholders belonging to the company. All seemed well pleased with the way the business was conducted during the past year. After the passing of the financial report, three of Directors were re-elected for the present year, the two new ones being Joseph Armstrong and Herman Fisher. The board of Directors for the present year are Hance Cummings, Henry Coghlin, John Brisbin, Joseph Armstrong, Herman Fisher. After the business of the meeting was over there was a dividend of one thousand dollars paid to shareholders on their milk.

Monkton.

Eben Freeborn, our popular clerk, has been down with la grippe. William Merrifield and wife have also been down with the same complaint. We believe Dr. Hamilton has the better end of the grippé, if we may judge from the calls he gets.

The Monkton reporter to the Stratford Herald is the best looking man on the staff. So much for Monkton. The reporter to the Beacon is not so good looking but is a good fellow and a sneezer after the girls, and it is said he talks in his sleep.

Wm Harris, jr., is still very low with pneumonia, brought on by la grippe. His sisters are also sick, and we hope they will soon be restored to health again as the family is highly respected and has the best wishes of all the community.

Mr. Wilson, manager of the Ontario House, is taking stock this week. The business done under his management has been pleasing to his many customers and we are sure will be to the firm. May Mr. Wilson live long to do business with us.

The citizens of Brussels welcome the new firm to our town and trust they may succeed.

The Huron Sabbath School Convention was held in Seaford on Tuesday and Wednesday of last week. It was on the whole a very successful gathering, although la grippe militated very seriously against the attendance of both speakers and delegates. It will be good exercise for Neil to pile it up before the snow gets drifted all over it. There were "lots" of young people at the social gathering in the evening when music and dancing were in order. Everything went merry as a bell. There were three violinists of various degrees of excellence and everybody put in a good time.

DECEASED.—On Thursday of last week Mrs. Thos. Mitchell, an old and respected resident of the 9th con., passed away to her reward. She had been ailing for some years with diabetes and recently the prevailing epidemic—la grippe—took hold of her and proved fatal. Her husband, two sons and one daughter are left to regret her demise. The funeral took place on Monday afternoon. Rev. D.B. McRae conducted the service.
